TRY A LITTLE TENDERNESS...

We won't solve our nation's problems by berating Old Glory or showing it disrespect. On the contrary, by tearing down the Stars and Stripes, we destroy the symbol of what every American wants to achieve: liberty and justice for all. It makes better sense to keep that flag flying before us as a beacon, reminding us of the goals our founding fathers set for a new nation, goals we are still striving toward.

Don't knock it... cherish it.

Softball Marathoners At Bat 53 Hours For Muscular Dystrophy

Taking part in the opening ceremonies of the Girls' Softball Marathon were 1. to r.: Ann Henning, United States Olympic Gold Medal winner; Mayor Nick Blase of Niles; Andy Panico, Niles Youth Commission; Mayor Julie Bode of Morton

Grove; and members of Teens against Dystrophy. Bottom row 1. to, r. Gene Hiser, Chicago Cub, Sig Sakowicz and Carmen Fanzone of the Chicago Cubs chat with Andrew and Larry Siegele.

The tired but happy organizers of the Girl's Softball Marathon are 1. to r. Mary Ann Massari, Donna Bavaro and Phyllis Keopke, Niles Youth Commissioner.

MG Park District Balloons Flying High

The Dirty Dragon gives the signal for 'Strike One' as he takes his turn umpiring for a few innings.

The Morton Grove Park Districts summer playground program launched 250 helium balloons last Friday each carrying a stamped addressed post card with the name of a child registered in the program. It is hoped that these cards will be mailed back to the park district by people who find them in different states. As the cards are returned, the park district will publish the results of where the cards landed.

The highlight of this week was a trip to the Lincoln Park Zoo by children in 1st through 8th grade. Looking forward to next week, each playground will hold a preliminary "Kite Contest" on Wednesday, July 5. Contestants will be divided by age groups into the following categories: largest kite, smallest kite, highest flyer, both commercial & homemade, and the most unusual homemade kite that flies. Specific regulations governing the contest will be given to each park. Winners from the individual parks will meet in Harrer Park on Thursday, July 6 for the "Grand Fly-Off" and the park accumulating the most points will be awarded a trophy. Certificates will also be awarded at the individual parks and ribbons

at the "Grand Fly-Off".

During the week of August 10 registered children 3rd through 8th grade will be attending a Cubs ballgame and "Family-Nite" will be held at Austin and Mansfield parks on Thursday evening, July 13.

Children may register for the program at the field house park nearest their home.

Joseph P. Collins

Joseph P. Collins, son of Mr. and Mrs. Austin I. Collins, 6651 N. Nordica ave., Niles, has been commissioned a second lieutenant in the U.S. Air Force upon completion of the Air Force Reserve Officers Training Corps program at the College of the Holy Cross, Worcester, Mass.

Lieutenant Collins, who also received his A. B. degree in history, was named an A. F. ROTC distinguished military graduate and is eligible for Air Force regular officer status on the basis of his achievement.

The lieutenant, who was graduated magna cum laude, is a 1968 graduate of Fenwick High school, Oak Park, where he was a member of the National Honor Society. He has been granted an educational delay in reporting to active duty so he can complete graduate study.

The score was 631-547 in favor of the tired but happy B.J.'s after 53 hours of continuous softball. But the real winners of the Niles Youth Congress Girls' Softball Marathon were the Muscular Dystrophy Associations of America who will receive over \$2,000 raised by the annual event sponsored by the Niles Youth Commission.

The 250 girls who participated in the Marathon are now being invited to attend a picnic being given in their honor by Mayor Nick Blase at the Niles College

campus of Loyola University, Harlem and Touhy (Touhy ave. entrance) on Sunday, July 9 from 12:30 p.m. to 5 p.m. The girls who played in the Marathon will be treated to hot dogs, hamburgers, Italian sausage sandwiches, potato chips and pop. Four tennis courts will be available for the girls to play on and they will also be able to play softball. All they are asked to do is wear their Marathon sweat-shirts in order to be admitted to the grounds.

Were they vicious? Yes! Yes! Yes! The B.J.'s kept their spirit soaring throughout the 53 hours of the Marathon and it certainly showed in the final score when they beat the Dirty Dragons.

Even though the Dirty Dragon team was 40 runs behind at this point, they still were cheering their teammates on the field.

of Christ, Morton Grove. The program is as follows:

July 2: Mr. Andy Jakes of 9400 Octavia, a member of St. Luke's will do a presentation on the flag.

July 9: Rev. Mill Leila Anderson, who served a three year special assignment for the board for World Ministries in the Philippines.

July 16: Ralph and Brad Swanson of 3820 Ruger rd., Glenview, members of St. Luke's, will show slides on Alaska. "A Trip to the Wilderness."

July 23: Miss Karin Gerald, a blind girl from Hadley school for the Blind will tell of her experiences in South America.

July 30: We will visit the adult worship to hear the choir from the Klingberg school, 6035 N. Kedzie, Chicago.

August 6: John Jerome, a member of St. Luke's, and his sixth grade Sunday school class

will lead the Junior Church in song and discussion.

August 13: Mr. and Mrs. Gene Lockwood from Oakton Community College will tell about life in India.

August 20: Mrs. Brigadier William Dixon of the Salvation Army will do a special program for our children.

August 27: Mrs. Jim Bradley of 7756 Nora, Niles, a member of St. Luke's will do a flannelgraph story from the Bible.

September 3: Mr. and Mrs. Robert Thornbloom, missionaries on furlough will talk about their work in Zaire, formerly the Congo.

The public is welcome to come and join us in our Junior Church. Child care and primary departments will continue through the summer. The Junior Church as well as Sunday worship begins at 10:00 a.m. during the summer schedule.

CHURCH & TEMPLE NOTES...

Beth Ami Has New Rabbi

Congregation Beth Ami is pleased to announce that Rabbi Byron L. Sherwin has consented to accept the pulpit as permanent Rabbi of Congregation Beth

Ami. The Officers and Board of Directors have had numerous meetings with Rabbi Sherwin, and have found his religious philosophy to be consistent with the or-

Delivers Bar Mitzvah Speech in Sign Language

The recent Bar Mitzvah of Mark Engel, son of Mr. and Mrs. Howard Engel, 7931 Maple, Morton Grove, at the North-west Suburban Jewish Congregation, 7800 Lyons ave., Morton Grove, was a most unusual Bar Mitzvah. Because Mark has friends who are deaf, he delivered his Bar Mitzvah speech in both English and sign language simultaneously. It was the first time that sign language was ever used by a hearing person in a Bar Mitzvah service.

The theme of Mark's speech was that everyone is beautiful in their own way. It was a beautiful and moving experience for all who attended. Mark learned the language of signs.

The theme of Mark's speech was that everyone is beautiful in their own way. It was a beautiful and moving experience for all who attended. Mark learned the language of signs.

Northwest Suburban Jewish Congregation

Northwest Suburban Jewish Congregation will dedicate the new Bar Mitzvah on Friday night, June 30 at 8:15 p.m. The entire congregation is invited to attend this important milestone in the Congregation's history and to participate in the stirring ceremonies including the Traditional Torah procession to install the Holy Scrolls in the new Ark.

The new Chapel which was built entirely by the Men's Club and was put to use on June 11 at the morning Shachrit service. The chapel will continually fulfill its function for daily minyan as well as other religious functions catering to small groups. The chapel as planned

original precepts upon which Congregation Beth Ami was founded. Rabbi Sherwin, in addition to his training at the Jewish Theological Seminary, is a graduate of Columbia's College of Arts and Sciences and received both his Master of Arts (Philosophy) and Ph.D. (Philosophy) from New York University. Also, Rabbi Sherwin is a member of the faculty at the Spertus College of Judaica.

In the coming weeks, Congregation Beth Ami will hold a "Meet Our Rabbi" social event.

Congregation Beth Ami is now registering children for Sunday School for 1972-73. For more information about Sunday School, please call Mrs. Deborah Wilner at 677-0177 or the Synagogue office at 967-6960.

Also, Congregation Beth Ami, which sponsors the Morton Grove Community Hebrew School, will provide free for each child of a member enrolled in the Hebrew School, a seat for the High Holidays. High Holiday Services will be held at the Seven Eagles Restaurant in Des Plaines. For more membership information, please call Burt Lichterman at 729-5524 or the Synagogue at 967-6960.

and about the specific problems of Jewish deaf from Gerald Stein, 7927 Maple, Morton Grove. Through Gerald Stein, Mark met Rabbi Douglas H. Goldhamer of Congregation Bene Shalom of the Hebrew Association of the Deaf of Chicago, 5959 Sheridan rd., Chicago.

This unique Rabbi and congregation make it possible for Jewish deaf to worship and participate in the same activities as those enjoyed by the hearing Jewish community. This past year, Mark gave mini-courses on the subject "World of Deaf Children" for his classmates at Apollo School, 10100 Dee rd., Des Plaines, Illinois.

by the Men's Club will be furnished in a way that enhances its sanctity and inspires a feeling of reverence in the worshippers.

Such furnishings include wall paneling, stain glass windows, carpeting, permanent seats, and beautifully religious ornamentation. The Sisterhood is furnishing the library.

Saturday morning at 9:15 a.m., July 1st, Robert son of Mr. and Mrs. Howard Markin will be Bar Mitzvah and at 6:00 p.m., Jeffrey son of Mr. and Mrs. Marshall Feld will be called to the Torah for his Bar Mitzvah. Rabbi Lawrence H. Charney and Cantor Gidon A. Lavi will conduct the services.

**How to hide the fact
that you're away on vacation.**

You could ask your next-door neighbor to come in and switch on a lamp. But that's tough on him if you live in the country. And if you live in the city, you may not even know your neighbor. Besides, who'll turn it off?

Install an electric timer instead. Even better, install several. By now an average burglar is wise to the lamp that goes on at dusk and goes off at bedtime. Especially if the performance is confined to one room

and lasts two weeks. It will take him much longer to figure out the living room lamp and the TV or radio going on at dusk and off at 10:40. And the bathroom light switching on from 10:30 until 11:00. And the bedroom reading lamp from 11 until 11:30. And if the kitchen overhead switches on at 2 a.m. for 15 minutes, he'll never figure it out.

Added advantage: this tricky timing uses about the same amount of electricity as one steadily burning lamp.

And for extra area protection anytime, an electric eye to light up your yard automatically from dusk till dawn, so you can see everyone who approaches your home. Give your neighbor a break and just let him collect the mail and read your magazines.

Commonwealth Edison
concern for your total environment

CHURCH & TEMPLE NOTES...

St. Luke's

July 2 will be the first Sunday of the summer schedule at St. Luke's United Church of Christ, Shermer at Harlem, Morton Grove. Worship and Junior Church will begin at 10 a.m. instead of the traditional 11 a.m. The Rev. John P. Jewell, Jr. will speak on the topic "The Decline of the Institutional Church" during the 10 a.m. service of worship. Mr. Andy Jakes, 9400 Octavia, a member of St. Luke's will do a presentation on the flag for the Junior Church. Child care is available.

Lutheran Church of Resurrection

Summer worship service at the Lutheran Church of the Resurrection, 8450 N. Shermer rd., Niles, will be at 9:30 a.m. each Sunday during July and August. There will be a special program for children through 4th grade including movies and talks of special interest to the youngsters.

First Baptist Church

Pastor Roger McManis will deliver the sermon at the 11 a.m. service in the First Baptist Church of Niles, 7339 Waukegan rd., on Sunday, July 2.

Sunday School classes for pre-school, grade school, high school ages, as well as adults will be held at 9:45 a.m.

Sunday Evening worship will be held at 7:30 p.m. The Youth Group and Youth Orchestra will meet at 6:30 p.m.

Wednesday Evening worship will begin with prayer service at 7 p.m.; followed by Bible Study at 7:30 p.m.; Mixed Choir practice at 8 p.m. and Ladies Choir practice at 8:30 p.m.

Care for babies and toddlers will be provided at all services.

It's a Great Place to LIVE.

Edison Park Lutheran Church

The summer Sunday school program of Edison Park Lutheran Church, Avondale and Oliphant avenues, Chicago, will feature three exciting, moody science films on the first Sunday of each month during the summer at 10:00 a.m. in the south assembly hall of the church.

These films will appeal to both children and adults. On July 2, Time and Eternity will be shown. This film, in the fourth dimension, is both beautiful and terrifying. On August 6, Windows of the Soul, a film showing the wonder and mystery of the senses and how beautifully these sensory organs are designed to make life possible on this earth will be shown. On September 3, Voice of the Deep will take the viewer on a trip beneath the sea to discover many strange facts about a little-known world.

The 10:00 o'clock showing will permit families to worship together at either the 9:00 or 10:45 services and yet participate in viewing these relevant films produced by the Moody Institute of Science.

Come to worship with the whole family and stay 30 minutes more or come 30 minutes early. Everyone is cordially invited to attend.

Niles Community

Sunday worship will begin at 10 a.m. on July 2 at the Niles Community Church, 7401 Oakton st. Church School classes for Nursery - Kindergarten and Grades 1 - 2 will be conducted concurrently with the worship service. Care for toddlers thru 2 year olds will be provided. All youngsters Third Grade and older (as of this spring) are to attend church with their parents.

Church activities during the week of July 3 will include: Thursday, 7 p.m. - Junior Choir rehearsal, 8 p.m. - Senior Choir rehearsal.

YOUR HOUSE PLANS SHOULD INCLUDE OURS

The best plan to protect that new home of yours is a State Farm Homeowners Policy... the low-cost package of protection that provides broader coverage for your home and belongings and for you, in case of lawsuits. So call me today and find out how you can protect your new home from the ground up!

Concidine Retirement

District 207 Superintendent of Schools Richard Short (center) and Assistant Superintendent Ralph Frost (r.) reminisce with retiring Maine East faculty member Gerald Concidine and his wife at a recent retirement reception at Maine East. Mr. Concidine has taught in District 207 for 27 years.

ND Teacher Publishes Text

David Coynik, director of the film study program at Notre Dame High School in Niles, has published a new textbook for high school and college use. The textbook, entitled "Film: Real to Reel," is designed for high school and junior college courses in film appreciation.

Coynik, who has studied film at Northwestern university, the University of Notre Dame, and Eastbourne college of Education, Sussex, England, holds a master's degree from Northwestern and has done graduate work in film and education at that school. He has taught in Notre Dame High School's film department for 4 years. From his experience at Notre Dame High School, one of the pioneers in the rapidly-developing film study field, Coynik devised a 13 step program in film education, which is followed in his text.

Appoint Hynes Principal

The District 67 (Golf) Board of Education appointed Harry Trumfio, as principal of Hynes school. He will succeed Catherine Carroll, who is retiring.

Mr. Trumfio is a graduate of Loyola university and has a Master's from Northwestern. He was formerly a language arts teacher

in the Glenview schools, a guidance counselor for the East Maine District, assistant principal of the Gemini Junior High of that District. Currently, he is Director of Pupil Services of the Mt. Prospect schools.

Mr. Trumfio, 31 years of age, is married, has two children and resides in Mt. Prospect. He will begin his work at Hynes on Aug. 1.

Dr. Dolan Named Oakton Group Chairman

Appointment of R. Edmund Dolan as chairman of Group I of Oakton Community college was approved by the Board of Trustees recently.

Dr. Dolan is now employed by Oakton Community college as associate professor of student development. He will succeed Len Holstad who has served as chairman of Group I during the 1971-72 academic year.

The faculty at Oakton Community college is organized in groups or clusters of approximately 30 teachers rather than into traditional departments based on subject matter. Each group constitutes a kind of "college within a college" or mini-college, made up of teachers who have been assigned according to their teaching methods, not by what they teach. There will be 4 groups or clusters at OCC during the 1972-'73 academic year.

Class '75 Officers

Class of '75 officers at Maine East. (l.-r.) President, Eda DiPrima of Morton Grove; treasurer, Patti Laman of Morton Grove; vice-president, Randy Yaffe of Des Plaines; and secretary, Leslie Leske of Niles.

Boosters Present Check

John Maloney (r.), president of the Maine East Athletic Boosters, presents \$2,000 check to District 207 Board of Education president William Wuehrmann (l.) and District 207 Board of Education member Roy O. Makela (center) as part of a four year project on the part of the Boosters to relight the Maine East football field.

John Maloney, president of the Maine East Athletic Boosters, presented a check for \$2,000 to District 207 Board of Education president William P. Wuehrmann on May 15 as part of a four year project on the part of the Boosters to relight the Maine East football field.

The project is scheduled to begin by June 1 of this year so that Maine East teams will be able to take advantage of the new lights during the 1972 sea-

son. The relighting will raise the present lighting candle power from 6 to approximately 50.

The Maine East Athletic Boosters are proposing that they will raise the necessary funds, which amounts to approximately \$20,000, to accomplish the relighting job. The Boosters hope to reimburse the Board of Education for the expenses over a period of four years or less.

Flashlights with 199'er Accounts

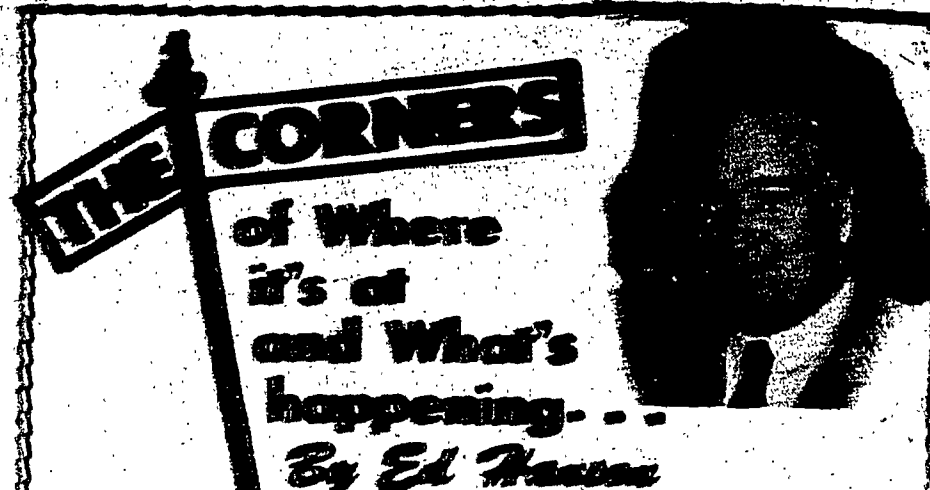

Des Plaines National Bank is offering a free purse or pocket flashlight to customers opening 199'er checking accounts at the Lee and Hillwood banking center.

The handy flashlight is perfect for reading theater programs, searching for keys, finding the lock, etc., and is so small, it takes up little room in pocket, purse or glove compartment.

Des Plaines National's 199'er Personal Checking Accounts are handy, too, because they offer all the convenience and prestige of ordinary personal checking accounts ... but with no maintenance charges, as long as a balance of \$199 or more is maintained in the account throughout the month.

There is no limit on the number of checks that may be written, or on the number of deposits made each month with the 199'er so DPNB staff members say, "Check into the 199'er FREE Checking Account, and get a free flashlight today."

Take stock in America.
Buy U.S. Savings Bonds

About banks, babies, booms ... and banana splits ...
... an Edney's ...

Bankers are men who take an interest in their work. So do I. In this edition I point with particular pride to The Eagle newspaper's financial section in which most of the areas leading financial institutions participated.

And I express my thanks to them for their cooperation for they are all a splendid caliber of people to work with. In fact, The Eagle newspaper's plan two financial special sections each year; one at the end of June, the other the end of January.

And while in one bank the other day I heard a woman saying to a bank teller, "I want to make this withdrawal from my husband's half of our joint account."

And in another bank I overheard a woman telling a teller, "Very well. If you think I'm overdrawn I'll just have to cash it somewhere else."

(Or can you cash a check for \$68 in six bills but no one dollar bills? (Answer at end of column).)

My second wife (Gina) used to love the river because it was near the bank. In fact, she worried the very ground that I owned.

What this country needs is a baby boom. No kidding, the economy is directly related to babies. According to "Business Comment", "The declining birth rate has sent demographers scrambling for explanations and caused a growing number of businesses, government planners, and "quality of life" organizations to question whether recent trends represent a transitory or lasting influence on this nation's socio-economic structure."

You see, the U. S. birth rate has dropped to "depression" levels. It was taken for granted that the large number of children born in the post-World War II period would begin to produce another bumper baby crop 20 years later. This upward was expected to begin about 1966 and continue climbing rapidly then the 1970's. Instead, births declined from 1968 thru 1969. In 1971, births totaled 3.56 million — the second lowest number of babies born in any year since 1946. According to "Business Comment", attempts to explain the failure of the baby boom have been inconclusive. Some economists cited the large number of young men serving in Vietnam in recent years. Other economists blame the 1969-70 recession. Still others claim that a change in attitudes toward marriage and childbearing have inhibited population growth.

A 1971 Census Bureau study found 51% of women aged 20-24 were not married, compared to 40% in 1960. (I discovered of all married people, 51% are women). However, top economists agree that while markets for children's items may be dampened, the declining birth rates have given women more time for work, study and play. Thus, economists conclude the demand for goods and services for women may be enhanced by the continuing slow rate of "population" growth.

But business is going to boom in the last half of this year. You can make bank on it. And the one bank that has been any executive is the VOLUME of business.

And one guy who does a VOLUME of business because he must have read the book is genial Jake of JAKE'S RESTAURANT, 7740 Milwaukee Ave., Niles, Ill., will release those balloons July 1st with \$2 to \$5 in trade in 'em. Catch one, and with Jake's low prices, you'll be able to eat for a week.

Speaking of eating something delicious, I had a banana split at ARVEY'S RESTAURANT, 7401 Oakton, Niles. This has got to be the greatest Ice Cream Creation in all creation! Arvey's is the candy man — take my advice and try one of those gigantic banana splits — it'll take you an hour to finish it — it's that huge "an good!"

See "Something Different" at the Old Orchard COUNTRY CLUB Theatre, 700 W. Bond Rd., Mt. Prospect last week. It's a fabulously funny play. Both my gal friends called it hilarious — and one is — of all things — a lady disc jockey — the other, Sybil's mother —

"Booby", I says to that famed proprietor of BOOBY'S CHARCOAL RIB, 8161 Milwaukee Ave., Niles, "Gimme a good 'rib' for my column. "Sure", Booby say, "there may be a destiny that shapes our ends, but our middles are of our own choosing". (See BOOBY'S BIG AD) — this issue.

ANSWER TO THE \$63 CHECK QUESTION: A fifty, a five, and four dimes —

Tired of dragging along your passbook on every trip to the bank? ... no need to at First.

Passbooks are not only inconvenient but also misplaced and often lost. That's why the First National Bank of Des Plaines replaced passbooks years ago with convenient computerized statements, mailed to you at the end of each quarter with interest automatically added. You don't have to worry about dragging along your passbook every time you go to the bank or even worse, losing or forgetting to bring it. Your

signature on deposits and withdrawals is all you need, and you receive a copy as your guarantee of safety. When you save by mail, there's no passbook to send in, and we pay postage both ways. You can even request automatic transfers each month from your checking to your savings accounts. Ever tried to do that with a passbook?

The way you manage your money has changed a lot today. First National realizes this and offers you a convenient Statement Savings Account. It's a much more convenient way to save. Stop in and see.

Named Training Manager

Martin J. O'Grady, 34, of 8441 N. Ozark Ave., Niles, was recently named training manager for the 11-state mid-continent region of the Prudential Property and Casualty Insurance Co. (PRUPAC).

Mr. O'Grady, a 1960 graduate of the Notre Dame High School for Boys, Niles, was graduated from Loyola University in 1964 with a B.S. degree in psychology. In 1967, the university awarded him a masters degree in education. Earlier this year, he received a certificate in general insurance from the Insurance Institute of America.

Mr. O'Grady and his wife, Carol, are the parents of 3 young children.

On Wednesday, December 16, 1970, Pioneer completed its fifth year in solar orbit. It has covered 3,000,000 miles and has filed 700 miles of analog data tape since its launch in 1965. Now, the National Aeronautics and Space Administration believes that the satellite, which had a planned life of six months, can

serve as a reference point by which manned spacecraft, now work stations can locate themselves precisely on earth. This is possible, reports the author, because, although the spacecraft has not made an orientation maneuver since 1965, it acts as a small planet completely subject to solar system gravity.

First National Bank of Des Plaines Ranks Among Nation's Largest

By Ed Hanson

First National Bank of Des Plaines now ranks in the top 50 of the nation's banks according to size. Now with assets of more than \$1.3 billion, the bank of the First National Bank of Des Plaines is that of a bank of the future.

Now in its 60th year of operation, a few old timers can remember when the bank first opened its doors in a modest little frame building on Miller street with assets of but \$61,000. Business prospered, however, and the next year the bank moved to larger quarters at 1490 Miller street. And now, as in the past, the First National is suffering from growing pains and plans for even larger quarters have been finalized.

Among members of the original board of directors in 1913 were Arthur L. Webster who served as the bank's second president (succeeding Joseph L. Jefferson, the first president), Harry J. Bennett, a vice president and former Des Plaines mayor; Oscar Fisher, Niles Elevator Company; Henry E. Ely, prominent lawyer; Henry Goede, Des Plaines farmer and Louis Schlegel, who operated the Spleeter department store. Today the store is still run by his sons, one of whom, Louis C. Spleeter, is a current member of the bank's board of directors.

The First National Bank of Des Plaines continued its record of growth and expansion under Webster's leadership. He and James Lawrence took over as bank president in 1949. Highlighting his years as president was the third expansion move of First National to its present quarters

Arthur R. Weiss, President
First National Bank of Des Plaines

On January 28 of this year Arthur R. Weiss became First National's fifth president since the bank's founding in 1913. Weiss was born in Chicago, and joined the First National as auditor in 1957. He was promoted to cashier in 1963 and named a vice president in 1965.

Following two and one-half years military service in the Army Air Corps during World War II, Weiss graduated from the University of Wisconsin in 1949. He entered banking as a national bank examiner, a post he held for several years. He is a graduate of the Chicago Chapter of the American Institute of Banking and the Graduate School of Banking at Madison.

Long identified with and active in civic and community organizations, Weiss is a former treasurer of the Des Plaines Junior

Chamber of Commerce, past treasurer and current member of the Chamber of Commerce, present member and vice president of the Des Plaines Lions Club. He recently served a 3 year term as board member of School District 02 and has been a director of the Des Plaines Community Chest.

Weiss is a director of the Boy Scouts Northwest Council. His professional memberships include Robert Morris Associates, a national association of bank credit and loan officers.

In 1957 Weiss married the former Mary Jane Voss, a graduate of Marquette University. Following a career as elementary school teacher, Mrs. Weiss has continued her interests in educational pursuits. She is a member of the American Association of University Women, program chairman of the Des Plaines Cumberland School PTAs and chairman of the Citizens Committee engaged in the development of Oakton Junior College. Mrs. Weiss is a present director of the Des Plaines Community Chest.

Weiss, his wife, and two children, Jimmy and Peter, live in Des Plaines and are members of St. Emrys Church. Weiss is a member of the Park Ridge Country Club.

At a symposium held May 31, at the Sheraton-Hare Hotel, called, "The Year Ahead...prospects and pitfalls" Weiss introduced the impressive list of guest speakers. This symposium was attended by more than 150 of the area's leading industrial and business executives.

An interesting facet of the First National Bank of Des Plaines operation is that the bank is more than 60 years old, its officers have an average age of but 41 years.

One could say, "The First National Bank of Des Plaines is an old bank with young ideas."

Real Estate Tax Distribution

Cook County treasurer Richard J. Korzen said today that his office has collected and distributed \$785,826,583 in real estate taxes.

This figure represents 56 per cent of the county's total real estate tax billing of \$1,402,570,700. Korzen said. The first installment of the real estate taxes was due June 1. The second installment is due September 1.

Of the houses collected, \$220,896,500.27 was paid by taxpayers in the city of Chicago and \$564,930,082.33 was paid by taxpayers in suburban Cook County.

Korzen said that his office has also collected and distributed \$176,003,534 in corporation personal property taxes. Personal property tax payments were due in one payment, on June 1.

Korzen said that through the use of modern electronic equipment and computers, his office was able to make daily distributions of the collected tax monies to the various city and suburban taxing bodies.

He urged taxpayers to make their September 1 installment

payments as soon as possible so that further tax distributions can be made. This enables the various county taxing bodies to retire their tax anticipation warrants early, thus realizing a savings to the taxpayers.

Student Award

Maline East senior Ron Friedman of Niles has been selected as a national finalist in the 1972 Explorer/Pease Co. Space Settlement to be held at the John F. Kennedy Space Center from July 16-22.

The 51 participants were selected on the basis of scholastic achievement, leadership ability, and an essay entitled "Man and his Future in Space." The essay was submitted through the Boy Scouts of America.

Ron is the national winner. Only one student is selected from each state.

NU Graduate

Walter E. Zawicki, son of Mr. and Mrs. Walter Zawicki of 8517 N. Ozark, Niles, will receive a Master of Management Degree from Northwestern University's Graduate School of Management in June. The M.M. degree is part of the school's "Coordinated program in management education," according to Dean John A. Burr.

Scholarship Winner

Michael Schreiber, a senior at Niles West High School, was selected as the 8th Birth Sports Lodge recipient of the Bloom Kowler scholarship. The \$600 award is renewable for each year to a total of \$2400 for tuition only.

Schreiber lives at 8814 Parkside in Morton Grove.

CHECKING ACCOUNTS TAILORED TO YOUR NEEDS

Take stock in America.
Bonds are a safe way to save.

We have them for only a short time. You can have them forever.

Once upon a time (a couple of weeks ago) to be exact, a man came to our door. He said he had something to show us. Whereupon, he reached into his bag and withdrew a brilliant handful of shimmering, shimmering, icy white gems. "Fantasia Gems," he called them. He said no one but us had ever seen Fantasia Gems before. Rings, pendants and earrings danced with fiery lights.

"Do you want us to store these?" we said. "No, I want you to offer them to your customers," he said. "But we're a bank," we retorted. "You're absolutely right," he added. "That's exactly why I want you to offer my Fantasia Gems. I think people should save. And with my new Fantasia Gems I have the opportunity of

rewarding them for doing so. I will allow you to offer my Fantasia Gems, for a short time mind you, at a generously reduced price, to anyone who puts a certain amount of money into a Savings Account. "Do you think a \$100 deposit would be proper?" we murmured. "Good and proper," said our Fantasia Gems friend.

And so we have them here. For a short time mind you. Beautiful simulated diamonds with a lifetime guarantee in handsome 14-carat gold settings. Engagement rings, cocktail rings, men's rings, earrings, pendants. And now any one of them is yours to keep at a fraction of the retail price, with a \$100 deposit in a Savings Account. If you think this is a fair trade, come in and see for yourself. You'll most certainly agree, that while Fantasia Gems are here, we're the world's most beautiful bank.

Cancer Benefit at Thillens

On July 3, the Arnold Greenberg Memorial Fund will be hosting a variety of 5 games at Thillens Stadium, Devon and Kedzie avenues. The event will begin at 11 a.m. with two boys' baseball games and continue until 8 p.m. with 3-16 inch men's

softball games.

The proceeds of \$1,50 for adults and 50¢ for children will go directly to their scholarship fund.

Other worthwhile organizations desiring to use the Thillens Stadium facilities free of charge are to call 743-5140.

Oakton Signs Lease for 5th Building

College officials signed an 8-year lease today for a fifth building on the interim campus of Oakton Community College. The two-year public community college is located in a former industrial complex at Oakton and Nagle in Morton Grove. Final remodeling plans will be presented to the Board of Trustees by the college architects at the regular meeting on Tuesday, June 6.

Bids for remodeling the building will be solicited in June. Remodeling will be multi-phased. Phase 1 will be completed during the 1972-73 school year and the second phase for 1973-74. The building will house facilities for physical education, drama, fine arts and vocational-technical laboratories. Nine classrooms will be constructed and there will be a drama workshop and a large area for such physical education activities as basketball, gymnastics and wrestling. There will also be space for music education with small, sound-proof practice rooms as well as offices and conference rooms for students and faculty.

Plans also call for a student lounge and food service area. Additional parking facilities, though limited, will also be provided.

The building will add 30,000 sq. ft. to existing interim facilities.

The college will also gain eight additional classrooms with the remodeling of space in Building 2 now occupied by the administration offices of Niles High School District 219. This will give OCC 10,000 sq. ft. of additional classroom space.

Many of the new facilities will be completed in time for the Fall term and others in Phase I will be utilized as they are completed during the school year.

Almost 2,400 students attended OCC this Spring and enrollment for 1972-73 is anticipated to increase substantially. The two-year-old college began classes at the temporary site in September, 1970, with 832 students.

OCC will now occupy five of the six buildings in the former Cook Electric Co. industrial complex at 7900 N. Nagle. Officials estimate that the expanded facilities will enable the college to serve temporarily the full and part-time enrollment of the immediate future.

The interim campus facilities are temporary and expedient, they point out, and are not planned to meet the long-term enrollment and educational needs of the college.

St. Olaf Graduate

Outdoor commencement exercises were held for some 540 St. Olaf college graduates on May 28.

Included among the 533 members of the class of 1972 was: Thomas H. Cartwright, 5847 Washington, Morton Grove, Magna Cum Laude.

College officials signed an 8-year lease today for a fifth building on the interim campus of Oakton Community College. The two-year public community college is located in a former industrial complex at Oakton and Nagle in Morton Grove. Final remodeling plans will be presented to the Board of Trustees by the college architects at the regular meeting on Tuesday, June 6.

Bids for remodeling the building will be solicited in June. Remodeling will be multi-phased. Phase 1 will be completed during the 1972-73 school year and the second phase for 1973-74. The building will house facilities for physical education, drama, fine arts and vocational-technical laboratories. Nine classrooms will be constructed and there will be a drama workshop and a large area for such physical education activities as basketball, gymnastics and wrestling. There will also be space for music education with small, sound-proof practice rooms as well as offices and conference rooms for students and faculty.

Plans also call for a student lounge and food service area. Additional parking facilities, though limited, will also be provided.

The building will add 30,000 sq. ft. to existing interim facilities.

The college will also gain eight additional classrooms with the remodeling of space in Building 2 now occupied by the administration offices of Niles High School District 219. This will give OCC 10,000 sq. ft. of additional classroom space.

Many of the new facilities will be completed in time for the Fall term and others in Phase 1 will be utilized as they are completed during the school year.

Almost 2,400 students attended OCC this Spring and enrollment for 1972-73 is anticipated to increase substantially. The two-year-old college began classes at the temporary site in September, 1970, with 832 students.

OCC will now occupy five of the six buildings in the former Cook Electric Co. industrial complex at 7900 N. Nagle. Officials estimate that the expanded facilities will enable the college to serve temporarily the full and part-time enrollment of the immediate future.

The interim campus facilities are temporary and expedient, they point out, and are not planned to meet the long-term enrollment and educational needs of the college.

St. Olaf Graduate

Outdoor commencement exercises were held for some 540 St. Olaf college graduates on May 28.

Included among the 533 members of the class of 1972 was: Thomas H. Cartwright, 5847 Washington, Morton Grove, Magna Cum Laude.

The North Shore's Fastest Growing Financial Institution

Glenview Guaranty Savings and Loan announces growth of over 40% in financial resources for the past year. They attribute this to a progressive economic outlook evidenced not only by the payment of the highest savings interest rates in the country, but

also a unique approach to personalized service. Glenview Guaranty Savings is one of the few financial institutions that has recognized the important role played by women in the economy. Women's knowledge of budgeting and family financial

planning has been brought to bear by two prominent local business women serving on the Board of Directors. In addition to several women executives in the firm, Mr. James V. Matasso, Financial Vice President, is pleased that Glenview Guaranty Savings is playing an important part in making the North Shore suburbs an attractive community. The Association, in addition to offering a variety of high yield savings plans tailored to individual needs, is among the most active in providing funds for the purchase of homes. Mr. Matasso states that constant attention is given to each customer's needs, be it savings or home financing, in order to live up to the Association's basic principal "Big enough to Serve you, small enough to want to!"

Drake U. Graduate

Mary Simek, 7064 W. Kedzie, Niles, bachelor of science in education department from the College of Education, history major, is one of more than 900 undergraduate candidates who received degrees at Drake university's 91st annual commencement.

James V. Matasso Vice President
GLENVIEW GUARANTY SAVINGS AND LOAN

Outlook for the Second Half '72

As we approach the first anniversary of Phase Two of the Administrations Wage and Price Control Program, the results are decidedly mixed, according to Faustín A. Ripal, chairman of the board and Leo B. Blumberg, Jr., president of St. Paul Federal Savings & Loan Association of Chicago.

Corporate profits have improved, but not to the extent anticipated. Inflation has been moderated, but not completely curbed, and government spending continues unchecked. Real income, despite wage controls, has increased, but productivity has not. Most disturbing, the seeds of inflation have not been uprooted and the prospects for a substantial government deficit are very apparent for the 1972-73 fiscal year. Consequently, no one can be certain that the inflation which has eroded the real purchasing power of everyone in the nation has done anything but suffer a mild setback.

The savings and loan business has enjoyed another successful year in terms of net savings inflows, with the excellent savings performance of 1971 continuing through the first half of 1972. The major reason for these extraordinary savings inflows has been the decrease on yields on government securities, whose high yields contributed so greatly to the dis-

appointing savings performance of 1969. In addition, it seems to us that savings flows have been aided by a general public disinclination to spend as heavily as they had in the past and also by some disenchantment with the stock market. For 1972, the public has saved approximately 8% of its disposable income, which is an extremely high figure by comparison by prior years.

These excellent savings flows have resulted in an extremely good supply of mortgage money and as a consequence, mortgage rates have declined from approximately 9% to a range of 7 to 7-1/4% on the typical 80% loan to value ratio residential mortgage. To a certain extent, these lower mortgage rates have resulted in a profit squeeze in the savings and loan business, since an ever increasing percentage of new money attracted by the savings and loan associations is placed in 6% certificates. Thus, the overall cost of money rises very quickly, while the yield on the mortgage portfolio increases quite slowly. It would appear that for the balance of 1972, savings flow will continue to be excellent and there will be a good supply of mortgage money available.

We do not feel that long term rate stability will prevail very

long into 1973. A substantial budget deficit will force the government to go to the market in order to obtain funds, since only a small percentage of the deficit will be recovered through tax increases.

As the government begins to issue bills, notes and bonds, which compete with existing and new private securities and also compete with savings and loans and banks for the same dollars, rates on long term obligations, including mortgages, will undoubtedly increase.

Since the trend in construction costs is up, it would appear inadvisable for anyone in the housing market to refrain from a purchase in anticipation of a mortgage loan rate reduction. Present contracts being negotiated with the Building Trade Unions will certainly result in increased prices in the near future. Consequently, it would seem that this would be an excellent time to purchase a home.

Harvard Graduate

On Thursday, June 15, approximately 4400 degrees were awarded at the 321st Commencement of Harvard University. Included was Bruce Walker Johnson, 7024 Maple St., Morton Grove.

WOW.

"WOW!" is the reaction most people have when they learn that savings at St. Paul Federal earn the highest interest rate legally allowed.

We're the biggest financial institution in the wide, wonderful area of western Chicagoland that we call Our Town. And one of the reasons that has kept us growing for the past 83 years is our practice of paying top interest.

Right now, for example, you can get a *guaranteed* return of 6% a year on a Savings Certificate of \$5,000 or more for a minimum 2-year period. Or 5 3/4% on Certificates of \$1,000 or more for a minimum of one year. And even for a

term as short as 3 months, an investment of \$1,000 or more will bring you a

guarantee that you will earn your 6% or whatever — whether the market is up or down or whether the economy soars or slumps.

People speak very highly of our friendliness. Helpfulness. And our full range of other savings and financial services.

You'll find it's as easy as pie to save and earn in Our Town. It takes just a few minutes to come in (always plenty of

parking room and convenient day-and-night hours) and open an account. The formalities are few. The benefits are many. At St. Paul Federal. In Our Town — western Chicagoland.

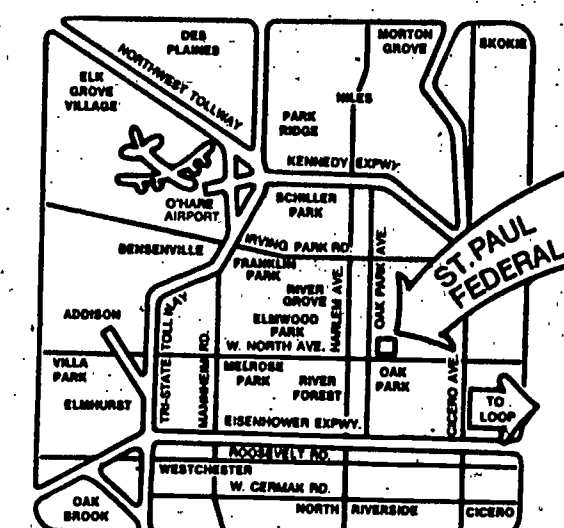

WE PAY 6%

healthy 5 3/4% return. All interest is compounded daily and credited quarterly.

Folks in Our Town also value the 100% safety of their principal. And our

OUR TOWN.

Golf Mill State Bank Progress Report

The \$2 million Golf Mill State Bank Building is taking shape rapidly on the 5 acre-site immediately south of the Golf Mill Shopping Center.

The three-story steel frame has been erected and exterior masonry work has reached the second floor level.

Exterior surface of the building will be brick structure with cut limestone facia and carried throughout the drive-up canopy extending over the six drive-up service lanes. Solar bronze glass and amonized aluminum trim complete the exterior specifications.

The new building will consist of a lower level and three floors

above ground. The bank will occupy the lower level and first floor of the building which has a total of 20,000 square feet of space.

On the main banking floor, there will be ten regular stand-up teller windows along with two new sit-down type teller locations comfortable chairs and conduct their banking business.

In addition, there will be a general lobby area of approximately 3,000 square feet with a Personal Banking Center where customers can discuss banking matters with financial specialists. The walk-up windows will be open extra banking hours at the west end of the main floor lobby.

Facilities in the lower level area including bookkeeping operations, a customer service area, employees' lounge and washroom facilities plus storage and utility rooms.

A bank elevator will service traffic from the main floor to the lower level while building traffic will access to the two upper floors through two stair and tie.

Drive-up customers will enter the six tollway-type motor banking units from the west side of the building off of Church Street and exit onto Davis Street to the South.

Project completion is now set for November of this year.

GOLF MILL STATE BANK ... a bank on the grow!

After ten successful years of doing business at our present Shopping Center location, we're expanding by building a brand new bank handy and nearby to our existing quarters!

Ground has been broken for our new three-story \$2 million bank building that will feature complete motor bank facilities with six auto service lanes.

Construction is underway now at the site—immediately south of the Center. It's about 500 yards away from our present office at the southeast corner of Greenwood and Church Streets. Our Grand Opening will be on or about November 1.

This new building program has been made possible by the contin-

ued support and confidence of our thousands of customers who have helped us grow the past ten years to a bank of almost \$27 million.

For example, as of year-end 1971 our bank deposits reached an all-time high of \$25 million. That's 24% over the previous year's record mark of \$20.1 million!

Loans outstanding at year-end 1971 were 28.9% ahead of our 1970 total. Capital accounts increased by 16.9% in just one year from \$1.1 million to \$1.3 million. That's how it's been ever since we opened our doors in 1961.

We remember those days—when we were still in "knee pants" as a new bank.

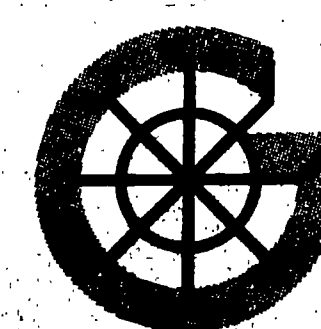

Then, one friend made another friend for us.

That's the way it all started.

That's the way we still grow today.

It's nice to be a growing bank with lots of services and customers to use them. And it's also going to be nice to share with them and all the folks in this area our modern, new facilities in spacious, convenient quarters, when we move in next Fall.

So, as we grow both in size and scope of services, please remember that we always welcome and appreciate your business and invite you to do all your banking at Golf Mill State Bank... a bank on the grow!

St. Paul Federal Savings

What the bride of 1936 wore to her wedding makes interesting conversation between Leo B. Blaber, Jr., president of St. Paul Federal Savings of Chicago, and two of the Association's employees, Linda Soby (middle) and Sherry Vallas. Now on display in St. Paul's lobby are bridal gowns from the various eras going back to the year 1843. St. Paul Federal is located at 6700 W. North ave., Chicago.

Savings Bond Purchases Up

Cook County residents purchased a total of \$23,595,156 in Series E and H United States Savings Bonds in the month of May. This is 7% more than sales for the same month last year.

Sales in the state of Illinois totaled \$35,466,253 according to Clarence S. Sochowski, North Central Market director, for the department of the Treasury's Savings Bonds Division. This is

9.7% more than sales for May 1971.

Illinois sales accounted for 6.2% of the national total of \$513,000,000 and 51.7% of the state's annual quota of \$351,100,000 has been achieved in the first five months. As of May 31, \$56.2 billion in E and H savings bonds and freedom shares was held by individual Americans.

Golf Mill State Bank Marketing Director

Golf Mill Bank announces the appointment of Patrick J. Kelley as Director of Marketing.

According to Leonard W. Happ, vice president of the bank, Kelley will direct the bank's marketing, market research and business development activities while coordinating its advertising and public relations with the bank's agency, Hughes-Martindale and Associates.

Kelly, a native of Glen Ellyn, graduated from Loyola University as a finance major in 1965 and spent two years in the U.S. Army Finance Corps. Upon his return from service, he earned his Masters Degree in Finance from the University of Illinois in 1969.

He then joined American National Bank, Chicago to work in the Commercial Loan Department until early 1971 when he was promoted to Administrative Assistant and Business Development manager for the bank.

K.U. Graduate

Karen A. Zupko, 8521 Lillibet, Morton Grove, graduated from the University of Kansas in the University's 100th annual commencement exercises Sunday, May 21, and Monday, May 22.

Receives Degree

James E. Lesniak, son of Mr. and Mrs. Edward Lesniak of Niles, is one of 750 graduates who received baccalaureate degrees during the 75th annual Spring commencement exercises held at Bradley University in Peoria, Illinois.

Mr. Lesniak was graduated with a Bachelor of Science in electrical engineering degree.

Realtors Display at Bell Savings

Viewing the Northwest Suburban Board of Realtors display at Bell Savings & Loan Association "Weather Bell Corner" are (l. to r.) James R. Kerr, Senior Vice President of Bell Savings & Loan Association; Arthur W. Pienhagen, President, Northwest Suburban Board of Realtors and John L. Markay, Chairman of Publicity Committee for the Northwest Suburban Board of Realtors.

House Approves Federal Revenue Sharing Funds

The House of Representatives has voted to approve federal revenue sharing, and congressmen Abner J. Mikva (D-Ill.) said it could mean a direct payment of \$410,648 to Morton Grove and \$500,408 to Niles every year for the next five years.

He explained that each community would be able to use the money anyway it wanted as long as the funds were spent in three general areas: public safety, environmental protection, and public transportation.

If the revenue sharing plan is approved by the senate and signed by President Nixon, local communities would begin receiving quarterly payments almost immediately. The payments would be retroactive to the beginning of this year and would be in addition to any other federal grants communities already are receiving.

Engis Presidents Assistant

George M. Schimmel, 9220 N. Keating, Skokie, has been named Assistant to the President of Engis Corporation, Morton Grove.

Carry Funds Abroad Safely

Overseas travelers can now enjoy the security and convenience of carrying funds abroad with travelers' checks in three foreign currencies available at the Northern Trust Bank, 50 South La Salle Street.

These checks may be purchased in various denominations of English pounds, German marks, and Swiss francs during Northern Trust's regular personal banking hours, 8:00 a.m. to 5:30 p.m., Monday through Friday.

The foreign currency travelers' checks are widely accept-

ed overseas and will be replaced by American Express if lost or stolen. There is a 1% service charge — the same rate as for U.S. Dollar and Canadian Dollar travelers' checks also available at the bank.

In addition to travelers' checks, the bank sells "tip packs" — small packets with approximately \$11 in the coin and currency of a single country. These packets can be quite useful when the traveler arrives in a foreign country.

MONEY TALKS

Retirement: Will It Be Gloomy or Golden?

By Henry L. Ford
Executive Vice President
NILES SAVINGS

There they were, these two couples, in a Florida night club, at one or two o'clock in the morning. "I found myself calculating nervously whether I could get enough sleep that night—until it suddenly came back to me that I was retired and could sleep as late the next morning as I wanted."

So writes a former executive of General Motors in an article highlighting the positive aspects of retirement.

Retirement is a state of life that faces all of us. Whether we look upon this last age of man as the Golden Years or years of gloom depends upon a number of things we do by way of preparation in our 30s, 40s, and 50s.

It's true that retirement produces drastic changes in one's entire life. For some, it is a shattering experience amounting to solemn withdrawal from the stage of life to await the final curtain. We all know of people who have vegetated while waiting for the Reaper to claim them.

Not for these folks the ringing challenge of the poet Robert Browning:

Grow old along with me! The best is yet to be, The last of life, for which the first was made.

There is much in the view that retirement is a bonus, something that has been earned and is to be enjoyed.

Youth, of course, consigns retirement to a remote future beyond consideration. "I'm constantly amazed," says gerontologist Robert Peterson, "how many youngish moderns casually assume that retirement will take care of itself."

The time inevitably comes, somewhere along our middle years, when thoughts of retirement nudge us. Perhaps it's when Susie says she and the new boy around the house want to get married or when our employers unfold fresh 25-year goals and we realize we won't be on the team when that visionary day dawns.

There will be a moment in the future, we begin to realize, when we will lose our jobs—not for unsatisfactory performance but simply because company rules say we have "had" it. Susie and other family members will have left the home roost, and there will be just the two of us.

We will still have to eat, we'll need a roof over our heads, clothes to keep us respectable, a little left over for the small luxuries we have become accustomed to. How much shall we need? Where will it come from? What shall we do with all the extra time?

Those who think of 65 as sign-off time should realize that when they reach 65, they have an average remaining life of 14.4 more years. If they live these predicted years and reach 79, they can expect to live an additional 7.2 years. And at the ripe age of 86, they can still anticipate nearly five years more.

Success or failure in retirement depends on how well and how soon we plan ahead.

Lutz's Retire from MG Post Office

For these many years, Lill and Bob have worked as a team in the Post Office. Now, they will retire as a team effective June 30. Bob has 36 years of service and Lill has 31 years.

The Postal Service has been good to Bob, as Postmaster, and good to Lill, as Assistant Postmaster and as a supervisor. They have enjoyed the friendship of many Postmaster Generals beginning with Jim Farley. Both of them have been honored beyond their hopes or dreams.

Lill was Secretary-Treasurer of North Shore Supervisors Branch 270 for five years. Then she served as Secretary-Treasurer of the Illinois State Branch of Supervisors for eight years. During that time she established a whole new set of books and records and wrote a new State Constitution. She has also served as local Civil Defense Secretary and as a Board Member on the Skokie Valley YMCA.

Bob was elected Membership Director for Third and Fourth Class Offices in the 30's and served until he entered the Armed Services in 1942. He served as Chapter 6 Secretary-Treasurer for almost a year when Bill Lyon of Niles Center, later Skokie, became ill.

From 1950 to 1954 he served as Nat'l Exec. Committeeman for the National Association of Postmasters. In 1963, he was elected President of Illinois Chapter 6, and in 1964, National President Dave Trevithick appointed him to organize and chair the first National Labor-Management Committee. He served until his health required his withdrawal.

During World War II, Bob served as a Diplomatic Courier for the State Department for a year, and then organized the 14th Base Post Office and trained the cadre in San Francisco for overseas duty. He operated his Base and seventeen A.P.O.'s and Postal replacements and reinforcements for the First, Third, Fifth and Seventh U.S. Armies in England, Ireland, France, Belgium and Germany.

Locally, he helped incorporate the Corporation of Morton Grove Post #134, The American Legion and served as the first Secretary for eight years. He is a Past Commander and worked with the gang that helped build the Legion Post Home.

He is a Past President of the Lions Club and a charter member. Served on Board of Directors, Morton Grove Days, and was the leader of the fight that succeeded

in driving down the price of the original 32 acres of land that is now Harrer Park from \$80,000 which many felt was a reasonable price for the central location, to the final purchase price of \$52,000. Acquisition of that 32 acres permitted subsequent sale of 11 1/2 acres of land on the North End now occupied by Forest Preserve and the Park View School at a net gain of \$17,307, which reduced the cost of the present 20 1/2 acres of Harrer Park to \$34,693.

Helped to organize the Program to Aid Local Servicemen, P.A.L.S. in the early days of World War II. Designed the emblem of that organization which was given to every citizen who contributed to the drive, for display in the windows and on doors of their homes.

He helped organize and was the first Treasurer of the Community Chest of Niles Township which included the Villages of Golf, Lincolnwood, Niles, Skokie and Morton Grove. Organized and chaired the March of Dimes Campaigns of the National Foundation for Infantile Paralysis from 1938 to 1958 except during the war years, during which time Morton Grove many times led the whole Chicago area in high donations per capita.

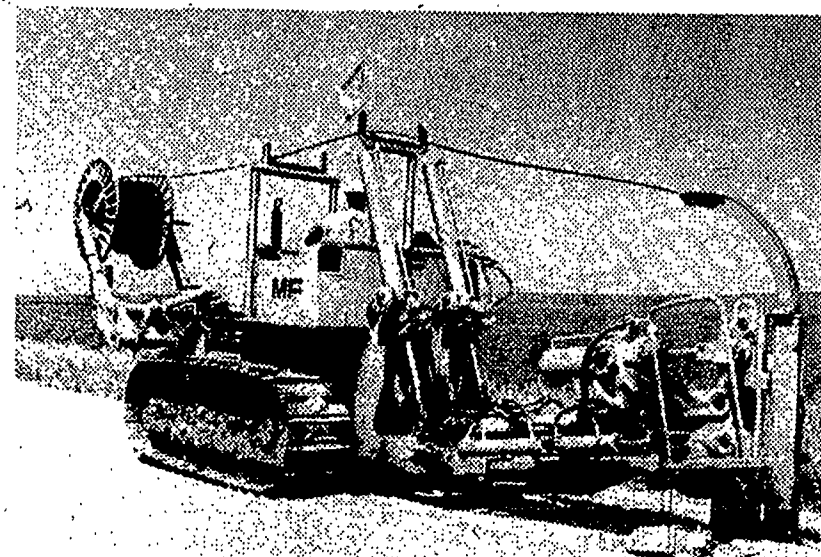

He was honored with the "Brotherhood Award" in March of 1960 and awarded meritorious certificates by the American Legion Post and the Jewish War Veterans Post 700 of Morton Grove.

Served on the Committee that raised funds for Lutheran General Hospital and for a short time was on the Board of Directors of the Skokie Valley Community Hospital.

He assisted in writing and compiling the Zoning Ordinances of Morton Grove and was appointed to the original Board of Appeals as well as the Plan Commission in 1946 by Mayor Max Finke and the Board of Trustees. Assisted in rewriting the complete revision of the Zoning Laws in 1959 and corrected and rewrote the edition that is presently in use. Has served as a member of the joint Boards, Plan Commission and Zoning Board of Appeals, for 26 years and as Chairman for over 13 years.

In almost all of these endeavors, Post Office and local, Lill and Bob have worked and helped each other as a team. They have trained a new postal team to serve in the Morton Grove Post Office. Younger, and with new ideas, they will do a first class job.

Telephone Poles Obsolete

Plow train units like this Northwestern Bell machine are helping rid the landscape of unsightly telephone poles. The Bell System says that virtually all new subdivisions have been serviced with underground telephone lines since 1970. And now Bell is replacing some aerial line with underground cable in rural areas. This unit, a Massey-Ferguson crawler carrying a Kelley ripper, was operating in east central Iowa near Davenport.

Serendipity® Cooker

It's a gourmet kitchen in itself

The Serendipity Cooker can be used as:

- a WOK for preparation of Chinese dishes
- a Paella Pan to prepare this famous Spanish dish
- a Casserole for any bake 'n serve dish
- a Broiler for steaks and chops
- a Roaster for meat and fowl
- a Warmer... a Server...
- a Frying Pan
- or as a server for cold salads or hot d'oeuvres

You'll keep finding new uses for this unique 4-pc. Serendipity Cooker. Put the burner stand on a stove, add the wok and you're set for the Chinese/Japanese method of stir-frying meat, vegetables, poultry and sea food. The large 13" Paella pan is perfect for this famous Spanish dish of vegetables, meat, chicken, sausage, lobster and clams prepared in a rice base. Add the broiler grill to the pan and you're set for broiling. Cover the pan with the wok and you have a convenient size roaster.

This Serendipity Cooker will give you years of service with a minimum of care. The finish will stay bright without polishing and will clean easily in warm, sudsy water. Because it is non-porous, it will not stain, discolor or absorb odors. Let this new Serendipity Cooker

Add gourmet adventures to your life.

POOLS, SIDING, RECREATION ROOM SPECIALISTS AT LIBERTY BUILDERS

Liberty Builders, Inc. and Liberty Pools, Inc., 7400 Waukegan rd., Niles, Ill., have a famed reputation for the superb construction of above ground swimming pools ranging in price from \$500 to \$5,000. They also offer the ultimate in aluminum siding and build posh recreation rooms from as low as \$495 to as high as \$8,000.

Their expertise in their three specialized fields—swimming pools, aluminum siding, and recreation rooms, as well as their other home improvement accomplishments—is well known to thousands of satisfied home owner customers throughout Chicagoland.

Liberty Builders lives up to what they promise and their reputation for high ethics and those extra pluses in both service and quality is well deserved.

This 10 year old corporation employees and works with more than one hundred skilled craftsmen. Donald Levinson is president of Liberty Builders and the firm maintains offices in Springfield, Ill. and St. Louis, Missouri.

Liberty Builders are members of the Chicago Better Business Association, National Remodelers Ass'n., and the Home Improvement Council of Chicago.

They also help support the Bob Doctor Foundation for mentally retarded children and are associated with the Little City Foundation for mentally retarded children.

Liberty Builders are among the largest advertisers in their field using the large daily newspapers, community newspapers and both radio, TV and billboards.

Liberty has been a company "on the grow" since they started modestly in 1962. Their present annual dollar volume of business now exceeds more than \$5,000,000.

Look for Liberty Builders, full page advertisement in the financial section of this issue.

Motor Fuel Tax

Illinois municipalities have been allocated \$3,220,378 as their share of the motor fuel tax paid into the state treasury during May, Department of Transportation Secretary William F. Cellini announced today.

Municipalities and allocations received follow: Des Plaines, \$50,055 and Niles, \$28,361.

Pisano Awarded D.D.S. Degree

Jerome Victor Pisano, son of Mr. and Mrs. Salvatore Pisano of 6927 W. Keeney, Niles, has been awarded the D.D.S. in dentistry in graduation ceremonies held June 10 by Loyola University Dental School, Maywood. He attended Niles Township High school and did his undergraduate studies at Loyola University, Chicago, getting his B.S. degree there in 1968. He was President of his freshman, sophomore, and junior class, student council president his senior year, and was the recipient of the Blue Key (honorary dental society). He plans to spend two years in the U.S. Air Force.

Good Will Award Recipient

Maine East Principal John J. Clouser presented Good Will Awards to 17 Maine East seniors at the June 7 Senior Honors Assembly.

Recipients were Barbara Berthold of Park Ridge, Mark Bondeson of Des Plaines, Guy Buck of Niles, Elaine Carlson of Park Ridge, Valerie Corlas of Morton Grove, Lucia Czernikowski of Park Ridge, James Fujimoto of Niles, Catherine Lasiewicz of Park Ridge, Karen Miller of Niles, David Novak of Morton Grove, Joseph Passarella of Niles, Scott Perlman of Morton Grove, Iltir Sabuncu of Des Plaines, Sandra Sellergren of Park Ridge, Mitchell Thompson of Morton Grove, Linda Weiss of Morton Grove, and Scott Williams of Park Ridge.

UI Honors Program Students

Nearly a thousand new freshmen entering the University of Illinois at Urbana-Champaign next Fall have been accepted into the Edmund J. James honors program for superior undergraduate students.

The 991 who were accepted include: Morton Grove -- Joseph B. Alper, 7337 Lyons st.; Patricia L. Anhalt, 8934 Natoma; David S. Brown, 7838 Foster; Melvin R. Krumske, Jr., 7941 Churchill st.; Joel R. Levin, 7932 Lake st.; Thomas J. Ruppert, 5836 Reba st.; Susan M. Schleffer, 8833 Oleander ave.; Debra J. Stern, Box 31;

Niles -- Philip J. Bergquist, 8403 Bruce dr.; Lynn A. Cain, 7841 Neva ave.; Thomas J. Carabine, 8246 N. Wisner; Barbara K. Hoosline, 8212 N. Osceola ave.; Robert A. Kucera, 8446 Osceola ave.; David H. Levitt, 8945 Washington Un. E.

Knox College Graduate

Students receiving B.A. degrees June 3 at the 127th commencement exercises of Knox college, Galesburg, included Ross Terman, 7633 Churchill, Morton Grove.

He was among 287 students graduating from the liberal arts college in ceremonies at historic Old Main, the only still existing site of a Lincoln-Douglas debate.

On a passenger mile basis, jet aircraft, including the SST, are the cleanest means of transportation—except for the small sailboat, rowboat, canoe, bicycle, and possibly a clean and careful small boy on a coaster wagon.

Skokie Federal's 11 ways to save and make things happen

1. Make it a habit to save some dollars every payday . . . and "take it off the top." In other words, pay yourself first, before you spend.
2. Hang on to all your dimes or quarters. Go through your pocket or purse every night, and set these coins aside for your Skokie Federal savings account.
3. If you're like most of us, you have some regular expense you'd be just as happy without (like smoking?). Put the money into savings instead.
4. Try keeping track of your expenses for just one month. You may be surprised at where your money is going. You can probably eliminate some nonessentials and save that money.
5. When you get a raise, save it. Overtime pay, too.
6. Save at least some portion of any "extra" money you receive—like a bonus, tax refund or gift.
7. If you've been paying on a car or some other "big ticket" item . . . when you've made the last installment, put the same amount monthly into your Skokie Federal Savings account.
8. If more than one member of your family is working, try to save one paycheck, or at least a substantial part of it.
9. Avoid the unnecessary cost of credit buying, by saving ahead. Be prepared for expenses like Christmas buying, vacation trips, tax and insurance bills.
10. Every once in a while, step up your savings program for a month or more. There is always some luxury spending we can cut out temporarily without hurting too much.
11. Leave your earnings in your Skokie Federal account to compound every quarter. Compound interest helps build your balance faster.

Plantation Hotel Features Something for Everyone

Plantation Hotel, Inc., wholly-owned subsidiary of Comprehensive Communities Corporation, a publicly-held (O-T-C) company, based in Margate, Florida, is introducing Kimberly Plantation Estates, an outdoor wonderland in Crystal River, Florida... a community surrounding the \$2.5 Million Plantation Hotel and Sports Resort, comprising a 415-acre complex, featuring 18-hole championship golf course, marina, tennis courts, swimming pool and modern accommodations with 100 rooms... and much more!

Kimberly Plantation Estates features oversize homesites sur-

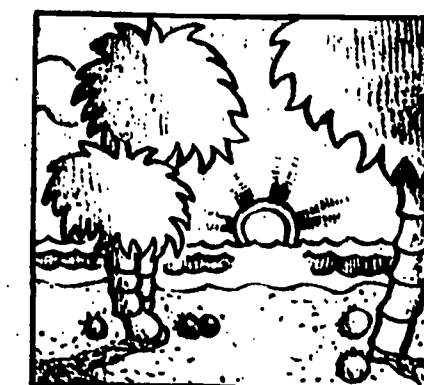

rounding the golf course, in view of the golf course and on carefully designed waterways leading to Crystal River and the Gulf of Mexico.

Homesites are available for an investment in land value appreciation. Also, the company has eleven model homes available for purchasers interested in a primary or second home, featuring two,

three and four bedroom models, priced from \$26,990 to \$49,990, including the award-winning four-bedroom Concord model home, which captured the "Builder's Design Award," "Home of the Year."

Kimberly Plantation Estates is located on U.S. 19, 75 miles North of Tampa and less than an hour's drive from Disney World in Orlando.

When you're thinking of Florida, you're thinking of Ft. Lauderdale.

enjoy more than ample service without having to tip every other person. You can swim in the lap of the tames ocean waves and lounge in the lap of luxury. You can begin to live again in saunas, in lavish rooms with your own color TV and refrigerator, in intimate cocktail lounges, in a freshwater pool with a patio bar. And you can begin forgetting all the familiar mob scenes as soon as you board one of the frequent and uncrowded flights to Ft. Lauderdale International Airport.

If you're not thinking of Ft. Lauderdale and the new Schrafft's Inn, chances are you're not thinking of Florida. But if you are, see your travel agent or call or write us to find out why you shouldn't think twice about Schrafft's.

JULY 4th

makes 11 years that Booby's on Milwaukee Avenue has been in existence -- We've remodeled and enlarged several times, each time to give you more room and to keep the quality of the food the same. We are again remodeling. This time we have no room to expand, but we have been able to put in new equipment that will keep the food just as delicious, but will speed things up.

We hope that with this improved equipment your wait in line will be much shorter. So if you see a long line (we hope), come in anyhow -- it will be only a few minutes before one of the Big Boobs takes your order --

THE CARNIVAL HAS COME TO TOWN

The biggest carnival Morton Grove has ever held, **SALUTE TO AMERICA DAYS** will open Friday evening, June 30 at 6 p.m. Miss Morton Grove Days of 1971 will be at the car booth and later at the Bingo Booth commencing at 8 p.m. Saturday afternoon will feature the young patriots **KIDNIE PARADE** scheduled for 2 p.m. at the swimming pool parking lot. All children in costumes will assemble at this spot for goodies, souvenirs and for judging. The winners will be selected at the car booth after the participants march from the parking lot to the carnival grounds. At 6:30 p.m. there will be the old fashioned water fights which have become carnival tradition.

Miss Morton Grove of 1972 will be crowned on Saturday and her court presented at 8 p.m. on the grounds. The bar will be operated by the Morton Grove Sportsmen's club and will be open for the enjoyment of all. At 1 p.m. Sunday the traditional **SALUTE TO AMERICA PARADE** will assemble at Frontage Road and Central and is scheduled to step off at 1:30 p.m. down Dempster St. past the Reviewing Stand in front of the American Legion Hall.

After the parade, the kitchen under the direction of Tom Vitello will feature a special Sunday dinner including a half fried chicken, french fries, cole slaw, olives, bread and butter for \$1.25. Also free pony rides will be provided for the younger set through the generosity of the First National Bank of Morton Grove and Montgomery Oldsmobile. That evening, the water fights will go into their final stages. At 7 p.m. Miss Morton Grove and her Court will be on hand to greet the crowd.

Attention — At 6:30 p.m. on Monday and for the rest of the evening reduced prices on most rides will be featured (5 for \$1). On Tuesday afternoon from 3 to 8 p.m. there will be a repeat of the free pony rides and at 9 p.m. the giant fireworks display is scheduled to begin. The Morton Grove Days Committee wishes to thank in advance the civic and fraternal organizations, the business community, the many volunteers and the patrons from Morton Grove and all over the North Shore and others who will make this carnival the great success it has always been.

Niles Art Guild

An unusual hobby of wood carving by Nels S. Johanson is the featured program for the monthly meeting of the Niles Art Guild, Wednesday, July 5, at 8 p.m. held at the Niles Recreation Center, 7877 Milwaukee ave., Niles. Born in Southern Sweden, he started whittling animal figures from the bark of trees at an early age. After serving his apprenticeship in cabinet making at the age of 20, he went to Copenhagen, Denmark and studied wood carving while working there. He came to the United States three years later and worked as a cabinet maker and carpentry. He kept up his hobby of woodcarving when he found the time.

He designed and built his own home in Des Plaines and also some of the furniture for his home. He has taught woodcarving at Maine East High School and has given talks to children in the elementary schools showing them how they can learn the art of wood carving.

He has been in shows for the Garden Club of Chicago, Senior Citizens and the Des Plaines Historical Society. He has an annual show at the Unique Boutique, an arts and craft group in Mt. Prospect. Everyone is welcome and refreshments are served.

The Odyssey at Pheasant Run

A new, expanded entertainment policy kicked off at Pheasant Run with the appearance of the Odyssey in the Baker's Wife Lounge. The Odyssey is a comedy and music trio featuring singer, Norm King, Billy Pierce at the piano and Gary Todd who plays drums, banjo and guitar. An area for dancing is being added in the lounge to coincide with the group's opening.

Charisma, a seven piece band which plays Dixieland, old tunes and popular favorites, is currently appearing on Bourbon st. at the St. Charles resort, Dick Sargent stars in the dinner-theatre comedy, "Pierpat" through July 16. Rudy Vallee presents a one-man show in the theatre one night only, Monday, July 3.

Niles Demos Hold Summer Concert July 5

Al Franklin, recording artist of Prestige and Motown Records, will be the featured star of a summer concert to be presented by the Village of Niles Regular Democratic Organization, following their regularly scheduled meeting, Wednesday, July 5, 1972 at the Lone Tree Inn, 7710 Milwaukee ave., Niles, Ill. at 9 p.m., announced Millicent Dachman, president of the organization. Franklin will bring his piano wizardry, combined with a magnificent voice and off beat style, to begin the summer season for

the Niles Democratic group. He has been featured in night clubs around the country and has also written original movies sound scores and orchestrations for some of the countries leading folk music.

Plans are now in the formulating stage for the Annual Roaring '20s dance presented by the club in October with Veda Kaufman, acting as chairman of this year's dance.

The club also hopes to bring to Niles in the near future a debate featuring some of the lead-

ing candidates on the state ticket. Admission to the Franklin concert is free with coffee being served after the meeting. Plan to attend this unique event and bring along a friend. For further information, please call 692-3388.

Plan For Niles Days

This year the Niles Days Committee has planned something a little different. The carnival grounds will open on Saturday afternoon about 1 p.m., as on Wednesday night there will be family type rates Saturday until 5 p.m. Food and soft beverage concessions will be open. The committee is doing this because of the many requests they received.

The prizes for the five day festival are: Radio from Thebault-Braun Company, Cocktails and Family Dinner from Hi Way Club, Basket of Groceries and Wine from Minelli's, Case of Whiskey from Booby's, Black & White Portable TV from Joe LoVerde & Sons, 1972 Plymouth Satellite Sebring Sports Coupe from Golf-Mill Chrysler-Plymouth, Inc.

Raffle books may be obtained at the Village Administration Building or by contacting Ben Mankowsky at 967-6100, June Haase at 967-8482 or Bernadine Reid at 966-9335.

The parade this year as in the past will assemble at the Notre Dame High School parking lot, and will be on its merry way at 2 p.m. to pass the judges reviewing stand and then down to Lawrencewood where it terminates, and winning participants will re-

ceive their awards and trophies. Mark these dates on your calendar, July 19 thru 23 for five fun filled, exciting days of rides, games, prizes and delicious refreshments.

HELP WANTED
Anyone wishing to work at the Niles Days Festival, please contact Ted Tyse at 966-6720.

Legion Cancels Fish Fries, Continues Bingo

The Morton Grove American Legion Post 134 has announced the conclusion of this year's fall-to-spring weekly fish fries. The last one will be held this Friday, June 30.

Weekly Bingo will continue throughout the summer. Bingo is played each Wednesday from 7:30 to 9:30 p.m. Cash prizes are offered.

EIU Graduates

Approximately 1050 students, who are enrolled in courses which will complete their requirements for graduation, participated in Spring commencement ceremonies at Eastern Illinois university. Included was: Kathleen May Dougherty, Morton Grove.

Interfaith Service

On Friday, June 30, congregation B.J.B.E. will join the other reform congregations and many of the conservative in the Metropolitan Chicago area in a special service. This is an interfaith service which will continue in the Sunday services of the churches of the area. This service will be specially written and sponsored by the "Interfaith Religious Action Council."

The Resolution: "to end the war, cut off funds" is as follows: "As members of religious communities, we believe that human life is sacred and that the rights of the individual to decide his own destiny are paramount."

Our nation is now involved in acts of war against people who for over 1/4 century have been deprived of the right to live in security, to plant and reap, and to bring children into a world worth inhabiting. These acts stand against everything our constitution, faith, and conscience teach us and have torn our society apart.

We, therefore, repudiate these acts of war (against ourselves and innocent millions). We demand from the executive branch of our government immediate cessation of the war in Southeast Asia. In addition, we make demands that our elected representatives assert their constitutional obligation to stop the war by all available means including the complete cut-off of all funds furthering the war effort.

Members of the congregation will participate in the original service and the public is invited.

John C. Lasken

In graduation ceremonies at the Naval Academy in Annapolis, Md., John C. Lasken, son of Mr. and Mrs. Chester F. Lasken of 8817 N. Merrill St., Niles, brought a close to four years of intense, formal study.

He received his ensign's commission and bachelor of science degree, and will now serve at least 5 years in the active Navy. The young Naval officer is a graduate of Maine Township High School East.

Lyle G. Kiszonas

U.S. Air Force Sergeant Lyle G. Kiszonas, son of Mr. and Mrs. Bladis Kiszonas of 8927 Ballard Road, Des Plaines, Ill., has arrived for duty at Seymour-Johnson AFB, N.C.

Sergeant Kiszonas, a security policeman, is assigned to a unit of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles. He previously served at Cam Ranh Bay AB, Vietnam.

Paul A. Johnson, Jr.

Navy Petty Officer Second Class Paul A. Johnson Jr., husband of the former Patricia A. Elsh of 5741 W. Keeney St., Morton Grove, is in the Mediterranean aboard the USS Columbus, a guided missile cruiser homeported at Norfolk, Va., and scheduled to be operating with the U.S. Sixth Fleet for the next six months.

Daniel T. Stone

Marine Cpl. Daniel T. Stone, son of Mr. and Mrs. Vernon C. Stone of 7443 Arcadia St., Morton Grove, was promoted to his present rank while serving at the Marine Corps Base, Camp Lejeune, N.C.

A graduate of Notre Dame High School, Niles, and Northwestern University in Evanston, he joined the Marine Corps in September 1970.

Robert J. Griseto

Navy Fireman Apprentice Robert J. Griseto, son of Mr. and Mrs. Joseph Griseto of 7649 N. Oketo, Niles, graduated from recruit training at the Naval Training Center in Great Lakes. He is a 1970 graduate of Maine South High School, Park Ridge.

Academy Graduate

John Lasken, Niles, graduated from the United States Naval Academy on June 7. He received a Bachelor of Science Degree in Aero Space Engineering and was commissioned Ensign in the United States Navy. John will report to Newport, R. I. for Officer's Communications School for 3 months and will then report to his ship the DLG 27, U.S.S. Daniels at Norfolk, Virginia.

Francis P. Williams, Jr.

Marine Pvt. Francis P. Williams Jr., son of Mrs. Dorothy T. Williams of 5629 Church St., Morton Grove, graduated from basic training at the Marine Corps Recruit Depot in San Diego. He is a 1970 graduate of Niles West High School, Skokie.

Donald E. Krauch, Jr.

Airman First Class Donald E. Krauch Jr., son of Mr. and Mrs. Donald E. Krauch Sr. of 9314 Sayre Ave., Morton Grove, has graduated at Keesler AFB, Miss., from the U.S. Air Force communications equipment repairman course conducted by the Air Training Command.

The airman, who was taught installation and maintenance of high-powered ground communications equipment, is being assigned to Vance AFB, Okla., for duty with a unit of the Air Force Communications Service.

John F. Fichtner

Navy Seaman John F. Fichtner, son of Mr. and Mrs. Alphonse C. Fichtner of 8828 Olcott Ave., Morton Grove, has reported for duty with fighter squadron 96 aboard the aircraft carrier USS Constellation in Southeast Asian waters.

He will be assigned to duties as a personnelman. Personnelmen maintain enlisted service records, counsel enlisted men on Navy career fields, training, promotions, educational opportunities and the rights, benefits and advantages of a Navy career. A 1968 graduate of Notre Dame High School, Morton Grove, he joined the Navy in January 1970.

Charles C. Dayment

Navy Hospitalman Apprentice Charles C. Dayment, son of Mr. and Mrs. Clifford C. Dayment of 7342 Carol St., Niles, has completed the Hospital Corps School at Great Lakes.

Hospital Corpsmen assist doctors and nurses in every phase of medical service including X-ray, laboratory work, operating room assistance and general practice.

He attended Maine East High School, Park Ridge, and Harper College, Palatine.

William A. Herman

Marine Sergeant William A. Herman, husband of the former Judith A. Borowczyk of 9230 Greenwood Ave., Des Plaines, participated in "Exotic Dancer Five," a joint-service amphibious assault training exercise at Camp Lejeune, N.C., and the waters off shore.

The special operation involved 50,000 men of the Navy, Marines, Coast Guard, Army and Air Force, and was designed to strengthen their coordination during amphibious attacks.

Thomas W. Smith

Navy Petty Officer Third Class Thomas W. Smith, husband of the former Vallie Powers of 9254 Washington, Niles, took part in the North Atlantic Treaty Organization's operation "Dawn Patrol" aboard the aircraft carrier USS John F. Kennedy in the Mediterranean.

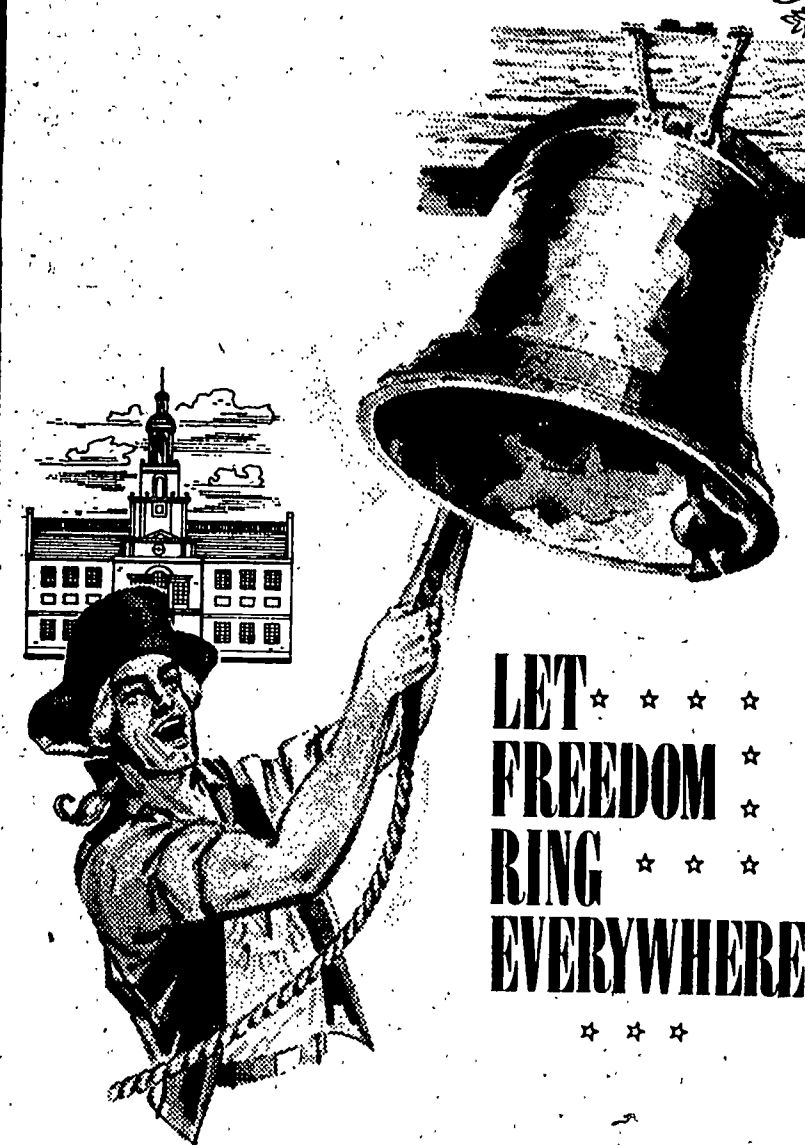

The exercise involved our Sixth Fleet and the navies of eight other NATO nations, and was designed to strengthen allied coordination during combined forces operations.

Larry M. Barron

Navy Petty Officer Third Class Larry M. Barron, son of Mrs. Vivian B. Madden of 9342C Noel St., Des Plaines, took part in the North Atlantic Treaty Organization's operation "Dawn Patrol" aboard the aircraft carrier USS John F. Kennedy in the Mediterranean.

The exercise involved our Sixth Fleet and the navies of eight other NATO nations, and was designed to strengthen allied coordination during combined forces operations.

Cigarette concession at carnival at Dempster and Harlem closed after report was received that youths were taking chances on cigarette booth and their ages were not checked for proper ID by concession manager.
Milwaukee ave. resident reported theft of his bike from his home. Bike described as 26" 5 speed boy's Schwinn, blue frame and blue and white seat.

Gail Guziak Receives Award

Gail Guziak of St. John's School for the Deaf was presented with a United States Savings Bond by the Wisconsin Chapter of Gallaudet College Alumni Association. The scholarship award is given annually to an outstanding student who attends either a residential or day school for the deaf in Wisconsin. Candidates are also required to pass the Gallaudet college entrance examinations and are expected to attend Gallaudet college.

According to Rev. Lawrence C. Murphy, Director and Principal of St. John's, "Gail has been well received by her classmates and the entire student body, having been chosen as President of the All High School Club." Besides being an active leader, Gail has made the Honor Roll for 4 consecutive high school years. Consequently she has been chosen as Valedictorian of her class.

Gail is the daughter of Mr. and Mrs. Adolph Guziak, 8141 N. Oconto, Niles.

Thursday, June 22 ---

Ambulance call to 8219 Newland to transport Helen Nowicki, 86 to Lutheran General where she was reported dead on arrival.

Morton Grove Police Report

Monday, June 19 ---
Car dispatched to 8602 Georgiana ave. where resident complained of untied paper and debris blowing around the neighborhood. Upon arrival officers observed youths removing garbage and debris from neighborhood garbage cans. Officers advised youths of complaints and they agreed to tie up the debris.

....Officers dispatched to Oakton Community College parking lot to assist student Rhonda Howard of Skokie who was locked out of her car. Officer unlocked car and confirmed ownership of vehicle with her father.
Employee of Dempster - Central Service Station reported that while he was alone in station, a beige Toyota pulled up to the east side of the station. One occupant of the car went into the station while the others went into the washroom. When the vehicle left the station, the employee noticed two tires missing from the display rack. No license plate information was reported.

....Officers dispatched to 7400 block of Dempster to investigate fireworks complaint. Upon arrival officers observed youth who stated another lad was responsible for tossing the firecrackers. Boy was notified and warned he would be cited for another offense.

....Officers called to Menard st. residence where they observed one black bird in tree behind home. Later several other birds arrived. These birds came flying into tree, several with food in their mouths and others acting as an escort. Birds attacked any persons who walked under the tree including the police officers. Three rounds from a shotgun were fired into the tree, (all missed the birds) and it didn't seem to scare them off. Appears to be a nest in tree, but unable to locate it.

Tuesday, June 20 ---
Lincoln ave. resident reported loud dog. Officers warned owner to keep animal quiet.
Bibo Edwards reported theft of his boy's 27" Schwinn bicycle, yellow frame which was parked on the side of his home and secured with a lock and chain.
Churchill resident reported youths playing ball in the streets. Officer advised youths to discontinue practice.
Anonymous caller complained of two men selling magazines door to door near National and Beckwith. Upon arrival officers located the two men and advised them of the necessity of registering with the village hall before

soliciting in that manner. They agreed to desist until acquiring proper permission.
Disturbance reported at Waukegan rd. motel. Intoxicated man was source of complaint. Officers persuaded man to return to his room and 'sleep it off.'
Suspicious person was reported by Davis st. resident. Upon arrival resident told officer of man prowling in neighbor's yard and peering into window. Officer was unable to locate anyone.

Wednesday, June 21 ---
Between noon and 1 p.m. unknown person(s) entered Montgomery Olds, 883 Waukegan rd. cut chains which held the color TV in corner of their waiting room and took the set. TV set valued at \$300.

....Marmora st. resident reported theft of bicycle while parked in lot of Sun Drugs. Bike was described as 26" green Schwinn. Witness reported he saw a tan compact car pull up to the curb with three youths in it. One youth jumped out and ran over and took the bike.

....Newcastle ave. resident reported loud car racing down the street. Officers checked, but were unsuccessful in apprehending racers.

Thursday, June 22 ---
Overhill st. resident reported dog running at large in area of Beckwith and Overhill. Resident reported dog belonged to Beckwith st. resident. Resident was contacted and stated her two dogs were in house.

....Moody st. resident reported youths playing ball behind the Parkview School. Due to broken windows, ball playing has been prohibited near school. Youths were advised of the order and agreed to leave premises.
Two runaway Milwaukee, Wis. girls were brought to station by a friend. Their parents were notified and picked up girls.

....Beckwith st. resident reports theft of bicycle from in front of his home. Bike was a 26" boy's yellow racer.

Saturday, June 24 ---
Guest at Waukegan rd. hotel reported unknown vandal(s) had slashed the roof of his convertible auto while in the hotel parking lot. Roof was beyond repair, replacement would be \$175.

....Fernald ave. resident reported theft of six to eight tapes from his car, also stereo tape player and speakers. Vehicle was parked in front of house and equipped with theft proof buttons.
Emerson st. resident reported theft of lawn mower from under his car port.

Harry Jaffee of Dodgers led the hitting against Mets with 3 for 4. Steak got 3 for 4 with 6 RBI's. Gallatz and Fergus got 2 hits. Triggstead walked 4 times. White Sox are 1st to beat 1st place Dodgers. Jim Berg hit a 3 run homer, S. Watts a 2 run homer, and a solo by B. Carbonerra. B. Lapping had 3 hits and drove in 2 runs. The White Sox but hit, out-pitched and out played the Dodgers.

Jets had their hands full against a great White Sox team, jet pitching plus M. Morgan's 3 for 4 at the plate. The clincher was P. Stempinski's 5th inning home run with K. Goczeski on. Fine pitching and fielding by the Cubs stunned the Jets. P. Stempinski suffered an injury early in game causing a lineup change for Jets. Jets tried to catch up but time ran out for them.

Cardinals outlasted Mets in a close game led by Mark Brofan and berg who had 3 hits and Jeff Weiss had a big hit to drive in 3 runs.

Against the Mets, the Indians collected 14 hits, B. Schiffer,

Roy Rogers Braves 8
Uniform Prtg. Expos 5

Gary Amato hurled 4 innings of no-hit ball and Tony Plazzi gave up only 4 hits over the final 3 frames as the Lone Tree Inn Tigers won their crucial game with the Minelli Bros. Yankees, 11 to 4.

The game, which moved the Tigers past the Yanks into first place in the American Division of the Niles Pony League, was played in a world's series atmosphere despite the bitter cold.

Amato had control problems which led to 2 of the Yanks 4 runs, but he was tough in the clutch. In the second inning, he walked the first 3 batters, then bore down to get the next 3 men without a run scoring. Plazzi, who also was tough in the clutch, blamed the cold weather and the fact that his "fast ball was rising" for the only 4 hits that the Yanks got. He was aided by a nifty game-ending play by 2nd baseman, Steve Kargol, to Al "Stretch" Cohn.

Mike Babcock with a triple and 2 singles led the Tiger attack. Amato, Plazzi and Cohn all had 2 hits apiece. John Krajewski delivered a key 2 run single that put the Tigers ahead to stay.

Callero & Catino Realty, Inc. 0-2
The Back Room 0-3

R. Kaszniak, D. Rodlek and D. Sobczyk led the attack. Also starring was J. Kemmer who pitched well. F. Schmel tripled and drove in 2 runs. J. Hazen always stars defensively.

A six run 4th inning was highlighted with a double by Jerry Tietz with bases loaded and clinched victory for Braves. Cardinals swamped Braves, led by the big bats of M. Brenenberg, J. Borowski and J. Weiss, and M. Gottlieb.

Indians combined fine pitching, timely hitting and good defensive plays. D. Sobczyk and F. Hajduk provided the hitting. F. Schmel, D. Rodlek and F. Scheffler pitched well; J. Hazen and D. Rodlek turned in good defensive catches.

Lums	8
Artway Mfg.	7
N.B.L. Red Sox	6
Artistic Trophies	6
Northwest Honda	4

The Senators and Red Legs played to a 1 to 1 tie in a real pitcher's duel between Bill Keener, Frank Czernak and Jeff Briars for the Red Legs, and Furranski and Erickson on the hill for the Senators. Each club yielding 4 hits apiece, while the Senators combined to striking out 13 Red Legs, and the Red Legs striking out 12. The fielding plays of the games were turned in by Nagrodes for the Red Legs and Ron Reeve for the Senators.

The Red Legs once again returned to the win column by squeaking by the Twins 5 to 1. Bill Keener and Frank Czernak pitched the Golf Mill Chrysler team to a victory over the Northwest Honda Twins. While pitch-

ing for the Northwest Honda team was Dave Elin and Greg Urban had 2 of the 3 hits that the Northwest Honda Twins had, while Briars and Calderone, Rea and Nagrodes got the hits for the Golf Mill Chrysler team. Key defensive plays by Briars, Malochleb, Rea and Calderone were the deciding thorns in the Twins side all evening.

On June 18 the Northwest Honda Twins won a very exciting close game with a score of 8 to 7 over the Senators. The outcome of the game was in doubt until the last out. Pitching for the Twins was Channess, Urban and Elin. The pitchers for the Senators were Furranski, Reeve and Erickson.

For the Northwest team John Gorack had 2 hits, while Dave Elin had a perfect day at the bat, with a double and three walks. The Senators made the score close by cashing in on many walks for they only had 3 hits. Furranski had 2 of these and Hoffman a double in the 6th. Ron Reeve made his first

pitching start for the N.B.L. Senators, striking out 4 and holding the Red Sox to 3 runs for the 1st 3 innings. Rick Furranski followed for the next 3 innings, allowing one hit and striking out 5. 3 errors enabled the Red Sox to put across 2 runs. Scott Erickson came in to pitch and got the 1st 3 men he faced. Three hits by Furranski enabled the Senators to take an 8 to 5 win over the N.B.L. Red Sox.

The Golf Mill Chrysler Red Legs bombed the Artistic Trophy Pirates 16 to 1 with 18 hits, including 2 home runs by Frank Czernak and Bill Keener. Leading the hitting attack were Keener and Rea with 3 hits apiece. Briars, Calderone, Nagrodes, Malochleb, Delorenzo and Czernak with 2 hits apiece. Keener and Czernak limited the Pirates to 5 hits, one a triple by Ken Grubba. One of the outstanding plays of the game was a sensational diving catch by Dave Bohm, Keener's home run traveled high over the tennis court fence.

White Sox	2-6

Yankees 3, White Sox 2. Indians 5, Yankees 4. The Indians pushed over 2 runs in the last half of the 7th inning to beat the Yankees 5-4. Jeff Zolek came to the rescue with the score 4-2. He pitched shut out ball the rest of the way.

Orioles 13, Athletics 4. The Orioles first win was sparked

by Dean Polito batting 5 for 5, including a double, triple and 4 RBI's. Steve Maril collected 2 singles, 4 RBI's and 3 stolen bases. Mike Simon batted out a double, stole a base and did a good defensive job in center field. Marc Platt also collected a single, double and stole a base. Charles Kulas collected a single and also stole a base. Tony Tornabene collected an RBI and stolen base. Bob Maffia collected an RBI and stole 2 bases. Larry Mikesa slammed out a single and got a stolen base. Ken Mikesa got a single and an RBI.

Brewers 7, Athletics 6. Tigers 10, White Sox 9. Orioles 8, All-Star TV 7. Dean Polito pitched a 3 hit game, striking out 13 and walking 6 men. Dean also got 2 singles to help his cause. Bob Maffia got 2 hits including a double and 2 RBI's. Mike Simon also got 2 hits including a double. Steve Maril got a single and 5 stolen bases. Other hits were made by Larry Mikesa, Tony Tornabene and Dave Meyer. Other RBI's were made by Tony Tornabene and Dave Meyer.

New Nilehi Coach

Announced recently as the new head soccer coach at Niles West High School in Skokie was John Burkel. Burkel's appointment was made by West High Athletic Director, Harold (Bud) Trapp. Burkel will replace head soccer coach Fernando Velasco who is taking a year's leave of absence from West. Velasco guided West to its most successful season in '71-'72. West won the Inter-League and Soccer Championship plus beating Suburban League winner Evanston 1-0.

Receives Athletic Award

Fifty-five Roosevelt university students received athletic letters and trophies for the 1971-72 year, according to Associate Professor Edwin Turner, director of physical education and athletics. Included was: Jeff Brown, 9233 Parkside ave., Morton Grove, Softball.

Sixty-four Indiana university athletes in track, baseball, tennis and golf have been awarded letters for their performances this Spring. Athletic Director J. W. (Bill) Orwig announced recently. The letter winners included: Baseball - Frank Knopf, Niles.
