

# Design A Bookmark Contest

Help us celebrate National Library Week in April by designing a bookmark for the Niles Public Library District.

Who can enter? The contest is open to children in grades K-12. Contestants must have a Niles Public Library Card or attend school at D63, D71, or a Niles Public Library District school.

## What do I do?

- Draw your picture in the rectangle at the right.
- Please don't draw trademarked characters like Spongebob, Spider-Man or Disney — we can't print them!
- You can photocopy the entry form but only entries on white paper will be accepted.
- You can only turn in ONE bookmark form and all work must be your own work. The child should not get help from others with drawing.
- All bookmark entries must be received by 9pm on Monday, March 5. (All artwork becomes the property of the Niles Public Library and cannot be returned.)

## What happens then?

A jury will select 10 winners, one from each grade K-8 and one from high school. Winners will be notified by April 4th. The bookmarks will be professionally printed, and each winner will receive 10 bookmarks. The winner's class will also get bookmarks! The winning bookmarks will be distributed beginning Sunday, April 15th while supplies last, and all entries will be on display from April 15-30th in the Youth Services Department.

**The bookmark should relate to libraries, books and/or reading.**

*Please join us for the  
Bookmark Contest Reception  
Sunday, April 15th at 2pm featuring  
artist and children's book illustrator  
Laura Montenegro*
