been determined by "main"
roads or "natural boundaries."
In establishing the polling
places, Robert Hanrahan's
deputy, George Gilluly, of Cook
County Superintendent of
Schools office, said, "We tried
to provide the citizens of the
townships with election loca-
tions that would be convenient
and accessible from their vari-
ous communities."The precincts by number and
polling place are:PRECINCT NO. 1

VOL. 12 NO. 38 THE BUGLE, THURSDAY, MARCH 13, 1969

From The
Left HandBy David Besser
Editor & Publisher.Monday night's meeting at
Maine East, where a small group
of students and parents are at-
tempting to liberalize the dress
code, is likely a prologue for
future and more fundamental
changes in the school.As a member of the "over
30" group ("over 40" also)
we're having a very difficult
time "understanding" what is
happening in the country. The
confrontation of the younger
people demanding to be a part
of the action in making the rules
which govern them is quite con-
trary to the way we were brought
up and thus is very hard for us
to understand. But "to under-
stand" seems to be the key to
all the hullabaloo surrounding
the confrontations and we're
trying desperately not to close
our mind to what is happening
across the country.Last Friday night we attended
the Niles West-New Trier East
basketball game. When the game
was over, a group of about 10
boys from the very affluent
Wilmette school were walking
down the street shouting a vulgar
4-letter word cheer for one and
all to hear. The previous week
we were reading a copy of the
Daily Northwestern in which a
Vietnam GI sent a letter to the
paper in which all the 4-letter
words were included. And Mon-
day night a teen phone caller
yelled another 4-letter word
epithet at my 10-year-old
daughter because he had re-
ceived the wrong number when
dialing. While the 4-letter words
have been around a lot longer
than the youngsters who are
using them the whole expression
of loosening up the rules we've
always lived by raises a great
deal of hostility among our gen-
eration.

In trying to understand this

Niles Bd. Tables
"Billiards Rule"Explaining he used "psycho-
logy and not force," Elmer
Politzer, owner of Mr. Billiards
at 9515 Milwaukee, Niles, Tues-
day night convinced the Niles
Village Board of Trustees at
their meeting that a proposed
motion, making it mandatory all
youngsters under 18 be accom-
panied by a parent or blood
relative when going to the fam-
ily recreation center, would
serve no other purpose than
"to, practically put me out of
business."The proposal, under consid-
eration by the board for the
past several weeks, had been
originally sought by Niles Po-
lice Chief Clarence Emrikson.
However, Tuesday night Emrik-
son told the board there were
"no big problems at Mr. Bil-
liards now, nothing overwhelm-
ing. We were just looking to the
future."The proposal was not meant
for just the Mr. Billiards es-
tablishment, but to cover any
other billiards establishments
that might be set up in Niles
in the future. The board hadthought, according to Mayor
Blase, that such an amendment
to the village law would "elim-
inate" a so-called bad element
by making it impossible for
anyone under 18 to enter the
recreation center unless super-
vised by an immediate family
member."Politzer said psychology was
the answer for those under 18-
not force. "It's the people over
18—the ones in their late teens
that make most of the trouble.
They can cause problems by
buying beer elsewhere and then
selling it to the younger chil-
dren."He further told the board
he allowed no loitering or con-
gregating in his establishment
and had not, as yet, found need
for force. "The kids know I
mean business when I tell them
my rules," he emphasized to
the board.Politzer, Emrikson and sev-
eral of the board members
agreed perhaps the biggest ju-

Lions 10th St. Patrick Dinner
Set For March 22"All arrangements have been
made," announces Angelo Mar-
cheschi, chairman of the 10th
annual St. Patrick corned beef
and cabbage dinner and dance to
be held Saturday, March 22 in
Bunker Hill Country club, 6635
Milwaukee, Niles, "and the
Lions club of Niles extends an
invitation to all to attend."
Cocktails 6:30 to 7:30 p.m."Everyone is assured a gala
evening of dining and dancing,"
promised Rudolph Hill, club
president, "and the four-piece
orchestra of Nick Nocchi willprovide the music." As in the
past nine years, the Niles fire-
man of the year will be named
and appropriate awards will be
presented to him. Make reser-
vations with "Ang" Marcheschi,
7943 Nora, Niles or phone 867-

#207 Bd. Holds Hearing

MAINE DRESS
CODE DEBATEBy Naomi Krone
News EditorChiding members of the board
of education of Dist. 207 for an
"apparent attempt to load the
dice" and "polarizing the com-
munity into 2 groups" (people
who question in their minds
some of the school policies and
people who sign petitions sup-
porting everything the school
does), Mrs. Sylvia McNair,
spokesman for a group of con-
cerned parents, aired her views
Monday night at a special meet-
ing of the committee-of-the-
whole called to hear all sides
of the current running debate
on the Maine East dress code.While Mrs. McNair, long ac-
tive in civic affairs and for
several years a member of the
Dist. 63 board of education,
was not the only speaker on
Monday night's agenda, she was
the only one to bring into fo-
cus a long-standing lack of or
apparent disregard to a line of
direct communication between
the #207 administration and the
parents of district high school
students. Some parents feel this
lack of dialogue has been a con-
tributing factor to the demands
and discussions now being heard
on the question of whether or
not to challenge (liberalize) the
Maine East dress code as re-
gards students. This includes
beards (to be or not to be)
and longer hair.In retrospect it must be point-
ed out all this started whenMaine East senior Debbie Mel-
chert and a small group of
students requested the dress
code liberalization. The next
thing we knew there were meet-
ings all over the place (sev-
eral groups of parents meeting
independently of each other) and
then their meetings had meet-
ings. Through most of this it
seemed the administration
either wasn't cognizant of what
was happening, didn't care too
much about what was happen-
ing or didn't want anyone else
to know what was happening.As Mrs. McNair pointed out
at the meeting Monday night she
hadn't been apprised of that
meeting until last Friday. The
BUGLE carried the story (as
did another paper) last Thurs-
day. Administration represen-
tatives told Mrs. McNair they
didn't know how the story got
out. So, as she also pointed out
Monday night, "can the public
information office of the school
commit the board to this kind
of public hearing without the
chief administrative officer of
the school knowing he has done
so?"While it is probably just a
mixup or a misunderstanding,
it does seem an unusual chain
of events.Assuring the board students'
parents who are questioning the
status quo are not part of a
nationwide conspiracy, Mrs. Mc-
Nair defined her group as "hon-

Tells Candidacy

Donald J. Jahns, 9216 N. Ash-
land, Niles, has announced his
candidacy for the office of Niles
Village President.In a letter to The BUGLE,
Mr. Jahns stated:It has long been my belief
that good government exists only
to protect the people and ad-
minister in their best interests,
even though it be against them-
selves. When it ceases to per-
form that function, and exists
only for itself, or selfish in-
terests, it becomes bad govern-
ment and must be changed.

To my mind, the present

Blaise/Marcheschi machine has
been the most despotic, deceit-
ful, and expensive bureaucracy
in the history of Niles, and it
will get worse if it is allowed
to continue.I believe there is an urgent
need for the people to listen to
the issues and hear the facts—
not political fiction. After
speaking to some of the candi-
dates, and reviewing the
others, I have come to the con-
clusion that all of the present
candidates for the office of
Village President either cannot,
or will not, speak of the issues
for one reason or another. If

Garden Club Installation March 26

Installation of newly elected officers will highlight the program of the Garden Club of Niles planned for 7:45 p.m., Wednesday, March 26, at the Niles Recreation Center on Milwaukee ave.

A pink carnation corsage with olive green ribbon, significant of the club colors, will be presented to all out-going and incoming officers and members of the board of directors.

A general business meeting will first be conducted by retiring president, Elsie Geis, during which a recapitulation of the 1968-69 Garden club events and accomplishments will be given in the annual reports as prepared by each committee chairman.

Installing officers, Dolores Fangrat, a past president and Bernice Volpe, a past vice-president, will then proceed with the traditional installation candlelight ceremony. Each new officer will be introduced and given the oath of office. As a final gesture of retirement from her office, Elsie Geis will present the gavel to the newly-installed president, Lucille Kozanecki, who will then proceed with an introduction of her board of directors and the agenda of new business.

Upon adjournment, dessert

St. Pat Program

St. Patrick academy will present its annual St. Patrick Day program Friday, March 14 and celebrate St. Patrick's Day by enjoying a holiday.

Under the direction of Sister Mary Laureen, the Glee club will present a group of numbers. The program will close with an Assembly Sing of Irish songs.

Can She Really Fly?

Can she fly? Or will she have to walk to the scene of the crime? Members and guests of the Woman's club of Niles will find out Wednesday evening, March 19 at the Bunker Hill Country club, when members of the drama department will present "Super Mama" - an original play written by Mrs. Anthony DiCicco of Niles. Above, Mrs. DiCicco, left, directs Super Mama, Mrs. Louis Bergeron (center) and her two 'hippie' daughters, Mrs. Warren Unrath and Mrs. Raymond Shurson. Also a feature of the evening will be a Boutique of handmade and original items made by three members of club.

The "Lazy Daisy Boutique" items are one of a kind. All proceeds of this sale will be donated to philanthropy. For further information call Mrs. Ray Johnson, Y017-8608 or Mrs. R. Koll, Y017-8177.

Club members are asking for items to send their adopted troops in Viet Nam, such as cookies, candy, canned goods, shaving cream, toothpaste, air mail envelopes and paper, razor blades or anything on this order. Bring these items March 19 or give one of the ladies mentioned above a phone call and they will arrange to have the items picked up.

Maine East Art Show Set

Morton Grove Art Guild will present its second annual Maine East Township High school Art Show at the L. Fish Furniture store, Dempster and Harlem in Morton Grove, beginning Monday, April 7.

Stanley E. Whitley, chairman of the Maine East art department, said some 25- pieces will be exhibited and will include sculpture, pottery, rug weaving, printmaking, painting, drawing and photography.

Ben Bernbaum, L. Fish Furniture store manager, announced that over \$200 in United States Savings Bonds and prizes will be awarded to winners.

The show will be open daily and Sunday to the general public. Members of the Morton Grove Art Guild will jury the show.

St. Luke's News

On Sunday, March 16, the One Great Hour of Sharing project will be emphasized at St. Luke's United Church of Christ, 9233 Sherman rd., Morton Grove. Instead of a sermon that day, the sound colored motion picture "Between the Dark and the Daylight" will be shown at both the 9:30 and 11 a.m. services. A special offering will be received.

On Thursday, March 13, a "Generation Gap - Basketball Night" will be held at St. Peter's U.C.C., Skokie. A team of "older generation" men will challenge both our Junior and Senior teams. Starting time will be 7 p.m. A donation of 50¢

for adults and 25¢ for children will be charged. Between games, the trophies for the past season will be awarded.

The Church Council meets on Friday, March 14 at 8 p.m. The Junior High Fellowship meets Sunday, March 16 at 2 p.m. We will enjoy an afternoon of recreation. The Women's Guild Board meets Tuesday, March 18 at 8 p.m.

The Fifth Mid-Week Lenten service will be held on Wednesday, March 19 at 8 p.m. A modern audio-visual presentation, entitled "Symbols of Brokenness and Healing" will be the message of the evening.

Rug Designs

The Creative Fabric Design Class conducted by the Niles Park District under the direction of Mitchell Bejcek has begun work on rug designs. The designs created were based on original organic patterns. The rugs are being made with wool, cotton and rayon yarns, punched with a rug needle into burlap which is stretched over a frame. The patterns range from very detailed butterflies and floral designs to very free interpretations of organic shapes. The class has already made tie dye silk scarves and is looking forward to direct dye painting, batik, stitching and cloth applique. This is the first time a class of this nature has been conducted by the Niles Park District. Due to its success and appeal to creative women, the Park District has high hopes of conducting a similar type of class again in the Fall.

Jim Stewart Here

Jim Stewart, host of TV's "Passage to Adventure" will personally present a travel film of his own as the next Maine West Community Lecture. "Kentucky" will be shown at 8 p.m., Thursday, March 20 in the auditorium of Maine Township High school West, Wolf and Oakton, Des Plaines.

Mr. Stewart has 17 years experience in the film and broadcasting industry. For the

past 10 years he has been associated with WBEK-TV in Chicago. His shows have won a number of awards, both local and national, including four "Emmys."

Tickets at \$1 each will be available at the door. The Maine Adult Evening school, sponsors of the series, can supply additional information concerning the lecture series. Call 299-7187.

Budding Artists

Children's Art classes will be conducted at the Niles Art Guild Gallery, in the Lawrencewood Shopping center, starting Saturday morning, March 22 and continuing for six weeks. Each class will be held from 10 to 11:30 a.m. and conducted by artist-teacher Mrs. Helen Tempers. Tuition is \$12 for the six-week course and is limited to 12 students. The course will cover drawing and sketching, perspective, still life setup, basic color mixing and water coloring. For further information, call Mrs. Helen Tempers, 965-3424.

Reeve Named S-O Center Instructor

Richard F. Reeve, 39, has been named instructor at Standard Oil's Dealer Development Center in LaGrange. The announcement was made by A.V. Fraser, vice-president of the Central Region of the Standard Oil Division of American Oil Company.

Reeve will be responsible for the special training received by each new man accepted as a dealer by Standard Oil.

A two-week course, it includes all phases of service station operation. Especially stressed is the maintenance of a clean, attractive station as well as money, manpower and material management and knowledge of Standard's broad line of quality products.

Joining American Oil in March, 1961, as a salesman in training, he was later assigned to the Central Region advertising department and has advanced through various marketing positions in the Chicago area. He was given his present assignment Jan. 1.

Born in St. Louis, he was graduated from Northwestern university, Evanston, in 1952 with a bachelor's degree in education. He spent two years with the U.S. Army finance corps with 11 months of service in Japan.

He is a past president of the Messiah Lutheran Church in Park Ridge and is a manager of the Niles Little League. He has also been Opening Day chairman and manager of the Niles Little League All-Star team.

He is married to the former Jean Benson of Chicago, and they are the parents of three sons, Richard, 12; Ronald, 11 and Kenneth, 5, and a daughter, Diane Carol, 6. The family home is at 8759 N. Merrill, Niles.

His parents are Mr. and Mrs. Frank C. Reeve, 8641 Harms rd., Skokie.

Chasiddic Musicales

Four of the country's outstanding cantorial personalities have been invited by Cantor Oton A. Lavi of Northwest Suburban Jewish Congregation, Morton Grove, to take part in an old time Jewish Chasiddic Musicales, that will be held March 16 at 8 p.m. in the social hall.

Among the noted artists is Benjamin Landsman, considered by many as the outstanding interpreter of Jewish Folk songs in the country. Cantor Landsman has served for the last 37 years at Congregation North Shore Israel of Glencoe.

The north shore is well represented by the young Cantors, Jerome Frazes of Congregation B'nai Torah, Highland Park and Irving Zummer of Congregation Beth Hillel, Wilmette. Cantors Frazes and Zummer have appeared together in many engagements for the last 10 years throughout Chicago and the country.

The most beloved public figure in the Cantorate and the voice of A.G. Beth Israel, Chasiddic

is Cantor Morton Pliskin. The program for this evening will include repertoire of Hebrew, Yiddish and English music.

Trods Boards

Dan Bleich, 8939 Washington st., Niles, will play a feature role in the upcoming production of "The Internal Machine" at the University of South Florida.

Bleich, a senior majoring in speech, has appeared in numerous college productions. His previous roles at USF include "Ivory Tower," "Paint Your Wagon" and "The Adding Machine." He also appeared in dramas at Western Illinois University which he attended in 1966-1967.

Bleich is active in other university activities as he is president of the Readers Guild and a member of the Dean's Advisory Board.

MTJC News

Eight Sacred Scrolls of the Prophets (Nviem) will be presented to Maine Township Jewish Congregation in a moving ceremony, Friday, March 14, 8:30 p.m., as part of the regular Family Sabbath services, in the Synagogue auditorium, 8800 Ballard rd., Des Plaines. The Ateres Zion Synagogue of Chicago, formerly one of the city's most prominent congregations, has seen fit to present the Des Plaines Synagogue with these holy scrolls and other ritual furnishings, including the Menorahs for the pulpit and Ark curtain (Parochet).

Rabbi Jay Karzen has prepared a special ceremony of welcome for these gifts. Students of the Religious School will participate in the program, as well as officers of the Ateres Zion Synagogue and the MTJC. The presidents of both congregations - Harry X. Richman of Ateres Zion and Dr. Norman Meltzer, of the host congregation, will be honored in the processional. The traditional Chupah (canopy) will accompany the scrolls to their new home in the Holy Ark.

An Oneg Shabbat Social Hour will follow the religious service.

Nilehi News, Notes

An election, a round of discussion, and a resolution were all part of the first anniversary meeting of Nilehi's Citizens Advisory Council.

Unanimously elected to serve second terms in their respective offices were Roland Moore, chairman; Samuel Turiel, vice chairman; and Mrs. Shirley Paradise, secretary.

Further reports were presented to the Council by sub-committee chairman, Mrs. Ruth Wyler and Samuel Turiel. They are studying the counseling services in the high schools and students' use of time.

Also approved unanimously by the entire Council was a resolution supporting the establishment of a junior college district encompassing Niles and Maine Townships.

Bertram Gelder, member of the Council and active committee chairman for the junior college organization, introduced the motion after explaining the educational and financial needs for a community college.

Such a college, he said, will insure our youngsters the opportunity for further education. He explained that freshman admissions are already being reduced at the state university campuses.

This is in line with the state's Master Plan for Higher Education, which calls for state campuses to handle college upperclassmen and graduate students, he said.

According to this Plan, local communities are urged to form junior college districts and put up buildings, of which the state would pay 75% of the cost, where students would be able to pursue their freshman and sophomore years of college.

Gelder also explained that residents of Niles Township by law are already paying for the cost of this education. High school districts not having a junior college have to reimburse citizens for courses and programs they take at other junior colleges in the state.

The referendum on the proposition of a Niles and Maine

community college will be Tuesday, April 8. Seven polling places in each of the two townships will be open from noon to 8 p.m., Gelder said.

Both reports by the Council's sub-committees indicated that questionnaires were in various stages of development. The sub-committees plan to use the questionnaires in surveying attitudes and opinions.

Extent of inquiry, time of sampling, number of respondents, and types of questions were among the subjects raised in the discussion.

Chairman Moore urged all members of the Citizens Advisory Council to make their next meeting a "must" on the calendar. He announced that School Superintendent Charles Szuberla would spend considerable time with the Council discussing and reporting his long-range plans for the school district.

During a brainstorming session, initiated by Moore when he became chairman several months ago, topics raised by

Council members included critical evaluation of the Council's purpose, caution against pure negative feedback through the Council, encouragement of members to greater participation in Council activities, and concentration on informing the community.

Other subjects were grading, standardized testing, teacher substitutes, tracking methods in academic courses, philosophy of physical education, and commendation of student responsibility.

Following the school board's directive when the Council was formed a year ago, Chairman Moore announced that a straw vote will be taken at the next meeting of the Council to determine what members will serve one, two, or three year terms.

The Council meets regularly the last Wednesday of each month. The next meeting is scheduled for March 26, at 8 p.m., in the Niles West Library.

Officials of the weather bureau last week indicated the tor-

nado season in the midwest has begun.

Parents of students in the three Niles Township high schools are reminded that safety measures will go into effect immediately after an alert to an emergency is received.

James Heiniger, director of physical welfare for the high school district, explained that the schools receive special alert warnings from the local police in the event of tornado conditions develop.

The schools are equipped, he said, to receive radio broadcasts giving information relative to emergencies.

He urged that in the event an emergency does occur parents should refrain from calling and/or coming to the schools. Such action, he explained, could hinder the schools from expediting their safety plans.

Civil Defense authorities have advised, he continued, that if extreme or severe weather conditions exist, the students are to be retained in the schools until an "all clear" is given.

The school buildings, according to construction engineers, provide safe places, Heiniger added, and our buildings have been surveyed to identify the safest places where students and staff can take refuge.

Twenty-eight seniors in the Niles Township High schools last week were notified that they had advanced from semifinalist to finalist status in the National Merit Scholarship program.

They will receive certificates of merit for their accomplishment, as well as become eligible for any of the 1,000 National Merit \$1,000 scholarships and for any of the 1,800 Merit scholarships renewable for up to four years of college study.

Nilehi's 28 seniors, who were named semifinalists last fall moved to finalist status on the basis of school endorsements, confirmation of their high qualifying scores on the National Merit tests by their performance on the Scholastic Aptitude tests, and by supplying further information to the organization.

Finalists will be notified of their advanced status in the Merit competition by April 28. Public announcement is expected to be made by April 30.

The round of competition for next year's National Merit program got underway in the middle of February when 552 current juniors in the three Niles Township high schools took the qualifying examinations. Successful semifinalists will be named next fall, followed closely by the names of close runners-up who will receive Letters of Commendation.

This year's finalists from Niles East are Andrea Behr, Janis Bishop, Ariadna Cherniavsky, Martin Fraeman, Nancy Holland, Mark Levie and Sherry Mayrent.

Also, Mark Nemerovski, William Page, Scott Reynolds, Kenneth Robin, Alan White, Neal White and Steven Zimmerman.

Finalists from Niles West are Lawrence Berman, Ann Carlson, Jesse Cedarbaum, Suzanne Gavlin, Jeanne Neath, Raymond Peck and Willy Shih.

Niles North's finalists are Bernard Blayer, Michael Edelhart, Ariela Goldschmidt, David Lurie, Julie Mellow, Ronald Vender and Shiela Wisper.

(Next time, get draft-free, even, electric heat.)

There's something you really ought to know about flame heating systems: they cause drafts.

Air is consumed in the burning process. So, a draft is created that draws in dirty, cold air from outside.

Electric heat won't do that. Because there's no flame.

Which is why electric heat, and only electric heat, can promise you even, controlled heat that's free from drafts. So if you get that chilly, creepy feeling around your ankles on days when it's cold outside—well, we cannot tell a lie.

Your flame-system did it.

LETTERS to EDITOR

Several Replies To A Letter From Mr. Davitz

Dear Editor:

Will someone please tell John Q. Public in Niles a few facts about the coming election?

If "politics" is such a dirty word in Niles, as so many of the candidates keep telling us, how come so many fine, upstanding "Mr. Average" "Forgotten Man" "I want things in Niles to stay like they are (or were) candidates are working to get a ticket in the front row at the "game"?"

Today's tally sheet shows four candidates for Mayor (or Village President), and eight (7) candidates for trustee. (Editor: Please correct this if necessary, I may have missed one along the way.)

Under these circumstances, what is necessary in the way of votes for the person to win the Office of Village President? Does he need a majority of all votes cast? Or is it simply the guy who gets the most votes wins?

If it is the last case - the most votes, not 51% - then I suggest that politics is here to stay in Niles, and why don't all the candidates admit the fact once and for all. It may even be that "dirty politics" is very much on the scene. Isn't it even a possibility that so many of the "Independents" are merely there for the purpose of preventing the necessity of "majority" rule?

If that could be the case, then I recommend that all Niles voters take a long, hard look at the slate of candidates and issues of Blase's party and Marcheschi's party. As voters we can still show our independence by choosing the best qualified people on these two slates.

I just hope that voters won't be persuaded into casting a "friendly" or "sentimental" vote for good old pal "Steve" or "Tom" or "Mike", and thus end up casting a meaningless vote.

"John Q. Public" who prefers to remain anonymous, lest some eager beavers try to persuade me to run for office!

Dear Sir:

Referring to a letter to the editor in last week's Bugle, wherein the writer stated that the people in the East Maine Homeowners Association support Nick Blase, let it be known that the author of said letter wrote without our authority.

The East Maine Homeowners Association has no political affiliations. It is our intention to be civic-minded and informative. We feel that it is to our advantage to hear both Mr. Nick Blase, who is to speak at our March 14th meeting, and also Mr. Ang. Marcheschi, who is to speak at our April 11th meeting.

Very truly yours,

Mrs. Elsie Mares, President, East Maine Homeowners Community Association

Dear Sir:

I wish to correct erroneous statements contained in the recent letter to the editor written by Mr. Daniel Davitz, a fellow member of the East Maine Homeowners Association.

Never in my life have I read so many untrue and misleading statements being presented as gospel truth. To begin with, Mr. Davitz implies that both Courtland Park and the area encompassing the East Maine Homeowners Association support Mr. Blase. I live in the latter area, next door to Courtland Park, and I know that the majority of the people here oppose the present administration - for good reason.

Secondly, Mr. Davitz talks of the terrible conditions which he found in Courtland Park when he moved there seven years ago. Does he forget that Mr. Blase was the Village President, then, and allowed things to happen which adversely affected not only Courtland Park but the entire surrounding area?

Third - What in the world has Mr. Blase done for my home?

Dear Sir:

As retiring publicity chairman for the Garden club of Niles for the past two years, I am taking this opportunity to introduce you to my successor, Judith Raciborski, our new publicity chairman, and to thank you for the coverage you have given our club during this time.

Of the five community papers to which I have consistently sent our publicity articles and pictures, The BUGLE has been the only paper to print all articles as were written for publication, and print all photographs of our activities. It's encouraging to deal with such a cooperative newspaper, and I sincerely hope your present policy continues. Thank you.

Sincerely,

Lucille Kozaneki, Publicity Chairman, Garden Club of Niles

Dear Sir,

In a recent issue of The BUGLE you carried a news release from me concerning the forthcoming election in Niles and my candidacy for the office of Niles Mayor. However, you may have inadvertently deleted the following paragraph from my news item:

"I wonder if the Mayor's candidate for Village Clerk will continue his job as a file clerk

at the Police Dept., at an annual salary of \$10,000 PLUS \$600 as Progress Report Editor, PLUS an additional salary for Village Clerk's position on a PART-TIME basis?

I would appreciate your publication of that statement. Sincerely,

Pack 84

It was Sunday, Feb. 16 at the American Legion Hall in Morton Grove, Illinois. The tables were set, the center pieces on display, and festivity filled the air. The hard work to arrange for the birthday of Scouting had paid off again. Congratulations to the many hands and feet that made it all possible.

Dinner served, all content and the fourth Blue and Gold program of Pack 84 got underway. The opening ceremony was conducted by the Scouts of the Webelos den. A sing-along granted recognition to the honored guests, and various groups of persons in attendance. Leaders, den mothers and pack committee members were recognized for a "job well done."

Honored guests included Mayor and Mrs. Robert Schreiber, Fr. William Devereux and Fr. William McNulty, president of the St. Martin's Holy Name society, Matt Geyer and Mrs. Geyer, and Scoutmaster P. Williams, Troop 84.

Training certificates were awarded seven Cubbers who attended the Jan. 19 Pow Wow conducted by the Skokie Valley district. Year Pin awards issued included: One year - Mike Chin, Bob Draths, Ken Hartogh, Jim Haselstainer and Greg Williams. Two Year Pins - Dave King, Terry O'Neill, Tom Poterek, Marion Swack and Mary Wagner.

Wolf Badges - John Coursey, Bob Draths, Tom Gaeding, Mark Irlino, Rich McCants, Jerry Mielke and Tom Zachacki, Bear Badges - Tim Ovaert, Mike Ross and Eric Swanson, Gold and Silver Arrows - Jim Alt, Joe Castrone, Bob Draths and Tim Ovaert, Gold Arrow - Jerry Alt, John Harbough, Rich McCants and Jerry Mielke, Silver Arrow - Scott Gross, Ken Haselstainer, Tom Poterek, John Saigh, and Greg Williams.

Area Scouting Highlights

Pack 1

On Feb. 7, Cub Scout Pack 1 held its annual Blue and Gold Banquet at the First Methodist church of Park Ridge. The evening began with the presentation of colors by Webelos leader Keith Rudy's Den 8, Youth Minister, Ron Neumann, followed with a prayer.

One-hundred and twenty five Cub Scouts, Webelos, District Leaders, Den Leaders and fathers were treated to a wonderful chicken dinner served by the ladies of the First Methodist church of Park Ridge whose chairlady was Eileen Muhlethaler.

Honored guests were Howard Sayers, Institutional Representative and Don Wally, Neighbor Commissioner. Cub Master, Howard Wood introduced Bob Elder, owner and instructor of the Eki Wala School of Aikido and Karate, 342 Lawrencewood Plaza, Niles. Bob Elder and nine of his instructors and students proceeded to demonstrate the principles of Karate.

Den 8 retired the colors.

Pack 251

Cub scout and webelos pack 251 sponsored by the Jefferson school. PTA received their charter at their Blue & Gold den held Friday Feb. 21 in Jefferson's activity room.

The program was opened by the presentation of colors, Mr. Bob Thomas, cubmaster, introduced our guests of honor, our principal Mr. Frank and Mr. Herb Liebsch, PTA president, and their wives, Mr. Herb Liebsch presented Bob Thomas with our new charter.

Troop 275

Boy Scouts of Troop 275 from St. John Brebeuf spent the weekend of Feb. 21, 22, and 23 at Camp Dan Beard. They slept in a cabin but the weather was fair and they were able to be outdoors most of the time. A 5 mile hike was taken by all Tenderfoot Scouts and later they practiced stalking and trailing. Boys who enjoyed this outing were John Breen, Charles Jensen, Dan Fronczek, Jeff Jensen, Kevin Rosienski, Don Laboda, John Wilson, Scott Nelson, Steve Koppensteiner, John Jurica, Don Chiero, Pat Kroening, Scott Rogers, Joe Wadas, Rick Farber, Larry Olson and John Ciacio.

Mrs. Ruzkowski's cubscouts den 1 all received their wolf badges: Mike DeSantis, Jim Fleisner, Jim joern, Mike Magee and Jerry Ruzkowski. Troy Van Puymbrock and Bill Didden, Wolf and Ken Struck, bear, Mike Garnett received his bear and gold arrow, Richard Musso, gold arrow, Webelos Bill Caminiti, Richard Gelado, Gerard McKervy, Dale Rempart and Dan Twardowski were presented showman pins. Mr. Thomas introduced our new bobcat Charoluschiac.

All 6 cub scout dens and 3 webelos dens acted out skits. The Banquet dinner was well co-ordinated by Mrs. Evelyn Piscopo and the help of mothers. Retiring of colors closed the program for the evening.

A Test Of Skill

Robert Burgher, James Michelotti and Douglas August, in the background, testing their skill in one of the many Olympic events held by Cub Pack 45 at Oak school Jan. 30.

Cub Pack 45

The January meeting of Cub Pack 45 was conducted on the evening of Jan. 30, 1969. Colors were presented by Den 6, and the boys began preparation for an active evening of participation in the Olympics. This was Olympic Night, and all of the scouts were intent upon winning as many honors for their den as possible.

The first event was the shot-put, but one variation was built into the event. The weight consisted of a balloon which proved to be a difficult object to project. Winner: Den 2.

The second event was the hammer throw which consisted of a styrofoam ball tied to the end of a rope. When released, the ball had to land in a specific area in order to receive recognition. Winner: Webelos 4.

The third event consisted of a skill-race in which the boys had to carry a tennis ball on the inverted, flat portion of a paper plate. If the ball rolled off the plate, the cub scout had to return to the starting line and begin again. The distance of the race was the length of the gymnasium and the winner was: Webelos 2.

The fourth event was a measure of skill. Each boy was given six balls which were to be "bounced" into one of six barrels fastened in the shape of a triangle. The boy who "bounced" the most balls into the barrels was the winner: Webelos 3.

Scout -O-Rama

Northwest Suburban Boy Scouts kicked-off their 1969 SCOUT-O-RAMA Ticket Sales March 12, Martin Hadley, Scout-O-Rama Chairman, has announced.

District ticket chairmen in charge of Wednesday's kick-off included: Maine Ridge District,

Jack Jensen, 7108 W. Kedzie st., Niles.

This year about 15,000 Cub Scouts, Boy Scouts and Explorers hope to sell 180,000 tickets for the April 26-27 show. The event will be held at the Arlington Park Race Track Exhibit Hall.

Tuttle Charges

Continued from Page 1
Party's statement, taken from its news releases, that "A social security officer was paid \$1,320.09 for a program that cost \$228.35 to administer."

The exact parallel of figures Tuttle said, indicates that the amounts cited were taken from the entries in the latest township expenditures statement listing the total cost of employer's contributions to federal social security for township employees - the general fund and the general assistance fund. There is no such thing as a social security "officer" or "program," Tuttle explained.

Similar confusion on two separate entries for legal services, one in the road and bridge fund and the other in the general fund, Tuttle claimed, were misinterpreted by the CC Party. "Legal services for the township cost only \$125 in 1967-68, but legal office help cost taxpayers \$665.

Tuttle was angry over opposition charges that township officials have failed to reveal financial records of the township. "They used our financial statement themselves," he said.

He pointed out the statement had been distributed to everyone at the township meeting and had

"Everybody Loves A Fat Man"

This may be true (in a sense) because joviality is always associated with a fat person. It is not true, however, in the case of insurance companies and doctors. People with a weight problem are considered poor risks by insurance companies and are often uninsurable. Doctors advise against obesity because it leads to many medical problems. Arthritis, diabetes, gall bladder trouble, gout and high blood pressure are just a few of the many problems that obesity either brings about or aggravates. Also, overweight people are greater risks in major operations as they do not take anesthetics as well as a person of normal weight.

If you are overweight you should consult your physician...don't try every diet and pill your friends tell you about...what's right for you...if your doctor prescribes a dietary aid, let BIRCHWAY DRUGS fill the prescription. Easter Seal Parade Days

Official Easter Seal Parade Days will be March 18-22 this year, according to Charles L. Niles.

The CC Party charge that the township had spent \$63,866.38 on road materials but only \$7,885.68 on labor was another instance of not understanding the financial statement, Tuttle said.

The larger figure, he explained, represents all the work done by outside contractors, including labor and materials. The smaller figure is the salaries of the township's own labor force which consists of Road Commissioner Edward Koehler, who works on the roads himself and one laborer.

The latest campaign promise of that party, a plan to build sidewalks on the township roads in the unincorporated areas, is illegal, Tuttle warned.

Referring to William Wise, opposition candidate for town clerk, Tuttle said, "As an assistant state's attorney, he would have to prosecute himself if he carried out the promise."

Tuttle pointed out two sections of the statute on the powers of township officials to support his contention. One section says that sidewalks must be financed "out of any delinquent road tax belonging to the road district in which such community is located." No delinquent road taxes are available, Tuttle said, because the township has assessed no road tax since 1951.

With respect to the committee of local improvements, through which Wise has said he would arrange to build the sidewalks, Tuttle quoted a restriction on such committees in the law, which said specifically, "the improvement shall be made wholly by special assessment of contiguous abutting property."

"Even if sidewalk building were legal," Tuttle said further, "I don't think voters in the rest of the township would be very happy if we were to spend their money to provide sidewalks for a few residents rather than distribute the money to the school districts for the benefit of all."

"Finally, thought township Collector Tuttle is an elected official, nowhere in the budget is it noted how much he receives as salary.

"Some items concerning the township collector are noted in the list of expenditures for fiscal year 1967-68: 'Mr. Tuttle or the office was allowed \$6,380.62 for town officers' expenses, \$2,882, for rent of office, \$489.42 for office equipment and \$13,010.20 for 'office help.'"

"It may be that, with expenses totaling \$22,762.24, Mr. Tuttle was a bit ashamed to accept a salary. We doubt it, however, and ask him to account to the taxpayers for his salary.

Mr. Wise on ballot tampering: "A recent visit to the office of Township Clerk Philip Raffé by several Concerned Citizens candidates revealed some peculiarities in the handling of ballots for the April 1 election.

"Ballots already had arrived, somewhat unusual in itself, and the packets of official ballots were lying on the clerk's office counter. But the most peculiar part was that seals on several of the packets had been broken. "Probably none of the ballots had been removed from the

"Pied Piper" Sunday

Sunday, March 16 will be a memorable day for 25 Niles Park District boys and girls. On that day at 2 p.m. at the Grennan Heights fieldhouse, 8255 Okego, they will present their play, "The Pied Piper of Hamelin."

Tells Candidacy

Continued from Page 1

this be true, then it seems obvious that they will be unable or unwilling, to govern in the best interests of the people of Niles.

I have, therefore, as of this day, decided to become a write-in candidate for Village President, not only so that the people of the village may become fully aware of the issues that will affect their future, but also to assure them that the man they do elect will be capable of doing the job that has to be done.

The play was written and directed by Verlyn Hebley, instructor for the course, who has worked extensively in the past with the Little Theatre Group of Niles. The play, which is about 40 minutes long, is a modern version of the Pied Piper. It shows that greed and fear of being different breeds unhappiness. The happy group of actors includes: Holly Miller, Lou Anne Bachner, Lori Buonincontro, Kim Haus, Gretchen Bachner, Theresa Pater, Mary Lou Zonsuls, Kathy Anderson, Patty Pater, Donna Slepowski, Joanne Zechlen, Joe Haus, Lisa Bachner, Mary Pater, Melody Miller, Carle Powell, Leslie Kroll, Patricia Weinzierl and Kim Pappas.

Dress Code

est, sincere citizens of the community with a right to voice opinions when a situation comes up which arouses questions in our minds."

Miss Melchert, vigorously represented her group of students and parents who seek to have the dress code for the township's high schools completely abolished. "We just don't want to get rid of the regulations against sideburns," Debbie told the large audience. "We want to get rid of all dress guidelines." Answering Debbie's charge that school officials are more concerned about how students look than what's in their minds, Robert Turek, president of the Maine East Student council, told the audience the students who wanted the abolishment of guidelines are a "radical group unwilling to compromise."

President of the Maine East Parent-Teacher Council, Dr. Nicholas Kartinos, told the assembly about the specific dress guidelines and then handed over to the board a package of petitions he said contained 5,000 signatures supporting his position for a continuation of conservative dress.

President of the #207 board, at the meeting's end, said the dress code would receive further and more concentrated study and some action might be taken next Monday night at the March 17 board of education meeting.

think voters in the rest of the township would be very happy if we were to spend their money to provide sidewalks for a few residents."

The finest Fury ever built.

Fury III is the car that helped win over three-quarter million competitive owners in the last two years.

It's a whole new Plymouth. A big Plymouth. With a 120 inch wheelbase that's longer than Chevy Impala; an overall length that's greater than Ford Galaxie.

Fury III is big inside, too. Big and luxurious. And when you compare such things as suspension, the differences become even greater. Impala and Galaxie still have coil springs in front. Fury has torsion bars—torsion bars that twist with bumps and turns instead of bouncing up and down.

Plymouth has this suspension, as well as a single-unit welded body and 7-step dip-and-spray treatment. Because Plymouth believes a car should be more than good looking. It should be tough and long lasting and take on every road as if it were straight, new pavement.

That's the way we design and build quality into Plymouths, why we can tell it like it is:

Fury I outscores

the other 59 cars entered in the Union/Pure Oil Performance Trials

Proof that Fury is a great car right from the start came from an impartial evaluation: The 12th Annual Union/Pure Oil Performance Trials, one of the most comprehensive tests of stock, production-line cars in America today—a test of braking, acceleration and economy.

All cars entered were judged on their performance in all three categories. The results now are history. A 1969 Plymouth Fury I turned in the best class winning percentage of any car entered in the entire event, scoring 98.84 out of a possible 100.

Sounds like near perfect, doesn't it? But that's the way it is when you stack up a Fury against competition. You wind up with a winner. A car that has a lot more going for it, inside and out.

Now, reduced

prices during the GREAT! Plymouth Sale!

Why not do your own evaluating. The chart above tells it like it is and so does your Plymouth dealer. He's right in the midst of The GREAT! Plymouth Sale. And that means, with Fury III, you not only get a great car but you save money on such popular options as:

- All-vinyl interior with drop-down center armrest
- Vinyl roof
- White sidewall tires
- Deluxe wheel covers
- Bumper guards—front and rear
- Light group

Leaning Tower
Y News

Leaning Tower YMCA, 6300 W. Touhy ave., announces for Spring an interesting and varied program of skill school classes to begin the week of March 31.

Among the 10-week courses for area residents to choose from are: Dog Obedience, Social Dance (adults), Art, Hypnosis, Lose Weight the Y's Way, and Dressmaking. Short term classes are also offered in Homemaker's Crafts (6 weeks), Photography (two 5-week courses), and Mod Dancing - Adults (7 weeks).

Canine lovers and their pets will enjoy the Dog Obedience course directed by Mr. Ray Anderson. Beginners and intermediate classes are scheduled for Thursday evenings, beginning April 3.

Adult Social Dance - one of our most popular adult classes. All the latest Discotheque Dances plus the Cha, Cha, Society Fox Trot, Mambo, and others will be covered as the dancers move from the beginners through the advance courses. Tuesday evenings, Beginners - 7:15 to 8:15 p.m.; Intermediates - 8:15 to 9:15 p.m.; Advanced - 9:15 to 10:15 p.m. Classes begin April 1.

A special 7 week "Mod Dance" course for adults and youth over 16, will be held on Tuesdays, 6:30 - 7:15 p.m., beginning April 1. The latest fad dances will be taught including the Boogaloo, Skate, Funky, Broadway, The Horse, Spider, etc.

Adult Social Dance Program is under the direction of Mrs. Grace Hansen, Metropolitan YMCA Dance Director. Recently Mrs. Hansen was appointed to the President's Council for Youth Opportunity Program. Mrs. Hansen holds a graduate and masters degree in Dance, travels throughout the U.S.A. training professional dance teachers and teaches according to the graded system allowing students to learn at their own level and advance accordingly.

Adults interested in Art can register for the "Earlybird" informal workshop to be held on Tuesdays, 9:30-11 a.m., or the evening group on Tuesdays, 7-8 p.m. Instruction will be geared for the beginner or advanced student allowing them to work in oil, water color, pastel or three dimensional. Individual techniques will be emphasized. Art classes for youth are scheduled for Tuesday afternoons, 4-5 p.m., 11-15 yrs., 5-6 p.m. All art classes will begin Tuesday, April 1.

Mrs. Adrienne Powers will direct the above listed art classes. Students will find their association with Mrs. Powers an interesting one because of her talent and background. Mrs. Powers is a graduate of the Academy of Fine Arts in Budapest, Hungary.

An enlightening course in Hypnosis will be included in the class schedule. The many applications of Hypnosis will be explained and misconceptions cleared away, with demonstrations by skilled hypnotists. The busy salesman, student, businessman, or housewife will have an opportunity to find out how hypnosis can help them. Classes will be held on Tuesday, 8:30-10 p.m., beginning April 1.

Mr. Sidney Schneider, a certified Hypnotist technician and president of the Illinois chapter of the Association to Advance Ethical Hypnosis, will direct the course.

Weight watchers will be interested in joining the ten-week Leaning Tower YMCA Lose Weight program. The proper combination of diet and exercise make weight control possible for everyone. The Lose Weight program includes a medically approved diet plus instruction in charm, makeup, skin care, hair styling and wardrobe planning. In addition, each period will have an exercise session. Evening classes will be held on Thursday, 7-9 p.m., beginning April 3. A morning course scheduled for Fridays, 9:15-11:15 a.m., beginning April 4 will also be available.

Lose Weight the "Y's" Way is under the supervision of Miss Gerry Moynahan. Miss Moynahan is well known throughout the metropolitan area YMCAs as director of this program. Experienced as a diet consultant, fashion stylist, model, lecturer, and writer, she has produced a successful program for the YMCA.

Dressmaking classes for beginners will provide an opportunity to learn pattern fitting and layout, treatment of material, machine stitching, and garment finishing. The ten-week course is scheduled for Thursdays, to begin April 3. Morning classes from 9:30-11 a.m., and an evening course will be offered from 8:15-9:45 p.m.

A special course in advanced Dressmaking (ten weeks) will be held on Wednesdays, 9:30-11 a.m., beginning April 2. The fine art of finishing garments, lining for dresses, and casual jackets, and the matching of materials (stripes and plaids will be featured). Miss Daisy Greenspan will instruct the classes in dressmaking. As a graduate teacher, her background includes fashion design and art.

"Homemakers Crafts," a special six-week workshop, directed by Mrs. Eve Potish will be held on Wednesdays, 1:30-3 p.m., beginning April 2 (for adults and children's parties), anniversary, and special occasions will be included in the course. The first session will include tips for Easter.

Mrs. Potish is a graduate of the Academy of Design, has ap-

Niles West Will Host '68-'69
State Gym Competition

Niles West High school will host the 1968-69 State Gymnastics championships Friday, March 14 and Saturday, March 15 in the main contest gym. Over 65 schools will participate.

"The caliber of high school gymnastics in the state of Illinois is second to none," affirms West's varsity gymnastics coach John Burkell. "Sixty-five percent of the finalists in the national competition were from the Chicago area alone." Coach Burkell, with assistant coach John Armour, is doing the massive job of coordinating the contest.

There are five district meets in Illinois; eight individuals will qualify for the state preliminaries in each event from each of the districts. Only ten gymnasts in any one event, however, will advance to the finals. Niles West competed in the East Leyden District Contest March 7.

The Niles West varsity gymnastics team '68-'69 will want to keep up with the fine standards set up by their predecessors. Alumni Bruce Bolnick and Steve Rochell were Illinois champions, the former taking a first place on the side horse in '65, while Steve Rochell dominated the state for two years as the champion on the still rings in '66 and '67.

Camp MorGro

Camp Mor Gro provides the girls and boys with a well-rounded program including Archery, Nature Study, Horsemanship, Rifle, Cookouts, Indian Lore, Swimming, Field Trips, Canoeing, and Campfire Ceremonials.

The children are bussed from convenient bus stops near their homes to Harrier Park from where they are bussed to their camp.

Registration will begin March 17 at 9 a.m. at the Morton Grove Park District office, 6250 Dempster. The camp is open to residents of the Morton Grove Park District only who have reached their sixth birthday by June 1, 1969 but not their 13th. Proof of age will be required at registration time.

Camp sessions will be June 24 to July 18 and July 22 to Aug. 15. Registration will be allowed only for one session. Those wishing to attend a second session must sign a waiting list for openings.

The fee for the four week session is \$35.00 and the entire fee is due at registration. There will be no refunds.

Camera fans can increase their skill by participating in the Photography course which has proved to be most popular in the past. The course will include selection and use of various types of film and equipment. Basic camera handling techniques, exposures relative to light situations, posing and composition will be highlighted. Classes are scheduled for Thursdays, 8:30-10 p.m., to begin April 3 for 5 weeks. Second term will begin May 8.

Mr. Jack Kovitz will be the instructor for Photography. Mr. Kovitz is a graduate of the Air Force School of Photography at Lowry Field in Denver, Colorado, former owner of a portrait studio, and at one time, served as assistant photographer for the Commerce Department, Washington, D.C.

The Leaning Tower YMCA urges early registration for all courses listed above. Registrations will be taken daily from 9 a.m. to 10 p.m. at the service desk.

Babysitting services are available during daytime programs.

For further information call 647-8222 extension 556.

Spring brochures may be picked up at the Leaning Tower YMCA with complete information on all Skill School classes.

West's hopefuls include Bob Lawrence, rings; Kurt Moser, parallel bars; both Scott Shore and co-captain Art Lovering, trampolines; and Jim Forges, free exercise.

Jim Forges explains his event areas: "This is the first year that free exercise will be performed at the State level. It's not tumbling alone, but rather a combination on strength, agility, and tumbling. Gymnasts smoothly and gracefully move from stunt to stunt in a single flowing motion, on the floor mat."

Awaiting an "okay" from his doctor is West's best possibility for a state championship on the horizontal bar - Pete LaLoggia. Pete has many stunts in his routine that have never been successfully accomplished on the high school level. The big questions are, however: Will Pete's injury hinder him? Will he miss practice? Will he be able to successfully compete in the districts?

Pete LaLoggia comments: "I separated my shoulder while throwing an iron cross on the rings. The doctors indicated that it would take some three to six weeks to heal, and the districts were to be in four (weeks). I hope to compete in the district's meet, and then to

different activities. Campers provide their own lunch and soft drinks will be provided by the camp.

Registration will begin March 17 at 9 a.m. at the Morton Grove Park District office, 6250 Dempster. The camp is open to residents of the Morton Grove Park District only who have reached their sixth birthday by June 1, 1969 but not their 13th. Proof of age will be required at registration time.

Camp sessions will be June 24 to July 18 and July 22 to Aug. 15. Registration will be allowed only for one session. Those wishing to attend a second session must sign a waiting list for openings.

The fee for the four week session is \$35.00 and the entire fee is due at registration. There will be no refunds.

Leaders salaries will be commensurate with education, experience and ability. Interested individuals should direct their inquiries to the Niles Park District, 7877 Milwaukee ave., or call 967-6634.

On Friday, March 14, the preliminary competition on the side horse and in tumbling-free exercise will begin at 2 p.m., to be followed later by still ring prelims.

Preliminary competition on the parallel bars and the trampoline will begin at 7 p.m., on the same day, to be followed by the horizontal bar exercises.

The Finals round will take place the following evening at 7:30 p.m., Saturday, March 15. "Gymnastics is one of the most beautiful exercises to watch. It lies somewhere between an art and a sport. All the work that the boys have put in can be seen in the 60 seconds or so of their routine."

Scheduling of the 1968-1969 State Gymnastics Championships is as follows:

On Friday, March 14, the preliminary competition on the side horse and in tumbling-free exercise will begin at 2 p.m., to be followed later by still ring prelims.

Preliminary competition on the parallel bars and the trampoline will begin at 7 p.m., on the same day, to be followed by the horizontal bar exercises.

The Finals round will take place the following evening at 7:30 p.m., Saturday, March 15. "Gymnastics is one of the most beautiful exercises to watch. It lies somewhere between an art and a sport. All the work that the boys have put in can be seen in the 60 seconds or so of their routine."

"All the talent in gymnastics will be gathered together at this state gymnastics contest. This meet should open the eyes of many people to gymnastics, and we will set a good example for them," contends tumbler Mark Halperin, a junior.

Interviewing
Now

The Niles Park District is now interviewing for their summer playground staff. A junior leader must have a minimum of three years of high school completed. A senior leader must have at least one year of college completed. All leaders must have a sincere interest in youth recreation needs. Previous experience is helpful but not necessary.

Playground leaders will be assigned to a Niles Park where they will work seven hours a day, five days a week for eight weeks. Leaders, along with their co-workers, will be responsible for the planning and leadership of a comprehensive recreation program for youths ages 5 to 17.

Leaders salaries will be commensurate with education, experience and ability. Interested individuals should direct their inquiries to the Niles Park District, 7877 Milwaukee ave., or call 967-6634.

At Sports Nite

Hynes Parent Teacher club and the Golf Parent Teacher Association will jointly present "Sports Nite with Johnny Morris" at the Golf Junior High auditorium, March 25, promptly at 7:30 p.m. Morris will speak on his experiences in pro-football and as a sportscaster on television. A 10-minute question and answer period will follow after which Mr. Morris will sign autographs.

Dons Lose Heartbreaker 68-66

By Steve Stiles

After rallying to beat Evanston's Wildkats in their first Regional game, the fighting Dons lost a heartbreaker in double-overtime to New Trier East's Indians last Thursday night in 68-66 contest, ousting ND from the state tournament.

Tuesday night, in their first regional game, the Dons successfully eliminated defending

state champs Evanston by overcoming a 10-point deficit with a third quarter rally. Senior John Kardzionak led the scoring with 26 points in the 67-59 victory. Two nights later, spirited Notre Dame fans arrived an hour and a half before the game to see what they hoped would be a sure victory over New Trier East. Instead they quickly discovered why the Indians had been seated first in the regional. Although both teams were still tied late in the first quarter, the Indians slowly pulled ahead to a 38-24 lead at halftime.

Trailing by 10 points at the end of the third quarter, the Dons started to pour it on, and finally succeeded in gaining the lead when Kardzionak put in two free throws. Following another New Trier foul senior Dave Holder sunk the first of two free throws giving ND a slim 64-62 lead on the ball on a Don rebound. With about a minute left the Dons again got the ball, but lost it trying to stall the game, resulting in a foul and two successful freethrows

by New Trier's Larry Cohen. Again the Dons tried to stall it out, with Junior Byron King drawing a foul and a one-on-one opportunity with 7 seconds remaining in the 64-64 game. Under pressure, he missed the first shot, and the Indians grabbed the rebound. They failed to score, though, sending the game into the first overtime period. In the meantime, play making guard Kevin Kachan had fouled out, and was soon followed by the other guard, Gabe Eaton, who fouled out in the first overtime. The Dons still kept hopes alive, fighting to a 66-66 tie at the end of the 3 minutes, but lost Kardzionak temporarily on an injured knee in the process. The second overtime proved fatal to ND as Indian sharpshooters Mark Matthews and Jay Hofseach put in a freethrow to win it for New Trier East by a 68-66 score. Kardzionak held scoring honors for Notre Dame with 30 points for the night. New Trier's Indians went on to beat Niles West on Friday by rallying to a 66-54 victory, thus winning the regional.

The Niles Township Science Fair was held at Niles West High school March 1. The following students represented Niles Elementary school North, Dist. 71 and received awards.

Outstanding awards were given to Jennie Cuff, Peter Hansen, Andrea Landsman and David Siers.

First place awards went to Annie Engelhardt, Barbara Kramer, Paul Mylander, Ken Salsarski, Steve Johansen, Nadine LoVerde, Stephen Obrochta, Rachel Wimper.

Second place awards went to Lori Anderson, Roger Krusen, Perry Tarica, Jeff Entwasser, Robert Morrison, Tulla Terpinas.

The science students will enter their projects in the District Science fair in the near future.

Stop Smoking

Active interest in the 5-Day Plan to Stop Smoking is reflected in the increasing number of persons who have signed up for the clinic to be held at Maine Township High School South, Deane and Talcott, Park Ridge. The meetings will be held on five consecutive evenings, March 30 to April 3, from 7:15 to 9 p.m. Tickets for the course are \$5.00 each.

Maine Adult Evening school is bringing to the community Dr. Charles L. Dale of the Hinsdale sanitarium and hospital. Information on purchasing tickets may be obtained by calling the Maine Adult Evening school offices, 299-7187 or 825-7500.

Schedule Busy Year

A busy year of activities has been scheduled by the Women of St. Anselm's Episcopal church, 1600 N. Greenwood, Park Ridge.

Old and new board members met to hear Mrs. Norman Fitzgerald, 7444 Lake, Morton Grove, the new president, outline a calendar of events. Additions from the board members filled out the agenda with a major activity every month. Highlights for the year include:

A telephone bridge tourney will be held April 19 and birthday party potluck supper following a service on St. Anselm's Day, April 21.

A "Fun Night" is scheduled for May 7 and a rummage sale for May 23. In June a luncheon outing is planned. In July a "bring your own breakfast" to church July 4. An outdoor hamburger fry on the feast of the Transfiguration on Aug. 6.

In September a fashion show and luncheon are set for Sept. 20. A Dominick Day on Sept. 10; a candlelight bowling party in October; in November an All Saints dance and Dominick Day.

Left Hand

whole new movement of "telling it like it is" perhaps the "over 30" generation has to do some soul searching. If we really are offended by the new expression of freedom why do we jam the theatres around the country when a dirty movie is shown? And if we're really offended by these new ways why are books such as "Candy" and "The Carpetbaggers" such run-away best sellers? It's the adults who've made the selling of such trash so successful.

We've also been well aware of the double standard we've long applied to kids who seem so different than we were. We often drink a cup of coffee with a bunch of guys who are capable of igniting the air with the color blue everytime they speak. And while the four-letter words flow effortlessly and meaninglessly the users become very intolerant of the younger generation whenever the conversation turns to their long hair, their odd dress...or their use of 4 letter words.

The initial dress-code battle at Maine East is only the beginning of several demands that can be expected to follow. It has been hinted that loosening of attendance and creating smoking rooms may be among future issues at the school.

We've also been told, and are uncertain as to its veracity, the more liberalized schools along the north shore are having a very bad time with dope addiction. If this is true we have to ask whether the loosening up of "the rules" leads to such personal abuses of children who may not be mature enough to handle the problems.

As you can read there is nothing conclusive in what we've written. On the one hand we have to respect the young people if we expect them to respect us. On the second hand we know our generation has been very hypocritical in spouting one set of rules and yet living by quite another set. On the third hand we are concerned, about the abuses which can take place if all restrictions are lifted for those just beginning to spread their wings.

It is obvious we are groping for answers. And it is obvious we're trying to keep our channels open while we attempt to understand.

Hold Rites

The polls will be open from 12 to 8 p.m.

In setting the election date, Hanrahan said, "It could not have been sooner since the Illinois Junior College Board did not review the public hearing of Jan. 9 until Feb. 14."

"On that day, Hanrahan continued, the board declared that it would be in the best interests of the citizenry in Maine and Niles Townships to hold an election to establish a Class I Junior College District."

"Following the Feb. 14 meeting, a 40-day period, by state law, must be observed," Hanrahan said, "and it is the responsibility of this office to see that this legal obligation is met."

The proposed college would be fully accredited with a 2 year program in Liberal Arts and Sciences, vocational work in technical and business fields and general and adult education. Studies show that a family can send its children to a community college more economically than to a campus college. It is also a fact that the state can educate a student at a Community college for 30% less in his first 2 years than at a state college. Because a community college elects its own board of education it has local control of the college and is therefore able to develop programs which meet the particular needs of residents. A community college will also enable adults to improve and update themselves in their constantly changing job skills.

The proposed college could conceivably be in operation by Sept. of 1970 with an enrollment according to a preliminary survey of 1,000 to 2,000 students. The state would pay up to 75% of the cost of the physical plant and 50% of program costs. We as taxpayers would assume an addition of \$15 to a \$500 tax bill or a \$30 maximum to a \$1,000 tax bill. The maximum proposed tax rate is 17-1/2¢ per \$100 Assessed Valuation for educational fund and \$4 per \$100 AV for building fund.

ventile control problem existed outside the physical establishment—in the adjacent parking lot, etc. "How do we control action on the outside?" Blase queried. "Why single out a billboard hall? I'm sure bowling alleys, coke stops and hamburger places experience many of the same problems."

Upon a motion by Tr. Ed Berkowsky, the proposal was tabled for future consideration.

In other business Tuesday night the board awarded contracts to Morton Salt Co., at \$12.80 per ton, to supply rock salt for the village and to McKesson-Robbins Co., at \$53.90 per ton, to supply calcium chloride for the village. Both items are to be used for street maintenance during winter weather;

The board referred 3 bids, on a 1969 GMC 1-ton truck to replace the Public Works 1962 Willys Jeep, to Ed Bachter and V-M Ken Schell;

Trustees voted to request bids for an Oakton street parking lane between Washington and Wisner; approved an ordinance making it mandatory all business firms have their water meters visible and easily accessible to village water meter readers; approved a Marcheschi motion that as of 12:01 a.m., March 17, tickets will be issued to any car owner not displaying the Niles vehicle sticker on his car; decided to think about a proposal by Tr. Marcheschi that Niles set aside one day every year to honor all Niles servicemen presently in the armed forces as well as ex-servicemen.

NILES POLICE REPORT

March 10—

Attempted burglary at 8333 Oleander was reported to police by Oscar Mayer of that address. He told officers someone had attempted to gain entry into his home via a side door. The door had since been repaired and no entry had been gained. Ambulance was called for by Rita Bond, 7012 Fargo. David Bond, who apparently bit his lip while playing with his brothers, was taken to LGH for treatment. Mrs. Picur, 7028 Hamilton, told police she was holding a large grey and white stray cat. The animal was taken to the station. Rohn & Haas, 5750 Jarvis, reported the theft of 8 floodlights, taken from the south side of the building. Value was set at \$12. A case of aggravated assault was reported to police by Connie James, 6704 Albion. She told police Robert Dempier, 21, was shot in his left leg and little toe of his left foot, while in the garage at that address. He was taken to LGH by NFD. Niles Police records show 226 auto accidents to date.

March 9—

An alleged theft from the

Goodwill box at Lawrencewood was reported to police. Since there was no one available to sign a complaint, Florence Swanson, 7040 Seward, was released without charge. Burglary was reported at the Niles Recreation Center, 7877 Milwaukee. Unknown persons gained entry thru a lower level window. Two metal cabinets had been pried open and some contents thrown on the floor. Loss at this time is unknown. Audrey Moskow, 6300 Touhy, reported the theft of her white 1964 Chevrolet to police. Annette Olschick, 4, of 8320 Oak, struck her nose on a metal post while on the rear seat of her brother's bike. She was taken to LGH for treatment. Ambulance was called to Pleasantview Nursing Home, 6840 Touhy. Employee Dale Baird had fallen down a flight of stairs and was taken to LGH.

March 8—

Armed robbery was reported at the Touhy-Lehigh Shell Station, 5900 Touhy. Employee, Mr. Watt, told police 2 men held him up taking between \$110-\$140 in currency.
