6 Niles policemen cited for meritorious action

Six Niles policemen were credited by Chicago police during June 1st ceremonies in Chicago for "outstanding police action."

Receiving recognition were Niles police officers John Katsoulas, Lee Elsing, Robert E. Klein, Vincent Pelletiere, Donald F. Matuszak and Ben J. Hertmann.

Chicago Police Commander Michael M. Cooney of the 16th District presented plaques to each of the policemen, commending them "for meritorious police action rendered the Chicago police department on Feb. 8, 1976," during the June awards at Northwest Hall, 4848 N. Central ave. in Chicago.

Such recognition is rendered

only for unusual circumstances said Chicago Neighborhood Relations Officer Richard Kunicki last week. The last citation for services was made several years ago, he added.

The Niles policemen were credited with saving the life, Feb. 8, of a man who was trapped in a fire at the Ryan Travel Agency at 7218 W. Touhy, on the borderline

between Chicago and Niles.

William Lahey, 31, of Chicago, who suffered burns on 35% of his body was later charged with burglary by Chicago police after they found an electric typewriter belonging to the travel agency in the trunk of Lahey's car. The police also found bolt cutters and empty containers smelling of gasoline in the trunk, they said.

Off-duty Niles officer Vince Pelletiere, enroute home from the nearby police station reportedly saw the agency fire at 11 p.m. Sunday night and contacted Officers Katsoulas and Elsing who were nearby in a patrol car.

The three officers reportedly ran to the back of the flaming building where they saw Lahey

Niles erects NORCOM monopole

(by Alice M. Bobula)

Plans to raise a 100 ft. high antenna monopole Thursday morning, July 29, near the entrance of the Niles Police Station, 7200 Waukegan Rd., were complete according to an informed police source on Monday.

The aerial monopole is one of five satellites planned for Niles in preparation for the new relay type radio communications system (NORCOM), which will link 13 north suburban police

departments. The radio system is expected to go into operation near the end of September.

Excavation of a 9 ft. deep, 8 ft. wide hole was begun at the side-front of the station several weeks ago to serve as a base for the monopole and the 11 1/2 cubic yards (about 100,000 lbs.) of concrete poured into it to hold the pole, which is 16 inches in diameter at the base and tapers to

Mikva town meeting in Morton Grove

Morton Grove residents will be able to meet with Congressman Abner J. Mikva at a "town meeting" at 8 p.m. Sunday, August 1 in the Mansfield Park Fieldhouse, 5830 Church st.

The meeting, the eleventh in a series that Mikva will hold with the residents of every community in the 10th Congressional District, will enable constituents to discuss issues with the Congressman and will enable Mikva to report on his activities in Washington and the 10th District.

"As we celebrate our nation's bicentennial, one of the most frequent complaints about our federal government is that it has grown too remote and unwieldy since its birth 200 years ago," Mikva said.

"One of the ways to remedy this is to return to the fundamental concepts -- such as town meetings -- that provided the foundation for our government. Town meetings provide the ideal forum in which constituent and congressman can discuss problems and exchange ideas -- the very type of feedback that our representative form of government requires," the Congressman added.

POLLUTION COMPLAINT

A complaint of environmental pollution at the Professional Building, 5940 Touhy, was made last week, said police, by a neighboring resident who said that burning debris was creating black ashes and soot in the area.

The manager of the Pryor Corporation told investigating officers he would refrain from burning anything in the incinerator but that other tenants in the building may be violating the 8-year-old Environmental Pollution ordinance of the village.

The complaint was turned over to the village Health Bureau said police who further stated they will maintain a special watch in the area.

LOST AND FOUND

Police said a Niles cyclist had his watch taken while on the bike path Tuesday, July 20 and later found it discarded on the path near Coca Cola.

The youth had put the watch on the handlebar of his bike and left to play with his friends said police. Three other youths came along and the watch and one youth disappeared.

Police and the victim toured the area without success until an hour later when the watch was found discarded and lying on the bike path, with no apparent damage.

ARMED ROBBERY OF OAK MILL FOODS

A lone gunman held up the Oak Mill Foods health store, 8062 Milwaukee ave., Tuesday, July 20, taking 2 rings with a total value of \$3,700 and \$4 in currency.

Police said two clerks were in the front area of the store when a man entered, walking to the rear of the store to look around. Seconds later he walked up behind a sales clerk, stuck a small calibre blue revolver in her back and announced, "This is a holdup."

Both women were taken into a rear office where they were ordered to lie flat on the floor and their feet were tied with wire. The gunman took wedding rings from each of women and \$4 in cash from a desk drawer.

Police described the gunman as 35 to 40 years old, 5 ft. 5 inches tall, black hair and having a thick moustache. He was wearing a dark blue suit and carrying an attache case.

CIGARETTES AND MONEY STOLEN

Thieves pried open the door to the cigarette machine Saturday at 7247 Milwaukee ave., according to police, taking \$70 in change and 10 cartons of cigarettes valued at \$40. An unsuccessful attempt was made to also break into the soda machine, said police.

HAVE SUITCASE, WILL TRAVEL

Police said a suitcase and its contents valued at \$33 were taken from the Capri Motel, 7120 Milwaukee ave., on Saturday. The motel manager said the owner of the case had set it down momentarily by the coke machine and returned to find the case gone.

PEEPING TOM

A 16-year-old youth who was observed kneeling and looking into the bedroom window of a house on Niles ave. told police he was looking for a pipe which he used to smoke marijuana.

BEER, POP TAKEN IN JEWEL-OSCO THEFT

A cartful of beer and pop was allegedly taken from the Jewel-Osco store at 8730 Dempster st. close to midnight on Saturday.

Police said a store employee was gathering shopping carts outside the store when he saw 2 men unloading the beverages into the back of their car.

Noting no bags or orange disc, signifying purchase, the employee reported the incident to the store manager, who was unable to determine the amount of loss.

BIKE THIEF NABBED

A 20-year-old Des Plaines youth was arrested and charged with theft of a bicycle from a Niles resident on the 8900 block of Washington.

Police said they received a call of a bike theft in progress on Sunday. On answering the call, Niles police officer John Katsoulas noted the description of the offender broadcast over the police radio matched that of a man walking away from the scene.

The suspect was apprehended and upon returning to the scene, the stolen bicycle was found lying in the grass enroute to the victim's house.

The suspect, identified by a witness to the theft, was taken to the Niles Police station.

Passenger injured in 3-car collision

The passenger of a motorist waiting for the traffic light to change at Dempster and Greenwood, Niles was hospitalized Tuesday, July 20 when two other cars collided, sending one car skidding into the waiting motorist's car.

Hospitalized at Lutheran General Hospital with neck and shoulder injuries was Lillian S. Beckerman, 57, of Des Plaines, a passenger in a car driven by Philip Beckerman, also of Des Plaines.

Police said a car driven by Vivian Paloyan, 17, of Glenview eastbound on Dempster allegedly was making a left turn north onto Greenwood when the traffic light changed. She was unable to stop in time, she said to avoid being struck by James Michalek, 17, of 8213 Park, Niles, westbound on Dempster.

The impact of the cars sent the Michalek car across Greenwood into the Beckerman car.

Paloyan was cited with failure to yield right of way.

Outstanding 3 innings of no hit, 6 strike out pitching by Lee Newlan guaranteed Cardinals win.

center and right field. For the Mets F. Schimel allowed one hit and struck out six.

White Sox 10 - Indians 1
Pitching by Jim Twardowski and Jim Berg and some fine defensive work combined with some well placed hits were the key to the White Sox victory.

Twins 6 - Mets 4
Jack Johnson had three hits for the Mets.

Orioles 12 - Indians 1
Shane Nugent had 3 for 3 and a Grand Slam Home run, Ron Braver went 5 for 5, Jim Capek was 3 for 3 and Dan Frank 2 for 4 with a double and a triple. Dan Frank and Jim Capek pitched a 3 hit game.

Twins 6 - Cardinals 5
A tie game in the bottom of the seventh resulted in a Twin win when an unfortunate balk call allowed the winning run in from third in an otherwise extremely exciting and well played game. Leading hitters for the Cardinals were Frank Goldberg with 3 for 3, Tony D'Agostino and Dave Shimanovsky with 2 hits each.

White Sox 3 - Pirates 2
A tightly fought game with great defense. In the bottom of the seventh Steve Twardowski was safe on an error, Bob Phillis singled, Rich Phillips advanced the runners and Al Wallenberg drove in the winning run.

Astros 6 - White Sox 1
A fine combination of pitching by Tait and Grabbe, Tait struck out 8 allowed 2 hits and 1 run. Grabbe allowed only one hit for the remaining part of the game. The offensive players of the game were Bychowski, Tait, Grabbe and Drexler.
Yankees 5 - Indians 1
2 timely hits by Tim Kozeny and the return to the line up by Dan Anderson after having a broken hand helped the Yankees to a 5 to 1 victory.

NILES PONY AAA BASEBALL LEAGUE

Cubs 11 - Padres 3
This game was called with two outs in the bottom of the 7th so the score went back to 11-3. Ken Ugel broke out of his hitting slump going 3 for 4 with 3 doubles, scoring 4 runs, and batting in 3 runs. Ken was the winning pitcher. Barry Shrenkel was 2 for 4 with a double and a home run, getting 3 RBIs.

A's 8 - Giants 7
The Giants had the A's down 7 to 1 going into the last inning when the A's scored 7 runs to win it. However I believe the real winners were the Giants because these boys lost, with character and dignity something the A's could use a lot more of. Tom Spino pitched the first 3 innings and faced only 9 men and struck out 8 allowing no hits and no runs. For the 10 games the Giants have played Tom Spino has pitched 33 innings, allowing only 5 hits and 2 earned runs and won all 6 games. Tom, a lefty, deserves a lot of credit for a job well done.

Expos 7 - Braves 0
This game unfortunately wound up as a forfeit after 3 innings because the Braves, who already had borrowed a player from the Expos lost a 9th player. Bob Heath had his 1st home run for the Expos with 2 men on in the second. Tony Piazza had 2 hits and pitched 3 innings of shutout ball and Jim Ratcliff had chipped in with an RBI single.

Cubs 12 - Braves 7
Joe Marino pitched 3 innings and got his 4th win of the season. Joe was also 3 for 3 at bat getting 3 doubles and scoring 3 runs. Ray Ziebell was 2 for 3 with an RBI. Ray made an excellent play defensively while playing 2nd, Ray went into a short right on a ground ball and threw out Jim Baranowski.

Expos 2 - Red Sox 1
Chris Piazza allowed only 1 unearned run and Mark Menich pitched 4 innings of shutout ball in their 2-1 pitching duel with Scott Chamness, and Mike Pappas. Bob Heath scored the Expos 1st run on the front end of a double steal and the second run scored when the pitcher balked with Chris Piazza on third. The Expos helped their pitchers by turning in double plays.

Mike Pappas pitched 4 innings of no hit ball, but the Red Sox could manage only 1 run dropping one of the best games of the year. The Expos were out hit 8 to 3 but won in the important run department 2 to 1. Red Sox hitting attackers, Scott Chamness 3 for 3, Dan Wolozyn with 2 hits, Brian Firsz, Steve Romano and Lou Eyda with 1 hit each.

Expos 18 - A's 10
Howard Krick led the Expos attack with 4 hits in 5 abs while Bob Heath chipped in with 2 triples and Jack Walsh also tripled. Everyone had some share in the Expos biggest scoring game of the year. Chris Piazza pitched three worthless innings as the winners were rolling up a 13-0 lead.

The names of the game is offense and defense. We had our usual good offense scoring 10 runs on 10 hits. Our defense showed us only 9 errors plus many mental errors. Can't win that way. The quality of most of the boys on the A's will prevail and we will be #1 when it's over.

Red Sox 15 - Braves 10
The Red Sox sweep past the Braves to win a wild one 15 to 10. Scott Chamness with 2 hits led the Red Sox hitting. Tom Ryan, Mike Pappas, John Brizzaloro, Jordan Anderson all added singles but Dave Riemers triple with bases loaded turned out to be the winning blow for the Red Sox. Dave Murray lead the Braves with a grand slam home run to keep the Braves close.

Twins 11 - Pirates 2
The Pirates ended the season on a winning note thanks to some great defense by the infield and hitting by M. Bellazzini 2 for 4, F. Rudolph 1 for 4, S. Mackowski 2 for 4, M. Inyack 2 for 3 and R. Harris 1 for 2. Good pitching by P. Zangara and P. Richter. A job well done by every young man in the Pirates.

Imperial Eastman Cubs 7 - Callero & Callero Red Legs 6
The Pirates ended the season on a winning note thanks to some great defense by the infield and hitting by M. Bellazzini 2 for 4, F. Rudolph 1 for 4, S. Mackowski 2 for 4, M. Inyack 2 for 3 and R. Harris 1 for 2. Good pitching by P. Zangara and P. Richter. A job well done by every young man in the Pirates.

The Phillies clinched first place with their 6th win in a row and 10 out of their last 11 games as they beat the pirates 15-2. Hadjuk led the Phillies with 3 hits including 2 doubles; Ugel was 2 for 3, with 3 runs scored. Clemente also had 2 hits while Aaknes, Larson, Locascio, Kuna, and Candotti had one hit each. Neil Aizenstein played great defense in right field making 2 nice catches and firing back to first base on one catch to double off a runner to get the Phillies out of a jam. Neil also made a good stop on a hit to right to prevent the ball from being a ground rule double. Bill Sinacore, playing for the first time in 3 weeks, made 2 very nice plays at 3rd.

Lawson Products Phillies 7 - Imperial Eastman Cubs 6
Early wildness and errors got the Phillies in trouble as the Cubs scored 5 in the 1st inning and one in the 2nd to take a 6-0 lead. The Phillies scored 2 in the 3rd on a walk to Candotti, a single by Clemente, a walk to Aaknes and a 2 RBI double by Ugel. The Phillies broke open the game by scoring 5 in the 5th. Gottlieb started with a lead off single, Clemente walked, Aaknes singled in a run, then Ugel got his 3rd hit, a 3 run homer. Hadjuk walked and scored on Locascio's double. Clemente and Aaknes pitched good ball for the Phillies as Aizenstein played another beautiful game in right as he forced out a runner at 2nd on a line shot to right and gunned down another Cub runner who overran second base.

IHOP Pirates 7 - NBL Dodgers 2
The Pirates ended the season on a winning note thanks to some great defense by the infield and hitting by M. Bellazzini 2 for 4, F. Rudolph 1 for 4, S. Mackowski 2 for 4, M. Inyack 2 for 3 and R. the bottom of the 6th inning. The Dodgers managed 1 hit but scored all 4 runs on walks.

NBL Indians 2 - Skaja Funeral Home Colts 1
The Indians swept the season series with the Colts by the scores of 7-5, 4-2, and 2-1. Each team got only one hit as both pitching staffs threw nothing but strikes. The Indians tallied on a 2 run homer by Scott Lemajour, Roger Golbach played an excellent defensive game at catcher; also making a fine defensive play was Cliff Phillips. The Colts' only one hit came off the bat of Rob Grachio. They scored their only run on a fielder's choice by John Watrach. A second and tying Colt run did not count as an appeal play by the Indians was upheld.

NBL Braves 5 - NBL Dodgers 0
Skaja Funeral Home Colts 16 - NBL Tigers 6
The Tigers played 3 superb innings of baseball highlighted by the fine pitching of Dean Barber and Ron Rosenberg and the hitting of Jim Gottshall, John Imber and Chris Krubert. Scott Friedman made the fielding play of the game. After a short rain delay, the Colts came back behind the hitting of Klancnik, Steve Pakovic and McFadden and the super pitching of Matt Hedrich to win.

NBL Mets 16 - Carvel Twins 13
Everyone who was there saw a good game; this game had a little bit of everything. The Twins J. Simonsen hit his first ball - this was worth a whole season of coaching. Hats off to all the Twins for a job well done.

Willbac Mfg. White Sox 11 - NBL Indians 2
This was a rescheduled game as the rains washed out the original with the score tied 5-5 after 3 innings. The Indians' Scott Christiansen had a double and Frank Calarco returned from vacation in time to hit a home run to centerfield. In the rain shortened game, Scott Johnson was the Indians offensive punch with a 3 run double and a triple to deep left center. For the White Sox, this win was again a story of excellent pitching by Bacci, Busiel and Brady and needed offensive strength from every player. Jamie Davidson was the star of the game for his grand slam homer. Rex Brady was 3 for 3 with a homer; Mike Cooper, Jerry Ragusa and David Solan each contributed to this winning effort.

NBL Braves 9 - NBL Tigers 3
John Imber pitched 2 super innings and Patrick Acquilla and Dean Barber each turned in one fine inning of pitching. Hitting leaders for the Tigers were Scott Friedman, Mario Gullo; Patrick Acquilla and Alan Singer. For the Braves, John Kosina and David Akinski each pitched 2 perfect innings. Offensive punch was Jeff Evans' 3 run homer.

NBL Dodgers 8 - Skaja Funeral Home Colts 7
For the Dodgers, Mike Mackowski had 4 RBIs. All Dodger pitchers, Tarlow, Yetter, Hickey and Mackowski did a great job.

Willbac Mfg. White Sox 24 - NBL Tigers 4
The Indians beat the Braves on a one hitter. The Braves lone hit came off the bat of Tim Frankfort. Dave Akinski and Dan Markowski pitched 2 good innings each. The shutout was an excellent combination of pitching, hitting and several fine defensive plays to keep the Braves off the scoreboard. Frank Calarco gained the victory, aided by superb relief

from Scott Lemajour and Jack Pullen. The pitching staff contributed 2 hits each to their cause. Also chipping in with singles were Bobby Gattuso and Fred Beyer. Several Indians (Scott Johnson, Jeff Rzepiela and Gary Weil) made excellent defensive stops to rob the Braves of hits and thereby preserve the shutout.

NBL Angels 8 - NBL Twins 5
The Angels continued pressure on the Mets by winning a well played game. The Angels were sparked by home runs from Brian Nawrocki and Steve Gaza.

Everything about this fine Premiere Stoneware by Mikasa is expensive.

Except our price.

GET A 5-PIECE SETTING OF PREMIERE STONEWARE BY MIKASA FOR JUST \$6.95 WITH EACH \$25 DEPOSIT.

PLUS A FREE DESSERT DISH WITH EACH SETTING.

Lots of things make Premiere Stoneware by Mikasa expensive.

Like the people who craft it, Mikasa is one of the world's largest makers of dinnerware. Fine quality dinnerware found in the finest department stores and specialty shops. The kind that's still a classic of the potter's art.

There's the expensive, hand-painted design that brightens each piece. Unlike patterns you see on most dinnerware, Premiere is an artistic study. Ranging from the soft hues of a newly-ripened strawberry, to willows on a riverside, or the natural elegance of brownstone. Patterns for everyday use, and special occasions, too.

Premiere Stoneware by Mikasa is fire-glazed at high temperatures to make it non-porous and non-absorbent. It's stain-resistant, won't craze or crack, and resists chipping. So you can use it with confidence in your oven and dishwasher.

And after all the expensive things that make stoneware like Premiere by Mikasa expensive, you'd probably expect the price to be the most expensive thing of all.

But now, each time you save \$25 at any North West Federal Savings Center, you can get a 5-piece setting* for just \$6.95. Plus a free dessert dish. A 5-piece serving set including cream pitcher, covered sugar bowl, vegetable/salad bowl, and 12"

round buffet platter is available for \$14.95 with a \$25 deposit.

Don't miss this opportunity. Because this is a limited time offer. And the price of Premiere by Mikasa will be going up again. Where it belongs.

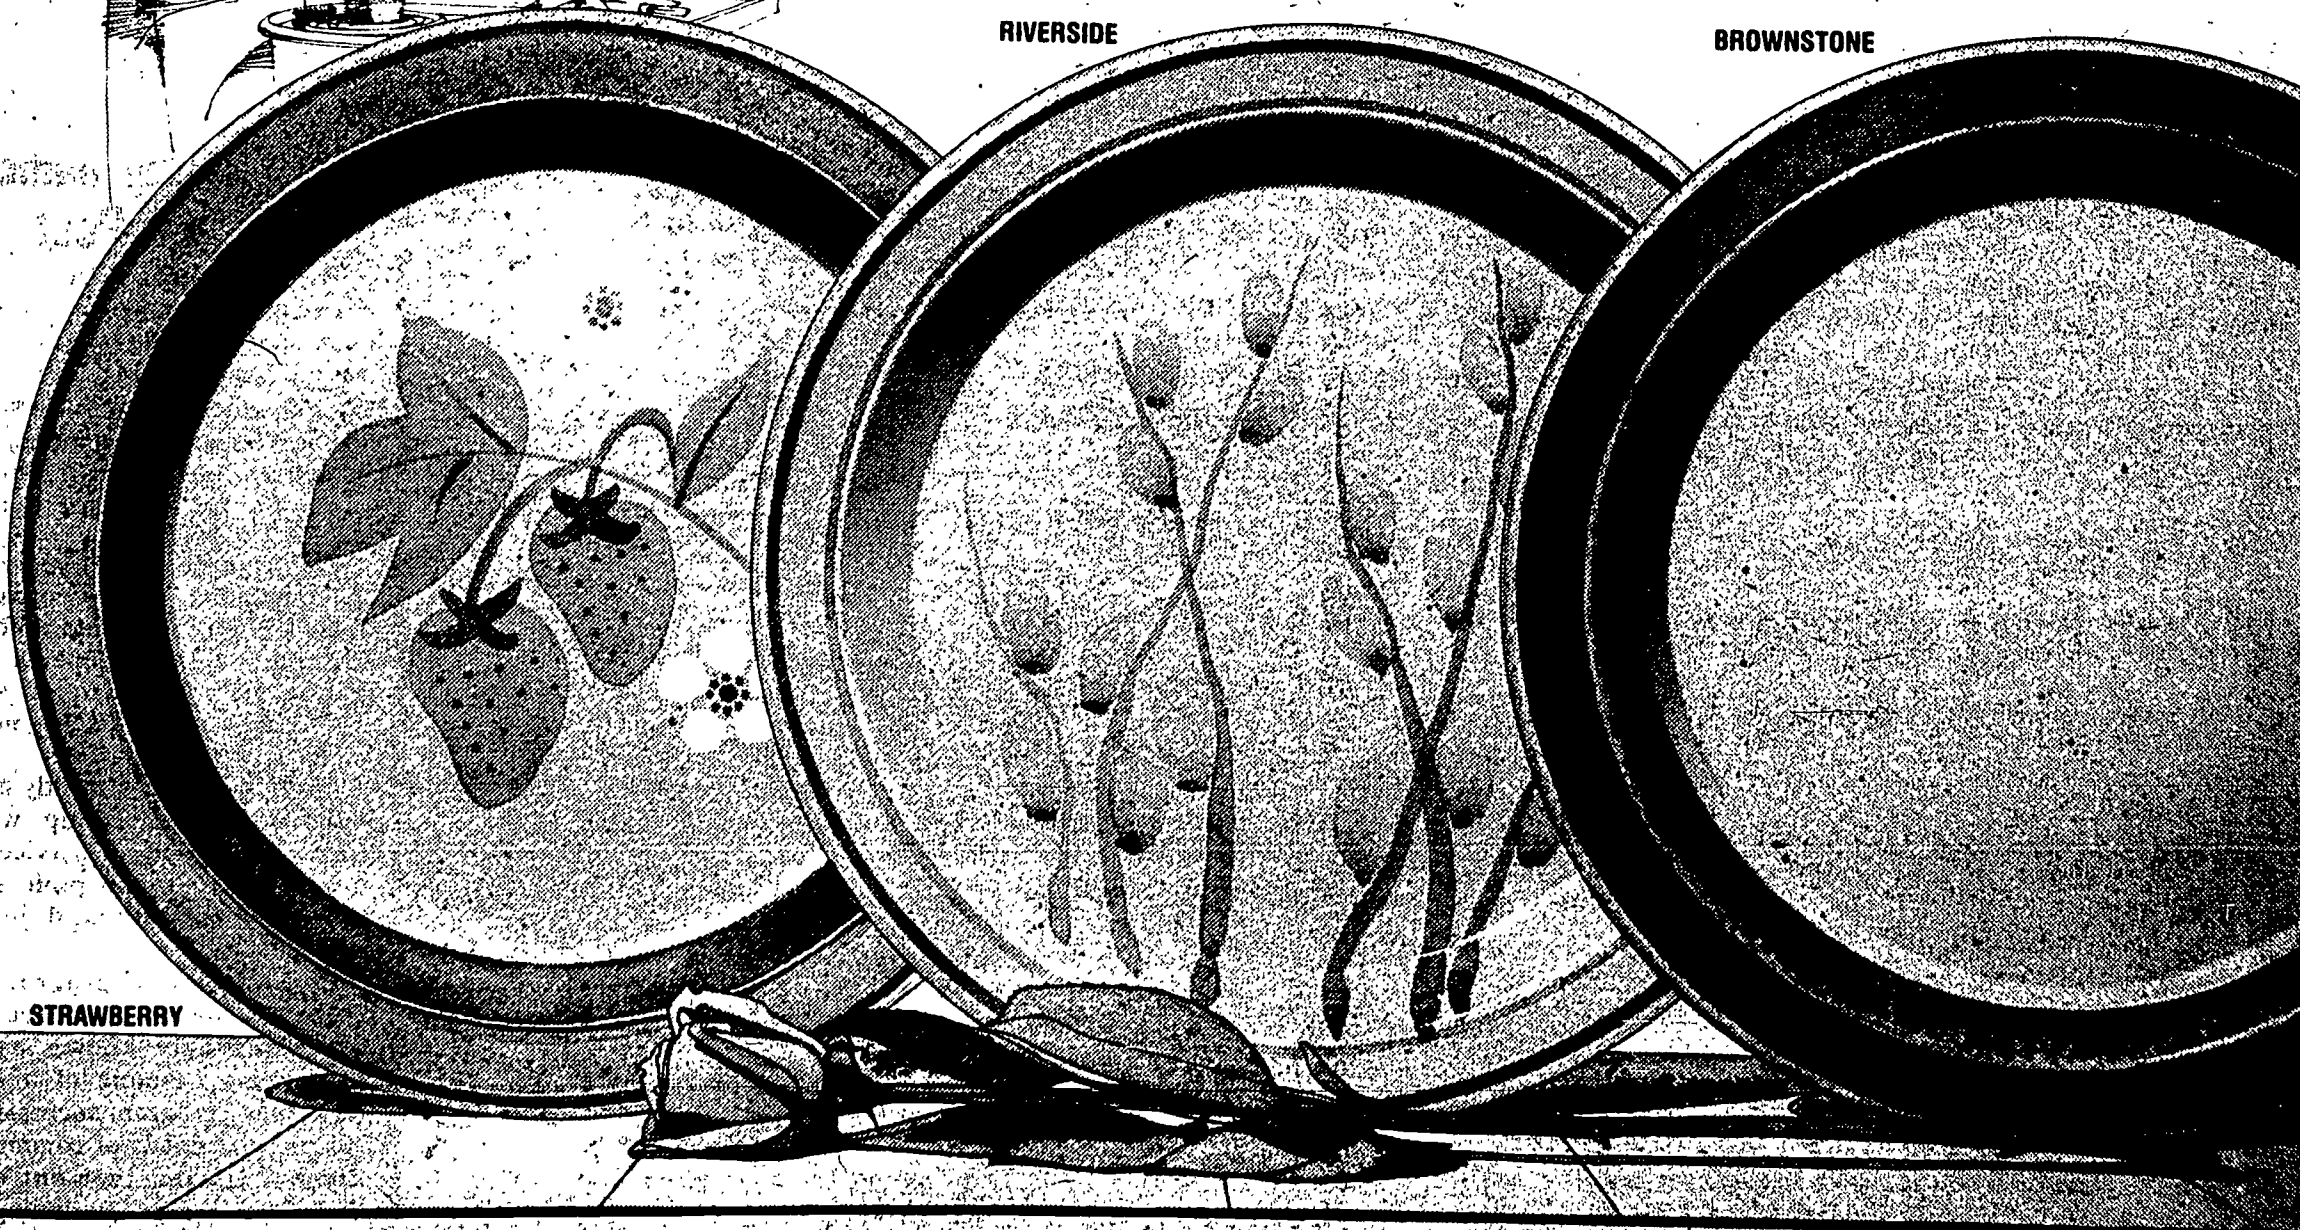

*5-piece setting includes dinner plate, salad plate, soup/cereal, cup and saucer

It's North West Federal Savings Time... 63 Hours a Week!

For 5 days, Saxon goes embarrassingly nuts at the grand opening of its new store in Morton Grove

6925 Dempster—serving Morton Grove, Niles, Skokie and Glenview

What is this? All of a sudden, in a nice suburban shopping center where zillions of cars can park free, a crazy store puts on sale the kind of merchandise nobody ever has to put on sale... it's that terrific. Happy suppliers cooperate in the craziness and ship us their very best products (some of which are not to be found elsewhere at any price; all of which are not to be found at any other Saxon store!) And in every Morton Grove department, prices are cut for the grand opening. You see, we're anxious to show you our brand new kind of home decorating store. Because we know that once you see it, and long after you've saved a small fortune during our special sale, you'll still love us for our everyday wonderfulness. For the normal things you'd expect to find in a store like ours. And for the highly-designed and unique things you wouldn't expect to find. And everything always at surprisingly low prices. So come on in. And you'll see. We're crazy like a fox. But only at our Morton Grove store. And only until Monday.

"What would you call it when Saxon sells pre-pasted vinyl wallpaper from England for \$3 and \$4 a single roll?"

And how! Next season's choice of 15 oh-so-veddy British designs. And all values of up to \$8.50 a single roll. These top-quality patterns are the creme de la creme. The pick of the crop. The very best. No matter what room you want to wallpaper, there's a pattern here to do it. What's more, these vinyls have been hand picked for this special sale because they're perfect for do-it-yourselfers. They're pre-pasted and pre-trimmed so they're ready to hang. Stay

workable for a good 15 minutes. And go up like a dream. They're even all in stock and ready to take home. Just like all our other wallpaper patterns. It's highly unlikely that you'll find such designs anywhere else at such low prices, so don't bother to look. Just give these a go, eh what? All patterns included in this sale sold only in 2-roll bolts.

"What about offering gorgeous art for \$1 to \$5?"

If you're a great-buy artist, you'll want one of the \$3 to \$9 Rosamond and Gregg prints in this special group. You can't find a better or cheaper way to create your gallery. And we've got contemporary frames to fit these and all our other prints. But you can only have one. So hurry on in.

8"x10" Rosamond and Gregg prints, Reg. \$3. **\$1**
11"x14" Rosamond and Gregg prints, Reg. \$5. **\$3**
22"x28" Rosamond and Gregg prints, Reg. \$9. **\$5**

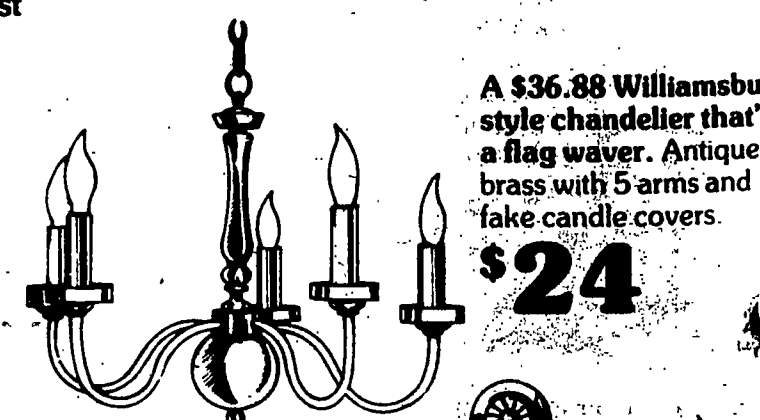

"Designer plastic goodies so cheap?"

Zowie! Take 5 to give this Reg. \$3.99 Take 5 carrier designed in Europe a long look. 5 sections hold bottles, picnic needs, plants we could go on and on. This 10x16" caddy can be hung, too. Sorry, only one per family. **\$2**

"Who in his right mind sells quality lighting fixtures for \$4 to \$30?"

No complaints. Just oohs and ahs. But if you want to ooh and ah, too, you'll have to hurry. You see, we only have 310 of these fixtures. And because they're so stylish and priced so right, we know they won't last long. Besides, they're really only a very small portion of what is truly a magnificent lighting department. Come see for yourself. You'll find all kinds of fixtures for every room in your home. Mediterranean. Early American. Contemporary. Traditional. And lots more. All handsomely displayed so you can really see them. All priced so ridiculously low you'll wish you could buy more than one. Unfortunately, you can't. See the light today at Saxon.

A \$36.88 Williamsburg style chandelier that's a flag waver. Antiqued brass with 5 arms and fake candle covers. **\$24**

A little swag never hurt any \$22.88 fixture. Especially this one. Early American style in toned copper has handy 3-way switch. **\$12**

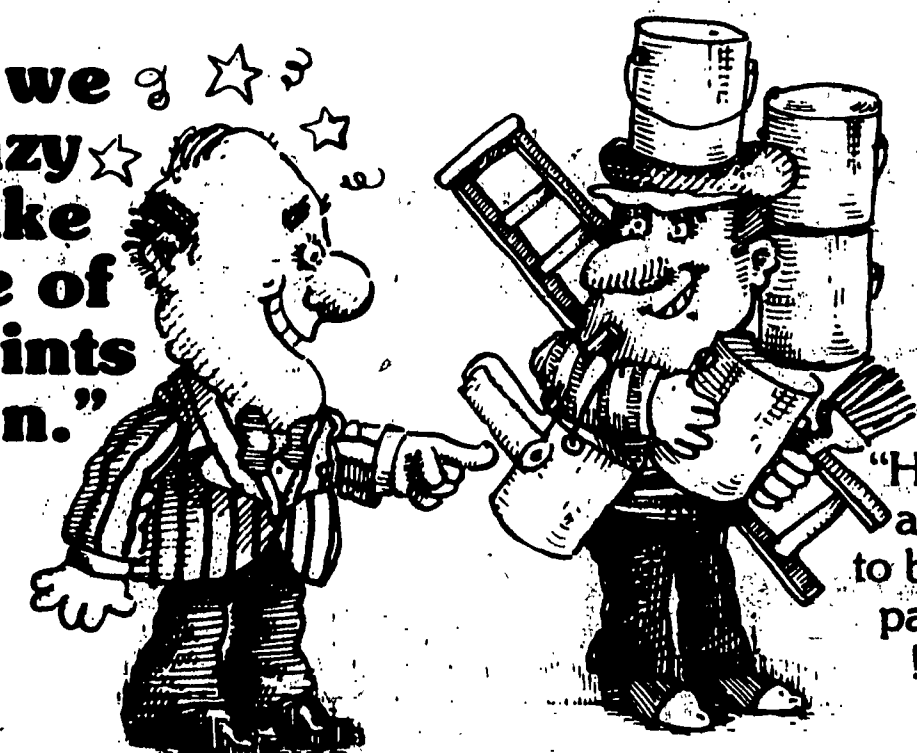

Madness! \$20 off an elegant double swag. Reg. \$34.88. Two antique white frames, two 6-ft. chains, opal cylinders. The catch? We have just 20—hurry! **\$14**

A \$10.88 case where less is really more. An 8" opalescent white globe. With a touch of polished brass trim. What more could you want? **\$8**

"And have we got some crazy prices. Like your choice of our best paints for \$5 a gallon."

We may get crazy about a lot of things, but never about our paint. Except, of course, for our crazy low prices. Anyway, this is not your ordinary, run-of-the-mill paint. This is high-quality paint that usually sells for as much as \$12.99 a gallon. It's the very best we make. And right now you can buy these terrific, specially-formulated paints at a greatly reduced price. Just for our Morton Grove grand opening. Choose Prismatone interior latex, latex semi-gloss, latex house paint, latex floor paint, latex ceiling paint, waterproofing basement paint or alkylid urethane floor paint. Or Prismabold gloss latex trim paint or poly alkylid gloss enamel. Or Signature oil house paint. Every

one of these ten paints is a bargain at its everyday low price. So when we put them on sale, you know we're not just painting you another pretty savings picture. And if you're not happy with any of them, we'll replace your purchase. Or refund your money. For any reason. Any reason at all. Now we dare you to think of one good reason not to buy your paint at Saxon.

"On top of everything else, win a huge prize."

better service." "We've tried to do just that during the first months of 1976 with the opening of our newest office in Edison Park and with the beginning of expansion at our Harlem-Irving office.

"In the months ahead, we'll announce further plans for improvement and expansion. We sincerely appreciate the confidence of the community," concluded Reed.

They have pills and drugs for just about every ill today. But kleptomaniacs have a problem - what can they 'take' for it? Water is the best cure of all for anything - if taken with the right spirit.

Some women, after a few drinks, start looking for a chaser. Some people have no respect for age - unless it's bottled. Keep your swimming pool safe. Fill it with martinis. You can't drown because the deeper you sink, the higher you get. Special cure for hangovers - keep drinking.

A healthy senior citizen friend of mine said, "I don't smoke, drink or chase women. Tomorrow I'll celebrate my eightieth birthday. 'You will,' I asked. 'How?' 'Do you know Howard Hughes was so rich he had an unlisted phone company.'"

I like the quiet things in life - like the folding of a \$100 bill. If you go out with a doctor's wife don't forget to bring an apple.

Adam was always true to Eve. Eve was always true to Adam. I know a lawyer who makes a practise of going out with doctor's wives. I saw him last week in the produce department buying a bushel of apples.

An apple didn't cause trouble in the Garden of Eden. It was a pear.

I spent so much money in the past 20 years on a woman I know I think I'll marry her for my money.

I understand from Dick Southland that his TIKI ISLE has actually been forced to turn customers away during the JOHNNY SPENCE and his variety of stars show that have been appearing there. Starting August 3rd, the LINDA CLIFFORD SHOW, direct from the Playboy Club, will take over.

Niles Police plan for CB assist

(by Alice M. Bobula)

Niles Police are planning to monitor Citizens Band radio transmission in an effort to shorten response time to emergencies.

Niles Police Chief Clarence Emrikson said last week his department is negotiating to purchase monitors for hookup to police car radios, that will continuously monitor Channel 9--the CB emergency frequency.

"We'll have citizen band capability within 3 weeks," he noted.

Installation of the monitors means that citizens with a CB unit in their car can talk to police directly. Policemen in the squad cars will pick up the call on the CB monitor of Channel 9 also they will not have the ability to transmit out on the channel.

Des Plaines began monitoring CB transmissions earlier this month according to Police Chief Arthur F. Hintz who said a \$300 CB unit was installed in a department vehicle which enables police to talk directly with CB operators who view an emergency which calls for police action.

Emrikson said the use of the CB radio saves valuable time because callers do not have to locate a telephone to call police. "CB assistance is a big thing," he said. "If there is a bad accident on the road and a CB is in the area, obviously we will get the message sooner and can respond more quickly to the scene."

The new system will have one problem, he said. "We'll probably get some false alarms from kids who will use CB radios to report false information to see what action they can get out of the police department."

Skokie, Mt. Prospect and Arlington Heights have also gone to CB said the Niles police chief who favors the Skokie plan of working with local CB clubs.

Niles police, he said, are already working with a local CB Club, The Chatterbox, to plan some code of identification for authorization.

All forms of communication have value, said Emrikson, noting that "it will be interesting to view results after some time of use."

Senior Citizens Activities

Maine Township will sponsor three senior citizens activities in August, highlighted by a day-long outing to historic Galena, Maine Township Senior Citizen Coordinator Ferdinand C. Arndt announced today.

On Wednesday, Aug. 18, the seniors will travel to Galena for a special luncheon at the Chestnut Mt. Lodge, then embark on a guided tour of the old city. The tour will include a visit to President Grant's home. Cost of the tour, including lunch, is \$7 per person. Buses will leave from 815 Lee St., Des Plaines, at 8:30 a.m.

The regular monthly afternoon of bingo and cards will be held at The Greens, 8909 David Pl., Des Plaines, at 1 p.m., Wednesday, Aug. 4. Coffee and rolls will be served.

On Wednesday, Aug. 11, the senior citizens will gather for lunch at the Casa Royale, Des Plaines.

Pullen financing campaign through recycling

Penny Pullen, Republican candidate for state representative, this week announced she is continuing to recycle aluminum to raise funds for her campaign.

Miss Pullen said she was "delighted with the public response" to the recycling program in the spring primary campaign, "and even though there's been no publicity about it for two or three months, I continue to find bags of aluminum cans or trays on my front porch every few days."

Aluminum project chairman Tom Pofahl of Des Plaines requested that anyone collecting aluminum cans for the campaign test for aluminum purity with a magnet.

"If a magnet attracts," Pofahl said, "it's not aluminum."

Those wishing the Pullen campaign to pick up collected aluminum cans, trays and pans, and other aluminum items may telephone Pofahl at 296-7978 or Miss Pullen at 823-1004.

Aluminum may also be delivered to 2604 W. Sibley, Park Ridge.

Youth Commission praises Softball marathoners and donors

The 1976 Niles Youth Commission Girl's Softball Marathon played on July 9th, 10th and 11th, will be well remembered because of the intensive heat these determined girls played in. They played through 97 degree weather that was too hot for most to come and watch. For this they are to be commended for their dedication and efforts to raise money for Variety Club-Childrens Charity.

Mary Ann Massari and her committee who organized the girls into their schedules did an excellent job and kept the game going. Many thanks to all the coaches, umpires and volunteers who worked in the concession stand and on the speaker's platform.

The Niles Youth Commission is especially grateful to the local business establishments who so generously and with great public spirit donated food, money, ice and other merchandise to the marathon. The commission wishes to thank a million times over, Tasty Pup, 9001 Milwaukee, who donated all the hot dogs, buns and trimmings for the concession stand, Eddie, Schuett and the Niles Liquor Association who supplied us with ice cubes during those hot melting days, John Chaconas, Fat Alberts Lounge and Restaurant in Chicago for paper cups, Minelli's who always opens their doors to the Youth Commission, McDonald's, Amy Joy Doughnuts, Carvel's Ice Cream on Milwaukee, Riggio's,

Lum's Restaurant and a special thanks to A & K Graphics on Oakton who donated a large 4 foot x 8 foot sign pre-announcing the Marathon days.

The Variety Club did an enormous job on publicity and to this we thank Bene Stein, President, Ted Wilmes, Bob Fink. A 100 tickets were raffled for the White Sox games during the marathon. Playboy Bunnies and various newspaper and radio-television personalities dropped in during the weekend.

Final figures are not available but a presentation will be made in the near future to Variety Club-Childrens Charity.

Kitchen Fire causes \$2,200 damages

Fire caused an estimated \$2,200 in damages to the Lester Blaul residence, 8453 Normal, Niles late Friday afternoon, July 23.

No injuries were reported and no one was home at the time.

Smoke emitting from the bi-level home around 5 p.m. caught the attention of a neighbor to the east who looked up to see leaping flames in the kitchen across the driveway.

The fire, confined to the kitchen, was apparently electrical in origin, said a fire source, who theorized it may have been due to an electrically powered exhaust fan above the cooking range.

Firemen said flames were five feet high, reaching from cabinets to a cathedral type ceiling on their arrival.

Damages were estimated at \$1500 to the building and \$700 to contents. The fire had spread up through a vent reaching to the outside and had burned away a portion of the roof area.

The kitchen was heavily charged with smoke, water and fire damage, with heavy smoke damage throughout the upper level of the bedrooms. The dining room and living room also sustained smoke damage.

Seven pieces of equipment from Niles responded to the call. Firefighters remained on the scene for over an hour.

Had it not been for early detection by an alert neighbor and fast response by firemen, said a fire source, "the fire would have gained a toehold and damages could have been more extensive."

Howlett announces State Ticket Platform Hearings

The Democratic State Ticket Mike Howlett, Neil Hartigan, Alan Dixon, Cecil Pardee, and Mike Bakalis are holding a series of State Wide Public Hearings to listen to the people of Illinois present their views on the problems, issues and priorities of State Government.

The information gathered at the State Wide Hearings will be used by the candidates in formulating their positions and by the Party in developing a State Platform.

Each Hearing will specialize on a specific state-wide problem. In Peoria on August 2, the topic is Financing and Managing State Government. In Rockford on August 3, the topic is Jobs and the Illinois Economy. On August 4 in Carbondale, the topic is State's Human Service Program. In Rock Island on August 5, the topic is State's Role and Responsibility in Education.

The other map is the Illinois Highway Map.

Applications for Service Academy nominations

Congressman Abner J. Mikva is now accepting requests from eligible young men and women who wish to be considered for nomination to attend a United States service academy. The nominations will be for the classes entering in July, 1977.

Mikva will consider requests from Tenth District residents seeking appointment to the United States Air Force Academy, Colorado Springs, Colo.; Military Academy, West Point, N.Y.; Naval Academy, Annapolis, Md.; and Merchant Marine Academy, Kings Point, N.Y.

Applicants must be citizens of the United States and legal residents of the Tenth Congressional District between 17 and 21 years old as of July 1, 1977, and they must have never been married. Male and Female students are not admitted to the academics and are welcome to apply for nomination.

Congressman Mikva will accept applications until December 1. The individual academics make the final appointments after the nominations are made.

The Congressman has established an advisory council to assist him in selecting nominees to the academies; John Crawford, a village trustee of Glenview and a captain in the Naval Reserve, is chairman of the council.

Other council members are: George Groves of Winnetka, a 1966 graduate of the U.S. Military Academy; Helen Moshak of Skokie, who has been active in many civic organizations; James O'Connor of Evanston, a retired Air Force officer; Blair Plimpton of Park Ridge, former superintendent of Elementary School District 64; and Frank Thienpont of Evanston, a 1947 graduate of the U.S. Naval Academy.

Congressman Mikva explained that the criteria for selecting the nominees are the students' academic record, ACT and/or SAT scores, extracurricular activities, recommendations from a high school counselor or principal and a personal interview with Mikva's advisory council.

For further information, contact Walter Nathan in Mikva's office, Room 3983, Federal Building, 230 S. Dearborn, Chicago, 60604, 353-7942.

Falcons Jr. Football Registration

The Pop Warner Jr. Football Falcons will hold registration at the Niles Recreation Center on Saturday, July 31st from 12 to 3 p.m. All boys and parents from Niles and Morton Grove and surrounding Chicagoland areas are invited to attend.

There will be a Jr. Pee Wee Program this year for boys in the 8-9 year-old bracket. The main emphasis of this Jr. Pee Wee program will be to teach the younger boys the basic rules of football.

Equipment is supplied by the team, but a registration fee is required. Girls interested in being cheerleaders for the traveling teams are also urged to attend the registration. Qualified coaches are needed and should contact the program director, Mr. Nick DiNapoli at 825-7540.

Niles Scouts hike Philmont Trails

CIMARRON-NM-A group of Niles area Scouts arrived July 9 at Philmont Scout Ranch and Explorer Base, a 214-square mile wilderness camping area of the Boy Scouts of America, near here.

The Scouts John Ciszek, Greg Pawell, John Ochenreiter, Tood Worgel, Niles; Steve Pinino, Mike Kaufmann, Park Ridge; Keith Janus, and Wade Bigall, Des Plaines; are among 15,000 young Scouting men and women expected to hike Philmont's mountainous trails this summer.

Under the adult leadership of Larry West, Neal West, Niles; and Joe Sternbauer, Lombard; the group will backpack between 50-75 miles in 10 days as part of a 12-day stay at the ranch.

Upon arrival at Philmont, the Niles area Scouts received training in backpacking and wilderness camping techniques from Philmont's Ranger staff. While on the trail the Scouts will have the opportunity to participate in several programs offered at 21 staffed mountain camps. The programs range from Western lore and nimrod safety to rock climbing and orienteering.

The Niles area youth are members of Troop 107 sponsored by Our Lady of Ransom Holy Name Society.

Troop 275

Recognition was given to seventeen Boy Scouts of Troop 275 (St. John Brebuof) and their adult leaders on June 10, 1975.

The following Scouts amassed a total of 22 Merit Badges, 15 Skill Awards and 11 Progress Awards: Dan Bielski, Ron Drexler, Matt Drexler, Chris Drexler, Jay Hill, Phil Kemp, Bob Koch, John Namovicz, Bob Piontek, Bob Schubert, Kevin Weiss, Jack Weres, Greg Cieply, Tom Sytko, Jeff Grendzinski, Larry Mimp and John Parlich.

In addition, seventeen Scouts and four adult leaders received their "Lincoln Trail" medals for completing the 21 mile hike from New Salem to Springfield, Illinois during April.

Cubs Game and Free Movie

The Golf Maine Park District is sponsoring a baseball trip on Wednesday, August 4th, to Wrigley Field to see the Chicago Cubs battle the division leading Philadelphia Phillies in exciting baseball action. The bus leaves Dee Park, 9229 Emerson, at 11:30 a.m. sharp, and will return at approximately 4:30 p.m. depending on the length of the baseball game. The fee for the trip is \$4.00 per person, and everyone must be 8 years old or over. Registration will be taken at Dee Park, and the registration deadline is Monday, August 2nd, at 12:00 noon.

The Golf Maine Park District will also be presenting the movie "Captains Courageous" starring Spencer Tracy and Lionel Barrymore on Tuesday, August 3rd, at 8:30 p.m. The movie is about a rich widower's spoiled son who

falls overboard of an Atlantic liner in a heavy fog and is picked up off the Grand Banks by a Gloucester fishing schooner, then forced to stay with his rescuers until their fishing is finished. The movie is free and open to all age groups, so bring your lawn chairs and blankets and sit on grass and enjoy the movie.

For more information on the Cubs game or free movie, please call the park district at 297-3000, or come in to the office at 9229 Emerson.

Exercise and Recreation for your heart program

A new program being offered this fall by the Maine-Niles Association of Special Recreation in cooperation with the Heart Association of North Cook County. Scheduled to begin Monday, September 13, the program will teach individuals how to participate in leisure activities within their physical limitations. Emphasis will be placed on physical training to condition the heart and improve its capacity for performance in different types and levels of recreation activities.

The program will begin with low levels of exercise, as jogging and walking and graduate to activities requiring an increasing intensity of effort. Sports and recreation activities will be introduced into the training program as well. A physician will be

in attendance at all sessions. Each series of 10-week sessions will be conducted three evenings a week, Mondays, Wednesdays, and Thursdays, from 5:30-6:30 p.m. and 7:00-8:00 p.m. An individual must have approval from his doctor in order to participate. Registration is underway and goes through July 30. Information or necessary forms can be obtained from the Maine-Niles Association of Special Recreation (M-NASR), 4400 Grove St., Skokie, or call 674-5512.

District 64 compliance with Title IX

In a special report to the Board of Education at their regular meeting of Monday night, July 19, Robert B. Hultgren, Director of Personnel Services, indicated that District 64 has taken steps to make sure there is no discrimination on the basis of sex in any educational program or activity. Mr. Hultgren was appointed by the Board last year to act as the Coordinator for Title IX. Title IX of the Education Amendment of 1972 prohibited discrimination on the basis of sex and establishes general requirements for school districts to follow to achieve compliance. As coordinator, Mr. Hultgren would serve as the contact person for anyone who has concerns regarding sex discrimination.

During the past nine months District 64 has undertaken a complete self-evaluation of all programs and activities. According to Mr. Hultgren's report there were only two or three areas in which changes were necessary. One was physical education, where 5th and 6th grade boys and girls have been in separate classes. Starting in September they will no longer be divided that way but take physical education together as a team unit. At the Jr. High level classes will meet on a co-ed basis with the only exception being when there are contact sports or activities of a competitive nature which calls for dividing sexes by ability. In addition, girls will be assured of equal opportunity in interscholastic sports. Also the Jr. High program will now assure equal opportunity for everyone in Practical Arts.

Niles Board... Cont'd from Niles-E-Maine P.1

Approval of the rezoning was conditioned on restrictions set by a Special Committee of Trustees. Ang Marcheschi, Peter Pesole and Zoning Director Joseph Salerno such as a western fire hydrant at the developer's cost; installation of a fire hydrant at the developer's cost; limitation of 2 furnaces in each building; preparation of a Homeowners Agreement on property maintenance; inset of an 8 inch retaining wall 2 ft. high at the north end of the property for water flow; installation of curbs, gutters, and streets along Dempster St. as well as installation of an 8 inch sanitary sewer from Prospect Rd. to the east line of the property.

An added condition provided for more parking area if needed. Area resident Susan Hauptmann, 8111 Elizabeth opposed the traffic plan. She contended present traffic problems would be increased, due to Sears cars and Village trucks already "parked every which way" at the Milwaukee-Elizabeth eatery.

"They are always there," she said, "for breakfast, lunch and at other times."

Rezoning to PUD on the Dempster property had been denied by the Plan Commission June 2 on grounds of improper petition. Petitioners McNeerney and Goslin appealed the denial July 23 requesting a change to R3 zoning for addition of 2 lots to the already existing 6-lot parcel.

In second action President-protem Richard Harzak and village trustees gave enthusiastic commendations to Officer James Gerhardt and the Niles Bike Patrol for "positive results" by the 8-week-old pilot program for bicycle safety.

Gerhardt, who innovated the program, said he was pleased with results to date and observed indications of marked changes in the habits of bicycle riders.

Tree planting...

Continued from MG P.1
Trees will be balled and burlapped and will be planted. Application and payment will be accepted at the Village Hall, 6300 Lincoln Ave. beginning immediately.

The planting of trees will begin in the fall when the trees are dormant. For further information call Public Works Dept. at 965-1400.

Niles Police...

screaming through a barred window of a back room which was on fire.

Repeated attempts to break down the door by the police and by Lahey's 25-year-old companion Diane Rivera who tried to ram the door down from the outside with her car were finally successful and police pulled Lahey out of the building.

Officers Klein and Herrman maintained traffic conditions pursuant to arrival by Chicago police.

Cancer crusade...

Cont'd from Skokie-L'wood P.1
supports us with a passion!" said Fred Hossfeld, recalling past crusading years. Mr. Hossfeld is the energetic Lincolnwood chairman for the ACS.

"If a Crusader hasn't reached your home yet, call us at 328-5174 for an envelope to hold your donation," said Sam Brush, co-chairman for ACS, "and don't delay, because August 31st marks the end of what we think will be a very successful year."

Niles Board... Cont'd from Niles-E-Maine P.1

In a report to trustees, Gerhardt stated 378 verbal warnings had been given by the bike cops and 128 citations issued; 26 contacts made on other incidents such as vandalism; 3,000 fireworks confiscated and destroyed; 2 fires reported at onset; a call for aid for a person suffering from a seizure on the bike path and that 7 mini-bikers had been apprehended by the bicycle patrols.

A total of \$23.75 in fines ranging from 50 cents to \$2.50 (maximum of \$5) had been collected from 65 violators in 2 court hearings, said Gerhardt.

In view of the excellent results of the Niles program, Gerhardt noted the Elmhurst Police Dept. is initiating a similar program August 2 and Skokie, Des Plaines, Palatine and Evanston have indicated strong interest along similar lines.

Gerhardt said the bike cops average 22 miles per bike per day while on patrol.

In other business trustees approved a request by Housing Director Ben Mankowsky to increase Certificate of Occupancy fees from \$2 to \$5 per unit on existing residential, apartments, condominiums and townhouses.

Mankowsky noted fees in other cities cost \$5 to \$16 per apartment. Niles' fee of \$2 "does not cover the amount expended," he said, in providing the Certificate which acknowledges Village acceptance of premises for tenancy. Property violations are given 10 days for correction. Both tenants and landlords profit by the certificate said Mankowsky.

*Referred to the Zoning Board placement in B2 Special Use of Off Track Betting and required parking spaces. Village Attorney Troy noted that betting parlors "really create problems" from traffic caused by long lines of waiting bettors at the windows and by the "30 to 50 hangers-on lounging around" constantly.

NORCOM Monopole

3 inches at the top. Five wire cables leading from the top antenna are laced thru the pole for entrance into the station under the front walk and into the radio equipment room.

A similar excavation was underway Monday, July 26 at the Administration Building, 7601 Milwaukee Ave., for a second satellite.

The North Regional Telecommunications Network (NORCOM) is a pilot program which will transmit voice communications over an uncluttered radio network for police departments of Niles, Morton Grove, Skokie, Lincolnwood, Wheeling, Winnetka, Wilmette, Northbrook, Glenview, Golf, Glencoe, Kenilworth and Northfield.

A 14th community, Evanston, also under its own grant for equipment, was added recently to the program.

The new Duplex system of satellite repeater transmissions on separate channels differs from the present Simplex police radio system which receives and transmits on the same frequency.

Commission and 5% in local monies from the combined 13-group suburban towns.

Niles' share of \$5,000 is provided out of General Funds of the village budget. Funding by each suburb differs, dependent on population and amount of equipment needed for department personnel.

While Niles is the first community to install village satellites due to singular construction, other communities are expected to follow suit making preparations under a construction contract for total operational effort in October.

Phase I of the NORCOM program covers acquisition, installation and use of 2-way portable and mobile radios; Phase II, under application for a \$24 million Federal grant, concerns data system and vehicle monitoring system; Phase III ties the project together with a training program using radio transmission of educational tapes.
