VOL. 17 NO. 12, THE BUGLE, THURSDAY, AUGUST 30, 1973

From the  
LEFT HANDBy David Besser  
Editor & Publisher

Reprinted from August 31, 1972

Whenever I think of the first day of school I think of new cowboy pants which made a swishing noise when you walked between the seams in the narrow stirrups.

The first day meant great anticipation and meeting all the kids you hadn't seen for many weeks. The first day meant girls' new dresses, and new or polished saddle shoes. And the still warm weather meant laying pampers on the sidewalk in front of school. And heading for the bushes across the street where a crap game was camouflaged from the school officials.

The warm first day was always a good feeling. It was the feeling of running. You ran to the schoolyard. And you ran past the girls, brushing against them on the sidewalk. In hot pursuit of somebody who had grabbed something from you.

The first day had the smell of the new. The school was freshly painted, the books smelled new, and even the old teachers seemed new. They had in new smiles which somehow lasted thru the first day. And that meant the teacher the other kids had told you about wasn't half as bad as they said she was... at least for the first day.

The study man was a more welcome sight the first day than he was during last spring's days. Somehow you had more money the first day and you bought Mary Jones or malted milk balls, red hats and jackknives, or even a hot dog.

And the first day meant lots of sitting around in restaurants and drug stores and ice cream shops. It meant walking home from school with a backpack full of first day's. It meant bags of money from which lots of catsup. The first day meant making away from the pack. It meant being (supposedly) you'd stroll home from school and find you'd been walking 2 hours to make it to school. And it was warm.

Marathoners  
present check

The Niles Youth Commission, at its meeting of Aug. 15, 1973, presented to the Muscular Dys-trophy Association of America, a check in the sum of \$2,593.72 representing the profits received from the Niles Youth Congress Golf's Softball Marathon which took place during the last weekend of June. Attending the meeting as guests were Made-line Sabie of M.D.A.A., who presented the Youth Commission with a plaque in appreciation of its efforts, and several of the guests who organized and played in the Marathon.

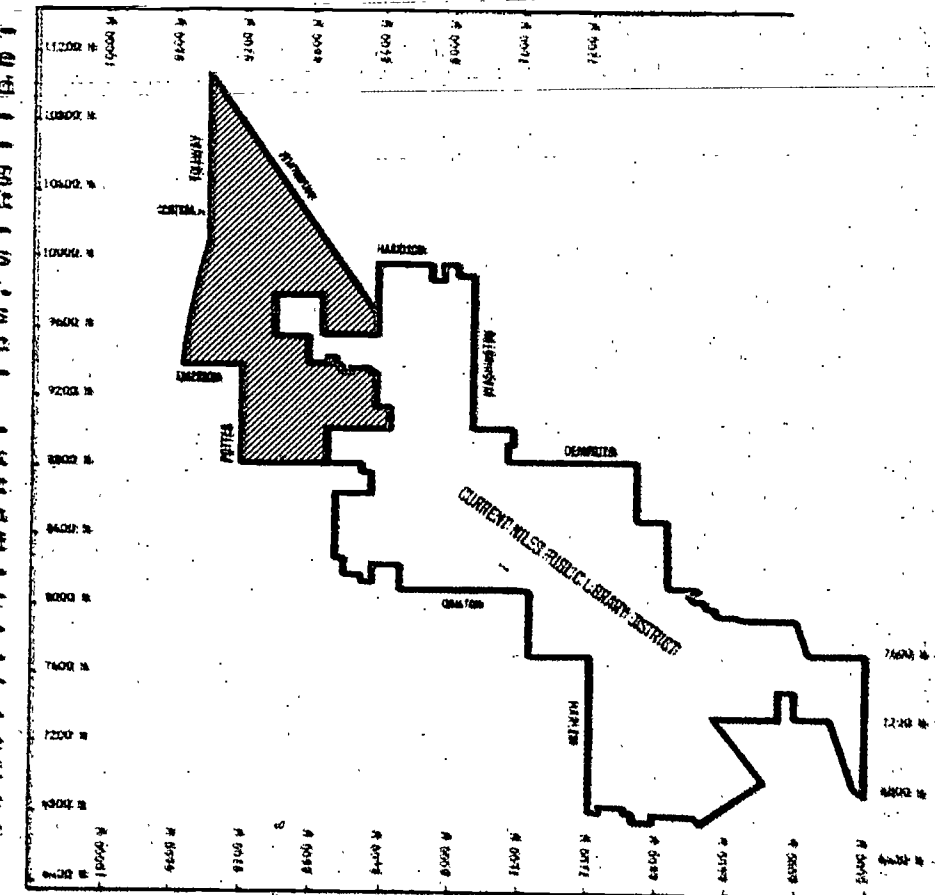

The \$2,593.72 sum was the result of donations received during the official Muscular Dys-trophy Can Day on June 16 as well as those received during the 54-hour Marathon itself.

## Niles Library seeks to expand boundaries

The Niles Public Library District, through referendum vote next spring, will seek to expand its boundaries to include a two-square-mile area of unincorporated Niles Township lying east of the Tri-State Tollway, it was announced today by Mr. Martin Hodas, president of the Niles Public Library Board of Trustees.

Population in the area exceeds 20,000 and assessed valuation of properties approximated \$50,000,000.

"There are a number of reasons for our decision to annex this area," Hodas said, "but chief among them are: the often expressed desire of our Board of Trustees to offer library services to everyone within our service range; other nearby public libraries are municipal libraries and cannot extend their boundaries unless the municipalities themselves expand; and we have received over four hundred petitions from residents in the annexation area asking that we do annex."

Whenever I think of the first day of school I think of new corduroy pants which made a swishing noise when you walked between the seats in the narrow aisles.

The first day meant great anticipation and meeting all the kids you hadn't seen for many weeks. The first day meant girls' new dresses, and new or polished saddle shoes. And the still warm weather meant lagging pennies on the sidewalk in front of school. And heading for the bushes across the street where a crap game was camouflaged from the school officials.

The warm first day was always a good feeling. It was the feeling of running. You ran in the schoolyard. And you ran past the girls, brushing against them on the sidewalk, in hot pursuit of somebody who had grabbed something from you.

The first day had the smell of the new. The school was freshly painted, the books smelled new, and even the old teachers seemed new. They had on new smiles which somehow lasted thru the first day. And that meant the teacher the older kids had told you about wasn't half as bad as they said she was... at least for the first day.

The candy man was a more welcome sight the first day than he was during last spring's days. Somehow you had more money the first day and you bought Mary Janes or malted milk balls, red hots and jawbreakers, or even a hot dog.

And the first day meant lots of sitting around in restaurants and drug stores and ice cream shops. It meant walking home from school with an endless pack of first dayers. It meant bags of french fries, with lots of catsup. The first day also meant breaking away from the pack. If the girl of last spring was still the girl for the fall (which seldom happened) you'd stroll away toward home, often taking 2 hours to make the 20-minute walk. We had a park to walk thru, a lagoon to wander down to, and it was warm.

## Toast to the Twenties

Hard at work on favors for the up-coming Toast to the Twenties are (l. to r.) Chm. Mrs. Kelly Brown, Mrs. Gordon Harding, Mrs. Raymond Gajewski, and Mrs. Richard Flickenger.

The Philanthropy Committee of the Morton-Grove Womens club, an affiliate of the Illinois Federation of Womens Clubs, now has tickets available for their annual luncheon and Fashion Show to be held Oct. 4 at Allgauer's Fire-side in Northbrook. This party has become a real part of the "Fall scene" in Morton Grove, and this year will commemorate the 20th year of the club itself... hence the name "Toast to the Twenties." Although the event is a glamorous and fun day, the real purpose is to raise money to support the philanthropies of the club. Most of the funds raised over the 20 years has been spent right here in Morton Grove on all sorts of worthy projects such as student scholarships (teaching and nursing), donations to the police and fire departments, aid to needy families, gifts to the shut-ins in town, Orchard school, as well as out of town projects such as adoptive children overseas, Hadley school for the Blind, St. Leonard's House, Red Cross, and Indian Center.

This year one of the local projects slated for assistance is our new Para-Medic Corps. The life saving "middle-man" between you and the hospital is an innovation in our village which deserves the backing of all of us as it may be the life saving factor in the life of a loved one or ourselves. When you are asked to support this luncheon, "Toast to the Twenties," remember that in doing so you back the health of those who live and work in the community.

Tickets for the luncheon may be obtained through any member of the club, or by calling YO 6-5113, Mrs. Jelly Brown, Chm.

## La Leche League meeting

The Skokie Valley Chapter of La Leche League is holding its monthly meeting on Thurs., Sept. 6 at 8:30 p.m. at the home of Mrs. Daniel Goldman.

The September Lecture will offer valuable tips on the children. Problems associated with weaning the breastfed baby will also be discussed. Expectant and new mothers are invited to attend. Please call Mrs. Morton Igelman at Or 5-4358 for further details.

## On honor roll

Dr. Gustave Ferre, vice-president for academic affairs at North Texas State university, has released the Spring semester honor roll which lists 1,221 NTSU students.

William Torenko, son of Pete Torenko, 6632 Albion, Niles, was named to the 3.5 honor roll.

and her committee look forward to entertaining a capacity crowd this year with the delicious food and a fashion show by Kanes in the Ambassador.

The locomotives, purchased from Electro-Motive for a price of \$900,000, and the cars, purchased from Budd Company for a price of \$1,800,000, will have

## NSMTD buys rail equipment

The North Suburban Mass Transit District announced today that it had exercised its option to purchase two diesel locomotives and five cars for use by the Milwaukee Road in its commuter service.

In making the announcement, Edward W. Walbridge, trustee from Libertyville and Chairman of the District's Rail Operations Committee, stated: "This purchase is the first action taken as a result of the District's application for a Capital Improvement Grant from the Federal and State governments. Actually, it was Gov. Walker's signing of the State's letter of intent that allowed us to move this rapidly. We were able to tie-in this purchase with the purchase of similar equipment by the Northwest Mass-Transit District, thereby saving our District quite a lot of money and providing the equipment much sooner."

the latest anti-pollution and safety equipment available. With the expected approval of the \$4.4 million grant from the Federal Urban Mass Transportation Administration, the District will proceed with the rest of its immediate rail program which includes new Centralized Traffic Control equipment, additional main track, and station, parking lot, and platform improvements and construction in Deerfield, Fox Lake, Grayslake, Libertyville, Morton Grove and Round Lake.

Walbridge indicated that the Milwaukee Road will donate seven locomotives to the District, as part of a soft match, so that the District will then own a total of nine locomotives. NSMTD is currently studying methods of designing and naming the locomotives. "The District is taking sound, constructive steps toward the improvement of rail service throughout the area," concluded Walbridge, "and we're very excited by the possibilities of future improvements."

## 'Learn to Swim' week

The Leaning Tower YMC A recently announced a special Learn to Swim Week for "non-swimmer" adults, Sept. 17-21, 1973. This program idea was conceived as a result of numerous inquiries by adults. The June program was a great success and the Y will make this special instructional week an annual event. The program features four or five consecutive days of forty-five minute instructional sessions to the "non-swimmer" adult by highly qualified, understanding, patient instructors. Class size will be limited and each instructor will have eight to ten students. The prerequisites: non-swimmer, desire to learn to swim, and a swim suit — apprehensions are not necessary, but the experienced instructors will gladly welcome and accept that challenge too.

Registration will begin Sept. 3, 1973. Classes will be offered Monday-Friday, 10-10:45 a.m. or 10:45-11:30 a.m. and Monday-Thursday, 9-9:45 p.m. or 9:45-10:30 p.m. The fee is \$1.50 for LTY members and \$5 for others. Call the Y (647-8222) for additional information.

## Niles Saints' linemen

Bill Bergman and Stu McLean are a couple of those big guys that no one ever seems to notice — offensive linemen. But it's hard to ignore them.

Bill is 6'4", 250 and Stu is 6'4" 230. The thing that makes these two stand out is that both had the opportunity to go on to pro football.

Bill, who played for the 1968 Championship Indiana team, was drafted by the Buffalo Bills; and Stu played his college ball at Oregon State, then was drafted by the New York Giants.

Both turned down a pro career for the same reason, to continue their schooling. Bill is a coach and physical ed teacher at Roosevelt H.S. in Chicago, and Stu is studying for his masters degree.

Bill put it this way, "Pro football doesn't leave much time for anything else, but I still enjoy the game, and playing semi-pro ball is almost as tough as the pros."

## SPORTS

### Girls' softball league completes successful season

The Niles Youth Congress Girls' Softball League finished its season with Callero & Catino Realty, Inc. winning the second half in the older division and Skaja Terrace winning the second half in the younger division. The play-off games were played on Aug. 12 and 13 between Callero & Catino and Sansone & Sons in the older division and Skaja Terrace Funeral Home and the White Eagle in the younger division. In the older division, Callero & Catino won two straight games by scores of 6-5 and 9-5. In the younger division, the White Eagle won two straight games by scores of 20-6 and 6-5.

A series of three All Star Games was played on Aug. 16, 17 and 18. In the first game, all stars from each team in the younger division played, and in the second game, all stars from each team in the older division played. In the third game, an alumni team of girls who played in previous years lost to the winning team from the All Star game of the older girls by a score of 11-10.

The League banquet was held on Sunday, Aug. 19 at the Lone Tree Inn. Approximately 100 girls attended and had a bountiful meal

of fried chicken, french fries and all the trimmings. Individual and sponsor trophies were presented to the first place teams in each division after the play-off games, Callero & Catino and the White Eagle. Second place individual trophies were presented to Sansone & Sons Landscaping and Skaja Terrace Funeral Home. Plaques were given to each sponsor, and Callero & Catino and the White Eagle received a traveling trophy which they will keep for one year as well as an additional trophy which is theirs to keep always.

Mose Valuable Player trophies were presented to Linda Siers and Cindy Jurica of the younger division, and to Donna Bavaro and Lynn Lampert of the older division. In addition, a plaque was presented to Rich Machnowski by all the girls in appreciation of the job he did in organizing and running the League, and a trophy was presented to Mary Ann Massari by Rich Machnowski in appreciation of her help with the League.

Plans are now being made for next year's League, and opinions are always welcome at any regular Youth Commission meeting.

### Saints trounce Barons 41-7

Despite the rainy weather, a good crowd showed up to watch the Niles Saints soundly defeat the Berwyn Barons Saturday night. After a slow start, with neither team scoring in the first quarter, ten minutes into the second quarter John Pecaro drew first blood by catching a 20 yd. pass from Gus Williams while on his knees. With Wally Schulz' conversion, the Saints were out in front 7-0. 25 seconds later, Ralph Fahey, Saints 300 lb. veteran defensive tackle, recovered a Berwyn fumble on their 31 yard line. 3 plays later Gus Williams dove over on a 3 yard quarterback sneak for the second TD. With Schulz kick,

the score was 14-0. The Saints then drove down the field to set up an 18 yard field goal attempt which was barely missed by Wally Schulz; but two plays later Rich Battaglia, last year's most valuable player, intercepted a Berwyn pass and ran 27 yards for the touchdown. Again Schulz was on target and the score stood 21-0.

With a minute and a half left to play in the first half, Don Robinson, Berwyn's quarterback, threw a 51 yard touchdown pass to Rocky Montanallo.

At half-time the score was 21-7. With eight minutes left in the third quarter, Chuck Cox, the Saints backup quarterback find from Louisiana State, threw 17 yards to Mike Ciesla to bring the score to 27-7. A short time later, after tackling the Berwyn punter on his own 20, Chuck Cox threw a 10 yard TD pass to Jim Greenhill. Schulz kick was good and the score was 34-7.

Four seconds into the fourth quarter, Chuck Cox handed off to Ron Olesiak for a four yard touchdown play; with Schulz conversion, the score was 41-7.

After Berwyn again lost the ball, the Saints took four plays to the three. A penalty brought it back to the 8 from where Tom Miniscalco bulled his way in to wrap up the game for the Saints. Final statistics showed the Saints overwhelming the opposition on the ground with a sound 258 yards rushing to the Barons' 7 yards.

A wide margin also was noticeable in passing, comparing the Saint's 202 to the Barons' 152.

Individual rushing honors went to Frank Morelli, who had 10 carries for 75 yards, Tom Miniscalco gained 50 yards in 8 carries, Claude Doucet ran for 42 yards in 8 tries, and Jim Greenhill was 3 for 27.

Next Sunday at 1, the Saints will play their last exhibition game against the Romeoville Bulls at Romeoville H.S.

The Saints next home game will be Sept. 15 at Notre Dame H.S. when they take on the Brighton Park Hustlers.

### Taylor, Ulrich sign for Tam net meet

The highly-regarded Roger Taylor of Great Britain and the colorful Torben Ulrich of Denmark head a list of five tennis stars who have added their names to the competitors' list for the 1st annual \$50,000 Tam International Open Tennis Tournament Sept. 24-30 at the Tam Tennis Club, Niles.

Match play among the 32 players entering the meet will begin Monday, Sept. 24, at noon. Other match play will be held through the week, ending Thurs., Sept. 27. Afternoon sessions will begin at noon and evening competition at 6:30 p.m. each day.

Quarter-final action in both singles and doubles will be held Fri., Sept. 28, at 12:30 and 7 p.m. Semi-final play will be held Sat., Sept. 29, at 7 p.m. Singles and doubles championships will be held Sun., afternoon, Sept. 30.

All events will be held in the newly built, air-conditioned Tam Tennis Club, 7686 N. Caldwell av., Niles. Seating capacity for each event will be 4,000. The box office ticket sales are being conducted at the Tam club and is open daily from 8 a.m. to 5 p.m.

### Honored for service

Presenting a plaque which honors Mrs. Evelyn Buchholz, President of Guardian Metal Sales, Morton Grove, (center) for eight years of service on the Cancer Prevention Center of Chicago's board of directors are the two top leaders of the Center, (From left) Mrs. Evelyn Weltman, President; Mrs. Buchholz and Daniel E. Knowles, Chairman of the Center's Board of Directors.

### Cicada damage to trees not serious

Reminders of this summer's visit of the 17-year cicada to the Chicago area are still evident in the brown leaves that remain conspicuous on many trees, as well as in an unusual multimedia exhibit at Field Museum.

"The browning of leaves should not be a cause for real concern," says Henry Dybas, head of the Division of Insects at Field Museum. "It occurs only where there was a dense emergence and is a kind of natural pruning that should not harm the larger trees."

According to Dybas, who has

researched both the 1956 and 1973 cicada emergences in this region, the damage to trees was caused by slits cut in twigs by egg-laying females. In about three weeks the cicadas completed their life cycle by singing, mating, and laying eggs. When the eggs hatch within a few weeks the nymphs will burrow underground for 17 years.

Because of the interest shown in this phenomenon, Field Museum has extended "17-Year Cicada: A Strategy for Survival." It features a 10-minute slide show, offered at short intervals, with a taped narration by Edwin Newman and the pre-recorded voices of three species of cicadas.

The exhibit continues through September 30 so that it can be seen by as many people as possible. After all, the 17-year cicada won't be back until 1990.

### Praises swim instructor

Dear Mr. Besser:

We are writing this letter as the parents of a young child who has just completed swimming classes at the Ballard Sports Complex. We had attended every lesson with our daughter Sheryl and found her instructor Miss Diane Benson to be excellent. In our opinion Miss Benson displayed great enthusiasm and highly qualified skills in the performance of her job. Through her use of expression and colorful adjectives her ability to relate to young children was marvelous. In this world today such dedication and caring in one's job is rare to find. She truly seemed to enjoy teaching swimming as much as the children enjoyed

learning. Our daughter Sheryl is only 4 and Miss Benson had her achieving things in swimming that we couldn't believe a 4 year old was capable of. For the previous reasons we feel the Niles Park District has made an excellent choice in choosing Miss Benson as a swimming instructor.

In fact, the whole Ballard Complex is a wonderful place for families to take part in recreational pastimes. The whole staff has shown themselves to be conscientious and helpful employees.

Yours very truly,  
Mr. and Mrs. Lenard Spick  
8413 E Dempster  
Niles

### Clean-up needed

Dear Sir:

I live in St. Andrew Home, which in my opinion is a dream house for the aged. It lies in a spacious garden and is truly a show piece for the village of Niles. Unfortunately our neighbor, the Capri Motel, has blighted our surroundings by flanking his property with unsightly junk. On the north end he placed a wrecked automobile and on the south a large mound of rotten lumber and twisted steel; door and window frames, a swimming pool sign and a pile of sheet metal gutters that have been ripped off the motel. It is a hideous sight which some of my friends have dubbed the "City Dump."

Will you help to have this eye sore removed?

Thank you,

Very truly yours,  
S. J. Pawlicki  
7000 Newark ave.  
Niles

### In defense of Dressler

Dear Mr. Besser:

In regard to the charges made by Mr. Filer that Helmut Dressler is anti-Semitic, I wish to issue this statement.

I have worked at Niles Park District for 11 months. Mr. Dressler is my immediate superior and we work at each other's elbows most of the time. He hired me knowing I was Jewish and in all this time there has never been a hint of discrimination towards me nor have I ever observed him discriminating against anyone because they were Jewish.

I feel an apology is in order from Mr. Filer; and that his differences with the Niles Park District could be worked out in a more agreeable way than name-calling.

Sincerely yours,  
Esther S. Kaplan  
7881 Nordica  
Niles

## Young explores North Shore senior center

A computerized inventory of the skills of North Shore senior citizens was among topics discussed by Rep. Samuel H. Young (10th-IL) at a meeting held Tues. Aug. 14, 1973 at the North Shore Senior Center, Winnetka.

Congressman Young, a member of the Republican Task Force on Aging, requested the meeting "because I know that the Center has one of the most developed and extensive programs for North Shore senior citizens. I wanted to gather information on programs that would be helpful and applicable in the other 15 communities in the 10th District."

Arthur R. Weed, Executive Director, and Mr. B. Robert Meyers, President of the Center which has more than 300 active North Shore members, briefed Congressman Young on N.S.S.C. programs, budgeting, financing and activities which Congressman Young called "perhaps one of the most successful such operations in the country."

Among future possibilities which Young discussed with the center officials - (1) A meeting of the officials from the five townships in the 10th District and executives from all senior citizens organizations in the area to explore how township government can assist older citizens. "It seems to me that township government can play a dynamic and vital role in making the lives of older citizens richer and helping them to use their education and abilities to make a contribution to every community in the district," Congressman Young said. (2) A computerized data bank which would inventory the experience and

skills of older citizens. "This is a modern way of keeping track of one of the community's most valuable resources, the cumulative knowledge and experience of our senior citizens. A centralized source would allow companies and individuals seeking some specialized knowledge or experience to find the people who can provide it."

Congressman Young said that one or two private companies in the district "might be willing to provide the computer and the software if senior citizens groups can carry out their own inventory operation."

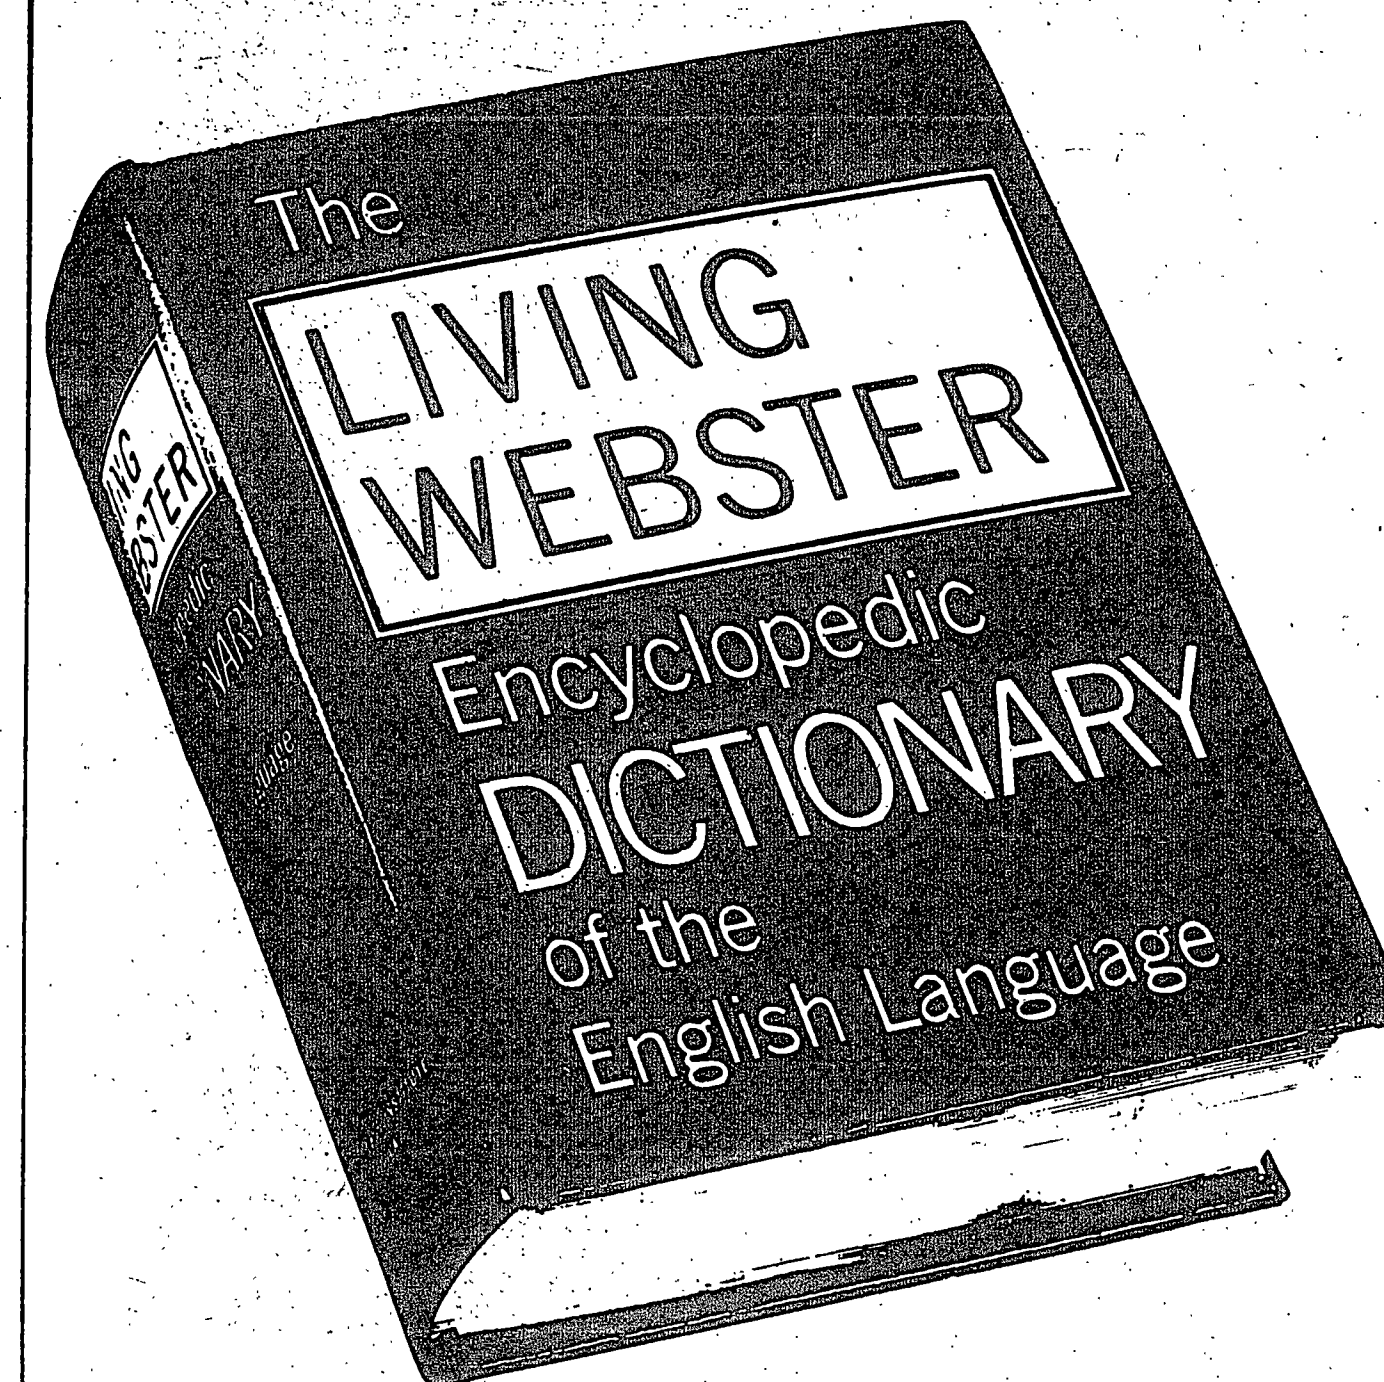

Congressman Young said future meetings will be held with Center officials and with other senior citizen organizations on the North Shore.

Young said that "on the basis of what I have learned about the operation of the North Shore Senior Center, I feel that a similar center should be established in Des Plaines or Park Ridge."

### Medical student

Kenneth D. Beckman, son of the Wallace J. Beckmans of 8544 Lillibet, Morton Grove, is among the 92 first-year medical students enrolled in the University of Health Sciences/The Chicago Medical School.

A graduate of Niles Township West High School, Kenneth attended Washington University in St. Louis and Northwestern University where he was awarded a BA degree in March. He was a member of Beta Beta Beta national biology honor society and Sigma Alpha Mu social fraternity.

## CHURCH &amp; TEMPLE NOTES...

## Adas Shalom

Congregation Adas Shalom, 6945 Dempster, Morton Grove, will hold Friday night services in the synagogue starting at 8:15 p.m. with Rabbi Marc Wilson officiating. Everyone is invited to attend and partake in the Oneg Shabbat following services. Saturday morning services will begin at 9 a.m.

Adas Shalom will hold three open houses in the month of September in the synagogue. The open houses will be on Sept. 9, 16 and 23 from 1 p.m. to 4 p.m. This will enable new residents in the community to meet Rabbi Wilson and members of the congregation in addition to learning more about membership, Sunday and Hebrew School, and High Holiday tickets. For more details, please call 965-3435, 967-7080 or 724-7076.

Sunday School will start on Sept. 16 and registration details can be obtained by calling 966-1806. For Hebrew School, please call 973-2828 or 296-6592.

The Adas Shalom Sisterhood Bowling League will begin on Sept. 6 and there are some openings. Please call 965-8363. Also, the Sisterhood is sponsoring a night at the "Follies" on Sept. 15. Donations are \$3. Call 965-5977 for reservations. On Friday, Sept. 7, at 8:15 p.m., Adas Shalom will install its new slate of officers at Friday night services.

Lutheran Church of  
the Resurrection

In order to encourage older children and youth to worship regularly with the congregation, Lutheran Church of the Resurrection will have a change in its worship and church school pattern beginning Sunday, Sept. 9.

In the past there have been two morning worship services with church school conducted at the same time as one of these worship services. Starting Sept. 9, however, there will be only one worship service which will begin at 10:30 a.m. This service will be preceded by church school which will begin at 9:15 a.m.

During the worship service a nursery will be provided as usual. After the Children's Sermon, children from age 4 through 2nd grade will leave the service to participate in an adult-supervised story and game time.

The new Sunday Church School will have classes for age 3 through grade 7 and, for the first time, an adult class for older youth and adults.

These changes have been made to encourage maximum family participation in worship and education in the church.

## MTJC

A double Bar Mitzvah will be celebrated at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, Saturday, Sept. 1, 9:30 a.m. Steven, son of Mr. & Mrs. Al Goranson, 9038 Church st., Des Plaines, and David, son of Mr. & Mrs. Lee Kay, 9255 Cedar Ln., Des Plaines, will jointly share the pulpit and become Bnai Mitzvah. Rabbi Jay Karzen and Cantor Harry Solow-inchik will officiate.

Registration for Religious school is open to all youngsters in the area. Nursery school begins Tuesday, Sept. 4. Sunday school commences Sept. 9. Religious (Hebrew) school begins Monday, Sept. 10. Membership applications and High Holiday reservations are currently being processed through our office. For information call 297-2006.

Men's Club Open Meeting is scheduled for Wed. Sept. 5, 8 p.m. An evening of "Arm Chair Races" will be featured. Men of the community are invited to this fun evening of movie horse races, Bowling League applications for Sunday morning and Tuesday evening leagues are also being accepted.

Bingo each Sunday at 8 p.m. is open to the entire community.

## NSJC

Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, will hold Friday evening services Aug. 31 at 8:15 p.m. at which time the August anniversary couples will be honored. The Oneg Shabbat will be co-hosted by the anniversary celebrants.

Saturday morning, Sept. 1 at 9:15 a.m. Scott, son of Mr. and Mrs. Morris Cipinko will be called to the Torah as a Bar Mitzvah. Rabbi Lawrence H. Charney will conduct the services and deliver the charge and Cantor Martin Baum will chant the liturgy.

Monday morning, Sept. 3 at 9:15 a.m. Joan, daughter of Mr. and Mrs. Jules Galanter will become Bat Mitzvah.

In order to handle last-minute membership registration, the Synagogue office will be open Sunday, Sept. 2 from 9 a.m. to 1 p.m. The office will also be open Monday thru Thursday evenings 7 to 9 p.m. in addition to the regular office hours Monday thru Thursday 9 a.m. to 5 p.m. and Friday from 9 a.m. to 3 p.m.

The Little  
Country Chapel

The Little Country Chapel, 7339 Waukegan rd., is looking forward to the return of Pastor Herb Brail of Vestal, New York, for a series of revival meetings Sept. 5 thru 9, at 7:30 p.m. each evening and 11 a.m. on Sunday, the 9th. Pastor Brail will illustrate his Bible messages by using his talents in the art of magic with professional magical equipment, and he promises that he will saw someone in half. Sunday School classes will be held at 9:45 a.m. Pastor McManus will deliver the sermons at the 11 a.m. and 7:30 p.m. worship services this Sunday. The South Family Orchestra will present musical selections during the morning service.

Crib and toddler nurseries provided at all services. But transportation to the church services is available by telephoning 537-1810 or 647-8751.

## Niles Community

Labor Day Sunday will be observed at the Niles Community Church (United Presbyterian), 7401 Oakton st., on Sept. 2 during the 10 a.m. worship service. Care for toddlers through 2-year-olds will be provided (no Church School until Sept. 9). Because of the holiday week-end there will be no youth activities this Sunday.

Church meetings during the week of Sept. 3 will include: Tuesday, 7:30 p.m. - Session, 8 p.m. - Boy Scout Round-Table and, Thursday, 7 p.m. - Junior Choir rehearsal, 8:10 p.m. - Senior Choir rehearsal.

MG student  
wins Hammond  
scholarship

Kim Luecht, daughter of Mr. and Mrs. Henry B. Luecht of 5701 Cleveland av., Morton Grove, has received a Hammond Foundation Scholarship for the 1973-77 school years. She will attend Northwestern University in Evanston, majoring in speech and language pathology.

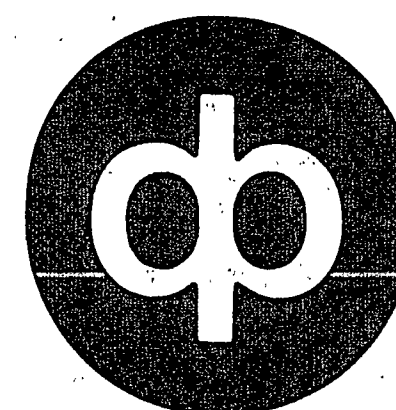

She was selected by the National Merit Scholarship Corporation as one of the three top students among the eligible children of the 5,000 Hammond Corporation employees on the basis of their high-school grades, extracurricular activities and the National Merit Scholarship Corporation examinations.

Kim Luecht graduated from Niles Township West High School in Skokie, where she was a member of the National Honor Society and a monitor in the Guidance Center.

Her father is an engineer for Hammond Organ Company in Chicago, a division of Hammond Corporation.

### After-school child care

The Mayer Kaplan Jewish Community Center at 5050 W. Church st., Skokie will initiate a new comm. service starting this September, an After-School Child Care Program for children, kindergarten through 2nd grades.

The program is designed to meet the needs of working mothers, single parents and families who require assistance due to health or other reasons. The program is an extension of the successful Pre-school Day Care program, now entering its second year.

The children will be cared for by qualified professionals who will help them with homework, provide activities and help promote social integration. Children will have the option of joining on-going groups and classes at the JCC, and will be able to use the Center's extensive facilities. After school snacks will be provided.

Hours for the program for 1st and 2nd graders are: Mondays, 2 to 6 p.m., Tuesday, Wednesday, Thursday, 3 to 6 p.m., Fridays, 3 to 5 p.m.

Kindergarten children will attend from 12:30 to 6 p.m. Monday through Thursday, and 12:30 to 5 p.m. on Fridays.

Closing hours may be adjusted to meet individual family needs. The staff is now in the process of arranging for bus transportation from some Skokie schools.

For further information about the After-School Child Care Program, phone Mrs. Shirley Steinberg, Director of Children's Services, at 675-2200, ext. 235.

### 'Weight No More'

Summer vacations are over and now it's time to get in shape. Time passes quickly and before you know it the holidays will be upon us... why not get a head start this year and avoid the rush.

Weight No More, a dynamic reducing program, is the answer to your overweight problems. If you've longed for a slim figure, search no more. Come to a Weight No More class and you'll find the answers to all your weight problems and guidance towards your beautiful new figure.

For additional information please call 967-7929 or 743-4962.

An open house session will be held at Niles Park Center, 7877 Milwaukee ave., Niles, on Tuesday, Sept. 11 at 1 p.m.

"Watch our membership multiply" is what the St. John Brebeuf Catholic Women's Club seems to have in mind. President Mary Volenec holds a bunny in her lap as Dottie Wielgus, 1st Vice-President shows her a copy of the 1973-74 membership card. Father Ronald Folger (L.) looks on the scene with an encouraging smile and urges all the women of the parish to come out of their hutch.

### Grand Opening of Auxiliary gift shop

A Grand Opening celebration of the brand new Resurrection Hospital Auxiliary-operated gift shop has been planned for Thursday, Sept. 6.

Auxiliary members have pledged \$125,000 for the new shop as a memorial pledge honoring the late Sister Gregory, C.R., the hospital's first administrator who died last January.

The Auxiliary gift shop is in a new location, just off the main lobby and has more than doubled its size for the convenience of shoppers. The added space permits merchandise to be displayed in a more attractive manner than ever before.

Mrs. Herbert Grandt, Park Ridge, and chairwoman of the gift shop, reports that a number of new items have been added to their inventory.

"We have exquisite crystal and cut glass, clocks, embroidered baskets and imported carved figurines and ceramic items for pleasing gift suggestions," said Mrs. Grandt.

Visitors and shoppers will be treated to coffee and refreshments during the Grand Opening on Sept. 6, according to Mrs. Stanley Rizer, Des Plaines, and chairwoman for the auxiliary members serving as hostesses during the celebration.

Resurrection Hospital Auxiliary member, Mrs. John Roche, Chicago, arranges gift shop items on shelves in new floor-to-ceiling display window fronting the main lobby at Resurrection Hospital. Grand Opening at the new gift shop is slated for Thursday, Sept. 6.

### Birth Announcements

A boy, Brandon Thomas, was born Aug. 2 to Mr. & Mrs. Thomas J. Zimmer, 893 Plum Grove Circle, Buffalo Grove. The baby weighed 7 lb. 7 oz. The baby's grandparents are Mr. & Mrs. William Sturn, 8111 N. Osceola ave., Niles.

A boy, Andrew William, was born Aug. 6 to Mr. & Mrs. Robert D. Blumberg, 8856 N. Shore dr., Des Plaines. The baby weighed 7 lb. 9 1/2 oz.

A girl, Jennifer Anne, was born Aug. 13, to Mr. & Mrs. William J. Wisniewski, 8411 Osceola, Niles. The baby weighed 6 lb. 15 1/2 oz.

A girl, Lisa Michele, was born Aug. 9 to Mr. & Mrs. Ira Browne, 8936 Parkside, Des Plaines. The baby weighed 3 lb.

### Edison Park Lutheran

The September meeting of the Edison Park Lutheran Church Women's Guild will be held on Thursday, Sept. 6, at 1 p.m. in the South Hall of the Church, Avondale and Oliphant aves., Chicago.

Following a luncheon, a film entitled "The Promise" will be shown on the beauties of Illinois. Guests are cordially invited to attend. Sitter service will be provided.

## YMCA offers post-cardiac rehabilitation session

If you've had a heart attack that's changed your life, there is a place that could bring you back to a full, normal life.

The Leaning Tower YMCA, 6400 W. Touhy av., Niles, begins its next six-week rehabilitative session for post-cardiacs on Sept. 1.

The session consists of a physical evaluation, including special cardiovascular testing, and an exercise prescription based on the individual's condition.

The program was initiated last February with the help of Swedish Covenant Hospital, 5145 N. California av., where the ex-

ercise sessions are held. Swedish Covenant heart specialists assist with testing and supervise the exercising.

The Leaning Tower cardiovascular laboratory also operates an exercise program at the YMCA designed to keep potential heart attack cases out of the hospital. Right now, one out of four American adults has cardiovascular disease and half of them do not know it.

Both the preventive and post-cardiac programs take a comprehensive approach. Prior to the Leaning Tower test, every client must have a doctor's written approval and examination.

The cardiovascular test is performed on a treadmill, bicycle and other devices which gradually increase the demand on the cardiovascular system. Pulse, blood pressure, electrocardiogram (EKG) and aerobic capacity are measured at rest and under stress. Then the patient's recovery rate is measured.

Based on these limits, an exercise routine is prescribed which seeks to improve the individual's cardiovascular condition.

The exercise prescription follows a point system which progressively becomes more de-

manding. Points can be earned through a variety of activity including walking, jogging, running, squash, basketball, handball, cycling, swimming and exercise classes. The program emphasizes a group approach which encourages participants to continue exercising.

Clients are also advised on diet, how to relax and handle tension and the dangers of smoking.

Participants in both programs have shown significant physiological improvement. On a test-retest basis, significant differences in working heart rates and aerobic capacity have re-

sulted. Some participants have also shown improved EKG readings.

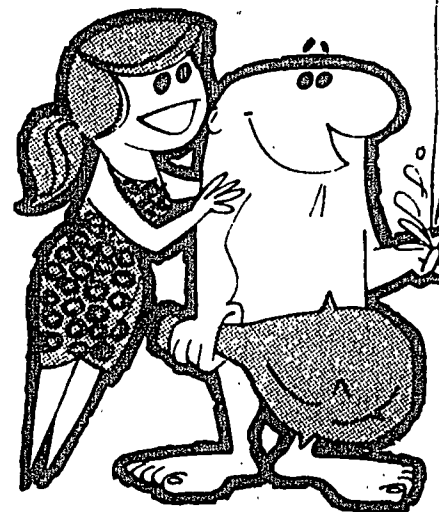

"These exercises cut down fatigue and can make people more productive and efficient. We think the exercise improves mental attitude," says Don Timm, Leaning Tower's fitness director.

The participants appear to agree with Timm. One post-cardiac finds that the exercise not only gives him "more energy and stamina but a lot more confidence to do the things that I thought I could never do again."

### Winter's fun is here now

Ballard Sports Complex, located on Ballard and Cumberland, They invite you to join in the fun. There is public skating daily, with skates available for rental if needed. For excitement, Niles has All Star and house league hockey teams to join or cheer on. Lessons are also available for all ages from beginners to advanced and Sr. adults.

So come and enjoy yourself. For further information please call 297-8011.

### Football clinic

The Niles Saints Semi-Professional Football Team will hold their third and final football clinic for boys this Saturday, Sept. 1 at 9 a.m. at Jonqui Terrace Park in Niles.

This clinic is open to boys between the ages of 8 and 14.

### Swimming and diving team results

The last swim competition of the summer season was the Conference meet held in Northbrook, Niles Park District swimmers took home only three blue ribbons, but placed in many other events. The first place winners were Monica Mucha (2), David Uhrich and Mike Borman. Other point winners were Mike Brennan, Dawn Jensen, Dan Jensen, Mary Brennan, Lucy Barrett, Bill Brennan, and Patty Brennan. In the 1973 competition, pool records were set by Monica Mucha (3), Julie Kuska and David Uhrich. Team records were set by Kim Emerickson (diving), Monica Mucha (3), David Uhrich (4), Mike Borman, Bill Brennan, Julie Kuska, Dan Jensen (2), Dawn Jensen, Mary Brennan and Mike Brennan.

Park District swimmers concluded their summer season with a dinner held at the Recreation Center. The dinner included members of the diving, synchronized and swim teams.

Awards were presented to the most valuable swimmers and divers. Winners in the diving category were Bernadette Smith and Don Knill. Most valuable trophies went to swim team members David Uhrich, Colleen McKervey, Monica Mucha, Tony Burud, Patty Brennan, Kevin McKervey, Lucy Barrett, Mike Brennan, Mary Brennan & Mike Borman.

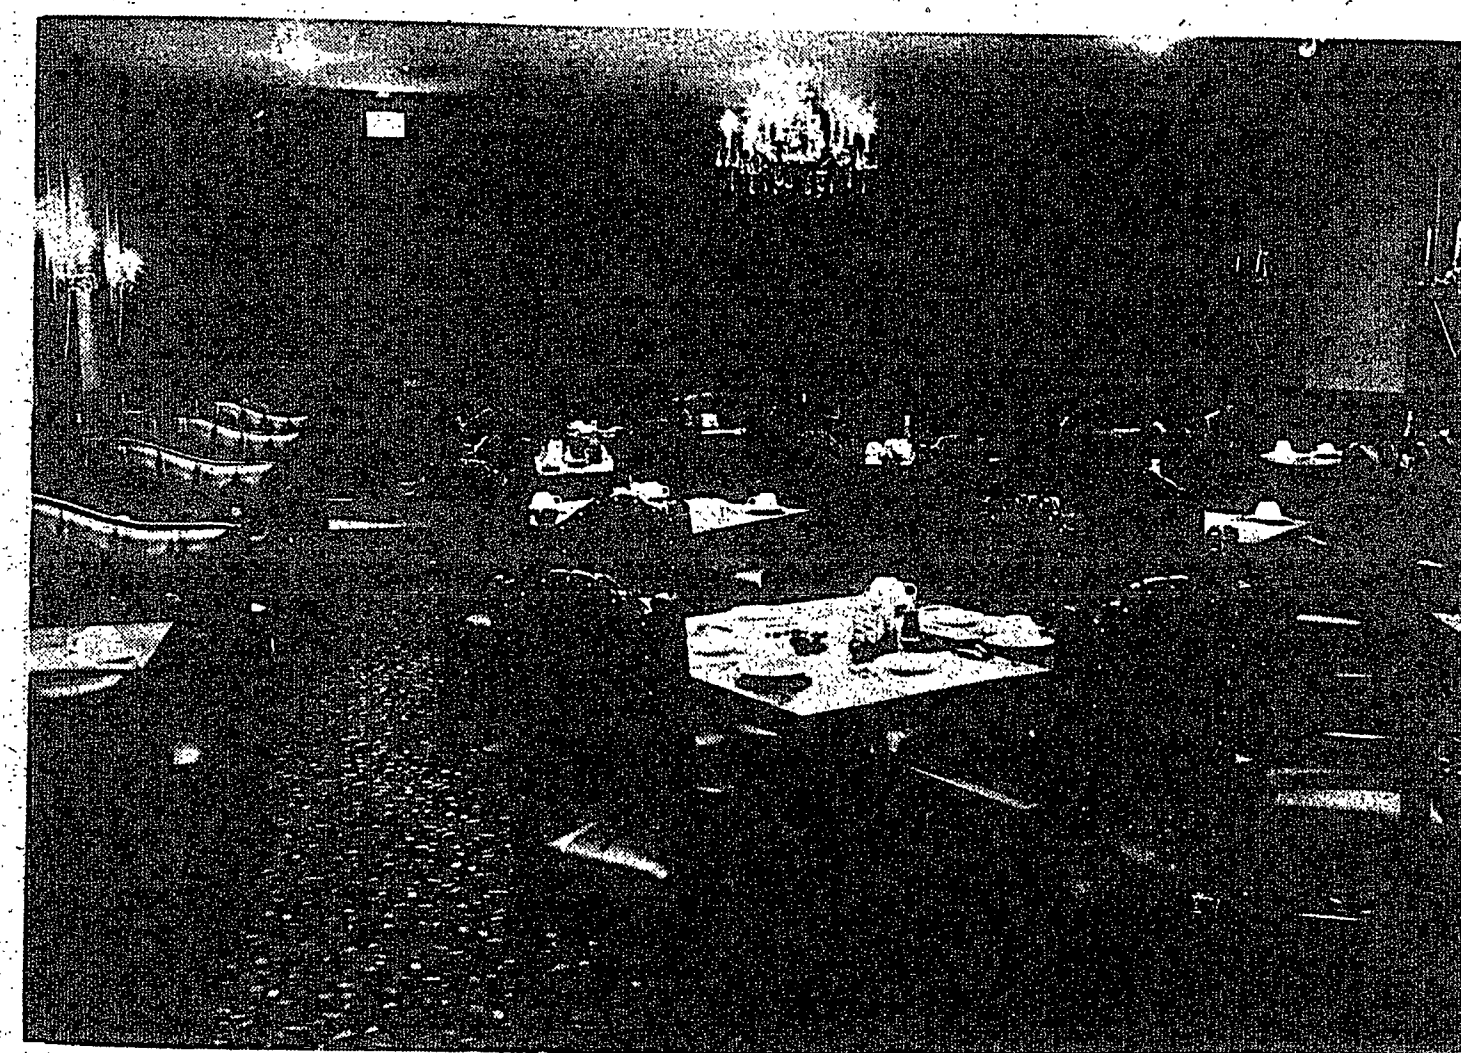

Plaques were awarded in appreciation to swim coaches Bill Casey and Jan Petricca, diving coach Art Belmonte and synchronized coaches Luanne Larson and Patty Rea. Parents and swimmers were urged to make their wishes known regarding a winter swim program. The Parents Association is working with the Park District to try and find pool time for the winter season to keep our team and swim program going.

### Water ballet show

The annual Harrier Park Pool water ballet show this year was "The Storytellers", shown on Aug. 16. With eleven numbers plus a candlelight finale, a fine performance by the divers of the Morton Grove Park District Swim Team during intermission, it was a smashing success.

The following twenty-eight Morton Grove girls worked, enthusiastically and faithfully, 8 long weeks perfecting each number in the show, and deserve recognition for their fine effort: Lisa Frank, Mary Loos, Jeannie Block, Diane Loos, Roblyn Snedbeck, Debbie Nelson, Johanna Dynek, Joan Boro, Pam Nelson, Kathy Tanaka, Maureen Zimmer, Cheryl Rosebrook, Joan Scherer, Julie Derichs, Denise Jaskolka, June Eckhardt, Jean Thiry, Therese Lamermayer, Chris Putz, Laura Burnett, Kathy O'Hara, Carey Lyman, Kim Sweeney, Joy Dolan, Judy Mayer, Sheri Mann, Kim Kohlbacher, Sandi Mann. The two teachers: Linda Delano and Carole Loos, would like to thank their girls, the parents, and the many other people who made it all possible.

\*DINING\* \*DANCING\*

## 'The Prisoner of Second Avenue'

TV's legendary comedy team are now reunited at the Arlington Park Theatre. Sid Caesar and Imogene Coca star in Neil Simon's "The Prisoner of Second Avenue" through Sept. 16.

### Studying in England

Miss Christine Eleane Kasper, a junior at the University of Evansville, will be attending the Study Centre at Grantham, England, during the 1973-74 academic year.

Miss Kasper is the daughter of Mr. and Mrs. John M. Kasper, 7053 Seward st., Niles.

## Glenview craft fair

The Glenview Art League will sponsor its third annual indoor Craft Fair on Saturday, Oct. 20 and Sunday, Oct. 21 in the halls of Glenbrook South High school, 4000 W. Lake in Glenview from noon 'til 6 p.m.

The Fair is open to any craftsman who wishes to display and sell original and handcrafted items. Table spaces of 6' x 3' will be sold for \$15. Students, 1 years of age and under, may purchase spaces for \$5. Entrants may purchase as many spaces as they desire. The League will not take any commissions on items sold.

Applications for entrants, who will be limited to 150, are currently available from the Glenview Art League, 1015 Gladish, Glenview, 60025 or from the Glenview Park District, 2320 Glenview rd., Glenview, 60025. The District sponsors the Glenview Art League. Further information is available by calling the District at 724-5670.

Deadline for entry into the Fair is Oct. 6. No refunds will be made on cancellations after this date. Last year's Fair featured a vast variety of items, from seedboxes to painted plaques to jewelry to metal sculpture, with thousands of people browsing and buying. Refreshments and ample parking will be available.

### Kirk Lane dance

If you like good dance music with a friendly crowd, the Kirk Lane Civic Organization would like to invite you to their annual dance to be held at the Beam N' Barrel Restaurant, 7136 Milwaukee at 9 p.m., Fri. Sept. 7.

Here's your opportunity to get acquainted with the facilities of this fine restaurant and the excellent music of Joe Morys.

In addition to the dancing, there will be a drawing for door prizes.

Tickets are \$1 and can be obtained from the officers or at the door on the evening of the dance.

## Onstage Majority open at Allgauer's

The most versatile group performing on the contemporary Chicagoland scene successfully bridges the generation gap with a style that appeals to everyone. Their musical programs include styles from contemporary rock to popular classical.

The groups warmth and humor make for constant good rapport with audiences, and the variety of their entertainment keeps 'em coming back for more.

The Onstage Majority got its start in college. Each of the four has a formal musical background, and each began playing professionally when he was about 15 years of age.

Their appeal is enhanced by an original, extensive wardrobe that projects a different feel with each change of clothes.

In addition to their versatile performances Onstage, the Majority is involved in producing music for television and radio commercials. Among firms for whom they have composed or recorded commercials are Conoco, Old Milwaukee Beer and United Airlines.

## Plaza del Lago art festival winners

Buddy Black, Chicago area radio and television personality, presented prize checks totalling \$1,000 to 12 artists at the sixth Invitational Plaza del Lago Art Festival held Aug. 5 in Wilmette.

Representing the Plaza management, Black awarded first place ribbons and checks for \$125 each to Edwin P. Rosen, 420 Washington, Glencoe, mixed media; Zora DuVall, 361 Forest, Oakbrook rd., Lake Forest, oil paintings; Doris White of Jackson, Wis., watercolors; and Clyde Ball of Gary, Ind., sculpture.

Winners were selected by a panel of three noted Chicago artists including Jacob Burck, painter and sculptor and Pulitzer Prize winning editorial cartoonist of Chicago Sun-Times; Estelle Fedelle, Life Fellow of the Royal Society of Arts of London; and Irving Shapiro, member of the American Watercolor Society and director of the American Academy of Art in Chicago.

Other winners in the oil painting category were: John Naylor, 112 Wood st., West Chicago, second prize (\$75); and Stuart Slavik of Lake Villa, third place (\$50). Frank Rokonecay, 7615 Kildare, Skokie, received an Honorable Mention ribbon.

### Paintings on display

The paintings of world famous artist, Max Kahn, will be on exhibit in the Spiesberger Gallery of the Mayer Kaplan Jewish Community Center from Sept. 16, through Oct. 15.

Max Kahn, whose art work has been exhibited in hundreds of museums throughout the world, is presently on the staff of the University of Chicago. Among the numerous awards he has received in his lifetime are prizes from the Art Institute of Chicago, Ford Foundation, Amer-

ican Color Print Society, and The Society of American Graphic Arts, Inc.

A reception and discussion will be held on Sun. Sept. 16, from 7 p.m. to 9 p.m., at the Ma-7 to 9 p.m., at the Mayer Kaplan JCC, 5050 W. Church st., Skokie.

Admission to the exhibit and reception is free. Gallery hours are daily from 9 a.m. to 10 p.m.; Fridays from 9 a.m. to 5 p.m.; and Saturdays from 1 to 10 p.m.

## THE CORNERS

of Where it's at and What's happening.

By Ed Hanson

(Ed Hanson Is On Vacation)  
HIS COLUMN WILL RESUME WHEN HE RETURNS

### Hearty congratulations

Pat O'Brien congratulates Katie Allgauer on the opening of the new Fireside in Northbrook. The three million dollar restaurant is the second largest in the United States, according to the National Restaurant Association.

### Tower of Power and The Persuasions

Some funky rhythm and blues and spirited gospel harmonies will merge at the Mill Run Theatre for two nights on Friday, Sept. 7 and Saturday, Sept. 8 when Tower of Power and The Persuasions get together for a good-time act. Although both groups have been on the music scene since the sixties, they've recently gained national recognition.

Tower of Power has eleven members who developed their special brand of rhythm and blues in Oakland.

The five Persuasions stand out in the pop music field for their unique a capella style. No instruments, just voices which harmonized their way from street corners in New York's Bedford-Stuyvesant area to night club stages throughout the country.

Tower of Power and The Persuasions will present four performances on Friday and Saturday at 7:30 and 10:30 p.m. Tickets are priced at \$6.75 and \$5.75 and can be obtained at the Mill

Run Box Office and all Ticketron outlets. For ticket information, call (312) 298-2170.

## Metropolitan Youth Symphony Orchestra

The Metropolitan Youth Symphony Orchestra has openings in most sections and will hold its Fall Auditions on Sept. 9, 1973, in downtown Chicago.

The non-profit, non-sectarian orchestra, founded in 1959 by Conductor Mary K. Rosen, is composed of high school and college music students who reside in all sections of Chicago and outlying suburbs and towns. They rehearse every Sunday during the season in downtown Chicago and are thus given the opportunity to play great symphonic music in public under professional leadership. Soloists are selected by an annual competition from within the orchestra personnel and are featured at regular concerts. Many members are concertmasters and section principals in their school orchestras and find that the Metropolitan Youth Symphony Orchestra offers them a unique experience for orchestral playing that is not generally available in the local community. Last season, the orchestra was honored to be the recipient of the Tuley Orchestra Alumni Association Award.

Those interested in auditioning should contact the orchestra's Personnel Secretary at 779-8904 for an appointment and further information.

### Dahlia Society show

Dahlia lovers from all over the U.S. and several foreign countries will converge on Woodfield Sept. 13 through 16.

The Central States Dahlia Society will host the American Dahlia Society's National Dahlia Show and the Midwest Dahlia Show and Conference in conjunction with the Central States' annual Dahlia Show.

Mr. and Mrs. Irwin A. Sass, 8532 N. Marmora, Morton Grove - Mr. is treasurer of show commission, Mrs. is News Secretary editor, on the show commission in several capacities including P.R. Both are "Service Patrons," Region accredited judges, hospitality co-chairmen and registration co-chairmen.

Run Box Office and all Ticketron outlets. For ticket information, call (312) 298-2170.

## Variety Club golf tournament

Board-governor Irv Kupcinet (2nd-r.) gives some tips on how to sharpen their golf skill for the first annual Variety Club Irv Kupcinet Open, to fellow members (l.-r.) associate director Robert Dachman, 7318 Lowell, Lincolnwood, managing director Bill Margolis, Kup, and Chief Barker Bene Stein, owner of Golf Mill Theatres, 9210 Milwaukee, Niles. The prestigious celebrity-amateur golf tournament honoring the noted columnist and television personality will be held Monday, Sept. 24 at the Dominion Golf and Country Club, Wood Dale.

III. The price to participate is \$350 per player. Proceeds from the championship tourney will benefit Variety Club Children's Charities.

The Kup Open will be an 18-hole competition with at least one celebrity to be assigned to each foursome or fivesome, depending on the number of entries. The list of celebrities will be most impressive, according to managing director Margolis. Entries should be mailed to Bill Margolis, suite 550, 410N. Michigan, Chicago 60611, 644-6400.

## Back to school notes for mom

Here are some last minute reminders for families with children returning to school in District 64, September 4 is the first day of school. There will only be one hour of attendance this first day. The purpose of this brief session is to acquaint student and teacher, orient the student as to his new classroom and generally to ease back into the swing of school. The hours for the first day are: elementary - 8:45 to 9:45 a.m. and Junior High - 8:30 to 9:30 a.m. Starting the second day the following hours will be observed: Junior High - 8:30 to 8:45 a.m.; Elementary - 8:45 to 11:15 a.m. for Kindergarten and first graders, 8:45 to 11:45 for grades 2 to 6. Afternoon hours are from

1 to 3:30 for Elementary pupils with the exception of Wednesday dismissal is at 3:15 p.m. to allow teachers to attend professional meetings. Elementary students go home for lunch if not participating in the Parent Paid Lunch program. Junior High students bring their lunch or take advantage of the cafeteria. Letters have been sent to parents discussing what materials children should bring to school, bus schedules, and pre-school Parent-Teacher conferences for kindergartners.

There are 36 new professional staff members in our district this year. This does not mean they are all new to teaching. They are all certified and anxious to do a good job. There will be an orientation meeting Aug. 31 for the new faculty. Remind your children to be careful when walking to and from school. When you drive, watch out for children. If you have any questions, please telephone your school principal.

## September 5 opening day for Maine students

Wednesday, Sept. 5, will be the opening day of school this year for all students attending the Maine Township High Schools. Freshmen will have a full day of school on that date, but sophomores, juniors and seniors will be dismissed shortly after 9 a.m. after having their class schedules checked and their lockers assigned. Teachers will attend Institute Day meetings on Tues., Sept. 4.

The district's four high schools are now selling textbooks, activity tickets and other school supplies to students. Each student has been notified by mail regarding the day and time he is to purchase his books and supplies. To avoid congestion and waiting in line, students and parents are urged to report at the time and date designated. A bus schedule has also been sent to each student.

Since Illinois law requires all entering freshmen to have a physical examination, school officials are asking parents to have these examinations completed at the earliest possible moment. Freshmen must present their health certificates when they purchase their books. All students must present signed emergency cards and dental cards at this time.

**GIVE ... so more will live  
HEART FUND**

## District 207 free lunch program

Because of higher food costs at the wholesale level, the price of a Type A lunch for Maine Township High School students has been raised to 55¢ for the coming school year - a 5¢ increase over last year's cost.

A policy to provide free lunches to those high school students whose families cannot afford to pay the price of the meal has been developed by Maine Township High School District 207 in cooperation with the U.S. Department of Agriculture and the Department of School Food Services. The school district will provide lunches free to students whose family income level meets the eligibility standards indicated below:

| Annual Gross Income | Family Size                   |
|---------------------|-------------------------------|
| \$2,740             | 1                             |
| 3,600               | 2                             |
| 4,460               | 3                             |
| 5,310               | 4                             |

| 640                 | Each additional family member |

These determinations are based on national guidelines used in participating schools through-

out the United States and prescribed by the Secretary of Agriculture. In addition, consideration will be given to any circumstances, such as family illness, unexpected expenses due to fire or similar disaster, seasonal unemployment, and similar emergency situations.

A letter giving information about the school district's free lunch policy has been sent to parents of all Maine high school students, along with an application form and information regarding procedures for application. Parents who believe that their children may qualify for free lunches are urged to fill out the application blank and return it to their child's school. Such applications will be reviewed within ten days and the family notified in writing of the decision made. Information provided on the application will be held in the strictest confidence, and the anonymity of each student receiving a free lunch shall be insured.

Those who qualify will be served a well-balanced, Type A lunch, consisting of meat or an alternate protein-rich food, a serving of two or more fruits and vegetables, bread, butter and milk. Planned to provide from 1/3 to 1/2 of the nutritional needs of school children, the meal will be identical to that served to paying students who will be charged 55¢ daily for lunch.

## District 63 lunch program policy

East Maine Public Schools, District #63, today announced a free and reduced-price meal policy for students attending Apollo and Gemini Junior High Schools unable to pay the full price of meals served in schools under the National School Lunch Program.

Illinois statutes require all public schools to provide free lunches to children from families whose income is at or below the established guidelines. Local school officials have adopted the following family size income criteria for use in determining eligibility.

Children from families whose income is at or below those shown are eligible for meals free or at reduced prices. In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

They may do so by filling in the application forms available in the principal's office in each school. The information provided on the application will

be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year.

In certain cases foster children are also eligible for these benefits. If a family has such children, living with them and wishes to apply for such meals for them, they should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of his race, sex, color, or national origin.

Under the provision of the policy the Assistant Business Manager will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the Official, he may make a request either orally or in writing to James E. Bowen, Business Manager, whose address is 8320 Ballard rd., Niles, Ill., 60648 for a hearing to appeal the decision. Hearing procedures are outlined in the policy. A complete copy of the policy is on file in each school and in the office of the Board of Education where it may be reviewed by any interested party.

| Family Size                   | Family Income Free Meals | Family Income Reduced Price Meals |
|-------------------------------|--------------------------|-----------------------------------|
| One                           | \$2,740                  | \$3,280                           |
| Two                           | 3,600                    | 4,320                             |
| Three                         | 4,460                    | 5,360                             |
| Four                          | 5,310                    | 6,380                             |
| Five                          | 6,100                    | 7,320                             |
| Six                           | 6,890                    | 8,260                             |

Days: Monday, Wednesday, and Friday from 9:30 to 11:30 a.m.; Monday, Wednesday and Friday from 1 to 3 p.m.; Tuesday and Thursday from 9:30 to 11:30 a.m.; and Tuesday and Thursday from 1 to 3 p.m.

Location: Grennan Heights Annex, 8255 Oakton ave.  
Days: Monday and Wednesday from 9:30 to 11:30 a.m.; Tuesday and Thursday from 9:30 to 11:30 a.m.; and Tuesday and Thursday from 1 to 3 p.m.

Location: Oakton Manor Fieldhouse, 8100 Ozark ave.  
Days: Tuesday and Thursday from 9:30 to 11:30 a.m.; Tuesday and Thursday from 1 to 3 p.m.  
Fee: \$38 per 15 week session for three days per week; \$25 per 15 week session for two days per week.

## District 64 bus schedule

Bus #2 - 8:05 a.m. - Return: 3:25 p.m.

Stops: 1. Begin at Cuttriss and Overhill (east); 2. Jonquil Terrace and Oleander; 3. Jonquil Terrace and Oakton; 4. Jonquil Terrace and Oakton (north); 5. Oakton and Kirk; 6. Oakton and Oakton (west); 7. Oakton and Oakton (west); 8. Oakton and Oakton (west); 9. Oakton and Oakton (west); 10. Oakton and Oakton (west); 11. Oakton and Oakton (west); 12. Oakton and Oakton (west) - (bus proceeds west on Oakton to Emerson school).

ey, ice skating, Halloween window painting, Halloween parade and celebration and Winter Carnival.

## SCHOOL NEWS

### Tower YMCA fall classes

The Leaning Tower YMCA announces the Fall "73" schedule of classes has been completed. An interesting and varied program is available for area residents to choose from. Youth and adults will discover numerous opportunities for self-improvement, relaxation, and recreation during the ten week term scheduled to begin the week of Oct. 1.

Outstanding leadership is offered by the following departments: hobby, special interest, fine arts, aquatic, sports and physical education. Prospective students are encouraged to plan their Fall program now, and register at least one week before classes begin.

Adult sport and physical education classes (10 week term) will include: judo, karate, yoga, fencing, American self-protection and women's volleyball. Specials for women: "Trimastics," tennis and the popular "Lose Weight" program. "Cardio-Respiratory" conditioning classes for men are being continued with early a.m., noon or evening periods available. Adult golf classes are scheduled for 6 weeks.

The aquatic department (10 week term) for adults will feature a "Boating Safety" course directed by the U.S. Coast Guard Auxiliary. Progressive swim instruction, scuba diving, "Aqua-nastics" (for women) and a swim course designed especially for those who have never learned to swim, called "Land Lubbers" are all set for the Fall term including life saving classes, skin diving and "Family Water Safety" (Parents and child).

Special interest, fine arts, and hobby classes for adults (10 weeks), include: decoupage, crocheting, amateur radio, "Food Ideas Unlimited" (a consumer-oriented class), dressmaking, art, guitar, beginner bridge, hypnosis, dog obedience, photography, "Modern Jazz Dance and Exercise," adult social dance, Arabic "Belly-Dancing," and Hawaiian dance.

Local youth will find a lively and outstanding program of classes to choose from. Ten week courses: "Model Workshop" (for girls), art, guitar, ballet, acrobatics, and "Arts and Crafts" for (3-5 year olds). Youth sports and physical education classes (10 weeks) include: judo, karate, American self-protection, gymnastics, wrestling, archery, trampolines, body building and roller hockey (boys). Youth golf classes are set for 6 weeks.

Youth aquatic classes (10 weeks) include: Progressive swim instruction, diving, skin diving, water ballet (girls), and "Family Water Safety" (Parent & child).

The pre-school "Gym and Swim" program for children four months to seven years, one of the Tower YMCA's leading activities is being continued. "Tiny Tots" and "Small Fry" (3 thru 7 yrs.) may be enrolled in the Tower "Sports and Games" program being organized for this age group (10 wk. term).

Remember all classes are scheduled to begin the week of Oct. 1, 1973. Early registration is advised.

Registration opens for members on Monday, Sept. 10. Non-member registration will begin on Monday, Sept. 17.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 556 or drop by the Leaning Tower YMCA, 6300 W. Touhy ave. and pick up a "Program Services" brochure. (Baby-sitting services are available during daytime classes). The service desk is open daily 9 a.m. to 9 p.m.

Registration opens for members on Monday, Sept. 10. Non-member registration will begin on Monday, Sept. 17.

## Crewel embroidery contest winners

Winning entries are displayed by (l. to r.) Judy Thomas (first place), Bernadette Kanas (fourth place), and Arlene Strack (third place). Not pictured: Sandra Gerstung (second place) and Bernice Padgett (fifth place).

North West Federal Savings, 4901 W. Irving Park rd., recently announced the winning entries in its crewel embroidery show and contest.

Five winners were chosen from over 50 entries in the show. Judy Thomas of Chicago was awarded first place; second place went to Sandra Gerstung of Chicago; third place to Arlene Strack of Chicago; fourth place was awarded to Bernadette Kanas of Chicago; fifth place was captured by Bernice Padgett of Chicago.

Mrs. Thomas received a \$25 cash prize for her floral creation. The four runners-up each received a Paragon crewel embroidery kit for their efforts. The crewel embroidery contest was part of North West Federal's recently concluded Summerfest celebration.

## Palatine's Baldwin Court Condominiums

Despite Phase IV of the President's economic policy now being in effect and price ceilings having been lifted on most items, Baldwin Court in Palatine will keep its same, low price range from \$21,900 to \$23,500 for the two bedroom condominium homes.

Every Baldwin Court condominium home will still include, at this same low price, complete air-conditioning; private balcony or patio; choice of carpeting throughout living room, bedrooms and hall; richly appointed ceramic tile baths; color-coordinated kitchens and individually controlled gas hot water heating.

And every Baldwin Court owner is automatically a member of the private air-conditioned clubhouse complete with swimming pool, shuffleboard court, pool table, game and conference rooms, tiny tot playroom and a huge lounge with a double fireplace.

Baldwin Court is located in a private, fully landscaped setting convenient to schools, churches, shopping and expressways, with all maintenance handled by a professional maintenance staff. Chicago and Northwestern train stations are located nearby for residents to easily take advantage of daily service to Chicago's loop and farther NW suburbs.

To reach Baldwin Court, take Rand rd. (Rt. 12) to Baldwin rd., which is one-half mile northwest of Route 53. Models are open-for-inspection Mon. through Fri., 10 to 8, and Sat. and Sun., 10 to 6.

## Mel Little aids Crusade of Mercy

Mel Little, of Morton Grove, a project manager for Allstate Insurance Co., has been loaned by his firm to assist the Suburban Campaigns Division of the 1973 Crusade of Mercy campaign.

Little, a 24-year veteran at Allstate, will assist the participating West Cook County united funds and community chests with their local Crusade campaigns. The Crusade goal this year is \$36.8 million. The Crusade raises funds for the Community Fund of Chicago, the Mid-America Chapter of the American Red Cross, the Suburban Community Chest Council and its 90 participating chests and funds, covering 155 suburban communities.

The Crusade supports critical community needs that include care for emotionally disturbed youngsters, services for the blind and deaf, vocational rehabilitation and training for the handicapped and day care services for mothers who have to work.

## RIFLE SQUAD OFFICERS

The Rifle Squad of the Morton Grove American Legion Post #134 recently elected new officers for the ensuing year.

Former Seventh District and Post #134 commander both, Edward McMahon, of Morton Grove, was elected commander. He will automatically perform sgt. at arms duties for the Post itself by virtue of this office.

The district is composed of eighteen Legions situated on the north shore Chicago and suburban area.

Others elected with him were: Senior Vice Commander, Ed Martin; secretary, Bill Cunnally; and finance officer, Frank Hilbert, retiring post commander. Martin and Cunnally are also both past post commanders.

The Squad meets on a monthly basis independently of the Post. A smaller group, they are the honor guard of the Legion and other meetings and functions, participate in Americanism projects, conduct services at the wakes and funerals of their comrades and are included in many parades.

representative of Little League and is fairly new, but is catching on with boys 16-18 years of age. Let's hope that it is here to stay.

Lincolnwood's Little League banquet will be held at Proesel Park. Something new has been added in Lincolnwood. The awards, fun, games and prizes will be held Sept. 8, Saturday at 1 p.m. or if a rain-out it will be held Sept. 9, Sunday. Bring your own lunches or you can order a box chicken dinner for \$2 per person. Lots of fun for all.

With a year of baseball ending, we would like to remind the parents that all boys are eligible to join in the Lincolnwood Little League program. All fathers interested in being coaches are asked to call 677-5153, Fred Hossfeld or 679-1393, Carl Carlson. It is important that we get enough coaches and boys in both farm A & B teams. We are hoping for a larger response in the "B" teams. The boys will learn the game of baseball and team work and how to play as a team, meeting new friends and having an opportunity of playing a favorite pastime. Who knows, your son might someday be playing in the Big League in a world championship game.

Just a reminder that the Lincolnwood Men's Club, a civic organization, wants to invite all new and old members to their first meeting Monday, Sept. 17 through the 3rd Monday of every month. There are interesting guest speakers planned, family get-togethers and much more.

To be a member, all you have to do is fill out a membership card and send \$12 for the year's dues, which entitles you to buy tickets, parties, etc. Most of the money is to be sent to Lincolnwood Little League, Harbor Lights Salvation Army, Skokie Mentally Retarded.

For information call: 679-8452 -John Beckwith or send check to: Lincolnwood Mens Club, 7110 N. Lincoln ave., Kenilworth Inn, Lincolnwood, Ill. Meetings are held at Kenilworth Inn, Button Room-downstairs, 7110 N. Lincoln ave., Lincolnwood.

## Auditions...

Cont'd from Lincolnwoodian P.1

Sept. 10, 11 and 12, at 8 p.m., where auditions will be conducted by director, William Ditton of Deerfield.

Further information may be obtained by calling William Weiss, President of LCT, at 674-0677.

## Legal Notice

Compliance Plan Hearing

A. B. Dick Company, 5700 W. Touhy Avenue, Niles, Illinois has filed with the Environmental Protection Agency a Compliance Program to bring said Company into Compliance with applicable future Illinois Pollution Control Board Air Regulations. The Compliance Programs will be available for public inspection at Chicago Public Library, 78 E. Washington, Chicago, Illinois. Title 40, Part 51 of the Code of Federal Regulations require a public hearing to be held on all applicable Compliance Programs. The Environmental Protection Agency solicits public comment. A Public Hearing will be held at 10:00 A.M., September 13, 1973, Illinois Education Association, Second & Edwards, Springfield, Illinois. Any person who wishes to present either oral or written testimony at the Compliance Plan hearing should contact the Environmental Protection Agency, Division of Air Pollution Control, Variance Section, 2200 Churchill Road, Springfield, Illinois 62706 (217) 525-5811 by September 6 (five working days) before hearing.

## From the LEFT HAND

Continued from Page 1

and the girl of spring still looked pretty good, and it was the first day of school.

The first day of school meant a new beginning. Every first dayer was pledged to getting good grades, doing all his homework . . . It was a new beginning. And after school, first dayers began throwing around a football. It was hot and sweaty in those long corduroys, but you ran . . . it was a game and you caught and you played the first game of the new year.

The first day saw you dressed in those white underwear - like gym suits, and if it was your first year and you hadn't been in a gym suit before you stood around self-consciously, joined in laughing at the fat guys, and the skinny guys. The athletes seemed more noble, grabbing the ball . . . baseball, softball, volleyball or basketball, and did their thing with incredible ease.

The first day before the bell rang we'd all get to school early. White hundreds of first dayers milled about someone would drop a pencil, and contagiously we yelled and hooted at the pencil on the ground. Someone hooped and hollered, someone else danced Apache-style around the yellow stick, and everybody laughed because it was senseless and fun and everyone was together again.

The first day after World War II was a bit different. Freshmen came in all sizes and forms. The green 17 year olds were fellow-clubmen with 30 year old fathers. The white bucks and the cashmere sweaters sat next to the GI faded khakis and the washed out field jackets. Leather jackets with worn-out Disney figures and squadron numbers painted across the back sat next to burr-headed high school jocks who had loads of pretty girls surrounding them in the beer hall. First day beer drinkers included the liberated youngsters, and their first beers which could be drunk out in the open, and the bulky football players from Cary, who must have been majoring in brew-melstering. It's doubtful they saw the inside of any classroom except the gymnasium during the entire semester.

The first day in school also meant taking the kindergarten to her class. And when you came home from work and heard she wouldn't stay in school

you just laughed and told her mother to try again tomorrow. When she came home with mother for the second day father took over and stayed with her the third day. You stayed in the room, gradually walked out the door, while those terribly sad blue eyes watched you, ever-fearful she'd never see you again. Outside the door, you peered in, making sure she could see you, and then after awhile you slipped outside, waited awhile, and then slowly walked home just a little bit sadder.

The first day meant riding your bike to school, and riding to a new job after school. You were only 14, but it was much older than 13, and you were in high school, and you had a job . . . which you knew made you older.

First day meant you went up to the gym after school and watched the varsity taking shots long before the practice season started. You just watched, because they were the older guys, and they were the stars of the team, and the familiarity of the past summer on the playground court was soon forgotten when they re-joined their teammates. You'd won when you were in their gym shoes you wouldn't forget the younger kids just starting out, but they did, and you did, some three years later.

The first day you found one guy who drove a car to school and he was a man to know. And the teachers said to stay out of the car during school hours, and some didn't, and the policeman dragged them before the principal, who called for their folks, who were told their daughters' good names had been jeopardized, just by sitting in the car, and wrestling away some harmless energy.

First days meant after-school notebook shopping, and scissors and paste-buying, those stickers for the notebook paper rings. And first day meant a quick game of pool down the block, juke-box playing, and lots of talk about the summer - of '55 or '58 or '42 or '47.

Paraphrasing that old Frank Sinatra song, "It was a very good first day." They were nice to have. And we hope today's first dayers will enjoy them every bit as much.

## Dist. 219 strike... Cont'd from Lincolnwoodian P.1

In Illinois, he said, there have been 40 strikes during the same period and only about 15 of the state's 1,060 school districts are in danger of being struck. He said the Illinois Education

Assn. is trying to generate as many strikes as possible to pressure the General Assembly into passing a collective bargaining law.

## Niles tax. . . Cont'd from Niles-E, Maine P.1

ient to meet the costs of the program, Murphy said to reduce the cost by 1/3 buses will be cut back from 3 to 2 along the local lines, and time intervals between buses will be increased from 25 to 30 minutes.

Murphy reported the Milwaukee to Jefferson Park line has increased passenger use from 122 to 460 per day for a similar 22 day period in July; comparing 1972 with this new 1973 service. On Dempster Street the passenger increase has gone from 349 to 697 passengers for a similar period.

Village President Blase commented public transportation has never been sold in the area citing the need for a more concentrated effort on behalf of all persons involved, as well as the local publications in the area. In still other actions industrial representative, particularly Jarke and Pathfinders, sought relief from the special assessment on Howard Street between Milwaukee Avenue and Edens Expressway.

The special assessment will be for \$318,721, or about 11.08% of the total improvement. Direct costs to industries fronting on Howard Street will be \$49.50 per front foot and can be paid over 10 years at a 7% interest charge on the balance. Indirect costs to those not fronting on the improved street, but adjoining these areas will be \$14.50 per front foot on these side streets. The area involved includes Natchez Street, 850 feet south of Howard; Croname, 800 feet south of Howard; and Meramac, from Howard Street north

to Mulford. The area included in this assessment is from Waukegan Road to the Gross Point-Lehigh intersection and will cost \$2,717,051. Only 2 residents are affected by the assessment while industry owns the remaining property.

Industry will contribute 14% to the improvement while the village will expend 12% for the cost. The remaining money comes from state and federal expenditures.

In objecting to the assessment the attorney for Pathfinders sought a traffic study for the area, containing only about 10% of the cars using these roads can be attributed to industries fronting there. The owner of Jarke agreed in seeking relief. However, trustee Ang Marcheschi reminded the industrialist for the past 10 years industry has sought relief from the traffic problems there. The village has received the maximum funds from outside agencies for the project resulting in the village paying 12% of this assessment and the industry paying 14%, the remaining amounts coming from state and federal agencies. He believed the distribution of the costs was equitable. The Village trustees, Jarke reminded the Board, had made a \$6,000 contribution by paying for an improvement many years ago, and then gave the improvement to the village. He noted he was most pleased with being in Niles and noted the services in Niles "are the finest."

The attorney for Pathfinders, a new company which has been

## MG tax. . .

Continued from MG P.1

Mark Anderson of the Citizens for Better Environment was present again and there was great hostility between him and many board members. He said Morton Grove was just one of a small minority of communities who refused to allow his organization the right to solicit and took exception to the way he was received by the board. Board members maintained he had a fair hearing and finally agreed that in spite of the fact they felt his group did not give enough to charity, they were bound to consent to the solicitation request since they did comply with our ordinance.

The next order of business was the Fanslow case which is the request for a Special Use permit by the builder to put up an apartment building on the southwest corner of Waukegan rd. and Dempster st. The ordinance was approved and permission granted.

Mr. Nordberg read an ordinance putting a 2-way stop sign at the intersection of Mason & Frontage rd. It was adopted by the board.

here since March, said he would consider filing a suit in objection to the assessment.

In additional village action the Board cited fencing champion Tim Glass for his recognition as national champion at a meet in Tucson for men under 19 years old. The recent Notre Dame High School graduate is also the Illinois-Wisconsin champion in the Epee. He will be entered in a 1971 tourney in Smyrna, Turkey and will be on the United States fencing team which will be in Argentina in the future. He will attend Notre Dame University. The parents of the young man were also present and were congratulated by the Niles officials.

## Lessons for Young Bicyclists to Learn

So Your Child Is Getting A Bike?

Not since the late 1800s has bicycling been so popular in the United States. More people are riding bikes for transportation and health reasons than ever before in our history! But, this pleasant and healthy mode of travel has created even greater traffic problems than we had previously.

With the growth of adult cycling interest, there has also been a great increase in the number of bicycles being ridden by pre-teen and teenage children, due to our society's growing affluence. National accident statistics prove that most of these children are allowed to venture forth into the streets and highways without proper instructions relative to traffic regulations and safety precautions.

This is the introduction to a 13 article series on safe biking provided by this department. Each article following will be slanted to the youngster in your family who uses a bicycle on the public highways. They will be presented in lesson form, with questions at the conclusion of each. Parents are invited to use this series as training material. When all questions are answered correctly, showing that your child has absorbed the material, file them away. When all lessons have been completed to your satisfaction, at the conclusion of the series, the child may mail them to this department and receive a wallet-size card showing that he has satisfactorily completed the course. It is felt this should provide sufficient motivation to teach each youngster in our community the tremendous importance of safe biking. Correct answers to all questions will be found in the body of each lesson.

If you have a pre-teen or young teen in your family, using a bicycle on the streets, why not join in this very important safety campaign?

Next Week: Lesson No. 1 - Safe Bike Lights and When to Use Them"

## Travelogue. . .

Continued from MG P.1  
on campgrounds, fishing, sports and outdoor recreation.

Come to the Morton Grove Public Library on Sept. 11 at 7:30 p.m. and enjoy, free of charge, these trips to our beautiful U.S.A.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth . . . and keep it that way with automatic Inflation Coverage.

## Capparelli opposes widening of Howard st.

State Representative Ralph C. Capparelli (D-16th) said he will oppose the widening of Howard st. between Milwaukee and Octavia aves., but will consider supporting the construction of left turn bays for all intersections.

The proposal is the result of a preliminary study conducted by the Illinois Department of Transportation. The State contends that traffic projections for the future show an increase in demand for roads in the Harlem, Milwaukee and Howard st. area. "It would be just a matter of time before congestion will break down the flow of traffic through the intersections. The purpose of this improvement is to alleviate existing and future traffic congestion," a document distributed at a public informational meeting in the Niles Village Hall stated.

After listening to all comments and recommendations at the meeting, Capparelli, in a letter to Transportation Secretary Langhorne Bond, pointed out that "Howard Street at this location is primarily residential. Widening the street," he said, "will increase traffic flow making it hazardous for children to play, create a higher carbon monoxide count in the atmosphere, disrupt the residential character and beauty of the neighborhood, and add to existing parking problems."

Current traffic studies place the daily traffic count at 3300,

ultimately to reach 7500 within a few years. The State contends the widening is necessary to accommodate the increased traffic.

Capparelli disputes this thinking. "Widening the street only encourages more traffic to use the thoroughfare. Howard street west through Edison Park and Park Ridge would become an arterial road. As traffic increases, improvements should be made on Touhy, and Harlem aves., Northwest Hwy., and Milwaukee ave., to accommodate additional traffic flow," he said.

Under the proposed plan, the south side of Howard st. between Milwaukee and Octavia aves., would be widened approximately 10-12 ft. to include the parkway fronting on nine two-story apartment buildings. The street would butt against the sidewalk, creating a dangerous situation for pedestrians.

The State estimates total cost for the street and intersection the federal government contributing 50% of the cost.

In addition to meeting with state officials, Capparelli will ask that an environmental impact study be made of the area. "When the results of this study are in," the federal government may oppose the proposed improvement program on the grounds that it may increase air pollutants," he said.

Capparelli plans to work with the Edison Park Community

Council and his two colleagues, State Representative Roman Kosinski and 41st Ward Alderman

Roman Pucinski in opposing the street widening program. The Department of Transportation plans to hold public hearings on their proposal in late 1973 or early 1974.
