DOING BUSINESS IN NILES HELPS FINANCE STREET IMPROVEMENTS

Motor fuel tax money returns helps to build new streets as well as improve old ones.

By supporting your Niles Gas Stations, state tax money spent there is returned in part TO NILES to be used for streets, and sidewalks also curb improvements.

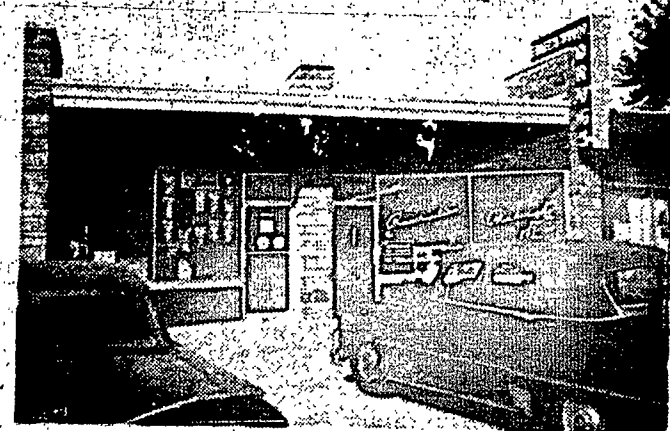

AS AN EXAMPLE.. Oakton Manor and Grennan Heights residents both received about 33% reduction in their street assessments due to the applying of motor fuel tax money returns to the construction of streets IN NILES.... one more example why "It's good business to do your business in Niles..... It Makes Good Sense... and Cents."

WHEN YOU DO BUSINESS IN NILES.....

Sales Tax Money comes back to serve you.... 1/2 cent of every dollar spent IN NILES is returned TO NILES.....

AS AN EXAMPLE.... Sales Tax returns can purchase new sidewalks and a street lighting program for Niles.

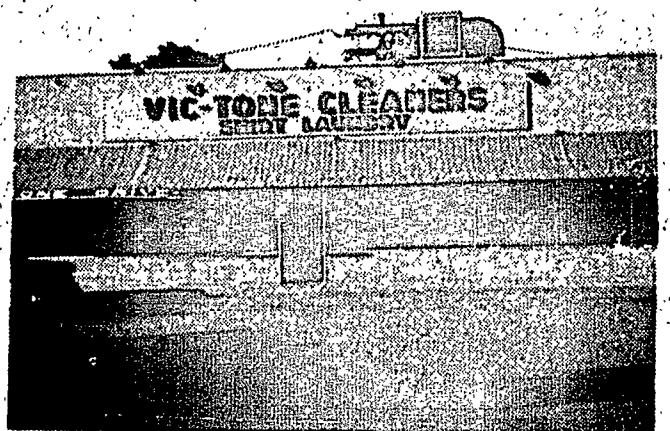

.....one more example why "It's good business to do your business in Niles..... It Makes Good Sense.. And Cents."

From The Left Hand

by David Esser
Editor & Publisher

The vacancy on the park board will make room for the fourth new commissioner since the April election. The only, pre-election member, Lou Schreiner has been kicked upstairs to the presidency.

We have high hopes for some park action during the next six or seven months. Schreiner hinted that we could expect some very positive action during this period and we look forward to the coming months with hopeful anticipation.

The new members on the board were the leaders in the recent Lawrencewood action, which started so hopefully, but eventually petered out their enthusiasm, plus Schreiner's interest and experience, should be the needed combination which will soon get results in Niles acquiring additional land for park sites.

The greatest deterrent in past actions has been the in-fighting of the park board and the village trustees. April's turnover of new faces has licked this obstacle. We look with much optimism on the very near future's park actions.

The fifth vacant chair on the park board is open to any resident who has a desire to serve his village. An article in today's Bugle from the park board tells of the opening. Any Nilesite interested in serving his village should contact the park board.

Commissioner Ray Eagan had a suggestion which we've mentioned here several times. He openly inquired, "Why shouldn't we have a woman on the board?" We heartily agree. Let the girls away from their diaper sorting... from their diaper sorting... and their hour long phone sessions and get them on the firing line. Why should old dad, wearied from a day's toil, have the sole responsibility of running his village? We may wind up having a hen-pecked park board but in between cups of coffee, and endless chatter, I'll bet Niles would wind up with a few more parks!

Two weeks ago I erred in the paragraph concerning doctors. I had mentioned that Niles doctors did not have office hours on Wednesdays. One doctor phoned and said he had been keeping Wednesday office hours for the past three years. We stand corrected.

Our good friend the Mayor wrote another letter this week and we question the propriety of it. He wrote a letter to Dr. Wiltse, superintendent of Maine High Schools, regarding the upcoming \$8.8 million dollar high school bond issue. The tenure of the letter (found on page 1 column 5) was that the new school should be built economically and he voiced his concern over the increased tax burden to residents.

While we agree with Blase's thinking we disagree with his expressing these views as village president of the village of Niles. In his four paragraph letter he uses the pronoun "I" four times to express his opinion. And while his opinion is as important as any other resident's, as a private citizen, it suddenly becomes more than his opinion when he signs the letter as the village president of Niles.

Blase had sent a letter to NBC some weeks ago objecting to what he believed to be er-

Begin New Bus Service

On Monday, October 23rd, United Motor Coach Co. increased bus service between Milwaukee and Devon Avenue and Golf Mill scheduled approximately every 30 minutes.

Pictured above welcoming the new service from left to right are: Richard Hartzak, Member of the Niles Transportation Committee, for United, George M. Heinze, Chairman of the Niles Transportation Committee, Walter C. Cronk and Police Chief Charnell, Emrikson, Committee Members and John T. Hanck, United's Public Relations Director.

Mayor Blase Reveals Results Of Survey

Dear Neighbor:

In response to my recent letter to you requesting "Items the People felt as most important to them concerning our Village," there were 213 replies with anywhere from one to three items listed in each letter. The replies came from every segment of our Village with concentration in no one particular area.

I have broken them down in percentage of the total listed.

- Village Transportation Need 15%
- Park and Pool Facilities Needed 15%
- Storm and Sewer Relief 13%
- Removal of Traffic Hazards (Putting in more traffic lights, etc.) 11%
- More Street Lights 7%
- Taxes Too High 6%
- Burning Garbage in Alleys 6%
- Cleaning Empty Lots 4%
- Multiple Dwellings 4%
- Paving Street Need 3%
- Traffic Congestion 3%
- Bent Garbage Cans 2%
- Hot Road Autos 2%
- Telephone for Niles Village Hall with a Middlestates exchange 2%
- Snow off Sidewalks 1%

Woman's Club To Be Guested October 26

ATTENTION! ATTENTION! ATTENTION! Thursday, October 26th has been named as Woman's Club of Niles Day at the Norge Laundry and Dry Cleaners, 8856 Milwaukee Avenue!

All members are invited to bring either a sweater or a skirt with them at 1:00 p.m. and while these items are being cleaned free of charge, the management will treat the ladies to coffee and something to nibble on during an hour of relaxation in the lounge area.

Let's all show our appreci-

- Not Enough Snow Removal 1%
- One Niles School District 1%
- Village Manager 1%
- Not Enough Parking 1%
- New Curbing 1%
- Sprinkling Water Shortage 1%
- Not Enough Garbage Pickup 1%
- Niles is Strung Out Too Far 1%
- Low Flying Airplanes 1%

It will be our honest effort to give help in as many of these areas as we can. Toward this end, every category listed will be assigned to different Trustees and Department heads for study. We thank you for your aid in helping us run this survey. We are your voice and can act only when we know through your expression where action is needed.

Sincerely yours,
Nicholas B. Blase
Village President

Park Halloween Party Set For Saturday

The Niles Park District will sponsor its 1961 Halloween Party this Saturday, October 28th. The spooks, hobos, clowns, little monsters, big monsters and all masked personnel should assemble at the Grennan Heights Fieldhouse at 2:00 P.M. There will be apple taffies, donuts, milk and games. Mayor Nick Blase, along with police and fire equipment, will lead the Giant Parade. Judges will issue a total of eight awards for the boys and girls with...

The park will host the ghosts and asks everyone to come and watch the witches.

Park Bd. Seeks Commissioner Candidates

The Niles Park District will soon select another Commissioner to replace Mr. Bernard Miller who recently resigned. In an effort to choose the best qualified candidate they are asking for names of residents in the park district who are interested in being a Commissioner of the Niles Park District. The post is open to both men and women. Send all inquiries to Mr. Frank Schmidt,

The Niles Bugle, Thursday, October 26, 1961

Opening In Park Dist. For Attorney

Previous press releases have mentioned that the present Niles Park District Attorney, Mr. James Orphan, has submitted a letter of resignation but will continue in his capacity until a successor is selected. Several qualified men have shown interest in this position and before the commissioners make an appointment, they want to make sure that all interested persons have had a chance to apply.

The Park District budgets about \$4000 per year for attorney services. This includes a \$600 retainer fee. A knowledge of municipal law is desired.

Please submit all resumes to Mr. Frank Schmidt, Secretary, Niles Park District, 7348 Lull Street, Niles 48, Illinois.

Newborn

We have a new Nilesite in our village. Little Kathleen Ellen, born on Oct. 13 and weighed 8 lbs. 15 oz. was born to Mr. & Mrs. F. J. Zuber of 7034 W. Kedzie in Niles.

Review Of October 16 Maine High School Board Meeting

At its regular meeting Monday night, October 16, the Maine Township High School Board of Education made tentative plans for a meeting with a committee of high school teachers regarding merit rating, reviewed the annual report to the State Superintendent of Public Instruction, and confirmed the appointment of several people. The Board also discussed plans for the school bond referendum which is scheduled for November 18.

Following clarification of certain questions which were raised by teachers' organizations, Superintendent Wiltse advised the Board that a committee of teachers is now being appointed to represent the teaching staff in the preparation of plans for merit rating. The teachers' committee includes Mr. Vernon Moeller, Mr. Dale Marshall, Mr. Joseph Elliott, and Mr. Ronald Teller.

Other members will be named soon. The first meeting of the group is scheduled for Wednesday evening, November 1, at Maine West.

The Board discussed and approved the annual report which is to be submitted to the State Superintendent of Public Instruction. At the official visitation a year ago, four recommendations for improvements were made. The report indicated that the Board has complied with these recommendations as follows:

1. In order to make the library at Maine West more nearly comparable to the one at Maine East, the budget for books and materials in that school was set this year at an amount nearly double that of Maine East. In addition, the budgets of both libraries were

increased this year to amounts that are nearly double those of last year. Expenditures last year were West \$6,274; East \$9,943. Budget figures this year are: West \$12,600; East \$7,000.

2. After careful study, the Board of Education decided not to increase the library staff of either school in number.

3. During the past year we have reorganized the guidance department, adding seven new counselors and separating functions of discipline from counseling. Our last Annual Report showed thirteen people employed in counseling and guidance. This number has now been increased to twenty. In addition, a part-time psychologist has been added to the staff.

4. In regard to the recommendation for a third high school building, the voters of Maine

Township will have an opportunity to approve a \$8 million dollar bond issue for the construction of the third high school (Maine South) and a field house for Maine West on November 18, 1961.

In addition to our efforts to comply with recommendations made last year by the Office of the Superintendent of Public Instruction, we are employing six lay readers (for the first time this year) to assist English teachers in the improvement of their writing in their classes. A Teachers' Guide for 11th and 12th grade English courses has been prepared for use in both high schools this year.

Our four year program of Reading Improvement is now in its second phase, with emphasis this year on the improvement of study habits.

Two new shorthand laboratories have been installed, one in each high school.

A unit on Communism for use in district social studies classes has been written by a committee of three teachers in the social science departments. This is now part of the curriculum in both high schools.

Superintendent Wiltse reported to the Board that about half of the Parent-Teacher organizations in the township have invited speakers to discuss the school bond referendum. A list of polling places was officially approved. Board Secretary, Harold Markworth, was authorized to continue with the selection of election judges. Polling places will be located for the most part in elementary school buildings. The exact list of locations will be published soon.

Confirmation was given to the temporary appointment of Mrs. Lenore Torp, teacher in the special education room at Maine East. Katharine Kottl will serve as an assistant half days in

the attendance department. One Lay Reader, Mrs. W. J. Shibley, was appointed to replace Mrs. Phyllis Masak who found it impossible to continue as reading assistant in the English Department at Maine East. Two Lay Readers are still needed.

There was some discussion of a report that the public library in Des Plaines is filled to overflowing evenings with students seeking reference materials that are assigned for home study in high school. Principals, Herman L. Rider, and Milo S. Johnston, will study this problem from all angles and will report to the Board.

You can actually make three calls for the price of two by just telling the operator you'll talk to anyone who answers. And, if you call after 6 p.m. or all day Sunday when rates are lower you'll save even more.

Chatter Matter

by DOROTHY SCHREINER
YO 7-9887

A tiny bowling Miss joined the family of LEN and BETTIE MIELE, 8328 Odell and she very appropriately picked her parents' regular bowling night, to make her appearance. MARY ANN was born on Thursday, Oct. 5 at the Edgewater Hospital, and weighed 6 lb. 3 1/2 oz. Her built-in baby sitters are her brother LEN Jr. and sister NANCY.

JOHN LORENZ, of 8039 Odell, received a most unusual birthday gift on his 11th birthday. It was wrapped in a diaper and tied with pink ribbons and presented to him by his parents, WALTER and LOIS LORENZ. The baby was born on Oct. 5 and weighed a whopping 9 lb. 7 oz. The honor of naming her was left to her older sisters and brothers, so the children decided on calling her Kimberly Marie. Besides her big brother John, there are also KATHY, JOAN, BILL, TOM and MARY FRANCES.

Mr. and Mrs. ALBERT MOYER, 8132 Ozark, proudly announced a new addition to their family, MICHAEL BRIAN was born at the Resurrection Hospital, on Oct. 7 and weighed 8 lb. 1 1/2 oz. Now the MOYERS have 6 boys and one girl—ALBERT JR., JAMES, DAVID, PATRICK, RICHARD and of course MICHAEL and MARY ELIZABETH.

I was so very sorry to hear that Mrs. FRANK KODYM, 8358 Sherman is very ill and a patient at the Resurrection Hospital. Mrs. KODYM is the very sweet lady in charge of the altars at the St. John Brebeuf Church and has always done a beautiful job. "Maybe" this little bit of news might cheer her up, Mrs. KODYM's pride and joy is her grandson JERRY JAMES, who is a cadet at the Onarga Military School. JERRY is a full-back on the varsity football team and 2 weeks ago, in a tough game, he made a spectacular 55 yard run for Onarga's only touchdown of that game. They still lost but his long run was one of the proudest moments in the lives of his parents Mr. and Mrs. T.V. JAMES, who were watching the game. I'm sure grandma is proud too.

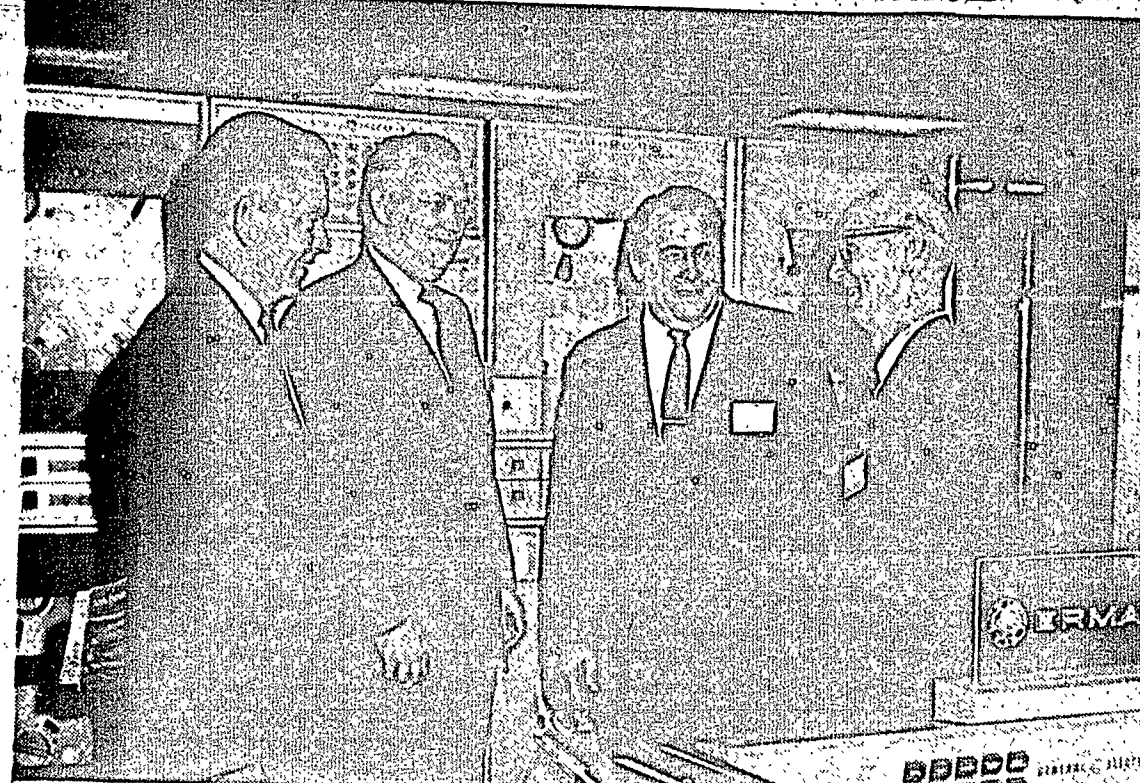

My next door neighbor, Mrs. ARTHUR LUTHER, 8232 Odell, is at the Lutheran General and had surgery performed on Oct. 17. "Hurry and get well DOROTHY, I have no one to gossip across the fence with now that your resting in the hospital."

Our deepest sympathies are extended to Doc A. GRANT MISENER, 8200 Oakton on the recent death of his 83 year old father. The family drove to Canada to attend the funeral.

I received a short note from FLORENCE QUIRK, formerly of Niles and now of California, and she asked me to thank all her Niles friends for their expressions of sympathy they sent her when her husband Bob passed away. FLORENCE wrote, "I certainly appreciated getting all the cards, Death is hard to take at any time but when your miles away from friends, one can really feel lost." We all think of you often and hope you will be visiting in Niles soon.

If you see an Alaskan Malamute 8 month old puppy walking in the 8200 block on Oakton, proudly wearing a blue ribbon, you will have seen a champ. His proud owners, Mr. and Mrs. RAY ANDERSEN and their children JUDY, ALAN and NANCY notified me that "Magick" as their dog is called won his very first blue ribbon Continued On Page 7

BN Bankers At California Convention

Local bankers attending the American Bankers Association convention in San Francisco call on Bank of America's electronic bookkeeping wizard, ERMA (Electronic Recording Method of Accounting), during open house in the bank's new \$17 million building at One South Van Ness, which houses a great array of ultrahigh speed electronic equipment. Representing the Bank of Niles, they are from

left, Ralph Erickson, director, Alvin Shugart, president, Edward Ciccone, director, and Joseph Srodulski, director, shown here with one of ERMA's computers. Convention delegates at the open house (Oct. 15-17) watched ERMA do commercial bookkeeping at the rate of 33,000 accounts per hour, read and sort checks at 750 a minute, and print customer statements at 10 lines per second.

Park Ridge Approves Dempster St. Sewer

The Park Ridge city council has given unanimous approval to a joint agreement with Niles to construct a storm sewer system for 1.6 million dollars, according to Chicago's Sunday Tribune.

The proposed sewers would carry storm water from Oakton street northward along Western avenue to Dempster street, where the Niles portion of the project would carry it into the Des Plaines River.

Mayor John H. Overbeck Jr. said "Park Ridge would pay \$379,000 of the total. Niles would pay the remainder since it would get about 30 per cent of the benefit."

The mayor said that 32 per cent of the cost to Park Ridge would be paid from general funds, and the balance would be collected thru special assessments.

Overbeck said that Park Ridge Manor was not included in the present plans. He said any unincorporated area could connect storm water drains to the system in the future. A pro rata fee would be charged and would be placed in an escrow fund.

James Galloway, Park Ridge city manager, said earlier that "the collected fees would be divided proportionately between the two communities, with 80 per cent going to Niles and 20 per cent to Park Ridge."

The sewer project is the result of a five year study. Nicholas Blase, Niles village president, earlier said that the new Niles board members, plus a new village engineer and attorney, had wanted more time to consider the plan.

Park Ridge Ald. Robert W. Wyatt said the project had been delayed because of trouble "getting Niles to cooperate and accept its fair share of the cost of the agreement." He said, however, that the final agreement was satisfactory.

"It's perfectly obvious we need to alleviate flooding in Park Ridge," Wyatt said. Conditions in several parts of the city become disastrous with the slightest amount of rain," he added.

A number of citizens appeared at the council meeting to protest the special assessment. Mayor Overbeck reminded them that no special assessment can be made in Illinois without approval of

County court. He said homeowners who felt their special assessment was unfair could appeal to the court and have a jury trial. "Your rights are fully protected," Overbeck said.

Some homeowners asked why the city permitted builders to connect new homes to sewer systems which already had proven inadequate.

Overbeck said it was difficult to predict where overflow problems were going to occur. He said that building had been stopped in wide areas of Park Ridge at the present time because the city felt overflow problems could develop there.

Greek Orthodox School Guild Meet Nov. 2

The first meeting general meeting of the St. John Greek Orthodox School Guild will be held Thursday, November 2nd, 1961 at 8:00 p.m. in the Church Hall. Guest speaker for the evening will be Dr. George Brown.

Dr. Brown received his B.A. from Maryville College and his Master's in Education from the University of Buffalo. He is now Superintendent of Riverside-Brookfield Township High School and also chairman of many organizations.

In 1951 he was selected by the U. S. State Department and U. S. office of Education with 19 other school administrators to study European school systems.

St. Anselm's To Discuss Plans

The congregation of Saint Anselm's Episcopal church will meet and discuss proposed plans for a new church building, at a special meeting November 1. The proposed plans are for a cruciform church, with church school and meeting facilities being provided in an English basement under the church proper. William M. Cooley and Associates, of Park Ridge, are architects for the congregation.

The meeting will be preceded by a parish dinner at 7:00 p.m. The meeting and dinner will be held at Jefferson School, 8300 Greenwood Ave., where the congregation now holds its regular Sunday services.

Niles Police Chief Among 10 Sued Over Book

A suit asking \$3,900,000 damages was filed Monday in U.S. District Court against police chiefs in 10 suburbs who were accused of blocking the sale of the book "Tropic of Cancer."

Niles police chief Clarence Emrikson was among the ten police chiefs cited in the suit.

An injunction also was asked to prevent the police officials from stopping the sale of the book.

Grove Press Inc. of New York City and Henry Miller, the author, filed the action. It claims the defendants ordered booksellers and distributors to stop selling the book and threatened to arrest them if copies were displayed.

Over \$85,000 Contributed To United Crusade

Skokie Valley United Crusaders of Golf, Lincolnwood, Morton Grove, Niles and Skokie, record-setting volunteers for Red Feather agencies, are working to close successfully the 10th annual United campaign for local voluntary services, according to Norman N. Schack, president of the sponsoring five-town Community Chest.

"We have exceeded all previous campaigns since the Chest was founded in 1952," Schack said. "With more than \$85,000 contributed by our families and institutions, our volunteers are now pushing hard to pass the \$100,000 mark, and then go on to secure the \$130,000 that is needed next year by our 10 organizations."

Schack said that "a major concern of United Crusade workers is that many local people and organizations give substantially to the United community campaign. In Chicago, the Crusade of Mercy, supporting the agencies there, while the local organizations that serve them, their families and community are financially strangled."

"The Community Chest and its agencies are forever grateful to our people and business and industrial leaders who sense and respond to local needs. We receive by mail many encouraging messages and generous checks. A number of firms have over-subscribed their fair share quotas."

Golf Mill Hosts Halloween Party Friday At 7 P.M.

A Children's Halloween Costume Party will be held at Golf-Mill Shopping Center, Friday, October 27th. The little witches, goblins, and others in the Halloween variety will vie for prizes. Starting at 7:00 p.m. The three most imaginative costumes in two groups, thru 7, and 8 to 14, will receive valuable Golf-Mill gift certificates.

The Costume Party will be held in the area south of the Golf-Mill Shopping Center, Friday, October 27th. The party will commence promptly at 7:00 p.m. So, don't miss the fun...head for the Children's Halloween Costume Party at Golf-Mill, Friday, October 27th. Favors for all!

Notre Dame Wins 6th, 27 To 0

Notre Dame's Greg Schilling, 33, heads for a touchdown in Notre Dame's 27-0 romp over Immaculate Conception at Friday night's homecoming game.

The Notre Dame Dons chalked up their sixth victory Friday night, as they walloped Immaculate Conception Knights 27-0. The undefeated Dons had over 5,000 spectators witnessing their 5th annual homecoming game.

Notre Dame was privileged in having Mayor Blase as one of the judges for the homecoming floats. The judges chose three floats to be the best of the twelve entered, the Radio Club received third place, the Letterman's Club received second place and the Pep Club was awarded first place. Regina Dominican High School of Wilmette and St. Paul of Des Plaines also entered floats in the contest. St. Paul's was chosen as the best girls school float.

The Dons are heading in the right path for their quest of its second successive Suburban Catholic League title, as the victory Friday night gave them their third Conference win.

Midway in the first quarter Greg Schilling, halfback of Notre Dame, drove 67 yards for their first touchdown. Dick Gorzynski kicked the extra point, which was worth one point. The quarter ended shortly thereafter. Score: Notre Dame 7; Immaculate Conception 0.

Early in the second quarter the Green and White Dons drove 50 yards downfield to put the ball on the Immaculate Conception Knights 2 yard line. "The Monk", Jim Frash, plunged 2 yards for the touchdown, but the Dons failed to make the point after touchdown.

At half time the score was, Notre Dame 13 and Immaculate Conception 0.

After halftime the Knights of Elmhurst received the kickoff, fumbled the ball and Notre Dame

By Dan Lewis

recovered on the 32 yard line of Immaculate Conception. The Dons worked the ball to the 5 yard line and "Alibi" Alan Loboy drove the yardage for the touchdown. Greg Schilling demonstrated his kicking ability and made the extra point. The Dons got their hands on the ball again and drove downfield 25 yards and put the ball on the Knights 5 yard line. Dick Gorzynski was attempting

to pass but found no receiver, so he decided to run the five yards for the touchdown. The extra point was again converted by Greg Schilling.

The Dons failed to score in the last quarter and the score remained Notre Dame 27 and Immaculate Conception 0.

Next Saturday night the Dons travel to Joliet, to play Joliet Catholic. Last year the Dons tied Joliet 7 to 7.

Jim Swinger Attends Science Meeting

Jim Swinger, 7031 Monroe, a Niles Township West pupil was one of six that recently attended the 1961 National Electronics conference at Chicago's International Amphitheater where about 400 top high school science students studied the electronics industry for three days.

Re-Districting

Gentlemen:

At a meeting of the membership of the Niles Township Regular Republican Organization a resolution was adopted urging Representatives Arthur Simmons and William Carroll to stand firm for a fair re-districting of the Congressional Districts of Illinois.

Committeeman Sherwin Willens addressed the membership and stated that, in his opinion, it would be best to have all Congressional candidates run at large rather than allow Niles Township to be divided into several Congressional Districts, as has been proposed.

Committeeman Willens further stated that Niles Township is a suburban area, and the interests of the citizens of the Township differ in many material respects from the interests of the residents of the City of Chicago. He urged Representatives Simmons and Carroll to vote against any proposition which would combine Niles Township with the wards of the City of Chicago.

"We, in Niles Township, have been proud of our Congressmen, Marquette and Church. We seek nothing more than to remain in her Congressional District," Committee Willens stated. "In the event we are directed from Mrs. Church's Congressional District, we, in Niles Township, want the opportunity to participate freely and without the pressure of the Chicago political machines in the selection of a Congressman."

President Marie Gieseler was instructed by the membership to write to Senator Bidwill, majority leader of the State Senate, Frank Connell, Chairman of the Cook County Central Committee, and Senator Russell Arrington, informing the Republican leadership of Niles Township's decision.

Sherwin Willens, Republican Committeeman

On Trailer Camp

Dear Mr. Besser:

I am writing this in regard to the criticism of your editorial about the residents of Hawkins Trailerville, by Mrs. M. Ignatius.

We are not just a "trailer camp," but we are human beings with feelings just like anyone else. We are faced with a problem and each individual family is doing their best to solve the problem.

Your editorial is not "stirring up trouble," as she stated. We know that you were only trying to let all the villagers know that we are human beings with a problem and many could use help.

Mrs. Ignatius made it sound so easy when she said "they have a home on wheels to move in." I would like to tell her and anyone else who may think the same way that there is a great deal more to it than just moving the trailer.

She also said we have "no reason to lay our problems on the laps of Niles villagers." For her information, it is because of the needs of Niles Villagers for a larger water supply that we are forced to move.

Personally I thank you for "sticking your nose in this." Mrs. JoAnn Cunningham 7144 W. Touhy Avenue Niles 48, Illinois

at the Skokie Valley Club. Bag show on Oct. 15. He will try for his second one on Nov. 5th at Rockford.

If either Mr. or Mrs. PETER GEAROS had turned off their TV on Tuesday, Oct. 17 and just walked across the street to the fieldhouse and attended the Greenman Heights Improv. Assn. meetings, they would of been awarded a \$500 membership prize. Since they weren't there, someone in attendance will have a chance at it next month. Tough, eh, PETE? The meeting was very interesting. Mrs. WILLIAM KELLY, the vice-president, gave a very informative talk on fall out shelters and Mr. WALTER CRAIGLE gave us the low down on the new high school, which they are hoping to build in District 207. The high school bond issue will be voted on Saturday, Nov. 18 from noon

until 7:00 p.m., and we will vote at the Oak School.

Two weeks ago when Park Commisstoners RAY EAGAN, JACK LESPER and LOU SCHREINER and Recreation Director JULES PANDERA attended the State Park Convention in Springfield, one of the things LOU sent home to our 13 year old, was a copy

Chargers Batter Lions In Park Football

The Chargers set the pace in the high school division Monday afternoon as they battered the Lions 26 to 6. The Cowboys, 28 to 7 over the Packers, rode to within a step of the leaders.

Mike Deegan was the Charger threat as he twice preceded Greg Clark and Jerry Thode into the Lion end zone. Down by 20 points at halftime the Lions never attained their usual smooth stride.

After a Pat Brennan to Gary Schuetzner scoring the Packers were blanked by the Cowboys, Dan Kelly and Ken Scheel again provided the Cowboy offensive punch.

October 18, 1961

Wednesday the Lions squeezed past the Packers, 12 to 6. In a "now or never" battle the Cowboys upended the Chargers, 28 to 20. This locked the Chargers and Cowboys in a first place tie with one championship game remaining for each team.

Strong defense was in vogue during the Lion-Packer tilt. Lion John Brennan designed a touchdown in each half, passing to Ken Rogers just before intermission time and to Tom O'Neill in the closing minutes of the second stanza. Pat Brennan was the Packer serial artist, tossing to Ralph Furmeniski for the six pointer and to John Perion for the point after touchdown.

Tells East Maine Jr. Hi Extra-Curricular Events

Along with its many curricular programs, East Maine Junior High School has also developed many inter-school and extra-curricular events for students to participate in.

The Student Council is the school government body, and each homeroom is represented by two delegates who attend weekly council meetings. The main function of this body is to help answer any questions the student body may bring up and to help develop good school spirit. One of the many projects sponsored by the Council is dress-up day. On a specific day of the month, the students

are asked to dress in their dress-up clothes. By doing this the Council hopes to promote better grooming and neatness as well as better behavior and manners among the students. The first dress-up day will be held on October 27, 1961.

At the present time, East Maine Junior High School offers two clubs in which the students can participate. There is the Science Club, whose function is to promote greater interest in science by presenting speakers and films pertaining to scientific topics. Their main project for this year is the Science Fair which will be held in the spring.

The "Observer" is the school's monthly newspaper. This is an all-school project, and any student who has an article of interest may submit his work to the editorial staff. This staff, along with its regular reporters, produces a monthly paper containing school news, feature stories, cartoons, and local information of interest to the students.

It is organizations like those listed above which help the students to not only develop academic proficiency, but teach the concepts of cooperation and self-reliance as well. By participating in various organizations, the students are learning more about the term democracy; for by taking part in these various activities, they can actually see democracy in action.

Jewish Friday Eve Services

Friday evening services of the Northwest Suburban Jewish Congregation will be held at 8:30 p.m., October 27, 1961 at Hynes School, 9000 Belfort Avenue, Morton Grove.

Rabbi Lawrence H. Charney will direct special services, at which time, a dedication of Memorial plaques will be conducted. Rabbi Charney has selected "Hostility or Hospitality" as his sermon topic. Cantor Milton Foreman will chant the liturgy. Joel Scher will chant the sanctification over the wine.

Following the services, Hosts at a reception will be Mr. & Mrs. Solomon Scher, in honor of their son's Bar Mitzvah, and Mr. and Mrs. Steven Hoffman, and Mr. and Mrs. Gerald Langert of Niles, Mr. and Mrs. Leon Amstader, Mr. and Mrs. Mortimer Lewis, and Mr. & Mrs. Daniel Epstein of Morton Grove, in honor of their anniversaries.

Traditional Saturday morning services of the Northwest Suburban Jewish Congregation will be held 10:00 a.m., October 28, at the Melzer School, 9400 Oriole Avenue. Rabbi Charney will conduct the services, and address the Bar Mitzvah, Joel Scher, son of Mr. and Mrs. Solomon Scher, 9055 Clifton, Niles. Cantor Milton Foreman will chant. Following the services, Mr. and Mrs. Scher will host a reception.

Regular Junior Congregation services, led by Samuel Nissan, Educational Director, will be conducted at the Synagogue meeting rooms at 11:00 a.m., Saturday, October 28.

COUPLES BRIDGE
The first of a monthly series of Couples Bridge sessions will take place Sunday evening, October 29, 8:00 p.m., at the Okech Park Field House, Morton Grove. The sessions will be open to all...beginners, experts, and those who are average players. Mrs. Jules Gershon, Y05-3961 is chairman of the program.

St. Luke's Church News

The Festival of the Protestant Reformation will be observed at St. Luke's United Church of Christ, 9233 Shermer Road at Harlem, next Sunday at 9:30 and 11:00 a.m. Rev. Paul R. Stock will receive new members and preach on the question, "Why Are Some People Protestant?"

A Union Reformation Day service will also be held at St. Peter's United Church of Christ, on Diversey, next Sunday at 7:30 p.m. Dr. Karl Meyer, Administrator of Christ Community Hospital speaking.

Park Football

Continued From Page 6

power they could muster. The Rams had already insured the victory early in the game on Stanley Drabant's run and an spiral to Bob Battle.

The rain-maker was the only winner later in the week as the scheduled games had to be postponed because of wet grounds. Standings of Oct. 20

| Team | W | L | Pts. | Op. Pts. |
|--------|---|---|------|----------|

| Packers | 2 | 6 | 149 | 232 |

Grammar School Division
October 17, 1961

The Eagles, grammar school division leaders, tasted defeat for the first time Tuesday afternoon. They fell to the Bears, 19-15. With Greg Szymanski and Mike Sydney paving the way the Bears moved to an early lead. Ben Panico's running for the Eagles tightened the gap but not enough to damage the determined Bears.

The same afternoon the Rams upset the Colts, 13 to 6. The second period Colt touchdown, a Bob Bender to Tom Gonsiorek pass, was all the offensive

Niles From Niles Gives Gift

Dr. Willis J. Potts, Chicago Heart Association president, accepts \$200 gift from JoAnn Niles, representing Chicago Travel Women's Club. JoAnn is the seven-year old daughter of Mr. & Mrs. Raymond Niles, 7046 W. Cleveland St., Niles. The gift was the result of a party held by the Travel Club for the benefit of the Heart Fund.

Fertilize your lawn with
compact **Viva** now!

GREEN-UP YOUR LAWN FOR FALL AND REBUILD SOIL FERTILITY FOR A HEALTHY START IN SPRING. Our bear friends go to sleep well-fed and fat — a natural instinct. Your lawn craves a prewinter feeding too... a Viva feeding, for fall beauty and cold weather resistance. Then when grass wakes up in Spring — eager to get up and grow — the right tonic's there, rich, nourishing Viva — ready for action with Spring thaws.

Compact, lightweight, easy to apply — Viva is the most powerful lawn feed you can buy. Use it now for wonderful results. It's guaranteed!

"Live Modern for
Less with Gas"

395 series GAS FURNACES

Styled by Raymond Loewy

BRILLIANTLY STYLED by the famous designer, Raymond Loewy — superbly engineered by Bryant, America's foremost home heating and air conditioning specialists — this new series of furnaces sets new standards in styling, in value, and provides the advanced Bryant quality features you want for years-ahead comfort and dependable performance.

This Bryant equipment assures you top value for your heating dollar. It offers completely automatic heating convenience, with many outstanding features for comfort and economy. Yet, you save money on initial investment... and keep on saving with gratifying economy of operation, year after year.

And if you want to install summer cooling with your Bryant furnace now, or later, the 395 line is expressly designed for easy addition of this all-weather comfort feature.

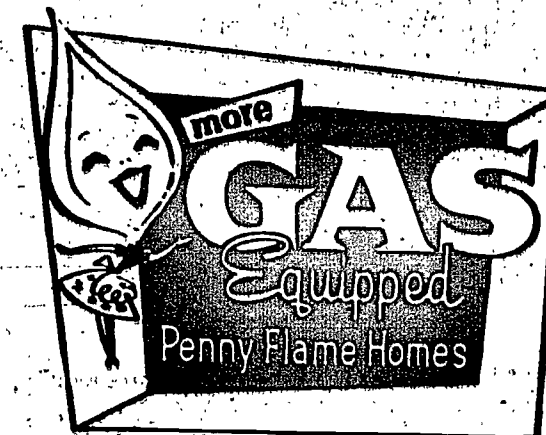

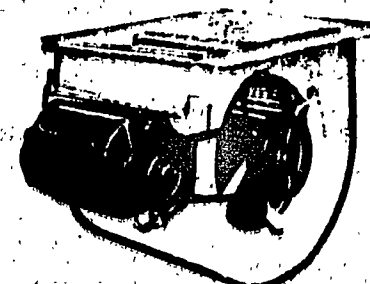

Here is truly compact, efficient heating for the modern home. You'll like its exclusive summer-winter air circulation... its clean, care-free performance... its fuel-saving economy in every kind of weather. You'll be proud — and wise — to have this handsome Bryant furnace in your new home.

automatic
forced warm air
comfort

QUIET OPERATION... Bryant blowers are a unique feature of these furnaces. They are especially designed for ultra-quiet operation with ample capacity to deliver the larger volume of air required for summer air conditioning. The large air delivery opening of these blowers keeps air noise to a minimum. Large, live-rubber mounts isolate the blower and motor from the furnace chassis... dampen operating sound. Belt drive blowers have adjustable pulleys for exact control of air delivery. Blower bearings are packed with the new "plastic E" long life lubricant.

**Gas Is
Cleaner Heat**

Daisy Dennis
The difference between good and bad poetry has been debated for ages and will be argued for some time to come. However, the more a person reads and studies poetry, the better his taste is apt to be. Children are entitled to the best of poetry and once children become acquainted with a poet, it is helpful to have a whole book of his poems. The following are only a few of the best-loved books by individual poets.

EARLY MOON is a collection of some seventy poems by Carl Sandburg gathered especially for young readers in grades 6-9. The word "poetry" has too long been associated, in the minds of young people, with things "highfaluting" and incomprehensible. It is in the realization of the presence of poetry in the things one sees every day that the chief value of this book lies.

Hats, skyscrapers, tractors, street windows, telephones, these are the things that are found in Sandberg's poetry. He sings his songs to buffaloes, pumpkins, crickets, weeds, cabbages and rats. No impenetrable aura of incomprehensibility here. He writes simply of the simple things and the persons reading his poetry, no matter how young, cannot but be awakened to the presence of beauty even in the seemingly most unbeautiful things. For such an awakening, no debt of gratitude is too large.

Eleanor Farjeon's **POEMS FOR CHILDREN** contains the complete text of four previous volumes of verse by the author, and will appeal especially to children in grades 4-6. Through her lifetime Eleanor Farjeon has been writing verse for children; merry, imaginative, true and wise poems that children love and remember. In this book are to be found such favorites as "Joan's Door", "Come Christmas", "Over the Garden Wall", and "Sing for Your Supper." In addition there are twenty poems from her "COLLECTED POEMS" which heretofore has been published only in England. There are country rhymes and city rhymes, poems of play and of school rooms, of fairyland and animals; poems of home and far away; poems for Christmas and the holidays. The author has been very successful in providing poems and verses that fit in with children's early experiences.

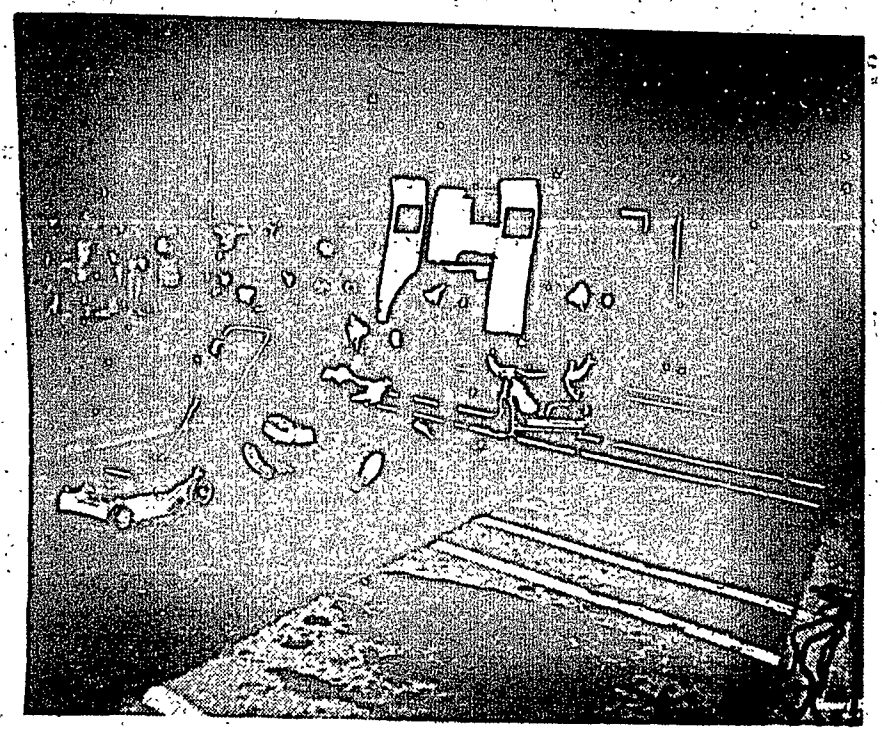

Robert Frost, who spends most of his time in Cambridge or on his Vermont farm has a passionate belief in poetry as a way of saying the thoughts of the heart. In recreating New England winter or the wonder of a single tree he enriches the experience of all who read or hear him "say" his verse. Four times he has been a Pulitzer Prize Winner and literary societies, colleges and universities have paid him tribute. The U.S. Senate adopted a resolution of felicitation on his seventy-fifth birthday - the first such resolution ever given to a poet in America - and in 1958 he was appointed Consultant in Poetry at the Library of Congress. In **YOU COME TOO**, America's beloved poet, ages and for the ages, has tried a group of his poems to be read to and by young people. In this selection designed to introduce young people to Frost's writing, his simplicity, wisdom and craftsmanship, come clear in some half-hundred poems. The foreword by Hyde Cox, one of Frost's younger friends introduces the ageless poet and his poetry with sensitive skill.

Welcome Aboard

A baby boy, born on Oct. 14th to Mr. & Mrs. A.W. Meyer of 832 1/2 Ozark. Niles. He weighed 8 lb. 1/2 oz.

Newborn

Mr. & Mrs. A. M. Mandolin of 8539 W. Madison Drive in Niles are very excited about their new arrival, Anthony Michael. He was born on Oct. 18th and weighed 8 lb. 12 oz.

The Niles Fire Department putting on an exhibition at Golf Mill during Fire Prevention Week.

Troop 62 Is Outstanding In Two Events

Troop 62, sponsored by the Niles Community Church, was the outstanding troop in both attendance and patrol blue ribbons won at the Maine Ridge District Camporee held at Fox River Park, Wilmet, Wis., the week end of October 7.

Under the chairmanship of Robert Bender of the camping committee, some 250 scouts and 65 adults participated. Awards to patrols were on activities events which included lashing, tent peg relay, signals with blinkers, coon catch (rope up a tree), boiling a can of water (getting fuel and building fire), compass course, nature (find some 25 items) and an inspection of campsite. Some 40 ex-plovers from Posts 50, 62, 11, 101 and 45 conducted the activities.

Awards were as follows: Troop 1, blue and red ribbons; Troop 2, 3 red ribbons; Troop

11, 2 red ribbons; Troop 17, blue ribbon; Troop 45, blue, red and 2 yellow ribbons; Troop 50, blue and red ribbons; Troop 52, 2 red ribbons; Troop 62, 2 blue, red and 2 yellow ribbons; Troop 76, blue, red and yellow ribbons; Troop 123, red and 2 yellow ribbons; Troop 201, 2 red ribbons; and Troop 208, red and yellow ribbons.

Scouters in charge included Bill Barker, George Wehman, Ralph Kort, High Mac Donald and Ken Jarchow as well as some 50 fathers and troop committee men. The council always checks to be certain that a sufficient number of adults are present to supervise the boys.

Boys present had an opportunity to practice and increase their knowledge of scouting. It is hoped that all troops in the district will be able to attend the spring camporee.

Jewish Sisterhood Meet Tonite

The October Meeting of the Sisterhood of the Northwest Suburban Jewish Congregation will take place on Thursday evening, October 26, 1961, at 8:30 p.m., in Hynes School, 9000 National, Morton Grove.

The timely subject of what role Civil Defense is playing in our village and other nearby areas will be under fire in an "At Random" type of discussion. The program is titled, "Safe and SANE." A panel composed of Mr. Sidney Orlov, a representative from SANE to Committee for Sound Nuclear Policy, Mr. O.E. Bagge, Superintendent of School District 63, Mrs. Lawrence Charney, wife of the Rabbi, Mr. Jules Gershon, lawyer and resident of Morton Grove, and Mr. William Kearney, Publisher of the Morton Grove Champion, will examine various aspects of CD.

The Circle of Sara, chaired by Mrs. Daniel Clor, 8911 Osceola, Morton Grove, will host the social evening to follow. All members and their friends are cordially invited to attend.

Newborn

Mr. & Mrs. A. M. Mandolin of 8539 W. Madison Drive in Niles are very excited about their new arrival, Anthony Michael. He was born on Oct. 18th and weighed 8 lb. 12 oz.

From The Left Hand
Continued From Page 3

ronous inferences regarding Niles and syndicate operations, which had been mentioned on their station. While we thought this letter was pretentious, and indeed trivial, we understand, as Mayor of Niles, he has the prerogative and the responsibility, to defend the village. But voicing concern, however: general, about the upcoming bond issue we believe is outside his province as Mayor. As a private citizen the letter is justified, even necessary. As a representative of the entire village, he is going beyond his duties for which he was elected.

If the letter-writing continued unabated he might soon be counseling President Kennedy, governor-candidate Nixon, and who knows, even Albert Schweitzer might not be free of epistles from the pen of our letter-writing Mayor. Maybe that shoe-champing Khrushchev or our man Adlai might have to slow down their UN actions after the mighty word has been heard from the Mayor of Niles. And maybe the natives of Nairobi, poised for combat, might be waiting for the word from outer Niles.

I as a body of one would prefer if the good Mayor would stick his ink-stained quill in the file marked "F.O.D.O." for official duties only! Why, the way this guy is going he might wind up another Harry Truman, and I wouldn't be surprised if he's even thought of that himself.
