From the LEFT HAND

By David Besser
Editor & Publisher

Sunday afternoon I was watching the national pastime on the bottom TV set and viewing the Celtics-Knicks basketball game on the smaller screen which I placed atop the larger set.

Being an old 2 and sometimes 3 simultaneous radio-listener, especially during football season, gives me the necessary credentials to view the dual-TV sports actions.

In the beginning my eyes flipped up and down, first watching the fury which is called basketball, and then looking down on the laconic game of baseball. It didn't take too long before I switched off the baseball game and concentrated on the basketball playing.

I'm sure baseball people won't become too catatonic because one guy in our area switched off a baseball game in favor of basketball. But if there is anyone in the game who really is interested, he should be concerned. He should be concerned because I'm the guy he needs to pay all those fancy bills which comprise this game. And I'm the guy he's weaned all thru the years. I was the guy who used to wander thru the winter months dreaming up fanciful trades which would make my team the champions next season. And I'm the guy who used to get to the ball park at 10 a.m. on a Sunday morning with my brown bag.

Maine East Summer Registration

Maine East's summer school registration will begin April 20 in the guidance center.

Tuition will be \$48 for a one-credit course; \$32 for a half-credit course; \$35 for a four-week course; and \$62 for seven-week courses plus a registration fee of \$3. There will be a special tuition rate of \$37 plus \$3 registration fee for Typing I, and \$35 plus \$3 registration fee for Drama Workshop.

Summer school will be divided into two semesters. The first semester will run from June 19 to July 7, and the second semester will run from July 10 to July 28. However, there is one exception. Biology will run June 15 through Aug. 2. There will be no school July 4.

New course offerings will include summer school journalism, consisting of three weeks of study for newspapers, culminating with a summer school newspaper, and one week each for advertising, magazines, and publishing. Several field trips have been planned to supplement the classroom.

Park District Must Pay Further Golf Course Improvements

PROMISE TO PURCHASE 2.25 ACRES FOR JONQUIL PARK

Park president Jerry Sullivan promised school board member Howard Wood (District 64) the park board would set up a meeting within a week to begin to reach a decision for the purchase of 2.25 acres of land for a Jonquil Terrace Park. Mr. Wood said he had an appraisal of the 5 acre property, presently owned

by the school district, and Sullivan promised Niles Park District would have its appraisal ready by the proposed meeting. Sullivan said the NPD absolutely would purchase 2.25 acres of the property, which was part of a park referendum approved by voters about 2 years ago.

Police Ball at Chevy Chase

The Niles Policemen's Benevolent Association announced that the 1972 Policemen's Ball will be held on May 13 in the country club setting of Chevy Chase Country Club.

Music will be provided by the famous Ted Weems Orchestra in the grand ballroom. Jimmy McFarland's Carpenters will be providing sing-a-long and dixieland music in the huntroom.

Tickets have been mailed to residents of Niles. If you have

In other actions at the Tuesday night meeting, it was announced the Anderson Company, which has leased golf land to the Niles Park District, has now spent \$169,000 for improving the Little Tam golf course and they're only committed to spending another \$6,000. Any additional improvements will have to come from the Niles Park District.

In questions from a Bugle reporter the district will have to present a referendum by 1974 for about 1.3 million dollars for the purchase of the golf course. While the course showed a nominal profit in its first part-time year, the profit (approximately \$11,000) would not come close to paying the interest on the land. Thus, the very nifty problem of

Dist. 63 School Board Members

Jerry Abern and Irene Luck were elected to serve a full term of three years each, and Larry Reis was elected to fill a vacancy for one year on the Board of Education of East Maine School District No. 63 in the April 8 school board election. Three candidates had sought to fill the two vacant seats, and two candidates vied for the one year vacancy.

The official tally showed that Mr. Abern had polled the highest vote with 872 ballots cast in his favor; Mrs. Luck was second with 851. The third candidate on the ballot for the three year term, Harold Schwartz, received 583 votes. Larry Reis polled 723 votes, against 494 votes for Hermine Levin, for the one year term. A total of 1,274 votes were cast.

At the regularly scheduled School Board meeting on April 11 newly elected school board members, Mr. Jerry Abern, Mrs. Irene Luck, and Mr. Larry Reis were officially sworn in and welcomed by Board Members.

Powers Returned to Ship

Nilesite John Powers, who refused to sail with an aircraft carrier headed for Vietnam, was flown back to his ship Thursday night....He had requested conscientious objector status and hoped to remain at naval base after his ship, the Midway had sailed....Powers had been staying at Catholic student center until after ship had sailed....He'd previously served 1 tour of duty in Vietnam....Objected to being part of any combat action and had been given non-combatant status last fall.

New TAM Recreational Facility

A 2.5 million dollar recreation facility including a major restaurant to be built on the northwest corner of Howard and Caldwell....Developed by J. Emil Anderson & Son, it will include 8 full-sized tennis courts, a health spa and restaurant with banquet facilities....To be called TAM Tennis Club, site is adjacent to 9-hole Little TAM golf course now being operated by the Niles Park District.

Criminal Charges Over Steinberg-Baum Debt

Possible criminal charges against state revenue officials for giving the bankrupt Steinberg-Baum chain a \$400,000 tax break on a \$2,000,000 sales tax debt, is being considered by the state attorney's office....The company owes Niles about \$50,000 in back sales tax rebates and Niles attorney Troy indicated revenue director Mahin might be charged with malfeasance....However, Mahin is a Republican appointee and those making charges are Democrats, which may be significant.

that they may be able to put their car in the garage when it snows since this street has been designated as a Snow Route. A petition signed by all residents involved with the exception of the Smiths requesting that things be left as they are was presented to the board.

It seems that those opposed to granting the Smith's request (in which they offered to pay for the cost of improving the alley) have planned shrubs, trees, bushes, erected fences and used this alley for 20 years. Although they did maintain this property, it is a dedicated alley and belongs to the village. Supt. Dahm made an investigation of the property in question and said it would cost the Smiths \$1,083.75 for 225 yards of stone, 6" high and \$1,623.50 for 1 ft. of stone. If the Smiths were given the right to use this alley, he recommended the other homeowners be given adequate time to remove all the structures or plants of any kind they have there. Atty. Nordberg told those present if the village decided to vacate this alley, the residents would be charged a nominal fee and no construction is allowed on the vacated alley. There would be some additional taxes to pay on the footage gained by the homeowner also.

Monday, April 10 ---

.....A Chicago policeman who was shopping in Korvettes at Dempster and Waukegan came out of store and found his auto had been broken into while he was gone. Taken from auto was a 21" colored portable TV, a Panasonic AM-FM tape player and a 22 caliber automatic pistol from the locked glove compartment of the car. TV was valued at \$350, tape player at \$200 and gun at \$60.

.....Austin ave. resident reported to police that as he was driving his auto on Austin approaching Dempster st., person(s) unknown had fired some type of pellet gun at his car causing two dents and chipped paint on side and hood. Victim stated shots came from parking lot of restaurant on Dempster and Austin, but police were unable to locate the perpetrators.

.....Harlem ave. gas station owner reported person(s) unknown had pelted his station with eggs and had broken one of the windows in the overhead door valued at \$30. Damage was also caused to a window on the west side of the station by a BB gun. Value \$40.

Klein is Chairman of the 1972 Police-men's Ball.

A spokesman for the group said they would then petition the village to vacate this alley. Atty. Nordberg then advised the Smiths that perhaps it would be best for them not to oppose this idea since they live with these people and things could become rather unpleasant. John Hilkin then moved to defer action till Trustees Hobs and Ashman were present. The board agreed.

Robert Lutz, Chairman of the Plan Commission presented a request to the board from Everett G. Martin representing the Midwest Division, Lindal Cedar Homes, Inc. of Schererville, Ind. The request is for the construction of Model homes at the SW corner of Lincoln and Dempster. Since the Plan Commission believes this business will not generate hazardous traffic or safety conditions and subject to meeting several stipulations, they recommended the granting of the Special Use Permit. The board agreed to the motion by David Cohen to concur with the recommendation of the Plan Commission and grant the permit. Cohen also moved to direct Atty. Nordberg to draw up an ordinance limiting construction of this kind to this particular lot and the board voted to pass the motion.

.....Discussion over the possible use of the Grennan Heights annex as a second recreation center is being considered. Two full time personnel will be needed there as one person is not sufficient for the control and safety of the annex. It was suggested a possible teen-age center be established but Commissioner Leske told of the failure in Skokie and Des Plaines at similar ventures. He cited the taking over the projects by certain groups which precludes the use of the facility by other groups.

.....LuAnn Kay and Mary Aybar of Courtland Park requested more park facilities for their area. They said a suggested auxiliary tennis area be established for younger people as well as a basketball area and an improved field for softball. It was reported the overhead power line will be placed underground this summer necessitating the moving of the present ball field.

.....Sunday, April 30 a tree planting program will take place at 1:30 p.m. at Ballard Park and at 2:30 p.m. at Tam O'Shanter. Boy Scout Troop 62 under the leadership of bon vivant George Gauthier, chairman of the Maine Ridge District will take part in the tree planting.

.....A \$2,500 purchase for a pick-up truck, \$1,150 for a fall mower and \$2,100 for a 5-gang mower will be purchased from moneys received from the golf course. Tabled until May 4 recommendation for a roller skating program at the sports complex.

.....The golf course will be open April 28. Excessive water at Tam has delayed the opening.

.....Resignations of the Sports Complex manager, who received a \$4,000 salary increase from a private rink and of the athletic supervisor, who received a similar increase from a private club, plus the screening of applications for a Superintendent of Recreation were personnel problems reported Tuesday night.

The Des Plaines Bank is Expanding

Robert M. Calvin, president of the Des Plaines Bank, announced the first step in a vast improvement and enlarging program. The bank has purchased the land at the southeast corner of Lee and Forest. This location, several blocks north of the present main headquarters at Oakton and Lee, is more convenient to bank customers coming from the north. "We will start immediately on the construction of the new and most modern facility available," said Mr. Calvin, "and," he continued, "besides four drive-in stations there will be a lobby area for walk-in banking. This will enable us to give really the kind of service our customers want."

The property will be landscaped and there will be parking facilities for those desiring to transact business inside. This new structure and the recently remodeled main banking quarters will enable the rapidly growing financial institution to greatly increase its services.

The bank has grown over 36% in deposits in the last year and this reflects the public confidence not only in the Des Plaines Bank but in the future of the en-

tire Northwest area, Des Plaines in particular.

It is expected that the new building will be ready for occupancy sometime this summer.

Math Committee Meets Apr. 25

The Junior College Committee of the Illinois Section of the Mathematics Association of America will meet for its first working session on Tuesday, April 25, in Springfield, according to William Drezdron, associate professor of

mathematics at Oakton Community college. Mr. Drezdron is chairman of the committee.

The meeting on April 25 will plan a conference which will identify the mathematics courses appropriate for the first two years of the baccalaureate degree.

MONACEP Drivers Course

Both experienced and beginning drivers will find classes of interest in the MONACEP Spring term.

"Drivers License Review," a class meeting from 7:30 to 9:30 p.m. on four consecutive Monday evenings, opens April 24 at Maine Township High school South, Dee and Talcott, Park Ridge. It will be conducted by John Sebastian, driving instructor of over 18 years experience teaching adults and young people.

The first session will cover Illinois traffic laws, workbook from the Chicago Motor Club, with exam questions and index of answers, and "Rules of the Road." In the second session there will be a discussion of the physical test, and the instructor will offer suggestions for improved methods of parking and passing, and for correcting bad driving habits. An

outline of the test from Elston Ave. office, maneuvers required, and a trial test of the written examination will be given during the third session. The final meeting will be devoted to a trial road test with students driving their own cars through an obstacle course in the parking lot.

Adults who want to learn to drive may enroll in an eight-week course to be held at Maine Township High school East, Dempster and Potter, Park Ridge. This Driver Training program consists of classroom sessions held on Thursday evenings beginning April 27, and in-the-car instruction on Saturdays, beginning April 29. The classroom sessions, 7:30 to 10, include a study of traffic laws and regulations, defensive and safety driving techniques, a survey of the mechanics and care of a car, pedestrian safety, auto insurance, and emergency situation procedures.

On the eight Saturdays, two students and their instructor will spend 1 1/2 hours in a dual-controlled car learning maneuvers and actually driving in gradually accelerated traffic conditions. Each student drives for 45 minutes, then observes his partner's driving for 45 minutes, a total of 6 hours behind the wheel. In-the-car instruction will start from the high school parking lot, and students must furnish their own transportation to and from the school.

For information on registration and tuition, call the MONACEP office at 696-3600.

Registration in any MONACEP Spring class may be made before starting time, in classes which are still open for enrollment.

St. Luke's

The Rev. John P. Jewell, Jr. will speak on the topic "Go To Hell!" at the 11 a.m. service of worship on Sunday, April 23 at St. Luke's United Church of Christ, Morton Grove. Childcare is available and Sunday School is held at 11 a.m.

The Worship Committee will meet at 8 p.m. Monday evening.

'A' Record

For perfect "A" records during their first semester in the University of Illinois at Urbana-Champaign, 227 freshmen are being honored by the U. of I. Mothers Association.

Among the honored students was James K. McEnerney, Niles, Notre Dame High school for Boys.

Tips on Home Buying Class

To guide prospective home buyers, the Maine-Oakton-Niles Adult and Continuing Education Program is offering a three-week course giving helpful information on "How To Buy A House."

Beginning April 24, three Monday evening sessions will be held 7:30 to 9:30 at Maine Township High school South, Dee and Talcott, Park Ridge.

"Finding the Home You Want" will be presented in the April 24 session by Ralph Martin, realtor, and Robert Blume, contractor.

On May 1, the topic of the second session will be "Financing the Home You Want" with Paul Shaw, vice president savings and loan association, conducting the discussion.

"Legal Aspects of Home Buying and Ownership" will be the subject explained by Emil Jacobs, attorney at law, in the May 8 meeting.

Registrations may be made before opening time, Monday, April 24 at the evening school office at Maine South. Tuition for the three-week course is \$6. Further information may be obtained by calling MONACEP at 696-3600.

Virgin Islands

"Wings to the Virgin Islands," the film record of James Metcalf's trip in his own plane, is the travel lecture he presents Thursday, April 20, at the Maine West Community Lecture Series. The program will be held in the high school auditorium at Wolf and Oakton, Des Plaines, beginning at 8 p.m.

James Metcalf, an enthusiastic pilot and outstanding photographer and lecturer, has made a specialty of flying and filming throughout the Western hemisphere.

Tickets will be available at the door the evening of the lecture at \$1. Further information may be obtained by calling the sponsor of the series, MONACEP, at 696-3600.

O'Hare Inn Executive

Promotion of two O'Hare Inn executives - William Erdmann to executive assistant manager and William Herrlin to front office manager - was announced by William Horine, general manager of the big hotel adjoining Chicago's O'Hare International Airport, Herrlin lives in Niles.

Erdmann was formerly comptroller and Herrlin was assistant front office manager before the promotions.

"As part of our projected expansion in coming months with the addition of 275 guest rooms in a new ten-story tower building, we are reorganizing our executive staff to provide better service to our guests and greater responsibilities to our executive personnel," stated Horine.

The new tower addition will give O'Hare Inn a total of 775 guest rooms and 60 meeting rooms plus two new restaurants and a rooftop penthouse night club.

Let Betty Sansone tell you about Golf Mill State Bank's checking account plan...

It's FREE!

QUESTION: BETTY, CAN I REALLY AVOID ALL THOSE ANNOYING MONTHLY SERVICE CHARGES?

BETTY: Absolutely. In fact, you could avoid them completely... just by keeping as little as \$200 in your Free Checking Account here.

QUESTION: BUT IS THAT TYPE OF CHECKING PLAN JUST AS GOOD AS THE KIND WITH THE SERVICE CHARGES?

BETTY: Actually it's much better. You have all the advantages (no standing in long lines to pay bills, keeping better track of your money and having cancelled checks as legal receipts). And yet, with all those features, you still cut out those monthly service charges... which can often run as high as \$1.50, \$2.00 or even \$3.00.

QUESTION: ISN'T THERE SOME LIMIT ON THE NUMBER OF CHECKS I CAN WRITE?

BETTY: No limit whatsoever. With just \$200 in your account throughout the entire month, you can go ahead and write as many checks as you want and there's still no monthly service charge.

QUESTION: WHAT HAPPENS IF MY ACCOUNT DROPS BELOW \$200 DURING THE MONTH?

BETTY: It's still a bargain. A flat charge of

\$2 will be made for that month only. And you can still write as many checks as you like.

QUESTION: IS THERE ANY CHARGE FOR MAKING DEPOSITS?

BETTY: There's never a charge for making deposits... regardless of what your balance may be and no matter how many deposits you make to your account.

QUESTION: WHAT ABOUT CHARGES FOR THE CHECKS THEMSELVES?

BETTY: Your checks and checkbook of your choice are distinctively imprinted with your name and provided at cost. Your address may also be imprinted on your checks at no additional cost.

QUESTION: SOUNDS GOOD, BETTY HOW DO I GET STARTED?

BETTY: That's easy. Just fill out this coupon and forward to me at the bank. Better yet, give me a call at 824-2116 and I'll be glad to personally help you get your account opened.

QUESTION: BETTY, YOU'RE A DEAR. HOW CAN I EVER THANK YOU?

BETTY: You are thanking me and Golf Mill State Bank by opening your account with us. And we'll try to show our thanks by giving you FREE Checking Account Service. It's one more reason why Golf Mill State Bank is "A bank on the grow!"

Yes, I am interested in your FREE CHECKING ACCOUNT SERVICE.

YOU ARE EARNING DAILY INTEREST

If you have a savings account at THE DES PLAINES BANK. Here is how it works.

Savings accounts earn daily interest at the highest legal rate. Earnings start with the day of deposit and continue to the day of withdrawal. These earnings are computed and automatically added to every account.

And that's not all. Statements showing every transaction are mailed to each depositor quarterly. This eliminates the nuisance of a passbook and coming to the bank just to have the interest posted.

Daily interest and no passbooks. We think it's great — and so will you.

Arthur Rubloff & Co. announces start of construction for new Millbrook retail complex, Niles.

Construction commenced this week on the new Millbrook Shopping Plaza, 9355 Milwaukee ave., Niles. It was announced by Chicago-based Arthur Rubloff & Co., leasing and managing agents for the development. Millbrook is located in the northwest Chicago suburb of Niles, directly east of Golf Mill Shopping Center.

Terrence R. Tynan, Asst. Vice President of Arthur Rubloff & Co.'s North Side Regional Offices, was sole broker in the sale of the 2 1/2-acre land parcel to Millbrook Associates earlier this year by Ford Motor Company. Financing was arranged by Lake Michigan Mortgage Company, a subsidiary of Arthur Rubloff & Co.

The 32,000 square foot, one-story building was designed by Brim/Braun Associates, Lincolnwood. The air conditioned building will be fully sprinklered and feature floor-to-ceiling glass store fronts. A distinctive 31-

foot high masonry identifying pylon will mark the entrance to Millbrook. Minnesota Fabrics, one of the nation's largest retailers of fabrics, already has leased 15,000 square feet. Projections include 9 additional retail and service facilities within the complex when the Center opens in the Fall of 1972.

Oak PTA to Host Sports Program

On April 24, at 8 p.m., the Oak school PTA will present a review of the Oak school Sports Program. Because of the large attendance expected at this affair, the April meeting will be conducted at Gemini Junior High School, 8320 Ballard rd., Niles.

Harry Klockner will direct the programs as the students demonstrate their skills of basketball, volleyball, floor hockey, cheerleading and square dancing. These activities represent both organized, competitive sports as well as those included in the intramural program.

Erwin Clepy, PTA President, will introduce Donald Huebner, Principal of Gemini Junior High School, who will present a brief overview of the junior high program and student responsibilities.

Colors will be presented by Boy Scout Troop 45, and refreshments for the evening will be provided by the kindergarten mothers. Parents and students are invited to join us during this enjoyable and informative evening.

Happy Birthday to You...

Bugle newspapers wish TIJUANA TACO, 7830 Milwaukee ave., and owner RAFAEL a happy birthday on their first anniversary in Niles. A gala celebration is planned April 24 thru 27, inclusive; with free balloons and candy for the kiddies and a FREE Taco for everyone. You buy one Taco and get one free!

'Lady on the Rocks'

A play designed to increase understanding of alcoholism will be presented at Lutheran General Hospital, Park Ridge. The play, "Lady on the Rocks," will begin at 8:30 p.m. Tuesday, April 25, in the hospital's chapel-auditorium. Presenting the play will be a group of actors from the community. The one-act play lasts 30 minutes and is followed by a discussion.

"Lady on the Rocks" was commissioned by the National Council on Alcoholism and was written by Elizabeth Blake. It has appeared as an off-Broadway production and has been presented throughout the country.

The play is designed to increase public recognition that alcoholism is a treatable disease. Tickets are free and can be obtained from the hospital's Rehabilitation Center.

While all other turtles have been moving rather slowly, Maine East's Terrapin turtles have been working very hard since the beginning of the year for their annual water ballet show.

Tickets are now available for the April 20, 21, and 22 shows. The cost of the 4:30 p.m. performance on April 20 will be \$1. The following Friday and Saturday night performances will begin at 8 p.m. and the tickets will cost \$1.25.

"Here's to Life" is this year's

'Guys and Dolls'

As the saying goes, opposites attract, and love is no exception. How can one gambling guy be attracted to one mission girl, and how can one home-body night-club singer be attracted to one floating crap game organizer? Come and see "Guys and Dolls," this year's Maine East musical, with performances on April 28 and 29 and May 5 and 6 in the Maine East auditorium.

General ticket sales will be conducted in the Maine East cafeteria lobby from 8 a.m. to 1 p.m. daily, starting April 17 through May 5. Tickets for the main floor are \$2.50 and \$2.75. Balcony seats range from \$1.50 to \$2.75. All seats reserved.

Sarah Brown (played by Val Corrius and Elaine Carlson), head of Save-A-Soul Mission, has

been attempting to convert the gamblers who frequent the heart of Broadway, where the Mission is located. Miss Adelaide (played by Denise Edelman and Rhonda Buchwetz), lead dancer of the Hot Box Nightclub, has been engaged to Nathan Detroit (played by Dave Novak and Corey Carbonaro), organizer of floating crap games for visiting gamblers, for 14 years.

The big-time gamblers — Nicely Johnson (played by Phil Suarez and Dave Sconce), Benny Southstreet (played by Steve Jurack and Gary Latkow), Rusty Charlie (played by Marty Rotenberg and Phil Suarez), Harry-the-Horse (played by Gary Wilkins), and Big Jule (played by Mike Galante) — have come to New York looking for action. Sky Masterson (played by Scott Williams and Jim McCauley), another big time gambler, is also in town to round out the action.

General Cartwright (played by Sandy Williams and Cathi Karp), head of the Save-A-Soul Mission, wants to close it down because it's always empty. Sky promises Sarah he would bring 12 assorted sinners to the Mission, and in the end — the mission is saved. Sky marries Sarah, Nathan marries Adelaide, and Nathan gives up gambling and sells papers at the corner of Broadway. All's well that ends well.

Nilehi Variety Show
Tonite

Norsecapades '72, the annual student variety show at Niles North High school, opens tonight (April 20) at 8 p.m. in the school auditorium. Performances of "Send It Back, It's Still Kicking" will also be given Friday and Saturday at 8 p.m.

Unlike past Norsecapades productions, "Send It Back, It's Still Kicking" relies on colors and shapes rather than plot to tie the acts together. Sets, costumes and choreography are based on diamonds, ovals, circles and triangles in red, blue, yellow and green. The same shapes and colors are used throughout the show.

Alan King and Lena Horne, two of the most accomplished performers in the entertainment world, will inaugurate the opening of the third season of live concerts in the round at the Mill Run Theater. Their co-engagement at the Niles-based showcase starts on Friday, April 21 and continues through Sunday, April 30.

With cigar poised, Alan King arrives on stage to regale audiences with stories of Everyman pitted against the faceless "system". As he talks about the simple frustrations that all of us experience daily, it's suddenly very funny. And we survive, and even flourish, because of it. Recognized as an international star, Alan King has elicited lengthy laughter from the Queen of England, as well as the average American citizen.

The Alan King Show is enhanced by the appearance of Lena Horne, who sings memorable renditions of beautiful love songs as

Summer Basketball for Jr. High Students

Maine East is announcing a summer recreational basketball class for junior high students. A class for students who will be in the sixth, seventh or eighth grade next fall will be held at the Maine East fieldhouse and outdoor courts beginning Tuesday, June 20, and running through Friday, July 7. The program will run from 9:30 a.m. to 11:30 a.m. four days a week for a three week period. Fundamentals will be stressed with games and scrimmages being provided after the first week. A swim in the Maine East pool will cap off each session.

Boys who will be in the ninth grade next fall are invited to an identical three week class run-

ing from Tuesday, July 11 through Friday, July 28. The classes will be run by Paul McClelland, head basketball coach, and other members of the Maine East basketball staff.

The cost for all boys is \$21. This will help defray the cost of the program and provide special equipment for all participants. Applications can be obtained by writing Mr. Paul McClelland, Maine Twp. High School East, Dempster and Potter rd., Park Ridge, Illinois, 60068 or by dropping by the athletic department office at the Park Ridge school. Any boy who fits the age requirements is welcome regardless of the school he is presently attending or will attend in the fall.

Baseball Preview

Spring is fast approaching and the Maine East baseball team is preparing for another season, and prospects look good for a successful year.

This year's varsity team will feature better than average speed, strong throwing arms, and what looks like a lot of hitting.

The only real weakness on the club, according to varsity coach Herb Ward, is "lack of pitching depth" and that may prove to be a problem as the season wears on. As things stand now, however, Coach Ward said, "Fred Parker should be number one with Tom Kalnes pushing him. Others who should help us are Gregg Maloney, Joe Darby, John Beusse, Glen Sedjo, and Dave Baskin." If they can come through, things will look a lot brighter for the Demons this season.

The rest of the team, however, is sound. The outfield is easily as fast as last year's and they've got good throwing arms, as does the rest of the team. The offense should be one of the Demons' stronger points, Dan McDonnell, Russ Anderson, and Bob Lloyd are among the best hitters on the team, and while known for mostly hitting singles, McDonnell and Anderson will occasionally unleash.

The recent poor weather has forced the team indoors, but Coach Ward said, "The team is working very hard." He did add, however, "We would appreciate some good weather so we can get outside, it is very hard to prepare for an outdoor sport indoors."

The only returning letterman this year are Russ Anderson, Mike McDonnell, and Jim Cardella. They are all seniors.

Maine North Phys. Ed Jr. Leaders

Mildred McManus, Maine North's Girls' Physical Education Department Chairman, announced selections of the Junior Leader Physical Education class this week. As a junior leader, girls learn how to assist the physical education instructor. The girls learn how to take attendance, provide class instruction, and prepare equipment.

The girls were selected by Maine North's faculty.

The following Des Plaines girls have been selected for the Junior Leader Physical Education class for 1972-1973: Dawn Abbott, Cathy Bennett, Margie Eck, Judy Kisor, Mary Kylen, Teresa Larmore, Beatrice Lopez, Cynthia Sauerberg, Terri Simon, and Kristie Ziesmer.

The following Niles girls have been selected for the Junior Leader Physical Education class for 1972-1973: Donna Angullo, Lauren Bender, Tina Ferrarelli, and Linda Scott, Mount Prospect.

Varsity Letters

Maine North High School's Physical Education Department honored their athletes at the Winter Sports Award on March 23.

Thirty-nine boys earned varsity letters and were admitted to Maine North's "M" club.

Steve Alderson, Des Plaines, was awarded a varsity letter in gymnastics and junior John Yockey of Des Plaines received a letter and was voted the team's Most Valuable Player.

Des Plaines students who were awarded varsity basketball letters are Arnold Drewes, Doug Werhane, and Frank Yurriago.

Bowling Club

Members of Maine East's Boys' and Girls' Bowling clubs saw March out with some gusto.

The pizza winners for March 27's competition between teams in Maine East's Girls' Bowling club were the Squires and Strikes (Dori Lent is captain) with a team high series of 1,573.

Gail Arndt howled the high individual game (194) as well as the high individual series (342). Pizza winners in the Boys' Bowling club competition on March 28 were Lee Goldstein (captain), Steve Capsuto, Bennet Zager, and Frank Vecchio. Their total pins were 2,257.

The best three game series were bowled by Barry Siegel with 540, Scott Friedman with 512, and Lee Goldstein with 505.

First place teams are -- in the blue division Steve Tompkins' team with 49 wins and 26 losses and in the white division Mike Jannahan's team with 46 wins and 29 losses.

Des Plaines students who received varsity letters for wrestling are Bob Erickson, Phil Kolpek, and Bob Russo.

Jack Horowitz and Norm Lau of Niles received varsity wrestling letters.

Joe Dobson and Don Polz of Des Plaines won varsity swimming letters.

Sophomore competitors received numerals and freshmen received Norsemen patches.

PARK DISTRICT Niles Summer Activities

Playground Programs

This summer the supervised playgrounds for elementary school-aged children will be located at Grennan Heights, Oakton Manor, Viola Nelson, Ballard, Nico, Chesterfield, Courtland and the Recreation Center. The program begins Monday, June 19 and continues for 8 weeks ending Aug. 11; the daily schedule is 9-12 a.m. - 1-4 p.m. Program highlights at each park will include special events such as interplayground softball tournament, a playground carnival, a pet show and a Christmas in July party. There will be field trips to Cubs Park and Brookfield Zoo; the dates will be announced at the playgrounds, and a Family Night at each park to which Moms and Dads are invited to join the children in playground fun. We are fortunate and pleased to have several '71 staff return this summer as playground leaders.

Specialized Crafts

Bonnie Lowry will again be instructing the crafts program this summer. She has chosen many new projects that will be both fun and challenging. You may participate in her classes at the following parks at the time scheduled. The \$3.50 resident's fee and \$7 non-resident's fee is for 11/2 hour class, once a week for 8 weeks beginning June 19 through Aug. 11.

Morning Schedule: 9-10:30 a.m. (1st-4th gr.); 10:30-12 a.m. (5th-8th gr.).

Afternoon Schedule: 1-2:30 p.m. (1st-4th gr.); 2:30-4 p.m. (5th-8th gr.).

Grennan Heights - Monday (mornings) and Thursday (afternoons). Oakton Manor - Tuesday (afternoons) and Friday (mornings). Recreation Center - Tuesday (mornings) and Friday (afternoons). Ballard Sports Complex - Monday (afternoons) and Thursday (mornings).

Adult Crafts

This summer all adults are invited to participate in a crafts program. The projects chosen by the instructor will be easy yet creative. All participants will experience in many art forms, such as plastics, macramé and wood. The fee for the 8 week program is \$4. All classes will meet on Wednesday for 2 hours starting June 19 and ending Aug. 11, Grennan Heights - 9-11 a.m. (Wednesday); Ballard Sports Complex - 11:30-1:30 p.m. (Wednesday); and Recreation Center - 2-4 p.m. (Wednesday).

Tots Program

The Tots Program this summer is planned for 3, 4 and 5 year olds. There will be two leaders with the program. Each will teach two days per week at selected parks for 8 weeks beginning June 19 and ending Aug. 11. The program is designed to help youngsters socialize with children of their own age. The morning program (10-11:30 a.m.) is for 12 three-year-olds, the activities will include stories, rhythm band, crafts, games and songs. The afternoon program for 12 four and five year olds will have activities for this age level. Again the instructor will use show n' tell, crafts, songs and games to produce fun and comradery among the children. To enroll in the program the child must be 3 by June 1, 1972 (a birth certificate will be required) and not yet enrolled in kindergarten. The program fee is \$1.50 for residents; \$3 for non-residents.

Maine East Students Voice 'Variety Show' Concern

Dear Sir:

The students of Maine East are vitally concerned with the austerity moves of the Board of Education of District 207. Following is a letter that was sent to the Board by the Maine East Student Council, and we feel the community must be aware of our attempts to express our preferences in a matter which so directly concerns us. Thank you for printing this.

Sincerely,
Maine East Student Council
Scott Williams
President

28 March 1972
Board of Education
District 207

Dear Gentlemen:

We, the representative student government, strongly object to the possible elimination or rescheduling of the Variety Show and the musical without a thorough review of these productions. We are aware that a cost accounting has been done for these pro-

ductions, but we feel that there are other considerations besides cost and self-sustenance.

Therefore, we would like to call to your attention some of the feelings of the students on this issue. First, the budget for Student Council is derived from the profit of V-Show. As you are aware, if we had paid the faculty salaries this year, our profit would have been \$235. V-Show can be self-sustaining. But, we feel that if we will be allowed to make changes in the operation of the production. Since the Student Council budget is used for the benefit of the student body, we feel that all possible measures are not benefit of the students are not benefit of this. Second, we feel that V-Show is the more important of the two productions and should receive preferential treatment. More students are involved in V-Show; students that would never be in the musical because of the different talent demanded by the two productions. Again, any profit made on V-Show is returned to the student body via Student Council, whereas any profit made on the musical is used by the selected members of the music department.

We know it has been suggested that if the shows cannot be self-sustaining that they be produced

LETTERS to EDITOR

In alternate years. Another possibility might be the partial unwinding of both, by dividing the allocated sum between the two. This, in addition to cutbacks in the cost of both, will increase the margin of profit. Since these productions are extremely important to the students, and to the community as showcases for the talents of the students, we request that no decision be made without a deeper exploration of not only the finances, but the other consequences of which the students are most aware.

Both of these shows affect the student body to a great extent, and we request that we be allowed to voice our opinion on the alternatives to the present situation.

In addition, we strongly object to the cutbacks and possible elimination of co-curricular activities without student advice. We realize a survey was taken in homerooms to determine in which activities the students participated, but this

is quite different than knowing some activities must be eliminated and then being given the opportunity to voice our preferences. Since the Board is aware of the finances of the various operations, we feel it would be possible for the Board to present various alternate plans and allow us to comment on our preferences.

We are sure that the Board is trying to save money in ways that will least affect the students, but any way will. Therefore, we request that the students, via the representative Student Council, be allowed to comment on the feasible austerity moves in the areas of co-curricular activities and productions, and suggest the ways in which we feel the least number of students would be hurt.

Respectfully Submitted,
Maine East Student Council
Scott Williams, President

What Do We Need The Teachers For??

(Editor's Note: Following in poetic form is a Letter to The Editor describing the writer's concern for student classification at Melzer School)

Now if you mention Melzer School,
Oh, yes, I've been there too,
If you want your child to read,
They want more help from you.
You see they are so busy with
other things to do like taking
attendance, mimeographing and
putting up bulletin boards, too.
If you don't believe them,
they'll show the slides to you.
So they are more than willing
to turn their teaching job over to you.

The school has a problem
of which we were made aware.
It seems at Emma Melzer,
there's hardly a normal child
there.

So, before they can teach your
child, they really want to be fair.
They want to diagnose and pre-
scription each child to give him
the proper care.

Hyper-actives go together,
Super-shy ones too.
Segregate and label them,
That's what they must do and I'll
be the first to admit its time
consuming too.

The teachers claim the main

reason they cannot teach the class
is that trying to maintain dis-
cipline is their primary task.
Show me a child who doesn't
fidget, and they all have excess
Pep.

And if a class is boring on a
nice spring day, what child in his
right mind wouldn't rather play.
Well today's children are a
nervous, hyper-active clan, and if
they don't fit into that, there's
the short attention span.
Now if your child fits none of
these, I'll tell you what to do.
Relax while you can, they just
haven't gotten to you.

Fortunately my child has a
teacher that's a jewel.
It's been almost a year now
and my child still loves school.
I send her to you every day
and she smiles on the way.

And by God when you get done,
she better come home that way.
She's a normal healthy child,
my doctor told me so.

And no one in that school is
more qualified to know.
So if we do as the school has
asked.

And all the parents volunteer
en masse
To go over and teach the class
I just wonder one thing more,
What do we need the teachers
for?

Secure New Oakton Campus

Dear Editor:

We believe the importance of recent events and the conclusion of these events is that we must all realize we have to deal with each other fully and always as human beings, not as categories or abstractions. We know now we can tear each other apart and tear the community apart, but let us refrain from that. We need each other, let us treat one another with kindness and consideration and be a human community.

We are naturally delighted with the outcome of the election and believe it is for the good of all concerned, the community, the students, and faculty of Oakton Community College. To our candidates who did not win, we hated to lose you and, because you are good and capable men, we sincerely hope you see fit to run again when vacancies next appear on the board.

We are grateful to our many supporters, the fine citizens of the township who voted for our state and thus visibly expressed their disapproval of the taking of the Maryhill site as well as their concern for the homeowners in the peripheral area.

We are indebted to those newspaper reporters and publishers who treated us fairly and gave us honest coverage.

To the members of the Niles Village Board and the Park Ridge City Council who supported us with their resolution to drop the Maryhill site, we express our appreciation.

Once again, we are particularly humble and thankful to the Illinois Junior College Board for recognizing our pleas, our letters, petitions, etc. In rescinding their decision as they did on 2/11 they restored our faith in the democratic process, which had been visibly shaken and demonstrated once again that people will be heard.

We believe the IJC Board will be able to work more closely and congenially with the new Oakton Board and that old differences will be settled amicably. We also believe no time should be lost in dropping the two pending court actions.

We hope the State sees fit to reallocate funds back to Oakton College which were taken away as a result of the controversy.

Lastly, to the Oakton Board, the students and the faculty, we refer to a very important statement of the Concerned Citizens Maine-Niles Township Platform, which read as follows:

"To move forward NOW, on acquisition of a badly needed permanent campus for expanding

Once a new site is obtained we hope a successful referendum will be conducted. Let us strive together to make the utmost of what we have. We have a community dedicated to achievement and we are proud of it.

Dear Mr. Besser:

Many thanks to the hundreds of fine people who took the time and trouble to vote in the Niles Library referendum and election.

My congratulations to Mr. Krok, the new trustee and Mrs. Hanson. Some people told me during the campaign of problems with the library system. These should be brought to the attention of the new board. I'm sure you'll be listened to.

It was a wonderful experience for me to have been a candidate, and I appreciate all the co-operation and support I got from all of you.

Sincerely yours,
Robert Doonan

Homeowners Oppose Taco Restaurant

Last week some neighbors living in the "Golden Triangle" area of Niles (Milwaukee ave., Oakton ave., and Harlem ave.) got together to discuss the proposed building of a taco restaurant on Milwaukee ave. and Mulford. Several of the people present had attended the recent hearing of the Niles Zoning Board where representatives of a taco interest were attempting to have the property at Milwaukee and Mulford rezoned to accommodate a restaurant type of activity whereas it was presently zoned for commercial use only.

The plans of the proposed restaurant were secured by Millie Jones and were exhibited at the meeting. It became evident upon examination that the facility would be built centered on the lot and that there would be an entrance on Milwaukee ave., a main thoroughfare, and an entrance and exit on Odell ave., which presently is a residential street and the local residents wish it to remain so.

Marie Kutzner brought out that the traffic activity presented a clear and present danger to the residents and the children playing in the area. Don Davis voiced the opinion that parking could be a problem for the residents on a residential street where through traffic is permitted.

Other neighbors present expressed the opinion that such a business would pollute the area with debris since many customers

of the taco restaurant would use the facilities and the possible discard of garbage and rubbish would attract flies and vermin.

Outdoor flood lights and music are proposed for the taco restaurant which would further pollute the environment.

It was pointed out from the plans that two lavatories would be facing Odell at the rear of the taco restaurant for the use of their customers which would present an eyesore to the residents living on the east side of Odell.

Several committees were formed so that other residents of the area might be advised as to the proposed rezoning. A petition will be circulated among Niles residents expressing their opposition to the rezoning of the property so that the Niles Zoning Board will know how the residents feel.

All of the people attending the meeting unanimously felt that this proposed rezoning would adversely affect the residents and was not in the best interests of the property owners.

It is anticipated that the April 26 meeting of the Niles Zoning Board will be well attended not only by the homeowners adjacent to the property in question, but also by many other Nilesites who are interested in their neighborhood and what is happening within their community.

Editor's Note: The following letter was sent to us from Josh Gotham, 10th Dist., Committee on Political Education as an open letter to area residents.

Mr. Ed Warman March 7, 1972

Skokie

Dear Ed:

When I read in the Skokie Life newspaper that you went to the Blase camp, and even supposedly are the campaign manager, I, as well as many of all of our friends are shocked and even horrified about this action. You have thrown away all the sympathies and friendships of people who trusted and admired you. Matters got worse and really topped by the letter you sent out to the voters. I am ashamed that I ever supported you.

The Democratic Committee-men from the District remain neutral, and I can only assume that the majority of them would have supported Ab Mikva. If a fellow Committeeman had not been in the running. The political stance of Blase puts him into the neighborhood of Wallace and racism. He represents an attitude, which the liberal electorate of our District abhors.

If you had decided to run for Congress on a similar platform as you had in the past, I would have wholeheartedly supported you, and even assume that Abner Mikva would not have even considered you.

Extends Thanks

To The Editor:

I wish to thank all those people who supported me and voted for me in my recent bid to gain a seat on the District 70 School Board.

I am quite pleased with the results of our efforts having received, as one individual against the three man incumbent slate, votes from thirty per cent of those casting ballots. We succeeded in having a real election instead of a "rubber stamp" one by giving the people a choice. I hope we have also succeeded in creating community interest in our schools which will continue throughout the year.

Gratefully,
Mrs. Janice Bloomfield

LETTERS to EDITOR

Bugle Editor Prejudiced

Dear Mr. Besser,

As a local non-Jewish resident, and strong supporter of Larry Reiss (who was just elected to the District 63 school board), I am horrified by your outrageous editorial of April 13! How could you stoop so low as to attribute election losses to Jewish names?

Instead of looking for "please-sky" reasons, did it ever occur to you that the voting public is more intelligent than you care to realize? — That the candidates who won, did so on their own merits, superior qualifications, and "hard" campaigning? If you were as "up" on the matter as a newspaper editor should be, you'd know that the candidates made themselves known through public speaking, "endless" coffees, and thousands of pieces of literature printed at their own expense and distributed throughout the area and at all polling places. They and their supporters worked long and hard; people listened and read, and then made their choice at the polls — NOT on the basis of prejudice, as you so insultingly (to both candidates and voters!) stated, but because these are the best people for the job!

To further disprove your "theory," how do you explain the fact that Larry Reiss' resume states he is a member of the Northwest Suburban Jewish Congregation Mens club? — So even though his name doesn't sound Jewish, contrary to the Berkowsky campaign you mentioned, he made it known through his literature!

In these times when people are "putting down" prejudice, its a shame that a man in your position can be allowed to further such hostilities by means of a newspaper. My only hope is that you publish this, and as many liberal one in addition. I hope Mikva wins despite your efforts, and am sure he will make an excellent suburban Congressman!

Yours truly,
Helmuth F. Kern

Stevenson 'Book Fair'

Discover the "Wonderful World of Books" at the Book Fair on April 26, 27, and 28, in the library at Stevenson School, East Maine School District #63. The Fair will be open during the day from 8:30 a.m. to 4 p.m., and is open to the public.

Book Fairs are an important part of our educational program; they make it easy for students to select books of their choice. They help many students discover the "Wonderful World of Books" and help them develop a reading interest and capacity. For most people reading is the difference between having a future and not having a future. Our Book Fair is an important and worthwhile program and needs your support. Only the best educator-ap-

proved books are displayed, ranging in price from 25¢ to \$7.95 with most of the books priced under \$1. Profits from all sales will be used to benefit the Adlai E. Stevenson School. So remember — Stevenson Book Fair, Stevenson School, 9000 Capitol Drive, April 26, 27, and 28. Mr. Barry Ekman, Principal, and Mr. Jerry Julius, Librarian, urge you to mark your calendar and be sure to attend this Book Fair.

Reimbursement Applications Due at Oakton

Junior College District 535 (Oakton Community College) will receive tuition reimbursement (charge-back) applications from residents of the college district who wish to attend a public junior college in another district in order to enroll in a program not offered by Oakton Community College.

Residents who desire tuition reimbursement for summer, 1972, are asked to file an application and Letter of Intent by 5 p.m., 30 days prior to the first day of classes at the college in

which they wish to enroll. Applications may be filed by mail. If mailed, the envelope must bear a postmark no later than midnight of the 30th calendar day prior to the first day of classes at the college which the student desires to attend.

All students previously granted charge-backs to attend a recognized public junior college in the state of Illinois for the Fall 1971 and Spring 1972 must apply for a charge-back which will be valid only for Summer 1972.

Jewish names. They did good enough at the polls not too many years ago to be elected to our seven-member school board. Based on my 10 year experience, Maine Township has come to be proud of its lack of religious bias. We came to know many great people in East Maine and we miss them.

Nurses Hold Spring Banquet

Alumnae of the Lutheran General and Deaconess Hospitals School of Nursing will have their annual Spring banquet at the Nordic Hills Country Club, Itasca, Friday, April 28 at 6:30 p.m. Special guests will be the 1972 class of the school of nursing. Upon their graduation this Spring, the school will have graduated over 1,000 students during its 66 year history.

Entertainment and door prizes will be featured. The banquet which will also honor 40 year alumnae and alumnae in 5 year intervals after the class of 1932.

Lutheran General and Deaconess Hospitals School of Nursing dates back to 1906 when a deaconess training program was established at Lutheran Deaconess Hospital in Chicago. In 1927, the school was accredited by the state of Illinois, and in 1960 it moved to its new campus at Lutheran General.

It is a three-year diploma school of nursing with an enrollment of 100 and is fully accredited.

hunch tucked under my arm and sit thru 3 1/2 hours of waiting, just to see my heroes get crushed by the mighty Yankees. It happened every Spring, anticipating the big game of the year, when the little David White Sox, would stand tall as they took on the mighty Goliath Yankees. It began at 10 a.m. when, after a ride on 3 streetcars, an early morning hot dog loaded down with tomatoes and lesser relishes you could only buy outside the park, you scrambled into the best grandstand seat in the house, behind first base. That was the best seat in the house because a guy named Gehrig, or Greenberg, or Foxx was playing there that day. Of course so was Joe Kuhel, who followed Bonura, but then every fan rooting for the White Sox knew the home boys were far better than such names as Ruth and Gehrig, Greenberg and Gehring, and Di Maggio, Gordon and other lesser lights who played for the opposition.

In those halcyon days of the 30's the White Sox had 2 ballplayers who would take on the mighty Yankees. They had a wonderful Sunday pitcher named Ted Lyons, who dated back to the 20's, and the irrepressible Luke Appling, a shortstop who couldn't field, or make the throw from the hole, or didn't make the double play with ballet rhythms, yet, may have been the best shortstop Chicago has ever seen. The rest of the team was named Kreevitch, a little coal miner who came out of West Virginia, and got lost in the depths of Comiskey Park's centerfield, or buddy Taft Wright, who was a round butterfly, who could catch any ball hit right at him, but could he hit, or Red Faber, a spitball pitcher, who was a leftover from the Slack Sox days, and a lot of other famous guys whose names you forgot when they didn't return the following year to play.

In the mid 30's, before my teens began, that 12 hour day dedicated to watching baseball in Comiskey Park was the highlight of my week. But by the end of the decade, the "great national pastime," or "just hear that old hickory meet the horsehide," became just a good game to watch. Matter of fact, on those double-header days, by the time game 2 rolled around, we became somewhat impatient, and began wandering around the ballpark. We'd try the seats and sit under the baseball booth, in hopes of getting a glimpse of Hal Tooten or Bob Elson. We'd wander north to left field or east to right field, and sit out in the sun in late afternoon. And one time to relieve the boredom, my buddy went down behind the screen, and told the public address system announcer he'd lost his little brother, and would he announce, "Bud Besser should come down behind the screen and be re-united with his long lost family." It was a good gag hearing the announcement, along with 52,000 other fans, who turned out once a year when the Yankees came to town.

But when I came home that night my Mother, somewhat anxious, asked what happened to me at the ballpark that day? She said she'd received several telephone calls from friends who heard my name on the P.A. system.

There were other "great" days at the old ballpark, when the huzzahs of younger days began to fade. Once during batting practice we moved down alongside the dugout where manager Jimmy Dykes was holding sway. A chronic cigar smoker, Dykes placed the butt on the dugout ledge and waltzed onto the field, to make like a manager. When he made his move we made ours, and grabbed the cigar butt. It was a great prize. The next time you wandered into my buddy's bedroom, there on the

wall was the prized stogie, with a neat identification under it which let the curious know the great Jimmy Dykes' cigar was part of the interior design on that wall.

In the early 30's I met Jimmy Dykes, and was allowed down into the dugout one time, one of life's great moments. And another boyhood friend, whose Dad had been Capone's handsman, was a personal friend of Harry Grabner, the Sox vice president, and we got free passes to the Sox games, an unimagined dream come true for a kid who thirsted for this game. An uncle provided me with a pass one time, and after I handed it thru the fence to a buddy outside the park he was denied admittance, and the pass was confiscated. The ticket-taker at the pass gate had checked the number and noticed it had been crossed off. A very chagrined 11 year old went up to see Dorothy Comiskey, who after a lecture on the rights and wrongs of freeloaders, called downstairs and had the pass returned.

My Dad was the ball player in our family, being the best catcher who ever played in Washington Park before World War I. Uncles told me, and he did too, he could remain in a crouched position, of position, catching any thief who dared an attempted steal. That old overstuffed catcher's mitt was treasured by me into the 30's . . . and hope-fully to carry on the tradition, my Dad bought me a catcher's mitt at a very young age. It was a lefty's mitt, the only one I ever saw that fit a southpaw, and while I've passed it on to my kids, the same still like to holler good and loud when they're rooting for their favorites, and the older girl was in past crunches of opening days at Cubs Park. And the son still enjoys a warm day at the park. But his fondest baseball memories will be waiting for Sandy Koufax to finish broadcasting the "game of the week" and returning to the limousine which takes him to the airport. Many Saturdays in recent years my son insisted we wait for Pee Wee Reese and Koufax to come down from their booth, so he could see them. He even gave Koufax some Jewish cookies one time, as he bounced into the car, hoping he might have a momentary rapport with one of his favorites. It was a spin-off of the old Jimmy Dykes cigar-stealing episode, making me realize the son won't turn out any worse than his Dad.

But there's a message in all these baseball memories. Those idyllic days when my Dad played ball some 60 years ago are gone. The days aren't the same, and the pace isn't the same. And those days in the 30's when a kid would spend his whole summer playing, dreaming, eating and sleeping baseball have long since gone. For better or for worse, we're now in the 70's, the days of moonshots. Baseball has become an anachronism. It's time has past, when the moods and the days were slower. At times, we too would like to hold back the clock, and perhaps return to days bygone. But it can't be. Today's world has sports fans turning to speed, and to the crunch of combat. A good body-check, banging a guy against the boards, laying out a couple of guys with good field blocks, is what the fans are calling for.

You can put baseball in a shroud, place the headstone of Abner Doubleday out in centerfield, and let the epigraph state he was laid to rest in the 1960's. Matter of fact, the game has long prepared for this ending. They've now got organists primed for the final notes.

THE CORNERS

of Where it's at and What's happening. . .

By Ed Hanson

Politics "turns" me on. Why shouldn't it? At another time — another place . . . I was the first president of the United States. My name then was John Hanson. Like Scaramouche, "I was born with the gift of laughter and a sense that the world was mad."

The Dictionary of American History by Scribner, page 330 states — and I quote — "during the revolution, the residents were active in the patriot cause; Thomas Jefferson as a member of the Continental Congress nominated George Washington as Commander in Chief of the Continental Army; and John Hanson was chosen as the first president of the United States under the articles of Confederation."

Then, in volume VIII, The Dictionary of American Biography, which is under the auspices of the American Council of Learned Societies clearly states — and again I quote — "John Hanson was truly the forgotten first President of the United States."

And further, Grinnell and Hubbard, two outstanding early American historians, as well as Gordy did several volumes pointing out the fact that John Hanson was one of the greatest patriots of the American revolution and further served as chief executive or first president of the United States and was himself the power who influenced Thomas Jefferson to nominate George Washington as Commander in Chief of our Continental Armies.

Thus George Washington was in reality Commander in Chief of our Army before he became president and did serve under the first president — John Hanson. Another great General, who came much later, was, of course, Gen. Patton. And Bible-quoting Patton firmly believed in reincarnation. He claimed he could remember his history as a warrior back to the ancient Spartans. He claimed immortality. And this, to borrow a phrase from our present president Richard M. Nixon, "I wish to make perfectly clear. . ."

A place where the food is fit for a President is JAKE'S RESTAURANT, 7740 Milwaukee ave. — and JAKE has the business to prove it!

A play that would have even evoked "laughs" from Mrs. Lincoln and certainly would have pleased "The Happy Hooker," Xaviera Hollander is "WHAT THE BUTLER SAW," the current offering of COUNTRY CLUB THEATRE in the Old Orchard Country Club, Mt. Prospect. Go see, "What The Butler Saw" . . . It's a funny spoof of sex. And sex is funny — think about it?

The president of Mexico would be delighted by the authentic Mexican food offered by TIJUANA TACO, 7830 Milwaukee ave., Niles. The genial host, RAFAEL SAYS, "Come celebrate our first anniversary — have a FREE Taco on us — BUY ONE — GET ONE FREE!" And there's free balloons and candies for the kiddies — RAFAEL's offer is good Monday, Tuesday, Wednesday, and Thursday, April 24, 25, 26, and 27 ONLY! Give yourself a treat with great food from Old Mexico . . .

Thomas Jefferson loved Italian food. What a treat he would have had at ALIPIO'S RESTAURANT, 6474 Milwaukee, Niles, and Sunday is "Family Day." They provide a complimentary relish tray, family style chicken and beef dinners, Mrs. Alipio's dessert of the day and a special low priced children's menu. And their Italian food would make Sophia Loren drool.

George Washington would have never chopped down the LONE TREE, 7710 Milwaukee ave. In fact he'd have probably flipped his wig over Tony DiVito's swinging music and danced a Minuet jig after a few of their delicious cocktails. And after some of the wonderful food served at the LONE TREE, the British Redcoats would have laid down their arms and taken out American citizenship . . . For a groovy evening, charge into the LONE TREE — and see Tell 'em the first president sent you . . . and he was a "swinger" too . . .

George Washington made a dollar go farther than anyone (he tossed one across the Potomac River). You can make your dollars go even farther at HOWARD JOHNSON'S, 7201 Caldwell — Fish Fry every Wednesday and Friday for only a dollar and 49 cents . . .

That's it for this week . . . except Goodnight, George, goodnight, Martha, and Barbara, Dottie, Jane — I'm kind of Fonda, the "mostest," over Jane and glad she won an Oscar . . .

GOLF MAINE PARK DISTRICT

Summer Programs

New Tam Health & Amusement Complex

A 74,000 sq. ft. complex involving 8 full-size indoor tennis courts, a complete European-style Health Spa, and a major restaurant with banquet facilities is to be built by developer J. Emil Anderson & Son, Inc. at the northwest corner of Howard st. and Caldwell ave. in Niles. Called the Tam Tennis Club, the facility will cover 5 acres including ample landscaped parking approximately 350 feet north of the intersection, with access from Caldwell ave. The site is adjacent to the remaining 9-hole Tam O'Shanter golf course currently being operated by the Niles Park District. Fain & Sutherland, Inc., industrial and commercial real estate, Chicago — is exclusive agent for the project, which is valued at \$2-1/2 million.

A. Harold Anderson, president of the builder-developer, said that groundbreaking will take place this spring and the restaurant will be operative this summer. Tennis and health spa portions are to be ready for use in late December of this year. Memberships will be offered separately for the Tennis Club and Health Spa.

Indoor tennis courts will be air conditioned and employ the latest innovations to assure users of

the finest playing conditions. There will also be a spectator's gallery and pro shop offering fashions and tennis equipment for convenience of club members and guests. The high-ceiling tennis area will cover more than 50,000 sq. ft. of space. An attended nursery is to be located in the adjoining Health Spa area.

The European-style Health Spa will include a fully-equipped exercise room, steam room, sauna, sunbath, whirlpool baths, swimming pool and health bar, plus the attended nursery for use of the Tennis Club or Health Spa members. Facilities will be available only to members and their guests, with separate days designated for use by men or women.

Restaurant facilities will be located in a separate single-story building, with seating for 250 diners on ground level and banquet rooms to accommodate 300 persons on a lower level.

All activities at the Tennis Club and Health Spa will be under the direction of professional staffs. A leading tennis player, to be announced shortly, will be in charge of tennis lessons for men, women and children. Both individual and semi-private or group instruction will be offered.

On Dean's List

Eleven hundred and sixty students at Northern Michigan University were named to the Dean's List for the Fall semester of 1971-72. This is an increase of 213 over the total named to the academic honor list for the Fall semester of 1970-71. Included was: Terri A. Seelos, 8743 N. Ozanam, Niles.

Diving

In 1972 the Diving Class and Diving Team will meet at the Recreation Center. The Diving Team will practice Monday through Friday mornings. The fees for the class is \$8 for residents beginning June 19.

NILES PARK DISTRICT 1972 Summer Aquatic Program

With both pools available this summer the Niles Park District will have an extensive Learn To Swim Program as well as many available public swimming hours. The pools will open Saturday, June 17 at 1 p.m.; they will remain open until Labor Day this year. Public swimming hours at the Recreation Center and Bal-

lard are as follows:

Monday thru Saturday 1 - 5 and 7 - 9:30 p.m. Sunday - 1 - 5, 7-8:30 and 8:30-10 (adults 18 and over).

The Recreation Center Pool will be closed on 3 Wednesday evenings due to Swim Meets and neither pool will open if the air temperature is below 68 degrees.

The season fees for the pools are:

Individual (any age)	Res.	Non-Res.
Husband & Wife	\$10	\$20
Husband & Wife (1 Child)	\$17	\$35
Husband & Wife and 2 Children	\$19	\$39
Husband & Wife and 3 Children	\$21	\$43
Husband & Wife and 4 Children	\$23	\$47
Maximum fee for resident	\$25*	\$50

*Plus \$4 for every additional child

Learn to Swim

Session I - June 19-July 7;
Session II - July 10-July 28;
Session III - July 31-Aug. 18.
The classes will be held in the mornings at the Recreation Center Pool and at the Ballard Sports Complex Pool. Each class will meet Monday through Thursday with Friday being used as a make up day. The fee for Learn to Swim will be \$8 for residents and \$16 for non-residents. Anyone may sign up for all three sessions but there will be no refunds made after the session begins.

Roller Skating

The Park District is in the process of preparing a Roller Skating rink. Ballard Sports Complex will be used for this program once the ice is removed from the rink. There will be skate rentals available. There has been a strong interest shown for this program. Although the fees have not been determined the cost will be similar to the Ice Skating Program.

Synchronized Swimming

There will be one six week session for Synchronized swim this summer. The program is open to beginners and advanced abilities. The Synchronized Swim will be at Ballard Sports Complex Pool and the Niles Recreation Center Pool. The program will begin June 26 and the program fee is \$8 for residents, \$16 for non-residents.

Bus Transportation

This summer the Niles Park District will have a bus to provide transportation to and from activities. The bus will be used for the Day Camp Program, Aquatic Programs, Field Trips and specialized groups such as the Swim Team and Tennis Team. The bus will stop at all parks and schools holding supervised summer playground programs. To board the bus the rider must present his Park District photo identification. The bus route and schedule will be announced with publication of programs.

U.S. Junior Olympic Fencing Championships

The first annual U.S. Jr. Olympic Fencing Championships was held at Notre Dame High school and was a tremendous success. There were 97 boys and girls from 17 states and 25 different fencing divisions.

In addition to the fencers, there were 4 international directors and 24 top ranked directors. Two fencers had just returned from Madrid, Spain where they had competed on the U.S. team at the Under 20 World Championships.

Notre Dame H.S. did very well at this meet, as did the division itself. Terry McConville took 3rd place in Epee and 5th place in Foil and Gary Berlak took 5th place in Epee. Only two other fencers took home two trophies and both of these were from the East.

Other divisional fencers who did well are: Mike McCahey, 6th in Foil (Ill. 1972 state champion), Denise DiValerio, 6th in woman's foil, Lindsey Anderson, 6th in Epee, Al Acker (U of I) 1st in Sabre. Those who placed in the top ten (from 7-10) were Howard Labow, 10th in foil; Mindy Smith, 7th, woman's foil; Karen Beckman, 9th in woman's foil; Sam DiFiglio 9th in Sabre.

This meet was a real test of the midwest's strength. With a young program only 3 years old, it has begun to challenge the eastern powers. Foil and Epee showed that we were almost equal, but sabre is a few years off yet.

All weapons were a group III meet (Adult C earned where possible). There were 10 "C" and 1 "B" in foil to start; 3 "C" in sabre; 1 "B" and 3 "C" in epee and 1 "B" and 1 "C" in woman's foil. This was a very strong competition.

The sportsmanship award went to Tim Graham of the Gold Coast Florida. Chris Jennings, N. England, was the double champion in Epee and Foil. All Champions are automatic qualifiers to the National Championships in July in Boston.

The boys who fenced foil and epee fenced 35 bouts in one day and 49 all together. Those who fenced three weapons fenced 67 bouts in 3 days. All together there were 1134 bouts fenced in the tournament.

Shown above 1. to r. are: Lindsey Anderson, 6th; Gary Berlak, 5th, NDHS; Henry McGee, 4th; Terry McConville, 3rd, NDHS; Richard Jacques, 2nd; Chris Jennings, 1st.

Mill Run Benefit

If you've been meaning to take in a live show of Alan King or Lena Horne, why not go when your ticket will raise much needed funds for the Maine Township Mental Health Association. The night is April 23 at 6 p.m. at the Mill Run Theatre, Golf and Milwaukee rds. in Niles. Tickets are \$10 and there's no such thing as a bad seat in the house. It's theatre-in-the-round where the furthest seat is no more than 15 rows away.

Proceeds will help maintain a mental health clinic which each year treats hundreds of emotionally disturbed children and adults in Des Plaines, Park Ridge, Niles, Morton Grove and Glenview.

For a reserved seat call the Maine Township Mental Health Center at 297-2912.

Warning to Parents

Making things out of clay, glazing and firing them is a valuable experience for all. However, Mrs. Barbara Tuch and Mrs. Harriet Judy, Art Coordinators for School District #63, stated that the newest information on lead content in some glazes makes the following rule mandatory:

No ceramic object made by students, either adult or children, should be used as a drinking, eating or smoking vessel, (including cups, mugs, bowls, ash trays, or the like) since some glazes have a poisonous lead content. Therefore, ceramic pieces should be used for decorative purposes only.

Quill and Scroll Banquet

The annual Maine East Quill and Scroll banquet will be held Thursday, April 27, at Hackney's on Lake in Glenview.

The purposes of the banquet are to announce the names of the students named to Quill and Scroll, a national high school honorary journalism society, and to announce the editors for next year's Pioneer and Lens, Maine

East's newspaper and yearbook. To be eligible for Quill and Scroll, a student must be a junior or senior, have a year's service in journalism, and be in the upper third of his class. Yearbook editor Julie Marahak of Park Ridge and newspaper editor Dave Brown of Morton Grove will be in charge of the evening's program.

Auto Smog Control Workshop

Local auto mechanics and auto service supervisory personnel can still register for two remaining auto smog control workshops which will be held at Oakton Community College on April 22 and April 29, according to college officials.

The six-hour workshops are part of a nation-wide effort to reduce air pollution. Participants must attend both of two separate three-hour sessions to be held from 9 a.m. to 12 noon and from 1-4 p.m. on Saturday, April 22 and on Saturday, April 29.

The program will provide information about the purpose, maintenance, repair and diag-

nosis of emission control equipment found on past and present production models.

Each participant will receive a 1971 reference manual. There is no charge for the course or manual. The program is sponsored by the State of Illinois, Division of Vocational-Technical Training.

Enrollment in each session is limited to 25 students. For information, call Mrs. Kathleen Arns at Oakton Community College (967-5120, ext. 318), 7900 N. Negle, Morton Grove.

Adventure Club

Adventure Club is a summer program of special weekly trips for boys and girls between 8 and 14 years old which is sponsored by the Leaning Tower YMCA. Trips include the Milwaukee Zoo, bowling, the Lake County Fair, Springfield, a wax museum and many more. You may register for any trips you choose - 1 or maybe all! An Adventure Club Membership fee will entitle you to a reduced rate on all trips, but you need not be a member of the club to register for any of the trips.

Complete information on all trips, club membership and registration is available. Call Chris Bozovsky, Program Assistant at the 'Y' for a brochure - 647-8222.

LGH Art Display

More than 200 paintings by 50 area artists will be on display at Lutheran General Hospital, Park Ridge, April 26-27. The exhibit, part of the "Art Originals" project of the hospital's Service League, will be on display in the east dining room on the hospital's tenth floor. The public is invited to the exhibit. Hours are 10 a.m. to 7 p.m. All the paintings on exhibit have

been on loan to the hospital for display in patient rooms throughout the hospital. For the past 7 years, hundreds of area artists have participated in this program. "Art Originals" is designed to help provide a more pleasant atmosphere in patient rooms. Participating artists in the program are from Park Ridge, Des Plaines, Niles, Morton Grove, Mt. Prospect, Arlington Heights, Glenview and Chicago.

The Board of Education of Niles Elementary Schools, District No. 71 will sponsor a Summer School for a period of six weeks beginning June 19 and ending July 28. The program will be designed to:

- (a) Provide an opportunity for additional help in basic subject areas to pupils who need individualized attention or who want
- (b) Provide enrichment and exploratory experiences to children interested in special content areas.

Summer school attendance will not influence the grade placement of students for the following year.

District 71 Summer School Classes

Clarence Culver, superintendent of the Niles Elementary Schools, will be in charge of instruction. All instructors will be members of the Niles Elementary School Faculty. The fee, which includes books and teaching materials, will be \$25 per class.

Summer school enrollment will be open to all students enrolled in school District No. 71. Non-resident students may enroll in complete individual classes to 15. School District No. 71 will not provide transportation or crossing guards.

Registration will be held during the day of May 8, 1972 between 9 a.m. and 12 noon for students enrolled in Niles Elementary Schools. Registration will not be accepted after May 26. Registration for non-resident students will be held May 12 between 9 a.m. and 12 noon. Registration will take place at 6925 W. Touhy ave., or 6921 W. Oakton st.

PARK DISTRICT Niles

Continued from pg. 17 Day Camp

28, Session IV - Aug. 1 - Aug. 11.
There will be no camp on the first Monday of each session. This is due to a Forest Preserve restriction that does not permit organized groups on Forest Preserve Grounds on Monday or days after holidays. On the second Monday of the session the campers and counselors will take a field trip. There will be no camp July 3 Monday and July 4 Tuesday.
The camp counselors experienced in camp methods will teach basic outdoor-living skills, nature lore and campcrafts. Located at Bunker Hill Woods the camp has all the convenience of a park in the natural environment of the Forest Preserve.
The campers will be bused to and from camp. The bus schedule will include stops at all parks with summer programs within the park district boundaries. Lunches will be prepared at the site by the campers under the supervision of the counselors. The \$30 resident fee includes transportation, food, tee-shirts and field trip expenses. Registrations are being taken now at the Park District Offices at 7877 Milwaukee. Proof of residency must accompany registration. The camp will be cancelled if there are less than 30 registrants.

Softball Leagues

The Niles Park District has opened registration for its Men's and Teen's Leagues. The games will be played Mondays 6-8 p.m., Wednesdays 6-10 p.m., and Fridays 6-8 p.m. at Jozwiak and Notre Dame fields. Each league is accepting only resident teams; a resident team is one that is composed of at least 2/3 Niles Park District residents. Accompanying the appropriate registration fee, must be a complete roster: names, addresses and phone numbers, and verification of each address such as a driver's license. The leagues will begin playing Monday, June 5. For further information contact the Niles Park District Office, 967-6633.

Summer Tennis Class

George Komer will return to Niles this summer as tennis instructor. The two five-week session program is available to all ages and abilities. Each class will be limited by court-size to provide proper supervision and instruction. Session I - June 12-July 15 (no class July 3 Monday, July 4 Tuesday). Session II - July 17-Aug. 18. The session fee is \$5 for residents.
Any one may sign up for both sessions but no refunds will be made once the session begins. The schedule for Tennis Classes is as follows: please note that Monday through Thursday morning and afternoon classes will be held twice a week. Friday classes and evening classes will meet once a week.

Tennis Tournament

A Tennis Tournament will be sponsored by the park district for all Niles Park District residents, Aug. 19 - Aug. 27. The tournament will involve all ages. There will be a \$2.50 entry fee payable to the park district office after June 1 along with verification of residency. Each entrant will be notified about time and court prior to his first match. Each entrant is to provide 3 new balls at his first match.
