## Court paves way for Oakton annexation of North Shore districts

With the abolishment of North Shore College District 540 it is expected Oakton College will annex three North Shore high school districts (Evanston, Glenbrook and New Trier), doubling its size in the immediate future. Circuit Court Judge Sheldon Brown ruled the proposed North Shore district a nonentity after more than 10 years of legal debate.

In a second action Brown also ruled New Trier High School District 203 must pay Oakton College \$340,000 in back fees which have accumulated since 1974. The high school district refused to pay the Oakton district the fees for out-of-district tuition and fees for its students who reside in New Trier Township. Oakton College district filed a suit against New Trier last year

seeking the funds. When Oakton said it would refuse to accept the New Trier students unless the funds were paid the New Trier district agreed payment of fees on a one-semester basis. In 1967 and 1969 the North Shore district rejected proposals the district become a part of Harper College in Palatine and Oakton College in Morton Grove (Maine-Niles Townships). But in

1974 Illinois passed a law declaring all areas in Illinois must be within a community college district. A bid to organize the North Shore district by local residents failed. During the intervening time Evanston, Glenbrook and New Trier high school districts petitioned for annexation by Oakton College. The fourth district, Deerfield-Highland Park, peti-

tioned the Lake County College district. The annexation of the three North Shore districts would approximately double the present 50 square mile area within the Oakton College district. It is undetermined what affect the annexation will have on the present 22.5 cents per \$100 assessed valuation tax rate.

## From the Left Hand

By David Besser

After elections in suburbia the hue and cry of pre-election days dies down perceptively. If there was a ballot box revolution, as in Morton Grove, there is likely to be a bevy of activity down at the old village hall for 2 or 3 months. But if there was no change of officers, a calm, almost a malaise, descends on the public offices.

In past years the voice of the voter might have been heard in the land, but the changes expected by the voters didn't always take place. In School District 63 the election of 2 board members in 1975 seemed to be a clarion call a controversial \$400,000 addition to the Apollo School for administration offices would finally be vetoed, since the voters rejected a candidate who favored the addition. But lo and behold, as we say at The Bugle office, the board reinstated the building of the addition, and it seemed the voters' call for change was ignored by the board there. A small minority of residents showed up at a subsequent school board meeting and overturned what seemed like a mandate the voters had clearly given the school board. Interestingly, the voters probably know best. It is likely the very school which added this addition could be closed within the next 2 years.

Back in 1961 in Niles Nick Blase was carried into office on a campaign independents could run the village better than candidates who were steeped in party politics. He also ran under the banner representatives who had no business interests in town were better suited for public office. Within two weeks after election he got into active politics with the Democratic Party and became the most involved businessman/politician Niles has ever had.

What happens that the promises of pre-election time often are never consummated after the polling booths are shut down? Often the very people who worked so hard during the months of January, February, March and April pack up their tents and steal back into their homes. Their only contact with the people they put in office is via the news columns in the local newspapers.

In suburbia the newspapers are sterile. They're not the watchdogs of the communities. Thus, the public men and women serving suburbia work unmolested. There's seldom any pressure from their constituents to act the way they promised prior to the election. After a few months working at endless meetings, almost by themselves, public officials

## Bids opened on sidewalk program

The Board of Local Improvements Tuesday, April 12 opened 8 bids ranging from \$54,400 to \$72,400 on a 50/50 sidewalk program for removal and replacement of sidewalks and combination curb and gutters "at various locations". Bids were referred to Administration for recommendation.

Bids received came from D'Addosio Construction, \$54,400; M&A Cement Work, Inc., \$61,400; G & V Construction Co. of Berwyn, \$64,200; Miulli Construction Co. of Addison, \$65,950; MJO Construction Co., \$66,100; North Shore Cement, Inc., \$66,370; Schroeder & Schroeder, \$67,490 and Capitol Cement Co., \$72,420.

## Drunken teen accidents up 50% since 19 year old drinking law passed

# Niles may raise drinking age

by Alice M. Bobula

The Niles Village Board April 12 was asked to review the 1973 state law which lowered the age for drinking beer and wine from 21 to 19.

Under Home Rule Niles has the power to set the minimum drinking age at 21.

Trustees were advised that statistics show there is a definite link between drinking and auto accidents, that drunken teen accidents have increased 50% since the "beer and wine" law took effect.

South suburban Burbank and Lansing have already raised the drinking age to 21. Burbank's ordinance, effective last Dec. 1, was brought about after Burbank

doctors became alarmed at drinking problems among 14 to 17 year olds. "The 19 year olds were buying the alcoholic beverages for the mid-teens."

Burbank had a death, prior to its ordinance, of an 18 year old who reportedly combined drugs and alcohol.

A traffic death in Skokie last year of a 12 year old boy prompted state legislation to take another look at the lowered drinking law.

Mayor Nicholas Blase asked trustees to consider the pros and cons, calling for further statistics for use as a basis in continued discussion at the May 26 board

## Motorist arrested in hi speed chase

A Chicago man was arrested April 15 following a hi speed chase thru south and west Niles in an auto traveling up to an over 100 m.p.h. after initially going thru a red light.

Police said approximately 25 police units from Niles and Des Plaines finally apprehended and surrounded the fleeing motorist after his car hit the cement pillars on River rd. under Tri-State 294.

Theodore J. Zauska, 23, of 8740 Berwyn was charged with driving while intoxicated, 2 counts of eluding police officers, 2 counts of reckless driving, resisting arrest, battery, possible possession of cannabis and 2 counts of running

a red light by Niles patrolmen Don Leavitt and C. Affrunti. Zauska was released under \$8,000 bail pending a May 6 court hearing in Niles Third District Court.

Officer Affrunti said he observed a 1974 black Pontiac northbound on Milwaukee ave. go thru a red light at 2 a.m. Friday. He gave chase but the motorist did not pull over, instead going to 50 m.p.h. The motorist turned left on Touhy and drove thru a red light at Harlem.

Niles officer Leavitt said he clocked the speedster at excess of 100 m.p.h. when he spotted him going thru a red light at Oakton st.

According to police records the driver of the speeding auto drove around a roadblock set at River rd. by Des Plaines police continuing to flee until his car hit the pillars.

When Zauska was taken out of the car he refused to be handcuffed said police and allegedly began to fight with Niles and Des Plaines police.

Two passengers, a Chicago female, 19, and a 30 year old Chicago man, were released without charges.

The Chicago man said Zauska was afraid to stop because of a previous traffic record.

## Senior Citizens' NEWS AND VIEWS

**NEWS FOR ALL NILES SENIORS FROM THE TRIDENT SENIOR CENTER — 8060 Oakton st. — 967-6100, ext. 76**

### Sewing class registration

Better hurry and register for the next session of sewing. This class, designed for intermediate and advanced sewers, will meet for eight weeks, two hours each week. The course will cover specific sewing problems, tips and techniques. Students can bring in sewing projects they're working on, for assistance from the instructor. The fee is \$10 and you can register by calling the Center at 967-6100, ext. 76.

McDonald's free breakfast — Monday, May 2 - 7-10 a.m.  
Mark your calendar with this date. That's when McDonald's at Oakton and Milwaukee ave. will be serving free breakfast for senior citizens. This is the third time McDonald's is running their free breakfast program and it should be a great success. The courtesy bus will be stopping at McDonald's, but you must let the driver know you want to get off there. Don't miss the fun and good food.

### Chess — Monday, May 2 - 1 p.m.

Spend the afternoon at the Center playing a challenging game of chess. Whether you're a beginner or more advanced player, there's room for you in the chess group. Les Bale, the chess "expert" is here once a month to give instruction on the fine points of chess.

### Quilting — Wednesday, May 4 - 1:30 p.m.

Be sure to come in for the next meeting of quilting. If you've never done this type of needlework before, you'll find it's a lot of fun. All materials are provided at no charge. If you'd like to try your hand at something creative, plan to come in for quilting.

**Legal services — Wills — Friday, May 6**  
A new service is being offered at the Niles Senior Center in conjunction with the Chicago Bar Association. An attorney will be at the Center, the first Friday of each month, beginning Friday, May 6 from 10 a.m. until 2 p.m. to draw up wills for people. The cost of this service will not exceed \$50 and it's available to anyone 60 years or over, who meets the eligibility requirements. To be eligible for this program, your income must be \$10,000 or less and your assets can't exceed \$10,000, excluding house and car. Appointments are required and can be made by calling the Center at 967-6100, ext. 76. If you would like more information on this program, please call the Center.

**Band concert — Friday, May 6 - 1:30 p.m.**  
As a special program, during the month of May, the Concert Orchestra from Niles Elementary School North will be performing at the Center. This talented group of youngsters, led by Pam Overstreet, gives an excellent concert, playing a wide selection of music for your listening pleasure. Refreshments will be served afterwards. So spend the afternoon of May 6 relaxing at the Center and enjoying good music.

**Metric information — Monday, May 9 - 2 p.m.**  
More and more recipes, weather reports and other measurements are being given in metrics. Fairly soon, all things will have been converted to this system, so we have invited Adele Le Gere to the Center to explain metrics and how to use them.

**Information day — Monday, May 16**  
In honor of May being senior citizen month, an Information Day has been planned. Twenty different state, federal and health agencies will be here for this special one day program. Spokesmen from the Veteran's Administration, Social Security, Housing Authority of Cook County, Visiting Nurse Association and AARP are just a few of the ones that will be attending. There will be a representative from Cong. Mikva's office, and free blood pressure tests will also be given. Watch the paper for more details.

### NILES ALL AMERICAN SENIORS CLUB

We are sorry that the William Freeleys left our club as they recently moved to Chicago, just one house outside of our Niles boundary lines. Too bad we can't get the Zoning Commission to reestablish that line so that these good people can continue to be with us. All of our good wishes go with them and we hope that they visit us occasionally.

### SENIOR CITIZENS DISCOUNTS OFFERED AT BRISK AUTOMOTIVE

Brisk Automotive Supply, 7007 N. Milwaukee ave., Niles (by Hart's Road) is offering Senior Citizens discounts on practically all the 200,000 items in the store. Just about anything your car needs is available at Brisk and for one week only, you can save from 20% to 50%. Now this is some deal when you consider that the regular prices at Brisk Automotive are already discount prices. So, when you can get 20% to 50% more off an already super low price, it's really something. Go there!

### PLEASANTVIEW NURSING CENTER BAZAAR

The residents of the Pleasantview Convalescent and Nursing Center, 6840 Touhy ave., Niles are busy preparing many beautiful and unique items to be sold at their bazaar on Sunday, May 1 from 9 a.m. to 4 p.m.

For the convenience of those who are unable to attend on that date, the bazaar will continue Monday, May 2 thru Wednesday, May 4, 9 a.m. to 3 p.m.

## SPORTS

### Oakton's netters top Triton

Oakton's netters increased their record to 3-0 with a victory over Triton College on April 13 by a score of 9-0.

In singles play Bob Hildebrand, Park Ridge, defeated Bruce Myers 6-4, 6-3. Jim Oehlerking, Des Plaines, beat Ralf Rizkallah 6-4, 6-4. John Provenza, Golf, downed David Nissen 6-3, 6-3. Mark Miller, Northfield, beat Paul Cushing 7-5, 6-1. Marty Avers, Des Plaines, defeated Mike Kelly 6-0, 6-3, and Victor Von Meding, Glenview, beat Mike Ramano 6-3, 6-2.

In doubles action, Hildebrand and Miller combined to defeat Nissen and Cushing 10-4 in a pro set. Oehlerking and Provenza beat Myers and Rizkallah 10-5, while Avers and Von Meding crushed Kelly and Ramano 10-0.

Oakton's coach Tom Jorndt is very optimistic about his team again this year. Oakton has won the Skyway Conference Championship the last three years and Coach Jorndt thinks this year's team can make it four in a row.

## BOWLING

### Oakton continues winning ways

The Oakton Raiders had a very successful week winning seven while only losing one which keeps the OCC baseball team in the thick of the Skyway Conference race.

Ray Borucki continues his hitting streak averaging .444 with 5 home runs and 20 RBI's. Jim D'Antonio is the second leading hitter at .365 with 2 home runs and 17 RBI's.

"We are still scoring a lot of runs and hitting an impressive .321 as a team but the most impressive part is our vastly improved defense along with excellent pitching from our whole staff," Coach Rich Symonds said.

### Bik-A-Thon to benefit athletes

The Niles Township Olympic Committee is sponsoring its second annual Bik-A-Thon on Saturday, May 14 (rain day May 15) with a starting point in Linne Woods at Ferris and Dempster st. in Morton Grove.

The Bik-A-Thon is a fund raiser for seven talented athletes for unreimbursed expenses incurred for national and international competition. Shown above

receiving checks are (l-r) two-time Notre Dame All American fencer from Niles, Tim Glass; Vice Chairman of the Olympic Committee, Earl Numrich from Morton Grove; and Olympian Bart Conner from Morton Grove.

Sponsor Sheets for the Bik-A-Thon are available thru the athletic offices in each Niles Township High School.

### OCC scores at Harper Invitational

The Outdoor Track & Field Team from Oakton Community College placed sixth out of thirteen teams entered in the Sixth Annual Harper Invitational.

The Running Raiders produced two individual champions. Larry Edington won the 440 yard intermediate hurdles (an event he has not lost all year) and Bill Chamberlain won the three-mile as he pulled away from Harper's Will Fieldhouse at the 2 1/4 mile mark to win easily by 60 yards.

Tom Riley placed second in both the one mile run and 880 yard run. Norm Gonzales took a fifth place in the 440 yard intermediate hurdles while Larry Edington grabbed third in the 100 yard dash and sixth in the 220 yard dash.

Oakton will next be competing in the University of Chicago Open on Sunday, May 1.

### Shelton named to 1980 Olympic soccer team

Dave Shelton, a 1974 graduate of Niles West High School, was recently picked as a member of the 1980 U.S. Olympic soccer team. That's what the letter from the U.S. Olympic soccer coach Walt Chyzowich told him. It also invited Shelton to a five day training camp in California to prepare for a competition against the Dutch Olympic team on March 1. Shelton accepted.

The one-time midfielder for the Niles West Indians first learned to play soccer when he was ten at the Morton Grove Park District with his father, Larry Shelton, as the coach. Next, the intramural program at Parkview Junior High School provided him with playing opportunity. By the time Shelton was a senior at Niles West, he was good enough to be selected All-Midwest, All-State and All-Conference midfielder and he was also elected co-captain and most valuable player by his team.

For the past three years Shelton has been playing for the Indiana University soccer team where he was voted the most improved player during his sophomore year.

This past season, as a junior, he helped the Indiana team to win 2nd place in the NCAA championships. This year also, the I.U. team was rated second in the nation.

Two people who said that they were pleased about Shelton's latest achievement are Larry Shelton, his father and first coach, and John Burkel, his high school coach. Shelton Sr. said that "Dave didn't come into his own as a soccer player until he was in high school." He described his son now as an aggressive soccer player with a good fundamental knowledge of the game, with tremendous stamina. "Dave reads the game well," he added.

Shelton Sr. is a soccer player who was taught in Europe. He was under observation for a spot on the 1948 U.S. Olympic soccer team, until he had to tell the coach that he was then not yet an American citizen. At present, he still coaches for the Morton Grove Park District and is a supportive force behind the Niles West soccer teams.

Shelton said that he's looking forward to the next four years, the game plan for which has already been determined. After training and competing in the U.S. for the rest of '77 and '78, the U.S. Olympic soccer team will begin preliminary qualifying competitions for the games. Shelton explained that only 16 countries will be able to send their teams to the 1980 Olympic soccer games — the 16 survivors of the qualifying competitions during 1979 and part of 1980. "We hope to be one of those 16 teams," said Shelton.

### Loyola elects honor students

The names of the juniors elected to the National Honor Society at Loyola Academy in Wilmette have been announced by the Rev. James C.L. Arimond, S.J., headmaster. Local students include John R. Smith of Des Plaines; Chris D. Tavolacci of Skokie; Michael H. Filippini of Lincolnwood.

## Church & Temple Notes

### "Pearls from the Orient"

Mr. and Mrs. Jemon Alparaque, "Pearls from the Orient", will present a sacred concert at the Belden Regular Baptist Church, 7333 N. Caldwell, Niles on Sunday, May 1 at 7 p.m.

Born and educated in the Philippines, the Alparaques are touring the United States, presenting the gospel message in music and by preaching.

Mrs. Alparaque is an outstanding soloist, having won many honors and medals in singing competition in her homeland.

The public is cordially invited.

### "Dying and Death"

"Anatomical Gifts: Under what conditions may a person donate his body or a single organ to 'medical science?'" is the topic for

the May 8 (9:15 a.m.) meeting of the series **Dying and Death** for high school youth and adults sponsored by Saint Luke's Lutheran Church, 205 N. Prospect ave., Park Ridge. The speaker will be Mr. William Roach, Jr., Esq.

All meetings of the series are at the church on Sunday mornings.

### MTJC

Gary Behr, son of Mrs. Susan Johnson, and Mark Seglin, son of Mr. and Mrs. Roy Seglin, will celebrate their B'nai Mitzvah Saturday morning, April 30, 9:30 a.m. at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines. Bradley Fine, son of Mr. and Mrs. Irwin Fine, will be called to the Torah during Mincha-Maariv services that afternoon at 6:30 p.m. Rabbi Jay Karzen and Cantor Harry Solowinich will officiate.

### NSJC receives special citation

The Northwest Suburban Jewish Congregation of Morton Grove receives a special citation from the Board of Jewish Education of Metropolitan Chicago for distributing \$20,000 in scholarship allowances for an intensive religious education in its religious school.

From left to right—Norman Greenberg, School Board Chairman; Lewis Greenberg, Congregation President; Lawrence H. Charney, Rabbi; Dr. Samuel Schaffer, Superintendent of the Board of Jewish Education; Aaron Klein, Congregational Educational Director.

### Baha'i Community of Niles

Nine members of the Baha'i Community here were elected to the Niles Spiritual Assembly on April 21. The election took place during the Baha'i Festival of Ridvan (Paradise) which lasts twelve days from April 21 to May 2. The festival commemorates the public proclamation made by

Baha'u'llah near the city of Baghdad in Iraq in 1863 that He was the Promised Messenger of God expected by all religions.

The nine elected to serve for one year on the Spiritual Assembly are Michael Carr, Eleanor Gilardon, Richard Kearns, Gerald Kogen, Javier Martinez, Gail Orner, Darral Pugh, Mary and Robert Taylor.

The Spiritual Assembly is the administrative body of each Baha'i Community. Some of its responsibilities are arranging public meeting, officiating at weddings and burials, managing the Baha'i Fund, conducting classes for children and adults, and mediating differences which may arise in the community.

All Spiritual Assemblies all around the world are elected during this period.

### Congregation Adas Shalom

The Bar Mitzvah of Mitchell Lebovitz, son of Mr. and Mrs. Norton Lebovitz, will highlight Saturday, April 30 morning services at Congregation Adas Shalom, 6945 Dempster, Morton Grove. Rabbi Louis Lieberworth will deliver the charge.

Everyone is invited to the Friday evening family services starting at 8:15 p.m. with an Oneg Shabbat following services. The Men's Club is sponsoring a family brunch on Sunday, May 15 in the synagogue starting at 10 a.m. There will be lox, bagel and all the trimmings. Adults are \$2.50; children over 6 to 13 are \$1.50 and under six are free.

If you would like more information about Adas Shalom and its activities, please call 965-1880.

## of Interest to Women

### Health care program for Women's ORT

Preventive medicine will be the topic of discussion at the April 26 meeting of the Women's American ORT, Shoreline chapter.

Mrs. Cele Kominsky, of Chicago's George and Anna Portes Cancer Prevention Center, will speak on health care for women at the Tuesday evening meeting to

be held at the Oakton Fieldhouse in Skokie.

Mrs. Kominsky, 3440 N. Lake Shore dr., is a member of the board of directors for the non-profit Cancer Prevention Center. Considered one of the largest health screening facilities of its kind in the world, the Center, 33 W. Huron st., offers head-to-toe physical examinations for apparently healthy individuals.

In recent years, an average of 25,000 men and women annually have been examined at the Center, according to President Herbert Portes. Appointments may be made by calling 440-7110.

### "Omelettes"

MONACEP gourmet cook Elaine Sherman will present an afternoon demonstration class in preparing "Omelettes" on Fri., April 29. The session will meet from 1-3 p.m. at The Complete Cook, 222 Waukegan rd., Glenview.

Ms. Sherman, who has studied at Glenview's Dumas Pere School of French Cooking, will show students how to transform a basic omelette into the focus of a dinner party, snack, or family meal.

Tuition for the afternoon session is \$7 for both residents and non-residents of Maine and Niles Townships.

For further information, call the MONACEP office at Oakton Community College, 967-5821.

### Welcome Lauren Christine

A girl, Lauren Christine, born on April 13 to Mr. and Mrs. Phillip Gillespie of Bartlett. She has two brothers, Brian 5 and Kevin 2. Proud Grandparents are Mr. and Mrs. George Small of Mount Prospect and Mr. and Mrs. Ray Gillespie of Niles.

### Oakton offers psychology

Three sections of Psychology of Personal Growth (PSY 107) designed especially for women will be offered during the summer term at Oakton Community College.

One section of the three-credit course (PSY 107 20F) will be held at an off-campus location, Morton Grove Community Church, 8944 Austin, Morton Grove, from 9:30 a.m.-noon on Tuesdays and Thursdays. The other two sections—(PSY 107 21F) will be offered on the OCC Interim Campus, Oakton and Nagle, Morton Grove, from 12:30-3 p.m. on Mondays and Wednesdays and (PSY 107 22F) from 6:30-9 p.m. on Tuesdays and Thursdays.

The Psychology of Personal Growth classes which are intended especially for women emphasize feelings, conflicts, and goals, helping students to develop listening skills, clarify values, define their options and set long and short-range goals.

Mail or drop in registration is available now through May 21. Open registration for the Oakton summer term, which begins on June 13, will be held on Monday and Tuesday, June 6 and 7 from 10 a.m.-2 p.m. and from 6-8 p.m.

For further information, contact Oakton's Office of Admissions at 967-5120, ext. 392.

### Slimnastics class

The Golf Maine Park District is adding a Slimnastics class to the summer schedule of programs. Slimnastics is a class designed for adult women who want a stimulating morning workout that will aid in keeping the body trim and flexible. The class will meet on Tuesday and Thursday mornings from 9:30 until 10:30, beginning June 14th and continuing until August 18th.

Registration will be taken for either a two day per week class, or for a one day per week class. The fee for the two day per week class will be \$23, with a \$11.50 fee for the one day per week class. There will also be a babysitting service available for children over one year of age at a charge of \$1 per hour for slimnastics class only.

For more information on the slimnastics class, or any other program that the park district offers, call the office at 297-3000.

### Geranium Sale

Members of Maine North's Parent-Teacher-Council (PTC) prepare for the PTC's Sixth Annual Geranium Sale on Saturday, May 7, from 9 a.m. to 5 p.m. Geranium sale coordinators (kneeling, left) Mrs. Mary Buettgen, Mrs. Florence Ichiba, (standing) Mr. Sherm Roth, Mrs. Marilyn Tyckson, and Mrs. Marian Geppert hope to raise money for school related projects. Each geranium plant is \$1.25 or \$14 per dozen. Area residents may purchase geraniums at: Rennecker's Drug Store, 1836 Glenview rd., Glenview; Ace Hardware, 1517 Waukegan rd., Glenview; and Harry's Shoe Center, Mt. Prospect Plaza. Advance orders may be mailed to W. W. Buettgen, Chairman - Geranium Sale, 38 Lincoln st., Glenview, IL 60025. Checks should be made payable to Maine North P.T.C. Advance orders will be delivered free with minimum purchase of 12 plants.

### Applications available for Maine's preschool classes

Applications are now available at the four Maine Township High Schools for those parents wishing to register their children for the preschool classes to be held at each of the schools during the first semester of the 1977-78 school year. The classes, conducted by junior and senior students under the direction of a certified child development teacher, are the laboratory part of the Child Care Occupations course offered by the Home Economics Department at each Maine school.

The classes enable Child Care Occupations students to observe the growth and development of young children and to gain experience in supervising their activities.

Ten to fourteen children of preschool age will be enrolled in each class. To be eligible for acceptance, children must be between three and one-half and four and one-half years of age on September 1, 1977.

The programs at all four schools are similar, but vary regarding times and days on which the classes meet. A letter accompanying the application

### Weight No More

This article is directed to those readers who are interested in losing weight and keeping it off. Weight No More classes offer you an adult educational reducing program based on the idea that "Knowledge is the Key to Successful Weight Reduction".

A weight control program must deal with causes. Weight No More presents a dynamic program which deals with many areas of weight control. Its dedication is to teach those who have the willingness to learn. Wrong foods create and cater to bad eating habits. Linda Kraus, president and founder of the Weight No More program, says, "My program is not to see how little we can eat, but how much of the right foods we can eat and still lose weight readily."

At Weight No More classes the individual is taught not only what to abstain from but what to put in place of those foods and why. Once unwanted pounds are lost the proper guidance is given in the art of maintaining this new found slim status.

Open house session Wednesday, May 4 at 6:30 p.m., Niles Recreation Center.

### "Miss Israel Independence" Spring luncheon

Ehud Avriel, Consul General of Israel to Chicago and the Midwest, crowns Robin Borenstein, 17, of Lincolnwood "Miss Israel Independence." Robin, a junior at Niles West High School, will reign over the Israel Bond "Salute of Stars" festival, Sunday, May 1 at the Civic Opera House. The event celebrates the 29th anniversary of Israel's independence and the 10th anniversary of the reunification of Jerusalem. Highlighting the entertainment program are Phyllis Diller, David Steinberg and Frankie Avalon.

### Indoor flea market

The Women's Guild of St. Luke's United Church of Christ, Morton Grove, is sponsoring an Indoor Flea Market on May 14, 9:30 a.m. to 3 p.m. Table space may be purchased for \$10 per table, or half a table for \$5. Reservations may be made thru the church office at 9233 Sherman rd., Morton Grove, 966-9233, Monday, Wednesday or Friday, 9:30 to 3 p.m. A \$5 deposit is required. Space is limited. The deadline for table reservations is May 7. Plan early to turn your usable unwanted items into cash.

### Heritage B.B.W. members installed

On April 17 at the Lincolnshire Marriott, B'nai B'rith Women, North Suburban Illinois Council held its installation. Among officers installed were 3 from Heritage Chapter: Shirley Sax of Morton Grove will serve as Membership Vice President, Nancy Goldwater of Skokie, as Administrative Treasurer, and Doris Ladin of Morton Grove as Corresponding Secretary. At this culminating award luncheon recognition was also given to Heritage Chapter's Leah Greenberg as Outstanding Member of her Chapter, and to Shirley Sax as Outstanding Volunteer and highest fund-raiser for her chapter.

### Jewish treats

"Blintzes and Noodle Kugel", two favorite Jewish foods, will be the focus of a one-evening demonstration and tasting on Wednesday, May 4, sponsored by MONACEP, the adult and continuing education program of Oakton Community College. The session will be held from 7:30-9:30 p.m. at Niles North High School, 9800 Lawler, Skokie.

The instructor, Cynthia Berland, is a Chicago resident who has taught similar courses at the Mayer Kaplan Jewish Community Center in Skokie, and the Henry Hart Jewish Community Center in Chicago. She will provide participants with recipes for the featured dishes.

A fee of \$7 will be charged for both residents and non-residents of Maine and Niles Townships.

### Tenth District Women's Clubs plan meeting

### Attempted robbery

A 61 year old woman on her way home at 2 p.m. Tuesday, April 19 hung on to her purse, preventing an attempted theft by car thieves.

The victim said she was walking to her home on Lawler when a small yellow car pulled up alongside and the driver asked directions to Old Orchard Shopping Center. The passenger leaned out and grabbed the victim's purse as the driver stepped on the gas westbound on Mulford. The victim held fast to her purse but was knocked down, cutting both hands and breaking her glasses and wristwatch.

### Possible overdose

Police were called to a south-east Niles home Thursday at 10

p.m. on report of an overdose. The victim, incoherent and in a dazed condition, was taken to Lutheran General Hospital.

### Exposure

A blond-haired motorist in her early 20's driving a red Mustang reportedly exposed herself to two 14 year old girls in north Niles on Thursday.

The girls told police they were walking toward Woodrow Wilson school around 7:30 p.m. when the driver, waiting at the Stop sign, asked for directions. When they observed what he was doing the girls screamed and the driver sped away on Harrison st.

### Beer and marijuana

Two 18 year old Skokie youths were arrested Wednesday, April 20 and charged with possession of cannabis (marijuana) and possession of alcohol by a minor.

Police on routine patrol said they observed five youths working on a car on Nordica near Oakton. Closer investigation revealed numerous cans of beer, an odor of marijuana and a plastic bag containing a green leafy substance. Two of the Niles East youths were taken to the police station. Their three companions were released when they claimed no knowledge of the beer or marijuana.

### Transvestite

A 35 year old Des Plaines architect was released by police Monday with a warning to refrain from entering the Sears store or washroom dressed-as a woman.

A Sears security agent said he observed the man enter the ladies washroom dressed as a female, wearing a woman's dress, nylons, high heeled shoes, heavy makeup and a long blond wig.

### No plates, no license

A 21 year old Morton Grove woman stopped by police at 7700 Milwaukee ave. April 18 for having no license plates was also charged for driving under a suspended license.

She was released under \$1,000 bond pending a June 2 court date.

### Rifle practice

In unrelated incidents, air rifles were blamed for property damage to a school and two residences last week.

Vandals shot one hole in each of 6 windows on the west side of Woodrow Wilson School, 8257

Harrison, over the weekend of April 16 causing an estimated damage of \$600.

Police said pellets from an air rifle were shot through 2 storm windows and 2 inner windows of a home on the 7800 block of Harlem ave. with estimated damage of \$75.

A resident in the 6900 block of Concord Ln. told police someone fired a .22 cal. rifle thru the kitchen window of his home at noon on Tuesday.

**Theft under police surveillance**  
Three Schiller Park youths were arrested and charged with theft Monday, April 18 when they failed to note they were being observed by Niles police.

Arrested were Tony Fortrich, 17, of 9244 Sally In., Dean Quagliato, 17, of 9841 Soreng and Rich Ross, 18, of 9448 Lawrence ct.

Police said they were on surveillance in the Kingston Apartment Complex on Golf rd. due to complaints of numerous thefts occurring in the area when the three offenders drove into the lot. One began removing the spoilers from a 1975 Trans Am parked 3 cars away from the police car. The other two were "lookouts".

Police said the offenders were interrupted at their work several times by other motorists coming into the area.

As the youths left the parking lot they were apprehended by other Niles police waiting at the entrance of the lot and taken to the police station where the victim signed complaints against them.

### Thefts from cars

Thieves took an estimated \$600 in tools from an Elk Grove Frigidaire repairman's car parked at 7415 Harlem ave. over the weekend after they gained entry thru a side vent window.

An Arlington Heights man reported a CB radio valued at \$115 was taken from his 1973 maroon Buick while parked Tuesday morning at 8700 Dempster st. Damages to car were estimated at \$35.

A stereo and FM unit and 45 tapes valued at \$610 were stolen from the car of a resident on the 8000 block of Lyons st. April 19 after thieves cut thru the top.

## Man's worst enemy is his carelessness

Our local Fire Chief Albert L. Hoelbl has provided this 13 article series on fire prevention and emergency procedures in the interest of greater safety in the community. The material and statistics have been compiled from information which comes across Chief Hoelbl's desk. He feels, in sharing this with the local citizens, some fire losses may be prevented, and perhaps even unnecessary loss of life.

This is article No. 6 in our fire prevention series and today we will discuss the most dangerous enemy man has ever known ... his own carelessness.

Carelessness, according to the dictionary, means not paying enough attention to what one does. Nowhere in our daily lives is carelessness more important than in the prevention of fire around the home.

Carelessness is ... leaving matches, cigarette lighters, and other smoking supplies within the reach of children. A very large percentage of home fires are still caused by children playing with matches!

Carelessness is ... leaving a portable electric, or open-flame gas heater in operation when you are leaving the home. Electric heaters use a lot of electricity, and their wiring is subjected to extreme heat. Thus insulation may burn out unexpectedly much more rapidly than you may anticipate, and cause sparks. Gas heaters throw much more heat than we realize; therefore, it is simple to ignite nearby drapes, bedding, etc.

Carelessness is ... emptying ash trays immediately after the company leaves, and retiring for the night. Whenever you empty an ash tray, put all the refuse in a tin can and run water over it. A large number of home fires are caused by waste baskets being set on fire in disposing of ash tray contents. Smokers in the home should be reminded not to place cigarettes, cigars, or hot smoking pipes down on counters, table tops or the like. These items should always be placed in ash trays — insist on it!

Carelessness is ... leaving home for a trip and not unplugging all electrical appliances including reading lamps. Home fires are frequently caused by malfunctioning appliances which suddenly begin to spark.

Carelessness is ... leaving your home, if only for a moment, and allowing your clothes iron to remain plugged in. Irons sitting upright on the ironing board can easily fall over and often do, causing fires.

Carelessness is ... forgetting to have your chimney cleaned out each year before the heating season starts. This is important — put it on your calendar! At the same time, have your furnace unit cleaned and checked for efficient operation.

Carelessness is ... smoking in bed! Regardless of how many times you've done it and nothing happened, there's always that first time you may fall asleep unintentionally. Thousands of fires yearly start with smoking in bed.

These are just a few of the simple acts of carelessness that cause fires in our homes. Perhaps it will generate your thinking on other things you should be more careful of regarding fire potential. Remember, the best way to fight fire is don't have one!!

## Safety factors for self service gas stations

Beginning May 1, 1977, Illinois will join 47 other states by allowing self-service gasoline dispensing at service stations. Proponents of self service cite cost savings and convenience as major advantages, however, much of the burden for accident-free dispensing will now be placed on the individual driver.

Fire Chief Fred N. Huscher and members of the Morton Grove Fire Department offer the following safety factors to be observed:

1. **Shut off the engine** — Upon stopping at the service island of any gasoline station always shut off your engine. It is of utmost importance that this rule be observed in warm and cold weather.

2. **No smoking** — Extinguish all smoking materials: matches, lighters, and similar devices before attempting to dispense any flammable liquid.

3. **Observe operating instructions** — Follow the posted instructions for the operation of the fuel dispensing pump.

4. **Report spills** — Immediately report any gasoline spill to the

service station attendant so that the appropriate action may be initiated.

5. **Replace gasoline tank cap** — Be sure the fuel dispensing nozzle is properly replaced on the pump and the gasoline tank cap is securely replaced before attempting to leave the station.

6. **Portable cans** — Be certain that any portable containers used to store gasoline (for lawn mowers, boats, etc.) are approved for that use. Portable containers must be constructed of metal, have a tight closure, and be fitted with a spout or so designed that the contents can be poured without spilling. The container must be painted red and clearly marked with the name of the contents. State law requires that only service station attendants may fill portable containers.

### Crime Prevention Tips

Lend the police your eyes and ears. Report any suspicious activity in your neighborhood to the police.

## Lake Forest student government officer

David Weisbecker, a junior, was elected vice president of Student Government at Lake Forest College. David beat Louis Dumser, a freshman from Houston, Texas, by a margin of 2 to 1.

David has been a member of the varsity soccer team since 1974. He was chosen for all conference honors in 1975 and 1976. He is a member of the College Council and the Speaker-Lecturer-Fine Arts Board.

He is the son of Mr. and Mrs. George E. Weisbecker of 8719 Elm dr., Des Plaines.

## Lutheran General hospital week programs

Area residents are invited to participate in several public health education programs at Lutheran General Hospital, Park Ridge, during National Hospital Week, May 8-14.

The programs cover four of today's most popular health care topics: the Heimlich Maneuver, a simple procedure used to rescue a person choking on a piece of food; Cardiopulmonary Resuscitation (CPR), a life-saving procedure performed on a person who stops breathing or suffers a cardiac arrest; Communication Disorders, problems resulting from hearing loss or speech diffi-

culties; and Hypertension, a major cause of stroke, heart attack and kidney disease.

The programs which will be conducted by Lutheran General personnel, will focus on preventive medicine and will carry out this year's Hospital Week theme — "We put the care in health care". Appropriate demonstrations or testings will be included in each program. All programs except the one on Monday night will be held in the hospital's chapel-auditorium; the Monday night program will be held in the 10th floor east dining room.

The dates and time for the scheduled programs are:

7, 8 and 8:45 p.m. Monday, May 9 — The Heimlich Maneuver: a film, demonstration and practice session by Deborah Buckley, R.N., B.S.N., emergency medical systems coordinator. Representatives from local fire departments will assist in the practice session.

7 and 8:30 p.m. Tuesday, May 10 — An Introduction to Cardiopulmonary Resuscitation: a film and demonstration of the technique by Barry Ellerson, clinical coordinator of respiratory therapy. (On Wednesday of National

Hospital Week, there will be no charge for those who have registered for the hospital's complete CPR course.)

7 to 9 p.m., Wednesday, May 11 — Communication Disorders: a brief description of various communication disorders to be followed by individual hearing screening by members of the hospital's speech pathology-audiology department.

7 to 9 p.m., Thursday, May 12 — Hypertension: a brief explanation of hypertension and the importance of early detection by Suzanne Rottet, R.N., health education coordinator.

## Carter energy proposal courageous: Mikva

Congressman Abner J. Mikva complimented President Carter's energy proposal as "courageous, comprehensive and balanced" but predicted that the President will have difficulty securing Congressional approval of some parts of it.

"Finally, after years of talking about an energy crisis, a President has placed the problem at the top of the legislative agenda and is making an effort to bring home the seriousness of the problem to the American people," Mikva said.

"After the Arab oil embargo, a six-fold leap in the price of oil and this winter's natural gas crisis, I believe the Congress is willing to cooperate in getting through a comprehensive national energy program, and the American people are willing to accept any reasonable approach to the problem," the Congressman added.

Mikva admitted, however, that some parts of the plan face stiff opposition in Congress and it is impossible to predict the eventual outcome of individual proposals, much less the chances of fulfilling Carter's overall energy-efficient goals set forth in his speech before a joint session of Congress last week.

"The sections of the plan easiest for Congress and the American people to accept, such as giving a tax credit to people who insulate their homes or buildings, will probably be approved with little opposition. Among the toughest sections, obviously, are those that would increase the tax on gasoline and on fuel-inefficient cars," Mikva predicted. He is a member of the House Ways and Means Committee, which will decide the tax-related sections of the Carter plan.

There is also an inevitable battle shaping up along geographic lines, with legislators from oil and natural gas-producing regions opposing any measure that increases taxes and controls on those resources, Mikva added.

"The most important element in any plan is that the American people and the Congress finally recognize and come to grips with the critical energy situation that has been allowed to grow more critical each year," Mikva said.

## Law week mock trial participants

Park Ridge attorney John E. Owens, Judge James A. Geocaris of Third Municipal District in Niles, Northwest Suburban Bar Association president Richard R. Rochester, executive vice president John Biesiek of Arlington Heights, and Law Week co-chairman Matthew L. Salita are involved in plans for mock civil trials on May 4 at Prospect and Maine East High Schools in observance of Law Week 1977.

In connection with the annual observance of Law Week the first week of May, Northwest Suburban Bar Association is conducting mock trials in two area high schools on Wednesday, May 4.

Arrangements for the courtroom recreations have been made by Park Ridge attorney John E. (Jack) Owens, and Matthew L. Salita of Highland Park, Law Week co-chairmen. The trials will be staged at Prospect High School auditorium in Mount Prospect at 8:45 a.m., and at Maine East High School in Park Ridge at 10:45, according to Owens.

Judge James A. Geocaris, presiding judge of the Third Municipal District in Niles, will be the judge in each mock civil trial based on the case of Mary Smith, administratrix of the estate of John Smith, deceased, vs. Ajax Bus Co. John E. Owens will be the Plaintiff Counsel and Mike Minton of Mount Prospect will be the Defendant's Counsel.

Other Northwest Suburban Bar Association members playing roles in the mock trial include Sheldon L. Bank, Mary C. Schlott and Robert M. Smith of Arlington Heights, Robert McLennan of Park Ridge, Milton C. Hansen of Barrington, and Bernard H. Breyman of Chicago. The defendant and the jurors at each trial will be selected from the student body at the school.

"Partners in Justice" is the theme chosen for Law Day and Law Week observances this year. Law Day U.S.A. was first established by Presidential proclamation in 1958, and in 1961 the first of May was set aside by Joint Resolution of Congress as a "special day of celebration by the American people in appreciation

of their liberties and the reaffirmation of their loyalty to the United States of America."

Each year the President issues a proclamation and local Law Day proclamations are made by Governors and Mayors. An estimated 50,000 Law Day programs and other forms of observances are held throughout the country on or near May 1, including addresses, sermons, school assemblies, mock trials, courthouse tours, naturalization ceremonies, essay contests, television and radio shows, films, dramatic skits, and special exhibits and window displays by banks and other business institutions.

The purpose of Law Week is "to advance equality and justice under law; to encourage citizen support of law observance and law enforcement; and to foster respect for law and understanding of its essential place in the life of every citizen of the United States," according to co-chairman Owens.

## Plan Egan fundraiser

State Senator Robert J. Egan (D-16, above - left) meets with Richard J. Martwick, Cook County Superintendent of Schools, who is serving as Honorary Chairman of Egan's upcoming fundraiser to be held on May 5 at Shanghai Li's, 5415 N. Milwaukee. The Royal Hawaiian Revue will highlight the evening. For ticket information, call RO 3-1616.

## Illinois State Police fatality report

Captain William P. Burt, State Police District Commander for the Cook County area, announced today provisional figures which indicate that during the month of March 55 persons were killed in traffic accidents in Cook County.

District 17 Troopers investigated a total of 605 traffic accidents in March, bringing the total of three months of the year to 2416.

The Superintendent of the Illinois State Police, Lynn Baird, announced today initial reports indicating that during the month of March 168 persons died from injuries sustained from traffic accidents on Illinois highways. Provisional figures indicate that 409 people were killed from Jan. 1 thru March 31 of this year. The total reflects a decrease of 13 from the number of fatalities reported in 1976.

## Morton Grove Library Happenings

Are you having a problem with an elderly parent in your family? Do you need some professional advice about caring for an aging parent? If so, come to the Morton Grove Library and hear the discussion of "Concern About Your Aging Parents", either on Thursday, May 5 at 2 p.m. or on Monday, May 9 at 7:30 p.m.

The discussion will be conducted by Frances Philbrick and Anne Pollack, social workers from Family Counseling of Evanston and Skokie Valley. They will also hold private counseling sessions on Monday and Thursday afternoons at the Library throughout the month of May. The program is free of charge and is directed to the children of aging parents and their particular problems.

The securities firm of Paine, Webber, Jackson and Curtis will present the third and last lecture in its seminar on financial investments on Monday, May 2 at 7:30 p.m. Mr. Bujon of the firm will give welcome advice on how to invest wisely and with results.

## Cancer benefit

May 15 is the date for this year's American Cancer Society Bike-A-Thon to be held in Arlington Heights, Elk Grove Village, Hoffman Estates, Mt. Prospect, Palatine, Park Ridge, and several other communities all over Chicagoland. The starting time for the routes in this area is 9 a.m. In addition, there will be a special "adults only" route on Saturday evening, May 14, from 7 p.m. to 10 p.m. at the Woodfield Shopping Center.

People wanting to ride in the Bike-A-Thon should pick up their sponsor sheets at local bike shops and merchants displaying the Bike-A-Thon poster, or they may call the American Cancer Society office at 358-3965. Prizes will be awarded to the most successful riders on each route.

A reminder to riders: all riders who have obtained total pledges of at least \$5 per mile will be awarded a special certificate.

## Legionnaire Katsoulis awarded plaque

Morton Grove Legion Corporation President, Philip Cancellieri (right) presents plaque to Past Corporation President, Gus Katsoulis, "in recognition of 11 years of devoted service to the Board of Directors of the Corporation of Morton Grove Legion Post 134."

Morton Grove Post 134 of the American Legion Corporation President, Philip Cancellieri presented Past Corporation President and Legionnaire for 18 years, Gus Katsoulis a plaque "in recognition of 11 years devoted service on the Board of Directors of the Corporation of Morton Grove Post 134."

The program is free of charge.

## Maine Township senior citizen activities

Maine Township will sponsor three senior citizen activities during May, highlighted by a luncheon and theatre party. Maine Township Senior Citizens Coordinator Ferdinand C. Arndt announced today.

On Wednesday, May 11, the seniors will travel to the Marriott in Lincolnshire for lunch and a matinee performance of the "Glass Menagerie" starring Maureen Stapleton at the Drury Lane North.

Arndt said up to 400 seniors can be accommodated and that reservations will be taken on a first-come, first-served basis. Cost of the entire program is \$5.60 per person. Buses will leave from 815 Lee st., Des Plaines at 10:30.

On Wednesday, May 2, the senior citizens will hold their regular monthly afternoon gathering for bingo and cards at The Greens, 8909 David pl., Des Plaines. Bingo will begin at 1. Coffee and rolls will be served.

On Wednesday, May 18 the seniors will meet for their monthly luncheon program at the Casa Royale, Des Plaines. Following lunch, a RTA representative will discuss the growth of the RTA and the special fares available for senior citizens.

Arndt said reservations are required for both luncheon meetings and that only bona fide residents of Maine Township are eligible to participate. For Reservations call Arndt or Bea Ballin at 827-0745.

Arndt added that the organization is also planning a five-day trip to Mackinac Island between June 18 and 22. Interested persons should call Marianne Del Misser at 966-9004.

### Seek volunteers as 'Special Friends'

Special Friend is a program designed to link adult volunteers with youth of the township who do not have a parent or other adult who will take the time to be a friend.

The Maine Township Committee on Youth, sponsoring the program, believes that many of the youths they see in counseling suffer by not having a positive adult influence in their lives.

They say the need is particularly serious for boys, ages 8 to 16. These boys either do not have fathers or their fathers do not

involve themselves with their sons.

Maine Township Committee on Youth is looking for volunteers over 18 who feel they can relate to young people and who have four to six hours a week to spare. This time can be spent in activities that the volunteer and the youth mutually agree upon.

Interested individuals are invited to call Maine Township Committee on Youth at 296-6644. They will answer your questions and send you an application.

### Notre Dame 1977 basketball awards

The annual awards night and banquet for members of the basketball teams at Notre Dame High School, Niles, was held at the Bunker Hill Country Club on April 21 at 7 p.m.

Two seniors, Greg Kapka and Mike Lepold of Niles, received major letters for the third time. They were the co-captains for the season. Kapka also received a trophy for having the best free throw percentage (.750) and Lepold received a trophy as the best offensive player for the second year. Lepold was named to the All Conference team of the East Suburban Catholic Conference and Kapka received honorable mention at the same time. Both Kapka and Lepold received the same conference honors last year. Lepold was second highest scorer for NDHS in the ESCC.

Three seniors received major letters for the second year. They were Tom Hlava of Niles, Dean Kornacker of Chicago, and Brendan McCarthy of Niles. Ron Bielski, a junior from Niles, received a major letter for the second time. McCarthy was also named to the All Conference team of the ESCC and received a trophy as the most improved player for the second time. McCarthy was the leading NDHS scorer in the ESCC and was ranked ninth with 141 points and 321 overall.

Two senior managers, Tom Byron of Park Ridge and Pete Finan of Chicago, received major letters for the second time.

Bill Heinz, a senior from Skokie, received a major letter for the first time. Ed Eshoo of Niles, Joe McEnerney of Skokie, and Jeff Patton of Niles, all juniors, received major letters for the first time. Dennis O'Donovan of Niles, a junior, received a letter for the first time as a manager. Patton

received three trophies. They were awarded for being the best rebounder (212 for all 26 games), best defensive player, and Most Valuable Player by a vote of his teammates.

Kevin Nagel, a senior from Morton Grove, received a junior varsity letter. Four juniors who received junior varsity awards were Dean DeSantis of Niles, Sam Gabuzzi of Skokie, Bill McGrath of Niles, and Bill Reilly of Chicago.

The overall record of the varsity was 14-12 and 5-7 in the ESCC where they ranked third behind St. Joseph with 7-5 and St. Patrick and Holy Cross who were 10-2 for the season. The ESCC was extremely tough this past season and was the top basketball conference in all Chicagoland by a study of statistics. Notre Dame High School ranked 88th out of 208 teams in Chicagoland in Jerry Shnay's Power Ratings published in the Chicago Tribune on April 6. These ratings were based on a percentage of each team's victories, strengths and weaknesses of all opponents, home court and injury factors. Games against any out-of-state opponents were not included in the ratings. These were Class AA Schools. The NDHS team scored 631 points to 605 for the opponents.

Sophomores who received their sophomore letters were Joe Book-er of Niles, Jim Chrystal of Park Ridge, Rich Dietz of Glenview, Rich Glass, Dennis Gushurst, and Chris Piazza of Niles, Ed Puiasis of Glenview, Mike Rigali of Park Ridge, Ken Ugel and Jack Walsh of Niles, and Jeff Whelan of Rosemont. Dan Rago, a freshman from Chicago, received a sophomore letter for playing in 16 games. Bob Adams, Mike De-Filippis, and Tom Wittgen of

Niles received sophomore letters as managers.

The overall record of the sophomore team was 15-9 and 5-7 in the ESCC where they ranked fourth in a tie with Carmel of Mundelein. The sophomores scored 459 points to 426 for their opponents.

Freshmen receiving numerals for participation on the frosh team were Jack Anton of Park Ridge, Rich Azzaro of Des Plaines, Ted Bieniek of Niles, Bob Bordignon and John Cronin of Des Plaines, Dave and Don DeSantis of Niles, Don Dohr of Park Ridge, Jim Dzurisin of Des Plaines, Dave Fleisner of Niles, Glenn Goorsky of Niles, Steve Heldmann of Glen Elyn, Tom McCarthy of Evanston, Lee Miller of Northbrook, Bill Monaco of Chicago, Dennis Pedrelli of Niles, Steve Puiasis of Glenview, Ron Richter of Skokie, Joe Stevens and Vito Straziota of Niles, Jim Viola of Park Ridge, John Teets of Niles, Mike Whelan of Rosemont, and Dan Woloszyn of Niles. Bill Barrett and John Gambio of Niles received numerals as managers. Steve Puiasis received the Bob Pecararo award.

The overall record of the freshman team was 5-16 and 2-10 in the ESCC. The freshmen scored 322 points to 364 for their opponents and lost seven games by four points or less.

Leading scorers for the varsity were McCarthy with 321 points, Lepold 276, Hlava 252, Kapka 194, Patton 184 and Kornacker 97.

Top point men for the sophomores were Ed Puiasis 435, Chrystal and Gushurst with 177, Walsh 170, and Glass 68. Freshmen were Richter 135, Teets 132, Rago 118, Straziota 101, Goorsky 87, Stevens 74, Fleisner 66, Bieniek 52, Viola 50.

### Seek Maine alumni for Diamond Jubilee planning

Maine East alumni who wish to become members of a Diamond Jubilee Committee and take part in planning activities to celebrate the Maine Township High Schools' 75th Anniversary are invited to attend a meeting to be held in the Faculty Lounge at Maine East on the evening of May 5 at 7:30 p.m.

Alumni who will be unable to attend the meeting but who wish to participate in the Diamond Jubilee may call Dr. Lynn Dieter at Maine East, 825-4484, for further particulars.

The first Maine Township High School opened in the fall of 1902 with an enrollment of 35. The

district now operates four high schools and has a student population of 11,620.

The Diamond Jubilee theme and motif is being incorporated into school activities all during 1977. Also, plans have been made to climax the year-long recognition of the 75th Anniversary with a Choral Concert next November, to which the entire community will be invited. It is hoped that alumni in the Chicago area will attend the May 5 meeting at Maine East to help plan other Diamond Jubilee activities that will bring together "old grads" at Homecoming and other events next fall.

### MONACEP CPR programs

Registration is now open for two MONACEP classes in "CPR (Cardiopulmonary Resuscitation) Rescue": one an all-day workshop scheduled for Saturday, May 7, and the second on two Wednesday evenings beginning on May 11.

CPR is a technique designed for non-medical personnel which enables them to administer emergency first-aid to heart attack victims while waiting for professional assistance. Using artificial respiration and circulation, CPR has become known as a lifesaving technique in the critical minutes before a doctor arrives on the scene.

The Saturday MONACEP session is scheduled from 9 a.m.-4 p.m. at Oakton Community College, Oakton and Nagle, Morton Grove. The Wednesday sessions

will be held from 7-10 p.m. at Niles North High School, 9800 Lawler, Skokie. The cost for either session is \$9.

MONACEP CPR classes are co-sponsored by the North Cook County Heart Association.

For further information, call the MONACEP office at Oakton Community College, 967-5821.

### Cub Scout Pack 273

Cub Scout Pack 273 registration will be held May 2, 1977, 7:30 P.M. at Nelson School, 8950 Ozanam, Niles.

Any boy interested in scouting should bring their parents and come for a very informative evening.

### Free Illinois brochures and maps

State Rep. Penny Pullen, (R-4th) announced this week that her district office has available free for her constituents a number of useful State of Illinois brochures and maps.

"The 1977 Financial Aids to Illinois Students, issued by the Illinois Office of Education, provides a valuable source of information for post-high school students," Miss Pullen advised. "The booklet includes Illinois scholarship laws, scholarships and financial aid available to veterans and non-veterans, and Illinois college and university information."

With the spring crop of bicyclists already on the streets, Miss Pullen pointed out that Bicycle Rules of the Road will help riders use their bicycles more safely and enjoyably.

"This booklet contains information about laws relating specifically to bicycles. Just as a licensed driver must know laws relating to his vehicle, all bicyclists should be familiar with the bicycle rules of the road."

Also available is Rules of the Road, which contains all information needed to pass an Illinois driver's examination whether taken for the first time or for renewal of license.

As vacationers take to the roads around the state, said the state representative, another useful publication is the Official Illinois Highway Map. This folder includes an index to cities and villages with a population of 275 or greater, detailed maps of Chicago and vicinity and other larger cities in Illinois, and charts the Chicago Metropolitan Expressway System and tollway connections. It also indicates state and national parks and memorials, state institutions, colleges, and universities; and rest areas, picnic grounds, and roadside tables.

For public transit users, the Illinois Public Transportation Map/Directory lists scheduled bus and rail passenger routes and includes all communities with local transportation. Scheduled airline service is also indicated.

Any of these publications may be obtained from Miss Pullen's district office at 404 S. Courtland ave., Park Ridge.

### Skokie Legion fashion show

The American Legion Auxiliary Skokie Unit #320 is having a Dinner and Fashion Show on Wednesday, May 4 at 6 p.m. at the Post Home, 8212 Lincoln ave., Skokie. Tickets are \$5 and can be purchased from the members. Reservations are necessary. Proceeds from this affair will be used for work at the Veterans Hospitals in the Chicago area.

Chairman is Chris Davies of Evanston. Members on the committee are Marion Szymanski of Evanston; Martha Czaja of Chicago; June Czaja of Glenview; June McDowell, Judy Walovich and Marge Zimmerman of Skokie.

Fashions are from Wolke and Schack of Skokie. Models are members of the Auxiliary and Post and include Mickey and Jack Rode, Peggy DeGroot, Shirley McCumber, Marilyn and Sid Mott, Bert Wilke and Art Zimmerman of Skokie; Esther and Bill Hutchinson and Don Szymanski of Evanston; Ruth Friebs and Gert Gabel of Chicago; and Susan Wright of Wheeling.

## Olson Foundation gives \$1.6 million to LGH for auditorium

The Walter E. Olson Foundation, Chicago, has given \$1.6 million to Lutheran General Hospital, Park Ridge, for the construction of a community auditorium/health education facility expected to cost more than \$2.5 million. The Olson Foundation grant, the largest single sum the hospital has received from a private source, becomes a major contribution in the hospital's "Dimension '79" fund raising program.

Walter E. Olson, founder of the original Olson Rug Co., Chicago, made other contributions to Lutheran General before his death April 24, 1975.

The new auditorium is the result of the Foundation's interest in improving the health of community residents through patient education and preventive medicine. Named the "Walter E. Olson Memorial Auditorium", the 310-seat building will be located between the hospital's

main building and its School of Health Sciences. Remaining funds for the auditorium are to be raised by the hospital's development program.

N.M. Neset, Ph.D., president of Lutheran General, said, "We have long recognized the inseparable relationship of illness and 'wellness' to each person's knowledge, environment, behavior, attitudes and spiritual concerns. Even though Lutheran General has started many successful community outreach programs, we feel we've only begun to stress the enormous importance of health education. The Olson Auditorium will provide a focal point for these programs."

"With sincere thanks to the Walter E. Olson Foundation for their most generous and meaningful gift, we can look forward to providing our patients and the community with an exciting, innovative place in which to meet and learn just how each of us can become more responsible for our own well-being," he concluded.

The beginnings of the Walter E. Olson Foundation are in the original Olson Rug Co. The Olson Rug Co. began when Walter E. Olson's father, Oliver, started making rugs in the family basement on West Superior Street in the 1800's. The elder Olson perfected the reversible rug loom so that old rags and clothing could be woven into new reversible rugs. Customers received "credit" on a new rug by bringing in the old rags. Walter, "W.O." as he became known, continued this sales philosophy when he took the business over about 1896, and the company grew. During the Depression he also kept his employees working and earning wages by constructing his famous waterfall and Olson Park on the grounds of the factory at Diversey and Pulaski. W.O. was known as a hard working and generous man.

According to plans, the facility is to be equipped with electronically advanced audiovisual systems so that the auditorium will

If you are interested in having a speaker tell your organization about the referendum, please contact the Library at 967-8554.

The Bookmobile Library will

be capable of serving multiple needs. Use of the auditorium will focus on inpatient and outpatient helath and illness-management instruction, community education in disease prevention, and the education of the various medical professionals in training at Lutheran General.

Included will be a color television studio capable of recording and transmitting video-taped or live closed-circuit programming to patient rooms, the main auditorium area, and educational "theaters" located within the hospital's 63-acre campus. Also included will be a photographic studio, its laboratory and storage area and an office.

Construction of the auditorium is expected to begin this spring. All necessary planning agency approvals have been received by the hospital.

William R. Brown, chairman of the hospital's board, said, "We sincerely believe that reaching out to people in the community before illness is as important as providing quality care after the onset of illness. The auditorium, with its flexible, modern equipment, will serve as an important community resource. Its programs will serve thousands of people who need information about preventing illness, regaining and maintaining health after illness, changing their behavior, and furthering their medical education."

Lutheran General Hospital, which opened on Christmas Eve 1959 with 316 beds, is now a 697-bed teaching and referral hospital serving 24 different communities in northwest Chicago and its suburbs. More than two years before opening, authorities from the hospital and the American Lutheran Church determined the philosophy around which the hospital's programs and patient care services would be centered. This philosophy, Human Ecology, is believed to have significantly added to LGH's rapid growth and prominence as a major innovator in community health care.

## First National Bank of Des Plaines moves to new bank building

As part of the First National Bank of Des Plaines move, safe deposit boxes were moved to their new location, as armed guards look on. These safe deposit boxes were part of the 120 ton vault moved by the M. Lange, Inc. Safe and Machinery Movers.

Two of the 28 armed guards used during the move made certain that all First National Bank customers' valuables were protected during the Bank's move.

The First National Bank of Des Plaines has moved to new and expanded quarters in the First National Bank Building at the corner of Lee and Prairie.

The new First National Bank Building is the newest and tallest building in Des Plaines and a major component in the Superblock complex, the multi-million-dollar redevelopment project in the heart of Des Plaines.

As the result of this move, the bank has expanded its customer service area and upgraded its

facilities with the most modern and sophisticated banking services equipment now available.

The actual move took place from noon on Saturday, April 23 through Sunday at 9 in the evening.

Two hundred thousand pounds of furniture was moved by the Fernstrom Moving System. During the 15½ hour move, Fernstrom used 18 men, two supervisors and 35 van loads.

The bank's computers, valued at \$250,000 were moved on April

In addition to the First National Bank's 120 ton vault and \$250,000 computer, seemingly endless boxes of smaller items were taken to their new location. As shown here, three bank employees pack their desks into special tote boxes provided by Fernstrom Moving Systems Co.

Fernstrom Moving Systems Co. was responsible for moving the Bank's 200,000 pounds of furniture. Here, Fernstrom movers carefully see to it that all furniture received the best possible handling during the move.

19 by special trucks to keep the delicate machinery from being damaged.

M. Lange, Inc. Safe and Machinery Movers handled extra heavy equipment moved such as the 120 ton vault. This vault, made up of 120 one-ton sections, included over 6,000 safe deposit boxes.

As a special safeguard for all the material being moved, ten check points were established around the bank. In this way,

everything was in sight by at least two bank officers at all times. To further guarantee the valuables being moved, bank officers accompanied each van.

Twenty-eight armed guards were on duty during the move, six of whom worked straight through the move.

At the end of the move, the bank was ready to open for business the following day with no disruption to the customer service.

## Board of Directors

Shareholders of the First National Bank of Des Plaines attending the 64th annual shareholders' meeting re-elected all incumbent directors to serve a new one year term. Re-elected directors are: Arthur A. Amling, Partner. Amling Enterprises; John C. Felten, President, Transportation Systems & Industrial Group, Evans Products Company; Robert W. Fernstrom, Sr., Chairman of the Board, Fernstrom Storage & Van Company; Jack D. Hughes, President, Littlefuse, Inc.; Wesley H. Loomis III, President, General Telephone Directory Company; Ralph H. Martin, President, Wm. L. Kun-

kel & Co.; William J. McDermott, President, Simpson Estates, Inc.; Richard W. Sievert, President, The Sievert Corporation; Louis C. Spiegler, Sec'y & Treas., Spiegler's Department Store, Inc.; Philip J. Weber, Chairman of the Board, The DoAll Company; Frederick F. Webster, Jr., Investments; George A. Webster, President, A.L. Webster & Co.; Arthur R. Weiss, President, First National Bank of Des Plaines; J. Frank Wyatt, Treasurer CF Industries, Inc.

The meeting was chaired by Arthur R. Weiss, president, and was held in the bank's future new

quarters. Approximately 100 people attended and were given a preview tour of the new bank facilities.

Mr. Weiss commented on the bank's preparation for its historic move which is to take place soon. He said, "This will be the fourth time since 1913 that we have outgrown facilities. Our present offices, which will be sold, have served us since 1957. The three floor levels to be occupied in the new building will provide 34% more space. The positioning of departments and floor designs places major emphasis on customer convenience and hospital-

ity commensurate with functional efficiency and future needs."

John W. Heddens, Jr., executive vice president and secretary, gave highlights of the past year's growth record saying, "1976 was a record year for deposits and earnings. Total deposits of \$146,956,782 were 14.9% greater than the previous year recording a gain of \$19,082,856. Total earnings again attained a new record level in 1976. Income before securities gains increased to \$1,871,386 from the \$1,700,220 attained in 1975. On a per share basis the increase was to \$3.37 from \$3.07 the previous year."

## LETTERS to EDITOR

## Memories with tears

Dear Editor:  
The article in the Chicago Tribune magazine of Sunday, April 17 in regards to the Italian Americans by Robert Cross was a masterpiece of journalism and is to be complimented.

It brought me back to my childhood days in the Halsted and Polk Streets area in Chicago: where the Hull House stood out like a monument of understanding and love, for the first and second generation of Italian people. His story reminded me of the achievements and culture the Italians brought with them from Italy. They were fiercely proud and aggressively loyal, and we still are with many determined leaders. They came with pride, respect, decent morals and loyalty for America. High on their priority was one of the Ten Commandments, "Love Thy Neighbors".

Yes, in those days we ate Pasta Fozool, also Greens and Beans, Polenta (corn meal) and many more delicious dishes which today are delicacies. The crime rate in our neighborhood was next to none. Cigarettes were taboo. We rented a store and paid our rent

with dues and we called them Social Clubs. We roasted potatoes over a fire near the curb.

Mr. Cross, you mention good old Sheridan Park still in existence which proves we were not destructive. Our youthful, idle hands and idle minds were always occupied with sports and hobbies knowing that these were a safety-value for our youthful energies. We were never bored. There was also the Peanut Park (Polk Street Park) across the street from Our Lady of Pompei Church, where we played simple precious games called, Peg and Sticks, Run Sheep Run and Buck, Buck, how many fingers up, oh my back.

And let's not forget our shoe shine box and selling papers so in some little way we were able to help our Parents.

The Italian American has come a long way and we earned it, not by complaining but by sweat, love and respect. We are a loving and proud nationality. Thank you Mr. Robert Cross for bringing back memories with tears of happiness of the good old days.

Dear Editor:

I hope this letter is printed, for I think the whole community ought to be aware of the "remarkable" pet stores located in the immediate area.

A small baby rabbit was found in the grass, brought to the pet

### Mr. Beusse, you'll always stand tall

Some used the term "Butting In" not so—it was a "genuine interest in the people of Niles". Truly, our village has lost a most conscientious, honest and dedicated leader.

To Mr. Walter Beusse, a most sincere "Thank You" for all you have done for the village of Niles. Stand tall, pat yourself on the back, you're "Special".

Sincerely,  
Mrs. Marilyn Bush

## No one seemed to care

store located on Dempster Street and we were turned down. We were told to "dispose" of the baby rabbit, who was still alive at the time. Also, they told us to put him in the field and let an animal eat him.

After numerous calls to another pet store in the area and veterinarians in the area, no one cared. No one seemed to have the time for us. No one knew what to do. Our only sacred hope was the Anti Cruelty Society who, as busy as they are, were willing to talk and spend the time talking and helping. Also, Golf Mill Animal Hospital was marvelous to return our calls and also offer help, advice and most of all comfort. They were the only real caring parties.

Unfortunately, these last two calls were a little too late. The baby rabbit who was three weeks old died.

The point of this letter is only what are these pet stores and vets in business for? (Excluding Golf Mill, who did try and help.) Do they only care for their own animals? Do they have to be nasty

and uncaring? How can these places claim to care for animals? All animals?

A little girl's heart, along with others, was broken. I believe, but we will never know, if the many pet stores called earlier, would have just spent a minute and told us how to help the bunny, he might still be alive.

What if our doctors, all doctors, told us when we were deathly sick that there was no help for us, that we will just die? What about all the people who were saved by a caring doctor?

I just wanted the community to be aware, and hope someday it isn't our dog, cat, or bird that is ill, and needs immediate care.

Our hat's off with a great big thanks to the Anti Cruelty Society and Golf Mill Animal Hospital for their concern and great comfort. Concerned and disillusioned L.F., R.E., K.F., M.K. (Niles)

Spring hours of operation are 3:30 p.m. to 10 p.m. Monday thru Friday and 12 noon to 5 p.m. and 7 p.m. to 10 p.m. Saturday and Sunday. For only 75 cents per round, the whole family can enjoy an afternoon or evening of miniature golf with no strain on the family budget. The Sports Complex Miniature Golf is now offering group rates for 12 or more people and is also offering special hours and rates for private parties with unlimited miniature golf for those specified, special hours. The Party Room is available for birthdays and other group functions. So if you're stuck on what to do for a unique birthday party idea — come and see us for a party of miniature golf. Reservations for any group must be made in advance. For more information call the Sports Complex at 297-8011.

### Ice skating

The Niles Sports Complex sent a team of free style ice skaters coached by Head Pro Sue Welch to the I.S.I.A. Mid-America Invitational Free Style Competition in Springfield, Ill. which was held on April 15, 1977. In the Juvenile 1 & 2 Division, Minda Newman and Laurel Port both of Niles tied for 7th place and in the Junior 1 & 2

Division Julie Silberstein of Morton Grove placed 5th. In the Junior 3 & 4 Division Janice Aizenstein of Niles placed 6th, Kasia Shipor of Chicago placed 3rd and Karen Solomon of Des Plaines placed 8th. Julie Levin of Morton Grove placed 5th in the Intermediate 3 & 4 A Division and in the Intermediate 3 & 4 B Division Karen Kadlec of Niles placed 7th and Marcia Block of Niles placed 10th. Beth Bacchi of Niles placed 5th in the Senior 3 & 4 Division. The Niles Sports Complex team did a super job representing their home rink and the Sports Complex Skating Staff congratulates them for their fine accomplishments.

### Sports Complex

The Niles Sports Complex, Balland and Cumberland rds., will be offering a complete summer ice skating program from June 26 thru July 31. The program will be held in cooperation with the Glenview Ice Center, Lake & Landwehr rds., Glenview. Registration for the summer ice skating program will be held at the Sports Complex, 8435 Balland rd. on Monday and Tuesday only, May 23 and 24, from 10 a.m.-12 noon and 1 p.m. to 3:30 p.m. All classes will be offered so plan on registering early because classes will also be limited. Mail in registration forms will be sent to all those who have been enrolled in the 1976-1977 Ice Skating programs and forms will also be

sent to those calling and requesting them. For additional information regarding summer ice skating, call Sue Welch at 297-8011. This summer program is open to all Niles, Morton Grove, Des Plaines and Golf Maine Park District residents.

### Women's 12" slow pitch league

The Niles Park District will be sponsoring a Women's 12" slow pitch softball league this summer. All games will be played on Monday and Tuesday evenings with rain outs slated for Thursdays. A 2/3 Niles residency requirement must be met by all those teams wishing to enter. For any more information regarding this league contact Phil Yapp or Jim Stamborski at 967-6975 from 3 p.m. to 10 p.m. Monday thru Friday.

### Boys teen softball

The Niles Park District will again be sponsoring a Teen 16" softball league for teenage boys. A 2/3 Niles residency requirement must be met by all teams wishing to enter. Anyone wishing further information contact Phil Yapp or Jim Stamborski at 967-6975 from 3 p.m. to 10 p.m. Monday thru Friday.

### Kite derby winners

On Saturday, April 16 the Niles Park District held its annual Kite Derby. The derby began at 1 p.m. at Grennan Heights Park with boys and girls from ages 6 to 14 years old competing for prizes.

Winners and categories are as follows: Most Unusual - Mike Ramig and Frank Miller; Highest Flyer - Jim Golden and Brad Gottlieb; Largest Kite - Debbie and Mark Baata; Most Colorful - Bob Knapp; Hardest Tryers - Robert Weinberg and Monica Walsh; Least Successful - Frank Ziebel.

Congratulations to all and hope to see you next year!

### Girl scouts help

On April 16, Girl Scout Troop #791, led by Rita Sikorski, assisted the Niles Park District in decorating 18 trash containers which will be placed in various parks. This particular troop has assisted the Park District in many events such as Halloween, Christmas and Easter parties, Fishing Derby, Turkey Trot and many more.

The Niles Park District certainly appreciates the assistance and service of various civic groups such as Girl Scout Troop #791.

### Floor hockey [7-9]

Results of the Niles Park District Floor Hockey league games played Wednesday afternoon at the Louis Schreiner Gymnasium are as follows:

At 4 p.m. Mike Cooper scored three goals and Mike Fritze added two to lead the Redwings to a 5-0 shutout over the Islanders. The Leafs, with Michael Quinn scoring two goals and Jim Volence, and Steve Dulak each scoring one, turned back the Rangers 4-2.

At 4:45 John Weidman scored three goals and Larry Mann one as the Flyers slipped by the Canadians 4-1. The Hawks displayed tremendous offensive scoring power as they demolished the Northstars 12-1.

League standings	W-L-T
Leafs	2-0-0
Redwings	2-0-0
Canadians	1-1-0
Hawks	1-1-0
Islanders	1-1-0
Flyers	1-1-0
Northstars	0-2-0
Rangers	0-2-0

### Tam Golf Course open

The Niles Park District's Tam Golf Course is open and in full operation for your golfing pleasure. The Nine hole course is 2,500 yds long with a par 33. The Pro Shop has been expanded and we will also be adding some new items to our regular concession line, including some breakfast specials. The course is open seven days a week from sunrise to sunset and there has been no increase in fees.

For reservations, call Tam Golf Course at 965-9697.

### Design-A-Hole contest

This is the final week for the Niles Park District's Design-A-Hole contest. Anyone having last minute ideas for a new and different miniature golf hole, be sure they are submitted to the Park District office, 7877 Milwaukee ave., by May 1.

Don't forget, it may be worth \$50 for the best idea, as well as a season pass to the Ballard Sports Complex Miniature Golf Course!

### Girls Softball on a Tee

The Niles Park District will be offering a new program for Girls ages 7 to 9, beginning Saturday, April 30. It's called Softball on a Tee. The program is designed for girls to learn the basic skills of softball. There will be four weeks of instruction followed by league play. Any girls interested in signing up for the program may do so at the Park District office.

### 1977 Summer brochure

On Saturday, April 30 don't forget to look in the plastic bag which will be hung on all Niles residents' door knobs. It will contain the Niles Park District 1977 Summer Brochure which everyone has been waiting for. The brochure has a listing of all the special activities and classes sponsored by the Niles Park District. If you do not receive your brochure by May 2, you can obtain one at the Niles Park District office, 7877 Milwaukee.

### Special tennis registration

Because of the great interest in tennis and in order to alleviate the long waiting lines at registration, the Niles Park District will conduct a special tennis registration for Niles Park District residents only.

This special tennis registration will be held at the Recreation Center, 7877 Milwaukee on Saturday, May 21 from 10 a.m. to Noon.

Registration for tennis lessons will also be taken during Recreation and Aquatic Program Registration times. To avoid the long lines and to insure you a class in the location and time you want, be sure to register on Saturday, May 21.

For further information, call the Niles Park District—967-6633.

### Girls 12" Softball

The Niles Park District will again be sponsoring a 12" softball program this summer for all girls ranging in age from 10-18. If enough interest is shown, teams will be formed and leagues set up. Age categories will be 10 to 12, 13 to 15, and 16-18. Games will be played on Tuesdays and Thursdays from 4 to 5:30 p.m. at Grennan Heights beginning May 24. The fee is \$8 for Niles Park District residents (includes tee shirt). Any girls wishing to register for this program may do so now at the Park District office.

### Coed Softball League

The Niles Park District will be sponsoring a 16" Slow Pitch coed Softball League this summer if enough interest is shown. Anyone wishing more information about this league contact Phil Yapp or Jim Stamborski at 967-6975 from 3 p.m. to 10 p.m. Monday thru Friday.

### Honor Society Initiates

Twenty-six students, two alumni and one faculty member in the College of Communications, University of Illinois at Urbana-Champaign, have been initiated into Kappa Tau Alpha (KTA), a national honor society in journalism. Local students included: Linda Pierce, 7838 Maple St. in Morton Grove and Martin Gertler, 8238 Knox in Skokie.

## Baseball registration

Registration is still being taken for all Golf Maine Park District baseball programs. The park district offers either a baseball or softball league for all boys and girls between the ages of 7 and 15. The TEE-BALL league is for those boys and girls who are between the ages of 7 and 9, with the fee being \$20.50, the AA league is for boys and girls between and ages of 9 and 11, while the AAA league is for those between the ages of 11 and 13, while the Intermediate league is open to those between the ages of 13 and 15. The fee for the AA, AAA, and Intermediate leagues is \$27. Registration for the four baseball leagues will end on Saturday, May 7 at 12 noon.

For the girls the park district offers two softball leagues, one is for those in 4th-6th grades, as of September 1977, and one for those in 7th and 8th grades. The fee for the girls softball is \$13 per participant. There will be a one third discount for brothers and sisters. The fee includes a park district hat and shirt.

The park district is also interested in developing a high school softball league for this summer. Registration is on a team basis, with the entry fee for the league being \$125 per team. Those interested in joining the softball league should contact the park district as soon as possible.

## "Seafood Cookery"

A two-afternoon course in "Seafood Cookery" will meet on Thursday, May 12, and on the following Thursday, May 19, from 1-3 p.m. at The Complete Cook, 222 Waukegan, Glenview.

This MONACEP demonstration class will be led by Elaine Sherman, a Skokie resident who has studied at the Dumas Pere School of French Cooking in Glenview. Ms. Sherman, an experienced MONACEP instructor, will show participants how to poach, bake, and broil fish and other types of seafood.

Tuition for the two sessions is \$15 for both residents and non-residents of Maine and Niles Townships, the Oakton Community College/MONACEP district.

## Semester break "minis"

Over 20 short-term workshops and classes are planned for the semester break from spring and summer semesters, May 23-June 10, at Oakton Community College.

Sponsored by MONACEP, Oakton's adult and continuing education program, the semester break "minis" cover topics ranging from psychology to home and car repair to self-improvement.

Most courses meet for three sessions and are taught by Oakton faculty members, regular MONACEP instructors, or other members of the community.

The mini-courses offered include Women in Film and Drama, Home Security and Safety, Pottery-Making, Gardening, Assertiveness, Printmaking, Ballroom Dance, Nutrition, Sketching, Basket Weaving, Decision-Making, and Getting Organized. Child care will be provided at 75 cents per hour for children three years of age or older. Reservations must be made a week prior to the start of a class.

## The BUSINESS Picture

### Bukowski elected Chairman and President of Golf Mill State Bank

The Board of Directors of Golf Mill State Bank announced today that Robert H. Bukowski has been elected Chairman and President. He succeeds Daniel G. Friske, the former President.

Mr. Bukowski was previously a Senior Vice President of Continental Illinois National Bank and Trust Company of Chicago. Earlier, he had been with the Bank Administration Institute, the Cosmopolitan National Bank of Chicago and the Federal Reserve Bank of Chicago.

The Golf Mill State Bank is one of five commercial banks in Cook and Lake counties which are affiliated through common ownership. Known as the Premier Banks of Northern Illinois, they integrate certain functions such as accounting and purchasing and utilize a common computer center. However, each operates independently to meet the needs of its specific community.

In his new capacity, Mr. Bukowski will coordinate the affairs of all five banks. At the end of 1976, they reported total resources of \$171,000,000; a 15 per cent increase over the preceding year.

Mr. Bukowski has served as director of the Bank and Trust Company of Arlington Heights since 1960 and of Northwest Trust and Savings Bank, also Arlington Heights, since 1968. He serves on the board of Imoco-Gateway Corporation; was chairman, 1973-1975, of the legislative committee of the Association for Modern Banking in Illinois; and is a member of the Executive Com-

mittee of the Correspondent Banking Division of the American Bankers Association.

A resident of Arlington Heights where he was a village trustee from 1957 to 1961, Mr. Bukowski is chairman of that community's Northwest Community Hospital, an Elder of its First Presbyterian Church and served for three years as president of the Board of Education, Elementary School District #25.

Mr. Bukowski is a member of the Sangamo Club in Springfield; the Union League Club, Economic Club and Bankers Club, all of Chicago; and the Medinah Country Club.

He received his B.A. from Northwestern University in 1943 and served in the U.S. Army in Europe during World War II.

#### Aaron H. Sachnoff

### Awarded ITT Ring of Quality

Fred Mortensen, Manager of Cost Accounting, Bell & Gossett ITT, Morton Grove, IL, is shown receiving National ITT Ring of Quality Award from Newly Elected ITT President and Chief Operating officer, Lyman C. Hamilton, Jr.

Fred Mortensen, Manager of Cost Accounting, Bell & Gossett ITT, Morton Grove, IL, received a ring of quality award from Lyman C. Hamilton, Jr., newly elected President and Chief Operating officer of ITT, at a ceremony for ITT North America at the Sheraton-Hartford Hotel.

Mr. Hamilton commented that he felt the Ring of Quality program was particularly important since those participating had been selected by their peers.

Fred was given this award

because of his insistence of accurate and full reporting of all cost accounting data which is utilized as the base for all corrective action programs.

### Langfeld marks 18th year of service

Congratulations for 18 years of service at the First National Bank of Morton Grove are extended to Charles Langfeld (left) by bank president Marvin von Aswege. A Skokie resident, Langfeld is the bank's executive vice president.

### Newly appointed treasurer

Alexander P. White, a resident of Morton Grove, was recently appointed Treasurer of Illinois Institute of Technology-Chicago Kent College of Law-Alumni Association. White, who is an attorney practicing in Chicago, is also a member of the Chicago-Kent faculty. The association is presently confronted with the challenge of raising funds to defray the costs of the new Law School facility located at 77 S. Wacker.

The new building includes: classrooms specifically designed for the study of law; seminar rooms for small group discussions; a large auditorium for lectures, seminars, and confer-

ences for students, legal scholars, and members of the bar; The Legal Services Center which provides clinical education for Chicago-Kent students and legal services to the community; a full floor library with space for substantive expansion of the collection of legal materials and services for faculty, students and alumni; student and faculty lounges for informal discussion; excellent administrative space and offices for faculty.

The fund raising campaign called on Investment in Excellence seeks to raise \$3 million from Alumni, Law Firms, Corporations, foundations and other friends of the college.

### CitizensBank schedules Dimension 60 seminar

You've Gotta Have Heart is the title of the seventh program in the Dimension 60 seminar series of timely topics for persons sixty years of age and over.

The seminar, sponsored by Citizens Bank & Trust Company of Park Ridge, will be held Wednesday afternoon, May 18, at 1 p.m. at the Pickwick Theater, 5 S. Prospect, Park Ridge.

Included among the topics for discussion are, How To Prevent Heart Disease and What To Do After A Heart Attack. You've Gotta Have Heart will feature a leading area cardiologist and a paramedic who will participate in a panel discussion and demonstration on life-saving techniques related to the heart.

"The topics selected for You've Gotta Have Heart reflect subjects specifically requested by a number of senior citizens," according to a bank spokesman. This seminar will answer many questions older people may have about what can be done for heart disease.

The program will also feature talented show business performer. Romola Remus who will rekindle past memories through her music and song. As part of the program there will be question-and-answer sessions, raffle prize drawings, free refreshments, and organ music. Admission is free, compliments of CitizensBank. However, in order to plan for refreshments, the bank asks that interested persons call for reservations.

The Dimension 60 seminar series is part of a carefully

### First Federal of Chicago sets new mortgage rates

First Federal of Chicago, the largest savings and loan in Illinois, has set new mortgage rates which become effective Monday, April 11.

In the 81 to 90 percent loan category, the new rate for loans to \$55,000 will be 8 1/4 percent with a 1 1/2 percent service charge and private mortgage insurance. The usual \$30 closing fee will be retained. Previous to this, the rate had been 8 1/2 percent with a 1 percent service charge.

In the 80 percent and under loan category, the new rate for loans to \$75,000 will also be 8 1/4

percent, plus a 1 1/2 percent service charge and a \$30 closing fee. The previous rate on such loans was 8 1/2 percent with a 1 percent service charge.

In announcing the new rates, James C. Fitzmaurice, senior vice president of First Federal said:

"The unprecedented demand for home financing which we have experienced in the winter months has increased with the onset of spring. The demand for mortgages is now beginning to outstrip the pool of lendable funds generated by savings flows."

For example, Fitzmaurice noted that during the first seven days of April, First Federal received 388 loan applications totalling \$17 million. In the first three months of 1977, First Federal recorded

the active quarter for mortgage lending in its history, with approved applications totalling \$187 million or \$100 million more than the previous high quarter.

"In addition, the cost of acquiring capital for mortgage lending continues to be a significant factor in balancing our rate structure," Fitzmaurice said.

### Look for an open space to fly your kite!

Whether you prefer a traditional kite, a fancy owl model or a more streamlined style, take a moment to review safe kite-flying techniques just as Paul Collins and Jennifer and David Trch are doing with Commonwealth Edison Company linemen Tom Cragg and Alton Thomas and crew leader Ken Mulcrone.

First, start with a kite made of "old-fashioned" basics—wood, paper, string and cloth. Metal or wire should not be used because they can conduct electricity, causing injury if an accidental contact is made.

Look for an open space to fly your kite. Avoid dangerous places such as areas near power lines, TV and radio antennas, trees and streets or highways.

Fly your kite only in good weather, never in the rain. A wet kite string can conduct electricity or lightning down to the flier.

Finally, if you kite should be snagged in a tree or tangled in a power line, leave it there. Climbing trees or utility poles—or entering "off limits" areas—to retrieve a kite just isn't worth the risk of injury.

With these safety tips in mind, you kite is bound to be a high flyer!

### Centel urges residents to 'call before you dig'

Central Telephone Company of Illinois reported over 100 separate incidents during 1976 in which underground telephone lines were damaged by construction activity in the Des Plaines-Park Ridge area and in the company's other service areas statewide. A spokesman for the local telephone company said such incidents of damage are accidental in nature and can be prevented.

Centel is promoting a "call before you dig" program aimed at local residents, builders and contractors. Anyone planning any type of construction—whether for a backyard fence or an office building—should call 611, said James Kropid, division plant manager. Calls to that number should be made at least 24 hours in advance of construction. "We'll arrange to have the underground phone line pin-

pointed prior to any construction work," the division plant manager said.

"One phone call to 611 could save everyone unnecessary trouble and a lot of dollars," Kropid said. He noted that last year, nearly 5,000 Centel subscribers reported a service outage. "The actual number of customers affected, however, is probably much larger because not all customers notify the company when an interruption in service occurs or repairs are made before they use their telephones."

In a year's time, more than \$22,000 was spent on the repair of accidental buried telephone cable cuts. The real problem, Kropid said, was the inconvenience to those customers whose phones were out of service for anywhere from several hours to a couple of days.

### Nixdorf promotion

Matt Geyer has been assigned to the international headquarters of Nixdorf Computer in Paderborn, West Germany. His home is in Morton Grove. In his new temporary position, he will fill a new role as the communications link between the Chicago and West Germany offices. Mr. Geyer joined Nixdorf early in 1976 after graduating from the University of Illinois (Champaign-Urbana) in December 1975 with a B.S. in advertising.

### 1st quarter MGM sales

An increase of almost 100% in dollar volume in home sales for the first quarter of 1977, was announced by Robert B. Green, president of MGM-Realty, Inc.

Green said the first three months' sales for 1977, totaled \$21,764,985 as compared to \$10,983,961 for the same period in 1976.

March's home sales for the firm which has offices in Skokie, Chicago, Niles, and Wheeling, totaled 130 which, Green said, was the largest number of property sales for one month in the firm's 12-year history.

Green attributes the dollar volume increase partially to real estate prices, but he added, "People are learning that the real estate market is the best investment. For the past 20 years, real estate values on the Northshore have consistently risen. In just the past three months there has been a 10% increase in real estate prices!"

He points out that \$10,000 invested in a bank account at 5 1/2% interest will bring a \$550 return in one year, and that income is taxable. The same \$10,000 invested in a downpayment on a \$50,000 home, with the current 10% per year increase in property values, will result in an increase of \$5,000 in the value of the home in one year, and that \$5,000 will not be taxable until he sells his home. In addition, the interest paid on the mortgage and the real estate taxes on his property are tax deductible.

Green asks, "Where else today can a man with \$10,000 make 50% in one year and have his taxes deferred to the future?"

### Harno Fellows

## Secretary of State Dixon urges local bike safety programs

Secretary of State Alan J. Dixon has endorsed a strong educational program to improve bicycle safety records in communities.

Some suburbs in the Chicago area dispatch patrols of uniformed cyclists to warn and in many cases to issue tickets to bike safety violators who must appear in court.

"Youngsters facing enforcement of bicycle safety regulations are more likely to become responsible automobile drivers," Dixon said.

The Secretary of State's office encourages local bicycle safety programs. School, law enforcement, park district, scout, and civic groups conduct such programs.

"Those communities with bicycle safety programs are worthy of our congratulations for their efforts," Secretary Dixon said, "but we would like to see more such programs instituted."

"Our office conducts day-long regional seminars for officials who return to their home communities to educate youngsters on the safe way to operate a bike. These seminars, now in their

third years, focus on the educational aspects, including our Bicycle Rules of the Road, and on the enforcement aspects, such as the recently enacted laws that spell out the rights and responsibilities of bicycle riders."

Dixon said the Illinois Congress of Parents and Teachers distributed a copy of our suggested Bicycle Rules test to each of its local safety chairmen throughout the state, assisting in the educational role.

"Education is effective only when coupled with effective enforcement," Dixon said.

He noted that bicycles rank first in the frequency of injuries treated in hospital emergency rooms nationwide, according to the U.S. Consumer Product Safety Commission's hazard index.

Also, the bicycle manufacturers expect to approach nine million sales nationwide this year with as many as 800,000 of the new units being sold in Illinois.

Copies of the Bicycle Rules of the Road may be obtained by writing to the Bicycle Safety Program, Secretary of State's office, 188 W. Randolph st., Room 501, Chicago, IL 60601.

## Anti-auto repair rip-off bill

State Representative Aaron Jaffe (D-Skokie) was the main architect of a bill to curb auto repair rip-offs. Jaffe's Subcommittee on Auto Repairs passed House Bill 100, which Jaffe is a sponsor, providing for consumer protection in the auto repair field.

Under the new bi-partisan bill endorsed by Attorney General Scott, auto repair dealers choosing not to comply with these new provisions would be subject to action under the Consumer Fraud Act. The new bill requires all automobile repair dealers to register with the Secretary of State and provide proof of financial responsibility. In addition, consumers will be able to bring suits for triple damages and attorney fees against dealers who engage in fraudulent practices.

The bill requires a written estimate for repairs exceeding \$75 be furnished to all consumers. A dealer would be able to exceed the original estimate up to 20 per cent without written authorization from the consumer. If the original estimate would go beyond 20 per cent, the consumer would have to give written authorization. On any advertisements by an auto repair shop the dealer could not exceed the advertised price by more than 10 per cent even if the repair was less than \$75.

Attorney General Scott commended Jaffe for his leadership in providing the first bi-partisan bill that would regulate this industry. Scott indicated that the most frequent complaints received by his office were in this area, and that this bill would enable him to have the tools necessary to move

## Brookwood Centre to open auditorium with a show

The Brookwood Healthcare Centre, 2380 W. Dempster st., Des Plaines, announced today that it will officially unveil its new 300-seat auditorium on Sunday, May 29 by presenting a professional revue of excerpts from Broadway musicals, staged and produced by Highland Park-based Entertainment Unlimited and featuring a seven-person song-dance show group, appropriately named Front Row Center.

Although seats for the 2 p.m. show will be reserved for residents of the Centre on a priority basis, the performance is open at no charge to the public-at-large and people will be seated on a first-come basis. Senior adults, especially, are encouraged to attend the colorful, fast paced revue, which has appeared in numerous clubs and locations all

over the Chicagoland metropolitan area.

According to James Bowden, Brookwood administrator, the auditorium is the latest in a succession of innovative ideas at Brookwood and is fully equipped with curtained stage, attached dressing rooms, a sound system, stage lighting and a projection screen.

"Weekly movies, a variety of other cultural events and art programs, plays, social events, award presentations and weekly church services will take place there," he says.

Bowden also emphasized that Senior Citizen groups and organizations in the area will be welcome to use the facilities when the auditorium is not in use for Brookwood residents or staff. They can reserve the space by contacting either he or Activities Director, Madge Schweinsberg.

## Early disease detection center

Recognizing the value of preventive medicine, Holy Family Hospital and its medical staff have jointly developed an Early Disease Detection Center featuring a new type of health screening program for area residents. This new service begins May 2.

It features several unique aspects. The center utilizes Holy Family's facilities where all tests are conducted for the possibility of undiagnosed disease and physical examinations also may be given. Participants in the program also have the choice of receiving their exam in the offices of many physicians who are participating in the program and these locations are also part of the center.

The program is unique in that your own personal physician may be participating in it or you may select a specific doctor of your choice. The physician will not only give you a physical examination and initiate certain tests but will discuss the results with you, provide explanations and offer guidance. A health questionnaire will be mailed after a person decides to participate in the program so he can complete it at home at his leisure and then discuss it with his doctor when he goes for his physical examination.

Tests which will be performed as part of the program will be a chest X-ray, a number of blood tests, urinalysis, homocult and EKG (electrocardiogram).

A chest X-ray frequently indicates the presence of heart disease, infection in the lungs, cancer or diseases elsewhere in the body that have effect on the appearance of a person's lungs.

Among the things looked for in evaluating a blood count and blood chemistry are anemia, infection, the presence or absence of many kinds of cancer and abnormal body functions.

Testing of the urine will help determine whether an individual has a kidney or bladder infection, kidney stones, diabetes or other diseases.

For additional information about the program, call Holy Family's Early Disease Detection Center at 297-1800, ext. 1157, weekdays, 8-4:30 p.m. If you decide to enroll in the program and your physician is not participating in it, you will be given the names of three physicians for your selection. An appointment also will be made for you to receive tests and a physical examination. You also will be sent additional information and materials.

## Loyola scholarship winners

Rev. James C. L. Arimond, S.J., headmaster, has announced the names of Merit Scholarship winners in the class of 1977 at Loyola Academy in Wilmette.

Winners of four-year Merit Scholarships which are supported by grants to the National Merit Scholarship Corporation from corporations, foundations, professional associations, unions and trusts are Scott E. Gross of Morton Grove, Reinhard K. Hoerner of Chicago and Jeffrey K. Zondlo of Morton Grove. Scott Gross has been awarded a Searle Merit Scholarship, Northwestern University has been named as the scholar's choice. Reinhard Hoerner's award is a Hammond Foundation Scholarship, and he has chosen Northwestern University. Jeffrey Zondlo has been awarded a Frank E. Payne and Seba B. Payne Foundation Scholarship. He has chosen Marquette University.

## District 67 summer school

Six week programs, including instrumental music, ceramics, typing and academic subjects are being offered again this year. Two hour long sessions of sewing and woodworking are scheduled for a three week period.

Pupils need not be residents of the district. Age eligibility and fees vary with courses. Adults are welcome to typing.

For details, call YO 6-8200. Registration deadline is June 3.

## Oneida dinner service available at First National of Niles

Chuck Barbaglia, vice president of the First National Bank of Niles, says, "Oneida stainless steel dinner service is still available for only \$3.95 or you can get it free if you deposit \$250 into a new or existing savings account."

That should be good news for many Bugle readers particularly with Mother's Day coming up. For what could be nicer than a gift to Mom of a 5-piece place setting

of this handsome Oneida dinner service?

Not only will Mom appreciate it for Mother's Day but this dinner service will last a lifetime and she can enjoy it for years to come at family gatherings and other memorable occasions.

According to Barbaglia, this Oneida dinner service has been one of the most popular gift items ever offered by the First National Bank of Niles.

## La Venece celebrates 5th anniversary today

Don't forget to drop into La Venece Restaurant, 8743 Milwaukee, Niles for free coffee, cake and ice cream all day and evening Thursday, April 28.

Andy, the owner of La Venece Restaurant, is celebrating his fifth anniversary and everyone is invited to his big birthday party. Besides the free cake and ice cream, you can also have one of his many fine dinners and relax in his newly remodeled restaurant designed for your personal comfort. After dinner or lunch you can browse thru the restaurant and view the original new oil paintings which adorn the walls. In fact, you can have the opportunity to win one of these original oil paintings because Andy plans to

raffle off one each month to some lucky patron. And who knows what the value of one of these originals can become in a few years for the art business is booming like never before. In fact, more people attended art exhibits than attended baseball games last year.

You can also have a free glass of orange juice with breakfast or if you prefer, a cup of oatmeal. For lunch, despite skyrocketing food costs, La Venece is offering their chef's special for only \$1.75 and the entree is changed daily. Two dinner specials are featured nightly in addition to the large variety of regular quality dinners.

La Venece's has a brand new feature which will delight all of their many patrons. It's a large display of both French and Greek pastries, all prepared with professional artistry that will delight the most discriminating gourmet of both French and Greek pastries.

And remember, every Tuesday

## "The Pajama Game"

## Maine North variety show

The production staff of Maine North's Variety Show, "SRO-'77 People-Phases of Faces" has added a new dimension to the seventh annual show which is set for May 12, 13, 14.

According to the show's director Miss Carla Oleck, "The theme of this year's show, Phases of Faces, is being carried through with slides of faces including famous personalities, the American people, and international faces."

"The multi-media approach," adds Miss Oleck, "allows a variety of student talent to be used."

The show features 34 student acts which range from an English folk song by AFS student Carol Marsh of Liverpool, England, to a scene from the hit musical "Grease".

Other acts are: Cathie Wilt and Jackie Marabotti as the Supremes; a Korean fan dance by Chris Choe and Sang Lee; a performance by the Swing Choir; Bob Tucibat's Magic Show; and a barber shop quartet with Dave Elliott, Reese Jensen, Ken Pearlman, and Rich Cleveland.

Curtain time is 8 p.m. in the school's theatre. Tickets are available at the Maine North bookstore or by calling 298-5500. Admission is \$2 and there are no reserved seats.

## Mill Run concert

Marquee Concerts, Inc. is presenting two top soft rock attractions, Jesse Colin Young and Special Guest Star Ian Matthews, at the Mill Run Theatre on Saturday, May 14th. Two performances will be held at 7 p.m. and 10:30 p.m. Tickets are priced at \$6.75 each and are now available at the Mill Run Box Office and all Ticketron outlets. If you have a BankAmericard or Master Charge, you may conveniently reserve your tickets over the phone by calling (312) 298-3292.

The Pajama Game is to be presented at Maine East High School May 6, 7, 13, and 14 at 8 p.m. This is a Musical Comedy with fun for everyone. Preston Waldrop, Musical Director, demonstrates acting techniques for "The Pajama Game". Notice the style of this talented director. All seats are reserved. For further information please contact the Music Department at Maine East - 825-4484.

## "Meet Me in St. Louis"

The Mill Run Children's Theatre is presenting "Meet me in St. Louis" on Saturday, May 7th through Saturday, June 4th. Produced by Special Arrangement with The Dramatic Publishing Company of Chicago, this play will be the final attraction of the '76-'77 season. As in years past, the Mill Run Children's Theatre will be closed for the summer and re-open in the fall.

For Producer/Director Harry Lee Rogers, "Meet me in St. Louis" has a special significance. Because he not only appeared as a dancer in the MGM movie starring Judy Garland, but also choreographed the made-for-TV film of "Meet me in St. Louis," which was part of the famous Hallmark series. For Mill Run audience, Rogers will present this classic as a drama. It will be an all-professional production for the entire family to enjoy.

Performances will be held on Saturdays at 1 p.m. Tickets will be available for \$2.25. If you have a group of 30 or more, you can receive a discount by making reservations in advance. Mill Run will also present special weekday performances along with study plans for school groups. If you want to plan a party for your theatre group, this too can be arranged. For information, please call (312) 298-2333.

## Open party at Kaplan Center

An open party for adults is planned at Kaplan JCC, 5050 W. Church, Skokie, on Saturday, April 30 from 8 p.m. to midnight. Activities planned include ballroom dancing to the music of the Gordon Band, disco dance lessons with instructor disc jockey Alicann and a film, "I Love You Rosa".

The swimming pool will be open for a splash party. The steam and sauna rooms in the health club will be open for men and women. A buffet style dinner will be served.

Called "Saturday-Nite Live", the open party is a first which the JCC plans to hold bi-monthly. Cost for everything including dinner is \$7.50 for the public, \$6 for members other JCCs and groups of 20 or more, and \$5 for Kaplan members. For reservations call 675-2200, ext. 217 or 218.

### Is Gambling A Sin?

The Daily Racing Form is often referred to as the "Bible" of the racing industry. But, as I tell my 'Bible' class on Sundays, gambling is a sin.

I, therefore, no longer go to evil race tracks or patronize illegitimate bookies, as I must confess, I've done in my misspent youth.

Instead, last Saturday I visited a place where making a wager is NOT gambling and therefore, NOT a sin. This place is known as the Western Messenger Service. It's located just east of Harlem on Higgins. On the back of the receipt they gave me, it said and I quote: "Money paid to the Western Messenger Service, Inc., does not constitute a bet or wager. When tendered to Western Messenger Service, Inc. by a principal, they will provide an agent empowered by that principal to place such money in the pari-mutuel pool (designated on the reverse hereof) of any race track which is licensed by the Illinois Racing Commission to conduct race meetings."

What a wonderful feeling of cleansing this gave me. "Why", I said aloud to myself with my eyes uplifted, "This is a discovery I must share with other very religious folks, like myself, who believe gambling to be a sin."

Here, in the clean confines of the friendly Western Messenger Service, you are not wagering and the only sin is losing. For we all know that in life, it isn't how you play the game but whether you win or lose. And winning isn't everything in life, it's the only thing, particularly, if you play the horses, fly TWA, or sell newspaper space.

The Western Messenger Service is staffed with very friendly people. They even serve cookies, coffee and free literature, with their compliments. Being there makes you feel like you are at a revival meeting, everyone is so sweet and friendly.

I understand several hundred of these friendly Messenger places have sprung up all over Chicagoland but that these nice folks are suffering undue harassment from meanies who wear badges and even meaner meanies who have whiskers. Heaven forbid!

While having coffee and cookies in the Western Messenger Service, I met a man with very sad eyes called, "The Reverend". He said to me, "I never go to race tracks any more because I've lost everything. My money, my house, my car, my wife - everything's gone! All I have left is this lucky Rabbit's Foot."

While writing this column Sunday, two guys pulled up in a pink convertible, which is better than two guys in white suits in a white station wagon and far better than two guys with black silk suits, and five o'clock shadow in a long black limousine.

"Hey," I said to the one I recognized as Mike, a prominent local businessman, "What kinda car is that?"

"A 1957 T-Bird", Mike replied.

"Gee", I said. "It's like new. I'll give you a hundred for it."

Mike smiled. "Do you know what that car is worth?"

"One fifty", I said.

"Twelve,000 dollars"

"You serious", I said.

It turned out this fellow Mike was right. A 1957 T-Bird in practically new condition like his was going for \$12,000 - and they're worth it!

**HOT FROM THE FEED BOX:** Seattle Slew will WIN the Kentucky Derby and barring injuries, is a shoo in for the Triple Crown. This colt has the knack of breaking on top in every race regardless of the distance and then improving his position.

The Chicago White Sox are and always have been "morning glory's". This term (morning glory's) is used in race track parlance. It means a horse in morning workouts is terrific but in races turns out to be just a front runner. The White Sox always start good and finish bad. The White Sox will have a 26 game losing streak in '77.

The Chicago Cubs are the worst team in major league history. They'll finish last by 36 games.

Matty Pokuta who plays for the LANDMARK BOOSTERS (whose team recently defeated the Maine Roosters), is in his 60's but he's still good enough to play center field for the Cubs. Matty is a natural center fielder. He's also the best Bocci ball player in Niles to the great envy of Mayor Nick Blase.

Last Saturday two mermaids from Neptune's Cove in Oak Park dropped into the QUEEN OF THE SEA to play with Capt. Ter's ukulele...oh, yes, the attractive gals are named Sandy and Samuel...Samuel?...?

I'm leaving for Las Vegas May 5th...did you know Las Vegas has more churches per capita than any city in the U.S.A. That's true...why else would I be going...

P.S. If a Rabbit's Foot is Good Luck, why didn't the rabbit have any?

See you again...when I'm rich...

## Between The Bugle and Its Friends

The revival of Porgy and Bess at the Arie Crown theatre is the American opera with Gershwin music, marvelous voices, and indeed a fine production. But if your ticket is 9 rows back or more, be content with hearing the music. The lyrics somehow get lost in this poorest of all Chicago theatres. We've been in the first balcony for the Odyssey, and far back on the main floor for Pinafore, and it is our experience lyric lovers will be cheated unless they're down front for Porgy. The Negro dialect needs adjusting to when you first are seated and if you're too far back the adjustment never comes.

One of the most powerful plays we've ever seen, Equus, at the Studebaker, will soon be leaving Chicago. It's disappointing the theatre isn't filled nightly, in a drama in which a psychiatrist and his young patient bear their souls. It is tense, exciting drama which leaves its audience limp at the closing curtain.

On Monroe st. you should hurry on down the Yellow Brick Road to the wonderful Wiz, now appearing at the Schubert theatre. It's a lovely romp of an updated black Wizard of Oz, which swings and rocks, but never loses its enchantment.

At the Goodman theatre east of Michigan, Streamers is playing to admiring but exasperated audiences. The extremely graphic violence in a barracks of Viet Nam-bound soldiers emphasizes the violence of our times, if not that war. It's a stunning performance of a black soldier running amuck amidst overtones of homosexuality and violence which have been focused in our times. After the performance players and the director banter with the audience about the significance of the play. The questions about the excessive blood and violence are in the center of the discussions. It's good theatre. The after-theatre discussions are equally interesting.

Goodman's Stage 2 at the Ruth Page theatre on North Dearborn is presenting a biographical

sketch of the late dramatist, George Jean Nathan. It is an urbane witty fast-moving play about a critic who not immodestly believes his criticism lifted the American theatre to the level of O'Neill, Williams and Miller, and out of its dismal, pre-World War I days. Ray Rayner's role as H. W. Mencken is particularly well done. It's good theatre, especially for those dramatists who can relate to much of the inside theatre talk.

Arlington Park theatre's Big Knife is a Clifford Odets late 1930's play which has a superb cast. The propeller set of the 30's may be quite like their jet set counterparts of the 70's but their sophistication and Hollywood antics of yesteryear seemed out of sync with the 70's. The big star, who capitalizes to the high-price of Hollywood producers, while neglecting his own wife, somehow doesn't seem relevant 40 years later. But the casting is excellent, and TV watchers will enjoy James Farentino and his wife.

## Oakton writers club

Harry Mark Petrakis, distinguished novelist and short story writer, will speak at a meeting of the Oakton Writers Club on Wednesday, May 4, in Room 540, Interim Campus, Oakton Community College, from 1 to 3 p.m.

A vigorous and popular author with five novels, two short story collections, and a book-length autobiographical account to his credit, Petrakis is one of the rare writers who speaks with authority and robust good humor.

Petrakis is currently writer-in-residence at the Chicago Public Library under the auspices of a grant from the National Endowment for the Humanities.

The public is invited to attend the lecture. Admission is free.

## Variety Club Celebrity Ball

One of the highlights of the Variety Club Celebrity Ball at the Ritz Carlton, was the annual gift presentation to Essie and Irv Kupciet by president Bene Stein (center). It was a \$1,000 check for the Karyn Kupciet Memorial Scholarship at Shimer College.

## Riverview Night of Nostalgia

In 1906, a group of Swiss craftsmen working for the Philadelphia Toboggan Company were commissioned to carve six dozen horses and four chariots for the world's largest carousel at RIVERVIEW PARK, soon to become the world's largest amusement park. Some of the horses were armoured chargers of knights and others were mounts of cavalry buglers.

From the time that famous RIVERVIEW Merry-Go-Round opened until the day the Park closed in 1967, the 96-passenger carousel carried nearly 30 million riders. Every fall, the horses were carefully wrapped and sealed against the weather and every spring they were carefully examined, cleaned and repainted.

RIVERVIEW'S famous carousel and scores of other attractions will be fondly remembered during the city-wide RIVERVIEW NIGHT OF NOSTALGIA on Saturday, May 7 at 8 p.m. in the Lane Tech High School auditorium, 2501 W. Addison st., Chicago.

Photo historian Charles Wlodarczyk will present a film and slide program of pictures taken at the Park during its heyday. Nostalgia radio broadcaster Chuck Schaden will be host for the evening of memories. Guests will include former employees of the Park reminiscing about their involvement with RIVERVIEW and there will be many exhibits and other memories.

Donation is \$3 per person and seating will be limited to the capacity of the Lane auditorium. Advance tickets may be purchased at any office of North West Federal Savings in Chicago and suburbs or at the Metro-Golden-Memories Shop, 5120 W. Irving Park rd., Chicago.

## McDonald's National Store Day

McDonald's Corporation in honor of its 22nd anniversary designated Friday, April 15th as "National Store Day." The Corporation operated its offices with a skeleton staff while personnel left their desks and went into the McDonald restaurants to work.

Gina Dance and Judy Meyer of the Public Relations Department and Judy Harazin of the Relocation Department worked every area in the Milwaukee & Oakton McDonald's from grill to soft drinks. Manager Steve Topczewski wanted to familiarize them with every aspect of the operation.

Don Conley, owner of the Niles McDonald's said: "It's great for people behind the corporate desks to keep up to date with the stores' operations. It keeps the McDonald's team spirit with each and every one of us."

## Hastings graduate

Hastings College will award degrees to 109 seniors at the 91st Commencement Ceremonies to be held on Sunday, May 15, according to Marvin M. Fink, Secretary of the College. Local grads include Denise Irene Regosh, Niles, with a Bachelor of Music in Music Education.

## Easter contest winners

Three students attending local grammar schools were selected winners in the first annual Easter Coloring Contest sponsored by the Passionist Fathers' Guild. Fr. Godfrey Poage, Guild director, and parents of the winners are pictured at ceremonies held at the Passionist Monastery, 5700 N. Harlem, Front row (l-r) Fr. Godfrey, Mr. and Mrs. Raymond Tomczak with first prize winner Robert, a student at St. Eugene; back row (l-r) Mr. and Mrs. Angelo Christofilis and second prize winner Christina, a student at St. Juliana; Mr. and Mrs. Oscar Quintero and third place winner Christina, a student at Our Lady of Ransom in Niles. Honorable mention awards were presented to 135 children.

Three students attending St. Eugene, St. Juliana and Our Lady of Ransom Schools were selected winners from more than 5,000 entries in the first annual Easter coloring contest sponsored by the Passionist Fathers' Guild, Fr. Godfrey Poage, Guild director announced. Thirteen local Catholic grammar schools participated in the contest which was open to children ages 4 to 10.

First place was awarded to Robert Tomczak, 7536 W. Strong, a third grade student at St. Eugene who received a plaque and \$50 United States Savings Bond. Second place was awarded to Christina Christofilis, 7047 N. Olcott, a third grade student at St. Juliana and third place to Christina Quintero, 9122 Lincoln dr., Niles, a first grade student at Our Lady of Ransom.

Second and third place winners were awarded plaques and \$25 United States Savings Bonds. Honorable mention award certificates were presented to 135 children.

The following local students received honorable mention certificates: Our Lady of Ransom - Lisa Fedic, Michael De Chaud, Justin Haas, Robert Feltes, Tina Encarnacion, Grace Boyle, Dena Milito, Jocelyn Nocum, Terry Wilkin, Steven Rossa, Andy Benka, Patricia Hoppe, Annmarie Ranicic and Julie Derdzinski; St. John Brebeuf - Karen Baluta, Stacy Archie, Colleen O'Grady, Beata Kurylo, Kathy Goloriana, Lisa Ann Michelotti, Sherry Michalski, Joseph Assenato, Paul Cannizzo, Michelle Jung, Scott Osel and Laura Scott.

## School closings and tax rate referenda

In 1969, District 64 had about 6800 students. Presently, the enrollment is 4700. The 1981-82 enrollment projection is about 3200 children. With a declining enrollment of well over 50%, the Board is considering closing the two smallest schools (Edison and Madison).

Other alternatives are under consideration, however, it presently appears to the Board no other school closings would be necessary in the immediate and foreseeable future. No consideration is being given to junior highs at this time, inasmuch as the student population demands all available space at both Emerson and Lincoln Junior High Schools.

Public Hearings are planned for community input to the Board regarding school closings as follows: May 4, 8 p.m.; Edison School Activity Room; May 6, 8 p.m.; Madison School Activity Room.

In addition, the Board of Education is considering Educational Fund and Building Fund referenda to meet the growing financial crisis of the District. Even with school closings and declining enrollment, more funds must be made available. If the quality of education is to be maintained, it appears additional funding from the State will not be forthcoming. In fact, State fund-

ing is declining rapidly. If the local tax base increases, that also decreases State aid even more, according to the formula. Therefore, the Board has no alternative but to seek local tax funds to support District 64 education. The referenda are anticipated for this fall.

## Polish Americans meeting

An "Open to the Public" meeting, featuring a comic fashion show, directed by Sophie Zmuda, and a one-hour color, sound film entitled "Two Flags-One Nation", produced and directed by T. Ronald Herbert, will be held by the Heritage Club of Polish Americans, at Norwood Park, 5801 N. Natoma ave., on Sunday May 1 at 2 p.m. Cake and coffee shall be served. Bertha Sobotka, hostess. A very nominal donation is expected.

## OCC workshops

Two-hour orientation workshops are held each week at Oakton Community College for adults interested in returning to school.

Upcoming workshops have been scheduled for Tuesday, May 3, from 1-3 p.m. and Tuesday, May 10, from 7:30-9:30 p.m., according to Dolores Orlove, assistant to the director of non-traditional student programs. Both sessions will be held in Building 3, Room 328, on the Oakton Interim Campus, Oakton and Nagle, Morton Grove.

These small group sessions feature information about Oakton career programs, courses, requirements, and other areas relevant to those who have been away from school for some time or who may have no college experience at all. Ms. Orlove said. She added that some discussion of the participants' interests, abilities, and goals is also included.

For further information, or to make reservations for an orientation session, call the Oakton Non-Traditional Student Program office at 967-5120, ext. 350.

## John C. Lasken

Navy Lieutenant John C. Lasken, son of Mr. and Mrs. Chester F. Lasken of 8817 N. Merrill st., Niles, participated in the U.S. Sixth Fleet operation "National Week XXII".

He is the communications officer of the amphibious assault ship USS Guam, homeported in Norfolk, Va.

"National Week XXII" was an eight-day exercise involving more than 30 Sixth Fleet ships, 18 aircraft squadrons and a Marine battalion landing team. The exercise included simulated combat operations, emphasizing amphibious warfare and logistics support elements at sea. The exercise took place in the Tyrrhenian and Ionian Seas, near Sicily.

Additionally, the Guam was a member of a special U.S. Task Force which traveled to Mombasa, Kenya during Nov., 1976, in commemoration of the 13th anniversary of Kenyan independence.

Lasken and his fellow shipmates have had the opportunity to visit Egypt, France, Italy and Spain during the cruise.

He is a 1972 graduate of the U.S. Naval Academy, Annapolis, Md., with a bachelor of science degree.

## Drinking age. . . Cont'd from Niles-E-Maine P.1

In other business Tuesday night trustees continued action a second time on a Planned Unit Development rezoning at 7850 Caldwell for 76 condominium units. Variances requested by petitioner Edmund Beaulieu brought protests from Trustee Peter Pesole who questioned the density in the area and Tr. Ang Marcheschi who commented that "provision for fire equipment lanes over a service area (side-walks) is the most stupid thing I've seen in my life," fearing for safety of children and pedestrians.

Delay in action called for appearance of a fire dept. representative and Building and Zoning Director Joe Salerno at the April 26 board meeting.

Approved, on recommendation of Special Committee members Pesole and Marcheschi, a request by Susan Enterprises to erect a 6 ft. fence surrounding the Kingston Project, south of Golf rd., for the safety of children and prevention of vandalism to cars.

Provisions include a chain link fence with vinyl or aluminum panelling on the south and west boundaries and an aluminum picket decorative fencing on the north and east sides.

Waived village fees related to installation of a parking addition at the Leaning Tower YMCA.

Approved dedication of public street by Notre Dame High School to the village of Niles for

improvement. Area involved is the 50 feet east side of Ozark from Dempster south to Greenleaf and the 40 feet west portion of Oriole ave. from Dempster to Greenleaf.

Passed a resolution affirming a vote canvass of the April 19 village elections with Nicholas Blase for President 3,777 votes and Ed Trybus, 401; Frank Wagner village clerk 4,302 votes and Trustees Peter Pesole 4,128; Abe Selman 4,032 and Carol Panek 4,147 votes.

## Free health fair in May

Mayor Al Smith has named May as Good Health Month in Skokie and has urged residents to take advantage of Skokie's 2nd Annual Free Health Fair. The fair sponsored by Skokie Federal Savings with the assistance of the Skokie Health Department is to be held at the main office of the savings association, Dempster at Skokie Blvd.

Skokie Federal Savings president John R. O'Connell, stated that because of the overwhelming acceptance and enthusiasm for the first fair last year it will become an annual event. He continued, "A different free test will be offered on each succeeding Saturday in May between 9 a.m.-1 p.m." The testing schedule is as follows: May 7 Blood Pressure; May 14 Hearing; May 21 Glaucoma and Comprehensive Vision Check; May 28 Tuberculin Tests.

Dr. Sam Andelman, Director of the Skokie Health Department, cautioned that these tests are not a substitute for a physical check-up. He stated, "The results of these screenings can give an indication of possible problem areas which should be brought to the attention of a physician."

Skokie's Office on Aging Director Peggy Gilmour also emphasized that the fair represents an excellent opportunity for people in a high age bracket to check for glaucoma and hearing loss, ailments frequently found among older people.

In addition to Skokie Federal Savings, co-sponsors of the fair are: The Skokie Health Department, Vision Conservation Institute, Inc., Heart Association of Northern Cook County, St. Peters Catholic Women's Club, Girl Scout Cadet Troop 685.

## March of Dimes Walkathon

The annual National Foundation - March of Dimes Northwest Suburban Walkathon will be held on Sunday, May 1, the Foundation announced today.

On that day hundreds of area residents from Arlington Heights, Des Plaines, Mount Prospect, Elk Grove Village, Palatine, Rolling Meadows, Hoffman Estates and Schaumburg will walk 17 miles together to raise funds for March of Dimes research, medical service, educational and community

service programs, aimed at the prevention of birth defects and the reduction of infant mortality. Participants in the event will gather at 9 a.m. at Prospect High School, 801 W. Kensington, Mount Prospect, to register and begin their hike through the Northwest Suburban area. The checkpoints along the route will provide water and restroom facilities. Free refreshments and snacks will be served to all walkathon participants.

At the end of the Walk, the rock group "Sahara" will give a two hour concert for all walkers.

Two Schwinn ten-speed bicycles will be awarded to the walkers who collect the most money for the March of Dimes through the event. Prizes from local merchants will also be awarded on the day of the event.

The walk route has been set with the cooperation and approval of village officials and Police Departments from the participating communities. Supervision of the walkers on that day will be provided by the Mount Prospect E.S.D.A.

For more information about taking part in the Walkathon, or to volunteer to become a Walkathon Representative in your school, call the March of Dimes at 341-1370.

## Honor Society Initiates

Scholars from many academic fields in the University of Illinois at Urbana-Champaign will be initiated April 21 into the Phi Kappa Phi honor society. They include:

From Des Plaines: Clifford M. Sladnick, 8816 Robin Dr., and Patti J. Weisman, 8801 Golf Rd. From Lincolnwood: Scott J. Bernstein, 6612 Kenneth St., and Marc S. Joseph, 6757 N. Harding St.

From Morton Grove: Joel J. Africk, 6616 Davis St.; Richard S. Condit, 9300 Linder Ave.; Mary J. Karp, 6729 Beckwith St., and Thomas R. McLean, 8123 Parkside St.

From Niles: Gary N. Ruben, 8708 Sherman Rd.; Frank C. Sciurba, 8721 Park Ln., and Susan D. Zinn, 9051 Clifton St.

## Truman scholar

A first-semester junior majoring in political science at the University of Illinois at Urbana-Champaign has won a new award honoring President Harry S. Truman.

Lawrence E. Rosenthal, the son of Mr. and Mrs. Howard Garnitz, 4521 W. Howard St., Skokie, among the first group of college juniors across the country selected to receive Harry S. Truman Scholarships.

Rosenthal is a member of Sigma Iota Lambda, a pre-law honor society, and is active in the Illini Forensic Assn., the UIUC undergraduate student debating society. He advises the Campaign Central High School debate club.

He earned a diploma from Highland Park High School in three years and enrolled at UIUC in the fall of 1975.

Rosenthal plans to earn a law degree and to work as a public defender or a prosecutor.

## Scholarship winner

Jeffrey Zondlo of Morton Grove, a member of the Class of 1977 at Loyola Academy in Wilmette, has been awarded a Frank E. Payne and Seba B. Payne Foundation Scholarship. Jeff will use the scholarship which was presented recently at the Crane Packing Company in Morton Grove to study at Marquette University. He hopes for a career in medical technology—perhaps as a lab technician. He feels that his work at Loyola Academy in biology, both at first-year and advanced placement levels, had a strong influence on his choice for the future.

## New year beginning for Heritage B.B.W.

The first meeting of B'nai B'rith Women, Heritage Chapter, will be held Wednesday, May 18 at 8 p.m. at the home of the new Chapter President, Aviva Suppo, 1060 Summit, Deerfield. This will be an open board meeting and plans for the new year will be voted on. Prospective members are invited. For information, call Program Vice President Sally Granick, 677-0587.

# It's official: Kosiba and Arnold for Park

by Alice M. Bobula

An official canvass of votes Thursday, April 21 for the April 19 election confirmed election of Dan Kosiba and Jeffrey Arnold to the two 4-year park seats vacant on the Niles Park District Board.

An incorrect report made election night of no write-in votes was corrected during the Thursday night canvass which showed a total of 26 write-ins for 25 candidates, of which Mickey Mouse and Minnie Mouse each were accorded 1 vote.

A total 4,176 voters cast preferences in the park district elections.

Approximately 20% of the election judges "were slipshod in their responsibilities," according to Park Comr. Jack Leske, who asked that the Village Clerk be informed of the poor vote tallies.

In other business commissioners approved purchase of a 1977 Bronco maintenance vehicle at a total cost of \$6,042 from Fergus Ford, Inc. and a 1976 Toro Tractor for \$2,715.

Rejected bids on Fairway mowers and a hydraulic mower and asked for re-bid on both. Altho Comrs. Arnold and Jones favored acceptance of the bid, Comrs. Leske and Steve Chameriski said they preferred to review more than the two bids received (out of 20 bids let), of which one was deemed not acceptable for requirements.

Announced Monday, May 16 as a Public Hearing on the Niles

to begin condemnation proceedings on the Delaine Farm Property. He also moved to have the same provisions apply financially for off sight as well as on sight detention and the builder agreed to this. The motion to agree to grant a Special Use permit to Vansted was then made and carried.

Clerk McClory read a letter from John Hilkin absent from last night's meeting saying the village will have another balanced budget and will no doubt have a surplus. He said he felt there will be no need for higher taxes next year and offered his help and cooperation to the next head of the Financial Committee. Mr. Hilkin also commended all department heads for their cooperation.

Atty. Berrafato read an ordinance granting a Special Use permit for an Animal Hospital at 8450 N. Waukegan rd. and it was approved.

Engineer George Holt recommended the bids received for curb and gutter repair and replacement be rejected (since he felt he could get bids for less money now) and the board agreed to do so and re-advertise for these bids.

Clerk McClory said the new Village Officials would be installed at the next meeting. They are Richard Flickinger, Mayor, Jerry Schurke, Clerk and Neil Cashman, Don Schneider and Joan Decker, trustees.

Nick Marino announced the 50/50 Sidewalk Replacement program is still in progress.

Mayor Housid read a proclamation designating May 1 as Lay Day in M.G.

A gentleman who said he now operates game machines at OCC wanted permission to install one or two pinball machines there and the board decided he should wait till the new ordinance governing those machines is ready.

Park District Budget '77-'78, to be held at the Niles Rec Center.

Set May 7 as Niles Baseball League Opening Day. Parade participants will leave from Oak School, 7640 Main st. (instead of Notre Dame High School) for Grennan Heights Park.

Directed Park District observance of Arbor Day on Friday, April 29 between 5 and 5:30 p.m. at Kirk Lane Park.

Announced resignation of Ellen Van Lanningham as park board secretary.

Approved suggested planning by soil improvement company Agro-Care at Golf Mill Park. Park Director William Hughes notes the company was successful in solving soil problems in Skokie parks.

## Mikva bill clarifies tax code on tuition remission

Legislation to prevent the Internal Revenue Service from treating as taxable income scholarships given to relatives of employees of educational institutions under tuition remission programs was introduced recently by Congressman Abner J. Mikva.

The bill would clarify a section of the tax code and follows Mikva's opposition in January to IRS-proposed regulations that would have changed the tax status of tuition remission agreements. The IRS later withdrew the regulations.

About 27,000 students in the United States are studying at private colleges and universities under tuition remission programs in which the relatives of faculty members or other employees are given reduced tuition or scholarships to study at that institution.

Mikva is a member of the House Ways and Means Committee, where the bill has been referred. He commented that it is unfair for the IRS to focus on private colleges and universities in its initial attempts to tax

certain benefits as compensation. "This bill will clarify the code so the IRS will not be able to change the tax status of tuition remission programs," Mikva said. "The regulations were in clear violation of the tax statute, the intent of Congress in approving the statute, and the long-standing practice of the IRS."

"The regulations seized upon only one small piece of the 'benefits in kind' problems and thus aimed the axe exclusively at the private liberal arts colleges which can ill afford the drain on faculty and other employees that taxation of tuition remission programs would cause," Congressman Mikva concluded.

## From the LEFT HAND

Continued from Page 1

realize they're operating alone. The ingredient which best makes a democracy work is missing. The public does not add input to public meetings, and the sterile newspapers are little more than recording devices which drearily record the mundane aspects of the meetings. There's no pressure, no input, and thus the responsiveness of public officials does not necessarily correspond to the call of the voters. The vacuum formed by lack of public participation enables public officials to work off the top of their heads.

When we see a voter revolt at the polls, we like to think there are better days ahead. But unfortunately, nothing is likely to happen unless the revolutionists continue to press for changes at subsequent board meetings. It is this neverending public pressure which makes a viable change at the public halls. Without it the voice of the voter can seldom be heard in the land.

## Richard W. Bugarin

Airman Richard W. Bugarin, son of Mr. and Mrs. Vincent Bugarin of 6535 Riverview Drive, Niles, Ill., has graduated with honors at Chanute AFB, Ill., from the U.S. Air Force technical training course for automatic flight control systems specialists conducted by the Air Training Command.

Airman Bugarin, who studied navigation, aerodynamics, electronics and pneumatics, is being assigned to Travis AFB, Calif., for duty with a unit of the Military Airlift Command. Completion of the course enables the airman to receive academic credits through the Community College of the Air Force.

Airman Bugarin is a 1975 graduate of Niles West High School and attended Oakton Community College, in Morton Grove.
