Niles-Maine Community College Begins Interviews For Presidency, Sets Budget

Members of the board of trustees of the Niles-Maine Community Junior college will meet this coming Tuesday night, Oct. 7 to vote on a proposed budget for the college for the coming year.

The board has estimated revenue for the 1969-70 year to be \$2,118,042. Expenditures have been estimated at \$2,093,042. Surplus or deficit has been estimated at \$25,000. A more complete rundown on the budget will be carried in the next issue of The BUGLE.

Thirty-five candidates from throughout the nation have made application for the presidency of the new Niles-Maine Community college, and personal interviews began Wednesday, Oct. 1.

Dr. Leroy Wauck, chairman of the President Search Committee, said that while the majority of the applicants thus far are from the Midwest, many from the East to the Far West have expressed an interest in the position.

"We are very impressed," Dr. Wauck said, "by the qualifications of those from which we will be able to choose."

Most of the applicants, he said, are either deans or presidents of colleges.

From The Left Hand Vote Oct. 7 In 13th Dist. Primary

By David Besser Editor & Publisher

First Of The Month Meanderings.....

Writing "The Left Hand" week after week during the past decade has been a labor of love. From the beginning the idea of the column was to write an inside personal column restricting it to local village happenings, mostly evolving about what's going on in local government. For the most part it's been serious commentary with the motivation being to improve the community.

This summer we started writing the "Bud Besser" column, more as an experiment than as in quest of any particular goal. Again, I felt writing essays about the more weighty matters of national and international importance were neither my kin nor scope. Furthermore, I felt a local newspaper in a suburban community loses its function if it goes beyond its job locally.

Matters outside the community are best left to the "big boys" whose money and talent serve the country well. Inversely, the impossibility of covering details of each local community by the metropolitan dailies leaves a void which community newspapers are obliged to fill.

When the first "Bud Besser" column was written, I wasn't convinced writing about personal experiences was of public interest. But the response to the column on my daughter leaving for college was probably the greatest we've ever received. And during the weeks I started the new column, I was amazed at the number of people who have told me they went to the rock music theatre which was mentioned of they too come from the south side and "didn't know I came from there," etc. And suddenly I've become aware readers are interested in little personal tidbits, which while irrelevant to some, are nevertheless of interest to many.

Again, we welcome any contributions from readers which will lend additional interest for the column.

It certainly isn't original to write how disappointing the turnout was for the Con-Con election. Certainly, the mountains of information which were made available to every newspaper reader and television and radio listeners should have merited a better vote at the polls.

When the moaners in future days complain about their taxes, corrupt and ineffectual judges, dirty unused beaches and filthy air, poor transportation and the myriad of problems confronting all of us, I hope you'll ask them why they didn't vote last week.

Obviously, the small turn-out results in the two political parties dominating the vote. Their instant-getting-out-the-vote-for-their-candidate-machinery is available for push-button action. And even tho they may also get a poor turn-out, nevertheless their organized effort is sufficient to defeat the less-organized independent candidates.

This example of the success of the organized parties best illustrates why our political system does not attract better candidates. So long as voters remain apathetic they get less than the best from their representatives, a political fact which every

Voters residing in the 13th Congressional District will go to the polls next Tuesday, Oct. 7 in a special primary being held to determine a Republican and a Democratic candidate, one of which will be elected Nov. 25 to fill the seat in the United States House of Representatives left vacant since the resignation of Rep. Donald Rumsfeld.

Rumsfeld resigned his seat to become Director of the Office of Economic Opportunity.

The lone Democratic candidate in the Oct. 7 primary is State Rep. Edward A. Warman (D-Skokie). Republican candidates include: Joseph Mathewson, Samuel Young, Alan Johnston, Philip Crane, State Rep. Eugene Schlickman, (R-Arlington Heights); Gerald Marks and John Nimrod. Lar Daly is also a candidate for the congressional seat.

According to a spokesman for the Republican Central Committee of Cook County "there will be no official endorsement from us of any of the GOP candidates for this seat."

Firemen's Dance Oct. 10

The 14th annual dance of the Firemen's Benevolent Association of Niles will be held Friday evening, Oct. 10 in the remodeled Elmer Hill Country club, 6635 Milwaukee ave., Niles.

In addition to an evening of continuous dancing, door prizes will be awarded, a Queen of the Dance will be given a special prize and a color TV set will be awarded. The first drink of the evening is on the association.

Proceeds of the dance support insurance programs for the firefighters.

Village Board Has "Trailer" Open Forum

About 35 residents of the Niles community met last Monday night with members of the Niles Village Board of Trustees in an open forum to discuss a proposed ordinance covering the outdoor storage of trailers and boats in residential districts.

After the initial reading of the ordinance, which also defines a boat, boat trailer, travel trailer and owner, most of those present were objecting to a section of the ordinance concerned with "local restrictions."

Restrictions would include that no travel trailer, boat or boat trailer stored in a residential district shall be located less than 6 feet from any structure, less than 3 feet away from any lot line and within any required front yard, side yard or front driveway.

The proposed ordinance also lists bulk restrictions and general conditions concerning the vehicles.

It will be discussed further at the next meeting of the board of trustees Oct. 14.

Fire Prevention Week

All-out support by Nilesites for Fire Prevention Week, Oct. 5 through the 11th, was urged in an official proclamation by Mayor Nicholas B. Blase. Fire Prevention Week is celebrated nationally each year to commemorate the Great Chicago Fire of 1871, which claimed many lives and caused damage estimated in the millions. During this week, fire departments open their doors for public inspection of equipment and facilities and visit schools in an effort to better "sell" their fire prevention message. In his proclamation, Mayor Blase noted the Niles Fire Department's fire prevention programs have contributed substantially to the reduction of destructive fires. He urged all citizens to continue their vigilance against the hazards and perils of fire and to continue their support of the department's programs.

Named Regional Director

Dr. Richard R. Short, superintendent of schools for Dist. 207, has been elected a director of the Associated Public Schools Systems, a voluntary organization of school systems throughout the country working together to improve practices through research and the pooling and sharing of ideas. The organization is an affiliate of the Institute of Administrative Research, Teachers college, Columbia university, New York.

Lions Candy Days Set

Nicholas B. Blase, Village of Niles president, signs proclamation designating Oct. 10 and 11 Candy Days for the blind. Looking on in approval are: (L. to R.) Stuart Ravenbyrne, 8737 Ozanam, 3rd vice-president, and publicity chairman; Edmund Zielenksi, 7640 Milwaukee, secretary and Candy Day chairman; Todd Bavaro, 7139 Breen, president Lions club of Niles.

St. John Brebeuf CWC Meeting Oct. 7

The second meeting of St. John Brebeuf Catholic Women's club will be held Tuesday, Oct. 7 in the school hall and will start promptly at 8 p.m.

Program for the evening will be the annual Pantry Shower whereby the school children deposit food staples, brought from home, in decorated containers outside their rooms and then are presented to the Sisters later at the evening meeting. Pantry Shower chairman Jean Stanley has chosen harvest time as the theme, with the containers and school hall decorated accordingly.

The business meeting promises to be brief, followed by a program of surprise entertainment by the Sisters themselves and concluded with refreshments.

An invitation is extended to all ladies to take this chance to meet the Sisters of the parish. Anyone interested in becoming a member of the CWC may do so by coming to the meeting and registering at the door.

At St. John's

Cadet John E. Newborn has returned to St. John's Military academy in Delafield, Wisc. to begin his 2nd year there. He is the son of Mr. and Mrs. John Newborn, 6718 Forest View Ln., Niles.

Dist. 63 Seeking Legislation For Teacher In-Service Training

The board of education of East Maine School Dist. 63 passed a resolution at the Sept. 23 meeting seeking the support of the Illinois Assn. of School Boards for legislation which would provide additional time for in-service training of teachers.

The resolution asks for the addition of a sub-paragraph to the School Code which would

allow a session of four or more hours one day a week to be counted as a day of attendance if the remainder of the day were used for in-service training of teachers.

Although construction of the Apollo Junior High school at Central rd. and Crawford ln. is currently behind schedule because of slow steel erection, according to a progress report given by Business Manager James Bowen, the architects report that the building should be enclosed before the winter weather and that no further delays are foreseen.

Members of the board of education and audience hears reports on the Maine Township Special Education Program, new ideas in interior facilities being used in other schools and a booklet on creativity prepared by teachers in Dist. 63.

E. Gaydon Brandt, director of the Maine Township Special Education Program, described the operation and services of the program, a cooperative effort by Dist. 63, Dist. 62, Dist. 64 and Dist. 207.

Some 3,152 children from Maine Township were served last year through the program, he said. The program provides assistance for students who are blind, physically handicapped, deaf, hard of hearing, partially sighted, mentally retarded, emotionally disturbed or who

have learning disabilities.

House Bill 2671, which went into effect on July 1, 1969, requires that children who are so handicapped that they cannot derive benefit within a regular school program be provided with special services. The local school district is required to finance the first \$600, with the State contributing up to \$1,400, additional funds for each child.

This year is the last year that the Maine Township Diagnostic and Remedial Learning Centers program will receive federal funds, according to Mr. Brandt.

The program is currently faced with a shortage of space for special education classes, he said.

In a second report, Donald Stetina and Dr. Henry Alexander, assistant superintendents in Dist. 63, showed slides and described the innovative interior facilities they had viewed in a recent trip to Utah.

Stetina and Dr. Alexander, in search of better and cost-reducing ideas for the furnishing of the new junior high school in Dist. 63, visited eight schools in the Weber School District in the greater Salt Lake area.

Members of the board of education expressed pleasure with a booklet on creativity prepared during the summer by Jeanne Grung, a remedial reading teacher at Ballard school; Nancee Mitchell, a teacher at Melzer school; and Noah Tapley, a reading coordinator at Mark Twain school, under the direction of Dr. Alexander.

The booklet, containing more than 200 pages of ideas (for creative teaching and the encouragement of creative thinking by students), definitions, creative activities and a bibliography, will be reproduced and distributed to all teachers in the district.

Answer Appeal

Answering the appeal of the Hurricane Camille victims in Mississippi and Alabama, the Telephone Pioneers of America, the world's largest voluntary organization of industrial employees, held a food and clothing drive in the company's headquarters in downtown Chicago. A Niles resident, (center) Bob Crandall, 8434 Bruce dr., co-chairman of Central Council Pioneers Community Service committee, is busy taping the 41 cartons of supplies for shipment to the devastated area. Assisting him are (left) Bob Cotteleer and Tom Greene. All are Marketing department employees.

New Faculty Introduced At Notre Dame

At the first meeting of the Mothers' club Sept. 23, Rev. Charles Kohlman, C.S.C., principal of Notre Dame High school in Niles, formally presented the new members of the faculty.

After introducing the members of the school administration, Rev. George Wiskirchen, C.S.C., as Executive Assistant Principal, Rev. William Brinker, C.S.C., as Director of Guidance, Peter Livorsi as Director of Studies and John Norris as Director of Student Affairs, Father Kohlman went on to introduce the following new department chairmen: Rev. David Verhalen, C.S.C., in the Language Department; Angelo Seno in the Science Department; Rev. George Kahle, C.S.C., in the Math Department; Ambrose Furey in the Communication Arts Department; and the co-chairmen of the Religion Department, Rev. Richard Laurick, C.S.C., and Rev. Andrew Gulas, C.S.C.

In their first year of teaching at Notre Dame are James Alessio in the Math Department and Hilary Negele in Guidance.

Riding motor scooters and buying moose heads are two ways Academy Award winner Patty Duke declares her independence as a person in Cinema Center Films' "ME, NATALIE." The tender story of an 18-year-old girl faced with the quiet, and often comic, desperation of approaching maturity was filmed entirely on location in New York City. "ME, NATALIE" is a National General Pictures release co-starring James Farentino.

A brochure, developed by the committee and sent to prospective applicants and college placement bureaus, calls for an educational leader who will be able to handle the business management aspects of the college as well as demonstrate administrative skills and talents. It states that as the founding president he will have the responsibility of hiring the appropriate administrators for the offices of deans and business managers as well as instructional personnel. Working closely with the Board of Trustees in all areas, he will be concerned with site selection, the possibility of rental of temporary facilities and the design of the school buildings.

It will be the responsibility of the president to transpire the

politician is keenly aware. Upsets in politics are rarities primarily because the public just doesn't care.

As long as only 10% of the voters respond to an election, we can expect only a corresponding efficiency in our governments. Considering the blood spilled and the years of effort and toil to create our form of government, it seems incongruous Americans would throw away their vote by not going to the polls.

Niles Mayor and Maine Township Committeeman Nick Blase has been making a great deal of anti-Daley noise in recent months. We sort of egged Nick into his first public utterance denouncing Chicago's Mayor when we asked Blase at a press conference if he favors dumping him as County chairman of the Democratic Party. Blase answered affirmatively and it has resulted in many headlines for him. Chicago Today gave much attention to Blase's soundings and more recently he had an hour and a half forum on WGN. At the radio station Blase confronted Alderman Keane, Daley's number 1 supporter, and gave him much more than he received.

Politics is always fascinating and we enjoy watching the fates take over. Blase's denunciations put him squarely in the camp of the few dissidents in the Party, including Adlai Stevenson. Right in the midst of the Blase blasts, who should suddenly host a love-in with Chicago's Mayor but the same Daley's throw away. The love-in happened right at the time Senator Dirksen died and the sudden Stevenson turn-around leaves the dissidents without a major spokesman for their cause.

We are only guessing but it would seem Daley will probably try to bump-off Blase in next year's committeeman race. By the same token this new anti-Daley feeling by Blase should be powerful fodder for him if he should have any serious competition for the post.

It was Leo Durocher, Mortimer Snerd or Luther Burbank who once said, "You win some and you lose some...but some kind of guys always keep coming up smelling like a rose."

Dr. Balter On College Faculty

The appointment of Dr. Alan L. Balter, 7920 Maple, Morton Grove, in the department of psychology at Chicago State College has been announced by Dr. Milton Byrd, president of the college. The appointment was approved by the Board of Governors of State Colleges and Universities.

Dr. Balter was graduated in 1960 with a bachelor of science degree in psychology from the University of Illinois, Urbana. In 1962 he received his master of science degree in education from the University of Illinois, Urbana and his Ph.D. in education in 1967, also from the University of Illinois, Urbana.

Dr. Balter has done research on test development in the field of motor skills in mental deficiency. He received a USOE Fellowship in Mental Retardation and is a member of the Kappa Delta Pi Honorary Fraternity, the Phi Delta Kappa Honorary Fraternity and the American Association on Mental Deficiency Council for Exceptional Children.

"A Real Bargain"

Looking for a bargain? One of the best entertainment buys in town is the \$10 "Family Season Pass" for all home athletic events at Maine East, Maine South or Maine West high schools. This year these passes are a bigger bargain than ever as adult ticket prices for individual football and basketball games have been raised to \$1.25 each.

The purchase of one season pass admits parents and all members of their family of pre-high school age to four football games, nine basketball games, six gymnastic meets, six swimming meets, and five or six wrestling meets. The cost of tickets for all of these events, if purchased separately, would amount to over \$100 for a family with two or more pre-high school age children.

Each of the three high schools issues its own "family pass" for admission to the home contests held at that particular school. The pass will admit the family to a general admission seating area; however, there will be an additional fee for reserved seats. All children must be accompanied by their parents.

These money-saving "family passes" can be purchased at the high schools or by calling Maine East, 825-4484; Maine South, 825-7711; or Maine West, 827-6176.

OTHERS ARE TALKING ABOUT DEALS TOO FANTASTIC TO BE TRUE.

Talk's cheap.

You already know this is the time of year you're going to save money.

You just want to know how much you'll save, and on what car.

Plenty. On a Chevrolet.

Take Impala. Even without year-end savings, you'd save. Many models cost less than last year's, comparably equipped.

You save again on your Jennings dealer's special year-end deal.

And you save still a third time. The day you trade Impala in. (Traditionally higher resale value, you know.)

Name another car that promises as much (besides Camaro).

You can't. When you're on Chevrolet Savings Time, you're onto something big.

Putting you first, keeps us first.

Maine East Moms Fete WMTH

The opening meeting of the Mothers' club of Maine East High School turned into an anniversary party when Mrs. Raymond J. Glassman presented Mrs. W. D. Schaulis and Mrs. Robert Hiller with a huge cake to celebrate the 10th year of

station WMTH on the airwaves.

Mrs. Schaulis said, "The entire staff of WMTH looks forward to this anniversary year with much anticipation and enthusiasm. In addition to providing our regular schedule of programming daily from 10 a.m. to 6 p.m., we are planning many special programs in observance of this our 10th year of broadcasting. We thank all of our listeners for their continued support and encourage them to tune to WMTH 33.5 FM often for complete coverage of Maine Township High School activities as well as for some of the finest educational and informational programs available."

On Tuesday, Oct. 14, Mrs. Robert Hiller will return to WMTH as moderator of the "Maine Line" program sponsored every other week at 11 a.m. by the Maine East Mothers' club. Her first program will be "a state of the district" interview with Dr. Richard Short, Superintendent of Dist. 207.

Proclamation Is Signed

Julie C. Bode, President of Morton Grove, uses the symbolic red quill pen to sign the proclamation declaring the month of October Skokie Valley United Crusade month in Golf, Lincolnwood, Morton Grove, Niles and Skokie. Standing (l. to r.) were: Henry A. Proesel, President of Lincolnwood; Albert J. Smith, President of Skokie; and Bruce D. Harper, campaign chairman of the United Crusade and vice-president of Old Orchard Bank and Trust Co. Not able to attend the proclamation signing ceremony were Nicholas B. Blase, President of Niles

and William V. Mesick, President of Golf, who both signed the proclamation later. Skokie Valley United Crusade, an affiliate of the Metropolitan Crusade of Mercy, helps support the work of 12 charitable organizations in the Skokie Valley. This year's goal is \$69,500. All the money raised locally is used locally. In addition, as one of 92 suburban chests and funds participating in the Metropolitan Crusade of Mercy, the Skokie Valley United Crusade receives a substantial sum from Metro to help support the cost of local welfare services.

Morton Grove Legion News

The next regular meeting of the Morton Grove Unit #134 of the American Legion Auxiliary will be held at the Memorial Home at 8 p.m. Tuesday, Oct. 14.

Refreshments are served after the conclusion of the business portion of the meeting. Social chairman, Mrs. Barbara Cozzo, 8713 Austin, has lined up members to assist each month in the serving of delicacies.

At the last meeting she and her committee out did themselves and presented a splendid array of delicious items.

The new regime of officers took over at this last meeting. The session was opened as is customary by the retiring president, Mrs. Albert Nehart. The

new officers were installed after the "old business" was taken care of and then 1969-70 president Mrs. James Campanella presided at the remainder of the evening's business.

Installing the new officers, as they did at the formal installation services this past Saturday were Mrs. John Sepesy and Mrs. Clarence Ross. Mrs. Ross was sgt. at arms and Mrs. Sepesy, installing officer. Both are past presidents of the Unit. Past president Mrs. Ed Lange was to perform installing officer duties, but due to the illness of her husband could not. Mrs. Sepesy, who was to be the sgt. at arms, moved into the installing officer position.

The Morton Grove Post #134 American Legion Rifle Squad has set the date for its annual fund raising party. Members of the community await the news of this event with much anticipation.

Feelings of great delight greet the heralding of the pre-Thanksgiving affair which this year is set for Friday, Nov. 21. To be held at the Legion Memorial Home as usual, regular fish and chicken dinners will be served as is the usual custom on each Friday at the Legion Home.

However, on this night, in which the Rifle Squad does all the work, residents will have the opportunity of taking on the "bold." Turkeys will be given as special awards as in the past.

Past post commander William Kramer, squad commander, also announces that there will be several series of tickets for choice of \$100 savings bond or portable tv prizes. Kramer, 5800 Washington, may be reached at 966-4180 for further information. The tickets may be obtained that night or in advance from Kramer and Squad members.

As is its usual custom, the proceeds of the annual Poppy Drive conducted by the Morton Grove Post #134 of the American Legion were presented at the joint installation ceremonies of the Post with its Auxiliary.

This year's net profit, \$2,369.24 was presented to Auxiliary president Mrs. James Campanella, 5909 Madison, last Saturday by Post Poppy Chairman, William Cunnally, 7533 Wilson, who was installed that night as the Post's 1st Junior Vice-Commander.

Perfect Match
For People 18 to 75
My unique service guarantees the most
successful and reliable life partner. My
thorough investigation and psychological
analysis helps in bringing together the
right people for a congenial happy life
and they remain my friends.
I like my clients to feel that I am con-
cerned about choosing every person as
carefully as parents about choosing a
son-in-law or daughter-in-law. People
come into my office complaining about
other match-making establishments, but
my clients are never disappointed and
no one turns away from my office un-
married. They are perfectly matched up,
because I choose every person from hun-
dreds making sure that it is a 99%
match of every feature and detail and
also have lots in common to be happily
married.
I also give them good advice on how to
get along harmoniously in their married
life, so that their marriage will never end
in divorce.

"American Identity Crisis" Series Begins

Seven lectures and a pre-
sentation of "Who's Afraid of Vir-
ginia Woolf?" will bring forth
a cross-section of dilemmas
facing American society today
when the Forest Hospital Foun-
dation and the Maine Township
Adult Evening school present
"The American Identity Crisis
II," a follow-up to last year's
successful "American Identity
Crisis" series of lectures.

Focusing on the major is-
sues of the day, authorities on
various subjects will ascend
to the auditorium stage at Maine
Township South High school,
1111 Dee rd., Park Ridge, to
discuss campus disorders, gen-
eration differences, dissen-
sation between races, the sexual
explosion and the many aspects
of swiftly moving events which
have brought about the identity
crisis among Americans.

The lectures and play will be
presented the second Tuesday of
every month, October through
May, beginning at 8 p.m. The
annual lectures are the fourth
in the "Psychological Challenges
of Modern Living" series
co-founded by Forest hospital
and the Maine Adult Evening
school several years ago.

The series begins on Tues-
day, Oct. 14, with a presen-
tation on "Student Protest and
Dissent" by Dr. Jacob Fish-
man of Howard university,
Washington, D.C., and by Dr.
Jules Masserman, co-chairman
of the department of Psychia-
try and Neurology of Northwes-
tern university.

A panel of students from the
Maine Township High schools
will discuss their concerns and
points of view when "Youth
Talks to Adults" on Tuesday,
November 11. The discussion
will be moderated by Eldon
Burk, dean of boys, Maine Town-
ship High school West.

"Men, Women and the Pill"
will be the subject of T. Eric
McLuhan on December 9. Mc-
Luhan is the editor of the Mar-
shall McLuhan Dewline News-
letter of the Human Develop-
ment Corporation in New York.

"Who's Afraid of Virginia
Woolf?" will be performed on
January 13 by the Des Plaines
Theatre Guild. The Edward Al-
bee play will be followed by a
panel of psychiatrists, actors
and directors who will discuss
the behavior problems por-
trayed by the characters in the
play.

Whitney M. Young, Jr., ex-
ecutive director of the Nation-
al Urban League, will speak on
the "Black Revolution" on Feb.
10. This will be followed the
following month by a panel dis-
cussing "Abortion" on March 10
with Morris B. Squire leading
the discussion. Squire is the
administrator of Forest hospi-
tal in Des Plaines.

"Sex Education" is the topic
for April 14, with Dr. Frank-
lin R. Fitch giving the lecture.
Dr. Fitch is director of pro-
fessional services of the Illi-
nois Hygiene League.

Dr. Piers will deliver
the final talk on May 12, when
she speaks on "The Child and
the Parent." Dr. Piers is the
dean of the Chicago Institute
for Early Childhood Education.

Season tickets for the entire
"American Identity Crisis II"
series are \$6 and can be ob-
tained through the Maine Adult
Evening school at 299-7187.
