They're sending up flares in the Niles police and fire departments over the village fathers' interest in controlling the police and fire boards.

Our old friend Nick Blase, a noble warrior who gets a bit wacky every now and then, tried to bull his way thru last week's village board meeting. On the agenda there was to be a discussion and an amendment to two ordinances which would have changed the make-up of the police and fire boards which oversee the pension funds of the two groups. But without notifying the interested groups and without even the knowledge of several of the trustees, the proposed changes were set for the evening's agenda. But Blase passed over the two items, postponing them until the next meeting. Reporters were shut out in their quest to find out about the proposals and the firemen's representative was ignored when he attempted to speak on the matter. Finally, he asked the department receive copies of the proposal which Blase acknowledged.

What's at stake in the proposed actions is \$2,500,000 of pension fund money. According to police and fire representatives, the money is now invested in municipal bonds, certificates of deposit and treasury bills. State statute spells out very specifically how the money can be invested, safeguarding what is now a rather sizeable hunk of inflated greenbacks.

Village Manager Ken Scheel told The Bugle the village wants to place on the boards "four civilians" whose background and expertise will aid in improving the investments.

While the two boards are very tightly controlled by state law, it is believed the new home rule sections of state code would enable the village to set-up its new boards and control the funds.

### "Messiah"

On Dec. 8, at 2 p.m., Handel's Messiah, which was composed in 24 days and is considered Handel's most successful oratorio, is once again being presented in the Maine East High school auditorium tradition of 27 years.

The orchestra and chorus are in rehearsal. The student soloists have been selected. Preston Waldrop, Choral director at Maine East High school will direct the entire concert.

At Tuesday night's Oakton College board meeting it was reported a 2-hour "lab" auto mechanics program has been favorably recommended by the college faculty curriculum committee.

Board member Steve Loska, who led a two-month fight for the program, then successfully pushed for the new curriculum to become a part of the college program for the upcoming spring semester. A college administrator first told Loska the program could not be activated in time for the spring semester but when Loska

insisted the program become available, he was assured it would be.

After the curriculum committee recommended the change, it must be submitted to the state college board for official approval. It would only require about 48 hours in the state's hands before such a program could become a part of the Oakton curriculum. The local college board would then have to approve any budget transfers for the program, which could run as high as \$32,000. This is surplus that may be available for such a program.

## SJB Football Champions 1974

The St. John Brebeuf Varsity Football Team captured the CYO City Football Championship by defeating Maryville Academy 20-12. This completed a perfect

season for the Warriors, finishing with a 10-0 record. As well as winning the City Championship, they also won the Northwest Catholic Conference Champion-

ship. The Championship Game saw fullback Tony Jefitta scoring two touchdowns (his 21st and 22nd of the season).

### Possible arson in Convenient store fire

(By Alice M. Bobula)

An early Tuesday morning fire gutted the Convenient Food Store, 9570 N. Potter, rd., in the unincorporated area, leaving only three walls of the building still standing.

No loss of life was reported in the Nov. 26, 3 a.m. fire.

The building was fully involved when our men arrived on the scene," said North Maine Fire Chief Dale Moore. "The windows had all been blown out and flames were shooting up over the top of the building."

The first alarm was turned in, by a passerby, to the Des Plaines Fire Department, who in turn relayed it immediately to the North Maine Fire Department.

Shortly after arrival of the firemen a box alarm was placed for mutual aid from nearby suburbs, bringing fire fighting equipment from Niles, Des Plaines, Park Ridge and Morton Grove.

According to fire department records, the fire began to spread through the small shopping center, located at Golf and Potter rd., of which the Convenient was the largest of five stores. Firemen checked the fire spread, said Chief Moore, with only smoke and heat damage sustained by the smaller stores in the Center.

The three walls of the Convenient Store remained upright, but the front of the building, constructed of glass was blown

out. The fire, which began to break through the roof, left a great portion of it completely charred.

Cause of the fire remains under investigation; said the Chief, with a possibility of arson.

No estimate of damage could be given. Contents of the building were set at a total loss, with a huge loss to the building.

Firemen remained on the scene for more than 4 hours.

One other alarm was received during the fire, commented Chief Moore, involving a mattress fire in an apartment building. The fire call was handled under mutual aid from surrounding suburbs.

### Niles Library exhibit

The Niles Public Library has a new exhibit on display this month. It is a collection of Clowns and Elephants collected by one of its staff members, Mrs. Margit Leibfritz. She acquired this collection from different parts of the country and some were gifts brought back from trips by friends. Included in this collection is a set of miniature clowns painted by the collector and her own jewelry with an elephant motif.

Do you have a collection of pictures, a group of artifacts, or anything else that might be of interest to the public? Please get in touch with the library to arrange exhibiting schedules. Call Mrs. Isabelle Maczek at 967-8554 for an appointment to discuss your exhibit.

### Delinquent Property Taxes

Senior Citizens in Maine Township who have received notice that their property may be sold for delinquent taxes, but who have been granted an Illinois Homestead tax exemption may safely ignore such notices, according to Maine Township Assessor James A. Parks.

Parks said the Cook County treasurer's office will begin the sale of delinquent 1973 property tax bills on Monday, Dec. 9, and has notified 85,000 persons that their 1973 taxes were unpaid. Among those notified were about 8,000 senior citizens who had been granted the \$1,500 Illinois Homestead exemptions, but were erroneously included in the list.

Persons granted the exemption, but informed their tax bill would be sold, may ignore the notice, Parks stated, but only if the unpaid bill is covered by the exemption. Unpaid taxes in excess of the exempted amount would still leave the property owner liable, he added.

Parks said that any Maine Township resident who has questions about the status of his tax bill or homestead exemption may call or visit his office, 2510 W. Dempster, Des Plaines, 297-2510.

## Legion sponsors High School Oratorical Contest

The 1975 Oratorical Contest for High School students sponsored by the American Legion and approved by the National Association of Secondary School Principals, the office of the Superintendent of Public Instruction and the Illinois High School Association is now underway. The Speech Departments of our local high schools have received a descriptive brochure on the Oratorical Contest and are urging students of their classes to participate.

From the contestants selected from the high schools, one person will be sponsored by American Legion Post #134 to compete on a County level and, hopefully, represent the Legion in the District, Division, Department and National finals. The Legion will be as proud of participants as they will be of winners. Dates of the County contest have not been set, however, the District contest will be held the week of Feb. 3 to 7, the Division Contest, the week of Feb. 17 to 21, and the Department finals, the week of March 3 to 7. Regional and National finals dates have not been announced.

Scholarships totaling \$4,300 will be awarded to Division and Department winners. In addition to Gold and Silver medals, certificate awards in the amount of \$500 and \$100 will be awarded Division winners, and scholarships of \$400 to \$1,000 will be awarded to successful contestants in the department finals: The National scholarship awards range from \$2,000 to \$8,000.

Joel Richard Levin, of Morton Grove was a national winner in 1971, winning \$1,500 in scholarships. Joel is currently in his 3rd year at Yale University, majoring in history and economics. Joel was a member of the speech team at Maine East high school and was encouraged by his speech teacher to enter the contest. Joel won all contests up to the National level and finished second in the National Regional finals.

Highlights of this year's Oratorical Contest is summarized as follows:

- ...two speeches are to be given, one prepared and one extemporaneous;
- ...subject used for the prepared oration should be on some phase of the Constitution of the United States, delivered within 8 and 10 minutes;
- ...the extemporaneous discourse will relate to the basic principles

### Mikva-Young race

The Cook County Clerk's office erroneously reported in its initial canvass of the votes cast in the Tenth Congressional District Race a difference of 3460 votes, between Abner J. Mikva and Representative Samuel H. Young (10th-IL).

It was brought to the attention of the County Clerk's Office that an error of 600 votes had been made in tabulating Mikva's vote totals.

On Friday, Nov. 22, the Clerk's office amended its canvass of the votes and certified to the State Board of Elections totals depicting a 2860 difference. The County Clerk's new totals were 83,457 votes for Mikva and 80,597 for Congressman Young.

Congressman Young's office said recently that he plans to file a petition for a discovery recount with the County Clerk's office.

of government under the Constitution, and must be delivered within 3 and 5 minutes, ...the orations must be original efforts of the contestant. The penalty for plagiarism will be disqualification.

Moms and Dads of our community (you need not be Legion affiliated) are requested to encourage their sons and/or daughters (3 females have been national winners since the beginning of the contest in 1938) to enroll in this most worthwhile patriotic event. It will enhance their stature in the community and will also provide them with a funded scholarship to a college of their choice. American Legion Post #134 is eager to sponsor a contestant. High school students of the community are invited to contact their Speech teacher or to request the Oratorical Contest Brochure which gives some of the history of the contest, this year's topics, awards, and the

rules and regulations. Write or call the Americanism Officer of Post #134, Mr. Irvin W. Plahm, 1445 Touhy ave., Apt. 9B, Park Ridge, 60066. Phone: 823-5920.

The battalion is embarked aboard ships of the U.S. Atlantic Fleet for the resumption of amphibious training exercises in the Caribbean. During the deployment, Satterthwaite will participate in beach assaults, weapons firing exercises and infantry tactics ashore.

He is also scheduled to visit Montego Bay, Jamaica, and Caracas, Venezuela, for liberty. He is a former student of Maine East High School, Park Ridge.

### Living room fire destroys furnishings

The interior furnishings of a ranch house living room were ravaged by an undetermined fire last week, in Niles. No injuries were reported.

Numerous calls for aid brought Niles firemen to the home of Mrs. Mary Larkin, 7616 Olcott, on Wednesday afternoon, Nov. 27, where smoke was observed pouring out from under the eaves of the house.

Origin of the fire apparently was in a stuffed arm chair in the living room. Chairs, drapes, end tables, lamps and other furnishings in the living room were destroyed by the fire.

Estimate of damage is yet undetermined. Smoke, water and heat damage were confined to the living room.

Cause of the fire remains under investigation, according to Niles Fire Chief Albert L. Hoelbl and Deputy Fire Chief Charles Bobula, who were on the scene.

### Maine East football team sets record

(By Len Tomaszewski)  
"This has been the best team in 15 years and the only team since 1959 to acquire a record beyond a .500 season."

That's just one thing head coach Al Eck had to say about this year's varsity football team. A lot more people said it too, and they should because the Demons finished with a 6-2 mark and a second in their conference.

The only losses of the season came against one team, the Glenbrook North Spartans, who took first in the conference. The first meeting between these two teams showed Glenbrook North winning 28-6. In the second meeting the two teams were fighting for conference champions and saw the Demons going for a state play-off berth. However, the Demons found themselves falling short, and they lost 24-7.

Coach Eck had this to say about the Spartan team. "They were a better team than we were, and we just couldn't penetrate their defense." He added, "Who knows how far they'll get in the state play-offs. Only a well pass-oriented offense or an offense capable of driving that defense out will beat Glenbrook North."

After the Demons lost virtually everything, it might have seemed that they would fold up as they did last year. However, they disappointed that completely, when they defeated Glenbrook South 28-0 at the Demons last home game.

"Watching the beginning of that game, I feared we were not mentally prepared, but as soon as we scored and let the air out of their tires, I knew we were ready," explained Coach Eck.

The next week saw the Demons traveling to Highland Park for their final game. Earlier in the year, the Demons defeated the Giants 14-6 for a triumphant Homecoming victory. This last game of the season saw a second in conference at stake. Although

the Giants were up for their last home game, the Demons were just too tough and won 14-2.

Other Demon victories were Maine East over St. Anne, 37-6; Glenbrook South, 13-0; and New Trier West, 22-7.

The Demons piled up 2,132 yards total offense (1,610 yards on the ground and 522 in the air) and scored 141 points while giving up 73. The leading rusher was Mike Lauesen with 880 yards, a new school record. Passing, junior Jay Baum was 16 for 30 for 252 yards and junior Doug Cerny was second behind with 13 for 29 for 185 yards. Lauesen had nine touchdowns. Terry Gilfoy, Jack Meyer, and Jay-Baum each had three, and Ron Uhlig had two touchdowns.

It's hard to single out anyone's performance on a fine team. This year's Demons squad gave this school something it hasn't had in fifteen years—a winning team and maybe a few forgotten cheers.

Thanks for a winning year—Sam Carter, Rob Contorno, Vic Piscicillo, Jack Meyer, Bruce Gartner, Terry Gilfoy, Mike Lauesen, Charlie Ringstrand, Marc Elatkin, Jeff Strand, Andy Gross, Bruce Tinkof, Ed Dembski, Howard Adamski, Rick Farber, Mario Iacoviello, Lou Marsico, Kim Erickson, Craig Christell, Rick Perone, Neil Clark, Eric Morrow, Mark Pauluzzi, the returning juniors, the trainers, an equipment man, and the coaching staff.

On the success of the team this year, Coach Eck answered, "This team was successful because the juniors and seniors were successful at the lower levels with well coached teams, and I think the Mighty Mights (kids under high school age playing in a football program) helped a lot to those who played."

He added, "The juniors were able to mesh real well with the seniors and the two groups paid a compliment to each other."

Members of this year's team are Ed Cronin of Des Plaines, Paul DeSario of Niles, Ken Hahn of Des Plaines, Bill Heinz of Skokie, Tom Hlava of Niles, Dean Kornacker of Chicago, Brendan McCarthy of Niles, Tom Mulhern of Buffalo Grove, Kevin Nagel of Morton Grove, Jeff Poczatek of Chicago, Mike Quaritsch of Niles, John Rigali of Park Ridge, John Shemroske of Niles, and Richard Weichmann of Skokie.

### Notre Dame sophomore football awards

### Notre Dame sophomore football awards

The annual football awards night and banquet was held at Notre Dame High School on Nov. 25. The awards presentation began at 6:45 p.m. in the Little Theatre for 35 sophomores and their parents. The banquet followed in the cafeteria at 7:30 p.m. The awards were presented by Coaches William Casey and John Schroeder.

Sophomores receiving their awards were Tom Ackermann of Norridge, Luke Basile of Park Ridge, Mike Barry of Skokie, Jim Bolin of Niles, Rich Bernico of Chicago, John Biebrach of Morton Grove, Doug Brunke of Park Ridge, Marshall Conside of Chicago, Rocco DeGrasse of Park Ridge, Tim Doyle of Chicago, Rich Ebeling of Chicago, Mike Garnett of Niles, Ken Galinski of Niles, Ed Goodman of Glenview, Scott Kane of Niles, Joe Koztol of Glenview, Jim Kraft of Chicago, and Brian McCauley of Evanston.

Others were Kurt Malz of Skokie, Dave Mandolini of Glenview, Jim Michael of Niles, Ken Minucci of Chicago, Dan O'Leary of Chicago, Frank Parilla of Chicago, Andy Pope of Park Ridge, Larry Powers of Niles, Randy Schuitz of Chicago, Matt Scussel of Glenview, Bob Swallow of Chicago, Jeff Stearnoy of Chicago, Mike Signa of Chicago, Jim Walsh of Morton Grove, Chris Waldman of Glenview, John Wendel of Niles, and Vito Piazza, manager, of Chicago.

### Notre Dame sophomore basketball

The sophomore basketball team of Notre Dame will see its first action of the new season on Friday, Nov. 29, when it plays Loyola in its own gym at 8:30 p.m. Evanston and Niles West will play earlier at 5:30 p.m. The tournament will end on Nov. 30.

Realizing the keen competition in the East Suburban Catholic Conference, Coach Victor Capron hopes that he can develop the potential of his players during the coming season.

Members of this year's team are Ed Cronin of Des Plaines, Paul DeSario of Niles, Ken Hahn of Des Plaines, Bill Heinz of Skokie, Tom Hlava of Niles, Dean Kornacker of Chicago, Brendan McCarthy of Niles, Tom Mulhern of Buffalo Grove, Kevin Nagel of Morton Grove, Jeff Poczatek of Chicago, Mike Quaritsch of Niles, John Rigali of Park Ridge, John Shemroske of Niles, and Richard Weichmann of Skokie.

The sophomore team will play the same schools as the varsity on the same evenings with the sophomore game beginning at 6:30 p.m. The first conference game will be at Notre Dame on Dec. 6 with St. Joseph of Westchester. The next home game will be on Dec. 14 with Ridgewood. They will also play Deerfield, St. Viator, Marist, and Holy Cross before Christmas.

Starting Dec. 26 the sophomores will have their own ten team Christmas tournament at the school with games starting at 10 a.m. The tournament will end on Dec. 30.

Special general admission tickets will enable area basketball fans to see the local stars on Northwestern's basketball team when the Wildcats open their home schedule the weekend of Dec. 7.

Brad Cartwright, former Niles West star, is expected to see a lot of action when the Wildcat cagers open their home season with Mid-American Champion Ohio University, Dec. 7 and Valparaiso University Monday, Dec. 9.

The son of Howard and Evelyn Cartwright of Morton Grove, Brad saw more than 340 minutes of playing time his freshman year. "Brad is a talented player who has good court savvy. With his added physical and mental maturity, he will develop into a fine Big Ten forward and will help make us a contender this year," comments Wildcat Head Coach Tex Winter.

Special ticket prices for the 3:05 game on Dec. 7 and 8:05 p.m. game on Dec. 9 are \$1.50 for adults and 50 cents for youngsters, high school age and under.

### Be good to yourself

"Be Good to Yourself: The Rational-Emotive Approach to Psychotherapy" is the subject for discussion when Dr. Martin J. Steigman addresses Singles, Ltd. on Thursday, Dec. 12 at 8 p.m., at the Mayer Kaplan JCC.

Dr. Steigman, an associate professor at Northeastern Illinois University and associate director of the Chicago Institute for Rational Living, is an advocate of Rational-Emotive Therapy as developed by Dr. Albert Ellis. Steigman believes that emotional

disturbances are the results of irrational beliefs, and that as persons learn how to challenge and change these beliefs, they begin to actualize their own potentials and lead more productive lives.

Dr. Steigman will call upon members of the audience to help demonstrate some of the methods of Rational-Emotive Therapy, and there will be time set aside for a question and answer period. The evening will conclude with a social hour and refreshments.

Singles, Ltd. invites single adults, ages 25 to 45, to join them for an evening of "being good to yourself". Admission is \$1 for members and \$2 for non-members. The Mayer Kaplan JCC is located at 5050 W. Church st., Skokie.

### Ballard PTA plans Gym-Art Show

The Ballard PTA Dec. 12 open meeting features a Gym and Art Show. The meeting will be at 7:30 p.m. in the Ballard School Gym, Ballard rd. and Cumberland. Mrs. Harriet Judy, Ballard art teacher, will discuss the expanded art program for students. A special gym demonstration will be performed by selected students under the direction of Mr. Paul Simon, physical education teacher. After the gym show, parents will be directed to the art room to view students at work on art projects and to see several art displays throughout the school.

The PTA Holiday Workshop will be open all evening to give parents an opportunity to purchase holiday gifts. A wide variety of gifts, some handmade, are on sale. Prices range from 50 cents to \$4. The Holiday Workshop will be open from Dec. 4 through the 13.

The cultural arts program for students this month was the United Mime Workers. The group spent all day Dec. 4 at Ballard conducting workshops for each grade on the art of pantomime.

Parent Education activities for the month included a mother's tour to Haeger Pottery Inc. and Lee Wards store in Elgin on Dec. 2 and a parent education meeting for parents of Team V and Team VI children on Dec. 4.

### Field trip

Recently the geology and earth science classes at Maine East visited the Peabody Coal Co. near Braidwood, Illinois.

The field trip started at 7:30 a.m. with the students and two science teachers, Mr. Richard Guthrie and Mr. Richard Beard, boarding the buses for the trip. At 3 p.m. the students returned from the northeastern Illinois excursion.

The trip was beneficial to the geology students because at the time they were studying rocks and minerals. Also, at this time they could look for different types of rocks and minerals.

The trip was beneficial because it gave the students a chance to survey the land, to look for special land features.

### Local students plan trip to Europe

Several Maine North High School students are making plans to visit Europe this summer. They are going on a study and travel program which will take them to Madrid, Rome, Assisi, Florence, Venice, Lucerne, Lausanne, Paris and London. The program is offered by ALSG (American Leadership Study Group of Worcester, Massachusetts), a leading nationwide sponsor of overseas programs for high school students. Ms. Judith E. McGuinn, a teacher at Maine North High school, is coordinating the program locally, and will be accompanying the students to Europe as their teacher-counselor. Academic credit is available to participating students.

Local students registered in the program are: Diane R. Mosak, Arden H. Lisnek, Sharron L. Hunter, Patricia E. Cielinski, Michael C. Cielinski and Lisette M. Bellissimo.

In addition to extensive sight-seeing, theater performances, and other special activities, the program features a series of lectures, seminar visits and multimedia presentations conducted by a staff of American and European university professors, American Embassy personnel and local civic personalities. This series investigates the artistic, historical and cultural foundations of Western Man. Students also go to concerts, museums, beaches and discotheques.

There may be a few additional openings in the Maine North High school group, and any area students who are interested in joining up should contact Ms. McGuinn, at Maine North High school or call her at her home, 824-2434.

## John Fanella, computer.

There's a "device" in this room that's equipped with an immense memory bank that can receive customer complaints, sort through a maze of lines and cables, then send a crew to the trouble spot, all in a matter of minutes. That's him in the striped shirt.

His name is John Fanella and he's one of the many Edison dispatchers who are ready for action 24 hours a day, 7 days a week. Because when there's an emergency, it's the dispatcher who gets the call. He's the man who uses raw

information and his powers of deduction to estimate where, along the thousands of miles of overhead lines and underground cable, the problem lies. He's the man who then sends out the emergency crews to track it down and solve it. And because electricity is so vital to the welfare of a city, he must do all this with computer-like efficiency - whether the problem is an overloaded transformer or a tornado.

John Fanella has been through storms so bad that emergency crews had to be called in from as far away as Colorado. He's worked through the night restoring electricity

to a factory so people could go back to work in the morning. He's even sent out a man to rescue a pet cat stranded on a pole.

In a day when some companies rely heavily on the impersonal response of a computer, we're glad to have John and our other dispatchers. As he puts it, "I have the highest respect for this department and our people. They're the most dedicated people I've ever met. But you've got to be dedicated to be in this business."

Previously a teacher, a journalist and advisor to various B'nai B'rith youth organizations, Mr. Redmond's office is responsible for the educational and religious programs of the Midwest Region. His topic for the evening will be "So You Want Your Child To Be Jewish."

Guests are welcome. For further information call 966-0253.

## La Leche meeting

The Skokie Valley Chapter of La Leche League is holding its monthly meeting at the home of Mrs. Morton Igelman in Skokie, Thursday, Dec. 5 at 8:30 p.m. Mrs. John Kurinsky, a specially trained group leader, will discuss the problems related to the arrival of the new baby to the family. Tips on scheduling feedings and reducing sibling rivalry will be offered.

La Leche League is composed of nursing mothers who meet to discuss common problems. New mothers, expectant mothers, nursing babies, toddlers, and interested professionals are invited to attend meetings.

Please call Mrs. Morton Igelman at OR 5-4358 for further information.

## Volunteer services of Skokie Valley

Mrs. Herman S. (Judy) Bloch of Skokie, President of the Skokie Valley Welfare Council, has announced that the final report from a special committee which has been studying the need for a comprehensive volunteer agency to serve Skokie Valley will be made to the council on Tuesday, Dec. 10.

Mrs. Claude (Pat) Mathis, 9350 N. Nashville, Morton Grove, who is co-chairman of the special committee, has submitted copies of the report to Mrs. Bloch and other members of the Executive Committee of the Welfare Council for study before the meeting.

In accepting the report, Mrs. Bloch commended the volunteer members of the special committee for their contribution of more than one thousand hours since the summer of 1972, in conducting the study and in developing plans for the organization of a volunteer service agency.

This study resulted from a recommendation made to the Skokie Valley Welfare Council in early 1972. The council asked the special committee to conduct the study, with emphasis on finding out whether there was a need for a comprehensive volunteer service where people might register for regular, ongoing service, where agencies might request volunteers, and where needs and services could be matched, and referrals made.

A survey of community agencies to determine whether there is a need for a volunteer service has been made. Contact has been made with service clubs and other civic clubs and community groups to find whether their groups would support such an agency and whether their members might be available as volunteers.

The study has shown that there is need for an agency to provide regular, ongoing volunteer service and that community groups will support it and can provide volunteers. The last stage of the study has been the development of the necessary mechanics for the delivery of the service.

The special committee has been operating in a minimal way, since some people registered for service soon after the study began, and some agencies requested volunteers. Headquarters of the Volunteer Services of Skokie Valley have been established in the Welfare Council and United Crusade offices at

4017 Church, Skokie. The volunteer office is open for service every Monday from 9 a.m. to noon and every Wednesday from 10 a.m. to 3 p.m.

Speakers may be requested by civic, service, fraternal and other community groups.

Other members of the special committee from Skokie are: Mrs. Ray (Hilda) Berman, Mr. Bernard Kamin, and Mrs. Irwin Racine. From Morton Grove, in addition to Mrs. Mathis, Mrs. R. H. (Harriet) Bible, Jr., Dr. Arthur H. Ryden, and Mrs. John R. (Emile) Verdin are members of the special committee.

Mrs. Robert (Lois) Wordel of Niles, Miss Gladys Guyton of Glenview, Miss Claire E. Hahn and Miss Jane Wille of Evanston, and Mrs. Shirley Spears of Lincolnwood are also volunteers who have given and are giving time to the study.

## Past President's Parley

The Past President's Parley of the Morton Grove American Legion Auxiliary Unit #134 met recently for their bi-monthly luncheon session. Former leaders rotate in performing hostess duties.

Chairman of this particular function was Mrs. Ernest Jenkins, 9020 Austin. Dolores Jenkins served as president two years ago. She still remains active with the Unit in various chairmanshipes.

Mrs. Jenkins chose the Morton House Restaurant in the village for the location of her party. After luncheon, cards and games were played for the balance of the afternoon.

In her capacity as hostess, she made arrangements and sent out invitation-notices, furnished the prizes and other necessities and coordinated the day's activities.

## Niles Grandmothers Club

The Niles Grandmothers Club #699 will have their annual Christmas Party on Wednesday, Dec. 11 at Sabotinis, in Long Lake, Ill. The bus leaves at 10:45 a.m. from the Niles Recreation Center, 7877 Milwaukee ave. Our next regular meeting will be held on Wednesday, Jan. 22, 1975.

# Santa and Mrs. Claus greeted by huge crowd in Lawrencewood

[by Alice M. Bobula]  
In step with modern times, Santa and Mrs. Claus flew in by helicopter early Saturday morning, to be greeted by a huge crowd of shoppers in the Lawrencewood Shopping Center.

The event was sponsored by the Lawrencewood Merchants Association.

It was snowing, it was cold and it was wet, but the cars began coming at 9:30 a.m., a half hour before Santa was due, to a roped-off area south of MacCleen's Carwash in the Lawrencewood Parking Lot.

"We heard Santa was coming," said David Taub, 11, and 10 year old Scott Goldstein, both residents in the 7900 block of Nordica. "Even though we are Jewish, and don't believe in him, we still want to see him come in."

Mrs. Judy Koch, 8513 Normal sat in the warmth of her car with daughter Carey, 5, who was waiting patiently to tell Santa about Baby Alive.

Tiny, 7 month old Jodi, bundled up so that only her eyes were visible, waited with her father, Niles fireman Joe Margalski and her mother, Mary, for the first

Santa and Mrs. Claus pause to chat with a few of the 500 Christmas shoppers gathered to watch their arrival in the Lawrencewood Shopping Center last Saturday morning.

glimpse of Santa in his helicopter.

Sitting in a nearby station wagon were Mike Scianna, Darrell Byers and Jim Kasz, members of the Lawrencewood Merchants Association, who were hoping nothing would prevent Santa from arriving, to officially open the Holiday Season.

Impatient at the wait, 5 year old Mark Fisher, 7046 N. Franks, began scooping up snowballs under the watchful eye of his father Jack. His 4 year old sister, Ann Margaret, remained dry and warm in the car while she debated about a "Rub-a-Dub" dolly.

"Here he comes!" "Santa is here," screamed hundreds of children as the helicopter came into view, circling the area and settling down in a gusty and windy landing.

Santa came out first, carrying his bag of goodies, followed by Mrs. Santa, waving hello.

Shortly afterward, they were "at home" in Santa's house, in the former location of the Lawrencewood Colonial Shoppe, listening to requests from children of all ages.

Mrs. Sue Barrio, 7780 Nordica, visited Santa with her three children, Stephanie, 6 years; Johnny, 2 and Christine, 1. Her nephew, Alex, 10, a student at Niles Elementary South, asked for "just a few things": Pendulum Pool, a 5 speed bike, Slap Shot Hockey and Toss Across.

His aunt, 19 year old Lourdes Barrio, looks for a stereo at Christmas, she said with a laugh, as her sister-in-law added, "and a husband!"

As for Santa? He wants a helicopter for NEXT Christmas! All the youngsters received small stuffed plastic Santa Claus figures.

Santa's hours are Saturday, 11 a.m. to 3 p.m. and Sunday, 1 p.m. to 3 p.m. until Dec. 22, the Sunday before Christmas.

## College testing deadlines

Students are reminded that today, Thursday, Dec. 5, is the deadline to register for the Saturday, Jan. 11, College Entrance Examination Board Achievement Test. The fee is \$11.

If students need assistance with college testing or registration, they should see career counselor Keith Honn as soon as possible in the Maine East guidance center.

**Q. Why are there two senior citizen groups in Niles? Why are they not combined?**

**F.H.** According to Senior Citizen Co-ordinator Mary Kay McCarthy, membership in each group is limited to 125 and both groups enjoy full membership. The Senior Citizens Club and the All-America Senior Citizens each have a long waiting list.

**Q. If I called the Niles Fire Department and had to go to the hospital, would they take me to Lutheran General Hospital or to Resurrection Hospital, where my doctor practices?**

**G.F.** The Niles Fire Department takes a patient to the closest hospital, which generally is Lutheran General, said Deputy Fire Chief Charles Bobula. Since Niles does not have its own hospital, ambulance personnel are authorized to take patients to Holy Family (Des Plaines), St. Francis (Evanston), Skokie Valley (Skokie) and Resurrection (Chicago) as well as Lutheran General (Park Ridge).

**Q. Why is smoking permitted at the new Teen Center in the Trident Community Building, when it is nationally known that smoking is a health hazard and even the high schools do not permit smoking on the premises?**

**D.M.** Smoking is permitted because the habit had already been allowed at the previous Teen Center, said Youth Commission chairman Abe Selman. In making this one concession, it was thought that the Center would attract more teens. We (commissioners) may be in error and may soon take another look at the subject of smoking in the Center.

**Q. We are senior citizens who have lived in Niles for 3 years. We want to come to this new Senior Citizens Center, but we don't know anyone. What should we do?**

**D.E. and A.E.** The first step is to contact Senior Citizen Co-ordinator Mary Kay McCarthy at 692-4197 or -98, who will ask you to come in and meet others in your age group.

**Q. What funds were used to purchase and renovate the new Community Building at 8060 W. Oakton in Niles?**

**F.H.** Both the building and renovation costs (approximately \$500,000) will come out of Revenue Sharing Funds, said Village Manager Kenneth Scheel, except for the cost of a few bars of soap. Revenue Sharing Funds amount to "around \$70,000 to \$80,000" on a quarterly basis, and will end Dec. 31, 1976.

**Q. Why are there Smiley Face signs backing stop signs only at certain intersections?**

**M.R.** The Smiley signs, devised by Village Clerk Frank Wagner, were innovated about a year ago, on a test basis and put up at 6 different intersections, selected at random, with 4-way Stop signs. "We wanted to enhance the atmosphere," said Wagner. No adverse reaction has been reported, although some of the signs were removed (probably by collectors) and a few defaced. If the idea is approved, Smiley signs will be put village-wide. Right now, said Wagner, conditions are status-quo, due to other priorities.

**Q. How can I prevent solicitors from coming to my door? I have a small child and the doorbell awakens him.**

**K.C.** Post a "No Solicitors" sign on your door, said Village Clerk Wagner. The sign may be obtained at the Village Administration Building, 7601 Milwaukee ave. Should a solicitor persist in ringing your doorbell, notify the police.

## LWV to discuss school finances

The Morton Grove-Niles League of Women Voters is holding a unit meeting on School Finance on Tuesday, Dec. 10, at 9:15 a.m. at the Niles Community Church, 7401 Oakton, Niles. School Finance will also be discussed at the evening meeting at 8 p.m. at the home of member Ellen Van Laningham, 7844 Harlem, Niles.

The purpose of the League of Women Voters is to promote political responsibility through informed and active participation of citizens in government. The League is a non-partisan organization which never supports candidates, but does take a position on issues after study and consideration by its members. The financing of our schools is currently being studied by the Morton Grove-Niles League and a consensus will be reached in January.

# This Christmas, give the gift of gab.

An extension phone. For that special spot in the house where someone in your family has always wanted one.

Like the workroom. Or laundry room. Or den. You know the place.

All you need to do is call our Business Office, or drop by, and tell us which telephone model and color you want.

Then we'll give you a festive gift card that announces the phone is coming. You can put the card under the tree in time for Christmas.

We'll come by later at your convenience, and install it where you want it.

It's a neat little gift idea because it's something everyone will make use of. Yet it's so inexpensive it will hardly dent your Christmas budget.

The gift of gab. A nice way to say "Merry Christmas" And ring in the New Year at the same time.

**Urges MG residents to vote 'no'**

To the Editor:  
I find it interesting that the Village Administration chose to mail out a newsletter when it isn't election time (their usual practice), until I discovered that they have included a misleading tax breakdown on the last page. True, Park District taxes increased greatly, however the people themselves voted for the increase knowingly.

The village portion of this tax bill is said to be for increased cost of services. Such as the mayor's and trustee's having quadrupled the amount they receive for attending board meetings? Park Commissioners serve for no pay.

Their object apparently is to assist Mr. Yates in his campaign to keep the residents of Morton

Grove from having a much needed Community Center.

If our Village Fathers are so concerned about high taxes why do they feel the need to build another brick and mortar monument to themselves? They have adequate land where the police station and village hall are located. Remodeling is far less costly than a new building. As for location, if our police are doing their job well, and I think they are, they are not sitting in the station, but are out in their cars patrolling the village.

I hope that the intelligent people of Morton Grove will send in the survey and vote NO! on a misleading, slanted questionnaire. Let our leaders (?) know that it is time they stopped playing politics and vacate the streets and alleys which belong to the people of Morton Grove, for the use of the people of Morton Grove.

s/ John B. Dechert

**Niles Township  
Demos 'getting  
stronger'**

To the Editor:  
"Participatory democracy" is alive and well in Niles Township. When most politicians have given but lip service to really listening to the problems of the man in the street—sadly, too much here in Niles Township—the Niles Township Democratic Organization, headed by Committeeman Cal Sutker, is actively building a group dedicated to the idea that tolerance for the other man's point of view not only strengthens a party, but actually makes it fun to participate.

A good example was the recent post-election analysis held at a regular meeting of Niles Township Democrats. Where others would have sought to highlight their own achievements, Cal Sutker went actively out of his way to ask his party workers and volunteers, what their problems were—even when those problems might have reflected on the leadership of the organization.

What happened was a full and free airing of complaints as well as praise. One of the highlights of the meeting occurred when Mrs. Patricia Morowitz, an active Democratic leader, got up to vehemently disagree with her husband's assessment of some of the election day problems. (Women's lib is also alive and well!)

The result was not party disunity. The result was not ill feelings between Mikva people and "regulars". The result was an active attempt by Mr. Sutker and the Democrats to listen to people's problems and a successful attempt to resolve them amicably. Contrast this with one man rule and the disloyalty and ill feeling that causes.

The Democratic party is going to get stronger in Niles Township and not simply because they have a monopoly of good candidates. Very simply, if an average citizen goes to a Niles Township Democratic meeting, he will be listened to with respect. Right now, the Niles Township Democrats are "where the action is".

Sincerely,  
Lee Prince

## V.I.P. holds conference

Joanne Clark, director of V.I.P. Inc., 5151 N. Harlem ave., hostess and chairman of the National Association of Temporary Services, 1974 Regional Seminar, welcomed to Chicago representatives and leaders of the Temporary Service Industry. The purpose of the two-day conference was a sharing of information gathered in a national survey titled "The Temporary Help Industry Today."

"The spiraling cost of living directs people into temporary office positions," said Miss Clark, "so, it's important to review basic vital information recognizing today's temporary worker, and to gain further understanding in the marketing of temporary services." Free informative pamphlets entitled "Why Are Over 200,000 People Working As Temporaries This Year?" and "Why Are Over 100,000 Businesses Using Our Services This Year?" will be mailed to you upon request by calling: 774-7177 or by visiting V.I.P., Inc.

## The BUSINESS Picture

### Data General offices move to Schaumburg

The Midwest Regional Office of Data General Corporation, Southboro, Massachusetts, is expanding and locating in Woodfield Office Plaza, Golf and Meacham rds., Schaumburg, according to builder-developer J. Emil Anderson & Son, Inc., who announced signing of a long-term lease for space at Illi Plaza Drive. Data General Corporation is moving this month from present offices in the Anderson company's Touhy Office Plaza project in Des Plaines.

Data General Corporation Regional Manager James T. Morrissey indicated that rapid sales growth necessitated the expansion move. The additional space will provide for expanded Sales, Service and Applications staffs as well as the addition of a repair depot and an expanded Data Center. This is the third expansion of Midwest Region facilities since 1972 and represents a 300 percent increase over present space requirements.

The Illi Plaza Drive building is one of two 8-story buildings located at Woodfield Office Plaza - next to Woodfield Mall - in J. Emil Anderson's 325-acre Woodfield Park planned commercial development.

### Copy chief of Mills, Fife & MacDonald

James R. Coari has rejoined the creative staff of Mills, Fife & MacDonald, Inc., the Des Plaines advertising/marketing agency, announced William H. Fife, Jr., president.

Coari, who left the agency as senior copywriter in 1973, has returned as copy chief responsible for the supervision of all copywriting for advertising, collateral and sales promotion programs. Drawing on his extensive background in product/service communications, he will serve the creative needs of MEM's growing list of food service, institutional, industrial and consumer accounts.

## "Man of the Year"

Frank R. Garapolo, consultant with St. Paul Federal Savings and prominent in Chicagoland's financial and real estate communities, has been named "Man of the Year" by the Italian Chamber of Commerce, it has been announced by Jerry Scandiff, president, and Nicholas Raimondi, general chairman. He is to be honored on Nov. 30 at a dinner-dance to be held at the Marriott Hotel. Garapolo is immediate past president and director of the Italian Chamber.

He retired as a St. Paul Federal vice president in 1971, following 18 years of service which started with his appointment as Director of Public Relations.

Garapolo is past president and a director of the West Side Real Estate Board and is a member of various other real estate boards. He is active in charitable drives such as March of Dimes and American Cancer Society, and in his own community of Harwood Heights he is a director of the Lions Club, past president of the community's Police Pension Board, and member of the Zoning Board of Appeals.

### Christmas stamps

The First National Bank of Morton Grove is cooperating with the Morton Grove Post Office again this season by selling special issue Christmas postage stamps.

The 10 cent stamps, depicting a Peace on Earth theme, are available in the bank's main lobby throughout the holiday season, according to bank president Marvin von Aswege.

The service enables people to buy Christmas stamps while doing their banking and thus save themselves a trip to the post office, Von Aswege said.

Donald L. Swanson, Morton Grove postmaster, said the bank is performing a helpful service by taking some of the pressure off the post office during the hectic holiday season.

Swanson urged everyone to purchase stamps and do their holiday mailing as early as possible to avoid the rush and assure delivery in time for Christmas.

### Savings insured for \$40,000 at MG Bank

A 100 per cent increase in savings protection is now in effect at the First National Bank of Morton Grove, announced bank president Marvin von Aswege.

All savings accounts are insured up to \$40,000 as of Nov. 27 by the new Federal Deposit Insurance Corp. act, an increase of \$20,000 over the previous limit.

Von Aswege said that anyone with a savings account at the bank will not be required to do, or sign anything in order for the money to be covered up to the new amount. All accounts are insured automatically.

"This doubling of the insurance guarantee on all savings deposits means people can save at our bank with twice the safety and confidence than before," he said.

"It's another way of offering our customers the best possible banking services and security, especially in these times of economic uncertainty," Von Aswege added.

## The BUSINESS Picture

### Dempster Plaza opens Land Trust Department

The Dempster Plaza State Bank of Niles, 8720 Dempster st., Niles, announces the establishment of a new Land Trust Department, a service designed to solve problems connected with the acquisition, ownership and sale of real estate.

Roger Bergloff, vice president and cashier, said that the cost of the service is small compared to the many benefits. He noted that the new department can serve contractors, realtors, developers, and lawyers, as well as other bank customers.

Under a land trust, the title to property is held by the bank as trustee and, as lots are sold, the trustee is directed to execute deeds. This prompt action saves time, interest charges, and title costs for the developer or contractor.

Families can use a land trust since the beneficial interest can be held in trust (tenancy by husband and wife). A contingent provision can be made which will transfer the beneficial interest upon the death of the husband and wife, to their children without going through probate proceedings.

The introduction of a new Land Trust Department at the Dempster Plaza State Bank of Niles to serve bank customers, contractors, realtors, developers, and lawyers, provided the occasion for a celebration at the bank. Shown above (l-r): Roy Bergquist, Niles attorney and Chamber of Commerce member and Roger Bergloff, vice president, Dempster Plaza State Bank of Niles, show Roy Emerson, Downs Mobil Mortgage Co., Chicago, some of the benefits available from a land trust.

Out of state residents may also avoid probate delay and expense by using a land trust to manage property.

Another benefit, said Bergloff, is that a land trust can be used for

### MG Bank sells 1975 license plates

As a convenience to local motorists, the First National Bank of Morton Grove is selling 1975 Illinois license plates.

The plates, available for the regular fee, plus a \$1 service charge, are on sale in the bank's main lobby during regular business hours.

People can take advantage of the over-the-counter sale by bringing their pre-printed renewal form and 1974 registration card with them. Plates cannot be issued without these forms.

"We're pleased to again offer motorists the convenience of buying and taking their plates with them all in one quick, easy transaction," said bank president Marvin von Aswege.

### Bank encourages seniors to use mail deposit

Senior citizens having accounts at the Bank of Commerce & Industry, 6100 Northwest Highway, are urged to have their Social Security checks sent directly from the issuing agency to the bank.

"This is for the protection of our senior citizens," said Richard P. Larsen, BCI president. "Checks sent to retired people and pensioners have always been the target of mail thieves who scout an area and know exactly on what day a check will arrive. A lost or stolen check can mean weeks of delay and severe hardship to those on fixed incomes, particularly when that one check is expected to cover the costs of food, housing and medicine for that month."

Larsen said the bank is pleased to provide this service to its senior citizen customers, many of whom have helped to build Norwood Park and its surrounding area.

"All that is needed," added Larsen, "is for the senior citizen to sign a standard form which is available at the Bank of Commerce & Industry. This will authorize BCI to deposit the check in your account. The bank will keep one form on file and give one to the senior citizen who must take it to the local Social Security office. When BCI receives your check, a receipt of its deposit will be mailed to your home."

### Tie for Kunkel top sales honors

Two sales associates, Patricia Gutzmer and Ewald A. "Swanie" Swanson, have tied for the honor of top sales leader for the month of Oct., announced Ralph H. Martin, president of Wm. L. Kunkel & Co., Realtors.

A life long Des Plaines resident, Mrs. Gutzmer is an Associate-Realtor member of the Northwest Suburban Board of Realtors. She has also completed the Leadership Technique's Institute, Salesman's Work Shop in Chicago.

A resident of Des Plaines for 22 years, Mr. Swanson has been a Des Plaines 6th Ward alderman since 1963. He is an active member since 1951 of the Elk's Lodge #1562 and for the past eight years of the Lion's Lodge.

### Free tickets available for Women's Expo

The BUGLE will make tickets to Woman's Universe Expo '74 available to local women as a community service, at no charge.

Women's Expo opens at McCormick Place Wednesday, Dec. 11, and will be in progress thru Sunday, Dec. 15, from 11 a.m. until 11 p.m. daily.

It will feature singer Barbara McNair and WMAQ personality Joel Sebastian, who will broadcast live from the expo site daily. Also featured will be radio and television stars, stage presentations, live entertainment, fashion shows, professional topics, international exhibits, sports demonstrations, educational programs and consumer seminars.

Other highlights will include free cooking, tennis, yoga, photography and guitar lessons.

A special feature of the event will be the Illinois State Lottery drawing on stage Thursday, Dec. 12.

Women who want to attend expo are asked to call The Bugle at 966-3900 and report the number of tickets their party needs and the person who will pick them up at The Bugle news office, 9042 N. Courtland ave., Niles FREE of charge. Tickets will be distributed until our supply is exhausted.

### First charge automatic loan service

An automatic credit service that enables a checking account customer to write his own loan is available at First National Bank of Des Plaines, announced Arthur R. Weiss, president.

Called First Charge, this convenient credit service acts as a loan reserve extension of a bank customer's checking account. It allows him to draw on it whenever he requires extra cash.

A First Charge do-it-yourself loan is easy to make, explained Weiss, once the customer qualifies. If, for an example, he needs additional funds to take advantage of a bargain, the customer merely writes a check as he normally does. If the amount is over his balance, First Charge automatically deposits money in increments of \$100 in the customer's personal checking account so that he will not be overdrawn. As the customer repays his First Charge loan, it is automatically renewed to his full line of credit. A monthly statement is sent out reflecting the current status of each customer's First Charge line of credit and personal checking account.

Among the benefits of First Charge, Weiss emphasized, is that it frees the individual from worry about credit approval, enables him to arrange his own loan whenever extra money is needed and no one need know he is using credit. In addition, First Charge costs nothing until it is actually used and the bank provides credit life insurance on the customer's credit line at no additional cost.

For more information on First Charge, visit First National Bank of Des Plaines at 733 Lee st. or call 827-4411.

### Notre Dame 1974 football awards

At the annual football awards night held at Notre Dame High School on Nov. 25, seven seniors were announced as special award winners. The awards were announced by Francis Willett, Athletic Director and head coach, and assistant coaches Alan Loboy, Anthony Kozole, Joseph Petricca, and Donald Heldmann.

Brian Burke of Skokie was awarded the Most Valuable player trophy. He also received recognition in the East Suburban Catholic Conference as All East, and special mention as All Area.

The award to the Most Improved Back went to Don Faber of Northbrook. He also was recognized as the Best Offensive Back.

Mike Antonczyk of Glenview received a trophy as Most Improved Lineman.

The Best Offensive Lineman of the season was Dave Allegretti of Niles.

Tim Walsh of Chicago was announced as the Best Defensive Back. He also received recognition as All East in the conference and special mention as All Area.

Ken DePaola of Chicago was awarded a trophy as the Best

Defensive Lineman. He was also the third senior to win All East in the conference and received honorable mention as All Area.

The seventh senior was Mark Kane of Niles who was recognized as the Best Defensive Linebacker for his 97 tackles during the season.

Awards were also given to 45 other varsity and junior varsity members.

Thirty-five sophomores also received their awards the same night from their coaches: William Casey and John Schroeder.

### Notre Dame announces Illinois State Scholars

Fifty-two seniors at Notre Dame High School in Niles have been named as Illinois State Scholars by the State Scholarship Commission. Principal Rev. Milton N. Adamson, C.S.C., announced that each scholar will be sent a Certificate of Merit. All can be considered for a monetary award up to \$1,350 to be used toward tuition and fees at one of the 180 approved public or private colleges in Illinois. However, they must submit an application thru the school.

These seniors comprise twenty per cent of this year's class of '75 which totals 260 boys. This percentage has been rather consistent thru the years.

Those named are Ken Bargo of Chicago, Paul Basile of Park Ridge, Gerry Bertacchi of Chicago, Steven Borkowski of Niles, Gary Brown of Niles, Patrick Buckley of Morton Grove, Pete Calabrese of Morton Grove, Arthur Clem of Des Plaines, Cary Conley of Park Ridge, Tom

**From the LEFT HAND**

Cont. from Page 1

Because the matter was never discussed with the guys who are most affected by the change, and because Blase's bullish tactics always raise suspicions, some of the guys in the departments are hanging on to rumors which sound absurd.

Presently, the men in both departments can retire at age 50 with a pension of 50% of their retirement income, after serving 20 years. Each succeeding working year, they receive a 1% increase to a maximum of 60%. Salaries today average around \$16,000.

Several of the guys mentioned they're fearful the village might change the rules. It might arbitrarily change the retiring age to 55 or might change the minimum number of years to 25. They felt they had due cause for alarm.

Because we go to press Wednesday afternoon, we can't report on meetings the two departments will hold Wednesday night. But it is expected both departments will pass resolutions which will be forwarded to the administration.

Typical of rumors, one public servant suggested the village might grab the money and purchase a shopping center which would then be used to consolidate all of Niles facilities. While such a rumor is outlandish, such scuttlebutt generally results when officials act in such an arbitrary and unthinking way.

Since the guys on the department have been contributing to the fund for so many years, you'd think Niles officials would first sit down with the men and thoroly air the matter.

We really doubt Niles' officialdom is trying to put a fast one over on the guys who make the town tick. But fears can't be allayed when Blase bombastically runs a one-man show.

The new home rule section of Illinois' constitution is aimed at giving local government more local control over its community's destiny. But when the guy on top tries to run the show all by himself, the home rule is bumped into by one-man rule. And all sorts of confusion, unnecessary rumors and much wheel-spinning results. Taking home rule actions in such an arbitrary manner is neither helpful nor lends confidence to government officials' actions.

**Oakton** ... Continued from Page 1

During the past 3 months about 40 parents and students have been seeking an "on hands" program in the auto mechanics field. Presently they only have a theoretical class which does not include the actual working on an auto or its parts. After several meetings requesting the changes, the Board responded to the requests of the vociferous group. But the slow wheels of bureaucracy, which required the approval of the curriculum committee, delayed the requests. Led mainly by Loska and supported by board member Flynn, the lab program was finally approved.

Flynn sought to have hot water brought into the intended lab classroom but all budgetary matters concerning the program will be studied in committee.

In other Tuesday night actions the administration outlined an extensive self-study program which is being undertaken as a requisite for receiving membership in the North Central College Association. It is expected the 4 year quest for membership in the official accrediting group will be culminated by the spring of 1976. The study will concern itself with the instructional effectiveness and the overall effectiveness of Oakton College. While most colleges are accepted for membership the first time they apply, President Koehnline said the study committee will "run scared" implying a thorough and complete comprehensive study will be undertaken.

While the analysis of the study is intended to be a review of the college and its programs, it was emphasized-it should be critical as well as positive. Remedies of this criticism will also be included in the study.

In still other actions board member Tom Flynn submitted 3 resolutions to the Board which were scrutinized. Flynn recommended only Illinois companies be allowed to bid on college contracts with the exceptions of products which are custom-made and handmade. Because the resolution may conflict with seeking the lowest acceptable bid, the resolution was referred to committee for further study.

A second resolution by Flynn for a professional management study of the college was also referred to committee. Flynn said it would cost about \$10,000 but Board chairman Hartstein contended the figure may be closer to \$40,000 to \$60,000.

Flynn was cut-off in the middle of a sentence when he resolved a part-time instructor, Aaron Jaffe, not be allowed to teach in the college. Flynn lost a bid in the state assembly in November and has vocally opposed fellow-Democrat Jaffe, who won reelection. When Flynn brought up the subject he was ruled out-of-order since all firing and hiring of personnel is discussed in closed executive session.

Breaststroker too much for ND Aquadons

The Notre Dame High School swim team won six out of the eleven events but bowed to the host school East Leyden by one point (42-41) in the final event on Friday, Nov. 29.

East Leyden began the meet placing first and third in the medley relay taking a 7 to 3 lead. Notre Dame pulled to within one point as Ed Zonsius won the 200 yd. freestyle and Eric Otten placed 3rd. A one-two finish by Brian Walsh and Jeff Stahl of Notre Dame in the 200 yd. individual medley gave Notre Dame a 14-10 lead. The next two events proved to be an even trade as East Leyden swept the 50 yd. freestyle and Notre Dame the diving as Don Knill and Craig Zebold placed first and second. Ed Zonsius, capt. of the Dons won the butterfly event for his second win of the meet but East Leyden swept the 100 yd. freestyle event to tie the meet at 26-26.

Brian Walsh won his 2nd event of the meet and Eric Otten placed 2nd in the 500 yd. freestyle. Tim Burke followed with a win in the 100 yd. backstroke to give Notre Dame the edge 36-30. East Leyden took 1st and 3rd in the 100 yd. breaststroke to set the stage for the final event, the 4 X 100 yd. freestyle relay. The score was Notre Dame 38, East Leyden 35, and 42 pts. would win the meet. East Leyden needed 1st place (6 pts.) or either second place (3 pts.) or third place (1 pt.) to win the meet.

A first place by Notre Dame in the final event would give the Dons the victory but having lost the 50 and 100 yd. freestyle events this did not seem likely. 'I placed our two best freestylers, placing Ed Zonsius on the A-relay and Brian Walsh on the B-relay to give us a better chance at taking 2nd and 3rd place giving us 4 pts. and the victory', commented Coach Casey of Notre Dame. The idea to be working after 3 legs of

of the freestyle relay. East Leyden's A-relay was winning and both of Notre Dame's relays were neck and neck with East Leyden's B-relay as the final leg began. All three swimmers, Ed Zonsius and Brian Walsh of Notre Dame and George Vanderheyden of East Leyden, left the starting block at the same time. 'It was our two best freestylers against their breaststroker. But a tremendous effort by East Leyden's Vanderheyden beat us', stated Coach Casey after the meet. He split a .55 sec. for his leg of the freestyle relay touching Notre Dame's B-relay giving East Leyden a 3rd place and the one point victory (42-41).

Notre Dame bounced back on Saturday to place third in the Relay Meet at St. Viator's in Arlington. The Dons failed to win any of the 14 events that were dominated by St. Viator. Wheeling H.S. place second in the meet. Notre Dame swims at Maine North, Friday, Dec. 6, at 4 p.m. at Maine East Pool.

Table Tennis Tournament

## Save on Rare and Replica Coin Collections

### A Great Gift Idea!

Skokie Trust and Savings is proud and pleased to offer a distinctive collection of rare and replica coins to its Savers.

Beginning December 1st, we will place on display in our lobby, ten individual collections. Each represents a unique collecting achievement related to an important facet of American history.

Several of the collections include actual out-of-mint coins, worth many times their face value. Other collections contain strikingly beautiful replicas of precious coins held only by private collectors and museums.

Each collection is enhanced by a vivid color background relating the historic facts surrounding the coins. A beautiful wood frame sets off the display while a glass front and felt backing protect it.

DISPLAY NAME	RETAIL
1 - U.S. Dime	\$10.00
2 - U.S. Quarter	\$10.00
3 - U.S. Half Dollar	\$10.00
4 - U.S. One Dollar	\$10.00

**Baby takes a bow**

Nicole Markowitz, although only four years old, found out that there is happiness in doing something for others. The variety show put on by Nicki and thirty other dancers of Dee Dee's Dance Studio in the Golf Mill Shopping Center cheered up the residents of the Glenview Terrace Nursing Center on Sunday, Nov. 17. All performers were called back for bows and all are anxious to return for an encore.

**'Messiah' soloists**

Tom Miller will be the bass soloist in Messiah this year at Maine East High School. He is involved in many extracurricular activities at high school which included soccer and his involvement with many of the musical activities and intramural sports after school.

Singing is a great enjoyment for him and has kept him in concert choir for three years.

Presently a junior at Maine East he hopes to attend the University of Wisconsin at Whitewater with a major in Pre-Dental medicine.

Alto soloist Patti Laman, who is a senior at Maine East, has been enrolled in the music program for 4 years. She has taken private voice and piano lessons and is a member of Tri-M, an honorary club for outstanding music students at Maine East. She belongs to Madrigal, a group of 20 choir students, who perform out of school. Besides having musical interests, Patti is a cheerleader and on the Girl's Swim Team. Miss Laman holds an A average in academics and plans to go into nursing after high school.

Soprano Leslie Goodman, student of the Music Center of the North Shore will be singing the soprano solo for Handel's Messiah which is being performed at Maine East high school on Sunday, Dec. 8 at 2 p.m.

Miss Goodman, a junior at Maine East high school, is a student of voice teacher Sheila Harms and studies piano with Emilie Del Rosario, both teachers of the Music Center.

She has been studying voice for 3 years and piano for 10 years. She has won competitions both in piano and voice with the Society of American Musicians.

### Maine East senior prom activities

"The Hands of Time" will tick away as the Class of '75 at Maine East holds its senior prom at Henri's in Rosemont on June 6. Prom chairmen are Chuck Bryda and Eda Di Prima. Table decorations will be done by Maribeth Cleary and Eva Dragon, and publicity chairmen are Carole Markin and Debbie Glick. Julie Olson and Melinda Seal are in charge of seating, and bids and invitations will be handled by Sue Magnuson and Marie Clemente. Leslie Leske is the entertainment chairman, and this year's senior prom will offer something different. Two bands will provide constant music. The "Rhythm Heirs" and "Variation" are tentatively scheduled. Money for the prom will come from a number of sources. The

WMTH-FM

This is WMTH returning to the air waves with another day of broadcasting. With this, another broadcast day begins at WMTH-FM (88.5), owned and operated by the Maine Township High Schools. Here at Maine East, general manager William Mitchell operates the station with his staff of 37 students. The students do most of the work, which includes disc jockeys, control room operators, and engineers. Mr. Mitchell's main job is to see that the station is run smoothly.

Our chief purpose here at WMTH is to aid students wishing to make a career out of broadcasting as well as providing the Maine Township area with an interesting and informative radio station, he said.

Some of the broadcasts which make WMTH "interesting and informative" include news (local, national and international); Current Comment (a talk show in which students interview guest speakers); Sounds from the Underground and the Twin Eight Survey. The station also does live coverage of Maine sporting events.

Although Maine East houses WMTH's transmitter (which sends out a 10 watt signal), broadcast time is shared with Maine North, South, and West. This is done through special telephone hook-ups which connect the stations of North, South and West to the transmitter at East.

#### "ANNE FRANK: DIARY OF A YOUNG GIRL"

"Anne Frank: Diary of a Young Girl" will be presented by Maine North's International Thespians on Thursday, Dec. 12; Friday, Dec. 13, and Saturday, Dec. 14. The two-act play reveals the sensitivity of a young Jewish girl during World War II as the Nazis occupy her native city, Amsterdam, Holland. Barb Rasmussen will portray

### ED HANSON

"Love Is A Lot Of Dame Foolishness"

Upon the subject of "love" you can't fool an old fool like me. For among my many brilliant accomplishments I also possess a master's degree as a loveologist. Here are some timeless and immortal thoughts about this subject which you can paste in your medicine cabinet. Love is the softening of the heartier. Love is a heart attack. Love your enemies; it will drive them wild. Love is a verb, too-not just a noun. The first sigh of love is the last of wisdom. Love is a comedy of Eros. Love is the triumph of imagination over intelligence. There is no difference between a wise man and a fool when they fall in love. Love is the gross exaggeration of the difference between one person and everybody else. Love is the only game, or indoor sport, in which the amateur has a better chance than the professional. Love is the egotism of two. Love is the only game where two can play and both can win. Love is the bait in the trap set for the celibate. Love is woman's eternal spring and man's eternal fall. It's cheaper to have loved and lost. Love is an ocean of emotion, entirely surrounded by expanses of expenses. Love is the secret of perpetual emotion. Love is the only folly of a wise man and the only wisdom of a fool. Love is simple; begin, beget, begone. Love is like a rose: each petal is an illusion, each thorn a reality. Love can hope where reason would despair. Love is emotion in motion. The language of love is silence. No matter if our future belongs to the robots and machines, love will always be man-made. Love causes a man to be taken with a girl; after, he is taken by her. Love is blind. And dumb, too. Love is war or better still, a "Blisskrieg." Love, like ivy, is clever in attaching itself to any support. True love can survive anything but suspicion. Love is something we cannot buy, yet always pay for. Love is a disease you cannot catch without being exposed. Love is the noblest frailty of the mind. When a man is completely out of his mind, there is a woman in it. Every goose is a swan in the eyes of it's lover. Many a maid who loves a man from the bottom of her heart finds room for another at the top. Love is like the measles-all the worse when it comes late in life. Love reasons without reason. Love is often an extra car key.

A little 13-year old girl, Lisa Kaechele of Glenview, wrote the following letter to the gang at the FIRESIDE INN of Morton Grove:

"To my terrific friends at the FIRESIDE INN: I won the bike. It's a beautiful pale yellow Murray 10-speed and rides great. The last two books I sold Thursday night enabled me to beat out my nearest competitor with a personal total of ten books, and your generosity in buying almost six! Thanks again to the best raffl promoters ever. (Signed) Lisa Kaechele. Glenview. Lisa also listed the following names in her letter: Bill Kimball, George Ulander, Robert K. O'Neil, Dave Steinheger, Jim Bryant, Ro: Frey, Bert Loob, Chris Boyce, Sally Falknor, Mimi Mueller Sandy Van Alstine, Jill Bernstein, Sarah Winn, Kathy Monoc Harley Parkhurst, Harry Campbell, D. Wakely, Mr. Marshall W. Vanalphen, Chas. Thompson, R. Cerwin, and L. Huritz. The books of raffle tickets little Lisa was selling were for the annual holiday ball for Our Lady of Perpetual Help Parish, a very worthy cause. Lisa is a good sales girl and judging from her letter, a very intelligent little girl, too. It just goes to show that there are a lot of nice people in this mean old world-after all.

Last reminder: Don't forget to attend JAKE'S RESTAURANT's big third birthday celebration next Mon. & Tues., Dec. 9 & 10. There'll be FREE coffee and cake 24 hours a day those two big days. A gala party is planned and everyone is invited. There'll be three items from JAKE'S regular menu at half-price and FREE wonderful birthday gifts for everyone. SO MAKE A DATE WITH JAKE! You'll have the time of your life and you'll LOVE, LOVE, LOVE it!

Ted's Early Times Restaurant of Niles hosted a big German wedding last Friday night. I'll have a story about it next. I must say I certainly enjoyed my dinner, and so did my companion. TED'S EARLY TIMES really puts out with the good home cooked food and at very reasonable prices, too.

### 'The Cowardly King'

### Contemporary chamber ensemble

Tired of listening to classical music? Maine East's music department now has a volunteer contemporary chamber ensemble sponsored by music teacher Tom Hageman. The students involved in this group are Marty Swiderski, Ellen Garoshnik, Jeff Abrams, Fred Rickett, Rick Donzalski, and Rick Kruse. The music consists of avant garde, which is basically new sounds, chance music, and improvisation. The ensemble has already taken one field trip to Evanston High School, partaking in a contemporary music clinic conducted by Paul Zonn, chairman of music theory composition at the University of Illinois. During the clinic Maine East performed the selection "And It Comes Out Here," by composer Thomas Albert. Mr. Hageman feels that students should be exposed to this type of new music and hopes to have a performance at Maine East sometime in December. The ensemble meets on Thursdays after school.

### Let's Eat Out

### 'On Borrowed Time'

Because of the very warm excited reception of our current production *On Borrowed Time*, we are happy to announce that we will perform two extra showings. The play, which opened on Nov. 11 at the Country Club Theatre in Mt. Prospect will now be shown on Nov. 25 and Dec. 2, 16 and 23 at 8:30.

This warm hearted comedy is perfectly suited for the Holiday Season. Genie Campbell (critic for Paddock Publications) recently said, "On Borrowed Time has been returned to the limelight." And "members of the Chicago Group Theatre Company are doing a fantastic job!" Tickets are going fast, so if you want to see this loving show get your reservations in fast! The number to call is 259-5400, and the price is only \$2.50.

Because of our extended run and our limited rehearsal time our next production *Death of a Salesman* will not open till after the new year. The exact dates will be announced at a later time. We are also offering a special combo. Lobster or a Surf and Turf dinner plus their great show for only \$9.

Left to right: Leslie Goodman, Morton Grove; Greg Millar, Park Ridge; Tom Miller, Des Plaines; Patti Laman, Niles; Barbara Hough, Morton Grove; and Cheryl Yesnick, Morton Grove.

### CONCERT

A contemporary big band which has been recognized as having some of the country's finest musicians will be in concert in the Northwest suburbs this week. Dave Remington's Big Band Sound, a 16-piece jazz oriented group, will be in concert at Maine North High School on Thursday, Dec. 5, at 8:15 p.m. To reserve a seat call 298-5500 ext. 211 or one may purchase a ticket at the door. Admission is \$3. The concert is sponsored by the Maine North Music Department and the Fine Arts Boosters.

## Reading Club activities

Frankenstein is waiting for you in Sigma Chi Sigma this year at Maine East. That's right, the first novel to be discussed by the reading club is Mary Shelley's Frankenstein.

Some of the other activities planned are a Christmas party, the annual volleyball game against Mu Alpha Theta, bake sales, and an end-of-the-year picnic.

The club officers are president, Tom Wethekam of Niles; vice-president, Jack Ferracane of Morton Grove; secretary, Toby Hibnick of Morton Grove; and treasurer, Jill Anderson of Park Ridge.

The club is open to any Maine East student who scores at or above the 90th percentile on a nationally standardized reading test on vocabulary and comprehension. The test is administered in the Reading Center. Interested students should make an appointment with Mrs. Vivian O'Donnell.

All the books to be discussed are chosen by mutual agreement between members and sponsors.

# OCC broadens program for senior adults

Oakton Community College announced this week a new and broadened college program for senior adults in the community.

Called Gray Matters, the program has been organized to enable the senior citizen to experience and participate in the social and intellectual activities of a college environment, according to Dr. Harvey Irlen, Dean of Learning Cluster Three.

Gray Matters will include regular courses, discussions, mini-courses, and other outreach activities for the senior adult of Community College District 535 which included Maine and Niles Townships.

An organizational meeting of an advisory committee to assist in planning and implementing the new program was held on Wednesday, Nov. 30.

Dr. Irlen listed the following programs which will be included in Gray Matters at OCC:

...Credit courses both on the Oakton campus and at various senior citizen centers will be offered.

...Mini-courses (8-week non-credit lecture series) will be offered at various community locations.

...Seniors will be asked to serve as campus "voluntary consultants" - resource persons - for the Oakton faculty to draw upon in class lectures and discussions.

Residents of the Oakton Community College district who are 60 years of age or older can enroll in courses at OCC at one-half of the regular tuition fee.

"Seniors are a valuable resource," Dr. Irlen said. "For this reason, we are urging them to volunteer their services as consultants and resource persons as well as students, for Oakton faculty members. They will be invited to offer advice to faculty in planning classes and to give class presentations in disciplines related to their work of life

experiences and professional training."

Oakton will offer five college-credit courses as a part of the Gray Matters program. A tandem of Communications 101 and Psychology 105 for five credit hours, taught by Mary Jane Ziegler, lecturer in communications; and Bonnie Agnew will be held on Monday, Wednesday and Friday mornings from 9:30 to 11:20 on the OCC campus. Carol Davis, assistant to the vice president for student development, will teach a 2-credit hour Psychology 105 on the OCC campus on Tuesday and Thursday morning from 11 to 12:15.

A class in Humanities, taught by Mary Mittler, assistant professor of communications, will be offered at the Mayer Kaplan JCC in Skokie on Monday and Wednesday afternoons from 1:30 to 2:45. A World History course will be taught by Dr. Dennis Lamping, assistant professor of history, at the Skokie Office on Aging on Monday and Wednesday from 1 to 2:15 p.m.

Members of the Gray Matters Advisory Committee are Peggy Gilmour, Coordinator; Senior Council, Skokie Office on Aging; Max H. Green, a Skokie resident and student at OCC; Alexander Krusel, Director, Maine-Oakton-Niles Adult and Continuing Education Program; Carol Lutz, Coordinator, Dimension 60 Program, Citizens Bank and Trust Company, Park Ridge; Mary McCarthy, Senior Citizen Coordinator, Trident Community Center, Niles; Grace Ralcano, President, Skokie Senior Adult Jewish Community Center; Ruth Robins, Skokie resident and student at OCC; Shirley Spears, Director, Senior Adult Center, Leaning Tower YMCA; and Rose Wovell, Supervisor, North Suburban Area Senior Adult Department of the Jewish Community Centers of Chicago.

## Don Knotts In "Norman, Is That You?"

Arlington Park Theatre producer, David Lonn, has announced that Don Knotts will open on New Year's Eve in the comedy, "Norman, Is That You?". There will be two performances on that festive eve, at 6 p.m. (\$12.50) and 9:30 p.m. (\$15); as is the custom at the Arlington, the late show includes party hats, noisemakers, and a champagne toast with the star and cast at midnight.

There will not be a performance on New Year's Day, Jan. 1. Regular performance schedule will resume on Thursday, Jan. 2, 8:50 all tickets for the engagement which plays thru Sunday, Jan. 19.

Due to the New Year's Eve opening for this production, and its brief three week tenure, no press night is scheduled.

## MC Citizens Party open house

The Morton Grove Citizens Party will hold its annual open house Sunday, Dec. 8 according to Edward L. Wilander, Citizens Party President.

"We expect this Sixth Annual Holiday Open House to be the biggest and best in the history of the Citizens Party," Mayor Julie E. Bode commented.

The committee of officials, composed of Clerk Fred C. McClary, Trustees John B. Hillkin, David S. Cohen and Herbert F. Houndt, along with Mayor Bode and Wilander has once again selected the Morton Grove American Legion Post 134 home at 6140 Dempster st. as the site of the party.

Vice Presidents Nate Brenner and Carson Gallagher are in charge of arrangements, and the Woman's Auxiliary, under the direction of Merle Glick, Juanita Goldberg, Wilma Wendt and Marcela Usack along with Dena Anastos, Wanda Ames and the wives of the village officials will furnish decorations and refreshments.

The publicity and public relations committee composed of Milt Erickson, Charles N. Anderson and George Iwick extends an invitation to the public to attend the event between the hours of 2 p.m. and 6 p.m.

## Orchard Village benefit

A fund raising vacation is being planned to benefit Orchard Village, the live-in facility at Grass Point and Marmora for Niles Township mentally retarded young adults who can cultivate their skills and abilities while maturing into a productive, contributing member of society.

The trip is scheduled for April 21-25 of next year and is to that fun city of Las Vegas. It would be a perfect Christmas or Hanukkah gift. The total cost of the Monday to Friday fun vacation is only \$233.

Tourists will stay in the Tower Rooms of the Riviera Hotel. Breakfast is included each morning. Vacationers are free to plan their night club and other sight seeing activities upon arrival; however, the tour directors will aid those in selecting and making reservations for events of interest. A brochure is to be mailed out before departure listing all the celebrities to appear during the group's stay.

The vacation plan includes round trip air fare between Chicago and Las Vegas, all transfers, taxes and tips.

The Las Vegas trip is being planned by Fun Makers, Inc., who in the past have coordinated such vacations with the Morton Grove American Legion Post #134.

# Delay Riggio petition for expansion

**[By Alice M. Bobula]**  
 A petition to expand and remodel Riggio's Restaurant, at 7530 W. Oakton, was continued to a Dec. 18 hearing by the Niles Plan Commission last Nov. 27. Petitioners were told to update a parking layout to one that would meet the present requirements of the village.  
 Ramifications of side street parking, early morning noise-making and cooking odors, objected to by neighboring residents, would be discussed also at the December hearing, said zoning and plan commissioners.  
 According to John Duffy, attorney for Riggio's, the petitioner intended to double the area of the existing building, adding a cocktail lounge, foyer and lobby, but with no apparent increase in seating area.  
 "It's the first time," observed zoning comr. Charles O'Grady wryly, "that we have been informed of a business which intends to double its business area, yet claims no increase in business."  
 Remodeling was necessary to upgrade facilities, said the petitioner and expansion on the main floor was necessary in order that the lower, basement area might be closed off.  
 Commissioners objected to the possible re-opening of the lower eating area, which would violate

Niles code regulations, with regard to insufficient parking allowance for the increased patronage.  
 Objections to the expansion of Riggio's came from several nearby residents on Oriole. Both claimed inaccessibility to their homes because of customer parking on Oriole. They also objected to the strong cooking odors from the restaurant. "Expansion of the restaurant would double the restaurant odors." The use of abusive language and disorderly conduct was also noted by the residents, but denied by the petitioner.  
 In a second action, zoning commissioners approved (reluctantly, they said) a rear yard variation reduction from a required 40 feet to 34 feet for two additions to the home of Steven Arnstein, 9956 Huber Lane. The motion was predicated on the use of masonry rather than cedar siding on the additions.  
 Commissioner Ken Cohen, in approving the reduction in variation, commented on the increasing number of petitions asking for reducing side and rear yard requirements.  
 "There's no point in having a law if we permit variations from the required footage in our code," he said. "We can expect an increasing number of petitions," he warned the zoning

board. "Money is getting tight and instead of moving to another location for a larger home, residents will be coming in for permits to expand and construct additions to their present home."  
 Building director Joe Salerno was directed to make a recommendation for a fixed variation to be presented to the board in the near future.

 When Dr. Majarakis joined the Center in 1949, it was a part-time clinic checking several hundred persons a year for cancer. Now it is a full-time overall health screening facility, examining 22,000 area residents in 1974 alone. Handling up to 100 examinees a day, the Center is the largest such facility in the world.  
 In 1971, Dr. Majarakis became one of the first physicians in Chicago to work with a multiphasic health screening system, when the Center became the first facility in the city to use this method.  
 Center Medical Director, Dr. Angelo P. Creticos, explained in a recent interview, "Multiphasic screening utilizes a computer and the most modern medical technology as an aid to the physician. It enables us to give a thorough physical examination in about 3 1/2 hours per person.  
 Complete results are sent to the examinee's family doctor, who can spend his time diagnosing and treating any problems discovered here."
