Niles Girls Marathon Scores in Runs and Profit

By Barbara Morris

272 times were played, 850 runs were scored and \$405.50 was collected for the Great Lakes Naval hospital, as 120 girls from the Niles Youth Congress/Niles Park District Girls Softball League ended their 51 hour Marathon. The Marathon started at 6 p.m. Friday, June 12 with opening ceremonies and Gerald Sullivan, President of the Niles Park Board throwing out the first ball. Early Saturday morning the rains came, but the girls remained on the field.

Only when the rain became so bad that the field was unplayable did they stop until the field could be spread with sand. Mr. E. Bacher, Public Works director was woken from a sound sleep and asked to bring some sand over to the field. Clad in tuxedos, as they had attended a dance that evening, Todd Bavaro and Ang Marchese also lent a hand in clearing up the field. Saturday afternoon was dignitary day as Mayor Jack Pahl, of Elk Grove Village and Mayor

Jules Bode of Morton Grove came out to Ump for Peace. The highlight of the day was a visit by Lt. Governor Paul Simon who came out to take his turn behind the plate as both umpire and hitter. Al Scheffries made an appearance in behalf of State Treasurer Adlai Stevenson III, and Committeeman Aaron Jaffee of Skokie also came out to offer his congratulations. Pueblo crewman Richard Rogala was another of the dignitaries who came and really joined in the

fun. The only accident of the entire 51 hours came about 10 p.m. Saturday evening when guest umpire Bob Co Angelo jumped up to catch a fly ball and injured his trick knee. Within minutes the Niles Fire Department had Bob on his way to the hospital and a call to Lutheran General at midnight brought the good news that Bob had left the hospital to return to his home in perfect condition. One humorous incident

occurred Saturday afternoon when Diane Dawlec slid into second base and scraped up her hand, knee and one foot. A contingent of corpsmen from Great Lakes were attending the game at this time and volunteered to patch up Diane. It was hard to tell who was enjoying it more Diane or the corpsmen, but one thing for sure— with all the attention she was receiving, the hurt didn't hurt so much. Two unrelated news items during the past couple of weeks caused us more than momentary thought, arousing a desire to counter one of the actions with a more positive action of our own.

The one item concerned the protesting of an honorary degree for Senator Paul Douglas and the other was the showering of more accolades on sports idols Ernie Banks and Billy Williams.

About 50 students and faculty at the University of Illinois Circle campus left the Chicago stadium last week before 77 year old Douglas was to receive a degree. They were protesting his 'hawkish' attitude of the Viet Nam war. They were protesting a man's ideas who always stood tall in strictly big boys' games.

During the same period Chicago baseball fans were once again setting aside a day for Williams and Banks, who were being extolled for their physical prowess in a little boy's game.

Douglas, who will someday be in Illinois history books as a man who sits beside Governor Altgeld, Jane Addams and Clarence Darrow, fought the good fight in the big leagues, often by himself, like a lonesome end on the political gridiron.

Williams and Banks, who will some day be in the Cooperstown Hall of Fame alongside Babe Ruth, Ty Cobb and Stan Musial, fought the good fight on a sports team, whose efforts entertained millions thru the years.

But when the books are written Douglas will be remembered as the professor, who at the age of 50, volunteered as a private in the Marines, and was wounded twice in combat in a war he could have stayed out of. And Banks and Williams will be remembered perhaps, by many more people, as men who played in more games or hit more than 500 home runs in their years in baseball.

While patronizing whites will say Banks and Williams efforts lifted the black man's image in a racist country, more thoughtful whites, blacks and yellows will remember the white-thatched Senator, who was fighting for equal rights back in the thirties when he was an alderman from the 5th Ward in Chicago's City Council. And during the unfashionable forties and fifties, when Banks was fighting his way into the major leagues, after serving time in the Negro Leagues, Douglas fought his way thru the McCarthy era, when the dissenters of that era were often attacked as Pinkos and Commies, because they stood tall for the rights of all men.

In the early 50's while Banks was becoming Chicago's most beloved sports hero, Douglas concerned himself with battling the industrialists in the Gary, Indiana area. He led a 1 man fight to protect the Indiana Dunes shores from the encroachment of the greedy Indiana politicians and steelmen. Douglas' fight resulted in a national park which saved thousands of acres for the public's use, despite the tremendous pressure which came from the money interests which wanted the natural shoreline for dumping wastes from the steelmakers.

And who can forget the Senator with the war-torn arm, who stood before the nation's TV cameras in 1956 and once again, Continued on Page 23

NILES PARK BUDGET UP \$64,000

Tuesday night Niles Park District okayed its new working budget of \$290,000, up \$64,000 from the past year. Webb Norman Niles new park district director, said the increase is due primarily to a rate change.

Park commissioner Walt Beusse was the lone dissenter. He did not approve the budget because he felt too little was going for recreation and too much for maintenance equipment.

In submitting his proposals to the board Norman preceded it with a prepatory letter which noted the following:

The increase includes \$15,000 more for corporate expenditures which will be \$163,000 and about \$50,000 for the recreation fund. In ascribing to

a sound program of fiscal policy Norman pointed out an annual increase of revenue from 7% to 15% is needed. He said this can be done by reducing or eliminating services, establishing higher fees, resorting to deficit financing or by planning a tax referendum to increase annual operating revenue.

He warned the district's present financial position is marginal and "will worsen as new facilities and services are added and as operating costs continue to rise". He emphasized the district should begin now to prepare for this situation. In considering additional monies by way of a referendum he noted under state statute the park district can increase its maintenance fund from 10¢ to 15¢. Continued on Page 23

Yacktmán Refuses Park Construction Permit

Victor Yacktmán, President of Domestic Utility Company, has refused to grant permission for the Golf-Maine Park District to bring water onto the Dee and Emerson park site. The water line requested would provide water for men's and women's toilets, drinking fountains, and maintenance.

The Park District has had difficulties with the water company in the past, but outright

refusal of permission to install water could result in construction of sanitary facilities that could not be used, until the issue is resolved. Should the delay in installing water lines be extensive the cost to the Park District could increase, as a result of higher labor and material costs.

Plans for the park site specify a 2" water main, to run from the northerly part of Dee Rd., opposite the park site, to the storage and sanitary facilities building.

Earlier this year the Park District had submitted plans to the water company which called for a 6" main, running west along Emerson St. from the intersection of Dee and Emerson, to a point adjacent to the building.

At that time construction plans called for artificial ice-making equipment and the 6" main was required to provide for the anticipated additional water use.

Upon receiving the plans for the 6" main, Yacktmán had requested that the Park District install an 8" main, with Domestic Utility Company paying for the difference in the cost of materials. The Park Board had advised the water company that they would ask for bids for a 6" main, with an alternate bid for the 8" main, so the difference in cost between what the Park District required, and the water company requested, would be clearly spelled out.

The District had also explained to Yacktmán that his share of the cost would have to be put in escrow, to insure contractors of payment, since the Park Board could not award a contract which they would be responsible to pay for, for work that was done at additional cost and for the convenience of a private company.

Yacktmán had refused to do this, and told the Park Board that the difference would be approximately \$100,000. After opening bids, the District had advised him that all contractors bidding on water work had bid \$2,000.00 additional for the 8" main, and that unless the funds were placed in escrow prior to the award of a contract, no contract for the larger main would be given.

Subsequently, as a result of over-all costs, the artificial ice-making machinery was re-

Chamber Fireworks Display

Spreading the word about Niles Chamber of Commerce 4th of July Fireworks Display are these members of the Chamber (from l.): Herbert Goldberg, Golf Mill Car Wash; Millie Worcester, Western Girls Employment Agency; Carl Drummond, Niles Kwik Car Wash, July 4th committee chairman; and Robert Kayser, Golden Nugget Pancake House.

Chamber President, Robert C. Wordel, Jr. of Teletype Corp. has appointed Carl Drummond of Niles Kwik Car Wash to head the Fourth of July committee.

The Niles Chamber of Commerce will present a free, mammoth Fireworks Display on July 4th this year at Tam O'Shanter, once world famous as a golf course.

Drummond said that Tam - at Caldwell and Howard - will provide ample space for spectators to watch the fireworks display as guests of the Niles Chamber.

When the contractors applied for permission to go ahead with the water work, Yacktmán refused to grant it, on the grounds that he will only grant permission for an 8" main, running west on Emerson St. from the intersection of Dee Rd.

The difference in taxpayers cost, between what the park site requires and the water company will agree to is approximately \$8,000.00.

The Park Board, through their attorneys, has filed a complaint with the Illinois Commerce Commission and requested that an emergency hearing be held as soon as possible. This has been done in an effort to prevent a situation where park construction would be completed, with the playgrounds and ballfields having no washroom or drinking water facilities.

An ICC hearing is not expected in less than 3 weeks, and a decision will not necessarily result from the initial hearing, particularly if the water company elects to fight the complaint. Should the proceedings not be completed by the end of July, at least an additional month will be lost since the Commission shuts down completely during Aug.

Park construction is running slightly behind schedule as a result of the recent heavy rains. The original schedule called for completion of all facilities the week of July 13, completion is now expected approximately two weeks later.

Legion Carnival Booth Chairmen

Many members of the community repeatedly offer their assistance to the Morton Grove Post #134 of the American Legion on Legion projects because of their desire to assist. Usually these residents are not eligible for membership in this great patriotic organization, whose membership in Morton Grove now numbers 651.

Carnival personnel chairman Anthony La Rosa is issuing the list of those Legionnaires who will operate the booths at the Post's annual four day fun-filled event. Those civic minded individuals may volunteer their services to these sub-chairmen for work during the July 9-12 event.

Over-all (general) chairman, P.C. Francis Selzer indicates grand prize chairman, P.C. Roman Lach is eagerly awaiting the help of Miss Morton Grove Jubilee to help the car booth sales.

The kitchen is to be operated by the Auxiliary Unit once again this year; and retting prey! POISE IS PART OF TOTAL BEAUTY

You have just turned around at the clatter of some gal walking across the floor with not very much grace. This appearance is awkward and clumsy even if she is the raving beauty of the year. With practice, you can feel natural walking across the floor or ascending and descending stairs.

Always follow your course with your eyes and never with head drooped to find your way. When ascending stairs, keep your knees relaxed, place feet flat and quietly on the stair steps. Center your weight on the balls of your feet, pushing upwards with the toes and transferring your weight from foot to foot. Descending is the same, but in reverse.

Beauty and poise go together like cosmetics and Birchway Drugs. If you are not a customer now, you can be, with a visit to Birchway Drugs... 7503 Milwaukee Avenue... Niles.

TIP OF THE WEEK:

Put poise into practice - it will look great, feel natural, and breathing will be much easier.

The Village of Morton Grove is commemorating its 75th Birthday, and in addition to the traditional celebrating, it is always proper and interesting to pause and look back to connect the present with the past.

Without the courage, fortitude, sacrifice and vision of the past generations, our present progress would have been far less impressive. All of us living in this day and age owe a debt of gratitude to those stalwart pioneers that hewed out of wilderness the beginnings of our present modern civilization.

Therefore, the Public Relations Department of the Diamond Jubilee Committee presents forthwith a condensed history of the Village of Morton Grove to ease the research and reporting burden of the news media in bringing to its readers interesting (we hope) facts about the early days in Morton Grove. It is felt that the documentation of the courage, planning and accomplishments of our early settlers will help us to better understand and appreciate the present "good" life that we of this generation are enjoying in the Morton Grove area.

In 1831 a small band of English people pushed on past Chicago and headed in a northwesterly direction. The settlers were traveling with all their possessions in covered wagons, following the existing Indian Trails, and finally stopped on the banks of an unknown stream. There were many trees in the area and in the clearings was thick black soil. This area would now be in the proximity of Church and Lehigh. Some of the names of these early first comers to the area were White, Beckwith, Curtis and Dewes.

A Look Back

Early MG Businessmen

Shown are the Pohlmann Brothers and their floral business, circa 1905.

It was originally located on the land where Baxter is now situated. They also had a greenhouse on the site of Harrer Park many years ago.

In the early 1840's, a new group came to the same area; these people were of German ancestry bearing such names as Huscher, Haupt, Lochner and Gabel.

John Miller was one of the famous early settlers because he purchased several acres of land at one of the swiftest portions of the stream and erected a saw mill, perhaps the first

business in this little unnamed pioneer community. The settlers now could replace the logs that previously had to be used for home construction with sawed boards from Miller's Saw

Mill. Also Miller's Mill furnished logs for the wood burning locomotives of the Northwestern Railroad. The one road leading in and out of the area was named Miller's Road and is today's Lincoln Avenue.

The first toll road was constructed by Harry Harms and a fee of 15¢ was charged to allow travel from the end of Miller's Road all the way east to Ashland Avenue in Chicago.

There is a road going northward from Morton Grove from the Forest Preserve District and into Glenview that still bears this name.

The Dilg family ran a general store on Waukegan Road at the present site of Ed Roberts' Colonial Hotel.

In 1872, after the population had reached 100 enterprising souls, the Milwaukee Road laid its track through the settlement and Miller's Mill was sold and torn down to make way for the Railroad's right of way. Since the community had no name, it is presumed that the Railroad chose the name of Morton Grove to designate this particular flag stop. It has been previously recorded by past historians that Levi Parsons Morton was associated in some way with the Milwaukee Road. In the rewriting of the present history, there is no evidence to support this contention. Levi Parsons Morton was Ambassador to France and was a Vice President of the United States under Benjamin Harrison. In 1884, as Ambassador to France, he accepted the Statue of Liberty from France on behalf of the people of the United States.

In the Fall of 1895, a small group of citizens met to form a village government; and on December 24, 1895, the Village of Morton Grove was incorporated.

Tottie Fields 'In The Round'

Known as "the funniest girl performer on the current scene", Tottie Fields will keep audiences literally erupting with laughter during her play-day engagement, Tuesday, June 23 through Sunday, June 28 at the Mill Run Theater in the Golf Mill Shopping Center, Niles, Illinois.

A leading comedienne in top nightclubs and on variety shows, Tottie "leaves 'em laughing where she goes", via references to her plumpness and gimmicks such as passing gold stars on the people she really likes in an audience. Radiating warmth and charm, Tottie proves that with more woman to love, you love that much more.

The Tottie Fields Show is enhanced by the appearance of Kaye Hart, a stunning singer who registers with the pop ballad genre and a medley of Academy Award tunes, and special guest, Morty Gundy, a very funny man.

Performances are Tuesday through Thursday at 8:30 p.m., Friday at 8:30 p.m. and 11:30 p.m., Saturday at 8 p.m. and 11 p.m., Sunday matinee at 4:30 p.m., and Sunday evening at 8 p.m.

To see the dimpled dolly and her captivating show, arrange for your tickets to her Mill Run performance by contacting the Box Office or any of the Ticketron locations, including all Wards, Marshall Fields and Crawford's stores.

...HOARSENESS...

Unfortunately many of us tend to ignore hoarseness, as just a symptom of a cold. Hoarseness is not considered a disease, but when it persists longer than three weeks a doctor should be consulted. The major concern here is the possibility of malignancy. Early diagnosis may save your voice and/or life.

This condition is caused by an interference of the normal vibrations of the larynx. Some of the causes are inflammation, irritation from smoking, cystitis, or paralysis of the vocal structure. When breathing becomes difficult, the larynx must be examined especially in persons who have laryngeal trouble. Infection is usually suspected in children but, in adults, this condition may be cancer, swelling, or even hemorrhaging into the wall of the larynx.

When you come to BIRCHWAY DRUGS you're introduced to the competent services of our dedicated pharmacists. Take advantage of our modern up-to-date pharmaceutical department at 7503 Milwaukee Ave. You'll receive prompt courteous service every time you dial 647-8337.

#13-Braves	0-6-0

Still unbeaten and enjoying a fine lead in the Peanut Division, National, are the Cubs with a whopping 7 win no loss record. In their encounter with the Dodgers the combined pitching of Englund, Haerr and Centella was too much for the Dodgers. Cubs led by extra base hits by Englund, Centella and Ochsenreiter. Pitching for the Dodgers were Pills, Nordskog, Ugel and Chamness. Final score, Cubs 13, Dodgers 2. It was a 6-0 shutout against the Dodgers. Cub pitchers struck out 18 Cougars. Chaffin, Kozol, Solano and Gaertner pitched for the Cougars and Gaertner had the only hit, a single in the fourth.

The second place Jets pounded out a total of 16 hits good for a 13-5 victory against the Mets. Crutchfield had 4 hits, and 2

hits each for Borowski, Anderson, Quattrocchi, Ufoil and Stroka. Ira Arenson got his first hit of the young season, Pitching for the Mets were Miller, Cuff, Bohm and Haazi. The second no hitter of the season was turned in by the Jet pitchers, Anderson, Borowski and Maycan. Crutchfield had 2 hits and scored the winning run as the Jets won 1-0. White Sox pitchers Marino, Beverly, and Schumacher only gave up 4 hits in a losing game. The Jets pitchers yielded only 1 hit in gaining a 12-0 victory against the Cougars. Maycan had the first grand slam home run of the season. Hits by Borowski, Anderson, Walters, Ufoil, and a homerun by Quattrocchi all helped in this win.

Third place Yankees' Riend pitched and drove in 3 runs by hitting a single, and a triple enabling the Yankees to beat the Padres by a score of 9-7. De Sante hit a single, and a triple driving in 2 runs. Wallseck had a perfect day hitting 2 singles and a double. Not only did Schretter do a beautiful job catching but he also hit two singles and a double. Mannina drove in 2 runs with a triple and pitched a 2 inning shutout. Pitching for the Padres were Humrickhouse, Augustyn and Ryan. After making a running catch in center field, Wallseck led the Yankees to a 10-3 win over the Braves. Schretter and Mannina continued their hitting streak with a single and a double. Graf drove in his first run with a tremendous triple to left field. Mast and Riend drove in 2 runs with a single

and a double. The Yankees pitching held the Braves to only 3 hits. Pitching for the Braves: Fectinato and Hoff. Fectinato hit his first homerun scoring Talt from second. The Yankees contest with the Dodgers was not so lucky. Ricky Nordskog hit 2 homeruns, and Kotarski hit 1 as the Dodgers beat the Yankees 7-3.

Next in line, the Colts' Matson hit a 3 run homerun to clinch the game against the Cougars. Hits by Ash and Kirsten and Ury helped account for the win. Excellent pitching by Kirsten, Ury and Angulo. Final score, Colts 5, Cougars 1.

Pitching for the Cougars: Chaffin, Kozol and Gaertner. Chaffin, Kozol and Gaertner, who were the Mets' given free passes eventually scored. Miller hit a grand slam homerun and Plazzi homered with a man on to produce all the Mets runs and keep them in the game but they just didn't have enough to overcome the Colts' lead. Final score, Colts 8, Mets 6. The Padres took the Colts 12-1. After a see-saw battle Friday night in which the Padres lost to the Yankees, they bounced right back on the winning track with a smashing victory over the Colts. Ryan, Augustyn and Humrickhouse threw a "nifty" 2 hitter at the Colts and struck out 13 Colt batters. The hitting barrage was led by Humrickhouse with 3 for 5, including a homer. Schmidt, Ryan and Baranowski each collected a pair of hits. Augustyn tripled in a run, opening the scoring for the Padres in the second inning. But the game was tied in the top of the sixth with 8 runs crossing the plate. Highlights of the sixth included heads up base running and first hits of the season produced by Keener and Broms.

The Padres beat the Cardinals by a 15-9 margin. A hard hitting team themselves, the Cards had all they could do to contain the attack of the Padres, but 14 hits and flawless infield play by Broms, Humrickhouse, Baranowski, Ryan, Augustyn and Schmidt cut short many chances to score bit innings by the Cards.

White Sox 12 - Knights 9. A five run first and six runs in the sixth was too much for the Knights to overcome. Dan Wachtenheim, Jeff Arenson and Mark Sokolowski distinguished themselves for the losers.

Indians 12 - Twins 6. Brian Kennedy sparked the Indian offense with a timely two run double. Tom Stefo, Rick Domalski and Sigle were the big hitters for the Twins.

Tigers 19 - Yankees 2. A 14 run third inning paced by George Norek's homer was too much for the Yankees. Tiger Doug Bahry turned in an impressive pitching performance.

Panthers 19 - Double Eagles 3. Good pitching by Tom Tanner and Tom Hlava plus a 15 run fourth inning gave the Cats a lopsided win over the DE's.

Larry Olson hit a grand slam and R. Tobias hit 2 triples. "Big John" suffered thru this one.

Cowboys 4 - Rams 3. The Cowboys went on a real winning spree; the team is really shaping up.

Red Sox 8 - Orioles 6. A 15 hit attack led by Steve Danelak, Bryant Johnson and Max Detloff led the Sox to a win over the Orioles.

White Sox 16 - Orioles 2. Incorrectly reported in the last report, Sox were the winners.

Tigers 20 - Athletics 12. Angels 19 - Twins 2. Luckily the game was called after 4 innings or the score would have reached even higher proportions. Stankowicz, Domalski, Stefo and Jendrycki each had 3 hits.

Hawks 17 - Broncos 5. The pitching of Allibone and the hitting of Terry Adams gave the Hawks a good combination to win.

the Tribe to stifle an Oriole rally.

Athletics 22 - Knights 3. Paul Daugird and Lou Daddano each had 4 hits to lead the A's. Paul had two double trippers.

Cowboys 13 - Double Eagles 7. The De's had a good game going for 3 innings but the Cowboys broke it open and brought in a win.

Seals 9 - Panthers 6. A five run fifth inning was too hard to overcome as the Panthers succumbed to the Seals.

Rams 6 - Hawks 3. Tigers 13 - Twins 7.

Red Sox 9 - Senators 7. An eleven hit attack by the Sox over came a valiant Senator team.

Vikings 13 - Kings 5. Jeff Patton's homer and the fine pitching by Pete Rudats and Marty Stankowicz led rein on the Kings. An 11 run first inning was too much for the Kings.

Red Sox 28 - Knights 4. This is five straight for the red hot Red Sox. The entire hose lineup ganged up on the Knights.

M.G. Pony League

The Morton Grove Pony League is now in full swing. Both leagues are playing every day including Saturday and Sunday, and the action has picked up in each league.

In the American League the Athletics broke into the win column in an exciting fashion as Dave Cencerari threw a no-hitter. Wally Boles and Fred Lew- is supplied the hitting with these hits, as the Athletics beat the Yankees 14-1. Only David's wildness prevented him from pitching a shutout.

The leaders of the American League, the Tigers, continue to roll along unbeaten. The Tigers 5-0 record can be attributed to their powerful hitting attack. The Tigers are hitting .411 as a team with five boys hitting over .500. Al Shervyn is leading the Tiger attack with a dazzling batting average of .846. Other Tiger hitters carrying hefty averages are John Obie, .600; Joe Alleguez, .600; Rick Wear, .500; and Brian Fellen, .500. Brian Fellen is the ace of the Tiger pitching staff. Brian has already won three games, while Kirk Zahery and Joe Alleguez have contributed one victory each.

The Tiger manager, Bill Zager, is the youngest manager in either the Little League or the Ponys. Bill played in the Morton Grove Little League in 1954-55-56, and has come back to help out the League by managing. He is giving his time and talent with no other reward than the joy of the game. Bill has given his great knowledge of the game to the Tigers and the Tigers are making use of his knowledge. In fact, Bill could manage the Tigers to a pennant in his first year as manager!

In the National League the Dodgers have a pesky leadoff man in Mike Erickson, who is hitting .500; and solid hitting in Joe Schillaci Jr., .533; Gary Guzik, .526; Mike Geimer, .500; and Joe Zimmerman, .461. The Dodgers pitching staff is headed by Mike Geimer and Joe Zimmerman with two wins each followed by George Nellessen and Fred Steinberg with one each. Geimer has allowed only one run in his two victories.

Joe Schillaci Sr. is in his seventh year with the Little League and Ponys. The team he is managing, the Dodgers, are the 1969 Pony League Champions, and the way they have played so far, the Dodgers could repeat as champions.

Standings for June 7 to June 12

NATIONAL	Pts.
Expos	3
Cubs	2.5
Pirates	2.5
Mets	2
Braves	1.5
Cardinals	1
Dodgers	1

June 3-Angels (Joe Loverde) vs. Orioles (DuPage Die Casting)-The Angels squeaked past the Orioles, 2 to 1, to bring their season record to 3 wins and no losses. Leading the hitting attack for the Angels were Callero, 3 for 3, and Ahrens with a 2-base hit, driving in the winning run.

June 4-Pirates (Artistic Trophies) vs. Mets (Parker Career Center)-The Pirates set down the Mets, 5 to 3, behind the 1-hitter of Keith Kozony and pitching support of Voss and Saccamanno.

June 4-Cubs (Lions of Niles) vs. Dodgers (Booby's)-The Cubs squeaked past the Dodgers, 2 to 1, giving them their second straight loss in spite of the excellent 1-hitter of Mike Walsh. The Dodgers scored once in the 6th, having bases loaded before the Cub's pitching could squash the rally. Performing in excellent style on the mound for the Cubs were Swanson and Walsh, with Walsh striking out the last batter, with bases loaded, in the last inning.

June 4-Yankees (Glenn & Terry's Sinclair) vs. Tigers (Lone Tree)-The Yankees clobbered the Tigers, 9 to 3, behind excellent pitching by Aloisio, Brugliera and Draths. On the mound for the Tigers were Stroka, Jarabka and McEnemey. Andy Jarabka and Jay Russ each collected 2 hits in a losing cause.

June 5-Athletics (Hi-Way Sport Shop) vs. Orioles (DuPage Die Casting)-The Athletics handed the Orioles their 4th

consecutive loss. Once again Jerger turned in a good pitcher's performance but lacked good hitting support to bring in the runs he needed for the victory. Athletic pitcher Bob Scott gave up but 3 hits while Keith Larson led the hitting attack with two triples.

June 6-Braves vs. Cubs (Lions of Niles)-The Braves edged the Cubs 3 to 2, behind 4th inning pitching by Glenn Sedjo (in his last game with the Braves) and overpowered the Cubs by striking out 9 batters while giving up but 1 run then switching to catcher and throwing 3 base-runners out when trying to steal.

Tom Myers came in to pitch the last 3 innings and mowed down the Cubs, allowing only 1 hit and 1 run. The power at the plate was supplied by Tom Myers with 2 doubles and singles by Sedjo, Mark Bork, Bill Krippinger, Sam Hoffman and Jeff Byron. Jeff Byron was also responsible for 2 RBIs. Bork did an outstanding catching job for 4 innings.

June 6-Mets (Parker Career Center) vs. Athletics (Hi Way Sport Shop)-Although Keith Larson turned in a brilliant piece of work on the mound for the Athletics, striking out 7 of the first 9 batters he faced, the Mets swarmed all over the Athletics, 8 to 1.

June 6-Dodgers (Booby's) vs. Angels (Joe Lo-Verde)-The Dodgers ended the Angels' winning streak behind the no-hit, no-run pitching of the McDonnell brothers, in a superb pitching duel which resulted in the previous unbeaten Angels' loss of 1 to 0 in a close and tense battle that saw the Dodgers make several key defensive plays to kill the Angels' late rally. Dan McDonnell led the Dodgers' hitting attack with 2 of the 3 hits the Dodgers collected. No ball was hit out of the infield.

June 7-Tigers (Lone Tree) vs. White Sox (Niles Pizza)-The Tigers earned their 2nd victory while handing the White Sox their 2nd loss of the season behind the pitching of Stroka and McEnemey. The Tigers came from behind with 6 runs in the 6th inning to pull the game from a near-nothing to a final victory. On the mound

for the White Sox were Parker and Urban with a triple by Al Bonini, with bases loaded, to help the White Sox in a losing battle.

June 7-Expos vs. Mets (Parker Career Center)-The Expos stopped the Mets with a 3-hit and 15 strike-outs performances by Keener, Elin and Glancaspro. Leading the hitting attack were Rosenstien with 2 hits, Keener and Peterson with triples and Christell with a double. Lou Capazzoli led the hitting for the Mets with 2 hits while Feota, O'Connor and Johnson were on the mound.

June 9-Expos vs. Braves-The Expos exploded to shut-out the Braves, 14 to 0 behind the pitching combination of Keener and Elin, allowing the Braves only 2 hits. The turning point of the game was a super relay play from deep center fielder, Rich Miller, to Don Glancaspro relaying a perfect strike to catcher, Todd Peterson, to cut-off the runner at home. Leading the Expo hit parade were Elin, 2 for 3 including a home run, Keener 2 for 4, a triple and a double, and 2 base hits each by Christell, Rosenstien and Miller.

June 9-Cubs (Lions of Niles) vs. Pirates (Artistic Trophies)-The Cubs rebounded to edge the Pirates, 4 to 2, with back to back triples by Mike Walsh and Pat Swanson. Walsh and Swanson struck out 13 Pirates in their 7-inning chore. Also contributing to the Cubs' hitting attack was Tom Romano, driving in 2 runs. On the mound for the losing Pirates were Kozony and Saccamanno.

June 10-White Sox (Niles Pizza) vs. Athletics (Hi-Way Sport Shop)-The White Sox bombed the Athletics, but the score belies the fact that the Athletics made some fine fielding plays. Outstanding was George Jensen's unassisted double play at first; quick throws from left field by Rick Filas to hold hitters to singles and fine catching by Brian Blaszyński, allowing only 1 man to steal. Jeff Briars, while losing on the mound, allowed but 4 hits in his 4th inning performance. The White Sox behind Rick, who pitched 4 hitless innings, and the hitting of Ron Parker, collecting 2 doubles

(1 with loaded bases) and a triple, were able to collect their win, 12 to 5 from the Athletics.

June 12-Dodgers (Booby's) vs. Braves-Once again the Dodgers were unable to come up with the winning formula and were set down, 2 to 1, in a close game against the Braves. Brave pitcher Bob Kroll was hot on the mound with 7 strike-outs, and a running catch in the outfield by Mike Berke preventing a sure homerun could've changed the outcome of the ballgame. However, a long blast for home run by Tom Sheehan was the telling blow. On the mound for the Dodgers were the McDonnell brothers, Mike and Dan and Steve Chamness.

After 7 games without a loss, the rampaging Pirates finally dropped their first game of the season in a crucial game that highlighted their week's Niles Little League Major action. Cub power was too much for the offerings of Pirate pitchers, Rick Furmanski and Larry Bender, as Cub batters paraded 8 runs across the plate. Hadjuk and Blahnik held the Pirates to only 2 runs in a convincing 8 to 2 victory. The win moved the Cubs into 2nd place, just 1 point behind the Pirates.

In other developments, the Colts appeared to be the team to watch as they swept to 3 wins during the week, and moved from 6th place to 3rd. The Mets dropped a pair to drop from 2nd to 4th while the Braves and Cardinals won their first

games, dropping the Giants into the cellar.

Stars for the week included: Tom Polinski, Paul Allibone and Greg Kapka, of the Colts; Joe Allegretti, Brian Briars, Tim Jacobs, Steve Borkowski and Brian Swenson of the Phillies; Lou Rosch, Jim Filippiak, Tony Dana, Bill Madura, and Brian Urban for the Cards; Bob Capozzoli and Bob Sylverne of the Mets; and Ron Reeve, der of the Pirates.

LETTERS to EDITOR

Express Thanks

Dear Sir:

On behalf of the Scouts, Committee and parents from Cub Scout Pack 275 of St. John Brebeuf church, I would like to take this opportunity to thank you and your staff for the fine cooperation during the past year.

Through the efforts of your editorial and production staff, you have added to the Scout movement of Pack 275. The articles and photos which were published helped the morale of the scouts and of the Pack as a unit.

Thanking you again and hoping for continued services in the future.

Don Smith
Publicity Chairman
Cub Scout Pack 275
St. John Brebeuf church

Dear Mr. Besser:

The tremendous coverage you have given to the doings of our Pack has done much to boost our morale and hopefully encourage other boys to join the Cub Scouts. Reading about what other groups are doing often gives us an idea to try the same activity. This type of exchange goes a long way in building neighborhood spirit and we thank you for 'sharing the platform.'

Yours in Scouting,

Bruce M. Olson

Brenner Science Cruiser

Alan Brenner, 17, of Notre Dame High school, Niles, has been chosen by the judges of the Illinois Junior Academy of Science Science Fair to represent the fair as its Navy Science Cruiser on a 5-day cruise which he will take during the summer vacation period to observe science in the Navy.

Robert Tietz, 17, of Notre Dame High school, Niles, was selected as alternate Navy Cruiser.

Alan Brenner of Niles is one of over 200 sophomore, junior, or senior students selected from science fairs in the U.S., which are affiliated with the International Science Fair, for this unusual opportunity to see and learn about the Navy's practical application of new scientific and engineering developments. Similar honors also have been awarded by the Navy to students participating in science fairs in Puerto Rico and Canada, which have representation at the International Science Fair.

The Navy Science Cruiser Program has been organized by the Department of the Navy in cooperation with Science Service, which administers the International Science Fair, in recognition of the significant contribution of the science fairs in discovering and encouraging students of potential scientific ability.

Blood Donor

Michael J. Grear, 8632 Austin ave., Morton Grove, is among 1,928 students, faculty and staff members of the University of Wisconsin at Madison who gave a pint of blood during this spring's All-Campus blood donation on the University's Madison campus.

The gifts of life were collected by the Red Cross Blood Center in Madison for distribution to 88 hospitals in 45 southern Wisconsin counties, including all Madison and University hospitals, and to the nation's armed forces wherever needed.

Gold Medalist Winner

Sandra Long, Niles freshman at Maine Township High school East, shows the National Scholastic Gold Medalist Art award she received to Principal John J. Clouser.

Sandra is a student in David Wahlgren's (1.) Art I class. Commenting on the winning pencil drawing of a soldier, Wahlgren stated, "It is difficult for a freshman to win such an award at the biggest high school art show in the country, first winning regionally and then nationally in New York. This award is significant in that she ranks as an outstanding student among thousands of art students."

Dist. 63 Concert

The final concert of the rapidly growing Instrumental Music Department of School District 63 was held with a flourish at Maine East High School Auditorium, May 26th.

Before an audience of 800, the young people performed a varied program from Bach to Sousa.

The early morning and after school rehearsals have been well worth the time and effort. The instrumentalists have come a long way in musicianship, tone quality, togetherness, and just plain experience.

Even the difficult stringed instruments are being played with increasing quality of tone, and it is hoped that membership can be increased in this section.

Of special note was Beethoven's Adagio Cantabile. The fine points of shading are beginning to be felt. A very good sign!

The man with the biggest lawn in town is the golf course
superintendent. He solves the biggest lawn problems, too.
Often just by using the right fertilizer.

That's why most of this area's finest golf courses use
Thrive® and other IMC fertilizer products on their fairways,
tees, and greens.

Thrive will help you give your own lawn and garden the
dependable beauty and vigor of a top golf course. There
are premium Thrive fertilizers specially blended for lawns,
roses, evergreens, annuals and home vegetable gardens.
Each of these products carries this same no-nonsense guar-
antee: Use any Thrive product according to directions. If
you are not completely happy with the results you get, then
we will gladly refund the full purchase price.

Ask the man who uses IMC fertilizers to keep his golf
course green and healthy. Then use IMC fertilizers on your
own lawn. You'll be glad you did. We guarantee it!

porated and George Harzer was
its first president. In 1897 the
first 2 room school was built on
School Street and Capulus Ave-
nue.

In the early 20's a Woman's
War Working Circle began a
series of summer celebrations
that later became known as Mor-
ton Grove Days. This organiza-
tion still puts on an annual car-
nival, proceeds of which go to
worthwhile community endeav-
ors. The land that is now called
Harzer Park which contains
baseball fields, tennis courts
and the first swimming pool,
was purchased by the Morton
Grove Days Committee.

fought alone to nominate his good friend Estes Kefauver, for the
vice-presidential post for the Democratic Party. Again, he was
up against the Kennedy money interests, and while the battle
was close, he fought on the minority side again.

And the Senator's ten year battle for a truth-in-lending law
should long be remembered. Alone he was battling for a law,
which would spell out exactly what every credit customer in the
U.S. was paying, rather than being misled by the high interest
boys in this country. Can you imagine the politicians in this
country refused to pass such a law which was aimed at protecting
the millions of little guys in this country? More recently it be-
came law.

This is no put down of Ernie nor Billy nor Ron Santo, who all
do their Thing the best way they can.

Rather than a put-down, this is merely suggesting perhaps
we might take the best of the little boy's and big boy's worlds
and combine them. If baseball players, whose sole contribution
is entertaining somnolent-thinking sports fans, and than being
honored with their own 'days', presents and salaries which are
somewhat incongruous with reality, certainly we should be able
to do something for a man like Douglas.

While we defend the right of the 50 Illini who marched out on
Douglas, we would also like the right to let Douglas know there's
a few fans of big boys' sports, who could fill Soldier Field in his
honor.

Why not have Dick Daley, a warrior of many big boys' games,
and Dick Ogilvie, who was a warrior who was war-scarred like
Douglas, join hands to honor one of Illinois' finest.

We're sure Douglas would be the first to defend the rights of
the 50 walker-outers. But, we would like to be among the many
thousands of walker-inners who would fill a stadium to give thanks
to a truly Big Leaguer who played in the Big Boys Ballpark.

Niles Girls.

wicz came up to Ump for
Peace and to cheer up the
girls who by this time were
quite tired. But their deter-
mination to finish was un-
believable and by 6 p.m. Sun-
day it kept them going. From
6 p.m. to 9 p.m. Sunday all
120 girls were given a chance
to play. At 9 p.m. the last
inning was finished as a tri-
umphant Red Team congrat-
ulated a losing Green Team
and as was displayed
throughout the entire game,
good sportsmanship prevailed.
Concluding ceremonies
were led by Norman Dachman
and Millicent Dachman who
handled the public relations for
the Marathon. The Village
officials, Park Board and
Youth Commissioners all
joined the girls on the field.
A special thank you was giv-
en to Bob, Bob, as he in-
troduced himself to everyone,
is a resident of So. Claren-
don Hills who heard about the
Marathon on one of the many
news broadcasts and came out
to see what it was all about.
This was on Saturday after-
noon. Sunday evening Bob
was still there and it was
through his efforts that the fi-
nal \$10.00 was collected to bring
the total to over \$400.00. Bob
worked both days and he
worked hard so for all his
time and effort Bob was asked
to come out on the field.
The final touch to this al-
most perfect event came as
little Steven and D.J. Borow-
ski came out to the field to

make a presentation of 2
American flags to the three
girls, Carol Hlava, Phyllis
Deire and Pam Bousse, who
were the originators of the
Marathon. When the boys
absolutely refused to let go of
the flags, the girls decided
to present them right back to
the boys who then left the field
with smiles on their faces.

Many, many people deserve
special thanks, and many local
businesses in Niles donated
food and soft drinks to the
players. Among those who
were at hand whenever they
were needed were Park Com-
missioners Walt Bousse and
Gerald Sullivan, Village Trus-
tee Keith Peck came to the
field many times over the
51 hours and was recruited
to coach and ump.

At the start of the 51st
hour the players paused for a
1 minute prayer for peace.
The scores which were pos-
ted on the backstop were num-
bers made by Ted and Doro-
thy Tyse who claim that there
are now a number of green
and red mosquitos flying
around Niles.

After all was said and done,
the muscles began to ache,
the noses began to run from
playing in the rain, the scrapes
and bruises and everyone be-
came hoarse from the shout-
ing, the girls were asked if
they were ready to begin plan-
ning for next year their an-
swer was a very definite YES!

Niles Park.

15¢ per \$100 assessed valuation
and the recreation fund can be
increased from .0750 to 20¢ per
\$100.

In other actions Tuesday night
the park board received pre-
liminary drawings from their
new architect Jack Barclay for
the Ballard Park sports com-
plex. It is expected ground
breaking will take place in the
coming months and the
swimming pool will take place
for next summer's use. Some
form of ice skating should be
readied for this winter season
though the completion of the
enclosed ice rink building is not
expected.

In other action Park attorney
Gabe Barrafato reported a 2 1/2
acre site in the northeast cor-
ner of the Washington-Churchill
area behind the present trailer
park land will be acquired by
Niles within 60 days. Bar-
rafato told The Bugle the 15
acre trailer park site will be
used for an Eagle Food site,
similar to a food shopping com-
plex similar to Jewel-Turnstyle
operations with additional
stores to be included on the
former trailer area.

Commissioners held up
some payments for buildings un-
der the direction of the first
architect Zalman Alper, until
after additional inspections are
made on projects under
construction.

Continued from Page 1

Commissioner Jack Les-
ke said the people let the park
board down 2 weeks ago when
only 2 people showed up on a
Saturday morning for a discus-
sion of on the park budget.
Leske said people are always
always critical of public offi-
cials handling of money, but
when the Board held the special
Saturday meeting for the pub-
lic they did not turn out.

Keith Peck, representing
the Niles Little Squares Dance
Club, presented the park board
with a check for \$450. He
said his group was appreciative
of the co-operation of the park
board and wished to make the
contribution to furnish the kit-
chen at the new gymnasium.

In discussing the working bud-
get finance committee chairman
Jack Leske said there is a
\$10,000 deficit due to 5¢
of Nilesites not paying their tax
bills. He said the assessors
office said this was about the
figure of those who hold back
their payment.

Commissioners held back
payment of a water bill to the
village pending further invest-
igation of the high rate.
