Maine East Homecoming Saturday

Homecoming comes but once a year, and this year it descends upon Maine East at an early date. "Through the Looking Glass—A World of Fantasy," this year's Homecoming theme will take place Sept. 29 as the Maine East Demons meet the Maine North Norsemen.

all lunch periods.

Students will vote for 5 guys and 5 girls by placing an X next to each choice and then indicate their choice for King and Queen by marking one of each of the 5 names with two X's. The girls nominated for Homecoming Queen are Karen Hanrahan of Niles, Cindy Haerr of Niles, Roseanne Goetz of Park Ridge, Diane Flotzlen of Niles, Debbie Kramer of Morton Grove, Jan Pierce of Morton Grove, Joy Matranza of Morton Grove, and

Debbie Dicker of Morton Grove. Nominations for Homecoming King are Carl Anderson of Niles, Bill Rizzo of Niles, Mark Franklin of Morton Grove, Bob Hanson of Niles, Mike Donatucci of Park Ridge, and Bill Mogensen of Morton Grove.

The candidates will be introduced to the students during assemblies held in the auditorium. Homecoming activities for all students will begin Monday, Sept. 24, from 3:30 to 8:30 p.m., and will continue through the week.

Friday, Sept. 28, floatbuilding will continue until 9 p.m. with Student Council serving free food to all float builders with I.D. cards.

Float judging will begin at 9:15 p.m. that night. They will be evaluated according to the 3 divisions. These are Class Float Division; Decorated Car Division; and the Midget Float Division, for smaller groups.

The firelight pep rally will conclude the week of float building as all Blue Demons assemble

in the football stadium for the 9:15 p.m. burning of Maine East's initials.

Sept. 29, the day of Homecoming, begins at 9 a.m. as the parade gets underway. "Taking a new route this year, the parade will begin at school and will feature a rally at Golf Mill," stated Homecoming chairman Karen Hanrahan of Niles. "We hope to attract a crowd that will participate in our Homecoming and really make it worthwhile for all. Continued on Page 31

REQUEST OK FOR 44 UNIT MULTIPLE

By Karen Wolfson

Niles teen center

Can a "teen center" be relevant and fun at the same time? Can it provide consumer education and dances? Can high school students plan and direct their own activities? Are teenagers interested in learning about the college of hard knocks without having to attend it? Can music, pizza, a pool table and a hall be the backdrop to a personal commitment to yourself and the community? Can a "teen center" find a name for itself?

If you answer YES to all or any of the above, we need you. Continued on Page 30

A 44-unit condominium may be built in Niles if a zoning variance is granted for the construction of the complex. The Niles Village Board Tuesday night deferred action on a rezoning request by the developers for the proposed condominium at 6872 Touhy Ave. The board decided to wait until its next meeting to vote on the zoning request in order to study the plans for the condominium.

The complex would be located on a 2 1/4 acre piece of land and would include four, 11-unit buildings. At the meeting, the board also explored the possibility of putting recreational equipment on a vacant strip of Commonwealth Edison right-of-way property.

Complaints by residents of the Golden Acres area about persons illegally operating motorcycles and mini-bikes along the 2000-foot strip of land off Greenwood Ave. near Glendale St. prompted discussions between the city and Commonwealth Edison on a means of eliminating the problem.

Lowell E. Geffinger of Commonwealth Edison suggested to the board the possibility of putting up fences at access points to the right-of-way and also breaking up the property by leasing a portion for use as a car storage facility.

However, Abe Selman, in his Continued on Page 30

From the LEFT HAND

By David Besser
Editor & Publisher

From our left handed perch it has always seemed the issuing of liquor licenses in our communities has been arbitrary resulting in unfairness.

A couple of weeks ago Niles issued a package license to the new Treasury store at Golf and Milwaukee, Niles village president and one man liquor commission, Nick Blase, stated Treasury was "verbally" promised the license at the time it annexed into the village. Niles trustee Rich Harczak questioned this action and said he felt issuing licenses to the big guys only, was competitively unfair to the smaller retailers in town.

The point was well taken and speaks well of Harczak. In his defense of the little guys he was actually defending the rights of one of his major competitors, who unlike Harczaks, also owns a liquor license.

Niles, like most of its neighboring communities, has limited liquor licenses which requires an ordinance amendment before they can be increased or decreased. Licenses are also divided into pouring and package licenses.

Harczak pointed out he was unaware of any agreement for a license for the new store complex when it came into Niles. Blase answered the agreement was verbal. He later added it was important Niles receive the tremendous sales tax revenues which would be generated by the new store, which Blase believed seemed to justify the action.

Coming from a family background which had liquor store experience we sought a package license for the Oakton-Milwaukee area some 20 years ago. We went to see Mayor Stankowicz, who then had the dual role of village president and liquor commissioner, and he turned us down flatly. He told us there was a restrictive covenant which prevented the issuing of a license there and we were shut out. It wasn't too many months later a license was issued there and we gave out that same "mmmmmm", Mazda motors are supposed to hum.

In subsequent years we've sat through many village board meetings watching many of the licensees come and go and gradually seeing the increased number of

Belden Regular Baptist Church

The Italian Evangelist, Carlo Pietropaulo of Altona, Pa., has been engaged in full time Evangelistic work for 24 years and has conducted meetings across the United States, Canada, and into Mexico. His ministry reaches all age groups. He has been doing children's work for over 25 years along with a ministry to young people. He has been engaged in Youth Camp ministries during these years and many young people and children have been helped spiritually and otherwise.

The main stress has been the Visitation Evangelism Ministry that he has and will be conducting in this area upon his arrival. In an average yearly ministry over 72,000 homes are reached in the house to house ministry. Over 200,000 gospel tracts are distributed into these homes along with other associated results. Mr. Pietropaulo feels that this is really New Testament Evangelism.

He is a graduate of Moody Bible Institute, Chicago, and also a graduate of Practical Bible Training School, Bible School Park, New York. He has traveled with such groups as the King's Business Quartet, Students League of Many Nations, and the Moody Choral Choir.

He has served as the Associate Pastor of the Grace Gospel Church of Huntington, W. Va., and the Immanuel Baptist Church of Hartsville, S. Ga. He is currently, along with his active Vis-

Knights of Columbus Communion Sunday

North American Martyrs Council #4338, is holding their annual Communion for members and their families on Sun., Oct. 7, at the 9:15 Mass at St. John Brebeuf Church in Niles, followed by breakfast in the parish hall.

The Knights of Columbus in Illinois heartily endorse the program as a "public act of faith in Christ's Presence in the Holy Eucharist" and the "Knights' love and loyalty for the Church. The Most Rev. Arthur J. O'Neill, State Chaplain and Bishop of Rockford urge "all Brother Knights, on this Corporate Communion Sunday to adopt as their special intention the theme of gratitude to God for the gift of life and the gift of Faith." He also asked all Knights, "to petition our Heavenly Father through this Sacred act, that all men may come to the knowledge that life and faith are precious."

Oakton golfs score first victory

Oakton Community college won in a meet with Milwaukee Area Technical college in a golf meet held Tuesday, Sept. 11 at Rob Roy Country Club in Mount Prospect by a score of 320-376. Jim Weser turned in a 74 and Joe Daneluk a 78 in pacing the OCC golfers.

Oakton Coach Mr. Joe Borowski is looking ahead to the teams first Skyway Conference competition against Mayfair and Elgin colleges at the Glenview Park District Course on Sept. 20. Led by 4 return-

ing lettermen, Borowski's golfers hope to finish no lower than second or third in the league. They have also set their sights on the sectional meet on Oct. 16 and will try to qualify the whole team for the Region IV Tournament in Champaign.

Shown above, l. to r., first row John Hujer, Joe Daneluk, Ed Alsuede, Nick Abatecola, Mike Mason, L. to r., second row, Chuck St. Louis, John Murnana, Jim Bohlman, Jim Weser.

Girls' tennis

On Tuesday, Sept. 18, Maine East's girls' tennis team hosted Niles North, on the Dempster st. courts.

Competition is keen between the 16 participating girls for doubles positions. They are Jan Cherven, Diane Cima, Joan Foelsch, Laura Frayn, Sue Glowienke, Sue Golan, Rhonda Greenfield, Sue Hiller, Renee Holly, Jill Kellin, Karen Mitzman, Marcia Rosen, Eileen Santry, Mary Santry, Natalie Versten, and Karin Witje.

Stock car champion

With the conclusion of the regular stock car racing season, Ed Hoffman of Niles is the 1973 late model stock car champion at the Illiana Motor Speedway near Schererville, Indiana. Hoffman, driving a 1971 Camaro, captured four feature races during the year and finished at 82 points ahead of his nearest competitor in the season's final point standings. He competed in all 15 racing programs on Illiana's regular schedule.

Hoffman began his stock car racing career at the old O'Hare Stadium in Schiller Park in 1966. He has competed at most of the Midwest's speedways, and has also competed on the United States Auto Club (USAC) stock car trail driving his own Chevelle.

Hoffman has been one of the top drivers at Illiana for the past several seasons, capturing his first Illiana track championship in 1971. In 1972, he won 13 feature races but finished second in the final point standings. Besides winning his second track title at Illiana this year, Hoffman is also the 1973 Grundy County Speedway (Morris, Ill.) champ.

Hoffman and his wife, Mary, have 2 children, Eddie and Karen. When not racing, Hoffman is an excavating contractor.

Swimming program

The "Learn to Swim" Program at Maine Township high school East is now accepting more applications for 7-13 year old children. Parent permission forms and the \$7.50 fee may be accepted on the Saturday morning 15 minutes prior to the time of the first lesson to be taken.

The swim lessons, beginning Sept. 29 under the direction of 2 Maine East swim coaches and a former water ballet instructor, are taught by the 40 competent, enthusiastic high school members of Maine East's Demon Guard.

for all ability levels with no more than 4 pupils per instructor. Students advance on an individual basis and may come as often as they wish on their eight lesson ticket.

Maine East believes their program provides an inexpensive and professional opportunity for youngsters to become swimmers. The schedule of classes is below. For further information parents should call the school office (825-4484) or visit the new pool on Saturdays during the following hours: 8:15 to 9:15 a.m.; 9:15 to 10:15 a.m.; 10:15 to 11:15 a.m.; 11:15 to 12:15 p.m.

Lesson No. 4 - Electric Traffic Signals

Probably the most important traffic signal is the electric "stop and go" light. Most often it is referred to by auto drivers as a "stop light." Of course, I am referring to the traffic signals with a red light at the top, an amber light in the middle, and a green light at the bottom. I call this the most important signal because when the light facing you is red, that means the lights controlling the opposite directions are green. Therefore, if you go through a red light you are almost certain to find yourself in a very dangerous position.

What does the red light mean? The red light on the signal means that all drivers, no matter what type of vehicle they are driving, MUST come to a complete STOP, and wait until the light changes to GREEN before they go through the intersection. I am sure that all young people riding bikes have seen cars go right on through a red light. This, of course, is against the law and it is very dangerous. If a driver goes through a red light, whether it is by accident or on purpose, he is endangering his own life and the lives of many others around him! If a police officer sees him go through a red light, he will be issued a citation, and he will most likely be required to pay a substantial fine. Always remember, a RED LIGHT means STOP, no matter what! It would be of no benefit to say, "I'm sorry, I didn't see the red light," or, "I wasn't paying attention," if you went through a red light and caused an accident or were seriously hurt yourself. When you are riding your bike, you MUST ALWAYS be paying attention!

The amber colored light is difficult to understand for some people. It is a warning light indicating to those who are approaching it that the light is ready to change to RED! If you are approaching a GREEN light and suddenly the amber light comes on, you are required to STOP. The only time you may proceed through an amber light is when it changes to amber after you have already started through the intersection. This is very important! Never continue through an intersection when the AMBER light comes on as you are approaching the intersection! On some signals the amber light will come on to indicate the red light is going to change to green. You must not go through the intersection until the GREEN light is actually ON!

(Another vehicle, coming from the opposite direction, may be coming through on the amber light. If you and he met in the middle of the intersection there would surely be an accident! YOU could be hurt badly!)

The GREEN light means you may proceed through the intersection without hesitation...BUT, not without caution! Be alert, keeping a watch in both directions to see that someone else didn't miss seeing the light and is coming through, even though his light is RED! Such a driver would be in the wrong, of course, but what good would that be if he hit you? It would still hurt just as much even though you were in the right and had the right of way. You must always be ALERT to what everyone is doing around you, for your own safety!

Some electric "stop and go" lights have a GREEN ARROW which comes on pointing LEFT. This means that you may proceed, if you want to make a left turn, and the oncoming traffic, coming toward you will be held back...AS LONG AS THE GREEN ARROW is ON! If you can readily see that there are FOUR lights on an electric traffic signal, this means there is a RED, AMBER, GREEN and a GREEN left turn arrow! You MUST wait for the green left turn arrow if you are turning LEFT!

QUESTIONS YES NO
A RED LIGHT means you MUST stop always, without exception. _____
An AMBER light means you may proceed only if you have already entered the intersection. _____

The GREEN light means you may proceed, but you should still look both directions to be sure no vehicle has gone through a red light. _____

Being "in the right" is not as important as being safe and avoiding an accident. _____

If there is a GREEN ARROW in the electric traffic signal, this means you may make a LEFT TURN only while it is ON. _____

A person on a bicycle MUST obey electric traffic signals, the same as anyone driving any other type of vehicle. _____

CHURCH & TEMPLE NOTES...

Yom Kippur
Atonement services

Yom Kippur, will be observed at Worship Services, Friday evening, Oct. 5 and throughout the day, Saturday, Oct. 6, at the Niles Township Jewish Congregation, 4500 Dempster st., Skokie. The chanting of the traditional KOL NIDRE prayer, at 7 p.m., will mark the opening of the Day of Atonement Services. Rabbi Neil Brief will officiate together with Hazzan Emanuel Abrams and the enlarged High Holy Day Choir, under the direction of Mrs. Dorothy Klein, with Sheldon Rosenbaum at the organ, Dr. Aaron M. Rosenthal, president of the Congregation will bring High Holy Day greetings.

During these Yom Kippur Services, Rabbi Brief will address himself to the theme "Continuing Challenges: on Friday evening, Oct. 5th: "Facing the Synagogue Saturday morning, "Within our Members" and Saturday afternoon, "Throughout the Generations".

Morning worship will start at 9 a.m. on Saturday, Oct. 6, with the full service at 9:30 a.m.

A children's service will take place from 2:30 to 3:15 p.m. conducted by Rabbi Neil Brief and selected youth of the Congregation.

Yizkor Memorial Services will be held at 4:30 p.m., Monday afternoon, followed by the Neilah service at 5:15 p.m. At the conclusion of the Services, at 6:30 p.m., A Havdalah Ceremony and a Communal Breaking by Mr. and Mrs. Fredrick I.

Ellin, in honor of their wedding anniversary.

Yom Kippur is a day of profound significance to Jews set aside to search oneself deeply and to closely question one's behavior. Even in the company of others in the Synagogue each worshiper is yet alone before the Eternal and his own conscience. Yom Kippur reflects Judaism's strong emphasis that man is a responsible creature, capable of changes and refinement. Man may stumble but he is not forever doomed. The worshiper asks forgiveness of those whom they wronged and questions through prayer and meditation one's entire way of life.

Yom Kippur is characterized by fasting and self-examination throughout the entire day, at the synagogue in prayer and in re-appraisal of one's personal behavior and service to the community. The opening liturgy, the KOL NIDRE, prayer of forgiveness, is one of Judaism's most meaningful and earnest rituals.

The seriousness of Yom Kippur is emphasized by the abstinence from eating and drinking, a day upon which physical and material concerns are put aside and the individual evaluates his life and his conduct.

The end of Yom Kippur is marked by the sounding of the Ram's horn, the SHOFAR. The blowing of the Shofar symbolizes the end of the ten "Days of Awe" which began with the New Year, Rosh Hashanah.

To the Niles community

The officials, directors and employees of the First National Bank of Niles would like to take this opportunity to thank each and every one of you, customer or not, for helping to build a wonderful community; and, in building the community, you have made it possible for us to grow.

We have tried to respond to the community's needs during this time with additional services for personal and business banking needs, as well as offer the most modern equipment to fulfill those needs quickly. Our slogan, Banking for Tomorrow -- Today, is more than a slogan. It's the way to do business. To cele-

brate the completion of our most recent expansion, we are holding an Open House beginning Friday, Sept. 21 and progressing through Friday, Sept. 28. During this time, we would like to invite the entire community to see our facilities, meet the folks who are here to serve you and join us for coffee and cake.

Once again, thank you for making the community and the bank a dynamic place in which to live and do business.

Thompson-Rutledge

Mr. and Mrs. Elmer Jandt of Niles announce the engagement of their daughter, Arlette Claire Thompson, to Mr. John Harry Rutledge son of Mr. and Mrs. Harry L. Rutledge of Glenview. Arlette is a 1972 graduate of Maine High School East and is currently employed at Northwest Federal Savings and Loan, in Chicago. John is a 1968 graduate of Glenbrook High School South and is employed at Parker Hannifin, in the engineering department, located in Des Plaines. An April, 1974 wedding is being planned.

Maine Moms membership drive

All Maine East mothers are urged to join the Maine Township high school Mothers' Club and support the scholarship fund. The first meeting of the year will be held Wednesday, Oct. 3, beginning at 10 a.m. at the home of Mothers' Club president Mrs. J. Cartland at 1301 Tyrell in Park Ridge. For further information call 825-3764.

Mothers' Club maintains the scholarship fund and holds an Award Day in the Spring to honor Maine East's top students. Since 1955 over \$61,000 has been raised to assist qualified students in furthering their education. This has been accomplished by collecting \$2 membership dues and sponsoring the annual Antique Show and Bake Sale as well as a bridge group.

The tenth annual Antique Show and Bake Sale, the club's main fund raising event, is scheduled for Nov. 2-4, and Maine East students again are being invited to participate in the annual poster contest.

Also on the agenda for Mothers' Club is the dress rehearsal and benefit performance of Maine East's annual V-Show. Those wishing to attend Maine East's V-Show through the Mothers' Club benefit performance on Wednesday, Nov. 14, should contact V-Show Mothers' Club chairman

Mrs. R. Peterson at 825-6942. For mothers who are bridge players, the ladies' afternoon group will meet the second Friday of each month, Oct. through May, beginning at 12:30 p.m. under the chairmanship of Mrs. W. Marbach (692-3483). Three-fourths of the dues collected by the bridge group benefit the scholarship fund.

Christmas Seal chairman named

Mrs. Richard Stahler, 5525 Washington, has been named the 1973 Christmas Seal campaign chairman for the Morton Grove area.

Her appointment was announced this week by Thomas Webb Sexton, general campaign chairman for Chicago and Cook County. The \$1,125,000 campaign, which opens in November and runs through December, is conducted annually by Chicago Lung Association, formerly the Tuberculosis Institute.

Mrs. Stahler, a homemaker and mother of a 5-year-old boy, inherited her interest in Christmas Seal work from her mother who had been an active Seal volunteer for many years. "For years, Christmas Seal dollars helped to lessen the threat of the once dreaded disease tuberculosis which has been cornered," says Mrs. Stahler. "But now there are a growing number of lung diseases such as emphysema and chronic bronchitis which are being fought with Seal dollars. It is alarming to note that emphysema is now second only to heart disease as a cause of death. Christmas Seals need everyone's support."

Mrs. Stahler and her co-chairman, Mrs. Robert Dally, 5527 Washington, will be responsible for all Christmas Seal activities in the Morton Grove area.

Ninety cents of every Christmas Seal dollar is spent in the Chicago area to support programs in the detection and diagnosis of TB, educational programs on lung diseases such as emphysema and chronic bronchitis and campaigns to combat cigarette smoking and air pollution. The remaining ten cents goes to the American Lung Association (formerly the National Tuberculosis and Respiratory Disease Assn.) to support nationwide programs in research and education.

Food ideas unlimited

Concerned about cholesterol, frightened of food additives or confused about health foods? Would you like to buy more nutritious for your money?

Join the Learning Tower YMCA's new course for consumers, Food Ideas Unlimited, and explore the pros and cons of current food topics. The program is designed to help the homemaker understand such controversial subjects as food hazards, health foods, new food products, protective legislation, etc., and to help her separate fact from fiction in today's food news.

The course will be directed by Kay Engelhardt, a professional home economist. As a food editor, home service advisor and homemaker, Mrs. Engelhardt is familiar with the consumer's

viewpoint. Through her experience in developing new food products, she knows what goes on behind the scenes in the food manufacturing plant.

Classes will be held on Tuesdays, 9:30 to 11 a.m. for a ten week term beginning Oct. 2. Advanced registration is advised. Registration open to general public.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 555 or drop by the Learning Tower YMCA, 6300 W. Touhy ave. and pick up a "Program Services" brochure. (Baby-sitting services are available during daytime classes). The service desk is open daily 9 a.m. to 9 p.m.

Glenview craft fair

The time is drawing near for applications to be in for the third annual Glenview Craft Fair. The Fair will be held in the halls and cafeterias of Glenbrook South High School, 4000 W. Lake, Glenview, on Saturday, Oct. 20 and Sunday, Oct. 21 from noon 'til 6 p.m.

Application blanks are currently available at the Glenview Park District office, 2320 Glenview rd. or from the Glenview Art League, 1015 Gladish ln., Glenview. The spaces are being sold for \$15 to adults and for \$5 for students 16 years of age or younger. Each space measures approximately 6' x 3' in size. Those displaying may sell any homemade, handcrafted item they choose. No commissions will be taken by the Glenview Art League, which is sponsoring the Fair. All items sold must be original, however. Last year over 125 exhibitors were in the show with a wide variety of items — from macramé to seed boxes, jewelry, rugs and many Christmas decorations and gift items.

Further information on the Fair is available from the Glenview Park District — 724-5670. All applications must be received by Saturday, Oct. 6.

SKOKIE FEDERAL SAVINGS comes full circle to serve Skokie area BEST

With the opening of a branch office at the southwest corner of Lincoln and Oakton, Skokie Federal completes a full circle in service to the Skokie area.

It was in 1957 that SFS came into existence in a small store front at 7944 Lincoln, only steps away from our new branch.

In these quickly passing 16 years, Skokie and Skokie Federal have grown enormously. We moved in 1960 to quarters at 4915 Oakton. Then in 1967, with constantly growing need to expand our services, we built our own headquarters building at 4747 Dempster.

Our new branch is a vote of confidence in Skokie and in the future of downtown Skokie. Rather than establish a branch in another community, we chose—once more—to enlarge our capacity to serve our "home" area. As a locally managed institution, one that draws the bulk of its support from Skokie and nearby areas, it is our philosophy that our best interests and those of our savers lie in our doing all we can to support economic development right here.

So now—you'll be able to do business with SFS at two convenient locations. For those who live or shop in the thriving Lincoln-Oakton shopping district, saving with SFS will be even more easy.

Do stop in at our new office... get acquainted with the friendly staff... and receive a gift for saving with us during Grand Opening Celebration.

WINcolorTV

In celebration of our completing the "circle of service," we're giving away 4 Zenith Chromacolor TV sets. One console set with 25" diagonal screen, and 1 portable, 19" diagonal screen, will be given away at each SFS office. You've nothing to do in order to be one of our lucky winners; just register your name at either office. Drawing will be held November 1st, and winners will be notified.

Tom O'Connell to head downtown Skokie branch

Manager of the Downtown Skokie Branch of Skokie Federal Savings and Loan Association will be Thomas J. O'Connell.

Mr. O'Connell, a Skokie Federal director since its founding, joined the institution full-time in 1967 after a career in advertising. He was a vice president of the J. Walter Thompson Co., the nation's largest advertising and public relations firm.

A Skokie native, he won 9 major letters at Niles before going on to earn a BS in commerce, with a major in journalism, at Loyola University of Chicago. He is married to the former

Florence Schmidt of Skokie, whom he met when they both played in the band at St. Peter's Elementary school.

Assistant branch manager is Lorna M. O'Connell. The daughter of President John R. O'Connell, her Skokie Federal background dates to her high school days, when she spent summer vacations filling in as a teller and handling any other jobs that needed doing.

A graduate of Marywood Academy, Evanston, she earned a BA in journalism with a major in advertising at Drake University, Des Moines, Iowa, in 1971. While at

Drake she won many awards from campus and local professional journalism and advertising societies.

Since then she has held many positions at Skokie Federal, including legal secretary and loan officer. She also trained in bookkeeping and computers. She passed the Illinois real estate brokers exam and is a licensed real estate broker.

John R. O'Connell

Marion Glassgen

Marion E. Glassgen, assistant vice president of Skokie Federal, is one of the association's pioneer employees.

She joined Skokie Federal in 1957, its first year of operation, and first worked part-time at a variety of jobs. In early 1962 she was named head bookkeeper and has handled an expanding list of executive assignments since then.

A Chicago native, she is a graduate of St. Gregory's High School. Her late husband, Albert, was active as an architect and builder in Skokie and other North Shore communities.

John R. O'Connell has been president of Skokie Federal Savings and Loan Association since its founding nearly 17 years ago. He was elected to the post on Dec. 31, 1956, two days before SFS opened for business on Jan. 2, 1957.

He was four years old when the O'Connell family moved to Skokie, then called Niles Center. He attended St. Peter's School in Skokie and Quigley Preparatory Seminary, and began his college work at Loyola University of Chicago.

He served three years in the Army in World War II, returned to win his BA at St. Ambrose College, Davenport, Ia., and then his Juris Doctor degree from Loyola School of Law in 1949.

Before taking over as chief executive officer of Skokie Federal, he practiced as an attorney with a Chicago law firm, with the Skokie real estate firm of Armond King Inc., and the law firm of Wooster, Mugallan & O'Connell. He was also Skokie police magistrate.

He is married to the former Lorna Giannini of Skokie.

Duane Ness

Duane Ness, senior vice president of Skokie Federal, has been with the association since 1958.

Thomas Desens

Thomas Desens, assistant vice president, joined the association as head teller for the savings department in December of 1963.

His present responsibilities cover a multitude of operations within Skokie Federal. He is the officer in charge of the on-line accounting system, teller operations, new accounts and safe deposit department.

Robert Reiland

Robert J. Reiland, vice president and loan manager of SFS, joined the association as a loan officer in 1966.

Mr. Reiland earned a BS in business administration at Northwestern. Before joining SFS, he was with a Chicago-based home-building firm, where he specialized in mortgages and finance.

Members of the SFS board of directors are: Herman Giannini, Thomas J. Houser, John R. O'Connell, Thomas J. O'Connell, Dennis E. Rivelli, Norman N. Schack and Timothy P. Sheehan.

Long shot of first building

First home of Skokie Federal was at 7944 Lincoln, in the same building that will house its Downtown Skokie Branch. This picture, taken in 1957, shows the SFS office in space now occupied by Ned Singer's Sports Mart. The SFS branch will occupy the corner space, formerly occupied by Walgreens.

Interior of first office

Here's how Skokie Federal's first office looked in 1957, the year of its founding, as President John R. O'Connell and tellers greet the public.

Main office building of SFS was completed in 1967. The building, at 4747 Dempster, is one of the Chicago area's most modern and convenient saving facilities.

See Me Personally

Kicking off a month-long celebration, grand opening ceremonies for the Downtown Skokie Branch of Skokie Federal Savings and Loan Association will be held at 9 a.m. Thurs., Sept. 27.

The branch, first for any Niles Township financial institution, is at 7952-54 Lincoln, the southwest corner of the Lincoln-Oakton intersection.

Cutting a ribbon at grand opening festivities for the branch will be John R. O'Connell, President of Skokie Federal Savings, Albert J. Smith, Mayor of Skokie, and John E. Stipp, President of the Federal Home Loan Bank of Chicago.

Highlights of the month-long observance will include free gifts for visitors at the branch, as well as drawings for color TV sets and special gifts for saving at both the branch and the main SFS office, 4747 Dempster.

John R. O'Connell, Skokie Federal president, said the only service not available at the branch will be the safe deposit vault.

"For all other transactions, our branch will be a full-service office," he declared.

"Its location now puts anyone shopping in the central business district or visiting the Village Hall or the Skokie Public Library within walking distance of our institution."

Mr. O'Connell explained that present and future SFS customers can now do business at whichever office is most convenient because teller stations at both offices are linked to the same computer.

While "branching" by financial institutions is commonplace in most other states, it was only recently that Illinois savings and loan association were permitted to apply for one branch. "Given the opportunity to open a branch," Mr. O'Connell said, "we chose the downtown Skokie location rather than one in some other community because we wanted to demonstrate our faith in the long-term future of our central business district."

"We also wanted to improve our services to the people who supported us when we were getting our start nearly 17 years ago."

The first Skokie Federal office was at 7944 Lincoln, in the same building that will house its branch.

As part of the celebration, two Zenith solid-state color TV sets will be given away at each SFS office. Anyone is eligible to enter either or both of the drawings, but only one entry per person at each location will be allowed. The sets are a 25-inch Avante VII model and a 19-inch Madeira model.

Also, through Oct. 30, Skokie Federal is offering these gifts for savers:

For savers opening a new account for \$300 or more or adding \$300 to an existing account, a free umbrella from a wide selection of fashionable styles.

For savers committing \$5,000 or more to accounts, the choice of a free Northern Warmcrest electric blanket or an electric Manning-Bowman table oven-broiler, or the chance to buy a Kodak Instamatic Hawkeye pocket camera outfit for just \$3.

As an option, savers with \$300 or more can buy the blanket or the broiler for \$8 or the camera outfit for \$10. Regulations limit the gift offer to one per family.

Skokie Federal has \$76,000,000 in assets, and savers are insured by the Federal Savings and Loan Insurance Corporation. Passbook accounts earn at the rate of 5.25% annually. There are also a number of certificate plans with higher yields for savers with relatively large sums to commit for specific time periods.

V-Show preparation

What the world needs now is love, sweet love, and Maine East is going to get just that, love, at this year's annual V-Show production scheduled Nov. 15-17.

Tryouts for V-Show will be held Oct. 15-17, but things are already underway for the show's producers. Tryout forms were distributed at Sept. 20's organizational meeting, but are also available in the English department office (room 248). The deadline for returning completed forms will be Friday, Oct. 5.

Director Richard Luckritz remarked that students should have all act members listed, and a brief description of the act idea is also requested. He also noted that while love is the theme the word itself does not have to appear in the act or the act does

not have to deal with the romantic notion of love.

Working with Mr. Luckritz will be Mr. Gerald Hug, music director; Mrs. Paula Mayfield, costume supervisor; Mr. Roger Kleinfeld, technical director; and Mr. David Jeffers, production consultant.

Work on the V-Show theme began last Spring and well into the last weeks of summer vacation. Sheila Wurmsler, Cissi Habura, and Larry Kleinfeld worked on the theme selection as did Lee Allison, Kathi Sherman, Karen Weiss, Debbi Shore, Toni Coorlas, Brian Krone, Nancy Wold, Dianna Gatuso, Diane Guls, and Norbert Kolb.

Mr. Luckritz said other themes discussed by the group included Potpourri, Wheel of Fortune, and Talent Hour.

Belly dancing, Greek dancing

Among the new dancing courses offered by MONACEP this fall are Greek Dancing, Spanish Dancing, and Belly Dancing, according to Alexander Krusel, Director of the Maine - Oakton - Niles Adult and Continuing Education Program. A course in Body Movements has also been added to the Fall MONACEP offerings.

Krusel said old favorites in MONACEP's popular dancing courses will also be offered again. These include Ballroom Dancing, Tap Dancing, Ballet, Modern Jazz, and Square Dancing.

Classes in the dance will begin on or after Oct. 1. Registration is open daily from 9 a.m. until 3 p.m. at Maine East High school, and Maine South High school, at Oakton Community college registration is from 9 a.m. until 4 p.m. Evening registration will be held from 7 until 9 p.m. in Maine East High school on Sept. 20; in Maine South High school and Niles North High school on Sept. 24; at Niles West High school on Sept. 25; and at Maine West High school on Sept. 26. The MONACEP office at Oakton Community college in Morton Grove will be open for registration on Saturday, Sept. 22 from 10 a.m. until noon at Bldg. #3. A registration form to register by mail is in the MONACEP brochure for the Fall 1973 term which were mailed early in September.

For further information about the dancing courses offered by MONACEP, call 696-3600.

'Don't Drink the Water'

In rehearsal for the Maine East production of Woody Allen's comedy "Don't Drink the Water" are Rob Williams of Park Ridge and Jan Heitlen of Des Plaines. The comedy will be performed Oct. 12 and 13.

Maine East's drama department announces the first production for the 1973-74 school year, Woody Allen's "Don't Drink the Water."

This two act comedy is a story of a New Jersey caterer, Walter Hollander and his wife, Marion as they travel through Europe with their daughter.

During the course of their travels, Walter begins taking pictures and is suspected of being a spy. The story evolves around their attempts to escape from the embassy and all of the problems that are involved with the secret police, a bungling idiot in the embassy, a temperamental chef, the sultan and his wife, as well as the count and countess.

The part of Father Drobney, a priest who acts as narrator in this Woody Allen farce will be played by Mickey Conner of Des Plaines. The other main characters, Marion Hollander and Walter Hollander will be portrayed by Diane Stamos of Park Ridge and Larry Unterberger of Morton Grove respectively. Their daughter Susan will be played by Debbie Glick of Des Plaines.

as she falls in love with the young ambassador Bob Bacon of Park Ridge.

Others in the cast include the following: Bob Williams of Park Ridge as Ambassador Magee, Barry Cohen of Niles as Kilroy, Rick Rohm of Des Plaines as Krojack, Ray Hrdlicka of Niles as Burns, Dyane Karp of Morton Grove as the chef, Kevin Luke of Park Ridge as the Sultan of Cashmir, Anfel Ferri of Des Plaines as the Sultan's wife, Greg Millar of Park Ridge as Kasnar, Jan Heitlen of Des Plaines as the Countess Bordini, Jeff Millar of Des Plaines as Novoty, Howard Fisher of Des Plaines as Walter and Mike Ochwat of Des Plaines as the Guard.

Tickets for the Oct. 12 and 13 performances are \$1.50 and will be available at the door.

Benefit concert

The Jewish Community Centers of Chicago will sponsor an exclusive "one performance only" benefit concert featuring pianist Jorge Bolet with the Chicago Symphony Orchestra on Tuesday evening, Dec. 4 at Orchestra Hall.

Proceeds from the benefit performance will help support the J's many programs, including the activities at Mayer Kaplan JCC, 5050 Church st., Skokie.

The concert will mark Bolet's first appearance in Chicago in 5 years.

Tickets for the concert can be purchased at the Mayer Kaplan JCC. Prices are: \$500 for a box of 6; \$50 and \$25 for main floor seats; \$15 and \$10 for balcony seats, and \$7.50 and \$5 for gallery seats.

The Jewish Community Centers of Chicago is an affiliate of the Jewish Federation of Metropolitan Chicago and supported by the Jewish United Fund.

Des Plaines Theatre Guild Theatre Champions

Hank Vandenoorn and Betty Kandlbinder performed in the comedy "LUV" at Illinois Community Theatre Convention Sept. 14, representing the Des Plaines Theatre Guild.

Des Plaines Theatre Guild, State Champions in the 1973 Community Theatre One-Act Play Festival, performed "Luv", Sept. 14 for community theatre representatives from throughout Illinois.

Occasion was the first Illinois Community Theatre Convention, held Sept. 14, 15, 16, at Flying Carpet Motel, Mannheim and Higgins rd., Rosemont. Some 25 theatre groups across the state participated, according to Ranae Jenic of Lincolnwood, Des Plaines Theatre Guild's delegate to the convention.

DPTG's presentation was the first act of "Luv" with which the local thespians won the right to represent Illinois in the Festival of American Community Theatre, Region 3, at Stevens Point, Wis. last April. John Marquette, 1115 Walter, Des Plaines directed.

Included in the cast were Hal Gensen of 803 Beau Drive, Des Plaines, Hank Vandenoorn of Wheeling, and Betty Kandlbinder, Palatine. Hank and Betty played the roles of Milt and Ellen Manville, while Hal was cast as Harry Berlin, third point in the zany triangle which comprises the Murray Schisgal comedy "Luv."

Meanwhile, back at Guild Playhouse in Des Plaines, a cast of some 25 actors, dancers and singers continue to romp through performances of Rodgers and Hammerstein's musical, "South Pacific" each week-end. Additional performances will be at 8:30 p.m. Fri. and Sat. night, Sept. 21 and 22, and on Sat., Sept. 29 and Oct. 6.

For tickets to this opening production of DPTG's 28th consecutive season, call the Guild Playhouse box office, 296-1211, between noon and 8 p.m.

Northwest Choral Society seeks singers

Do you like to sing? Are you willing to give up Monday night television to do just that? Then come join the Northwest Choral Society, now beginning its new season with rehearsals on Monday evenings from 8 to 10 p.m. at Christ Church, Cora and Henry st., Des Plaines. The chorus, under the direction of James C. Thunder, Jr., is in its 9th season. Chartered as a non-profit organization in 1965, the group has been under Thunder's direction since early 1967.

Plans for the coming season include a Nov. 18 performance of "The Creation" by Haydn, a concert of popular music early in 1974, and a Spring 1974, production of the Mozart "Requiem" sharing the program with a work yet to be announced.

The 65 Northwest Choral Society members recently received acclaim for their Spring, 1973 performance of the Bach "St. John Passion." In previous years, the group has been invited to sing at various music festivals, a benefit for the "Place for People" youth center,

and the Schaumburg Festival of the Arts. Recent productions include Mendelssohn's "Elijah," Handel's "Judas Maccabaeus," Bach's "Good Tidings of Great Joy" and the Naure "Requiem." Members come from all walks of life. Most members have done choral work or have sung in church or college choirs. They pay a nominal membership fee and purchase their own scores. New participants are always welcome and are asked to call Dottie O'Laughlin at 724-1367 for information.

Sweet Adelines share songs

"Share-A-Song-Week" starts Oct. 1 for over 24,000 Sweet Adeline Barbershop Singers. They will share their songs with hospitals, Nursing Homes, Senior Citizens, etc., in order to attain their goal of "Harmonizing the World."

The Edge O'Town Chapter which includes the Niles area will perform twice on Tuesday evening, Oct. 2 for the Armond King Housing Development and Village Nursing Home both in Skokie. Each half hour performance will be under the direction of Mrs. Diana Ozee.

Siegel performs with Skokie Valley Symphony

The noted young American pianist Jeffrey Siegel will be heard in concert with the Skokie Valley Symphony Orchestra in the orchestra's opening concert on Sun., Oct. 7, 7:30 p.m. at the Niles West High School Auditorium. Mr. Siegel will perform the Tchaikovsky First Piano Concerto, Leo Krakow conducting.

Jeffrey Siegel is enjoying an expanding and successful international career. He has performed with many of the world's great orchestras in both hemispheres.

Travelogue on Bay of Naples

"Around the Bay of Naples" with Arthur Wilson will be presented by MONACEP as the first of the travelogue series of the season at Niles North High School on Tuesday, Oct. 2, at 8 p.m. Wilson, together with his partner Frederick J. Kelfer, spent more than 2 years in making this film, during which time they operated out of an 8-room villa north of Sorrento. The ancient ruins of Pompeii and Herculaneum and the Island of Capri with its Blue Grotto are also visited.

During their residence on the Bay of Naples, Wilson and Kelfer were easily absorbed into the community and their film has a rare, in-depth coverage, in addition to showing all seasons.

Wilson lived with families and traveled widely in Europe during his Air Force Service at the end of World War II. He majored in foreign trade at Northwestern university and worked for 9 years in the export field. Kelfer graduated from the University of Cincinnati College of Engineering. He worked as a technical director in the professional theatre and served in the technical department of a film company.

This is the first of 8 travel lectures scheduled for Niles North High School, 9800 Lawler ave., Skokie, for the 1973-74 season. Season tickets may be purchased for \$5 from MONACEP offices at 1131 Dee rd. in Park Ridge or at Oakton Community college, 7900 N. Nagle, Morton Grove. They can also be obtained by mail from MONACEP, Box 457, Park Ridge, Ill. 60068.

Senior citizens over 60 years of age who are residents of Maine and Niles Townships may purchase season tickets at half-price for \$2.50. They can also purchase single admission at the door for 60¢. They will be asked to present proof of age.

Nightmare in a Neon Jungle

Saturday night, being bored, I decided to live dangerously. I visited that neon nocturnal jungle known as Rush st. In a certain bistro where I'm known, I spotted a friend. Her name, professional name that is, is Bubbles LaVerne. She was once a dance instructor, then became an exotic dancer (stripper) and finally a Rush street busybody.

Today she is the wife of a big time wealthy gambler named Bernie.

Bubbles LaVerne was perched upon a bar stool sipping a rum and coke.

"Hello, Bubbles," I said. "How's Bernie and what's new and exciting?"

"Bernie, Ed, is in Las Vegas. And have I got a story for you."

"That's wonderful, Bubbles," I said. "I'm plumb out of stories... like a drink?"

"Let me get you one - Bernie's had a lucky streak like you wouldn't believe."

"Okay," After I got my drink I said, "Fire away."

"Let's grab a booth. We can talk better there."

"Okay," I said and followed her into a booth. I lifted my glass saying, "Well, this is just like old times, Bubbles."

"Yeah, Ed, it sure is. How have you been?"

"Okay."

"I had a strangest experience, Ed, about three weeks ago."

"You've had a lot of 'em, Bubbles-what was it this time?"

"Well, I went out to the track, the flats, and won a \$14,000 Trifecta."

"Boyl I should be that lucky - what did it cost you?"

"Only 18 bucks, Ed - I boxed three numbers."

"Lucky girl."

"Not so lucky, Ed. It was getting dark and I decided not to cash the Trifecta ticket until the next day. I phoned Bernie, he was in Reno then, and he said I'd better take a check and not cash as we were hooked for the income tax anyway. So the next day I got out to the track at 1 p.m. and cashed in the ticket. I had to show my I.D. and sign the government form but I did a silly thing."

"What was that?"

"I insisted on cash, instead of taking a check. I put the money in one of the two large envelopes I was carrying and left the track and headed for my bank when it happened."

"What happened, Bubbles?"

"About three miles from the track, two guys, one white and one black curbed my car and shoved a gun under my nose saying, 'Bubbles, you got what we want, give us that envelope with the 14 G's!'"

"How did they know your name? Ever see them before?"

"No way, Ed. It beats me how they knew my name and the fact I had the money in a large envelope."

"One of 'em must have been in back of you when you were paid off-or else they were tipped, Bubbles."

"I dunno, but at first I was sick about it. And there's something even worse, Ed."

"What's that," I asked.

"I'm still liable for the income tax on the 14 thousand."

"Oh brother!" I thought for a moment and added, "Yeah, that's right, you did receive the 14 thousand... legally you are hooked for the income tax. Besides how can you prove you were held up... any witnesses?"

"None, Ed, just my word." Bubbles shrugged. "And who'd take my word..."

"What a bad break, Bubbles. Let's see-the tax should be about five of the big ones."

Bubbles suddenly laughed and ordered another round of drinks. "I said I was sick about it but I'm not now, Ed."

"Why not, Bubbles?"

"Well, you see, Ed, in my fright and hurry I gave the stick up guys the wrong envelope."

"What do you mean, wrong envelope, Bubbles?"

"Well, Ed, I said before I had two large envelopes and I gave them the one with the 20 thousand bucks in it."

"I did a double take, '20,000 bucks, why that's even worse, Bubbles, are you...?"

"No, Ed, let me explain. Bernie had won a big bet and the guy paid him off in counterfeit money... 20 thousand bucks. At first Bernie thought the dough was okay, but a week later when he examined it closer he discovered it was queer, so he phoned the Secret Service and explained what happened. Two agents were meeting me at my bank and I was bringing them the counterfeit money the same day I was going to deposit the 14 thousand I won."

"Your story has more twists than a roller coaster, Bubbles."

"Well, that ain't all. When the stick up guys looked in the envelope and saw all the green stuff, they didn't count it. They just took off but..."

"But what, Bubbles?"

"Something even stranger happened. Due to my description of the heist guys, plus the fact they were caught passing the queer money it was my information that led to their arrest and I'm sure the ultimate conviction of these two wanted criminals."

"Wanted criminals, Bubbles?"

"Very much, Ed. In fact they confessed the hold up of me and how much do you think the rewards total on these two ex-cons, Ed?"

"I wouldn't even guess-how much?"

"About 12 thousand, Ed," Bubbles giggled. "So you see, Ed, when I had that silly hunch to insist on cash from the race track, I wasn't so silly after all, huh?"

"Bubbles, you're just too much-too much. Say what's that loud ringing sound I hear?"

"Ringing sound, Ed. What loud ringing sound, Ed?... Bubbles voice began to fade away..."

The ringing sound was the phone in my room at the Fireside Hotel where I live. When I answered it the desk clerk said, "It's 8 a.m., Mr. Hanson... it's 8 a.m."

"HOGAN'S HEROES"

That's a bit of poetic license... but Dick Hogan, formerly the genial manager of the Fireside in Morton Grove, has assumed command of "The Round Table Lounge and Restaurant" of the DeVille Motor Inn, 1275 Lee street in the heart of downtown Des Plaines.

Dick Hogan will be ready, able and willing to greet his many friends and former customers which are legion throughout the Northwest suburban area. And, says Dick, "We have two lovely cocktail girls to serve you...."

Scout Chairman thanks Park District

On behalf of the Boy Scouts in Niles, may I express our appreciation and thanks to your Board and staff for once again helping make the scouts' summer Park District Pool an outstanding success.

Niles scouts used the pool for ten consecutive Sunday mornings when the pool was not otherwise in use, and is reimbursing the extra cost of attendants, thus causing no additional financial burden on Niles taxpayers.

Our swimming program was under the direction of Don Schneider and Ralph Kozony, Scout Leaders of Troops 45 and 175 respectively, assisted by adult leaders and senior instructors from some 20 participating scout units. Niles scouts availing themselves of this opportunity came from units sponsored by St. Isaac Jacques' parishes, and the Oak School PTA, and covered all

ranks in scouting ranging from Cubs, Scouts, Webelos and Explorers.

All together, this year, some 581 boys registered, along with 106 leaders. 20 Webelos scouts completed the requirements for the Aquanaut award; 41 boys earned the Swimming Skill award and 19 were awarded the Swimming Merit Badge. The Life Saving Merit Badge award was given to 20 scouts, and 15 boys completed the requirements for the One-Mile Swim Award by traversing the length of the pool. More important, all had fun, and many overcame their fear of water under ideal circumstances.

The Boy Scouts in Niles thank the Niles Park District and its staff, particularly Director Dressler and Pool Manager Jim Kozelka for their fine cooperation and assistance in making our program such an outstanding

success for the 7th consecutive year.

Citizens concerned about police station driveway closing

Dear Mr. Besser:

In the past your paper has always championed the cause of the citizen of Niles.

Enclosed you will find a copy of a letter signed by several residents and business people in Niles. There are signatures well in excess of 100 people on several similar letters which will be presented if you wish to see them.

It would seem important and certainly appreciated for you to bring this matter before all the people of Niles.

Sincerely,

Concerned people of Niles

Dear Mr. Ziejewski:
I am a resident of the Village

LETTERS to EDITOR

of Niles living in a northerly direction from the police station located at the intersection of Milwaukee Avenue and Waukegan Road.

I would like to know why the ingress and egress drive way servicing the police station is going to be closed in conjunction with the Milwaukee Avenue and Waukegan Road Intersection Improvement.

This ingress and egress to the police department is of vital importance to the safety of myself and my family. Under the proposed plans, the police would be forced to first go south and then travel either east or west before coming north to answer any emergency. Almost all of Niles lies to the north of the police station and the Milwaukee Avenue and Waukegan Road are the most direct routes to the north. My family could be in dire need of the police, the bank could have an emergency,

Lawrencewood or Golf Mill could have an emergency of major importance; all where seconds could mean the difference between life and death.

This ingress and egress drive way could and should remain open. It would be tragic to find out later that the lack of this drive way caused death or serious loss of property.

I implore you to redesign this intersection so as to leave the ingress and egress as is. The police station was recently built this way for a good reason and should remain so.

Sincerely,

Concerned Residents
of the Village Niles

Flynn voices disagreement

Letter to the Editor:

Recently, Representative Magallan and Dr. R. William Henkel published two letters in praise of 4th District Rep. Eugene Schlickman. I disagree with both letters. Rep. Magallan neatly forgot to mention that he is a Democratic Committeeman and Representative of both a RURAL Township and a RURAL District. It is only natural for him to support the taking of sales tax revenue from Skokie, Niles, Morton Grove, Mount Prospect and Arlington Heights and giving it to DOWNSTATE RURAL Districts such as his own. Dr. Henkel forgot to mention that he is a representative of the vested interests groups that hire him and that he does not speak for all of educational interests. I repeat, he represents the highest bidder for his services. Now let us take a look at the Eugene Schlickman without his halo.

Rep. Schlickman recently supported legislation to take sales tax revenue from urban areas such as the 4th District and give it to downstate rural areas. Accordingly, Niles would have lost over \$800,000 in revenue and the other villages in the 4th District would have lost between \$500,000 and \$1,000,000. Niles would have been forced to substantially reduce its Police, Fire and Public Works services and to eliminate its Family Counseling Bureau and similar services. Every other city in the 4th District would have been forced to take similar action and at the same time every city would have been forced to DOUBLE its property taxes to maintain even a reduced amount of public services. I doubt if one Mayor in the 4th District would have supported Rep. Schlickman's irresponsible position.

Rep. Schlickman has also continually introduced legislation to create a super state agency to control local municipal and county zoning. The local Mayors, Messrs. Blase, Bode, Smith, Tichert et al, would not be able to protect their local residents because all the decisions would be made in Springfield. Again, I doubt if any local Mayor is willing to give up his right to protect his land and home.

Last year, Rep. Schlickman introduced legislation to force all small builders to post prohibitive performance bonds. According to the Illinois Home

Builders Association, this Schlickman Bill would have forced about 25% of the small builders in Illinois out of business and possible have forced a 15% lay off of all building tradesmen in Illinois. Some Christmas present for the tradesmen, an introduction to the welfare system first hand.

Dr. Henkel, in his letter, gave Rep. Schlickman credit for the creation of the appointive Board of Education. This is a deceitful statement in as much as the Illinois Constitutional Convention mandated it, the Illinois Education Association and Illinois Federation of Teachers fought for it and Dr. Michael Bakalis campaigned throughout Illinois for it. I am sure that all the present and former teachers such as myself that worked for the appointive board would be surprised to learn how much Rep. Schlickman did for us and education. Now maybe he can work for the full funding of our retirement pension system.

I have taught College for 4 years, served as a Faculty Council President and am presently an elected Trustee of a suburban Community College. I hold earned Bachelors, Masters and Doctor degrees. I have run for public office twice and believe that my opinion is equal to Rep. Magallan and Dr. Henkel. In my opinion, Rep. Schlickman does not represent education, the Principles of the Republican Party, local government, local business or workingmen and certainly not the 4th District. However, he certainly does represent the vested interests groups, just ask Dr. Henkel or Rep. Magallan.

Sincerely,

A Toast to Love's Old Sweet Song...

Our friends, Marlene and Hermes Haralambous, helped us celebrate our sixth anniversary at an intimate little dinner at the Mamala-Romania Restaurant on Lincoln ave. (4520 N. Lincoln to be exact). George, the new owner, and your host, really knows his stuff... we never before tasted such divine specialties as he dishes up from Austria, Germany, Hungary, and of course, Romania. We recommend heartily the Mittel - a Romanian specialty which is like ground beef served up in long hot dog like shapes - or the delectable Shish-Kebab beef, or the Mamaliga-Cu-Tocana cheese dish - all polished off with a divine bottle of Romanian Red Wine (Pinot Noir - a Burgundy) rich and mellow. We topped the whole thing off with Kaiserschmarrn for dessert, an Austrian specialty - which you will have to eat to believe. Being a romantic moment in our lives, we must admit the Romanian Gypsy Violinist who accompanied our meal was just about the best thing going to keep us in that anniversary mood. That moody heavy gypsy music really gets into your blood, and we promised ourselves many more delightful evenings at George's Mamala-Romanian Restaurant.

ND Dons overwhelm Tigers 29-0

by Mike Lemanski

Notre Dame's Dons propelled their record to 2-1 with a smashing 29-0 victory over the Tigers of Sullivan.

The game started out as a defensive game, neither team moving past the others 45 yard line.

Then, with less than 2 minutes to go in the first quarter, ND blocked a punt on Sullivan's 26 yard line. But a holding call against the Dons forced them to go for a 45 yard field goal. The snap was bad, and the Tiger rushers poured in on Mike Weiss, forcing a meager 10 yard kick.

The Dons held tho, and on their next possession, QB "Jorge" McCaskey marched the team 53 yards for a TD. Bob Kengott going over from the 1 yard line. Weiss' kick made it 7-0.

Once again, the game settled into a defensive battle. With 3 minutes remaining, McCaskey rallied ND for a 57 yard march to the end zone, McCaskey diving over from the 2 yard line. With Weiss' kick, ND took a 14-0 half time lead.

The second half started with both teams exchanging punts. ND's punter, Dave Cancellieri got off a 49 yard punt, and Sullivan fumbled in their end zone. The Tigers half back Cornell Washington dived on the ball for a safety. ND now lead 16-0.

On Sullivan's free kick, McCaskey lead the team to another TD, going 33 yards in 6 plays. "Jorge" once again doing the honors for the 6 points, Weiss' XP made it 23-0.

On Sullivan's possession, QB Mike Dorin threw the first of 3 interceptions, Mark Mandolini with the pickoff at the Sullivan penalty put ND well out of field goal range, forcing a punt.

Three plays later Kevin O'Grady made the second ND interception, and advanced 10 yards to Sullivan's 27 yard line. From here, 4 Mark French carries plus a 10 yard pass to "Buzz" Naughton gave the Dons their fourth TD of the evening. Weiss' XP hit the upright for his first XP miss of the year. Still ND held an insurmountable 29-0 lead.

With Tiger QB Dorin forced to pass, ND just played a stalling game. In the fourth quarter, Dorin was 2 for 9 and an interception, ND was just content to run out the clock and held on for the shutout.

Offensively, ND leading rusher was Mark French, 30 yards in 10 carries, followed by McCaskey, 25 in 11 carries. McCaskey was also 4 for 14 passing for 81 yards. Naughton got 2 passes for 33 yards.

Defensively, ND couldn't hold the Tigers leading runner, Angelo Alexades, who ended up games leading rusher with 37 yards in 11 carries. The line did get to Dorin to dump him for -18 yards rushing. Dorin finished the game with 4 for 15 passing, totalling a meager 28 yards. ND's 3 interceptions, gives them 7 for the year.

The Dons start their conference season against St. Joseph of Westchester Sunday Sept. 30, in Westchester at 2 p.m.

NILES SAINTS BOUNCE BACK, DEFEAT HUSTLERS 25-12

The Niles Saints came from behind again last week to beat Brighton Park Hustlers 25 to 12.

The game began with the Saints driving down to the Hustlers 30 yard line. The Hustlers defensive back Art Condon then intercepted a Gus Williams pass in the end zone to give the Hustlers the ball on their own 20 yard line. The secondplayoff scrimmage, one of the Saints defensive backs slipped and fell on the Hustlers left end. ND Niles of the Hustlers wide open to score on an 80 yard touchdown pass from quarterback Paul Beiner to give them a 6 to 0 lead.

Five minutes into the second quarter Saints veteran defensive back Bob DeCeste intercepted a Hustler pass on the Hustlers 27 yard line back to their 10 yard line. Gus Williams then threw a swingout pass to Little All American Jim Greenhill who took it to the 5, from where Tom Miniscalco scored on the next play. Wally Schulz missed the P.A.T., and the score stood 6 to 6.

Three minutes later the Hustlers took over on their own 30 yard line and quarterback Paul Beiner threw to Bud Fliegenbaum who took the ball down to the Saints 3 where Bob Hirtzer Hustler flanker, scored a disputed touchdown that appeared to be out of bounds.

Given the ball on their own 40 the Saints drove down to the Hustlers 19. With one minute left in the second quarter, tight end Jerry Cooney dropped a pass in a corner of the end zone. Then Jim Greenhill all alone in

the end zone, slipped and fell and the Williams pass went right over his head. So the Saints had to settle for a 19 yard field goal attempt by Wally Schulz that was score 12 to 6 Hustlers at half-time.

Beginning the second half, the Saints received the kick-off and started a drive from their own 30. In a series of running plays, the Saints drove down to the Hustlers 10 where League leading running back Ron Olestak scored the Saints tying touchdown and Wally Schulz P.A.T. was good to put the Saints ahead 13 to 12. Five minutes left in the fourth quarter Gus Williams threw a 34 yard touchdown pass to John Pecaro to wrap up the game with a score of 25 to 12.

This week at 1:30 on Sunday the Saints will travel to Berwyn to take on the Berwyn Barons, at the Berwyn rec. ctr., 31st and East ave.

The Saints will return home again of Sept. 29 when they will play the Romeville Bulls.

You can still register for Learn to Skate Lessons at the Sports Complex daily Monday thru Friday 9-5 and evenings Monday thru Friday 7-9.

The schedule for Learn to Skate Lessons has been revamped this year to accommodate the parents of all school age children (6-12). Mothers will still have time to prepare dinner since classes are held on Mondays 4-4:30, 4:30-5, Tuesdays 5-5:30, 5:30-6, and Fridays 4-4:30, 4:30-5, 5-5:30, 5:30-6. The Park District is also offering a Teen Class to be held on Wednesday evening 7-8, a Tot Class for 3-5 year olds to be held on Tuesdays 10-10:30, Wednesday 1-1:30, or Thursday 11:30-12, a Dance Class which will be held on Tuesday 6-7, and also Free Style Classes offered on Tuesdays 4-5 and Thursdays 5-6. The skating program has also taken into consideration adults that would like a little exercise and fun. Moms and Dads can Learn to Skate on Wednesday evenings 8:30-9:30.

As you can see all age groups have been considered. Skating is one way of Family Togetherness. Don't wait! Sign up as soon as possible since lessons will begin the week of Oct. 1.

For any additional information call the Sports Complex: 297-8011.

Pre-School openings

District 63 board meets with PTA executive boards

In an effort to keep parents well informed of school matters throughout the District the Board of Education has scheduled 4 meetings this year with all of the PTA Executive Boards of the schools within the District. The first meeting, held Thursday, Sept. 13 was well attended. Participants were provided with up-to-date information concerning enrollment figures, class sizes, curriculum development and the status of current negotiations between the Board and the teachers organization, the East Maine Education Association Local 63 (EMEA).

Superintendent Dr. G. Allan Gogo reported that as of Sept. 12, 1973, District enrollment has declined by more than 400 pupils compared with Sept. 12, 1972 enrollment figures. Further, the Board's decision last Spring to reduce the number of faculty positions by 32 was a wise decision since it will enable the Board to operate on a balanced budget for the 1973-74 school year and continue to maintain favorable class sizes throughout the school district.

Mrs. Lenore Page, Assistant Superintendent for Instruction, reported on the District's plans to meet the directives it has received from the Office of Superintendent of Public Instruction concerning the Illinois Program for Evaluation, Supervision, and Recognition of Schools (A-160). She indicated every effort is being made to involve faculty in the development of these plans through the District Curriculum Committee and several District-Wide Discipline Sub Committees. The District will file its initial plan with OSPI by January, 1974.

Mrs. Irene Luck, president, Board of Education explained to those in attendance the present

status of negotiations between the Board and the teachers' organization (EMEA). She indicated that the Board believes that negotiations can be an effective means of resolving differences and will therefore continue to employ such a process in an effort to complete an agreement with its teachers. Also, she explained the Board will utilize a negotiator in future negotiations with teachers because it firmly believes that the introduction of a negotiator will lead more rapidly to a mutual agreement between both parties.

During the open discussion period parents raised concerns regarding reports that teachers would employ several pressure tactics (demonstrations, picketing, non participation in curriculum activities, refusal of professional duties) throughout the District in an effort to force the Board into negotiating matters that would be detrimental to children and the school District in general.

The next meeting between the Board of Education and the District's PTA Executive Boards will be held at 8 p.m., Dec. 6 in the Woodrow Wilson school.

Paris film

"Paris Belongs to Us," a French film directed by Jacques Rivettes, will be presented by the Oakton Community college Film Society in conjunction with MONACEP, on Friday, Sept. 28, in Room 108-109, Building 1, Interim Campus, 7900 Nagle, Morton Grove. There will be 2 showings of the film, at 7:30 p.m. and 9:45 p.m.

The "Kafka" of the new wave French cinema, Rivettes plays his characters in a kind of dream world because the real world is anguish and destroys imagination. Admission is free for all Oakton and MONACEP students and Maine and Niles Township high school students. A donation of 50 is requested from all others. Free coffee is available and a discussion follows the 7:30 showing.

Planning Commission. (Continued from MG P.1)

Commission was polled on the phone and it was decided to give their idea a trial for 6 months. This was not acceptable to the Planning and Development Commission, Mr. Brim said. "The kind of procedure which exists on our Plan Commission is unbelievable. It is still in the horse and buggy days as compared to nearby towns," David Cohen said he was happy to hear the thoughts of these gentlemen and now read their recommendations with a clearer understanding. Brim also remarked, "When we find that if we are willing to put in many hours and the results are negative we would just as soon resign." A decision on whether or not to adopt the ordinance in question will be made on Oct. 8.

Attorney John Nordberg read three ordinances which were adopted by the board. They are as follows: 1 - The Rebate Special Assessment Ordinance. 2 - The ordinance prohibiting leaf burning in Morton Grove. 3 - The ordinance amending the corner lot fence requirements. Martin Ashman reported the Real Estate Property Tax collected since the last meeting to be \$32,280.30 and the Income Tax allotment for August as \$23,949.80. Ed Brice said that last week a 6" water main was repaired and noted that a letter was sent to Mayor Daley requesting a hearing with members of Chicago's Water Department. David Cohen told the board the Fire Department had 35 alarms last week. He also expressed his thanks to the board for their expression of sympathy on the loss of his father.

John Hilkin announced our next blood drive would be held on Oct. 4 at the Julia Malloy School from 5 to 8 p.m. Hilkin also reported the Ballantyne Company was hard at work on the skunk problem. They had 4 calls and have attended to 2 of them. In the case of the other 2 the people weren't home, but Ballantyne will call again.

Dick Hols asked the board to authorize payment of \$37,762 for construction of the new fire station and they agreed. The board also will pay \$460 to the architect for last month's supervision fee. When Mayor Bode once again brought up the name of Lester

Brownstein for consideration as the new Code Enforcement Officer, Martin Ashman said, "I feel this appointment should have some code enforcement experience, and since he does not have, I think this is a patronage appointment." John Hilkin said, "Remember, this is just a beginning and I think that this man should do well since he should be able to relate well to people." Dick Hols answered, "This is a part time job that pays \$6,000 a year and I think it is a political patronage job." Ed Brice said this man has to produce \$6.25 hourly or we will lose money on the deal. "It does smell of patronage," said Brice. Nevertheless the appointment went through with Mayor Bode breaking a 3 to 3 tie with his yes vote.

Herb Houndt said last Thursday the Public Works Department removed 4 truckloads of cans to a recycling plant. These were collected by residents from Niles, Skokie and Morton Grove. He also said last night there were 1.77" of rain between 6:30 p.m. and 1 a.m. Mayor Bode reported on the exploratory meeting concerning beer and wine sales which will be up for consideration on Oct. 8. It was also noted the governor has released funds in which we can get up to 70% from them for highway safety improvement projects. Mayor Bode also told the board they have been invited to participate in the Veteran's Day Parade on Sunday, Nov. 11 at 1 p.m.

Multiple . . .

Cont'd from Niles-E, Maine P.1
first action as a village trustee, suggested instead that recreational equipment be placed there making it impossible for the motorcyclists to use the area for racing.

Geffinger said his company would be willing to let the city use the property for a nominal fee. The matter was referred to the Niles Park Board for consideration.

In other action, the board approved an amendment to the Niles alcoholic beverage code to allow 19-year olds to drink wine and beer beginning Oct. 1. The amendment complies with the new state statute lowering the drinking age.

In previous weeks there had been some discussion about attempting to refuse to lower the age in Niles because of the problems forseen in preventing 19 and 20-year olds from obtaining liquor other than wine and beer.

But Mayor Nicholas Blase said assurances that the state will issue special identification for this purpose eliminated his objections to the new state law.

In an ecumenical spirit, the board also approved zoning variances for the First Baptist Church of Niles and the Associated Talmud Torahs of Chicago. The First Baptist Church, 7339 Waukegan Road, requested permission to build an addition to their 100-year old building. The addition will expand the seating capacity of the church from 75 to 175.

Explorer Post 73 rummage sale

Explorer Post 73 will hold their annual rummage sale, Sat. Oct. 6, 9 a.m. to 5 p.m. in St. Isaac Jogues parking lot, 8101 Golf rd., in Niles. Contributions are welcome as long as the item is in fairly good condition.

We also ask for Cub Scout, Girl Scout, Boy Scout and Explorer uniforms for inner city units. Call Andy or Tim Haynes at 965-0553, Karen Hochstetter at 965-2185, or Joe Turek at 965-0947. Pick-up service will be provided.

Teen center. . .

Cont'd from Niles-E, Maine P.1

If you answered NO to any or all of the above, we still need you. The Niles Youth Commission through the efforts of Jim Puccio and Jim Slawik in coordination with Niles Family Services opened a "teen center" at Milwaukee Recreation Center, 7877 Milwaukee ave., Niles, on Wednesday, Sept. 26 at 7 p.m. It will be open Wednesday thru Friday 7 p.m. - 10 p.m.

The Niles Park District is providing the space, and various companies have donated the equipment. If you are a high school student, do yourself a favor, and donate yourself.

The center can provide you with a place to rap, dance, play pool and ping-pong, but most important to be yourself (or find out who you really are). It can give you some useful tips on consumerism, provide speakers who will talk with you and not at you, on topics in which you are interested, and a whole lot more.

The staff includes Bill Devereux as director and several volunteers, who will assist a governing body of Niles students in planning and implementing the activities of the center.

Interested? Drop in this Wednesday, Thursday or Friday. Bring a friend and, please, bring a name for your teen center.

Mayor Blase of Niles emphasized, "Niles is proud to provide this opportunity made possible thru a number of concerned people and agencies all working together. We hope that the Niles youth will take advantage of this opportunity and the youth will help to make it the kind of youth center that they can be proud of."

Senior citizens program

The initial response by the Senior Citizen community of Maine Township to a Free series of games, refreshments and prizes sponsored by Nicholas Blase and the Maine Township Regular Democratic Organization has been heavy. The first event in the series will be held Wednesday, Oct. 17, at the House of the White Eagle, 6835 Milwaukee ave., Niles beginning at 3 p.m. Doors will open at 2:30 p.m. There are approximately 15,000 senior citizens in the township so the games were divided into sections, Niles, Park Ridge, and Des Plaines. However, due to limited seating capacity, it is advised that senior citizens obtain their tickets in advance which are free.

Volunteers from all segments of the township have come to enthusiastically offer assistance in the preparation and participation of the games.

Senior Citizens residing in the Des Plaines-Park Ridge area can call Mrs. Mary Alberding after 4:30 p.m. at 823-1202 for tickets. In the Niles-Morton Grove-Glenview area call co-chairman Carmen Cesario or Nick Constantino at 692-3388.

The series of games was developed by Constantino and Cesario along with Committeeman Blase in an effort to give the senior citizens an opportunity to relax and enjoy an afternoon activity.

Senior Citizens, mark Oct. 17 on your calendar and call now for your free ticket. The place and date for the next event will be announced at a future date.

package licenses in Niles. This contrasts greatly to Morton Grove which has had a static number of licenses for many years. It can be said Niles northern expansion, with its great deal of revenue-producing shopping centers, is essential they give the big boys what they want. At Dempster and Harlem the liquor license there came with the building of the shopping center. The builder said he was building revenue-producing stores for the village and he needed a license for one of his renters. The village granted it most cooperatively. Subsequently, the Golf Mill center was built and 8 licenses accompanied the center. Lawrencewood then received licenses for a couple of stores and the centers certainly added tons of revenue to the community.

Down in the boondocks, along Milwaukee Avenue, the liquor stores there were mostly pouring establishments. In order to contribute to this area of Niles culture required a stipend of from \$20,000 on up. Years ago Riggios tried in vain to receive a license thru the village hall, and had to go out and buy one from another store, before they could begin pouring. It had been their argument they were competing with Romanos, and other out-of-village restaurants, which had bars, and Riggios was at a great disadvantage at running a restaurant without liquor. Thus, they had to lay out several big ones, before they could compete. We were later told their business increased substantially after taking this step.

Other smaller pouring licenses were also purchased, as were several of the package licenses of smaller stores. Thus, the little guy who worked in, lived in, and spent years contributing to the village was charged an exorbitant fee for being a little guy, and the Walgreens and other larger stores said, "If you want us give us a license". Interestingly, the last package license issued via the village in Morton Grove was also Walgreens on Golf Road, back in 1957.

Morton Grove had a similar pattern to Niles though the lack of expansion there caused less demand for licenses for the big guys. When Korvettes was built it received the license from Ciminio, the former owners of the property at Waukegan and Dempster, and subsequently shipped its license on to the present Kane's. Morton Grove has 5 package licenses and 21 pouring licenses, and according to Fred Huber they have existed for many years.

The law in Morton Grove has the village receiving \$4,000 for the initial license. They have subsequently been sold for about \$20,000 and perhaps higher. Presently, Morton Grove is considering beer and wine licenses for stores desiring to sell it. At a committee meeting Monday night it was determined to explore the beer and wine licensing further.

In Chicago, anyone who does not have a prison background can pay the \$1,000 annual license fee and be in business. While defenders of the restrictive licenses contend the way our suburbs handle licenses is best for the community, we've never been sure they're right. The lack of free competition allows the poorly run store to continue indefinitely. Even if the store is not profitable the owner still hangs on because he knows he can get \$20,000 or more for his license. Thus, rather than keeping out questionable owners, in reality it keeps in operations which are poorly run, and often in a run-down condition.

Understandably, the guys who've paid money for their licenses would not want additional competition from guys who could just walk in to town and open up a bar. And perhaps there would be a preponderance of booze halls quite out of proportion to the number of tipplers desiring refreshment. But certainly, the inequity pointed out by Harczak is a genuine one, and deserves study. The abuses of the past can't be rectified. But we can learn from them and prevent them for future years.

Legion meets tonite

The regular monthly meeting of the Morton Grove Post #134 of the American Legion will be held at 8 p.m. this Thursday, Sept. 27 at the Post Memorial Home, 6140 Dempster.

Newly installed commander Tony La Rosa reports the second reading of a by-law change will take place. Pertaining to reduced membership for 5 year programs, the last reading and vote will be taken by the Legionnaires at their Oct. meeting.

Second Junior Vice Commander John Reichert's buffet will feature Polish sausage, potato salad and other accompaniments.

Service Officer is to report the untimely death of Marvin Gabel; also the death of Al Abuja's father this past month. New member Leonard Olson is in VA Research Hospital, John Mueller of the Park

District back in the hospital after having been discharged; Jerry De Rudder at VA Rehabilitation Center and Ted Swed recuperating after surgery.

Park class registration

The Morton Grove Park District is still accepting registrations for the 4 and 5 year old swim class on Thursdays at 3 and for the advanced beginners at 4 on Thursdays at the Safari Motor Lodge.

Maine East football results Contest. . .

Friday night, Sept. 14, the Maine East squads hosted the Forest View Falcons.

The sophomore team fell to the Falcons by a score of 28-0. There were times when the game was still in reach, but the Falcon squad was in solid at the end of the contest.

The varsity had its moments, but they just couldn't get a string of power together long enough to score more than once.

Maine East received the kickoff and couldn't move the ball after the initial run back. So on the fourth down, Varco punted. Forest View returned the punt 85 yards for a touchdown. They kicked the extra point to make it 7-0.

The Demon offense couldn't get moving and remained scoreless through the whole first half. Part of this inability to move the ball may have been because of the loss of Dale Constantino during the half because of a leg injury.

The Falcons scored again to make the score 14-0 at the half. After half-time activities, which

featured the Maine East Marching Band and the pom pom girls, the Demons came out ready to play.

The defense played a great second half, coming up with key plays many times to keep the Falcons from scoring.

The offense got it together during the second half and started moving the ball. On a series that saw a few first downs made on fourth and yards to go, the Demons got down to the one yard line. Fullback Bob Rinka then went in for the only Maine East score of the night. That ended the scoring of the game at 14-6.

If there was only a second half in a football game, Maine East would have won. During the second half, Maine East was really tough and probably played a better game than the Falcons; however, it was just those first few minutes and in particular those few seconds of that 85 yard run by Forest View that hurt.

Homecoming. . .

those who worked so hard on the floats."

Afternoon events begin with the frosh-soph football game at 12 noon, and the varsity will face the Norsemen at 2 p.m. on Sept. 29.

During the game's intermission the winning floats in each division will be announced as all of the floats parade around the field. In addition to the float competition, a trophy will be given to the best decorated car. The Homecoming King and Queen will also be announced at varsity half-time, and the Queen will be crowned by last year's Queen, Jo Beth Divito, and will be presented with roses by last year's King, Jim Sylverne.

Homecoming festivities will end with the dance, sponsored by the senior class at Maine East, that evening from 8-11 p.m. Tickets for the semi formal dance, to be held in the cafeteria, are \$3 per couple.

"Homecoming is one of the biggest all-school events of the year," said Karen Hanrahan, "so I hope freshmen as well as all other classmen plan on coming out and supporting the Demons."

The North Suburban Hockey League representatives in member communities are: Niles - Eleanor Mueller, 8214 West Oak, Niles, 824-7034.

ginning Oct. 1st and no later than Oct. 12, 9 a.m. to 5 p.m.

Contestants will be given a 3 by 3 foot sheet of white paper and a set of paints when they register at the park office. The painting will be done at home and must be completed and turned into the park office by Oct. 18. Paintings will then be judged and placed in store windows.

Contestants must supply their own brushes. If additional colors are needed, the park will supply powdered paints for contestants bringing their own jars.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic inflation coverage.
