The "Young Turks" on Skokie's village board voted in favor of an ordinance to ban "all coin-operated amusement devices" at last week's meeting. Trustees opposing the ordinance were the old guard. They included the son of Scotty Krier, major domo of the township Democrats, who has held sway in the area these many years.

The power in Skokie has passed from the hands of the Krier-dominated machine into the hands of the new independent forces, composed of the non-professional politicians.

In Niles the old guard still holds forth. The coins in the amusement devices still jingle a merry tune. Only last week a new establishment in Niles opened its doors and the amusement devices there repeated its same tune.

I asked the manager of the establishment if the amusement devices paid off. In a hushed voice he whispered they did. I realized he was new in the area or he would have known he didn't have to whisper such news in the "Little Las Vegas of the Chicago-land area".

Bob Wente, one of the "Young Turks" on the Niles zoning board made a recommendation at last month's planning commission meeting that multiple dwellings should all front on the street in front of the building rather than be built vertically to the rear of the lot line. This type of building enables builders to increase the number of units being built on each lot.

Such building is most prevalent in the townhouse areas along Dempster Street. The congestion resulting from these units causes parking problems and results in the obvious burden to the school district.

Wente's suggestion, which will be included in the commission's recommendations to the village board, is certainly deserving of consideration by the trustees.

It is my suggestion that when the trustees begin to tackle the new zoning ordinance that representatives from all homeowners groups and other interested parties attend the board meetings.

A large percentage of residents' problems in the village result from zoning regulations in Niles. The sewer problems, school burdens, multiple dwelling plans and shopping center invasions all have a direct relation to zoning in the village. THE BUGLE will call your attention to the all-important trustee meetings which will begin in August.

Tonight's Plan Commission meeting will result in the reading Continued On Page 6

## State Rejects Stop Lights At Milwaukee Ave. Intersections

Plans are being completed for the 7th annual St. John Brebeuf Carnival, which will be held from Wednesday, August 3 through Sunday, the 7th. Standing from L. to R. Mr. A. Gruenewald, general chairman, Frank Di Maria, Father L. Wagner, Father Waldron, Roy Egan, and Frank Leonard.

### Re-Submit Trustees Request

The State of Illinois Highway Division rejected Niles request for stop lights at Jonquil and Milwaukee and Monroe and Milwaukee, it was announced at Tuesday's meeting.

Motor Fuel Tax money, returned to the village from the state was to be allocated for the two lights. However, it is necessary to receive state approval before MFT funds can be used.

Trustee Sam Bruno, whose area of Jonquil Terrace has petitioned the village for the Jonquil Terrace light, asked in exasperation what could be done about receiving state approval. Trustees answered they would re-submit their request to the State of Illinois emphasizing the urgency of the need for the stop lights. At the urging of resident, Anthony Ortman, 8456 Ozark, Main and Milwaukee was also included as a third area in need of a stop light.

In other actions trustees postponed acting on the request for zoning for 19 six flat apartments in the Milwaukee-Dempster-Crain area pending a meeting with the Plan Commission, regarding the new zoning ordinance. Action on this Panagaskis property will take place August 9.

Requested Mr. Panagaskis fill in area which now has water continued on Page 8

## Groundbreaking Ceremony Yesterday For Eagle Store

A ground breaking ceremony marked start of construction of the new Eagle Food Center at the intersection of Milwaukee and Oakton in Niles Wednesday, August 10.

Present at the ceremony were Niles Mayor Frank Stankowicz; Chamber of Commerce president Ronald Pankau; Mrs. Eleanor Gillard, president of the Niles Women's Club; Eagle executive vice president Bernard Weinreich; Gene Bank, vice president of Arthur Rubloff & Co; an official from the architectural firm, Sidney H. Morris, Associates, and Mr. Louis Lang, vice president of Roberts-Lang-Gray, the general contractors for the new supermarket.

The Eagle Food Center will be of modern design, complementing its surroundings. The 100,000 square-foot site will accommodate a 25,000 square-foot one-stop supermarket and parking for 190 cars. It is the southwest corner of a proposed shopping center. Completion date is set for late 1960. The site was purchased from Louis Fratini and Gabby Hartnett for Eagle by Rubloff.

The Niles Eagle Food Center will be the sixth new market in the Chicago area. Other locations are in Highland Park, Elmhurst, Rolling Meadows, Glenview and 6009 N. Broadway, Chicago.

In addition to the five presently operating stores in the Chicago area, Eagle also operates

29 supermarkets in eastern Iowa and western Illinois, with new Markets for Cedar Rapids and Bettendorf, Iowa, also scheduled for 1960.

Shoppers will enter the Niles Eagle Food Center through the produce department, which will feature over 100 feet of counters filled with produce attractively displayed over cracked ice. Eagle's "Value-Fresh" produce has been one of the market's outstanding features in their previous locations.

## Money Will Rain AT First National Of Skokie Celebration

Money will rain down from the skies for some lucky people following a unique ribbon cutting ceremony to officially launch the new auto banking service of the First National Bank of Skokie, according to Willard C. Galitz, president.

When Mr. Galitz cuts the ribbon at 2:30 p.m., August 19, 1960, helium filled balloons, carrying certificates for free savings accounts up to \$50 in value, will be sent aloft. Following the ceremony, free silver plated finger nail clips will be presented to customers using the new service. The facility is open now for a short "shake-down" period. The public is invited to the ribbon cutting which will take place between the new unit and the main banking building.

The unit will provide four drive in windows, a walk-up window,

standing features in their previous locations.

Another of Eagle's features which have made them a favorite with Midwest shoppers is their "Value-Trim" meat department. "Value-Trim" meat is trimmed of excess bone and fat.

As in all Chicago-area Eagle stores, Heinemann's Bakery will have a section of the supermarket.

Cars will enter from Warren Avenue, and exit on Oakton Street.

## New Nilesite

Mr. & Mrs. R. Hayward, 6932 Jonquil Terrace announce the birth of their daughter, Terri Lynn, born at Resurrection Hospital on August 2. Terri Lynn weighed in at seven pounds twelve ounces.

**Garbage Problem** **Tax Increase**

Letters to the editor

Dear Sir:

When our family moved to Niles six years ago everyone seemed so co-operative and the different departments of the village seemed to take pride in a job well done.

In the past few months this feeling is completely void in the Sanitation Dept. The collectors

I wonder if you could give room in your paper to give me (and possibly many others who feel like do) an explanation as to what happens to our tax money. The raise in taxes seems incredible, especially, as compared to other towns, we have nothing to show for it. Approximately four years ago I moved to Niles and purchased a home at 8045 N. Ozanam Ave. The taxes were \$270.00. Today it is \$420.00. I sold this house about year ago as the Park District saw fit to put a high back stop for the Little League adjacent to my home, and the noise and foul smells coming into my yard, on my roof, and the youngsters breaking through the shrubs became unbearable. Needless to say I took quite a loss when I sold this property. I purchased another home at 8018 N. Ottawa and received my tax bill with a raise of \$52.00. I have friends living in Skokie, Mt. Prospect and Rolling Meadows and all have said their taxes have been reduced as much as \$30.00. Mt. Prospect and Skokie have much more to show for their tax money than Niles. Now

## From The Left Hand

by David Besser

Niles is popping at its seams these days, unlike any other time in its sixty-one year history... or matter of fact unlike any time in many towns' histories.

Never was I more aware of it than a week ago Tuesday. Early in the morning a public relations man representing Eagle Stores called to remind us of the ground breaking ceremonies Wednesday at Oakton and Milwaukee. An hour later we encountered a businessman who laid out the proposed plans for the Lawrencewood Shopping Center which sketched the locations of Goldblatt's, Red Owl, Walgreen's, Kresge's and several other stores which will be available in the Oakton-Waukegan center.

Only a half a block away The Bank Of Niles is making steady progress with an October opening date expected there.

Moving back on Milwaukee Avenue and heading north I passed the building of the Shoppers World around 9300 on Milwaukee Avenue which is right alongside the area where a million dollar indoor movie theatre and restaurant will soon begin building.

Then I drove into the mecca of shopping centers, the Golf Mill area, and encountered representatives from Hillman's. They told me their D-Day has been pushed back six weeks and that they now expect to open about October 15. Moving across the street I spoke to Sears representatives who said they expected to open on that same date.

Driving back south to "old Niles" (any area north of Dempster) I drove down Oakton Street passing the area where the intended community center and village hall may be built if voters approve referendums for the buildings in the middle of October. And amazingly all this activity is taking place within an area no more than two miles square.

Then Tuesday night I was at the village board meeting which almost kayaked any plans for further expansion to the north. Trustee Nielsen reported that his committee which had viewed the property known as the "Golden Forty" north of Golf Road, recommended that village officials reject annexation plans in this area. Trustee Marszalek backed up Nielsen citing water problems as one of the factors which would create a problem for Niles.

Interestingly, this same faction (which is the sound and fury of the Mayor) also opposed the annexation of the Golf Mill center and sat on their hands when it was

## July Building Off 80 % From Last Year's Record High

Niles July building permits decreased 80% from the record high of July 1959, according to Bell Savings and Loan Association. Permits for the Chicago area dropped off a corresponding 40% from last year's. This is the eleventh consecutive month in which permits ran behind the past year in the Chicago area.

In all types of building Niles issued permits for construction of \$682,680 during July, 1960. In 1959 the figure was a whopping \$3,007,095. In June of this year building was valued at about \$1,664,750. Niles fell slightly behind her neighbor, Morton Grove and Park Ridge while surpassing Skokie and Lincolnwood.

Des Plaines passed \$2,000,000 mark in building permits and Park Ridge topped the \$1,000,000 mark for all types of building. Glenview had a figure of about \$250,000 behind Niles' amount.

In home building Niles building permits were approved for buildings worth \$242,000 for 13 permits. This was in comparison to 143 permits for \$1,643,500

for last July, 1959. Only Glenview and Lincolnwood had lower figures among Niles' neighbors.

Fourteen permits for \$151,000 were approved for apartment building in Niles. Skokie and Park Ridge exceeded 20, Lincolnwood had 2 and Morton Grove and Des Plaines had no apartment permits approved for the July month.

### Point To 7 Gambling Stamps Here

In last Sunday's Chicago Sun Times an editorial suggested that the state's attorney might heed attention to gambling in Niles as well as 16 other suburbs in the Chicago-land area.

The editorial stated that gambling establishments must pay a \$50 wagering stamp and pay 10 per cent federal tax on their gross monthly income. It continued that while the federal government does not object to gambling, the state of Illinois has a state statute which states gambling is against the law.

The editorial insisted that the persons purchasing the \$50 federal tax stamps did not pay this amount because "they were stamp collectors. They intend to get their investment back".

The editorial then added that the gamblers respect Uncle Sam more than they do local law enforcement agencies. It said that while they do not want Uncle Sam "breathing down their neck" they are not greatly concerned about local police or the sheriff's office or the state's attorney's office.

It concluded that Evanston was the only suburb which merited attention from the state's attorney's office.

The last reference was to the "policy games" which have been found operating recently in Evanston.

As readers of THE NILES BUGLE have long known, Niles businesses had seven federal gambling tax stamps issued to them during the past few months. Niles has been the only north or northwest suburb which has had the stamps, and the seven issued was the same number which had been issued to infamous Cicero, which has long been known for its open gambling.

## CHATTER MATTER

by Dorothy Schreiner NI7-9887

One of the most beautiful and radiant brides of the summer, was Miss MICHAELYN CHRISTOPOULOS when she became Mrs. FRANK WAGNER Jr., on Saturday Aug. 6. The wedding ceremony was performed at the St. John Brebeuf Church, at 11:00 a.m. Monsignor MEEGAN of Mundelein, Ill. officiated. Mrs. WAGNER'S dress was of white organza with a fullskirtinlayers of eyelet. Her veil was short. Mrs. JOSEPH ROSY was the maid of honor and the brides maids were Mr. WAGNER'S sister — Mrs. RALPH KOZENY and Mrs. RUDY DEL BOCCIO. They all wore identical white organdy dresses trimmed in aqua, with matching head bands and carried aqua carnations. Mr. HOMER BECKER was the best man and the ushers were Mr. RALPH KOZENY and Mr. FRANK KERNS. Miss DEBBIE KOZENY was an adorable flower girl, in her very short pink and white candy striped cotton dress, with a white organdy pinafore over it. She had a pink rose bud band in her hair and carried a basket full of pink garden flowers. The reception was held at the Luxembourg Gardens, in Morton Grove. The newlyweds flew to Miami Beach, Fla. for a two week honeymoon and will soon reside at the corner of Dempster and Oketo Avenues in Niles. Mrs. WAGNER is the daughter of Mr. & Mrs. MIKE CHRISTOPOULOS, 7304 Neve and Mr. WAGNER is the son of Mr. & Mrs. FRANK WAGNER, 8326 Harlem.

Mrs. FRANK KERNS, 7304 N. Neve, proudly announced that she and her husband are the parents of a baby boy, 5 lb. 10 1/4 oz. KEVIN FRANCIS was born at the Lutheran General Hospital, on June 18. He is the grandson of Mr. & Mrs. MIKE CHRISTOPOULOS.

Miss JEAN KLAMMER was the guest of honor at a miscellaneous bridal shower, which was held at the home of Mrs. LEO KIESWETTER, in Glenview, on Thurs., Aug. 4. About 15 guests were present. Miss KLAMMER will become the bride of Mr. RAY LARSON, of Skokie, on September 10. They will be married in the Niles Community Church and will make their home in Abilene, Texas, where Mr. LARSON is stationed with the Air Force.

The MARTIN BEIL family, 114 Sunset Rd., asked me to thank all of the people for their prayers and all the cards they sent to the BEIL home and the hospital, when their 8 year old daughter MARY ANN was so very sick. Mrs. BEIL said they had heard from so many nice people, there just wasn't time to send thank you's to everyone and yet they were so grateful, they just couldn't put it into proper words. MARYANN is much better now and has gained weight and looks just fine. So, from the BEIL family, a humble but grateful Thank You.

Get well wishes are sent to Mrs. JOHN LETOURNEAU, of 8323 Newland Ave., who was operated on Aug. 8, at the St. Francis Hospital. I hope she is home now and feeling better.

Very best wishes to Mr. & Mrs. TOM MAHONEY, 8154 N. Osceola, on their 19th wedding anniversary, which they will celebrate on Aug. 20. I can't imagine ELYNOR being quiet long enough, to exchange her "I do's".

Mr. & Mrs. EDDIE BACHER, 7147 Milwaukee Ave., will be married 21 years on Aug. 27. Congratulations to both of you.

During the month of July, Miss FLORENCE KLAMMER of Honolulu, spent 2 weeks visiting at the home of Mrs. VIVIAN KLAMMER, 8342 Cicero. She was on her way home from a 3 month vacation in Europe and decided to stop in Niles, on her way back.
