WE'RE RIDING THE KOHOUTEK COMET...

We're starting the new year with a beautiful new visitor—the Kohoutek Comet. As 1974 streaks in with the comet, the light reflected by our new found friend in space can be seen by all on Earth. Perhaps the Kohoutek Comet signifies the beginning of a new year filled with prosperity, peace and hope for the world.

## Feichter candidate for State Senate

Patton Lee Feichter, a Maine South High School history teacher, announced his candidacy today for the Illinois State Senate in the 4th district. Feichter, who has been endorsed by the Democratic Party in the 4th District, will run in the March 19th Democratic primary.

Feichter, 29 years old, said, "I am a professional educator rather than a professional politician, but I think our political process needs some new blood. In my campaign, I plan to speak to the issues and canvass every precinct door to door to hear

the concerns of my fellow citizens."

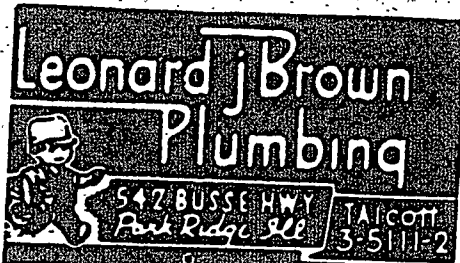

Feichter went on to say, "As a teacher, I know that many youth today are turned off to politics. I hope that my campaign can in some small way restore the faith of my students in the political process."

According to Feichter, "My campaign will place a great deal of stress on the state's financial responsibility in the area of education. I am also concerned with a strong ethics bill and other ways to reform our political system. I look forward to explaining my positions on these and other issues in the coming months."

Feichter, who holds a Bachelor of Science degree from Loyola University and a Master of Arts degree in Political Science from Northeastern Illinois University, has taught at Maine South High School in Park Ridge for the last four years. He also teaches

evenings in the Maine-Oakton-Niles-Adult-Continuing-Education-Program (MONACEP). He lives in unincorporated Des Plaines with his wife, Cynde, and his 7 year old son, Larry.

Feichter, who attends Our Lady of Ransom Church, is a member of the Illinois Education Association, the American Museum of Natural History, Maine Township Democratic Organization, Chicago Archaeological Society, Loyola University Alumni Association, and the Maine Teachers' Association. He is active in community work and interested in all phases of education.

# Work your money.

Why not? You've worked for money all these years.

Why not let it start working for you? We bring up the point, because at First Federal Savings, your money works harder for you. In fact, it works every day. Our daily interest means your savings are compounded each day. And, on passbook accounts every deposit made before the tenth of each month, earns from the first of that month if on deposit at the end of the calendar quarter. And, every deposit earns from the date of deposit to the date of withdrawal on all accounts. And, all of it earns at the absolute top interest rate.

Five ways to put your money hard at work earning for you at First Federal Savings. Look over these rates and see which is best for you:

**5 1/4%**

annually passbook account, compounded daily. \$1,000 minimum. No minimum deposit—add or withdraw any amount at any time.

## Honor fireman

Lieutenant Bernard Brady of the Morton Grove Fire Department (1) receives congratulations along with a letter of Commendation and a Certificate of Merit from Morton Grove Village President Jule Bode for his heroic action on October 28, 1973, which resulted in the saving of the life of Henry Sfranski of 9413 Harlem Ave., Lt. Brady was the Officer on the first arriving fire company at a bedroom fire in Mr. Sfranski's home on that date. When he pulled up, he was advised that Mr. Sfranski was still in the house and without regard to his own personal safety he entered the smoke and heat filled home and made his way through the house searching for the occupant. He found him in the bedroom where the fire originated and brought him to safety outside the house.

## Mikva urges Senior Citizen bus service

Tenth District congressional candidate Abner J. Mikva Wednesday (Dec. 19) urged increased federal and state study of Senior Citizen bus and shuttle systems.

Noting that Park Ridge has begun a study of supplemental bus routes, and "at the door" pick up service for the elderly, former Congressman Mikva urged congressional and state transportation subcommittees to examine the need for such services "at a regional or state-wide level" and to develop "concrete aid proposals."

In his letter to the subcommittee, Mikva said that "too many suburban senior citizens find themselves virtual prisoners in their own homes, unable to visit family and friends, because they can no longer drive or because they live too far from bus stops or trains."

"Almost every problem that faces the nation, inflation, inadequate health care, insufficient mass transit—hits older Americans especially hard. For many, public transit is the only thing that stands between an active life and a life that approaches solitary confinement."

"We can help solve that problem by providing supplemental systems which can either bring senior citizens to their destination or bring them to present transportation facilities," Mikva said.

Mikva also noted that this service could be aided by the state and federal government to reduce fares or even to make these services free to the elderly.

The federal government has been especially lax in its response to mass transit needs, Mikva said.

Mikva offered to provide the Park Ridge study group with all the research reports on transportation which he has obtained while working on the subject both for Congress and in the state legislature where he has served. Park Ridge Mayor Martin Butler appointed a committee Nov. 19 to study the feasibility of a senior citizen transportation system. City Clerk James Milburn is the committee chairman.

The committee, which was authorized to complete its plan by Jan. 15, will examine creation of a system which would bring senior citizens from their homes to other parts of the city. Senior citizens would be able to telephone for a shuttle which would pick them up at their front doors,

preventing the present need of walking to an often distant bus stop and waiting in the cold or rain.

According to proposals, financing would come from local merchants, service clubs or city subsidies.

## Young plans 'walk 'n talk'

Rep. Samuel H. Young (10th-IL) will make a 50-mile listening walk through the 15 communities of the 10th district beginning in January.

Dubbed a "Walk 'N Talk," the walk will be done in stages beginning during the Congressional recess and continuing into February and March to enable Congressman Young to get a firsthand impression of how residents view key issues.

Eventually, walking will carry the Congressman through all of the five townships in the district, Evanston, Maine, Niles, Northfield and New Trier, which includes the communities of Des Plaines, Evanston, Glenview, Glenview, Golf, Kenilworth, Lincolnwood, Morton Grove, Niles, Northbrook, Northfield, Park Ridge, Skokie, Wilmette and Winnetka.

"Walking through a community and listening to citizens is one of the best ways I know to get a realistic appreciation for the sentiment and views of the people," Congressman Young said.

Examples of Young's efforts to improve communications between government and the people, cited by Young were "One on One" public meetings with constituents in each of the 15 communities on Saturdays and "Young Dialogues" two-way telephone conversations with high school and college students in the district. History, civics and economic classes at Glenbrook South, Niles West, Niles North, Maine South, New Trier East, Maine West, have participated in the dialogues and others in the series are planned.

What kind of footwear is the Congressman planning to wear for his walk? "If it's snowy, I'll dig out my World War II boots which I wore when I was in the parachute infantry. Otherwise, I'll have to buy a good pair of walking shoes. Whatever I wear on my feet, my mode of locomotion is going to save on fuel."

## Flynn, Dachman form committee for RTA passage

Thomas Flynn, Democratic Candidate for State Representative in the 4th District, today announced that he had begun a concerted effort to support the regional Transportation Agency (RTA) referendum on March 19, 1974. Flynn joined with Norman Dachman, suburban Democratic Candidate for the Cook County Board of Commissioners, to form "OPERATION, YES," a grass roots citizens committee to help passage of the March, 1974, RTA referendum. The committee will consist of citizens and citizens groups from throughout suburban Cook County.

Flynn announced that he would organize two meetings in January and February designed to intelligently organize supporters of RTA throughout the suburbs and also to properly inform the people about the truth of RTA and its many benefits for suburban Cook County. Flynn said that his efforts are a direct result of the irresponsible and inflammatory campaign of fear being waged against RTA by State Representative Eugene Schlickman.

He said, "The RTA is not and should not become a political issue in the campaign. The RTA is needed now and for very good reasons. I am a Professional Urban Planner and fully recognize that the RTA Bill is not perfect but more importantly I recognize that no General Assembly Bill is ever perfect. The RTA Bill is a most important beginning and a beginning that must begin now to insure the future growth and stability of the Northeast Illinois Region. In my opinion Mr. Schlickman's objections are very shallow and unsupported in law or fact. He is basing most of his objections on conjecture and none of them can be supported by an intelligent reading of the Bill. Every argument that Mr. Schlickman makes against the RTA has been refuted in editorials by every single Chicago daily newspaper and TV station. However, it will take more than just newspapers to stop Mr. Schlickman's well organized and financed campaign of fear and prejudice. It will take the will of the people and the people's elected officials at all levels of government. A grass roots organization of non-political citizens must be organized to properly inform all the people of Cook County about the truth of RTA and why it must be created now and not later. I will attempt to do just that."

Flynn then announced that he was now organizing two meetings for the month of January and February, 1974. The first meeting would consist of organizing suburban legislators and Mayors into sub-committees to lead the "OPERATION, YES" efforts in their local communities. The meeting will be held in early January and every legislator who voted for RTA will be invited. Invitations will also be sent to every Mayor in suburban Cook County. Transportation experts will be present to explain the RTA and to answer questions.

The second meeting would be limited to North suburban Cook County and would be primarily informational. Flynn intends on inviting all the elected officials in the ten Townships of north Cook County, press and media and the general public from all of north-eastern Illinois. He intends on this meeting being the largest public meeting in north Cook County ever held in behalf of a public matter. He said that over 1,000 Municipal, Township, Park District, Library District and Elementary and High School District elected officials will receive invitations. Invitations have already been sent to Gov. Walker, Speaker Robert Blair, President William Harris, Senator Cecil Partee, House leader Gerald Shea and CTA Board Chairman Milton

Pikarsky to attend and act as the panel of political leaders who will co-chair the meeting. The meeting will be held on a Sunday afternoon and thus large numbers of citizens from the general public will be able to attend. Flynn said, "I am organizing these public meetings on a non-political basis and will insure that both Republicans and Democrats will participate fully in informing the people. The RTA is not a political issue and will not become one no matter what Mr. Schlickman says or does."

Flynn then said that it was important for grass roots organizations to begin supporting "OPERATION, YES" now and that they should contact Norm Dachman at 692-3388. He said that the anti RTA forces were well organized and well financed and that Mr. Dachman will need all the help he can get. The support of RTA must not be split and fragmented but rather must be joined and coordinated throughout the County. Support RTA and call Norm Dachman at 692-3388.

## Legion installation

Morton Grove American Legion Post 134 commander Tony LaRosa and the local Rifle Squad participated in the recent installation of (center) Don Root, of Des Plaines, when he assumed the leadership of the American Legion's 1st Division, Cook County. Performing installation duties was (l) past state and national commander both, John Geiger, also of Des Plaines. Al Serinski (r) is the retiring county commander. Root is a member of Post 134.

great playmaking from Joe Stan-kowicz and Vince Corona. Assists go to Steve Cohen, Joe Stankowicz, Vince Corona and Rich Cleveland (2). Losing team goals by Bob Keener and Gary Goldman and fine playmaking by John Witanen. Assists go to Gary Goldman, Bob Keener and John Witanen.

First National Bank of Niles 3, Amy Joy Donuts 2. Amy Joy and Bank of Niles had a hard fought game today with Bank of Niles coming out on top, scoring with 6 minutes left in game. Both goalies, Paul Szenda and Jim Faraci, played very well and shots on goal (17-16) indicates how evenly these teams played. Scorers for Bank of Niles were Bob Lorch (2) and Bill Madura who got 2 assists as well. Dale Oh-man and Bill Sullivan scored for Amy Joy with assists by Mike Ferna, Dale Ohman and Bill Sul-livan.

Team #32 NAHA 3, Effengese Electrical Sup. Co. 2. Goals for F & G Sparks were made by Doug Glibo unassisted. Both teams fought hard, the victor being Team #32 with goals scored by Tony Kornfeind, Vince Corona and Rich Obeld. John Galloto and Vince Corona. A fourth goal, scored by Team #32's Steve Cohen, assisted by John Galloto and Larry Bender, was disputed and not allowed due to use of an illegally curved stick.

## Junior B

The Niles Jr. "B" team travel- ed to Naperville on Wednesday, Dec. 12, with thoughts of aveng- ing a 6-4 loss to them earlier in the season. The juniors played relaxed postional play in the first period and Naperville burned them for 3 quick goals, two on breakaways. Second period play had Naperville consistently com- ing down the ice 3 on 1; Niles forwards weren't skating and did- n't back check. The highlight of the game for Niles was goalie Bob Rinka's stop of a two-man breakaway. Score at the end of 2 periods, Naperville 4, Niles 0. The juniors came out flying for the last period of the game. Niles produced a pass out to the left point which defenseman Paul Aschacher blasted home. Two minutes later shifty center Jeff Shugan shoveled a pass out from behind the Naperville net with two men hanging on him, which left wing Brian Blaszycki, shot into the left hand corner. But time had taken its toll as the game ended 4-2. Although they lost, the juniors showed them- selves their own capabilities with the aggressive play in the final period.

**Robert W. Fink**  
Marine Air Reserve Lance Corporal Robert W. Fink, son of Mr. and Mrs. William Fink of 7617 Neva, Niles, was recently honored for his academic record. Fink is a graduate of Niles West High school and received a B.A. in Marketing from North- western university.

## Niles hockey

### Niles Midgets

Team #42-4, Norwood Savings- 1. Team #42 dominated Norwood Savings with defeating them by a score of 4-1. Jim Pappas scored assisted by Al Qualardi. John Szot scored two goals, first goal assisted by Dave Sawka and Jim Pappas. His second goal assisted by Frank Stankowicz and Dave Sawka. Then Dave Sawka scored assisted by Jim Pappas and Al Qualardi. Norwood Savings goal was scored by Larry Rosenbarshi assisted by Jim Mills and Steve Douvres.

Minelli Brothers-4, Team #42- 1. Team #42 unbeaten winning streak came to an end with Minelli Brothers Bob Jermal, Joe Bres- inski (2) and Eric Nordseth scor- ing goals. Assists for Minelli Brothers went to Eric Nordseth (2), Joe Bresinski, Mike Swelg, and Bob Jermal. Minelli Brothers goaltender Manfred Stange played an outstanding game letting in only one goal by Team 42's John Szot, unassisted.

Morton Grove Auto Parts-1, Soffit King-1. Morton Grove Auto Parts and Soffit King played to a 1-1 tie. Scoring for Morton Grove Auto Parts was Tony Pontillo, un- assisted. Soffit King's goal was scored by Perry Angiulo assist- ed by Tom Galassini and Marty Stankowicz. It was a good hard fought game with outstanding goal tending by both teams.

### Niles Midget Traveling Team

Dec. 14  
Niles came out on the short end of the hard fought, hard checking game. Niles did a fine job of skating and shooting but with the poor job of refereeing they could not muster up enough spark to overcome the Gulls 4-3. Scoring for Niles were Rick Swierkosy, J.C. Fremer and Joe Colasano with assists by George Pfeiffer and Joe Colasano.

Dec. 15-North Suburban Hockey League.  
In snow swept Dyche Stadium Niles won over Evanston 6-2 in the North Suburban Hockey League. It was Niles 7th straight victory without a loss. Niles goals were scored by Mark Dieker, Bob Mueller, Rich Swierkosy, Phil Gugaldo, Tony Salemi and Vito Sense with assists by Mike Kirby (2), Mark Dieker (2), Tony Salemi, Russ Cannizzo, Joe Col- asano and Joe Jelen.

Dec. 17  
Arlington Heights came out high sticking and elbowing from the drop of the puck and overtook Niles 5-1. Once again there was a poor job of refereeing done on the part of Niles Referees who let the game get out of hand from the beginning. Scoring Niles lone goal was Bob Mueller assisted by Vito Sense.

### Bantam travelling team

The Niles Bantams faced off against the Wilmette A team on Dec. 6. After the first period was over Niles was losing 4-0. In the second period, Niles tried to make a game of it with 2 quick goals by Brett Bacci and Ted Hess. Midway through the second period the Niles defense began to falter as Wilmette scored 5 unanswered goals before the end of the game. Goaltie Gerry DeGuidice also was called upon to make 22 saves. Final score Wilmette 9, Niles 2. Assisting on Niles goals were Steve Mannina, Mike Paul and Dave Doody.

Niles Bantam Traveling Team  
Dec. 8 Niles vs. Saddle & Cycle

Danny Marchiori recorded his second shut out of the season as the Niles Bantams shut out the Saddle & Cycle club 4-0 at Bal- lard Sports Complex. The Saddle & Cycle Club was also Danny's victim of his first shut out. The high scoring line lead by Larry DeSalvo and assisted by Mike Schwass and Tom Ackermann, assisted by Kevin Falon and Larry DeSalvo gave Niles a 2-0 lead after the first period. A goal each in the second and third periods scored by Mike Paul as- sisted by Dave Doody and a goal by John Valenta assisted by Don Mueller ended the scoring for the night. The defense was really tough allowing only 1 shot on goal in the third period.

### NILES SQUIRT

Dec. 1 Memco Eagles 6, Kiwanis Mite All-Stars 1

Memco Eagles easily won over the Kiwanis Mite All-Stars. Jack Johnsey scored a hat trick. Other scorers included: Steve Fullert with 1 goal, Mark Giancola had 1 goal and 1 assist, Dale Charnota 1 goal, Pat Conner had 3 assists, David Gottlieb and John Hajduk each had 1 assist.

At 3:35 of the third period Joe Payne lost the shutout when Steve Turinsky scored an unassisted goal for the Mites. The Mites are steadily improving with each game they play.

Dec. 2 Lums Restaurant 7, Ki- wanis Mite All-Stars 1

Lums Restaurant won over the Mites by a score of 7-1. First per- iod goals were scored by Tim Ko- zeny unassisted and Brian Schef- fler assisted by Tim Kozeny. At 1:15 of the second period Brian Scheffler combined with Tom Frawley making the score 3-0. Tim Kozeny assisted by Stan Kapka scored the 4th goal of the game. The second period ended with Tim Kozeny scoring an un- assisted goal making the score 5-0. At 4:15 of the third period Tim Kozeny scored his third goal of the game, giving him his second hat trick of the season.

At 8:45 of the third period Jim Murray lost the shut-out when Ricky Composano assisted by Mark Englund and Larry Kolbaska put the Mites on the scoreboard, with 2 seconds left to play, Stan Kapka assisted by Jim O'Connor scored the 7th and final goal

for Lums Restaurant.

Dec. 8 Lums Restaurant 2, Mem- co Eagles 5

At the end of the first period, Lums Restaurant had the lead 1-0 on a goal by Stan Kapka as- sisted by Brian Scheffler. Memco Eagles went ahead on 2 second period goals by Jack Johnsey with assists going to John Hajduk and Monty Oppenheim. At 4 minutes into the third period, Stan Kapka assisted by Mike Neff tied the score at 2-2. At 9 minutes Dan- ny Redig scored his 2nd goal of the season with assists going to Jim Stankowicz and John Hajduk. Minutes later, Tony Tomaska scored an unassisted goal putting the Memco Eagles ahead 4-2.

At 14:10 of the third period, the game was put out of reach. Jack Johnsey scored his 3rd goal of the game (hat trick) assisted by Frank Feiter, making the final score 5-2.

Dec. 9 Kiwanis Mite All-Stars 0, Memco Eagles 4

The Memco Eagles won over the Kiwanis All-Stars behind the shut-out goaltending of Joe Payne. This was Joe Payne's second shut-out of the season. Pat Con- nor scored his first hat trick of the season. In addition, he also scored the 4th and final goal of the game at 13:00 of the second period. Assists on Pat Connor's goals went to John Hajduk (2), Jim Stankowicz (1), Danny Redig (1), and Dale Charnota (1). The Kiwanis Mites had 7 shots on goal against Memco Eagles 3.

## Honor Society

There are 109 charter members of Western Illinois University's new chapter of Alpha Lambda Delta (ALD), national freshman women's honorary.

Among them is Eve Ethel Lendway, 9432 Marion, Morton Grove.

## Notre Dame

### swimming news

The Aquadons placed 4th in the 5th annual Marmion Invitational which was won by the host school. The highlight of the meet for Notre Dame came in the backstroke relay. Bill Mitchell was the lead swimmer and put Notre Dame in second place as Tim Burke dove into the water. Tim continued to hold on to second place for his 100 yd. backstroke leg in the relay. Bill Brennan was the anchorman of the relay and began his swim with Hinsdale South leading by half a pool length. Bill swam a catch up race for 3 lengths and caught the leading Hinsdale swimmers with 25 yards to go. Brennan had a good turn and out sprinted his competition to win by 3 seconds.

The backstroke relay was Notre Dame's lone win in the all relay meet. The 200 yard medley relay and the 400 yard individual medley relay placed 3rd. Fourth place finishes were recorded by the Soph team in all of their entries. This showed improvement over their 1st relay meet at St. Viator. Notre Dame completes its post holiday competition against St. Ignace this week.

## Maine East

### Ski Club

Even though District 207's winter vacation begins after school on Friday, Dec. 21, Maine East's Ski Club is planning skiing as usual. Buses for the weekly trip to Wilnot will leave after eighth and ninth periods on Friday, Dec. 21.

In addition to the weekly ski jaunts, extensive ski outings have also been planned. From Dec. 21-23 Maine East ski enthusiasts will go to Indianhead-Powderhorn mountains in northern Michigan. Feb. 8-10 a trip, costing \$59, has been planned to Mt. Telemark in northern Wisconsin. This trip will also include an optional Midwest Ski Association race. Lastly, Feb. 11-12 a trip to Devil's Lake in southern Wisconsin has been scheduled. This trip will leave Monday after school and arrive home Tuesday evening. The cost is \$30.

The Maine East bookstore is now accepting payments for these last two trips. If students need additional information, contact Ski Club sponsor James Farrell in room 234.

## BLASE: DEMOCRATS FROM MAINE WILL WIN IN 1974

"I view 1974, in terms of the Maine Township Regular Democratic Organization, the year in which we will elect all three of our candidates in the November general elections," predicted Nicholas Blase, Maine Township Democratic Committeeman at a recent organization meeting.

"For the first time we have a candidate running on the County level, Norman Dachman, candidate for Suburban Cook County Commissioner (who was recently slated by unanimous vote of the Cook County Democratic Central Committee), as well as candidate for State Senator (4th Dist.) Patton Feichter, and State Representative (4th Dist.) Thomas Flynn."

Blase reminded his audience that in 1970 County Board President George Dunne won in suburban Cook County. "Alan Scheffres of Skokie, Democratic candidate for State Senator (4th Dist.) was narrowly defeated by former State Senator Bill Carroll of Park Ridge, giving credence to the fact that the gap had already begun to narrow in traditionally safe GOP areas."

Blase cited further proof of changes in the suburban voting trend since 1970. "In the race for Cook County Commissioner, Pat Siebert of Evanston, the top Democratic vote-getter received 280,000 votes while the man who ran last on the GOP ticket received 330,000 votes. Considering the size of Cook County, the votes showed no overwhelming mandate for the GOP."

Furthermore, since 1970 there has been a significant increase in suburban population with the majority of that percentage declaring themselves either Democrats or Independents.

"From these statistics, and if the trend continues we will elect Democratic candidates from Maine Township and other townships in Cook County, thereby destroying the one party GOP

machinery throughout the suburban communities."

Blase proclaimed, "our victories will be a tribute to the dedicated, energetic men and women of the Maine Township Organization."

"We are an organization that believes in programs for all people whether they are Democrats or Republicans. And we are an organization of action. Among the highlights of our activities this year was our Senior Citizens Bingo Party which attracted a capacity audience of golden agers regardless of their party affiliation. Several more of these parties are planned for 1974."

"Our annual Roaring 20's Dance provides the funds for us to host over 1,000 children to our annual Children's Christmas Party for children of all ages in Maine Township. Again this year, thanks to tremendous support, both of these affairs were huge successes."

"Our Night at the Races brought people from all over the community together to enjoy a summer evening of fun and friendship."

"We look forward to an energetic 1974, a year of combined effort, both politically and civically in our philosophy of serving all the people of Maine Township, Democrats, Republicans and Independents alike," Blase concluded.

## Initiated into honor society

Constance A. Mensinger, 8519 Menard, Morton Grove, was initiated into the Iota Zeta Chapter of Kappa Delta Pi at Carroll College recently.

Kappa Delta Pi is a national honor society in education formed to encourage excellence in scholarship, high personal standards, improvement in teacher preparation, distinction in achievement and contributions to education.

Village Clerk, Frank C. Wagner, Jr. is shown issuing the first 1974 vehicle sticker to Leroy Wisniewski, 7339 Lill, Niles (shown at far left). Also shown above are Mr. Wisniewski's daughter, Maryann along with the other early risers who waited in line to purchase the '74 stickers. Shown are: Gary Thommes, Bill Jr. Wright, Irene F. Arndt, Mark Wilczenski, Charles Pickup, Edward F. Drews, Anders V. Johnson, Carol Chameriski, Elmer G. Lemke, Ralph J. Jaacks, Joseph P. Klebek, Ben Mankowsky and Ethel White.

## 1974 vehicle stickers

Mr. Wisniewski and his daughter, wrapped in blankets, fortified themselves with sandwiches and coffee and arrived at the Administration Building at 9 p.m. and waited outside the building all night for the doors to open at 8:30 the next morning. Gary

Thommes and Bill Wright, shown beside Mr. Wisniewski and his daughter, arrived only minutes after and waited with the Wisniewski's. This is the third year that Mr. Wisniewski has received the number one vehicle sticker in the Village of Niles.

Village Clerk Wagner reminds all that vehicle and dog licenses are due Jan. 1, 1974 and that the vehicle sticker must be displayed on the lower corner of the passenger side of the automobile. Applications, along with pre-addressed envelopes, have been mailed to all residents in the village. If you have not received yours, or if you need additional copies, call 967-6100 and another will be sent. Remember, the entire transaction can be done by mail.

## Hynes students help needy children

The students at Hynes Elementary School in Morton Grove, District 67, have voted to forego their usual Christmas gifts given them by the Parents-Teachers

Organization and instead give the money to the Wally Phillips' Needy Childrens Fund.

Mr. Phillips accepted the gift on behalf of the children and expressed his appreciation and that of the children who will have a more pleasant holiday season because of the Hynes' students generosity.

## Niles Community

Home-for-the-Holidays young people will be honored during the 9:30 and 11 a.m. worship services of the Niles Community Church (United Presbyterian), 7401 Oakton St., on Student Recognition Sunday, Dec. 30. The Sacrament of Communion will be celebrated at both services. Care of toddlers through 2-year-olds will be provided at 11 a.m. and church school classes for 3-year-olds through 8th graders will be held concurrently with that service. There will be no youth activities on Dec. 30 because of the Holidays.

Church meetings during the week of Dec. 31 will include: Wed. 7 p.m. - youth "drop-in" and instrumental group, 7:30 p.m. - goal-setting steering committee; and Thurs. 7 p.m. - Jr. Choir rehearsal, 8 p.m. - B.S.A. Round Table, 8:10 p.m. - Sr. Choir rehearsal.

## KC Communion Sunday

All members of North American Martyrs Council #4338 of the Knights of Columbus and their families will receive Communion at the 9:15 a.m. Mass on Sunday, Dec. 30, at St. John Brebeuf Church on Harlem Ave., in Niles. Catholic Activity Chairman Matt Araszewski announced that all members will assemble at 9 a.m. in the church lobby.

Knights of Columbus meetings are held every 1st and 3rd Wed. of every month starting at 8:30 p.m. at St. John Brebeuf school hall. Anyone interested in joining or for more information, contact Membership Chairman Edward Gembliski at 8 p.m. any meeting night.

## Present gift to Orchard Village

A \$500 gift has been presented by the Skokie Rotary Club to Orchard Village, the new community living facility for retarded young adults. The contribution toward the \$500,000 cost of the recently purchased property in the 7600 block of Marmora, Skokie, was handed to Bernard Saltzberg, Executive Director, after he addressed a recent Rotary luncheon.

The Rotary Club is also planning a fund raising affair in March, with all proceeds to go to Orchard Village. Orchard Village is being run by the Orchard Assn. for the Retarded, made up of parents of mentally retarded and/or physically handicapped children in Niles and Maine townships.

Orchard Village will provide supervised homes for young adults who have progressed through all available special education facilities and who are not quite up to entering the workaday world entirely on their own.

Shown above from l. to r., Mr. Bernard G. Saltzberg, Executive Director, Orchard Village; Mr. George Baumann, President of Skokie Rotary, of Baumann and Ozzie Agency, 7925 Lincoln, Skokie; and Robert J. Cyro, DVM, Lincoln & Cicero, Skokie, Past President of Skokie Rotary.

## The Little Adas Shalom Country Chapel

The New Year's Eve watch at The Little Country Chapel of Niles, 7339 Waukegan rd., will begin with a pot-luck supper at 6 p.m. The young people will present a program and then, those who wish to, will join in fellowship at the East Maine Baptist Church to view the film "Flame in the Wind", an account of the horror of the Spanish Inquisition. Sunday's services and classes: 9:45 a.m. Children's Church, adult, senior and junior high Bible school. 11 a.m. Worship, sermon preached by Pastor McManus. The nursery, beginner and primary and junior classes will be held at the same time in the school rooms. 7:30 p.m. Worship, message by Pastor McManus.

## Foreign language program at Apollo

All seventh grade students at Apollo school, East Maine School District #63, were given an introductory presentation of Spanish, French, and Russian by the foreign language teachers. Non-foreign language students were informed that some of them could still begin studying one of the languages even though the school year had already begun.

The students then signed lists indicating which language they would like to study. The foreign language teachers evaluated each candidate on his past language arts achievement, reading scores, past teacher comments, and whether the child needed to continue in the reading program.

Those seventh graders selected for a foreign language were notified and are now studying either Spanish, French, or Russian with the other foreign language students.

## MTJC

Religious services at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, this weekend will include the Bat Mitzvah of Sherri Schoeneman, daughter of Mr. and Mrs. Marshall Schoeneman, 8816 N. A special New Year's Day Tallit Tefillin Mitzvah will be recited at 10 a.m., one hour later than usual. Super Bingo will be played Sunday, Dec. 30, 7:30 p.m. Two \$500 jackpots, as well as other house specials, will be featured. Seating will be limited to the first 700 people attending. Doors open at 6:30 p.m.

## Santa comes to Preschool

Ho, Ho, Ho! And what would you like for Christmas, son? The Morton Grove Park District Pre-School program received a hearty surprise when Santa appeared at each of the fieldhouses during the pre-school programs. The program has a total of 231 3 and 4 year olds registered for the 1973-74 program.

The Morton Grove Park District Music Theatre put on the play "Winnie the Pooh" directed by Ethel Libkin. The play was shown in the area fieldhouses on the weekends of Dec. 8 and 15 and was cast by the Jr. High Drama students in the Park District program taught by Ethel Libkin.

The Park District is now seeking technical people and a piano player and accompanist for their Spring Variety Show. Anyone interested should contact the Park District at 965-1200. Auditions for the Variety Show will be held on Jan. 7 and 9 for those comedians, singers, and dancers 16 years of age and over. Auditions are at National Park fieldhouse, 9325 Marion, Morton Grove, at 7 p.m.

## Golf Maine winter season activities

## Named to Dean's list

Kevin L. Christell, 9425 W. North Terrace, Niles, has been named to the Dean's list at North Park College, Chicago, for the fall term. He is a member of the Junior class.

The Dean's list at the church related college is made up of the men and women who earn an average of 3.1 or better. All A's make a 4.0 average.

## USFSA testing

For the first time since the Niles Park District Sports Complex Ice Rink opened its doors, it will have a sanctioned U.S.F.S.A. Test day, Saturday, Jan. 14 from 9 a.m. to 1 p.m. has been chosen as the date and time. This test is a major event in the area of competitive figure skating for the Complex.

After weeks of working with the Oak Park Figure Skating Club, Norm Goldberg, Sports Complex, and Mrs. Johnson with the Oak Park Figure Skating Club, have reached an agreement for Niles Sports Complex program participants to be eligible to test on an equal basis with club members. The Oak Park Figure Skating club will provide the judges sanction and guide the test session and the complex supplies. The Niles Hockey Association has been more than helpful in exchanging Saturday ice time to permit this test session. The Niles Park District is anticipating a great interest for this major event in the area of competitive figure skating.

## Basketball

In the opening game of the Niles Park District High School League team 1 led by Mark Mandl and Todd Taylor with 11 and 12 points respectively defeated team 2 (47-34). At the half team 1 led by a slim margin of 3 points 21-18, but the hot hands of Mark Mandl and Todd Taylor put the game out of reach. Pat Fergus and Tom Romano were the high point men with 14 points each for team 2. Team 1 dominated the boards led by Kevin Byrne which proved to be the difference. In the second game, team 4 crunched team 3 (70-47). Art Aufmann scored 30 points for team 4, assisted by Dave Callero's 16 and Marty Meier 10 points. Team 2's Ron Reese had 17 and Scott Brown 11. Games are played Wednesday nights at 6:30 and 7:45 p.m. at the Louis Schriener gym.

## Girls' gymnastics

Maine East's girls' gymnastics team won its first trophy of the season at the first Niles West-institutional meet on Saturday, Dec. 8, defeating the high-ranked teams of Deerfield and Highland Park.

Leading scorers for the meet were Maine East captain Bonnie Gallagher, placing third in the uneven bars; Melody Miller, placing third in vaulting; and Cindy DiVito, placing second in floor exercise with a score of 7.2.

Other competitors helping the number one Maine East team were Mary Winkel in bars and Chris Bartolucci in vaulting. Melody Miller also scored a 6.9 in balance beam and a 6.6 in floor exercise, and Bonnie Gallagher added a 5.3 in beam.

The team in upcoming weeks will be concentrating efforts on compulsory routines for the Jan. 19 meet against Highland Park to compete for the division championship.

## FIRE DEPARTMENT WARNS OF GASOLINE STORAGE DANGERS

Is it worth risking your life, your home and your car just to avoid running out of gasoline? Every consumer who "stockpiles" gasoline exposes his family and his possessions to the real danger of deadly explosion and fire.

Be alert to gasoline's danger signals. Any smell of gasoline in a storage room or automobile trunk is good evidence of a vapor leak in the container and should be taken care of immediately.

Maximum allowable storage by law is 5 gallons in an approved metal container and then only in a garage or exterior building. Keep the gasoline in a well-ventilated area where it can't be tipped or damaged accidentally. Never store it in the home including the basement, a pilot light or sparking switch can set off an explosion of accumulated vapors.

NOT FIGURING SNACKS One of the electric companies figured out that it costs about four cents in electricity to see a football game on a big screen color TV. Now, consider the average thirty cents per day that it costs to own and maintain this set, and you must believe that this is the biggest bargain in entertainment of all time. Also, consider that a very, very small part of this thirty cents represents the times you must call a TV serviceman for maintenance. Now, isn't it worthwhile to insist on the highest quality of replacement parts? This is why more and more folks phone 967-6485 and let KROMER TV do the maintenance servicing.

## DAR Award

Maine East senior Carol Dudek of Morton Grove is this year's recipient of the D.A.R. Good Citizens Award from the Park Ridge Chapter of the Daughters of the American Revolution.

Maine East's senior class nominated three qualified girls for the award. From the three girls the Maine East faculty selected Carol for the Good Citizen Award as excelling in the following qualities which determine good citizenship — dependability, service, leadership, and patriotism.

She will now be placed in competition for the Illinois Good Citizen Award with the opportunity of receiving a Government Bond of \$100 maturity value from the Illinois Society, D.A.R.

The National Society gives a \$1,000 scholarship to the National Good Citizen winner.

Carol participated in Student Council as a freshman, sophomore, and junior and is currently serving as secretary of the senior class. This year she is a member of the speech team, and last year she performed in Romeo and Juliet. Carol plans to major in pre-school education and will attend either Northeastern of Western Kentucky.

## Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth and keep it that way with automatic inflation coverage.

## Maine East girls' gymnastics wins

Maine East's girls' gymnastic team won its first meet of the season against Glenbrook North with a score of 84 to 79.

Captain Bonnie Gallagher led the team with an all-around average of 7.4. Teammate Mary Winkel also competed in all 4 events and scored an average of 6.4 — taking first place in the floor exercise with a 7.85.

Other high scorers in the compulsory floor exercise routine were Bonnie Gallagher with a 7.7 and Sue Nicewick with a 7.85. The second strongest event for the Maine East team was the balance beam, with Bonnie Gallagher scoring 7.55 and Mary Winkel at 7.35 and Debbie Leptich at 6.85.

On the uneven bars Bonnie Gallagher read the highest score of the meet, a 8.1, and Cindy DiVito with a 7.15.

In vaulting Chris Bartolucci performed a good layout squat vault to receive a 6.1.

Against Maine North the Maine East team won 83.95 to North's 77.55.

The all-around winner of the Maine North-Maine East meet was East's Melody Miller with an average of 7.05.

In other areas, Melody Miller took a first in floor exercise with an 8.2 (highest score of the meet) and Mary Winkel took second with a 7.85.

On the uneven parallel bars Melody Miller with 7.8 took first, and Bonnie Gallagher took second with a 7.75.

On the balance beam Melody Miller took first with a 7.05, second place went to Nancy Goldsmith with a 6.95, and third place went to Debbie Leptich with a 6.65.

In vaulting Nancy Goldsmith and Kathy Herbst tied for third with 6.2.

## NSJC Sisterhood meeting

"Quickest Tricks for Fun-Figure and Fashion" will be the program of entertainment presented by Irene Abrams, fashion advisor, author, educator and popular television guest at the Northwest Suburban Jewish Congregation Sisterhood meeting on Thursday, Dec. 27. Luncheon will be served from 12 noon, and baby sitter service will be available.

Irene's lively, fast paced entertainment includes original ideas and suggestions about instant fashion, shortcuts for ex-fitting, quick clothes, tying fashion scarves, and useful household tips, and demonstrations on how to use anything from a tea kettle to a loaf of rye bread to avoid cleaning bills.

## Named to Who's Who

Six students at St. Mary-of-the Woods college have been nominated for "Who's Who Among Students in American Universities and Colleges," 1974 edition. Included was: Dawn Tomaszewski, senior, daughter of Mr. and Mrs. Lenard Tomaszewski, 8430 N. Oketo; Niles, communications major, graduate of Mother Theodore Guerin High school in River Grove.

## Contest winner

Chef Albert Bonelli (second from r.) of Chicago's famed Pump Room of the Ambassador East Hotel gets some culinary assistance from singer Bobby Vinton (l.) when Vinton was celebrity guest for WDFH Radio's "Guess Who's Coming to Dinner" contest. The popular singer dined in the home of Jean Pischke (c.) of 8429 N. Milwaukee ave., Niles, with a gourmet meal prepared in her kitchen by Chef Bonelli. Another celebrity guest at the memorable dinner party was WDFH Radio announcer Mike Elliott (second from l.).

Could you imagine entertaining a celebrity in your home... planning a menu with the head chef of Chicago's famed Pump Room... or going grocery shopping in a chauffeur-driven limousine?

All these things and more happened recently to Jean Pischke, of 8429 N. Milwaukee ave., Niles, thanks to radio station WDFH, the new Metromedia station in Chicago.

Ms. Pischke was a first prize winner in WDFH Radio's unique "Guess Who's Coming to Dinner" contest. She correctly guessed the name of singer Bobby Vinton from a series of mysterious clues announced on the air.

Among Ms. Pischke's prizes were dinner for eight of her friends with Bobby Vinton and WDFH announcer Mike Elliott, with a meal created especially for the occasion in her own kitchen by Chef Albert Bonelli of

the Pump Room of the Ambassador East Hotel. She went grocery shopping in a chauffeur-driven limousine and received a gift certificate for a new hostess outfit.

Ms. Pischke won over several thousand other WDFH listeners who entered the "Guess Who's Coming to Dinner" contest, according to Herb Mendelsoln, WDFH's vice president and general manager.

"This contest was our way of expressing WDFH's positive attitude toward its listeners," Mendelsoln said. "We think life is fun, and we want to help people enjoy it."

He pointed out that had Ms. Pischke been runner-up instead of first prize winner, her prize would have still been a dinner party, but one that didn't require the talents of the Pump Room chef—it would have been dinner for two at McDonald's!

## New Year—new figures at "Y"

If you have made a New Year's resolution to lose weight, don't take it so hard, it isn't as bad as it seems, according to Miss Gerry Moynahan, diet consultant for the Leaning Tower YMCA, 6300 W. Touhy, in Niles.

The group will begin meeting Thursday, Jan. 10, 1974, from 7 to 9 p.m. and Friday, Jan. 11, 1974, from 9:30 to 11:30 a.m. Baby sitting service will be offered in the Friday morning class.

The classes are fun and entertaining as well as educational. They are planned for women who want to lose weight but feel they need a sound program, professional help and the company of other women with the same problem in which to do it.

The course will include low calorie diets and recipes, and how to lose weight and stay at their ideal weight.

Among other features of interest are instructions in exercise, relaxation, posture and walking, skin care and makeup, hairstyling, and how to plan a basic wardrobe.

To date over 31,000 women have taken the course with a total weight loss of over 89,000 pounds. The largest individual weight loss was 165 pounds.

Membership enrollment and further information about the course can be obtained by phoning the "Y" at 647-8222.

## Nancy Howe on President's list

Nancy R. Howe, daughter of Mr. & Mrs. George Howe, 7032 Emerson, Morton Grove, has been named to the President's List at North Central college in recognition of her scholastic achievement during the fall term of the 1973-74 academic year.

A 1972 graduate of Niles Township North high school, Miss Howe was one of 103 students named to the list by Dr. Arlo L. Schilling, President of the college.

The next pack night will be the annual Christmas party night. All are looking forward to this on Dec. 17.

## Girl Scout service unit 63

On Nov. 2 Niles Girl Scout Service Unit #63 held their first Juliette Low Memorial Campfire at Bunker Hill Woods with some 100 people in attendance. The event marked the Halloween birthday anniversary of Juliette Low, founder of the American Girl Scout movement.

Brownie, Junior, Cadette and Senior Scouts from the Niles Elementary Schools, Oak School, St. John Grebeud and the area Junior and Senior high schools, along with their families, participated in the fun-filled hour.

Although it rained most of the day on Nov. 2, by late afternoon the sun came out and the evening was cool but very clear and starlit. A campfire was started and each girl brought a stick of wood to add to the fire. Every one joined in a sing-along while each troop contributed to the Juliette Low World Friendship Fund, a fund established to help Cadette and Senior Scouts finance wilder opportunities in both national and inter-national events.

Later, the group had a surprise visit by three infamous creatures from Transylvania who arrived in two coffins. Count Dracula complete with fangs (Mr. Gene Swift) told a delightfully spooky horror story assisted by The Monster (Mr. Dale Hoeft) and The Hunchback (Kevin Swift). When the story was ended and the screams and squeals were quieted, everyone joined in singing "Taps" to close the evening.

The event was planned by service team members Mrs. Ranae Paschke, Mrs. Mary Jordan, Mrs. Arlene Hoeft, Mrs. Judy Flynn, Mrs. Kathy Smith,

Mrs. Rita Sikorski and Mrs. Peg Maher. All agreed the evening was a huge success and will be held again next year.

## Pack 273 activities

Cub Scout Pack 273 has been very busy. Monthly pack activities have provided great fun for all participating scouts.

In September the scouts went to the Milwaukee Zoo. October's activity was roller skating and November's was bowling. Future planned activities are ice skating, slot car racing, a Cougar's hockey game, and a family swim. February's Blue and Gold Dinner promises to be a unique experience for Pack 273 Scouts and their families.

Bowling trophies were awarded to Larry Marturano, Mark Cooperman, and Clifford Schubert for high series in their respective age groups. High game trophies went to Kevin White, Marc Schwartz and Joel Liberson.

Nickey Delmaso, roared into first place in November's Pine-wood Derby. David Wrisley came in second and Larry Marturano came in third.

## Ballard Scout Pack

The Ballard School FTA has sponsored Cub Scout Pack 133 and Boy Scout Pack 133 in Niles. They are currently reorganizing and are in need of new adult leadership. Any boys or parents interested please contact Steve Ky-lan at 824-0265.

## Girl Scout Troop 189

Girl Scout Troop 189 of Melzer School in Morton Grove under the leadership of Audrey Rothenberg and Sharon Feldser entertained a Wisconsin Troop for a day.

Troop 189 took the Wisconsin girls on a tour of Chicago. The first stop was, via train, to the John Hancock building's observation deck, then on by chartered bus to the Museum of Science and Industry, and by way of important sights in the Loop. The girls returned via Chinatown to a pre-gressive dinner at the homes of Lamise Ayyad and Jackie Davidson.

All the girls met at 7 o'clock at National Park for a finale, where hot chocolate and a song fest was enjoyed.

## Freshman gymnastics

Niles North proved to be tough guests to host's Maine East's freshman gymnastics team on Friday, Dec. 14. The Niles North team scored 39.12 to Maine East's 23.76.

Scoring for the Maine East freshman gymnastics was free exercise, Rich Krockner, fourth with 1.7; pommel horse, Paul Dudek first with 2.0 and Jordan Berkley fourth with 1.4; horizontal bar, Steve Wells fourth with 1.0; trampoline, Tim Heinz fourth with 1.0; parallel bars, Tony Nicastro second with 2.3; and all-around, Keith Chapman second with 1.06.

The current conference record for the freshman team at Maine East is 0-2-0.

## United Fund Drive

Maine Township High School District 207 brought its United Fund Drive to a close recently by holding a drawing for contributors, with memberships in two tennis clubs in the area awarded as prizes. Daniel T. Holbrook, chairman of Maine North's Language Department, won a membership in the River Trails Tennis Center, and Ronald J. Otto, a teacher of mathematics at Maine North, was awarded a membership in the Woodfield Racquet Club.

The drawing was held in the office of Merlin W. Schultz, coordinator of pupil personnel services for the Maine Township High schools. Miss Candy Lesak, Maine South student, drew the winning names, number of contributors to the United Fund this year, with Maine North coming in second. Contributions by all District 207 personnel were increased 5% over last year.

## FASCINATING FUN & DINING Artists workshop series

### Maine East field trips

Field trips are a real part of school life at Maine East, and a number have been planned for the weeks ahead.

Girls from the girls' physical education department on Nov. 3 attended a practice session at the Chicago Circle Campus of the Japanese women's volleyball team.

Three different fieldtrips were planned for Tuesday, Nov. 6. The Cooperative Work Training classes of Mr. Allan Kaluzna toured the WGN studios as well as stopped off at the International Wax Museum. Mr. James Ribbeck's business education classes visited Civic Center Courts. Lastly, Mrs. Nancy Salefski's Foods II class toured the meat counter at the Dempster st. Jewel to study meat cuts and observe butchering.

On Wednesday, Nov. 7, 45 Orchestral members attended a dance performance at Northwestern Illinois University, and Mr. David Whiggen's art students toured the Chicago Art Institute.

As part of a field trip on Wednesday, Nov. 14, Office Occupations students from Maine East toured the IBM building.

Friday, Nov. 16, speech and drama department students will attend a production of Romeo and Juliet at Northwestern University, and Food Occupations students of Miss Lee Johnson will tour the United Airlines Inflight kitchens.

Lastly, home economics students on Monday, Nov. 19, will tour the Sara Lee factory in Deerfield.

### NW Italians Yule party

On Wednesday, Dec. 5, the Northwest Italian American Society held a Christmas party at the Casa Royale in Des Plaines for the Mount St. Joseph Home for retarded girls.

145 ladies, whose ages ranged from 16 to 80 were transported by bus to the banquet courtesy of NWIA, and were all presented with gifts.

The cost of the party was covered by the generous donations given to the NWIA when they sponsored the St. Joseph's Day Table which was held March 19 at St. John Brebeuf's Church in Niles. The Society is deeply grateful to those attending for helping with their many benevolent functions.

Following dinner, Mrs. Lopez, a social worker at Mount St. Joseph presented a program of Spanish songs and dances. Chairman for the party was Tony Gagliano, ably assisted by Tom Imburgia, Andy Ciabattari, Tony Pettinato, and Dom DiAntonio.

### NSJC New Year's Eve party

The Men's Club of Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, will hold a gala New Year's Eve party in the Synagogue Social Hall, Monday, Dec. 31. The evening will include a complete catered dinner, party favors, music, dancing, fun and frolics for just \$35 per couple. For reservations, contact Seymour Pritner, 965-7321 or the Synagogue office, 966-4720, 965-0900.

## Cycling club

America's fastest growing leisure-time craze - bicycling - has hit Maine East like a whirlwind. Cycling Club, the newest addition to Maine East's club circuit, has gotten off to a fast start by obtaining 44 members and by becoming recognized by the many students who ride bikes.

The club also received its charter from Student Council about two weeks ago.

Mr. Al Hinkle, sponsor of the club and a member of Maine East's Industrial education department, related that along with the club's bicycle trips it has been working with Student Council about a bicycle lock-up area.

The proposed lock-up area, which is currently being discussed by Student Council, is being brought up by the club to hopefully decrease the rate of stolen bicycles and vandalism of bicycles at the school. The proposed area is similar to the way that New Trier West and Evanston have solved their problem.

The club, whose founder is Susan Freeman of Niles, includes officers Dave Mozdren of Des Plaines as president and treasurer Gary Goldstein of Morton Grove.

On the first trip 18 members and 2 sponsors went on a 50

mile excursion to McCormack Place and back. Other trips are planned before the snow falls, but they will probably be shorter to get more members in shape.

Mr. Hinkle also added that there are two problems in finding a suitable route for a trip because (1) there really are few good paths and (2) the few paths available are littered with glass and other debris hard on tires.

For those who are interested in joining this new group, meetings are held in room 183 on Tuesdays after school and on Thursdays mornings.

"Students are not required to have any certain type of bicycle. They just should have a desire to ride and enjoy themselves," said Mr. Hinkle.

### Art students view demonstration

A group of nine Maine East art students recently spent a morning as the guests of the Forest View High School art department.

They were there to see a demonstration of ceramics and wheel throwing as an act by James Hansen of Bradley University. Mr. Hansen was able to visit Forest View thanks in part to a grant from the Illinois Arts Council.

The nine Maine East students attending were Cindy Aniolowski, Nancy Hajek, Michele Zarr, Jan Knapik, Brian Sinclair, John Divita, Reed Henrichsen, Bob Bacon, and Martin Pistone.

Maine East art instructor Chipp Wolff commented, "While there they not only had a chance to see a good demonstration of throwing but Mr. Hansen also showed them how to build a small kiln."

### Teachers attend convention

Maine East instructors Raymond Scharf and Allan Kaluzna attended the American Vocational Association's national convention in Atlanta, Georgia, on Dec. 3.

The theme of the convention was "Cooperative Education for the Non-Typical Cooperative Work Training Student."

At the convention Mr. Scharf and Mr. Kaluzna presented a sound and slide presentation entitled "A Time for Us."

The presentation explained the Cooperative Work Training program at the Maine Township high schools.

Themes of the decorations included, "Christmas Around the World," "Santa and His Reindeer," "Dance of the Tin Soldiers," and "A Christmas Choo-Choo," among others.

## Movies at Niles Library

The Children's Department of the Niles Public Library continues a series of First Friday Night at the Movies. The next showing is Jan. 4 at 7 p.m. in the Audio-visual room at the Library. Two old-time silent films will be featured. "Tillie's Punctured Romance" was produced by Keystone in 1914, and stars Charlie Chaplin, Marle Dressler, Mabel Normand and the Keystone Cops. This version was edited for TV's Charlie Chaplin Comedy Theater and has a musical sound track.

The second film, "The General," stars Buster Keaton, who was also its director. It is a comedy about Civil War espionage, and has some spectacular war action.

Film titles for future Friday Night at the Movies (Feb. 1, March 1, April 5, May 3, and June 7) will be posted at the library. Circle these dates on your calendar and plan to come. Films are suitable for children of school age as well as their parents and other adults.

## Brookwood Christmas luncheon

Brookwood Convalescent Center, 2380 Dempster st., Des Plaines, recently held its annual Christmas Luncheon for local physicians, social service workers, members of the Des Plaines Fire Department and Board of Health.

Those attending included doctors from Lutheran General Hospital in Park Ridge, Holy Family Hospital of Des Plaines, St. Francis and Evanston Hospitals in Evanston, Resurrection Hospital in Chicago and Northwest Community Hospital in Arlington Heights.

After the luncheon, the guests took the opportunity to tour the convalescent center and judge the creativity of corridors, decorated in holiday themes by Brookwood residents.

## Washington School creates mini-museum

Washington School, East Maine School District #63, Team 5, under the able leadership of Ms. Sally Wing, Ms. Carolyn Stauder, Mrs. Cathy Chapman and student teacher Pam Green, has completed a social studies unit on primitive man, his culture and environment.

Most of our evidence about the past comes from fossils and artifacts. The children were given an excellent introduction to fossils and imprints by Mr. and Mrs. Whitfield, grandparents of one student. They had many interesting slides and fossils to show. Mrs. Whitfield wore a trillium necklace and earrings and a lovely bracelet made of petrified wood. Inspired by this visit, part of the class made imprints themselves using sculpture and leaves.

The student learned ways of measuring time. Projects and reports were done on digging and screening; tree stumps, carbon dating and glaciers.

Different types of early man were studied. Various students chose to teach a lesson on a specific pre-historic man and his basic life styles. Improvements in the way of life were shown by contrasting the caves of the Peking and the Cro-Magnon man. While part of the class was involved in making caves depicting these differences, other activities were going on. Dioramas, cave men and murals were made.

With the aid of the Art Coordinator, Barbara Tuch, the children worked with clay. They made coil pottery, pinch pots, slabs, prehistoric animals and jewelry, then glazed and fired the pieces. An incising technique was used to simulate the primitive drawings of pre-historic man. Slides of cave paintings were also a source of inspiration.

Some children examined early number systems. They compared

five systems to their own: early man, Egyptian, Babylonian, early Hindu-Arabic, and Roman. They discovered that early man only had a tally system.

As a culminating activity the students created a mini-museum using their projects and reports. Students from other levels will be guided through the museum by 5th grade tour guides. One special segment of this tour will be a picture story, "Bobby Brombsaurus."

During this entire unit an interdisciplinary approach was used. The children were able to incorporate concepts and skills from art, math, science, social studies and language arts.

Team 5 ends their unit when civilization begins. In Team 6 the story of man will be continued. They will start with civilization in the Fertile Crescent.

## Gemini students visit Art Institute and Zoo

The Alpha 8 class of Gemini Junior High School, East Maine School District #63 went to the Art Institute and the Lincoln Park Zoo in November. The trip was organized by the art teacher, Miss Donna Scott. At the Art Institute they saw such exhibits as the Nathan Cummings' collection, an Indian art collection, a photography section and weavings as well as the usual paintings. In the weaving section they picked out a weaving and wrote a story on what it meant to them. This tested the students' ability to understand weavings.

At the Zoo they drew six drawings of animals. Everyone did three contour drawings and three shape drawings. The trip proved worthwhile and interesting.

## Learning Resource Center workers

Fifty-three Maine East students work in the Learning Resource Center as library helpers and audio-visual aides.

Students residing in Des Moines who work in the Learning Resource Center are Wanda Benjawan, Larry Friedlander, Debbie Gurtke, Cheryl Hansen, Dan Herrijon, Jill Meyer, Richard Murov, Mark Olleck, Kathy Quinn, Margo Squire, and Denise Von Thun.

Learning Resource Center helpers from Morton Grove are Pam Cutler, Norma Di Prima, Steve Fields, Jeff Gerald, Tina Kolb, Wendy Korn, Nancy Roberts, Sidney Rothenberg, Tom Willerscheid, Lori Witlock, and Linda Zatz.

Nineteen Maine East students residing in Niles also work in the L.R.C. as library helpers and audio-visual aides. They are Mike Babcock, Kathy Dunn, Tom Byrne, Annette Filippio, Mary Ann Firsz, Sandy Gajewski, Karen Goeschel, Marie Greco, Jim Heath, Michele Kolman, Tom Krause, Karen Mancil, Fatima Marashi, Karen Merkel, Kathy Polinski, Janet Sherwood, Helen Taylor, Pat Wisniewski, and Natalie Zangara.

Concluding the list of student helpers are those students residing in Park Ridge. They are Leamora Agnello, Mary Agnello, Cindy Fraser, Julie Garesche, Heidi Hawkins, Beth Hoelter, Chris Hussli, Jan Jorlin, Mark Lammersfeld, Sue Leszkiewicz, Nancy McNamara, and Bob Warrman.

## Drama classes

Did the show biz "bug" ever bite you? Have you ever imagined bowing in front of your wildly applauding, adoring fans? How would you like to be the parents of a star? Everyone has to start somewhere, and here is the Big Chance. On Saturday, Jan. 12, the Mill Run Theatre is opening a ten-week winter session of drama classes. Anyone ranging in age from 8 to 80 who has the "bug" is invited to register. The pre-teen class will meet from 10 a.m. to 11 a.m. Adults and teens will meet from 11 a.m. to 12 noon.

Despite inflation the price has not increased from last year. It is still only \$5 per session.

## Dist. 64 in-service training

Margaret Knight, Coordinator of Libraries for School District 64 recently conducted an in-service training program for parent volunteers.

Many mothers give of their time and talents by helping in their neighborhood school. These ladies aid the schools in various ways, some type and perform clerical tasks which help teachers while other mothers work directly with children. Those working more closely with students usually perform these services in the Learning Resource Center. Working with one or two students, a volunteer may read a story, adjust a head set for tape players or help find a book. Obviously, a knowledge of L.R.C. organization and functions of learning machines (projectors, recorders, etc.) is helpful for these volunteers. Therefore, an in-service program was designed and conducted to teach volunteers these concepts and skills. The in-service program, led by Miss Knight, covered three basic areas: where to find materials and machines, how to use and items and where to go for help. Volunteers from most of District 64's nine elementary buildings attended this program and their comments upon completion of the training indicated they were pleased with their new knowledge.

The school system is happy with the workshop because volunteers are now more able to help children in the L.R.C. and more parents have a better idea of the Learning Resource Center concept.

## Psychology field trip

On Tuesday, Oct. 30, 51 Maine East students enrolled in Mrs. Gretchen Denny's Psychology classes went on a field trip to Lamb's Farm, a sheltered workshop for mentally retarded young adults.

Participating in the field trip were Tony Abbate, Jeff Abrams, Jerry Balog, Kathy Barry, Lori Bender, Don Blayney, Starr Callo, Kathy Caragher, Michael Cohen, Chris Dreyfuss, Lory Feld, Debbie Finkler, Laurel Fredrickson, Debbie Fucarino, Debbie Glick, Howard Gnatowsky, Jan Heitene, Ellen Herr, Jerry Hoppe, Jan Hunter, Sue Kalk, Jordan Krause, Mary Listman, Sherese Lopate, Debbie Martin, Dean Moss, Robyn Newman, Betty Pearson, Sue Perry, Ken Pink, and Mike Piper.

Other Psychology students who toured the Lamb's Farm on the field trip were Gordon Pohn, Stacy Pongas, Debbie Rapoport, Sue Rings, Beth Roth, Doris Schlesinger, Cheri Sedelsky, Julie Shafermich, Jeanne Sill, Michelle Slaman, Debbie Soltan, Cindy Spino, Larry Unterberger, Roz Varon, Jeff Warsaw, Don Webb, Karen Weiss, Barb Weiler, Roy Wilson, and Jackie Zink.

## Lessons for Young Bicyclists to Learn

Lesson No. 13 - Lane Changing

We have now arrived at the final lesson... No. 13! I want to go over one other important subject with you that we have not touched on... lane changing.

Lane changing is when you are riding down the street in the right hand portion of your side of the street, and you want to change to the left hand portion, or the left lane, in preparation for making a left turn. This is where most bicyclists become very careless. They ride along looking over their shoulders to see what is coming from behind, and pay little attention to what they are approaching in front of them. This is hazardous!

The proper way to change lanes, when you are riding a bicycle, is to LISTEN first. You can usually hear a car approaching from the rear and if you hear traffic close behind, do not bother taking the time to look behind you... WAIT until it sounds like there are no cars there. (You should avoid taking your eyes off the road in front of you as much as possible.) If it sounds clear behind you, then look, and if it is clear make your left turn ARM SIGNAL, before changing lanes. Making the arm signal is of great importance. DO NOT forget this! Not only does your left turn arm signal tell the drivers behind you that you are intending to turn left, but it tells others ahead of you, and this too is important!

When you have made your left turn arm signal for about 1/2 block, if traffic behind you is still clear, or well back of you, slowly ease over into the left lane. NEVER do this quickly or without looking behind you over your shoulder, or without giving your left hand signal!

The same procedure holds true if you are for some reason riding in the left lane and want to change to the right lane, to get back close to the curb or to make a right hand turn.

Now, let's say you want to turn left, you have gone through the above procedure to change lanes, to get into left turn position, and you are waiting in the left lane for the traffic light to change so you can make your turn. When the light changes, remember, the traffic coming toward you must be allowed to pass first, even if you must wait while the traffic light goes through another complete series of changes! DO NOT attempt to go ahead of the oncoming traffic! If there is a left turn green arrow, of course, then you may proceed as soon as the light changes and the arrow comes on.

IMPORTANT: While making your left hand turn, STAY in the same lane you were in when you started your turn. If you allow yourself to ease over into the next lane to your right, you may go directly in front of a car that is also making a left turn. After your turn is completed it is time enough to start glancing over your right shoulder, and making your right turn signal, to get yourself back near the curb for regular riding. ALWAYS use your hand signals when changing lanes... this is the law, and it is the ONLY safe way to change lanes!

QUESTIONS YES NO

To change lanes you must first look over your shoulder, then if safe, use hand signal, then ease slowly into the desired lane.

If too much traffic is coming from behind you, you must wait until it passes before you change lanes.

When making a left turn you MUST stay in the same lane to complete your turn as you were in when you started.

I have enjoyed providing this training course for young bicyclists to learn the rules of the road. It is my hope that each and everyone following this series has learned a lot about safe biking and respect for others on the streets and highways.

When you have completed this lesson, and it has been corrected by one of your parents, send all of your completed lessons to my office. Enclose a letter from the parent who has been helping you with your lessons, stating that you have completed the course satisfactorily and learned your lessons well. You will receive in return a handsome, wallet size card to carry with you, showing you are a qualified bicycle operator. Good luck and happy biking!

## 'Our Goal for the Seventies'

"Our Goal for the Seventies," a long-range educational plan for Maine Township High School District 207, includes a set of student-oriented objectives for its instructional program. These objectives, or goals, state that the Maine high schools will:

Provide each student opportunities to develop a sense of his own worth and thereby build his potential as an individual.

Assist each student to understand and appreciate democratic and humanistic values, while fostering a sense of obligation and willingness to accept responsibilities of citizenship.

Offer each student a curriculum that will stimulate his enthusiasm for learning and enable him to develop his competency in various disciplines.

Assist each student in developing and maintaining sound physical, mental, and emotional health.

Provide each student with information that promotes intelligent and responsible participation as a producer and a consumer.

Foster in each student an awareness of his total environment and its role in ecology.

Encourage each student to appreciate his cultural heritage. Encourage each student to develop wholesome and creative interests for personal satisfaction during his leisure time.

In addition to the student-oriented goals, the plan to improve education also spells out the purposes of the district's instructional program, stating that the Maine high schools:

Are accountable for providing educational opportunities for all people to grow and interact according to their abilities, interests, maturities, and needs.

Provide relevant learning experiences, sharing with the community in the moral, physical, social, cultural, emotional and intellectual development of each student.

Create an intellectual climate that provides a basis for understanding of our national heritage, social responsibility, and democratic society in a constantly changing world.

Offer a curriculum which encourages and stimulates self-direction, inquiry, and critical and creative thinking.

Continue to evaluate our

schools in order to anticipate and act on future needs.

A committee of teachers, students, administrators and parents have been working together almost a year to develop this local district plan for educational improvement. A 13-man steering committee and 6 subcommittees devoted considerable time gathering information, reviewing statements of Board of Education policy, feasibility studies, curriculum studies, and evaluation reports, before preparing a written long-range plan for the school district.

Such a project was requested of every district in Illinois by the Office of the Superintendent of Public Instruction as a means of improving educational programs throughout the state, and as a means of evaluating school districts for state recognition. Maine's plan will be submitted to the OSPI by Jan. 1, 1974.

While many districts do not have written policies or regulations for administering their programs, the Maine high schools have had such policies and regulation for many years.

## Auto dealers support driver education

At the second annual Auto-  
mobile Dealers Recognition Lun-  
cheon, held on Dec. 13 at the Elks  
Club in Des Plaines, Maine Town-  
ship High School administrators  
and Driver Education chairmen  
expressed appreciation to local  
dealers for their generous sup-  
port of the school district's driver  
training program. Guests at  
the luncheon were the owners and  
representatives of the 11 auto-  
mobile agencies currently sup-  
plying the four Maine high schools  
and Notre Dame High School with  
26 cars used in Driver Education,  
at no cost to the school district.

In thanking the dealers for the  
use of the cars, Dr. Richard R.  
Short, Superintendent of Schools,  
said, "For many years District  
207 has had one of the finest  
Driver Education programs in  
the country. This is due in large  
part to your participation in the  
program. We are well aware that  
this excellent program could not  
be maintained without your help,  
and we want you to know that  
your contributions and your ef-  
forts are truly appreciated."

Joseph Farah of the Chicago

Motor Club was present at the  
luncheon and added his thanks to  
the dealers for the part they have  
played in the nation's driver edu-  
cation safety program. "While the  
teachers who train the students  
are considered to be the 'heart'  
of Driver Education, surely the  
automobile dealers who supply  
the vehicles must be considered  
the 'backbone' of such pro-  
grams," he told them.

The automobile agencies in this  
area supplying cars for Driver  
Education are: Buick in Park  
Ridge, Ridge Motors, Inc., Touhy  
Avenue Motors, Cass Ford, Inc.,  
Ladendorf Oldsmobile, Golf Mill  
Chrysler Plymouth, Northwest  
Dodge, Inc., Sondag Chevrolet  
Inc., Montgomery Olds, Gateway  
Chevrolet, and Marshall White  
Ford.

Students at the 4 Maine high  
schools and at Notre Dame High  
School, whose Driver Education  
program is administered by Dis-  
trict 207, receive their "behind  
the wheel" training in late model,  
fully automated cars provided by  
these 11 agencies. Each year the  
cars are replaced shortly after  
new models come out.

## Good Citizen award

Maine North senior Tina Fer-  
rarelli of Niles has been selected  
as the Good Citizen for the 21st  
Star Chapter of the Daughters of  
the American Revolution.

Maine North's senior class  
nominated three qualified girls  
for the award. From the three  
girls the faculty selected Tina  
for the Good Citizen Award.

Tina was selected on the fol-  
lowing ideals:

Dependability, punctuality,  
truthfulness, honesty, Service,  
cooperation, responsibility, help-  
fulness, Leadership, Initiative,  
self control, personality, Patriot-  
ism, unselfish loyalty to Ameri-  
can ideals.

Tina's extra-curricular activi-  
ties include being a member of  
Maine North's Pom Pom Squad  
and participating as a Senior  
Leader. As the senior class sec-  
retary, Tina will help plan the  
Senior Prom and other senior re-  
lated activities.

## District 64 submits Program Plan

The District 64 Board of Edu-  
cation approved Program Plan at  
its regular meeting on Nov. 26.  
Program Plan is a document in-  
dicating student and system goals,  
district needs, program planning,  
and evaluation of projected pro-  
jects. It is a part of the new state  
required evaluation, recognition  
and supervision process conduct-  
ed by the Office of the Superin-  
tendent of Public Instruction.

Program Plan, as outlined by  
Dr. Michael Bakalis, Superinten-  
dent of the Office of Public In-  
struction, gives the local district  
the responsibility of establishing  
action goals with performance  
schedules as a partial basis for  
state evaluation. The plan places  
the major responsibility for plan-  
ning what is to happen in the dis-  
trict at the local level. This is a  
very desirable approach for edu-  
cational planning.

The plan consists of an intro-  
duction which outlines how the  
plan was developed and with whose  
assistance. Other basic parts of  
Program Plan are Student Goals,  
System Goals, Evaluation Pro-  
gram, Monitoring of Program  
Plan, and methods to be used to  
inform the school community about  
Program Plan.

Many people were involved in  
developing the plan. Student goals  
were initiated, revised, refined,  
and prioritized by school staff,  
selected students, and selected  
groups of parents.

System Goals cover areas of  
board policies, administrative  
structure and procedure, rights  
of individuals, instructional pro-  
gram, support services, and staff  
development and inservice train-  
ing. The system goals were de-  
veloped, revised and refined by the  
school administrative and coor-  
dinating staff, Curriculum Coun-  
cil, and the School Board. The  
Maine Township Curriculum  
Council Questionnaire sent out  
last winter to a representative  
community sampling was also  
very helpful.

Evaluation or determining if  
goals have been attained was es-  
tablished, based on the nature of  
the goals. Many of the student  
goals are in areas where a deter-  
mination as to how a student feels  
or the attitude he reflects must  
be determined. This is more dif-  
ficult than determining if a stu-

dent can do whole-number addi-  
tion. The district is fortunate in  
that it has a state-supported pro-  
ject to develop model evaluation  
systems. From this project, the  
district will gain actual experi-  
ence in developing and using  
needed evaluation devices. The  
plan also includes using teacher-  
made tests, informal teacher and  
student observations, continued  
use of standardized achievement  
tests, criterion reference tests,  
and vandalism and absenteeism  
reports as means of evaluation.

To keep Program Plan current,  
the goals and means of evalua-  
tion will be under continuous  
scrutiny. As system goals are at-  
tained, new ones will be initiated.  
A formal review of the plan by  
the administrative staff will take  
place during September, January,  
and May. This will constitute the

district's monitoring of Program  
Plan to keep it relevant.

Reporting to the school com-  
munity will be accomplished  
through newspaper articles such  
as this. There will be subsequent  
articles on student goals, system  
goals, and the evaluation and  
monitoring of the plan. The staff,  
students and parents aiding with  
the student goals have already re-  
ceived a finished copy of their  
work. The Superintendent's  
Newsletter will have an article  
on the plan. For the school staff,  
a Curriculum Council newsletter  
entitled BOX 64 will contain ar-  
ticles pertaining to instructional  
and inservice goals. The most  
comprehensive report will be in  
booklet form which will be made  
available to any interested party  
or group in the school community.

## Speech tournament

Maine North's Individual Speech  
Events Team scored highly in a  
tournament at York Community  
High School in Elmhurst last  
week.

Twenty-seven schools partici-  
pated in the tournament.  
Senior Clare Rimmer placed  
third in radio speaking and senior  
Ron Elliott placed fourth. The  
radio speaking competition re-  
quires a student to prepare and  
present a five minute news broad-  
cast including an original com-  
mercial.

Clare also took third place  
honors in Oratorical Declamation  
when she presented a speech con-  
cerning the pressure on youth  
in today's society.

Sophomore Steve Dimenna  
placed second in Original Comedy  
with his monologue "The Price  
is Close." Steve presented an  
original eight minute humorous  
monologue which was a take-off  
on a popular television game  
show.

Lalla Tarazi scored well in  
Individual Verse rounds. Senior  
Jill Straus presented a Drama-  
tic Interpretation from Mary of  
Scotland and Dean Fialus deliv-  
ered an Original Oration concern-  
ing the problem of slums.

Ms. Judy McGuinn is the speech  
team coach.

## Art teacher attends convention

Maine East art teacher, Robert  
Cobb, recently attended the Il-  
linois Art Education Associa-  
tion's Conference on Art Educa-  
tion in Peoria.

The conferences and work-  
shops, held Oct. 31 and Nov. 1-3,  
were geared to the various levels  
of art education in Illinois  
schools. Mr. Cobb, who has  
taught at Maine East for the last  
10 years, attended those meet-  
ings pertaining to the secondary  
school level.

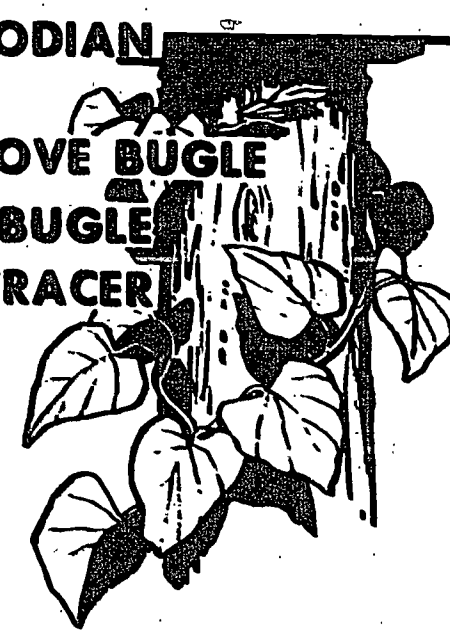

Mr. Cobb plans to have several  
of his paintings on display at the  
Gallery R in Pittsburgh, Pennsylv-  
ania, during March. He is also  
planning on an exhibition in the  
near future at a gallery in Bar-  
lington.

Other accomplishments for Mr.  
Cobb include having a painting,  
entitled "Bright Scape," on dis-  
play at the sixty-second annual  
exhibition at the Laguna Gloria  
Art Museum in Austin, Texas;  
participating in the Bertrand Rus-  
sell Centenary Art Exhibition and  
Sale of Works in London; and  
being included in Who's Who in  
Art, Artists, U.S.A., and the In-  
ternational Directory of Fine  
Arts.

He received his bachelors' de-  
gree at Illinois State university  
and completed his graduate work  
at Northern Illinois university.

## Niles Public Library trustee election

On April 9, 1974, the biennial election of Trustees of the Niles Public Library District will be held. Any United States citizen over the age of 18 years who has resided in Illinois for one year, in Cook County for 90 days, and in the Library District for 30 days is eligible for candidacy for the office of Trustee.

In this election, there is one seat open for a two year term to fill out the vacancy caused by the resignation of Mrs. Arlene G. Brandt and temporarily filled by the appointment of Clarence Culver, the present incumbent. There are also two seats open due to

the expiration of terms of two present members, Carlyle Esser and Sigmund Lewicki.

In order to become a candidate a person must present a petition signed by at least 50 voters, but not more than 200, who have resided within the District, County and State for the same periods of time mentioned above for candidates. The earliest date for filing petitions is Jan. 15 and the latest is March 1, 1974. Petition forms are available at the Library office and may be presented at any time from 9 a.m. to 5 p.m. Monday through Friday between Jan. 15 and March 1.

clusive.

It is the duty of the members of the Board to set the policies under which the Library operates and in general to direct the operation of the Library through the appointed Library Administrator. Board meetings are held on the second Wednesday of each month at 8 p.m. in the Board Room of the Library at 6960 Oakton St. and of course all Board members are expected to attend.

By law Board members serve without remuneration. This is an opportunity for people who are interested in their community and its development to serve their

Maine East's girls' interscholastic bowling teams have been pinned down lately in competition, but the season is still young. On Nov. 30 against Niles East, the Maine East varsity team lost

to Niles East 5-0, and on Dec. 5 against Niles West the Maine East varsity team lost again 5-0. The junior varsity fared better with the Niles East team, winning 4.5 to 5, but against Niles West the Maine East junior varsity bowling team lost 4-1.

Against Niles East the varsity pin count was Niles East 2,178 and Maine East 2,044, and the junior varsity pin count was Maine East 1,973 and Niles East 1,697. In competition with Niles East the winning Maine East junior varsity team was Toni Schwind of Morton Grove, Brenda Peters of Niles, and Lynne Lampert of Niles.

follow citizens by helping to furnish a continuation of excellent library service to the community.

Any interested person is invited to inquire further about the office and to become a candidate for the office. Inquiries may be made by telephone to Frank Allen, the Library Administrator, 967-8554.

## Oakton to admit senior citizens at half tuition

Residents of the Oakton Community college district who are 60 years of age or older can now enroll in baccalaureate (or university-transfer) and career education courses at the college at one-half the regular tuition fee.

The OCC Board of Trustees approved the new policy for the college at its regular business meet-

ing on Tuesday night, Dec. 18. Until recently, state law prohibited variable tuition rates at Illinois community colleges.

Dr. William A. Koehnline, president of Oakton, pointed out that educators for some time have been urged to develop ways and means to facilitate the return to college of people at and beyond

retirement ages. The problem of living on a fixed income, as so many older people do, has prevented many of them from attending college.

Oakton will offer a tandem of two courses in humanities and psychology that are directed specifically to the senior citizen during the Spring semester. The two

courses will be taught by Group III faculty as a part of the Green Turnip Survival Seminars program.

Humanities 107-03, Introduction to Philosophy will be taught by Keith Hiner, assistant professor of philosophy, and Psychology 105 (Human Potential Seminar) by Bonnie Agnew, Student De-

velopment instructor. The courses are planned to help older students acquire a better understanding of themselves and evaluate their own strengths. The two courses will be held consecutively on Monday, Wednesday, and Fridays from 11:30 a.m. until 1:20 p.m. For further information, call Dr. Harvey Irlen, chairman of College Group III.

## Niles Park District receives A-1 financial rating

The Niles Park District recently received an exceptionally favorable MOODY rating from the financial world. This A-1 rating informs investors who may bid on the \$2,715,000 Park General Obligation that the Park District is outstanding in their ability to make payment on those bonds during the next two decades. This means less risk and a resultant lower than average interest rate. This in turn means a lower cost to Niles residents.

Grammar School Districts in the area generally have received an "A" rating which is not as good as "A-1". At least one High School District has a "Baa-1" rating. Only Cook County and the Metropolitan Sanitary District of Greater Chicago carry the coveted A-1 rating in Niles.

## District 207 to complete work on safety codes

# OK BOND SALE FOR SAFETY PROJECTS

The District 207 Board of Education has authorized the issuance of \$900,000 in General Obligation Bonds to expedite completion of Life Safety Code projects at Maine East, Maine South and Maine West high schools. Sale of the bonds was approved at Monday night's Board of Education meeting as an alternative to continuing an annual tax levy to obtain funds for the reconstruction work.

The proceeds from sale of the bonds will be used in the district's Fire Safety and Health Fund to finance projects now under way to satisfy the state's Life Safety

Code. Much of the work at Maine East and Maine West has already been completed or is under contract for completion, while at Maine South specifications and drawings for bidding on several projects are in the preparation stage and should be bid in early 1974.

The sale of the General Obligation Bonds will be processed along with the bonds that will be sold for the completion of Maine North.

A Business Office report was presented to the Board which reflects the district's anticipated

## Blase, Sutker endorse Feichter

Nicholas Blase and Calvin Sutker, Committeemen of the Maine and Niles Township Regular Democratic Organizations have endorsed the candidacy of Patton Feichter, 9127 Potter rd., Des Plaines, for State Senator (4th Legislative District).

Feichter was the unanimous slate-making choice of those committeemen representing the district including Donald Norman, Wheeling Township and Jeffy Helton, Northfield Township.

Feichter, a history teacher at Maine South high school, Park Ridge, will bring a balance to the Democratic ticket in the 4th joining fellow Democrats, Tom Flynn of Niles and State Rep. Aaron Jaffe of Skokie.

Blase and Sutker jointly stated, "We are pleased to have Patton on the Democratic team for 1974. He will bring a youthful and energetic campaign to all the people of the district. Like his namesake he will fight a hard and vigorous campaign in every corner of the 4th. People want a return to credibility in government at every level and Patton Feichter will bridge that gap between government and their elected representative."

Congratulating Feichter on his candidacy are Nicholas Blase (r.) and Calvin Sutker (l.) committeemen of the Maine and Niles Organizations.
