## Center for Niles Family Service, Senior Citizens and Teens

### Board ok's purchase of Jewel building

By Diane Miller

At the Niles Village Board meeting last Tuesday night, the Board unanimously approved the purchase of the vacant Jewel Tea building located on Oakton and Prospect in Niles by the village for the sum of \$250,000. It was

estimated that an additional \$170,000 to \$200,000 will be spent for the renovation of the building.

Mayor Nick Blase stated the use of the building will be three-fold. Niles Family Service is now using facilities which they rent in the Lawrencewood Shop-

ping center. They would now have permanent headquarters in the new building.

Senior Citizens activities have greatly expanded in Niles and this building would provide an activity center for the Senior Citizens of Niles who number well over 3,000. The Village re-

cently named Mary Kay McCarthy as Niles Senior Citizens Co-ordinator and all activities involving this post would emanate in the new building.

Thirdly, the Niles Teen center would have permanent facilities in this building. Many of their activities are now being held at

the main Park District building on Milwaukee together with various activities being held at the village.

There will be meeting rooms in the new building which could be used by the various homeowner groups throughout the village. Continued on Page 23

## Senior Citizens' NEWS AND VIEWS

by Diane Miller

First of all, we would like to thank you for the response and comments about our Senior Citizens column. We are very pleased with it and want to remind you again to keep the news coming. Drop it in the box at the Huntington, 9201 Maryland or you can turn it in to the Park District office, 7877 Milwaukee ave. You can also mail the articles directly to The Bugle, 9042 N. Courtland, Niles, Ill. 60648.

### A Comedy of Errors

The Bugle's favorite senior citizen, Bob Wagner of Morton Grove was involved in a comedy of errors last Wednesday when he reported to the Bugle office to take our plates to the printer. Bob is the driver of our Bugle truck and he also delivers all the papers to the newboys in the area.

Bob parked his 1971 Gold Chrysler in front of the Bugle office and after checking the progress of the plates in the back room of the office, he walked into the front office in time to see the rear end of his car pulling away and heading up Courtland ave. Knowing he had locked his car and had his keys in his pocket, we immediately placed a call to the Niles Police and reported that his car had been stolen. A squad was on the scene almost immediately and after checking the area a machine which alerts all police stations. About 15 minutes later, the squad pulled back up in front of the Bugle office and asked Bob Wagner to come out. They told Bob the car had been recovered in a nearby gas station. The officer then explained that the owner of the hardware store next to the Bugle office owns a 1969 gold Chrysler and on his way to work that morning, stopped at the service station and left them a spare set of keys for his gold Chrysler with instructions to pick up the car sometime during the day for a grease and oil job. In the afternoon, the service station owner sent one of his employees out with the keys and told him to pick up a gold Chrysler which would be parked in front of the hardware store. Upon arriving the young man spotted Bob Wagner's gold Chrysler, put the key into the lock, opened the door and drove off with the car. Not until four squads pulled into the

#### How Safe Are Microwave Ovens?

Question: How safe are microwave ovens? Could they possibly cause cancer or any kind of radiation accidents?

Answer: There are over 500,000 private and commercial microwave oven owners in the United States today. The microwaves are absorbed by food, producing a rapid temperature rise and cooking the food quickly. The oven, with their nonionizing form of radiation, will not make food and other materials radioactive. According to the Food and Drug Administration, there have been no documented cases of radiation injury related to microwave ovens when these appliances were used as the manufacturers directed.

The FDA Bureau of Radiological Health has issued a radiation-control standard for microwave ovens, requiring that any units manufactured after Oct. 6, 1971, not emit radiation above specified levels and be equipped with at least two independently operating safety interlocks to shut off radiation as oven doors are opened. There has not been any evidence to indicate that cancer results from ordinary use of microwave ovens. Of course, if a person is constantly in contact with a device that gives off radiation, there could be problems. There is caution for people having cardiac pacemakers in using the microwave oven.

Saturday

Childrens Movie

This month's Niles Park District Saturday Movie will be the Misadventures of Merlin Jones. The movie will be held at the Grennan Heights Recreation Center on Saturday, April 20, starting at 3 p.m.

Merlin, a daffy student scientist, experiments electronically with his brain waves and as a result, becomes a mind reader. These new-found powers permit Merlin to "listen-in" on some mysterious mental thoughts which lead to hilarious complications for Merlin and his girl-friend Jennifer. He soon discovers that hypnotic experiments can be just as challenging as mind reading and this provides an endless stream of new wacky situations for Merlin.

Swim team

Niles Park District Swim Team concluded its 1974 Central A.A.U. Illinois State Championship Swimming finals over the past two weeks.

Representing Niles in the B Competition at La Grange, Illinois were Christine Chaconas, Kevin Arrison, Charlie Samuels, Michael Laptota, who all placed in their individual events. In the Class A Championship at Peoria, Michael McKervey and Michael Schamberger placed in their swimming finals. Schamberger also won 1st place in the 50 yard freestyle at the YMCA State Championship meet recently.

The Niles Park District summer swim program is expected to be a strong contender in the Northern Illinois Swim Conference this year. The summer swim team will be starting their work-outs the middle of May. Any student interested in competing should contact the Park District offices at 967-6633 for further information.

District 67  
preschool  
screening

If you have a child who will be three years old by Dec. 1, 1974, please bring your child to Golf or Hynes School on Apr. 25. Registration will take place between 9 a.m. and 11 a.m. and from 1 p.m. to 3 p.m. We are hoping to register all three-year olds and any four-year olds who were not previously registered. District 67 is attempting to identify those children with language or learning problems who might benefit from special preschool programs.

"Teach Your Child to Talk", a film prepared by the staff of the Developmental Language and Speech Center, Grand Rapids, Michigan, will be shown at Hynes School on Thursday, Apr. 25. This film, a guide for parents, can be seen at 9:30, 10:30, 11:30, 1:30 and 2:30 in the Learning Center (room 29). All residents of District 67 with children 6 months to 5 years of age are encouraged to attend.

## Your Telephone Company Has It All

When your telephone company talks about complete communication, we're talking about more than a phone in the den or a kitchen extension. It's the things you don't see that make the difference between a phone that just rings and a communications system designed to meet your every need. Prompt service, comprehensive maintenance, highly trained technicians, and the latest communications advances are just a few of the benefits.

As part of the Centel System, your local phone company brings you all these things whether you have one telephone or one hundred. There's one thing you don't get... an extra charge for these services.

March 28 First Place Playoff

First National Bank of Niles 3  
Team # 32 NAHA 0

Jim Faraci, Bank of Niles goalie, was excellent in the nets earning his seventh shut-out as his team wins the Title FIRST PLACE. Goals were scored by Doug Lewis, John Mulaz and Bill Madura with assists going to Bob Lorch (2), Joe Lazzara and Lewis. Center Ed Wajda played a good defensive game. Robby Schultz played excellent defense for Team # 32. Congratulations to Bank of Niles Coach Scott Peterson and his team. Jim Faraci, Goalie (7 shutouts), Bantam Best Goalie; Tom Anderson; Steve Kann; Mike Lasco; Daniel Lampkin; Vito Mast; Bob Lorch (4 "hat tricks"); John Mulaz; Bill Madura (4 "hat tricks"); Bantam High Scorer; Joe Lazzara; Tony Bongiorno; Ed Wajda - Team's Most Valuable Player; Doug Lewis.

March 30

Team #32 NAHA 2  
Eiffage Elec. Sup. Co. 1  
First goal of this Ballard Cup playoff was scored early first period for F & G Sparks by Gordon Munsen, assisted by Steve Wells. A heartbreaking

goal was scored midway second period, the Sparks tipped it in for Team # 32 credit going to Rich Cleveland assisted by Scott Griffin. Both teams played hard into third sudden death overtime when the Sparks let up and Scott Griffin, voted Most Valuable Player by his team earlier in the day, appropriately scored the winning goal for Team # 32, assisted by Vince Corona. Sparks goalie Mike Hess saved 40 shots on goal.

March 31 Ballard Cup Championship

Team # 32 NAHA 5  
Amy Joy Donuts 1

The Ballard Cup goes to Team # 32 with goals scored by Steve Cohen (2), Scott Griffin, John Galloto and Vince Corona with assists going to Griffin, Robby Schultz, Tony Kornfeld, Cohen, Corona and Rich Cleveland. Amy Joy's lone goal was scored by Chuck Flege assisted by Russ Sall and Bob Przypyszny as they failed their last chance to gain a win over Team # 32. Voted Most Valuable Player for Amy Joy - Bryant Johnson. Congratulations to Team # 32 Coach Ed Cohen, his Assistant John Corona and his players: Dave Davis, Goalie (1 shutout); Steve Cohen; Scott Griffin - Most Valuable Player (1 "hat trick"); Robby Schultz; Rich Obeld; John Bunce; Tony Kornfeld; Joe Stankowicz; John Galloto; Greg Giancola; Vince Corona; Larry Bender; Rich Cleveland.

The end of a good season with the usual elated victors, downhearted losers, bad breaks, gripes, hot tempers, a few fights, bad calls and many bruises but most of us will be back again next year suffering through it all over.

# Better budget mileage... free checking account with a low cost auto loan.

If you're economizing by getting a new car that will give you more miles per gallon, why not economize all the way with a low cost auto loan from the First National Bank of Des Plaines during April.

In addition to low rates and convenient terms, you'll get free checking account services for a year. No minimum balance, no service charge, no strings. Write all the checks you want—pay only a small printing fee. We'll even arrange to have your monthly repayments transferred automatically from the same checking account.

Sound like a good deal? It's just one of many services First National Bank customers are used to getting. And one more reason why the First is...

## SPORTS

### Final registration for girl's softball

The Niles Youth Congress will hold its final registration for this year's "55" Hour Marathon and regular League season on Saturday, April 13, from 1 p.m. to 3 p.m. at the Park District Recreation Center, 7877 Milwaukee ave. in Niles.

This year the Marathon will be played on Friday, Saturday and Sunday, June 21, 22, and 23, and is open to any girl between the ages of 13 and 23.

The League will be divided into two divisions with girls ages 13 to 17 in the younger division and 18 and older in the older division.

Waivers must be filled out at the time of registration. All fees must be paid then also and are as follows: Marathon - \$3 per girl for registration and sweat-shirts; League - \$6 for residents of Niles and \$8 for non-residents for all equipment and services necessary to run the League.

For further information, please contact Niles Youth Commissioner Richard Macinowski at 966-9887, Chairman of the League and Marathon.

### Frosh-soph tennis

Maine East's frosh-soph tennis team is preparing for another tough season in the Central Suburban League. Conference play will begin the second week in April with the April 20 Elk Grove Tournament.

Coach Dan Wilson's Demons this year will be Norm Peterson, Jim Harkensee, and Karl Aschacher playing singles and Mike Krutzberg, Steve Arden, and Jim Mozdren playing doubles.

After one year of competition in the CSL, it has proven much tougher than the West Suburban. The Demons must face four tough teams in Highland Park, Deerfield, Niles East, and New Trier West before the season concludes.

## MONACEP

### water skiing course

Something new is coming to MONACEP this spring. For the uninitiated, this is Maine-Oakton-Niles Adult and Continuing Education Program. MONACEP is one of the great things that is happening for many adults at many schools during the evening.

In the pool? He is crazy! Well, just getting up on the skis is a small part of overall skiing. That sounds crazy, but it is true. Do you have trouble with your rope handling? Do you know how to easily get your skis on in deep water, to drive for a skier, the proper size skis, etc. These and many other subjects will be covered in this six week course. There will be many free booklets available on skiing and several hard hitting and entertaining films will be shown.

This course is aimed at the younger set as well as the adults. We would like to see some of the "over the hill gang" as well as non-swimmers also. You do not have to be a swimmer to be a skier.

The class will get rolling at Maine East High school starting Tuesday evening, April 23 and the cost is \$15 for the six weeks in our out-of-district.

Your instructor will be Roger Krings, a resident of Morton Grove and a member of the Diamond Lake Water Ski Club of Mundelein, Ill. Roger has been skiing for 27 years and is a competent competition skier and an exceptional show skier. His specialty is riding on top of a step ladder on a four foot flying saucer. One of his favorite shows is done for "The Lambs," the home for retarded young adults near Libertyville. This show usually takes place in June.

Time is "a wasting." Sign up now. For further information, call MONACEP office at 696-3600.

The new happening is a water skiing course that will be taught in the classroom and swimming pool. The next thing you will say is "How can anyone learn to ski!"

### Sophomore baseball preview

By Glenn Farley

With Spring almost here, it's time for baseball at Maine East. Although the sophomores don't know their starting line-up yet, Coach Gerald Fischer has a fairly good idea of where the team could be headed. "Even though we lost 4 starters from last year's frosh team, we feel that we have a good line-up this year."

"If the pitching comes through and we find a third baseman, I think we can make a run for it," he added. The pitchers include Bill Swanson, Tim Jacobs, Bob

Fergus, and Dave Barish, and behind the plate there's Don Vitro and Jerry Peterson.

In the running for outfield positions are Jeff Kalbaska, Mike Wagner, Jim Altman, and Craig Garrigus. Infielders include Mike Zwieg, Scott Sellsberg, Larry Deschamps, and Terry Adams.

There will be 16 conference games and 3 non-conference. The opening game is non-conference against Lyons on Saturday, March 30.

### Chow sets IIT swim record

Illinois Institute of Technology's swim squad finished their dual meet season with a 7-6 tally, a final season's record identical to last year's finish. However, the squad improved on their record in multi-team meets.

Coach Dennis Matuch was especially pleased with the performance of co-captain Calvin Chow, an Electrical Engineering major from Morton Grove. Chow went through the season without a defeat in the 200-yard breaststroke event, and set a pool record of 2:30.0 in that event.

Chow was part of a relay team of Bill Sentuk, Jamie Boulter, and Steve Murray that set a pool record of 4:13.3 in the 400-yard medley relay.

## CHURCH & TEMPLE NOTES...

### Edison Park

#### Lutheran Church

The Good Friday Services at Edison Park Lutheran church, Avondale and Oliphant aves., Chicago, featuring the Veiling of the Cross, the reading of the Seven Last Words, the dimming of the lights, and special music by the choir, are scheduled for 6 and 7:45 p.m. Both services are identical.

Rev. A. Gordon Nasby, Pastor of the church, will deliver the meditation on the theme "God's Friday." The Cross will be veiled until the beginning of the Easter Sunrise Service at 6:13 a.m. Easter morning. Worshipers traditionally leave the church in silence following these Good Friday services.

At 6:13 a.m. Easter morning, worshippers at Edison Park Lutheran church, Avondale and Oliphant aves., Chicago, will see the Cross, which has been veiled since Good Friday, unveiled to the accompaniment of the sound of timpani and trumpets at the traditional Sunrise Service of the church.

Rev. A. Gordon Nasby, Pastor of the church, will deliver the sermon on the theme, "The Tomb is Empty." Immediately following the Service, the Luther Leagues of the church will serve a breakfast in both the assembly halls of the church.

Easter Festival Services are scheduled for 9 and 10:45 a.m. The second half of the 9 a.m. Service will be broadcast over radio station WOFM-AM, 1490 kh.

There will be no Bingo on Sunday, Apr. 14 due to the Passover Holiday.

Wolfgang Kromer  
PEEK-A-BOO TV

Some time ago we wrote in this column that the smallest TV we ever saw had a picture the size of a quarter. Now, there is even a smaller one. The whole unit is a half inch by five inches and it's all housed in a one inch flexible tube. It's used to insert into small places for inspection purposes. Down boiler tubes, sewers, pipes, underground fissures, any place that's too small for any other kind of entrance.

This camera should be terrific for police work, too, because it could be used similarly to small microphones. But, alas, I don't think KROMER TV could service this equipment. Our eyes just don't have it anymore. We need the big sizes of cable and console model television to work on. Only then, phone 967-6485 for prompt service.

## Niles West Open House

Niles West High School is planning an Open House on Wednesday, Apr. 17, at 8 p.m. The program is arranged to give visitors a chance to see some of the exciting and innovative educational ideas being implemented in the curriculum at Niles West. Not only will there be a chance to visit with some of the faculty members, to view the facilities and to watch the students in action, but also a chance to become a student for the evening. Members of the math department would like to explain the changes in the math curriculum; you will have a chance to become a student in a class on Aeronautics and learn what the state requirements are in the Consumer Education course. Many more interesting plans are in store... for instance, did you know that we have a course for Chefs and a Nursery School at Niles West?

A special invitation is being extended to incoming freshmen and their parents; we hope to see all of you there.

### Seek volunteers

Girls from Cadette Troop 825 would like volunteers for Golf Pavilion Nursing Home. We would like someone who could lead crafts and some qualified drivers.

## Lutheran Church of the Resurrection

The Reverend Paul Tidemann will conduct services at Lutheran Church of the Resurrection, 8450 N. Sherman Rd., Niles, during Holy Week.

On Maundy Thursday, the celebration of the origins of Holy Communion will take place. Fifth grade children will receive their first communion. Emphasis will be on the family, gathered for a special meal. Children are encouraged to attend this special family service, at 7:30 p.m.

Good Friday services will begin at 7:30 p.m. It will be a Service of Shadows, with special choir anthems and lessons based on the last days of Christ, focusing our attention on the significance of the cross for us.

The congregation will participate in the reading of the lessons. The dramatic stripping of the chancel will take place to symbolize Christ's life.

Easter Sunday services will be held at 9 a.m. and 11 a.m. Both services will be Festival Services of Holy Communion. The chancel area will be adorned with a colorful array of flowers. Trumpeters, anthems and great hymns of the church will celebrate the resurrection faith which alone gives us hope.

Easter brunch will be served starting at 9:30 a.m. for those who attend the early service and will continue through to the end of the 11 a.m. service.

## Niles Community Church

Easter at the Niles Community Church (United Presbyterian), 7401 Oakton St., will begin at 6 a.m. with a youth sunrise service. Congregational breakfasts will be served at 8 and 10 a.m., featuring pancakes, sausage, orange juice and coffee. The Easter worship services will commence at 9 and 11 a.m., and will include special Easter anthems by the combined choirs as well as instrumental music. Care for toddlers thru two-year-olds will be provided during the 11 a.m. service, at which time Church School

classes for three-year-olds thru eighth graders will also be conducted. A number of new youth members will be confirmed at the 11 a.m. hour.

Church meetings during the week of Apr. 15 will include: Monday - 7:30 p.m. goal-setting Steering Committee; Tuesday - 7 p.m. senior high Explorers group; Wednesday - 7 p.m. youth "Drop-In"; 8 p.m. Board of Deacons; Thursday - 7 p.m. Junior Choir rehearsal; 8:10 p.m. Senior Choir rehearsal.

The Woman's Club of Niles will hold their next meeting April 17 at 8 p.m. at Bunker Hill Country Club, 6635 Milwaukee ave., Niles. This month's meeting is an election night and is closed to guests. All new members who were installed during 1973-74 are requested to attend for publicity and scrapbook pictures. The program for the evening will be Es-telles Show and Tell, a clever adaptation of the primary school show and tell.

Tickets are now available for the yearly Woman's Club of Niles spring luncheon. This year it will be held at the Casa Royale on Lee St. in Des Plaines. Tickets cost \$6 each and cocktails are extra. An excellent dinner is planned and the program will feature a fashion show from Laue Bryant and other surprise features. Non members are invited and tickets can be obtained by calling 297-4051. The luncheon will be held May 4, Saturday at 11:30 for cocktails and 12 lunch.

Be sure to watch for future news of the great membership Lunu to be held later this summer. Have a good summer.

### Initiated into sorority

Barbara Brekke, daughter of Mr. and Mrs. Harry Brekke was recently initiated into the Iota Chapter of Alpha Omicron Pi social sorority at the University of Illinois. She is a sophomore at the university, majoring in Accounting. She was among 20 college women initiated on March 30.

### Aviano-Golonka

Niles Youth Commissioner for 3 years, Richard Aviano, 7130 Wright terr., Niles, and Diane Golonka of Chicago, will be married at St. John Brebeuf church, Niles, on Saturday, April 20, at 4:30 p.m.

The Aviano's will honeymoon in the Pocono Mountains of Pennsylvania, and make their home in Niles.

### Hanson-Brzezinski

### Oakton to offer seminars for women

Two sections of the Human Potential Seminar designed specifically for women returning to college will be offered at Oakton Community College for the 1974 summer session.

Both sections will be taught by Elaine Sullivan, assistant professor of student development. One will be offered on Mondays and Wednesdays between 10 and 12:30 p.m.; the second on Tuesdays and Thursdays between 10 and 12:30 p.m.

Mrs. Sullivan, an authority on transactional analysis, plans to direct the seminars towards working through and sharing feelings, developing self-direction and confidence, and helping women to accept and understand themselves.

Testing, career counseling, and academic advising will be available for women returning to school during the summer session.

Summer registration is scheduled for June 12 and 13. Classes begin on Monday, June 16 and will end on Aug. 7. The summer session will end on Aug. 8 after final examinations. Applications for both the 1974 summer session and the 1974 fall semester are being accepted now. For further information, call the OCC Office of Admissions at 967-5120.

The OCC Child Development Center will be open for preschool children of Oakton students during the summer session. Classes - each limited to an enrollment of 15 children - will be held during the mornings only on Monday/Wednesday and Tuesday/Thursday. Fee for children enrolled in the Child Development Center is nominal.

For information about registering your child, call Susan Berger at 967-5120, ext. 200.

### Yoga classes

The Leaning Tower YMCA, 6300 W. Touhy ave., Niles, feels privileged to announce that Mr. B. K. S. Iyengar will be coming to Niles in April for lecture-demonstration and classes. This will be his first visit to the Chicago area. Mr. Iyengar will present a lecture-demonstration on YOGA at Niles West High school auditorium on Monday, April 15, 7:30 p.m. Everyone is invited to attend. There is \$3 admission for all seats.

Mr. Iyengar is the author of "Light on Yoga" which contains more than 600 photographs of Iyengar performing the postures. The Los Angeles Herald Examiner has called this "the most extensive book on the subject recently published. The exercises described, and keyed to the particular need of the Yoga student."

### Senior Citizens' luncheon

The Civic Department and members of the Morton Grove Woman's Club again hosted their annual Senior Citizens' Party on March 18 at the American Legion Hall. A delicious lunch was prepared by the members and approximately 150 people enjoyed the buffet. Entertainment was provided by students of Niles East and West who did excerpts from "Sweet Charity" and "The King and I." The Civic Committee who organized the luncheon consists of Mrs. Edwin Oclon, chairman, Mrs. Kenneth Kluegel, Mrs. Sheldon Pattee and Mrs. Raymond Trochim.

Shown above, left: Senior Citizen Mrs. Christine Sesterhenn, Past President Mrs. Jane Burlet and present President of the Morton Grove Woman's Club, Mrs. Joan Lyman.

**LETTERS to EDITOR****Blood donor publicity**

Dear Mr. Besser:

As President of the Cooperative Blood Replacement Plan, I want to express the sincerest thanks of everyone in our organization for the support you and your fine newspaper have given our program during January Blood Donor Month, and throughout the entire year of 1973.

While blood and blood banking is receiving increased attention in the public press, it still requires strong persuasive efforts to encourage the first time donor to give blood. The responsible work of your people in this area has been highly commendable. They have made a solid contribution to the overall persuasive effort, and they have effectively explained the advantages of joining CBRP. The result of their work is that CBRP now has the largest computerized file of blood donors in Illinois - over 102,000 blood donors!

I feel that we can both be justly proud of this achievement. Together in total, we have accomplished much more than the sum of our separate parts. We have built a program and proven an idea. Because of our achievement, the way to a lasting 100% volunteer blood donor system is immediately before us!

It has been extremely gratifying to receive your support during 1973 and January Blood Donor Month. We owe your newspaper a growing debt of gratitude for helping us in our community work of public education.

I hope that we will continue to merit your help in 1974 as we urge people to help others with their blood donation, and help themselves by joining the Cooperative Blood Replacement Plan.

Sincerely,  
Frank E. Trobaugh, Jr., M.D.  
President

**Thank you!**

Dear Mr. Besser,

The membership of the Woman's club of Niles wishes to thank you and your staff for the excellent press coverage that they received during their past year.

Sincerely,  
Beverly M. Firmiss

**MG Park District dissolves Music theatre**

An Open letter to the residents of Morton Grove and the Morton Grove Park District:

Recently I read that the Morton Grove Music Theatre was being dissolved by the Morton Grove Park District due to "personnel problems." After calling the Morton Grove Park District to convey my dismay at such a move, I began to wonder how it could be that the one really bright star in the Morton Grove Park District could so easily be lost.

Could it be, I wondered, that the people of Morton Grove and the Park District leaders never really have known what goes on behind the scenes, at rehearsals, endless meetings and all the other "back stage" gatherings prior to and during a Morton Grove Music Theatre Production?

Is it possible that others have not noticed all the young people who Ethyl Lipkin, the Morton Grove Music Theater Director, has helped through the years; the deaf youths, retarded youths, young people on the verge of a dope problem; young people in the throes of the teen "traumas," and brilliant, bright, young, alert, happy, well adjusted young folks, all looking for someone who needs and appreciates their efforts. Who else could mold them all into one happy family and give us such exciting productions as "Fiddler on the Roof," "Man of La Mancha," "Sound of Music," and many, many more.

The only explanation given Mrs. Lipkin for her dismissal is that she is too professional. In that I can only agree. For her professionalism includes finding talent where no one else can and, in the process, through caring and her own special brand of psychology, create happiness in people's lives. For this she has been dismissed.

While we are wondering about all of this, I am also wondering why a financially solvent activity would not be regarded as something the people of Morton Grove have endorsed and wish to continue. Not only has the Morton Grove Music Theatre been financially solvent, they had an excess of \$3,000.00 from their last summer's production of "Sound of Music." This money was not

put into new equipment for the Morton Grove Music Theatre, but was returned to the Park District. So now we have an activity which was not only financially solvent, but earning money as well.

Lately our Morton Grove Park Board seems most unappreciative of any opposition to their desires; unappreciative of the wishes of the people of Morton Grove and of the endless unpaid hours of toil a brilliant director has used to help others and uplift our community.

Sincerely,  
Mrs. George (Helen) Barron

**Veterans' memorial**

To the Community Organizations of Morton Grove:

Vietnam Veterans Day in our village marked the beginning of a project to establish a memorial to the citizens of Morton Grove that were killed in SE Asia.

The memorial of trees, planted in one or more locations and dedicated on Memorial Day with the support of American Legion Post #134, will be paid for by contributions from village residents individually or thru their organizations.

The cost that must be covered for 5 special trees and dedication plaques is \$1600. The selected site or sites could include the Village Hall, the new fire station, the Legion Hall, Harlem and Sherman, Central and Harms. Your opinion about location will be considered by the committee. Checks to Vietnam Veterans Memorial Fund will be received at the Village Hall and a donors list will be published.

Support for this project from your organization will be needed in order to provide a memorial that will be a real tribute. Please read the proclamation and participate in this community Co-operative venture.

Thank you,  
For the Village Board and Beautification Committee

**An appeal for a prairie**

Dear Mr. Besser,

The Environmental Committee of Niles West High School enthusiastically endorses the preservation of the prairie on the newly acquired Park District property in Morton Grove.

It may appear that some ecologically minded individuals are campaigning for the preservation of this prairie for purely their own satisfaction. But the small patch of prairie, which contains plantlife unique to this part of the country, can bring enjoyment and pride to our community.

We are now at the point where a decision must be made. And we believe that this small portion of land would be an investment that this community will never regret.

Once commercially developed, this land can never be returned to its natural state. It is lost. Let that loss not be ours.

The Environmental Committee of Niles West High School

## MONACEP arts series for parents

Three members of the Oakton Community college faculty will join MONACEP teachers Pat Handzel and Phyllis Koehnline during MONACEP's spring term to offer a five-session course, "Your Child and the Arts," for parents of young children.

The course will be held for five Monday nights, beginning April 22 through May 20, at Niles North High school, 9800 Lawler, Skokie, from 7:30-9:30 p.m.

Members of the Oakton Community college faculty teaching the course are Carole Kleinberg, instructor in theater, Michael Danko, instructor in communications, and Rob Quarles assistant professor of student development. Mrs. Handzel and Mrs. Koehnline have taught the MONACEP course, "Making the Most of the Preschool Years," for the past two terms. These people will combine their ideas, specialized information and interests in the arts, teaching experience, as well as experience as parents, to help parents encourage originality and expressiveness in their children.

The classes will provide an opportunity for parents to explore ways in which they can let their children be at home with the arts, especially drawing, music, poetry and drama. The panel and the parents will share ideas for enabling children to be active in their own creativity, including practical down-to-earth things that can actually be done at home. In addition, at each session the group will discover places and procedures for putting children in touch with the creative efforts of others, such as art museums, concerts, plays, reading and listening to poetry and music.

Students may register for the course through MONACEP offices at Maine East High school, Dempster & Potter rd., Park Ridge, Maine South High school, 111 S. Dee rd. in Park Ridge, Maine West High school at Oakton and Wolf rd. in Des Plaines, or Building No. 3, Oakton Community college campus, Oakton and Nagle, Morton Grove. Fee for the five sessions is \$10 for both in-district and out-of-district students. For further information, call MONACEP at 696-3600.

## LETTERS to EDITOR

### Roses for Niles' finest

Dear Editor:

So often we find reason to complain, but so seldom do we take the time to give praise where it is deserved. I would just like to publicly commend the Niles Police Department. Recently, I sent a letter of complaint to them regarding certain traffic problems in Niles.

In 2 days I received a telephone call thanking me for the letter and the officer (whose name I am sorry I didn't make note of) explained each problem as it exists, and exactly what action would be taken to correct the situation. (One problem was taken care of the day after they received my letter.) I was most impressed by the very courteous and prompt reply I received. I was also told any and all suggestions or complaints are always welcome.

To be quite honest, I really thought my one small letter might just get lost in the shuffle, but I was proven so wrong. This incident has certainly made me realize what a competent Police Department we have!

### Hawaiian luau

A Hawaiian luau in the winter-time?

If you're a Team 4 student at Oak School, East Maine School District 63, the answer's yes. Held in conjunction with a reading unit on Hawaii, the students' luau included homemade terraki, Hawaiian salad, fresh pineapple and coconut... not to mention a movie, leis and grass skirts. Team 4 teachers are Mrs. Valerie Domaln, Mrs. Ila Kenig and Mrs. Patricia Lerch.

### Pancake Brunch

A Pancake Brunch, sponsored by the Leaning Tower YMCA Indian Guide Program, will be held on Sunday, Apr. 21st, from 8 a.m. to 2 p.m., at the Leaning Tower YMCA, 6300 W. Touhy, Niles (647-8222, ext. 551 or 552). Adults and children 12 and over \$1.50 each; those 5 through 11 \$1.00 each; those under 5 free! Buy your tickets at the door. Movies, games, gym and swim activities are also planned throughout the day. Come for a day of good eating and fun!

### You have a right to know

Dear Editor:

You have a right to know... Why the Oakton Community College Board, unanimously selected the Des Plaines River Site.

Even though we are further ahead today on a permanent campus than ever before (with unanimous approval by the Oakton Board and Illinois Community College Board and technically approved by the Capital Development Board of the State) and even though many public meetings were held to inform the public, there are still apparent questions in peoples minds as to why this decision was made. Those who are seeking such rationale have a right to know.

Most of you know that a centrally located site has been sought since 1969:

- Maryhill was selected but rejected by the Archdiocese, State IJC, Governor, and community pressure
- Beckwith was selected but rejected by the municipality and community pressure
- Cronan was selected but was bought for industrial development

Thus the 21 sites originally on the drawing board were reduced to 2 - the Interim Site and the Des Plaines River Site.

But why was the Des Plaines River Site selected?

The architects and educators have indicated that a minimum of 51 acres are needed to meet the educational needs of Oakton for a permanent campus.

The Interim Site:

- Has only 10 acres with condemnation of adjoining parcels. The most we could acquire is 23 acres.

- The owners are unwilling to sell
- The municipality is opposed to it
- Condemnation would be costly to the taxpayer and would cause delay for several years in building

- Parking space needed is not available and the state will not approve or fund high rise parking
- The cost per acre is expensive since it is expensive industrial property

- There is no opportunity for expansion
- Vocational career programs needed for the community could not be provided since the state

requires larger enrollment than is possible at this site to gain approval.

The Des Plaines Site:

- Has 170 acres
- The owners are willing to sell
- The municipality sanctions it and has invited us in
- More space for less money - the cost of the 170 acres is less than the cost of 23 acres at the Interim location (if it would be condemned)
- Site is available at once and building can proceed without condemnation delay
- Plenty of room for expansion
- Able to provide the type of educational program needed
- Can be reached in less than 15 minutes by 2000 of present students; for remaining 900 students it would take no more than 25 minutes
- Can the Eastern most portions of the District still get some relief:
- The lease at the Interim Campus does not expire for six years and will provide an educational program during this time
- RTA should improve transportation in the suburbs
- State money could be sought from the State for buses
- The College could provide buses for those with no transportation
- Golf Road is being widened to aid the flow of traffic
- Satellite campus can be provided for those still unable to get to the campus and want to further their education
- Granted, it is impossible to set forth detailed rationale, but it is hoped that the above helps in some small way to clarify the situation.

### Feichter expresses thanks

To The Editor:

I would like to take this opportunity to express my heartfelt thanks to the many volunteers and voters in the 4th Legislative District who supported my candidacy for the Illinois State Senate. The results of the March 19th Primary Election were very gratifying to me - especially in a year that the political pundits have designated as apathetic.

I don't believe in apathy and I don't believe that people are really apathetic. More than ever, in 1974, people need to choose their candidates wisely. Perhaps, in the past, there was little choice, but now the very nature of politics is changing. In my own campaign, for example, there was never any issue regarding full disclosure of income and campaign finances. I will, as I would encourage my opponent to, fully disclose all income as a matter of course. It just makes good sense: the more people know about their candidates, the better choice they can make. When people are involved in making intelligent, reasoned decisions, there is little possibility of apathy.

Sincerely,  
Patton Feichter

## MONACEP arts series for parents

Three members of the Oakton Community college faculty will join MONACEP teachers Pat Handzel and Phyllis Koehnline during MONACEP's spring term to offer a five-session course, "Your Child and the Arts," for parents of young children.

The course will be held for five Monday nights, beginning April 22 through May 20, at Niles North High school, 9800 Lawler, Skokie, from 7:30-9:30 p.m.

Members of the Oakton Community college faculty teaching the course are Carole Kleinberg, instructor in theater, Michael Danko, instructor in communications, and Rob Quarles assistant professor of student development. Mrs. Handzel and Mrs. Koehnline have taught the MONACEP course, "Making the Most of the Preschool Years," for the past two terms. These people will combine their ideas, specialized information and interests in the arts, teaching experience, as well as experience as parents, to help parents encourage originality and expressiveness in their children.

The classes will provide an opportunity for parents to explore ways in which they can let their children be at home with the arts, especially drawing, music, poetry and dramatics. The panel and the parents will share ideas for enabling children to be active in their own creativity, including practical down-to-earth things that can actually be done at home.

In addition, at each session the group will discover places and procedures for putting children in touch with the creative efforts of others, such as art museums, concerts, plays, reading and listening to poetry and music.

Students may register for the course through MONACEP offices at Maine East High school, Dempster & Potter rd., Park Ridge, Maine South High school, 1111 S. Dee rd., in Park Ridge, Maine West High school at Oakton and Wolf rd., in Des Plaines, or Building No. 3, Oakton Community college campus, Oakton and Nagle, Morton Grove. Fee for the five sessions is \$10 for both in-district and out-of-district students. For further information, call MONACEP at 696-3600.

## LETTERS to EDITOR

### Roses for Niles' finest

Dear Editor:

So often we find reason to complain, but so seldom do we take the time to give praise where it is deserved. I would just like to publicly commend the Niles Police Department. Recently, I sent a letter of complaint to them regarding certain traffic problems in Niles.

In 2 days I received a telephone call thanking me for the letter and the officer (whose name I am sorry I didn't make note of) explained each problem as it exists, and exactly what action would be taken to correct the situation. (One problem was taken care of the day after they received my letter) I was most impressed by the very courteous and prompt reply I received. I was also told any and all suggestions or complaints are always welcome.

To be quite honest, I really thought my one small letter might just get lost in the shuffle, but I was proven so wrong. This incident has certainly made me realize what a competent Police Department we have!

### Hawaiian luau

A Hawaiian luau in the winter-time?

If you're a Team 4 student at Oak School, East Maine School District 63, the answer's yes. Held in conjunction with a reading unit on Hawaii, the students' luau included homemade teriyaki, Hawaiian salad, fresh pineapple and coconut... not to mention a movie, leis and grass skirts. Team 4 teachers are Mrs. Valerie Domani, Mrs. Lia Kenig and Mrs. Patricia Lerch.

### Pancake Brunch

A Pancake Brunch, sponsored by the Leaning Tower YMCA Indian Guide Program, will be held on Sunday, Apr. 21st, from 8 a.m. to 2 p.m., at the Leaning Tower YMCA, 6300 W. Touhy, Niles (647-8222, ext. 551 or 552). Adults and children 12 and over \$1.50 each; those 5 through 11 \$1.00 each; those under 5 free! Buy your tickets at the door. Movies, games, gym and swim activities are also planned throughout the day. Come for a day of good eating and fun!

*'Call before you dig'*

Although bird calls usually herald the arrival of spring, around Central Telephone Company another type of call is heard which means spring has arrived.

Unfortunately, instead of the pleasures of spring, these calls bring headaches, all-night hours and interruptions of telephone service.

Prompted by eager-beaver green thumbs, ambitious landscapers or harried construction workers, these calls mean trouble

—someone has accidentally cut an underground telephone cable. As a result, anywhere from one customer to thousands of customers will be without telephone service until the damaged cable has been repaired. Hospitals, ambulance services, police and fire stations could be among those without telephone service. As many as 2,400 pairs of wires must be matched and spliced before service can be restored.

During 1973, approximately 5,000 Centel customers were inconvenienced by a loss of telephone service due to 24 underground cable cuts caused by other than public utilities. It took an average of 10 hours for Central Telephone to restore service during these cuts and cost an estimated \$25,000.

Centel finds these cable cuts especially frustrating since most incidences could be avoided with just a little forethought and a call to its repair service for the location of underground cable.

To avoid the inconvenience and potential hazards of loss of telephone service, Centel urges its customers to call before they dig.

### Alnor Instrument in Niles

Alnor Instrument Company has moved into a new 75,000 sq. ft. office and manufacturing facility in Niles.

Located on an 8-1/2 acre industrial tract, Alnor's new plant vastly increases the firm's quality production capabilities and office space, while assuring pollution-free operation. Standards of the Occupational Safety and Health Act are stringently met or exceeded to assure employee safety and health.

Alnor is a leading international manufacturer of instruments designed for precision digital temperature indication and control as well as other temperature measuring and control devices, air velocity and dew point indicating instruments.

Because of the extremely precise nature of Alnor's products, the entire plant and office are completely air conditioned. There are no windows in the manufacturing area, assuring all dust is kept to a minimum. In addition, a special clean room further insures the quality of Alnor's most precision products.

Approximately 63,000 sq. ft. is used for manufacturing and engineering with 12,000 sq. ft. devoted to office space.

Previously located in Chicago, Alnor chose the Niles area for its new plant because its suburban location was convenient for employees. In addition, it offers easy access to expressways and other transportation, thus providing faster product deliveries to customers.

Architects for the project were Perkins and Wills. Others working on the new plant were P & W Engineers and Starrett Management Company.

### Kunkel & Co. sales reach \$14 million

Despite a fourth quarter decline in the real estate market, sales were the highest in the history of Wm. L. Kunkel & Co., Realtors, reaching nearly \$14 million in 1973, reported Ralph H. Martin, president.

Total residential transactions were 286 and a dollar volume of approximately \$11,400,000, according to James R. Duncan, vice president and director of the residential division. Among the residential transactions were the sale of 25 condominiums and 23 new homes in the Kingsberry development. Though total transactions declined slightly over 1972, Duncan stated that dollar volume was higher due to the increased value of homes.

Martin indicated that mortgage money is no longer difficult to obtain but rates are at the maximum legal levels. He said the biggest problem has been the drop in new housing construction and the reluctance of people to put homes up for sale. With a leveling off of the market and shortage of homes for sale, pressure will be put on prices. However, Martin stated new home construction should pick up in Spring and Summer thus relieving the pressure on prices.

Kunkel's Commercial-Investment Division had one of its best years reported its director, Marvin M. Kingdon. Sales volume in 1973 was nearly \$2,600,000 on 46 transactions. Kingdon predicts that the division's sales will more than double during 1974 to \$5 million.

One of the division's major undertakings during 1973 was the three-story Le Ronde office building scheduled for completion this Summer. The 32,000 square foot building is at 950 Lee Street and incorporates a 45 foot high atrium that extends from the

first floor to the roof. Featured in the atrium is a two-tiered garden with hanging planters and benches. All offices will face this unique circular courtyard.

Kingdon also indicated that the increasing number of income properties, apartments, retail and office buildings in Des Plaines and the Northwest suburbs will have tremendous impact on the Commercial-Investment Division in 1974, greatly contributing to its sales growth.

# "I believe in music"

"I Believe in Music," a 45-minute live school assembly program will be presented at Niles Elementary school, 6921 Oakton, Niles, at 10:30 a.m. on Friday, April 19.

Mike Sweeney, narrator of the assembly program, discusses how composers have "borrowed" musical elements from earlier eras; gives a short history of the musical instrument families and demonstrates how a record is made.

Both live and recorded music is used throughout the assembly as illustration. Youngsters from the audience are involved through

a demonstration of the difference between noise and music and through a series of questions tossed to them by the narrator. Sponsored by the American Music Conference (AMC) and the National Academy of Arts and Sciences, "I Believe in Music" is currently touring the metropolitan Chicago area. During the 1974-75 school year, the assembly program will go on a national tour.

## Women's Guild scholarship awards

The Women's Guild of the Skokie Valley Symphony Orchestra Association will hold their annual scholarship competition on Tuesday evening, April 16, at 7:30 p.m. at the Devonshire Community Center, 4400 Grove St. in Skokie.

Every year talented musical students compete for the coveted awards in a contest which is open to all college students majoring in instrumental music and all high school seniors who intend to follow such a curriculum at the college level.

Leo Krakow, conductor of the Skokie Valley Symphony Orches-

tra, says, "This year there will be five cash prizes awarded to the most talented students. The first place winner will also have the option to perform with the orchestra."

The entire community is invited to attend and listen to the contestants. There is no admission fee and refreshments will be served by members of the Hospitality Committee of the Women's Guild. Mrs. Louis M. Wechter, 8646 Keystone, Skokie is in charge of the Scholarship Program. Call her for further information at 673-7383.

"EOSTRE --- Goddess of Spring"

This year Easter falls on Sunday, April 14. WHY? It is always celebrated the first Sunday after the full moon which occurs on or next after March 21 and is therefore celebrated between March 22 and April 25, inclusive. The council of Nicea set this date in 325 A.D.

One of the oldest festivals in Christendom, Easter is the festival of the Resurrection. Originally, the Easter festival was named "Pascha" because of its association with the Paschal feast — the passover of the Jews.

The name Easter did not come until much later from the old English "Eostre" — the Goddess of Spring. This great festival soon became the prime moment in the whole calendar of worship. Easter is celebrated with all the efforts of the liturgical arts.

Ages ago the Easter festival was preceded by the vesper service and vigil of Saturday. Some of these services resulted from the ancient service of lights, then known as the "Lucernarium". The Roman Catholic Church today still uses this service for Holy Week. The service begins with ceremonial in the Narthex of the church where the new fire is lighted; a triple taper representing the Holy Trinity is elevated to lead the processional from Narthex to sanctuary. Beautiful prayers and litanies are voiced which symbolize the return to light to the world in the resurrection of Jesus Christ.

These first vespers of Easter have been incorporated to Protestant usage and now form the prelude to the Easter festival in certain Protestant parishes. Many Episcopal churches for example, schedule the first vespers of Easter and the lighting of the Paschal candle as an afternoon service for Holy Saturday.

There is another adaptation of this ancient service available for the greater form of Protestantism. It starts with the reading of the Litany at the rear of the nave. The old prophecies of the Messiah are read by the minister and the triple cluster of candles are lighted and held aloft. Minister, deacons and choir then move to the foot of the Chancel where the deacon reads the passion lessons from prophecy and hymn of passion is sung. Following this the collect for Easter is then read.

During this reading the minister goes to the altar, hands the candles to the Acolytes who light all the candles in the church while minister and deacon adorn the altar with its festival coverings. The service closes with the Easter hymn and Holy Communion or Baptism if the parish desires.

Many outdoor services are held for Easter throughout the world. Next to Christmas, Easter is the greatest single holy holiday in Christendom — its celebration is world wide and reaches into the remotest corners of this earth.

In keeping with the spirit of the occasion Jake Joseph, owner of JAKE'S FAMOUS RESTAURANT, 7740 Milwaukee Ave., Niles, is offering his greatest EASTER DAY celebration. The festivities start at 9 a.m. Easter Sunday and continue all thru the day and night. There'll be a special huge Easter basket for the kids from which, if they draw a red egg, they'll receive FREE an expensive, cuddly, stuffed Easter Bunny. And there'll also be FREE carnations given away to all mothers attending Jake's big party of Easter Sunday.

And the fathers who take the kids and moms to Jake's on Easter Sunday will appreciate the low cost of complete family, delicious dinners served during this gala celebration. For Jake plans no increase in prices but instead there'll be specials galore on a wide variety of tasty foods, cooked to your order. There will be the traditional Easter favorites such as Leg of Lamb, Ham, Turkey specials for you to select from.

And there'll be a lot of surprises, too ... for instance, on display will be a whole flock of cute little baby chicks that will delight both the young and old. And Jake's Treasure Chest will be jam-packed with FREE and NEW toys for the young tots ... and there'll be delightful surprises and gifts for the older folks, too.

And even your car parking will be more convenient, for Jake has provided for special police to direct the flow of traffic both in and out of his spacious parking facilities.

Yes, you're all invited to attend the biggest and best Easter Sunday party to be held at JAKE'S RESTAURANT, next Sunday.

## Art department show

Maine East's art department, in an effort to acquaint the Maine East faculty with student work, has put on display in the faculty lounge a large collection of students' artwork.

Mr. Stanley Whitley, Maine East art department chairman, hopes that this exhibition will make the faculty more aware and appreciative of what the students have to offer as artists. The display is representative of practically all that Maine East's art department has to offer with classes from every teacher's classes.

Mr. David Wahlgren, who teaches painting at Maine East, hopes that by exhibiting the art that the department will expand and grow creatively, and he would like to see more students donating their work for this cause.

On display are works done by almost 80 students, making it widely varied and interesting. Included are oil paintings, acrylics, water colors, pencil sketches, pottery, sculpture, and even photography.

In Mr. Whitley's words, "The subject matter is from unidentified Flying Objects to lizards in surrealistic landscapes!"

Future exhibits are in the works, but they will be set in other areas of the building so that students, as well as faculty, can look and enjoy.

all day, all evening. You can dine for less amid a festive Easter-like atmosphere which every member of your family will appreciate. Easter, like Christmas, comes only once a year and this year — this Easter — Jake is throwing the biggest party in his big ad. In all Bugle newspapers for more information about how this year, "Easter came to Jake's Restaurant."

Genial John Gountanis, owner of ALIPIO'S RESTAURANT & LOUNGE, tells me that he's booked a lot of reservations for his special 8-course EASTER DINNERS which many folks will be enjoying next Sunday. ALIPIO'S is offering Roast Prime Rib of Beef, Roast Leg of Lamb, Roast Tom Turkey, Broiled Filet Mignon, Shish-Ke-Bab, Chicken Vesuvio, Red Snapper, Lobster 8-course dinners, prepared to-your-order at reasonable prices. ALIPIO'S RESTAURANT & LOUNGE is conveniently located at 6474 N. Milwaukee Ave., one block north of Devon. For Easter, or any time, Alipio's is always an adventure in good eating.

Many restaurants are changing their regular hours for Easter Sunday. For example, the popular BEAMN BARREL, 7136 Milwaukee Ave., Niles, will be open at 1 p.m. this Easter Sunday. And the magnificent FIRESIDE RESTAURANT & LOUNGE, 9101 Waukegan Rd., Morton Grove, will change its regular 5 p.m. opening to 1 p.m. on Easter Sunday. ARVEY'S RESTAURANT, 7041 Oakton, Niles, will be open as usual on Easter offering plenty of holiday dishes from which to choose. LA VENECE RESTAURANT, 8743 Milwaukee Ave., Niles, is also featuring an array of traditional favorites for Easter Sunday, both authentic Greek and American dishes for which they have become famous. (See their large ad in this issue.)

The MILLBROOK RESTAURANT, in the Millbrook Center, just across the street from Golf Mill Shopping Center, offers a complete line of Grecian as well as American dishes for your Easter dining pleasure. Millbrook Restaurant is open for breakfast, lunch and dinner and also provides a complete carry out service.

Have a happy Easter ... see you next week ...

## WMTH broadcasting

Baseball is here to stay for awhile, and WMTH-FM, the radio voice of Maine Township, has its Maine East baseball broadcast schedule ready.

Games that will be brought to you live during this season will include the Demons versus Niles North on April 24, Niles East on April 29, and Maine West on May 3. Game time for these three contests is 4:15 p.m., and the pregame show starts 15 minutes before air time of the game.

In addition to sports coverage, the top hits of the time are featured on the "Twin-Eight Survey" with hosts Dean Moss and D.J. Orlando at 4:05 p.m. weekdays. The printed version of the survey, which lists the top 40 songs of Maine Township weekly, is available at the Maine East Bookstore, at all local record stores, and the Maine East radio station.

## Nelson School Japanese Day

Team 1 at Nelson School, 8901 N. Ozanam St., Niles, East Maine School District 63, culminated their unit on Japan recently by holding their own Japanese dinner. Room mothers helped both teachers and students prepare the food, which included sushi-yaki, rice, rice crackers and rice candy. Some of them even ate with chopsticks, say their teachers, Miss Sandra Chast, Miss Linda Joseph and John Packer. Students also played Japanese games; some also wore Japanese dress.

## Oakton students win art awards

For the second year in a row, students from Oakton Community college have won more than half of the awards at the Elgin Community college Art Show.

Louis Schutz, a student from Skokie, won "best of show" for his entry in printmaking. John Moore, Des Plaines, and Steve Goldberg, Niles, who are enrolled in photography classes at Oakton, split a first place award in photography.

Seven other community colleges in northern Illinois are also participating in the student art exhibition. They are Harper college, Palatine; McHenry County college, Crystal Lake; Rock Valley college, Rockford; Triton college, River Grove; Wabonsee Community college, Sugar Grove; and Elgin Community college, Elgin.

Entries in the show were judged on March 15 and were exhibited at Elgin Community college through April 5. Judges were Don Baum, director of the Illinois Arts Council and chairman of the Art Department, Roosevelt University and William Benway, Curator, Illinois Arts Council.

## Conducts education workshop

Harold (Biff) Doolittle, assistant professor of student development at Oakton Community college, was a visiting teacher for an education workshop at Northern Illinois university, DeKalb, in March.

Doolittle, a specialist in transactional analysis and humanism in the classroom, demonstrated TA techniques for a class of 25 school administrators. Doolittle, who joined the Oakton faculty in August, 1973, had a long career in business and corporate management before entering higher education. He earned his masters in education with special studies in transactional analysis. He was formerly assistant to the president of Kendall college and has served as consultant to the Institute for Educational Research.

## Gemini School PTA

Gemini Junior High School, East Maine School District 63, recently held a PTA meeting to discuss drug education. Representatives from "Turning Point", a Niles Township drug treatment program, presented a panel discussion dealing with the behavioral development approach in relation to the adolescent. Seven Team 8 students, trained by "Turning Point" representatives to enact various "roles", participated on the panel by showing the availability of drugs, where and how much they're used, how it feels to use drugs, behavioral pattern changes, use and abuse of drugs, experimentation and addiction to drugs.

According to Principal Donald Huebner and Mrs. Helen Peterson, Gemini guidance counselor, the program was "excellent". Those students on the panel included: Art Greco, David Pink, Bambl Pearlman, Cindy Curtin, Kathy Hamilton, Terri Reiss and Jeff Marino.

## High School Credit Program

The Maine-Oakton-Niles Adult and Continuing Education Program will offer a supervised Home Study High School Credit Program for persons who wish to earn a high school diploma. Courses in English, Social Studies and Mathematics will be conducted at Maine Township High School East in Park Ridge during the Spring term beginning Tuesday, April 2 at 7:30 p.m.

Counseling and course advisement will be provided on Tuesday evening, April 9. Persons interested in learning about the program should call Mrs. Dodds, 825-3435 to make an appointment with a counselor.

Residents of Maine and Niles Township High School districts are eligible to participate in the program. Tuition is free for persons 20 years of age or younger. Persons 21 years of age and older are charged a \$20.00 tuition fee per course, according to Alexander Kruzel, Director of MON-ACEP.

Classes will meet on Tuesday or Thursday evenings, 7:30-9:30 p.m. for a period of 10 weeks. The Spring program is expected to end the last week of June.

## Apollo School buzz session

Apollo School, East Maine School District 63, recently hosted a parent "buzz" session to discuss both the nature of the program and the instructional program at Apollo. Topics included articulation with the high school, homework practices, student-teacher relationships, and the objectives of a junior high school. Faculty members participating in the session included James A. Lumb, Principal; Mitchell Bers, Assistant Principal; and Carl Klemmer, Gamma Team Language Arts Instructor. According to Lumb, the evening was such a success Apollo is planning future sessions this spring.

## 'Spirit of '76' essay contest

A "Spirit of '76" essay contest for all high school students in the 10th Congressional District was announced by Rep. Samuel H. Young (10th-IL). The contest was designed specifically as preparation for the nation's Bicentennial Celebration in 1976, Congressman Young said.

All high school students in the 10th District may enter the essay contest by writing a 500 to 750 word essay on goals which the writer feels the United States should pursue between now and the end of the 20th century.

Congressman Young said that the essays may deal with any aspect of our national life - social, economic, political - and they should set priorities for the United States to follow over the next 25 years.

"We also have made every effort to make this essay contest a valid educational experience which will help bring alive many of the concepts which teachers of civics, history and government are attempting to get across," Young said.

"And finally, the two winning essays will become historical documents in that they will be submitted to the National Committee on Critical Choices and reprinted in the Congressional Record."

The grand finalist and runner-up will win an expense-paid trip to Washington, D.C.

Each high school will judge the essays submitted by its own students and select two winning essays. These will be forwarded by the school to the Spirit of '76 Essay Contest Committee for final judging.

From among all the winners selected by the individual high schools, Young said, a Grand finalist and a runner-up will be selected by the committee which will be composed of educators and community leaders in the 10th district.

All essays must be completed and submitted by the students to their own high school by June 1, 1974. The schools will complete their judging and turn the winning essays over to the Spirit of '76 Essay Contest Committee by June 15. Winners will be announced by the Committee no later than July 15, 1974.

## District 63's Instrumental Music Program

There's been a lot of people smiling and humming to themselves these past three weeks around East Maine School District 63's schools . . . and the District's Honors Band and Junior High String Ensemble have had quite a bit to do with it.

Directed by Don Filla (Director of the District's Instrumental Music Program) and Dennis Gibbons (Orchestra Director), the 38-member group has been touring all 11 schools. "Froud Mary," "The Candyman," "Rainy Days and Mondays," "I'd Like to Teach the World to Sing," "Lara's Theme," "Danza" and "Love Story" are just a few of their selections.

The District-wide, elective music program has been around for ten years and now has about 390 students enrolled, says Filla. This spring marks the eighth tour they've given. The Honors Band consists of selected students from both Apollo and Gemini Junior High bands; members of the String ensemble also come from the two junior highs.

## Lip Reading Classes

There is a Lip Reading class being held from 10 a.m. to 11 a.m. every Wednesday at the Leaning Tower YMCA, 6300 Touhy ave., Niles. This class is open to anyone of any age, but is especially geared to the hard of hearing. The class is free and is conducted by Mrs. Joy Crifice. For further information please call Shirley Spears at 647-8222.

## Wayne King Show

Don't forget to mark your calendars for April 29th, "The Waltz King". Wayne King and his orchestra will appear in concert for the Niles Senior Citizens Club members and guests on that date at 2 p.m. in the Niles West High School auditorium. Admission is \$2, but tickets are going fast. So call 966-3800, Ext. 444 for further information.

## Busy Hobby

Mr. Charles Gaul of Niles stopped by to see us recently and brought with him a three foot totem pole which he hand carved. Mr. Gaul, who incidentally is 73 years young, took up wood carving as a hobby when he retired and has 50 different objects and works of art on display in his home which he has completed. Not only does he enjoy his hobby, but Mr. Gaul tells us "it keeps him out of Mama's way." Mr. Gaul is also a very lucky man as he was the winner of the new car at the Niles Days carnival last July.

## Happy Anniversary

Mr. and Mrs. Charles Ringham, 7453 Seward, Niles celebrated their 50th wedding anniversary last month and were feted at a celebration given by their children and grandchildren at Shanghai Lii's restaurant in Chicago. Congratulations to the Ringhams and many more happy, healthy years.

## Pancake brunch

A Pancake Brunch, sponsored by the Leaning Tower YMCA, Indian Guide Program, will be held on Sunday, April 21 from 8 a.m. to 2 p.m. at the Leaning Tower YMCA, 6300 W. Touhy, Niles. 647-8222 ext. 551 or 552. Adults and children 12 and over — \$1.50 each; those 5 through 11 years old — \$1 each; under 5 eat for free! Buy your tickets at the door. Movies, games, gym and swim activities are also planned throughout the day. Come for a day of good eating and fun!

## Purchase . . . Cont'd from Niles-E, Maine P.1

The Mayor also stated that Vietnam Veterans Day was held on March 29 and many of the surrounding villages were planting trees and other memorials in honor of the Vietnam veterans who were killed in action from their towns. Blase said that two young men from Niles were killed in Vietnam, Walter Lang and Larry Peters. He felt a fitting and lasting memorial to these two men would be to name the new building after them. When a name is decided for the

center, Lang-Peters will be incorporated in the name.

....In other actions, the board upheld the zoning board's approval of Special Use rezoning for two Auto Parts stores, one at 7419 Milwaukee avenue and one at 7005 Milwaukee avenue. Both owners were informed that approval was given with the stipulation that no machine work or installation work of any kind would be done on the premises.

....In still further actions, permission was given to the Inhalation Therapy Equipment Co., Inc., 7790 N. Merrimack, Niles, to install a revolving, flashing amber light on the top of their Inhalation Therapy Equipment vehicles. They handle pulmonary and respiratory equipment and many of their calls are of an emergency nature to victims of heart attacks, premature infants, etc.

## North Maine Fire Captain attends conference

Captain Carl Cassidy, of the North Maine Fire Department, attended the Forty-Sixth Annual Fire Department Instructors Conference, held in Memphis, Tenn., March 26 thru March 29.

The object of the conference is to provide an opportunity for leaders in the fire service to exchange ideas and experiences, and to keep abreast of latest developments in modern firemanship.

The program for the conference was suggested at a Program Planning Committee meeting held in December. Members of the fire service attended the Program Planning Committee meeting, and discussed a great number of suggestions before the final program was arrived at.

The conference was attended by members of the fire service from throughout the United States and Canada. The conference is sponsored by the Insurance Services Office and hosted by the Memphis, Tennessee Fire Department.

Fire Service experts, from throughout the United States, were on the program. The conference consisted of regular program items, workshop sessions and excellent new fire service films. The workshop sessions were a highlight of the conference. In these sessions the firemen are able to discuss various fire department operations with other members of the fire service.

This conference is one of the conferences, seminars, meetings and schools attended by North Maine Fire Department personnel each year. Information obtained is brought back and incorporated into the Department's Training Program.

## LWV studies land use

The Morton Grove - Niles League of Women Voters will conduct their unit meetings on Tuesday, April 14 and Thursday, April 16 at 9:15 a.m. and the Thursday evening meeting at 7:45 p.m. The topic for discussion will be Land Use and the meetings will be held in the home of June Camis, chairperson, at 8931 Moody, Morton Grove, with babysitting at the Morton Grove Community Church.

A feature film, "One Way to Better Cities" will highlight the presentation and lead into a discussion of these questions:

1. How would the tax system be revised to encourage sound land use decisions?
2. List the changes in property tax structure you would recommend to affect better land use, i.e. property improvement, impact of low and moderate income housing; tax incentives for special uses such as drainage areas, open space, historical sites, status of farm lands in developing areas.
3. Should there be changes in the method of distribution of property taxes? If so, what?
4. Should there be changes in the state tax redistribution formulas (sales, income, motor fuel)? If so, what?
5. What qualifications for assessors? What changes should be made in tax assessment procedures?

These are serious questions and how they are answered will affect the quality of life of all citizens. Now is the time to start planning for a better future. Call Barb Blonz at 966-8533 for more information about the Morton Grove-Niles League of Women Voters.

## On Dean's List

John W. Von Holdt, 6864 Lexington Ln., Niles, has been named to the Dean's List at North Park college, Chicago, for the winter term. He is a member of the senior class.

## Police . . .

Cont'd from Niles-E, Maine P.1

The Policeman's Ball will be held June 1, 1974, in the grand ballroom of the ultra modern Hyatt Regency O'Hare in Rosemont. Frankie Masters and his orchestra will provide music for dancing and just pleasant listening. Jerry Murad and his Harmonicats will entertain you with their flawless floor show.

All donations (\$8.00 per couple, \$4.00 per person) are used to pay for Life Insurance for the members of the Niles Policemen's Benevolent Association and all members are full time policemen in the village of Niles.

## Afraid You're Going Deaf?

Chicago, Ill. A free offer of special interest to those who hear but do not understand words has been announced by Belone. A non-operating model of the smallest Belone aid ever made will be given absolutely free to anyone requesting it.

This is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit. No wires lead from body to head.

These models are free, so write for yours now. Thousands have already been mailed, so write today to Dept. 9833, Belone Electronics Corp., 4201 W. Victoria St., Chicago, Ill. 60646.

## 'Pitch In with Pride'

The headline above is the 1974 slogan for Village Beautification Day, to be celebrated on April 27. Spearheaded by nearly 500 Girl Scouts, the day's events will primarily center around cleaning up the Village of Morton Grove. This year is not the first year that an organized effort is being made to spring clean our village. Last year's Keep American Beautiful Day was a fantastic success. This year's endeavor can be even more of a success if every citizen will lend a hand.

The major effort will be provided by the Boy and Girl Scouts supported by the Village Beautification Committee and the Public Works Department of the Village of Morton Grove. Trash will be picked up and bagged. The location of larger pieces of junk which need removing will be marked on maps and a truck will pick these up later.

If your organization or any private citizen would like to help clean up the public areas of our village, information on how you can help can be obtained by calling 966-7261 between 6 and 9 p.m. weekdays.

Watch for the Village Beautification posters in store windows throughout Morton Grove and the signs at strategic locations in the village. Come out on April 27. Give a hand, and pitch in with pride!

## GIRLS SOFTBALL HAS OPENINGS

There are still some openings for high school girls and some 11-13 years of age openings. The league games will be starting June 1, Saturday, so don't be surprised if you see many girls on all the field around the school warming up. Some will have experience and some will not, but by the time the league games start they should be ready for action on the field.

## LITTLE LEAGUE

by the Post's Rifle Squad. Those children who find those may redeem them for gifts suitable to their age. A pavillion will be set up in the Woods and prizes offered there immediately following the Hunt. Youngsters may keep all the other colored eggs they find.

Over-all general chairman is Legion Junior Vice Commander John Reichert.

The night before, Saturday, Legionnaires and members of the Morton Grove Days Board, along with their families, will meet at the Legion Home at 7 p.m. to dye the eggs in preparation.

## Dist. 67 registrations

Kindergarten registrations will be taken at District 67 (Hynes and Golf Schools) on Thursday, Apr. 25th from 9 a.m. to 11 a.m. and from 1 p.m. to 3 p.m. Registrants must be five years of age on or before Dec. 1, 1974. The child's birth certificate or a photostatic copy must be presented. Hospital records, baptismal certificates or registration receipts are not acceptable. For children born in Cook County, a copy of the birth certificate may be obtained from the Bureau of Vital Statistics, Cook County, 130 N. Wells st., Chicago, for \$2.00.

It will avoid delay if the parent is prepared to give the child's physician's address and phone number and father's business address and phone number. There will be a parent orientation meeting at Golf on Monday, May 6 and at Hynes on Tuesday, May 7 at 1:30.

## Lincolnwood Action Party seeks members

On the one year anniversary of the Lincolnwood Village Board election, which produced a larger voter turn-out than any previous village election, the Lincolnwood Action Party announces a membership drive.

At a recent planning meeting of the L.A.P., officers were set up for the purpose of remaining an effective organization, keeping abreast of village affairs, and expanding membership.

Officers elected are: Herman Kranz, Executive Chairman; Louis Spagoletti, Executive Vice-Chairman; Robert Otter, Treas-

urer; Betty Nudelman, Recording Secretary; and Marge Dervishian, Corresponding Secretary.

Goals of the L.A.P. include influencing the present village government in its relationship and communication with villagers, and keeping the two party system alive in the interests of combatting apathy and assuring the best possible administration for Lincolnwood.

In anticipation of these goals, and of the 1975 Board elections, a membership drive is now underway, in which all villagers are being encouraged to become part of the L.A.P.
