Parents question security in District 63 schools

by Eileen Hirschfeld

Adequate security measures at East Maine School District 63 were questioned by the parent of a district student in light of a recent incident at Gemini Junior

High School at 8955 Greenwood st. in Niles.
At a regular Tuesday board meeting, Laura Berkowitz referred to trespassing January 27 and

February 2 of a 24-year-old male who was apprehended by police on the latter date.

Luxury homes, condos to be constructed on acre site

MG approves Little Acres development

by Nancy Keramias

After hearing that both Morton Grove and Niles residents were enthusiastic about proposed development plans for the tract of land located at Washington and Foster avenues in Morton Grove, the Morton Grove Trustees voted 4-0 to approve three zoning ordinances introduced by Plan Commission Chairman Leonard Bloomfield. Trustees Henry Szachowicz and Neil Cashman were not at the Feb. 13 regular board meeting.

Five luxury homes, expected to be in the \$175-\$200 thousand range, and 12 townhouse-style

condominium residences price valued at approximately \$200,000 will be constructed on the 1.687 acre site commonly known as 9609 Washington Ave. The current structures, including a one-story brick structure housing a tree removal business, will be destroyed.

The developer, Lunn Limited of Arlington Heights, has agreed to set aside \$12,500 in an escrow fund earmarked for new street lighting and will pay for repaving that portion of Foster Avenue adjacent to the development. Continued on Page 34

Dist. 207 installs \$1 million computer system

As part of a long-range technology plan, Maine Township High School District 207 will replace its mainframe computer system, install a computerized card catalog and circulation system in the three libraries, and install computer writing labs in each of the three high schools.

The new mainframe computer will replace the mainframe computer which was installed by Bur-

roughs Corporation—now called Unisys—eight years ago. Unisys notified the district earlier this year that its current model is obsolete and replacement parts soon will be in short supply.

The company also told the district officials that service on the software is being phased out. "Within 18 months Unisys will no longer provide support for the software," James L. Elliott,

Superintendent, said. "The System might have run many more years, but our major concerns were maintenance, service, and lack of software support."

The new Unisys system will increase speed and processing power, provide updated technology and potential for expansion, and be less expensive to maintain and operate. The system is used for both student

Morton Grove police begin Zero Tolerance crackdown

Beginning Jan. 13, Morton Grove police began confiscating automobiles and other property to belonging to anyone arrested for drug offenses.

According to a prepared statement issued by the agency, "The Morton Grove Police Department aggressively supports the United States Department of Justice in their efforts to discourage and reduce drug trafficking, posses-

sion and use. As part of the support, the department will implement a program of 'Zero Tolerance'.

"The department's program of Zero Tolerance refers to the policy of allowing no indulgence when dealing with illicit drug offenses, and aggressively seeking the seizure of property used in these offense.

"This is an administrative action taken by the government against the property and is not a criminal action taken against the person."

When asked about the discretionary authority given to an ar-

Phone fraud warning

The Chief Inspector of the United States Postal Service, Charles R. Clauson issued a warning to the public about disreputable companies offering a variety of free gifts to consumers in exchange for purchasing other products.

Clauson advises consumers to check out a company before giving a credit card number or money to purchase a product or service. If, after checking the credentials of a company, a consumer has remaining doubts he should contact a postal inspector nearest his post office.

Step back in time at Niles Historical Museum

Wedding gowns from the 1800's through the 1970's are on display at the Niles Historical Society.

by Shellya Hackett

A visit to the Niles Historical Museum, 8970 Milwaukee Ave., today is a step backward to the early 1800's in Niles, to the era of Chief Blackhawk, Dutchman's Point and Cale's Home Buffet. Dutchman's Point was the name given to the intersection of present day Milwaukee Avenue and Waukegan Road, describing the land settled by German immigrants near a point on the Chicago river. At first mostly Potawatomi Indians peopled the Niles landscape, and a Chief Blackhawk moved freely among the newcomers.

Soon more settlers filtered into the area, setting up greenhouses

and produce farms to supply the hungry Chicago markets. Farms were a mainstay of the Niles economy for years, producing corn, potatoes and onions. The Niles Historical Museum, under the guidance of Marge Berles and Marilyn Brown, gives a glance back at early days with its replica of farmhouse and its environs. The display is modeled after a scene from a 1904 painting by C. Nicoli of the fields off Shermer road, north of St. Matthew's Lutheran cemetery.

Niles residents Howard Brown and Dick and Bob Cain are the builders of a rustic enclosure showing early farm implements

such as scythes, corn and potato planters, hay balers, cultivators and a self-cleaning rake to pick up barnyard debris. A photo pictures a Niles farmer trudging behind his cultivator in 1940.

Antique saws shown include an ice cutting saw that harks back to when a local ice pond provided the only refrigerant available. The pond site was on a section off Milwaukee avenue called Welcome Park and East Maine, a spot more recently the location of McDade's and Phar Mor. The area was annexed by Niles in 1959, coinciding with the Golf Mill commercial development.

Today's kids gape at the museum's mock up of a 1900's kitchen showing labor intensive fixtures such as butter churn, wood burning stove, sink hand pump

and ice box. Walt Bessie of Niles built the kitchen enclosure, even reproducing the pegged plank floors of the period.

A child's imagination could turn him into a pioneer and put him into the 1886 covered wagon he finds on the premises or he could masquerade as a baker plying Niles streets in 1902 in a green painted cart, its sides advertising cakes, pies and fresh bread.

A stuffed marsh hen and a barred owl, animals native to the area, peer down from their perch in the second floor, north display room. Visitors can view Indian arrowheads found in Niles, along with exhibits of stones and shells, antique sewing machines, a necklace of burg's teeth and a prehistoric Mexican sundial. Other showcases trace photographic equipment from the days of a 1900 lantern for glass slides to present day instantanics.

The Historical Museum displays changing styles of wedding gowns and accessories as part of a rotating exhibit, starting with the 1800's, when the practical bride wore brown or black. They include advice in Blanche Wheeler's "Answer to Questions Often Asked About a Wedding" and a facsimile wedding cake.

Visitors today puzzle over old street names, such as Telegraph Road, now Shermer Road; Railroad Avenue, now Lehigh Avenue and North Plank Road,

now Milwaukee Avenue. Streets were dusty and muddy and mourners from St. Adalbert cemetery added to the stream of wagon traffic on Milwaukee, a former Indian trail.

Museum pictures show eateries dotting the roadway, such as John Cale's Home Buffet; the

Silver Leaf Tavern, near today's White Eagle, and the Marvel Inn Picnic Grove, now Zofia's. Street banners welcome visitors to Niles Days; signs invite passers-by to dine and dance and to drink Pilsen beer. Times haven't changed all that much.

Robocop joins Morton Grove force

photo by Nancy Keramias

Ready for roll call. Community Relations Officer Robert Davis, left, adjust Morton Grove Robocop's tie; as Superintendent John Graham, right, of School District 70 looks on. School District 70 "recruited" the robot for the Morton Grove Police Department to bring to schools and special events.

by Nancy Keramias

Morton Grove police will have the services of a new "recruit" thanks to a donation from School District 70. The as yet unnamed remote-controlled creature answered roll call Feb. 7 and will be on the Community Relations duty roster.

The fuzzy blue robot was presented to Community Relations Officer Robert Davis by District 70 Superintendent John Graham and will be on hand for Drug Abuse Resistance Education (D.A.R.E.) graduation of St. Martha's fifth graders on Feb. 16. Davis and fellow officer Debby McEnerney will use the robot as

part of the Community Relations arsenal brought to student groups, and other community events. The robot pedals its tricycle (which is registered), clangs the bell and is the mouthpiece of the officer.

"Kids will talk to a robot more than they will to a police officer," Graham explained. "We feel good about having police officers in the building on a regular basis. It creates a relationship. We have a good relationship with the police department and through this incredible device, the positive relationship will extend to the children." Added Davis, "This will add some levity to our presentation and allow us to introduce some serious subjects, especially to the younger children, like 'Stranger Danger' and 'Say No'."

"This will get their attention," said Superintendent Graham. District 70 used allocated D.A.R.E. drug education funds to purchase the robot. Students at Park School will be involved in a contest to name the Robocop and the winner will be announced at that time.

Shopping center proposed for Greenwood-Ballard

Gerald Biehl, developer of the Civic Center Plaza under construction at Oakton Street and Waukegan Rd., has purchased an 8½ acre parcel on Greenwood Avenue in Niles near Ballard Rd. The builder will appear at the March 8 Zoning Board Meeting to request approval to build a 20,000 square foot retail shopping center plus a restaurant at the site, according to Public Works Commis-

sioner Joe Salerno. In addition, Dominicks Finer Foods will have a 72,000 square foot store in the shopping center, replacing the existing store at Dempster Street and Greenwood Avenue.

Letters addressed to area residents affected by the proposed development will be sent out Thursday, Feb. 16, according to Salerno.

Niles Library parking lot extension approved

Library trustees approved a plan that will extend the Niles Library's parking lot westward, at a cost of up to \$175,000. Construction of the expanded parking area could be started by middle May.

At the regular Feb. 8 meeting Board members gave a go ahead to the \$200,000 expansion package which also provides for improvements to the wiring, curbing and entrances. \$13,000 of the sum is budgeted for landscaping the lot.

Library Trustee candidate, Ted Przybylo voiced his concern about the lot's existence interfer-

ing with any potential plans to enlarge the library building.

Niles Village holiday hours

Niles Village Clerk Frank C. Wagner, Jr., wishes to remind residents that the Niles Administration Building Office, 7601 Milwaukee Ave., Niles, will be closed Monday, Feb. 20, in observance of Presidents' Day. The night depository at the front of the building is available for your convenience. Regular business hours, 8:30 a.m. to 5 p.m. will resume on Tuesday, Feb. 21.

North Maine Fire Board announces vacancy

Due to a recent vacancy in the Board of the Fire Commissioners for the North Maine Fire Protection District, Chief Morris Farman has been instructed by the Board of Trustees to announce an opening.

According to the Illinois Revised Statutes, Chapter 127 ½, there shall be a Board of Fire Commissioners for the North Maine Fire Protection District to regulate Rules Governing Examination, Appointment, Promotion, Removal, etc. in the Fire Department of all classified members.

The Board of Fire Commissioners is normally made up of 3 members, with one serving as Chairman and one as Secretary. It is basically the responsibility of the Commission members to examine, appoint, promote, remove, handle leaves of

absence, and discipline the classified members of the North Maine Fire Protection District. In other words, the Commissioners are the Personnel Department of the Fire Department. The Commissioners are appointed by the Board of Trustees for a period of three years.

The position of Fire Commissioner is one of responsibility, but not without it's rewards. Each Commissioner has considerable input into the Fire Department, and does receive a small amount of money for their services.

Any resident of legal age, 21 years or more, can apply for the Commissioner's job. If you are interested and would like further information regarding this position, contact Chief Morris Farman at the North Maine Fire Department 297-5020.

Fire investigator looking into 'suspicious origin'

MG fireman investigating cause of Dempster blaze

by Nancy Keramias

Morton Grove Arson Investigator Jeff Adams is looking into the 'suspicious origins' of a Jan. 25 fire at the Furniture Factory at Austin Avenue and Dempster Street but is awaiting the return of lab samples before determining the cause of the fire. Adams, a 13-year veteran, went to both the Police Academy and the Fire Academy, is now endowed with credentials impressive enough to qualify him as an expert witness for insurance companies on his days off.

"Arson investigation is very

scientific," Adams said. "When you go through a fire scene you look for things indicating extreme heat. In a restaurant fire, for instance, if the aluminum has melted, there's a reason to suspect arson." Aluminum has a melting point which is far higher than that in normal fires.

"Most crimes have a witness, but with arson, it's different. First you have to determine if there is a crime, then how it started, and last, who did it."

Because the criminal penalties Continued on Page 35

Morton Grove Village Trustee Henry Szachowicz once compared his chances of winning reelection to the Board as similar to those of David facing Goliath but, to extend his metaphor, he at least felt he was going to get on the battlefield against the Philistines. However, the Morton Grove Election Board, controlled by the Village's Active Party, has

ruled Szachowicz' petitions invalid because he did not specify whether he was vying for a two-year or four-year term. "My nominating petition is no different that that which I filed four years ago," said Szachowicz in a Feb. 13 interview. "Morton Grove only selects a trustee for four years." Chief warns on pipe thawing methods

by Shellya Hackett

Low winter temperatures can freeze indoor pipes and Niles Fire Chief Harry Kinowski warns against using propane torches to thaw them.

Although this winter isn't too severe, said Kinowski, the freezing problem usually develops when residents finish basements and don't properly insulate pipes. He reports that people will often heat one end of the icy pipe, forgetting that the heat is being conducted beyond that point. The heat ignites material between the walls, which tends to smolder. It can be hours before the homeowner is aware his house is on fire and damage can be extensive.

If icing does occur, according to Kinowski, the safest way to Continued on Page 35

A SURE HOME-RUN

For that unique man, a diamond is a wonderful gift. Baseball diamonds are well-suited for play. For the man on your team, a diamond ring catches the spirit of the holiday.

When people grow in their love, they come to count on the other one being there to make sure all the bases are covered. The pitcher pitches, the catcher catches. The pitcher is credited with the win, but they celebrate mutual victory.

A diamond worn by the man in your life lets you celebrate together. The ring has long been a symbol of love. The diamond ring is a symbol of love and quality. Each time he extends his index finger to make a point, the listeners see that sparkling, authoritative gem. And you are the one to put it on his finger.

A diamond tie tack catches the eye, holds the attention like a runner is held on first. While he fields ideas, the diamond flashes the signal that this is a player who has things under control.

Cut, color, clarity, and carat weight are the important lineup for selecting a diamond. Our jewelers are real pros who scout out the diamond that will bring in the cheers. A diamond is a sure home-run.

First Colonial offers club for senior citizens

First Colonial Banks are offering a socially exciting, (financially) beneficial club membership to senior citizens (at least 60 years of age) who retain a minimum balance of \$1,000.

The name of the organization, The Do-ers Club, was chosen to reflect the vital and active lifestyles enjoyed by Club members. Do-ers Club coordinator Pam Major says "Aside from receiving several banking services free of charge, Club members are able to enjoy monthly meetings, special events, group outings, and deluxe trips

with their peers. We have specially designed our social activities to meet the needs and interests of our 4,000 members," says Major, who added that the Club has been in existence for 15 years. In the past, some of the events included card games, fashion shows, holiday parties, and craft fairs.

On Wednesday, April 5, the Do-ers will enjoy a family-style luncheon and bingo at the "Bingo Bash," where \$400 in cash prizes will be awarded. This event will be held at Venice Banquet Hall from 11 a.m. to 4 p.m. for a cost of \$18 per person. Non-members are also invited. Tickets for this event will be available beginning March 5. In order to make reservations, members should contact the Do-ers Club Representative at their bank; non-members should contact the Do-ers Club coordinator, Pam Major.

For more information regarding a Do-ers Club membership, call Pam Major at 419-9891.

Maine Township Regular Democratic Organization and Committeeman Nicholas B. Blase have sponsored and supported this popular event for all senior citizens of Maine Township and the Village of Niles. Doors will be open at 1 p.m.

Senior ID cards available

Secretary of State Jim Edgar, in cooperation with Niles Senior Center is offering a Photo Identification program for all citizens in the Niles area.

Photo ID cards will be issued at Niles Senior Center, 8060 N. Oakton St., Niles, on Thursday, Feb. 23, from 9:30 a.m. to 2:30 p.m.

Photo IDs, which are offered to drivers and non-drivers, provide a form of personal identification that may be especially useful to senior citizens and persons with disabilities. The cards are issued free to all residents age 65 and over and to persons with disabilities. There is a \$4 fee for others.

Applicants applying for a photo ID card must submit a Social Security card and at least two other acceptable forms of identification that provide their name, date-of-birth, residency and a signature comparison.

For information on acceptable forms of identification, please contact the Niles Senior Center and Human Resources Department, 1-800-252-2904, Voice and TDD.

Symposium on an 'Aging Society'

Following the recent Presidential Elections, the center for Applied Gerontology, sponsored by

Council for Jewish Elderly, is holding a Symposium on "Prospects of an Aging Society in the

New Administration" on Thursday, Feb. 16, from 8:30 a.m. to noon at the Chicago Hilton, 720 S. Michigan Avenue.

The featured speakers for the symposium will be Josephine Obinger, Director of the Governor's Office of Senior Involvement and Chairperson of the Illinois steering committee for the 1991 White House Conference on Aging, and Donna Cohen, Ph.D., Professor of Public Health and Deputy Director, Gerontology Center, University of Illinois at Chicago and the recipient of a contract to plan the 1991 White House Contract on Aging.

With the advent of the White House Conference on Aging and a new administration, this symposium reviews the aging policies of the Reagan years and projects the directions for the future.

MANAGING CHANGES AFTER 60

Morton Grove senior citizen residents whose lives are in transition because of the loss of a loved one, retirement, relocation, or any other lifestyle change, may wish to consider a new group offering at The Flickinger Senior Center called, "Managing Changes After 60". Carol Powers, M.S.W., social worker with The Family Counseling Service of Evanston/Stokely Valley and Laurel Letwat, R.N., Morton Grove Village Nurse, will moderate the group to start at 2 p.m. on Tuesday, March 7. Topics of discussion will include changing self-image, surviving a loss, living alone, health issues, friendships, and maintaining independence. For more information, call The Flickinger Center at 965-4100, Ext. 254.

"SENIORS IN MORTON GROVE"

The "Seniors in Morton Grove" newsletter, a bi-monthly publication of important information and intriguing insights for Morton Grove seniors is available for the annual subscription price of just \$2.50. The subscription year begins April 1, and all who are interested in local programs and services for seniors should have a copy. "Seniors in Morton Grove" includes data about upcoming trips, plain and concise explanations about government programs, recreation, a "Senior of the Month" feature, challenging new classes, and much more. Send \$2.50 to the Morton Grove Park District, 6534 Dempster Street to receive this year-round information packet.

VISUALLY IMPAIRED MOTIVATORS

Morton Grove's support group for persons with visual impairments will hold their next meeting at 10 a.m. on Tuesday, Feb. 21, in the Flickinger Senior Center. Helpful information and supportive interaction will assist participants adjust to their impairments. For more information, or to arrange for transportation, call Senior Hot Line at 470-5223.

CREATING BODY/MIND BALANCE

Oakton Community College will offer another "Passages Through Life" lecture at 1 p.m. on Tuesday, Feb. 21, at their Skokie campus, 7701 Lincoln Avenue. Robert Skelst, R.N., Director of White Crane Senior Health Center and author of the book "To Your Good Health" will explain Tai Chi—its effect on an individual's spiritual and physical balance, and its help for arthritis. A demonstration will also be included in his presentation.

TAX RETURNS

The Morton Grove Income Tax Counselors are ready to assist senior citizens in filing their 1988 state and federal tax returns from now until April 17. A personal and private session with a trained counselor can be reserved any Monday, Wednesday, or Friday, by calling the Morton Grove Senior Hot Line, 470-5223. Home visits can also be arranged for those unable to come in to the center.

LEGISLATIVE SPEAKOUT

The third annual "Speakout" on issues concerning senior citizen legislation in the 1989 Illinois General Assembly will be held from 2-4 p.m. on Thursday, Feb. 23, in the Rolling Meadows Holiday Inn, 3495 Algonquin Road. Guest speakers include Sen. Robert Kustra, Sen. Virginia MacDonald, and Rep. Kay Wojcik. Please R.S.V.P. by calling the Resource Center for the Elderly, 577-7070.

MENTAL HEALTH PRESENTATION

A Mental Health Task Force, created by the League of Women Voters of Illinois in 1985 described the current mental health system in Illinois as fragmented with major gaps in services for the mentally ill. The Morton Grove/Niles LWV is participating in a statewide assessment of existing programs and planning and funding for future services. Dr. Arnold Levin, President of the Institute for Clinical Social Work in Chicago, will speak to the Morton Grove/Niles LWV on current issues affecting the care of the mentally ill in Illinois. This meeting will be held at 7 p.m. on Tuesday, Feb. 23, in the Morton Grove Public Library.

CATASTROPHIC MEDICARE FORUM

The new Medicare Catastrophic Coverage Act is receiving mixed reviews from seniors, care providers, and legislators. In order to best sort through the advantages and disadvantages of this law and to realize its actual implications, the Village of Morton Grove and the Morton Grove Park District are planning a panel forum. At issue will be the pros and cons of the Act, as well as ways to seek its enhancement. All those who are concerned with the Medicare legislation may attend a debate scheduled for 1 p.m. on Tuesday, March 28, at the Prairie View Community Center. It should prove interesting and insightful.

LICENSE PLACE DISCOUNT

The Senior Citizens and Disabled Persons Property Tax Relief Act, also known as the Circuit Breaker, was established in 1972 to reduce the tax burden on the limited incomes of many Illinois residents. On January 1, 1985, all persons receiving the Circuit Breaker Tax Relief benefits became eligible for a 50 percent reduction in the cost of one set of license plates. To qualify for Circuit Breaker grant offered through the Illinois Department of Revenue, an applicant must: 1. Be age 65 or older, or age 16 and older and totally disabled; 2. Have an annual household income under \$14,000; and 3. Be an Illinois resident at the time of application. To find out more about Circuit Breaker benefits call 1-800-732-8866.

For more information about these senior services and recreation programs, call the Morton Grove Senior Hot Line at 470-5223 or the Prairie View Community Center at 965-7447.

First Colonial acquires DuPage County Bank

First Colonial Bankshares Corporation, Chicago (NASDAQ:QFCOLA), has completed its previously announced acquisition of the DuPage County Bank of Glendale Heights, according to holding company chairman C. Paul Johnson.

In addition, the \$17-million asset bank will change its name to First Colonial Bank of DuPage County, effective immediately.

Johnson noted that the acquisition marks the beginning of First Colonial's presence in DuPage County, where it intends to be an "aggressive player." Johnson also said First Colonial has already secured property in another section of DuPage County, plans for which will be announced in the future.

First Colonial Bankshares Corporation has assets of \$1.1 billion and owns 11 banks with 15 locations in the Chicago area.

Hotel Management students host Italian Festival

The Student Lounge of Oakton Community College will be transformed into an Italian village square, elegantly decorated with flowers, fountains, strolling musicians, and authentic Northern Italian food when the Hotel Management Practicum Class of 1989 host an Italian Festival during Showcase '89, a college and career fair, from 6-9 p.m., Tuesday, Feb. 21.

The festival will honor guests from Des Plaines' sister city, Cremona, Italy, and other dignitaries, including the Italian Consul General and members of the Des Plaines sister city committee.

An elaborate menu, prepared by graduating students of the Hotel Management Program, is expected to feed a crowd of 3,000 visitors, says Program Chairperson Eugene Bertog.

"The food is free to everyone. Everything is cooked fresh from scratch. It is going to be a colorful spectacle, and we expect the biggest turnout this year," he said.

Entertainment has always been a vital part of the exhibit. This year, Bertog said, the program will feature two violin concerts, including one which includes a 40-member band playing original Italian music.

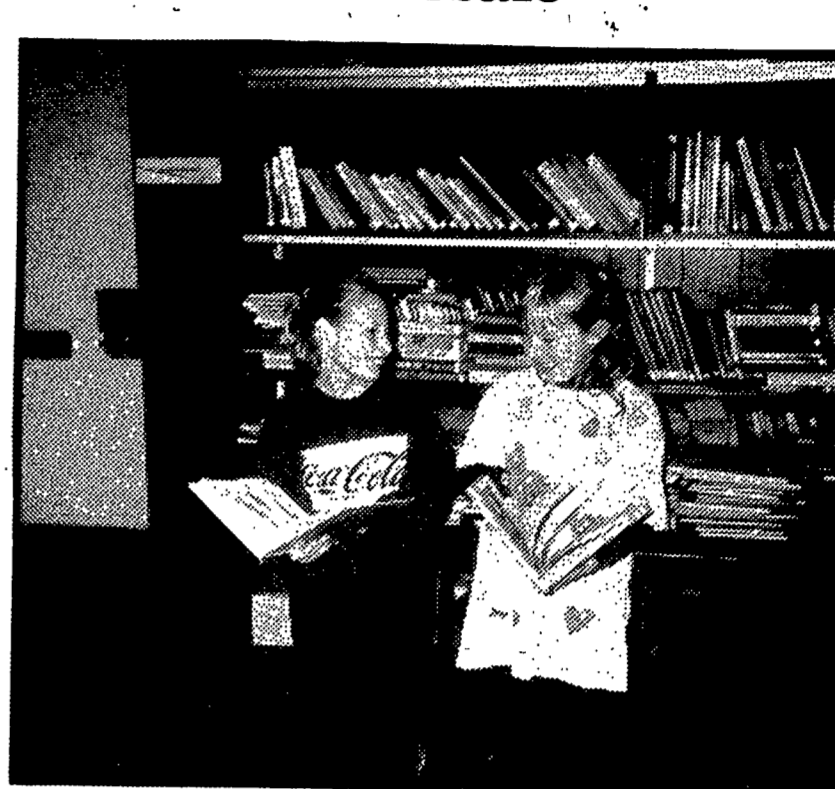

Bertog gives credit to his 34 students who worked diligently to put on the show. "This is the result of an eight-week preparation. Some of my students worked over the Christmas holidays, practically giving up their vacation time. That is real enthusiasm."

"The expo is a new dimension for the graduating students. This is a learning experience for them. Everything that takes place in the real business world is practiced here, including forming a corporation, selecting a committee, doing publicity, raising money, providing security, conducting the event, and, when it's over, issuing a financial statement. Everything they have learned during their program will be put to the test."

Bertog says that his students are bubbling over with excitement. "I just love their enthusiasm which I know will carry over when they assume their responsibilities in the business world," he stated.

For information on Showcase '89, call 635-1672.

SJB Women plan Recollection Night

The St. John Brebeuf Catholic Women's Club presents Fr. Ron Roth at their annual Night of Recollection on Tuesday, Feb. 21. This year we will be opening the evenings events with a special Healing Mass. The Healing Mass will be celebrated by Fr. Ron Roth, Director of the Office of Prayer and Healing for the Diocese of Peoria, Illinois. Fr. Roth has been proclaimed by many to be a faith healer, however, Fr. Roth is the first one to proclaim that his ministry of healing is secondary to his primary ministry of prayer. Fr. Roth is coming to St. John Brebeuf to help us unlock those things which prevent us from recognizing the power of positive prayer in our lives.

Through his television program, "Celebrating Life," Fr.

Roth teaches people how to apply power-packed principles from the Bible for dynamic living. Fr. Roth has appeared on numerous television programs including "The 700 Club," and the "Oprah Winfrey Show." He has presented various "Renewal Programs" in the Catholic Church, has been keynote speaker at many national conferences, and has conducted seminars on healing with hospital personnel.

Due to the length of the service and Fr. Roth's need for silence while being guided by the Spirit, young children and infants will not be permitted. However, babysitting service will be provided. Fr. Roth will provide a time for the children to be brought forth for his prayers and blessings.

Glenview Evangelical Free Church

Glenview Evangelical Free Church, at the corner of Golf and Sherman Rds., will hold Sunday worship services at 8:30 a.m. and 11 a.m. with Bible School for all ages at 10 a.m. Family Praise Hour at 6:30 p.m. will feature a concert by the Trinity College Choir followed by a Believer's Baptism with eight members following the Lord in water baptism.

Family Bible Night, Wednesday at 7 p.m., offers the Awana Program for 2 to 12 year olds and classes for junior and senior high students as well as adults.

The Korean Department offers Sunday worship services at 11 a.m. and Wednesday prayer meetings and Bible study at 7 p.m. for all Korean-speaking neighbors.

Nursery care is available at all services.

Tuesday is open gym and Thursday is volleyball at 7 p.m. and Friday at 7:30 p.m. is the first Bible study fellowship for all single, widowed and divorced friends and neighbors. Church affiliation is not a requirement and all singles are cordially invited to attend.

The Glenview Evangelical Free Church believes the Scriptures, both Old and New Testaments, to be the inspired and inerrant Word of God.

Maine officials blasted for 82% tax increase

Maine Township officials were sharply criticized when it was revealed they have increased taxes 82 percent over the past 3 years.

Andrew Przybylo, candidate for Township Supervisor on the Democratic slate, blasted Republican Township incumbents for the tax increase. "An 82 percent tax increase over 3 years is outrageous," Przybylo stated. "There is absolutely no excuse for increasing taxes by such an incredible figure over such a short period of time. When you look at the Township budget and all the fat that is in it, they should be reducing taxes, not quietly raising them 82 percent. Taxpayers should be outraged."

Przybylo attributed the 82 percent tax increase to waste and mismanagement by current Township officials. "Everyone

knows that there has been a tremendous amount of waste and mismanagement in Maine Township government," said Przybylo. "Art Duffy, a former township Administrator who worked for the Republican incumbents, has threatened to disclose examples of township mismanagement. When public officials raise your taxes 82 percent in only 3 years and their own administrators are threatening to expose their management of township affairs, it is obvious they are wasting taxpayers' money. It is time for the incumbent Republican slate to answer the question, 'Why did you raise our taxes 82 percent over the last 3 years?'"

Elections for Maine Township officials will be held on Tuesday, April 4.

Markos heads "Young Voters for Chulay"

Nick Markos has been named chairman of a Young Voters for Chulay Committee, according to Anthony J. Pauletto, chairman of the citizen's group supporting the re-election of Lincolnwood Mayor Frank Chulay.

Markos, 21, a senior in marketing at the University of Illinois, Urbana-Champaign, shares a family history of community involvement. His father, the late Socrates Markos, was a Lincolnwood Parks and Recreation Board Commissioner, and a vital force in many Village activities. Nick's mother, Georgia, has been prominent in community and civic affairs.

Nick actively participated with his father and brother, Chris, 20, in parades throughout the Village, and ceremonies in 1986 commemorating its 75th anniversary.

Nick, a product of the Lincolnwood and Niles Township school systems, has been a counselor at the Village's summer day camp for the last five years.

"I think the youth of Lincolnwood have definite ideas and goals for the community. My personal goal is to get them interested in actively voicing their opinions," Markos said. "As a group, we can have a

positive input in the village government," he added.

A musician whose band performed at the Sahara Hotel, Las Vegas, Nick says proudly, "Here in Lincolnwood, we have the best community on the North Shore. I want to help keep it that way."

Niles Township Clerk Louis Black announces his office is a dropoff and pickup station for volunteer deputy registrars. The last day for registration of voters by volunteer deputy registrars prior to the Tuesday, April 4, 1989 Consolidated Election is Monday, Feb. 27.

All volunteer deputy registrars must show their tan commission cards to verify name, ID, and organization before issuance of blank voter registration cards by the Clerk's office.

The last day for volunteer deputy registrars to return all completed and all unused registration materials is: Tuesday, Feb. 28. Office hours: Monday to Friday, 9 a.m. to 4:30 p.m. and Saturday, 9 a.m. to noon.

Address: 5255 Main Street, Skokie. For further information, please contact Clerk Black at 673-9300.

Maine Township GOP slates fundraiser

Republican candidates for Maine Township government offices will hold a festive champagne brunch from 11:30 a.m. to 2 p.m. Sunday, Feb. 26, at Brigante's Banquets, 2648 Dempster St., Des Plaines.

Tickets are \$30 per person or \$50 a couple for the buffet brunch. For tickets call Joan B. Hall, candidate for Supervisor, at 825-2501 or Thomas E. Rueckert, candidate for Assessor, at 998-0485.

Guests will have an opportunity to meet the entire slate. Other candidates are Stephen J. Stolton for Clerk, Bill Fraser for Highway Commissioner, Gary K. Warner for Collector, and Mark Thompson, Anita Rifkind, Carol Teschky, and Robert C. Williams for Trustees.

Special child support numbers

The Child Support Enforcement Division of Cook County State's Attorney Richard M. Daley's office has several special phone lines for clients and potential clients having difficulty in collecting these court-ordered payments.

Clients who are physically challenged or who have children with special needs should call Daley's office at 580-3248.

Anyone interested in attending the division's periodic Saturday office sessions because work schedules make it difficult to keep a weekday appointment should call 580-3257.

Hearing impaired clients can reach child support prosecutors through the Daley Center TDD phone machine at 443-5111.

General calls should be made to 580-3200.

Maine Township GOP slate outlines platform

Joan B. Hall, Republican candidate for Maine Township Supervisor, announced a seven-point platform Monday, Feb. 6, on behalf of the nine-member GOP slate in the April 4 township election.

The Republican slate pledged to:

- Maintain a responsive, efficient government.
- Maintain the cost-effective, high-quality services to citizens provided by the Township Supervisor, Clerk, Assessor and Highway Commissioner.
- Continue to encourage cooperation among local social service agencies to avoid duplication of services and maximize resources available to township residents.
- Continue to act as an advocate for residents of unincorporated Maine Township on issues and problems involving Cook County and other governmental bodies.
- Work vigorously for legislation allowing township input on zoning, density, flood control and other issues that directly affect the quality of life in the unincorporated area and the entire township.

Continue the responsible spending policies that have kept Maine Township's tax rate among the lowest on property owners' real estate tax bills.

Running on the GOP slate headed by Hall, a Park Ridge resident, are incumbents Stephen J. Stolton of Park Ridge for Clerk, Bill Fraser of Des Plaines for Highway Commissioner, Thomas E. Rueckert of unincorporated Glenview for Assessor, Gary Warner of Park Ridge for Collector, and Trustees Mark Thompson of Des Plaines, Anita Rifkind of Park Ridge, and Robert C. Williams of Park Ridge. The fourth candidate for Trustee slated by the Republicans is Carol Teschky of Glenview.

Thefts

A Glenview insurance broker inadvertently placed his \$12,000 Rolex watch in an eyeglass case and placed the holder in his gym bag inside an unlocked locker in the VIP area of the Chicago Health Club, 6821 W. Dempster St. on Jan. 31. According to his theft report, lockers in that section are never secured. The watch was reportedly stolen by an unknown thief.

Two men reported their cars burglarized while parked at the Niles Bowl on Feb. 9. A Kenosha volunteer firefighter lost \$250 in firefighting gear, contained in a satchel stored in his 1983 Renault. A Palatine man discovered the theft of a \$475 in-dash stereo unit. The rear window of his 1986 SAAB was broken during the theft.

Glenview man charged in gun assault

Morton Grove police arrested a 23-year-old Glenview man in connection with a Feb. 12 incident in which he allegedly waved a large caliber semi-automatic handgun at a 21-year-old Des Plaines man with whom he'd had an altercation at a party earlier that evening. According to reports, the man was in his 1988 Pontiac while displaying the pistol in a threatening manner. The offender attempted to throw the gun away when he spotted a squad car on routine patrol near the 7800 block of Church St. at 2:31 in the morning.

The victim, who police spotted standing in the intersection of Church Street and Merrill

Avenue told police about the existence of the weapon but the Pontiac driver did not have the gun when police pulled him over. Police searched the area and found the discarded Smith and Wesson semi-automatic gun in the 7700 block of Church St. The gun had an empty clip (was unloaded), according to reports. According to the arrest report, the Glenview man told police he had quarreled with the host of a party held in the 7800 block of Church St. around 11 p.m. and friends of the party's host had scratched the Pontiac. In addition to the weapon charge, he will appear in court March 27 on an aggravated assault charge.

Repair scam owner arrested

Morton Grove policeman John Kierzyk arrested a man wanted by Chicago police after a routine traffic stop investigation revealed two outstanding warrants, including one issued in Morton Grove for driving on a suspended driver's license.

The offender, a 41-year-old

Chicagoan, is being investigated by Chicago authorities in connection with a home-repair scam in which he allegedly "bilked" an elderly Jefferson Park blind man and his mother out of \$12,000. The \$20,000 warrant issued by Chicago police was for home repair fraud.

Fast food thefts investigated

Morton Grove police and the management of the McDonald's restaurant in the 6300 block of Dempster St. are investigating three separate thefts that occurred on Feb. 6 and 7. The focus is on two recent employees, who each had cash shortages in their register drawers. The two new

workers, both from Chicago, had an \$80.01 shortage and a \$21.43 shortfall, respectively on Feb. 6. In addition, two other employees reported separate thefts on Feb. 6 and 7. One employee discovered \$10 missing from her purse and the other lost \$16 riding-style boots.

Husband and wife arrested in grocery theft

A Park Ridge couple were arrested Feb. 11 in an unspecified Niles grocery store and charged with retail theft, after \$32.60 worth of unpaid groceries was

discovered in the wife's oversize black handbag. The husband had assisted in the theft and was also charged. Both will have a March 31 court date.

Traffic safety hints

A relatively pleasant winter driving season in Illinois came to an abrupt halt last week when many motorists were forced to cope with snow and freezing rain. Following are several safe driving tips to help you make it through the winter.

To see and be seen by other drivers, clean all snow and ice from the entire car - roof, windows, hood, trunk and lights. Start the engine and turn the heater on for a minute or two before using the defroster. This will prevent moisture from fogging the windshield when warm hits the cold glass.

Get the feel of the road. Test your brakes gently when you first start driving to determine how much traction you will have. Reduce your speed according

to road conditions. Avoid sudden stops and rapid acceleration that can throw your vehicle into a skid.

Increase the following distance between your car and the vehicle ahead to allow more room to stop. To avoid a rear-end collision, start slowing down well before you reach an intersection, make a turn or come to a stop.

Watch for dangerous spots on the road ahead. Bridges and other shaded areas on the highway, including underpasses and entrance and exit ramps on expressways, may be icy when the rest of the pavement is generally clear.

Observe these safe driving practices during the rest of the winter and avoid accidents on slippery roads.

Voter registration in Niles Township

Clerk Louis Black announces that any citizen of the United States is eligible to register to vote who will be 18 years of age as of the date of the April 4, 1989 Consolidated Election and resided in his/her election precinct for at least 30 days.

civic, union or professional association membership card. Any person born outside of the United States must furnish proof of his/her citizenship.

Voter registration forms are available at: Niles Township Clerk's office, 5255 Main St., Skokie. Registration closes: Monday, March 6 and resumes Thursday, April 6. Office hours: Monday to Friday, 9 a.m. to 4:30 p.m.; Saturday, 9 a.m. to noon.

For further information please call Clerk Black's office at 673-9300.

DUI arrests

On Feb. 6, an 18-year-old Chicago man charged with DUI, speeding, driving too fast for conditions, driving without a seat belt and having a blood alcohol content in excess of .1, was arrested in Niles. Also on Feb. 6, a 27-year-old Morton Grove woman was arrested by Morton Grove police on DUI charges and will have a March 27 court date.

On Feb. 9 a 22-year-old Morton Grove man cited for going 46 mph in a 35 mph zone, blood alcohol level .2, improper lane usage and DUI. The arresting Niles police officer noted that the snowplow of the arrestee's red pickup truck was lowered, sending sparks up in his wake. March 17 court date.

Clothing missing from retail store

The owner of Armani's, an apparel store in the 9200 block of Waukegan Rd. reported various articles of women's clothing missing from the store and has no idea when or how they came to be missing. Removed from the establishment was \$180 black leather jacket, \$140 ladies' suit, \$249 ladies' suit, a \$210 dress and a second dress, valued at \$225. Their absence was not noticed until Feb. 6 but could have been missing since Feb. 4.

Bottler burglary costs over \$7,000

Four trucks owned by the Coca-Cola Corp. were burglarized while in the south parking lot of 7645 Merrimac Ave. in Morton Grove, the weekend of Feb. 4. The thefts of four radios valued at \$1300 apiece were reported by the company on Feb. 6. In addition \$1,660 in tools were stolen from the four locked vehicles and four \$100 doorlocks were disabled by the unknown thief(s). Total loss to the company was \$7,260.

Who has the right-of-way?

by Secretary of State Jim Edgar Illinois law determines who has the right-of-way in any traffic situation. However, courtesy and common sense can be just as important in preventing accidents.

When two vehicles approach an intersection from different roads at the same time and there are no stops signs, yield signs or traffic lights, the driver on the left must yield to the driver on the right. However, the driver on the right should be prepared to yield if the driver on the left does not.

When two or more vehicles arrive at a four-way stop intersection at about the same time, the first driver to stop should be the first to go, and the others should take their turns. Take your turn when it comes so you will not delay traffic behind you. If any other driver turns in front of you, let him go and avoid an accident.

You also must yield the right-of-way to oncoming traffic if you are turning left at an intersection, alley or driveway. If you are in an intersection with traffic lights, you may finish your left turn even if the light has changed to red. If you are not in the intersection when the light changes to red, you must wait for a green light before turning left. When you get a green light, do not turn left until all cross traffic has cleared the intersection safely.

Roll over pension funds for tax savings

by Joanne Cwynar

Consumers who receive disbursements from a pension or profit-sharing plan this year can realize substantial tax benefits by re-investing the funds in a tax-deferred Individual Retirement Account (IRA).

Moving money from an employer's retirement plan into a personal tax-deferred IRA is called a "rollover." By sheltering the initial investment and interest earned, individuals can defer taxes until retirement when taxable income may be considerably less. Delaying tax payments in this way also can mean dramatic earnings growth.

If you plan to receive pension or profit-sharing funds, you must invest them in an IRA within 60 days. Otherwise, the disbursement is considered ordinary income for the year and taxed accordingly.

A rollover is to your advantage in several instances. If you plan to retire soon and live on funds other than your pension (such as social security and savings), you can "roll over" your pension disbursement into a tax-deferred IRA. Your money will continue to grow, while you avoid paying income tax on the disbursement or on interest earned until funds are withdrawn later.

Changing jobs is another case in which an IRA rollover may offer financial advantages. If you are vested in a company pension or profit-sharing plan, the vested portion can be rolled over into a personal IRA even if your new company has its own plan. Again rolling over the proceeds with 60

days is a must to avoid paying taxes on the funds in the same year.

If your company is acquired by another firm and its pension plan is terminated, you can re-invest your funds in an IRA rather than pay taxes on the money as additional income for the year. You may also choose to roll over your moves and you choose not to move with it.

A firm may allow you to keep your funds in its investment plan even after you've left the company. Before deciding whether to roll over your funds, you should compare the company's rate of return and the risks involved with your own plan. You may find a higher rate of return on your own or you may want to establish a fund that is riskier or more conservative in its investment strategy.

Whatever your plan you choose, rolling over into an IRA is a good way to preserve the tax-deferred status of your funds when they are withdrawn from a company plan.

If you are considering an investment in a tax-deferred IRA, seek the advice of a knowledgeable specialist at a local financial institution. An expert can help you sort through the many options available and select an IRA investment that fits your personal financial goals. IRA is a great way to continue saving for retirement and ease your tax burden at the same time.

Cragin chairman address House subcommittee

Adam A. Jahns, chairman and president of Chicago's Cragin Federal Bank for Savings, will represent the country's health savings and loans before the House Subcommittee on Financial Institutions Supervision, Regulation and Insurance, Thursday in Washington, D.C. Jahns was invited to the hearing by Subcommittee Chairman Frank Annunzio, D-Ill. Annunzio asked Jahns to provide testimony on "the other side of the S&L industry: why Cragin is successful; his ideas for the recapitalization of the Federal Savings and Loan Insurance Corporation; the need for a savings

and loan industry; and, if there is a restructuring of the S&L industry, whether it should have more or less power and/or be limited to home loans and consumer lending.

Founded in 1909, Cragin Federal Bank for Savings was recently ranked by the National Thrift News as sixth in profitability among the nation's largest savings associations and the top S&L in Illinois.

Cragin reported 1988 earnings of \$33.1 million on gross income of \$223 million. Year-end assets grew 14.2 percent to \$2.36 billion; reserves increased 22.2 percent to \$182 million.

Norwood Federal strong for 62 years

"We've been in business for 62 years and we're proud to be part of this community," says Donald Babicz, President of Norwood Federal Savings Bank, whose Main Office is located at 5813 N. Milwaukee Ave., in Chicago. As of December 31, 1988, Norwood Federal has assets totaling \$258 million, with \$196 million in deposits, and \$266 million in mortgage loans.

"Customer deposits are invested in the safest of all investments - home mortgages," Mr. Babicz says. "Last year we made \$55 million in home loans to people in this community who want a home of their own. We pride ourselves in promoting homeownership on the Northwest Side of Chicago and surrounding suburbs. Over the

years we have helped thousands of people realize their dreams of homeownership." Norwood Federal invests in its neighbors and in the local community in other ways, too. "By working closely with local organizations, we're involved in the betterment of this community. This is where we work and where many of our 91 employees live," explains Mr. Babicz. "We're proud of our service, and we'll continue working with our communities in the years to come."

In addition to its Main Office, Norwood Federal operates branch offices at 4145 W. Devon Avenue in Chicago, 980 N. Northwest Highway in Park Ridge, and 3220 W. Glenview Road in Glenview.

Maine East Scholastic Bowl competition

Maine East's Scholastic Bowl team has been invited to participate in the largest Scholastic Bowl tournament in the state of Illinois. Top academic teams from across the state will meet at the 16-room Wenona, Illinois, high school on Saturday, February 25, to compete in the 80 team tournament, organized and run by the Wenona Rotary.

Going into the Wenona tournament, Maine East has recorded some impressive wins. For example, on Thursday, February 2, Maine East hosted the Rams of Reavis High School. The Demon varsity won 325-210. The junior varsity from Maine East were also winners, 250-160. With the January 25 double win over Evanston, the Maine East Scholastic Bowl team upped its record to 12-2. The Maine East varsity win was 375-245 while the junior varsity were 265-195 winners over Evanston.

Saturday, January 21, Maine East participated in the 40 team Bradley tournament. Maine East won the morning division by defeating Morris, Springfield Southeast, Joliet West, and Rich South. The team then advanced to the final four by defeating Libertyville. In the semi-finals Maine East's team was defeated by defending state champion, Quincy, by the score of 20-17. Accepting the fourth place trophy were team members Sheryl Katz of Niles, Adam Libman of Morton Grove, Peter Joo of Glenview, and Rich Kraft of Morton Grove.

Maine East gymnasts rebound to season high scores

The first goal of the season for Maine East Varsity gymnasts was to score at least 130 points. Unfortunately it took all season for the team to reach that goal, due to several unusual injuries to key all-around gymnasts. But with the last few meets coming up before the State Qualifying series begins, the Demons not only scored 131.65 at the CSL So. Division Conference Meet, but

had their best event totals of the year in 3 out of 4 events. Coach Betty Axelson was elated with all of the team's outstanding performances, and feels that this display of determination may be just what it takes to get through the Regionals as an "at large" team to Sectionals of the State series. "These girls have shown tremendous courage and pride this year and it would be a well-

deserved finish for a group that has overcome many unexpected adversities."

The coach was extremely impressed with top freshman all-around Angie DeMano, who chalked up her highest finish in all 5 events thus far. Axelson describes Angie as a "classy" gymnast, as was proven against tough competition in the CSL where she finished 3rd in the All-Around with an 8.93 average, along with winning the Floor Ex title with a 9.4, and the Beam championship with a 9.0, as well as taking 3rd on Vault with an 8.95. Maine East also had another gymnast place in Vault-fr. Janis Szukala, who scored an 8.85, along with scoring an 8.35 in Floor Ex, 8.2 on Beam, and 8.2 in the All-Around. Coach Axelson describes Janis as "a tremendously courageous athlete" as she is just coming off a broken foot suffered Dec. 4, and who is already competing in all 4 events. "Janis is willing to compete with pain for the sake of the team and we just say a prayer that she'll make it through these last few meets. We'll have to wait for next year when she's at full power to reach her full potential."

Teammate Debbie Tingas also had her best meet, throwing most of her difficult tricks and scoring 8.55 on Floor Ex, 8.0 on Beam, 8.3 in Vault, along with an improved bars set. And soph. Jenny DeMano also had an excellent meet, scoring an 8.5 on Floor, 8.3 on Vault, and her highest All-Around score. In addition, St. Regina Bacci did an excellent job on Beam and Floor Ex for the Demons, and is looking forward to the IHSA Regional Qualifying Meet which Maine East is hosting Fri., Feb. 3 at 6:30 pm in the fieldhouse.

Niles' sweethearts preparing for Valentines competition

Shown above, eight-year-old Carol Kiely of Niles gets ready for competition and practices at the rink on Feb. 12.

by Nancy Keramias

The annual ice skating competition, The Sweetheart Open, will be held at the Niles Sports Complex Feb. 15 through 19. 23 Illinois and Wisconsin ice rinks are sending representatives to Niles for the largest single rink competition in the area. 28 different precision teams, a hit with spectators, will take part. According to Jan Gerber, of the Niles Park District, 510 skaters, ranging in age from four years to more than

40, have paid their fees. There is no charge for spectators, so those who want to see some of the Midwest's finest skaters can watch the action starting at 3:30 p.m. Thursday and Friday and beginning at 7:30 a.m. Saturday and Sunday. Gerber suggests anyone wanting to know the starting time of a particular event should call the Sports Complex at 297-8010. The Niles Sports Complex is located at 8435 Ballard Rd.

Marillac names varsity basketball coach

Tanya Johnson, varsity basketball coach at Marillac High School (Northfield), has been named the school's athletic director. Johnson succeeds Terry Uselmann, who held the athletic director's post at Marillac for five years and now serves as director of the girls' athletic program at James Otis School, Chicago.

Under Johnson's tutelage, the Marillac Northstars capped the GCAC Championship in '85, the Buffalo Grove Tournament Championship in '86, and the Sno-Flake Tournament in '87. Northstar team members have also been named to All Conference and All-Area All-Star teams.

In addition to her duties as Marillac's athletic director, Johnson continues her duties as varsity basketball coach and as director of the NCAA Summer Basketball League, the Chicago area's only NCAA sanctioned

summer league, which she helped to establish at Marillac in 1987. This past fall, Johnson organized an eight-team eighth-grade league.

As Marillac's new athletic director, Johnson will be involved in the planning and expansion of the school's gym floor and has set her sites on improving both the soccer and softball facilities at the school. She will also investigate the possibility of establishing a softball league at Marillac.

Before her assignment at Marillac, Johnson was a member of the Chicago Hustle Women's Professional Basketball Team, 1979-1980, and then served as athletic director for the Franklin Park Park District, 1980-86. Johnson received her B.S. degree from Ferris State College in 1979. She is a member of the Illinois Parks and Recreation Association.

Pace/NORTRAN driver receives Fleetwatch award

A Pace-NORTRAN driver, Lothar Hupke, recently received the Pace Quarterly Fleetwatch award for his assistance in helping a choking child.

While Hupke was driving his bus along route 250 Dempster, Des Plaines, he noticed a car parked on the side of the street and the people in the car seemed distressed. When he pulled over, he saw a child was choking so he radioed his dispatcher to call the paramedics. The paramedics arrived in less than four minutes and performed emergency procedures on the child. The child then was taken to the hospital. Hupke's actions probably saved the child's life.

Hupke's actions are the result of a program in which Pace participates called Fleetwatch. Fleetwatch is a crime prevention program that enlists the help of citizens whose jobs take them into the community on a regular basis.

When did driving a car become a sin?

Dear Editor:

Driving a car again is being associated with the "sins" of alcohol and cigarette usage as governments look for ways of increasing revenue. The most recent proposal to raise revenue by increasing "sin taxes" comes from Cook County Board President George Dunne. Among other revenue-raising proposals, he is asking for a two-cent increase in the Cook County gasoline tax, which is already at four cents.

Motorists should abhor this proposal because revenue will not be used for highways. Instead, the funds simply will be dumped into the Cook County budget's general fund.

Even more outrageous is the implication that driving a car is a sin. Many people need their cars to get to work. For them, buying gasoline is as necessary as buying food.

The current discussion in Congress to increase the nine-cent federal gasoline tax to a total of

50 cents or more for deficit reduction is equally unfair. Motorists would get no direct benefit in improved highways and safety. To add to the motorists' dilemma, there may be a proposal in the Illinois legislature to raise the 13-cent Illinois motor fuel tax to as high as 21 cents.

It's clear that 1989 is shaping up as a "get the motorist" tax year. Gasoline taxes in Chicago already are the highest in the nation, nearly 40 percent of the pump price (33 percent in suburban Cook County). Some rational thinking should precede any vote to further tax already overtaxed motorists.

Sincerely,
Nels L. Pierson

Buzil announces candidacy for library post

Dear Editor:

I have recently announced my candidacy for Board Trustee of the Niles Public Library and I would like to introduce myself and my credentials.

Several years ago my wife Eileen and I purchased a home in Niles because the community, neighborhood, and schools appealed to us as parents for raising our children, Danny, 11, and Amy, 1-1/2. Because I have been an avid library participant for most of my 61 years, I believe I have a good opinion of the "user" end of the library business.

Presently, as General Manager of Chicago Messenger Service (which employs over 400 people) and previously as Plant Manager for a leading manufacturer, I have had almost 30 successful years shouldering many responsibilities, such as financial planning, financial control and monitoring, creating corporate policies, and selecting and developing executive talent.

I believe the Niles Library Board needs someone of maturity, successful business experience, and interest in the library to contribute his time and effort to oversee the financial and administrative affairs of the Niles Public Library. Also, he must be sensitive to the needs and desires of the tax paying citizens. That person to represent you is me.

Thanks for these few moments to introduce myself and in the near future I will be directing myself toward specific issues regarding YOUR library.

Milt Buzil
Niles, Ill.

An open letter to the Republican Party

The following letter is addressed to Mr. Philip Raffie, Committeeman, Maine Township Regular Republican Organization, 1566 Minor Street, Des Plaines, Illinois, 60016.

Dear Mr. Raffie: Your present Supervisor of Maine Township, who has held that post for eight years, was dumped by the Republican Party caucus on January 10, 1989, even though on two earlier occasions it was announced that the slate would include your present supervisor.

Your present Supervisor recently left his employment in the Sheriff's office with newspaper articles questioning the reason for his leaving.

Meanwhile, the former administrative assistant to the Township Supervisor, Art Duffy, was quoted in the December 21, 1988, Niles Times Herald newspaper as "threatening to disclose examples of alleged Township mismanagement." We simply ask—"What is going on?"

We believe the Maine Township Republican organization, as a branch of one of our two national parties, has an obligation to clear up this matter. Mr. Duffy, a former township employee, should tell the taxpayers of Maine Township what is going on—how their tax dollars are being mismanaged. If there is impropriety in Maine Township

government, we believe it is the obligation of the Republican Party and Mr. Duffy to tell the people.

Very truly yours
Nicholas B. Blase,
Committeeman

EDITOR'S NOTE: Maine Township GOP Committeeman Philip Raffie stated that while he had not personally received the above letter, he wished to clarify some of the statements made in the letter. Raffie said Maine Township Supervisor Paul Halverson made his announcement on Dec. 12 that he was not going to run for Township Supervisor again due to "personal problems and illnesses in his family at the time." Therefore, he could not have been "dumped" by the GOP caucus on Jan. 10, 1989 when he wasn't even running for the post.

Raffie also noted that Halverson left his post with Sheriff O'Grady's office due to the fact "the job was not what he thought it would be." Halverson subsequently received a letter from O'Grady stating he was a "diligent, hardworking employee."

Raffie added further regarding mismanagement of township funds, "an outside auditing firm checks our books and no discrepancy has been found. All our books are in order." He added, "if the Democrats could be more specific about their charges, we would be happy to answer them."

Niles Events Committee says thanks

Dear Editor:

At November 30, our financial report for 1988 shows a most profitable year. Fund raising events during the year were a dinner-dance, the All American Festival, flea market and the recent auction. Your generous donation of three 3-year Bugle subscriptions was most appreciated. They were a big hit

with the buyers and contributed to the success of the evening.

Proceeds go to further the work of local organizations, clubs and groups; purchase additional equipment for the parks and Village, and assist where needed. Thank you for your support of the auction.

Sincerely,
Sandie Friedman

Health care at home

Home Health Care is a growing part of the health care field. Its growth is due in large part to four factors: 1. The "graying" of America; 2. The Diagnostic Related Groups (DRGs) which, in the final analysis, mean that patients are being discharged from the hospitals "quicker and sicker"; 3. As a cost containment element in almost all employee benefit programs; 4. People tend to get well faster, and with fewer complications in their own homes, provided they receive proper care.

Very often, for a variety of reasons, people discharged from a hospital are not in a position to care for themselves. They require continued medical assistance at home, after discharge if they are to have an uneventful recovery.

The services of Home Health

Care organizations directly address these problems, and meeting the needs they produce, by providing skilled, intermittent, professional services.

Home Care agencies offer many parents peace of mind by providing professional, well-trained workers to take care of children within their home environment. A child-care worker is experienced and trained to give small children individual attention and nurturing which are key elements leading to proper early childhood learning and development.

In Time of Tragedy

by Elizabeth Hall, LifeSource

It was a pretty day in May when 8-year-old Lindsay Fisher opened her eyes and asked if she had missed her soccer game. It was a day when trained cardiovascular surgeons would cheer at the sight of a miracle—a little girl who had lost all the blood in her body from a severe gunshot wound would be all right.

Lindsay, a spritely blonde who today plays many positions on her third grade soccer team, last Spring needed 91 units of blood and blood components, an equivalent of eight full transfusions, to live.

All the blood she used came from volunteer blood donors who gave blood in support of LifeSource. LifeSource is Illinois' largest blood center, supplying blood and blood components to 60

hospitals in Chicagoland. Blood Program Consultants at LifeSource recruit groups of volunteer blood donors from local businesses, communities, high schools, colleges or religious organizations.

"I think I'll always remember that day," Eugene Folk, a LifeSource blood program consultant said. Chicagoans listened closely to the news of a bizarre classroom shooting in the sleepy town of Winnetka. Soon concern spread throughout the nation for the children whose lives were threatened in the safety of their elementary school.

LifeSource's emergency response to the Winnetka tragedy was quick. "I remember I took the first call (for blood)," said Corinne Zarno, Product Management supervisor. "At first it seemed like a routine trauma," she said. "Evanston Hospital called for 12 O negative units. Luckily we had lots of blood on our shelves."

Orders for more units of O negative and O positive came through the night. LifeSource Product Management staff hustled to provide for the children at Evanston and Highland Park Hospitals as well as covering surgeries and other emergencies happening in and around the city.

One hospital shared its blood supply during the crisis to assure adequate levels on the shelves at LifeSource, the ultimate supplier to over 60 hospitals in the Chicago area.

"People rallied together," Gene Folk said. "I had three blood drives scheduled on that day. I called the blood drive chairpeople and told them of the need—that a group of second graders needed pints and pints of that."

blood to stay alive. The chairmen jumped right on it...they got on the P.A. system and asked more people to come down to donate. They even mentioned that the children especially needed type O and B blood," he said.

"It hit us as if they were kids we knew in that school," he said. "I felt more than an obligation to do a good job that day. I felt a whole new meaning about this job...I had a lot of pride in my work (as a volunteer blood donor recruiter) that day."

Lindsay's father, George Fisher, said that before that day, his family had taken everything for granted. "Everything—the skilled physicians, the blood on the shelf. Everything. It's terrible that it takes a tragedy like this for us to realize the need for blood," he said.

During Lindsay's recovery a group of parents from the Hubbard Woods School called LifeSource to set up a blood drive as soon as possible. The drive yielded 80 units. "That amount of blood was approximately what one child needed in that horrible incident," LifeSource Assistant Director of Donor Resources, Connie Gardiner, recalls. The communities of Winnetka and neighboring Wilmette also held blood drives to help other patients like Lindsay who would need blood in the future.

"I am so thankful now for the untold number of prayers," George Fisher said. "And they worked! It was heartwarming to see the national concern for Lindsay and her classmates," he said.

Today we appreciate our children a lot more," Lindsay's mother Karen said. "We don't take anything for granted. Not the blood she needed, nor the doctors."

Thanks to those 91 volunteers and the countless numbers of recruiters who asked them to give, Lindsay is now living the normal, active life of an eight year old. We can all be proud of that.

If you would like to be a volunteer blood donor and help save the lives of people in our community, call LifeSource in Glenview at 298-9660 or in Chicago at 808-7660.

Resurrection offers nurse assistant training

A four-week Certified Nurse Assistant Training program will be offered this spring at Resurrection Nursing Pavilion, 1001 N. Greenwood Ave., Park Ridge.

The program, which begins Monday, March 6, and continues from 8 a.m. to 4:30 p.m. for four consecutive weeks, is approved by the State of Illinois Department of Public Health. Included are more than 37 classroom lab hours and 40 hours of clinical experience at the Resurrection Nursing Pavilion, a 298-bed skilled care nursing facility.

Applicants for the certified nurse assistance training program must be at least 18 years of age, have a valid work permit or green card, and must present a written statement signed by their physician regarding their health status. There is a \$200 tuition fee which includes a textbook and must be paid before the course begins.

In the event a course graduate is offered and accepts employment with Resurrection Nursing Pavilion, a partial refund of the tuition, \$175, will be paid after completing three months of employment.

For additional information and program registration, call 892-5000 between 8 a.m. and 4:30 p.m. Monday through Friday.

Teddy Bear checkup at Resurrection Health Fair

Children, ages 3 to 10, and their parents are invited to attend a special Children's Health Fair Saturday, Feb. 15 from 10 a.m. to 2 p.m. at Resurrection Medical Center, 7435 W. Talcott Ave., Chicago.

Located in the hospital's Marian Hall auditorium, the Children's Health Fair will feature a variety of free health screenings, health information programs, and a free teddy bear or doll checkup.

"We encourage the children to bring their favorite stuffed animal, teddy bear or doll for a free checkup at the health fair," Gloria Hudgin, Health Promotion and Wellness educator, said. "Nurses will be on hand to explain hospital procedures to children, and the teddy bears will be bandaged and treated as necessary."

Other highlights of the Children's Health Fair will include free height, weight, vision

and speech screenings, as well as back and coordination checkups.

Fire department paramedics will be on hand with their mobile intensive care units for free tours just outside the Marian Hall entrance. And, Chicago Police Department representatives will take fingerprints and provide information on child safety.

Ronald McDonald, along with his magic show, will visit with health fair participants from 11:30 a.m. to 12:30 p.m.

Other health information displays will include poison prevention, sibling preparation, a "Mr. Skeleton" display, immunization information, healthy teeth and more.

Advance registration is not required for the Children's Health Fair. For additional information, please call the Health Promotion and Wellness office at 792-5022 between 8 a.m. and 5 p.m. Monday through Friday.

Camp for adults open for registration

A camp program for adults is now available only 80 miles from the Chicago area at Kopp Center, Honeycreek, Wisconsin. Its location near the Alpine Valley Resort and Lake Geneva vacation center makes it an easily accessible summer vacation spot.

The Kopp Center offers 55 acres of beautiful country and a variety of activities and programs. Kopp Center is located in a cool valley seemingly naturally air-conditioned by refreshing cool breezes. Thirty-five acres of woods and trails surround the private lake and sleeping and recreation quarters.

Evening programs take place both on the large outside patio and in the Fireplace Lodge overlooking the lake.

Getting acquainted with other campers is facilitated by the expert professional staff led by Dr.

Anne Hyman, a member of the faculty at Chicago State University and former Education Director of the Association of Humanistic Psychology.

The moderate prices include dormitory space and hot beverages day and night with opportunities for indoor cooking and bar-b-queing. Two outdoor bar-b-ques invite campers to cook for themselves or participate in pot-luck meals. Lake Geneva only 20 minutes away is also available for special treat meals. Prices are \$25 per person per night and weekend specials of \$95 per couple.

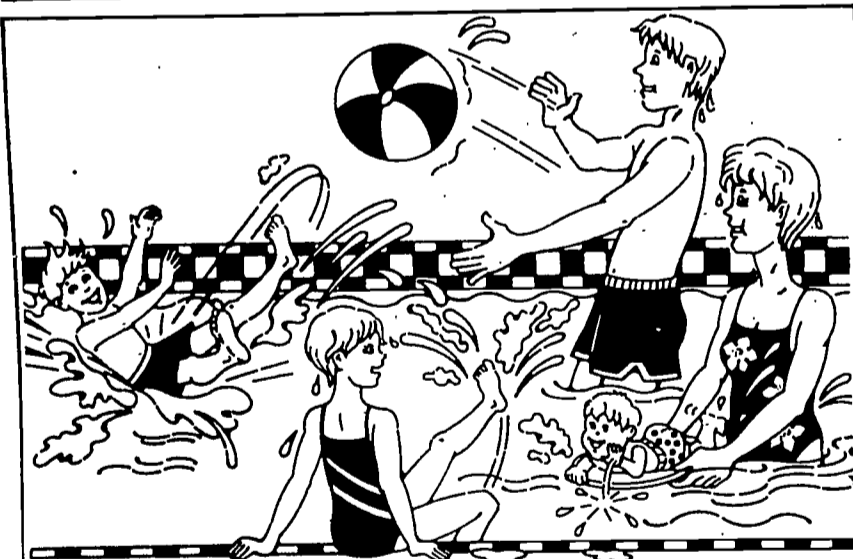

More information can be obtained by sending a self-addressed envelope to the Midwest office, Kopp Center, 606A South Boulevard, Evanston, Illinois 60202. A free brochure pictures the beauty of the land

5 good reasons for having a personal physician

Confidence. You know your doctor and your doctor knows you. When you need medical help, you'll know who to call.

Compatibility. Because it's your choice, you'll have a doctor who understands the way you feel; who is sensitive to your needs.

Convenience. Most people like to have their doctor's office right in the neighborhood; close enough for fast attention in emergencies.

Cost. You need to know what to expect to pay. You need to know that your insurance is being properly handled.

Continuity. Your doctor will have your complete medical history. You'll have the benefit of his advice if you ever need a specialist or need to go to the hospital.

Rader Institute celebrates first year

Jan. 19 marked the one year anniversary of the Rader Institute at Mount Sinai Hospital North, located at 2451 W. Howard St., Chicago. The anniversary was marked by a special celebration recognizing the institute's alumni and their work toward recovering from eating disorders. It also served as a forum for persons interested in learning more about eating disorders.

The keynote speaker for the event was William C. Rader, MD, clinical director and founder for the Rader Institute. Rader identified eating disorders, such as compulsive overeating, anorexia nervosa, and bulimia nervosa, as a disease, like alcoholism, that cannot be controlled by willpower alone. He recognized that people with eating disorders are concerned almost exclusively with food and that their weight is only

a symptom of what can become a lethal disease.

In 1984, Rader established the Rader Institute to provide individuals nationwide with a place where they could learn a lifelong program for recovery.

The Rader Institute at Mount Sinai Hospital North provides inpatient and outpatient treatment for persons suffering from anorexia nervosa, where the pursuit of thinness can lead to starvation and malnutrition; bulimia nervosa, where individuals compulsively eat and then, to prevent weight-gain, purge through self-induced vomiting, use of laxatives, diuretics, etc.; and compulsive overeating, where an individual is unable to control food intake and repeatedly attempts to lose weight by dieting.

According to Mary Haik, RN, Head Nurse, Mount Sinai Hospital North Rader Institute, "We believe that eating disorders are addictions. Therefore, we use the disease model of treatment which relies heavily on the philosophy of Overeaters Anonymous. Treatment includes group therapy, education, and the services of a dietician and an exercise physiologist."

For more information on The Rader Institute at Mount Sinai Hospital North, or on eating disorders, call 465-0995.

Hospice volunteers needed

Hospice is a program serving and supporting terminally ill patients and their families. Hospice volunteers provide support, care and love during this special time. Volunteers receive orientation and training to assist them in understanding and being able to provide this special support.

The next hospice volunteer orientation-training program will be held at Mt. Sinai Hospital North and Howard and Western Ave., on: Sundays, March 19, April 2 and 9. Each of these full-day sessions will be from 10 a.m. to 5 p.m. There is no charge to attend these sessions and commitment to volunteer is left to the individual.

Doctor suggests aspirin-free products

Illinois Department of Public Health Director Bernard J. Turnock, M.D., has issued a reminder that aspirin should be given to children under the age of 16 who have flu or chickenpox.

The current flu outbreak affecting the state involves a virus, B Victoria, that affects children and young adults more than older people. Flu symptoms include fever, headache, sore throat, coughing, sneezing and body aches and pains.

"Not only will the flu season be with us for several more weeks, this is also the time of year we expect cases of chickenpox to occur. Parents should remember not to give aspirin, or any product that contains aspirin, to children who are sick with either illness, because of the possibility of Reye Syndrome," Dr. Turnock cautioned.

Reye Syndrome is extremely rare, but the largest number of cases occur in the 4-to-14 age group. It is a reaction of the body to the combination of aspirin with a flu or chickenpox virus, and nearly always occurs anywhere from two days to two weeks after a child has recovered from the illness.

Reye Syndrome is a life-threatening condition that causes an abnormal accumulation of fat in the liver and other organs, accompanied by severe swelling in the brain. Without early diagnosis and prompt, appropriate treatment, it is often fatal.

The first symptoms of the syndrome are: persistent or continuous vomiting, listlessness, loss of energy, abnormal drowsiness, or unusual combativeness. The vomiting is usually very "explosive" and long-lasting.

In the second stage of Reye Syndrome, the child exhibits personality changes, such as irritability or aggressive behavior. The child may seem disoriented or confused, and may become delirious or unconscious, or go into convulsions.

A physician should be contacted immediately if any of these symptoms occur, as a child can progress from the persistent vomiting to unconsciousness and death in just a few days.

Dr. Turnock advised the use of aspirin-free products to reduce a child's fever or ease the symptoms of flu or chickenpox.

Forest Hospital director honored

Sue Sardo (center), Director of Marketing at Forest Hospital in Des Plaines, receives a plaque of appreciation from Lieutenant Governor and Mrs. George Ryan in recognition of the Hospital's efforts in battling drug and alcohol abuse. A special luncheon was held for a number of prevention awardes at the Executive Mansion in Springfield.

"Substance abuse exacts a heavy toll on our society," said the Lieutenant Governor. "I commend the many fine efforts we are beginning to

see in terms of working to prevent alcohol and other drug abuse, so as to loosen the grip that substance abuse has on so many lives." Ryan has been a long-time advocate of preventing substance abuse.

The November awards ceremony came on the heels of Prevention Month, a special designation given to October in an effort to bolster awareness of the importance of averting potential abuse of alcohol and other drugs.

Speakers include St. Francis Hospital of Evanston Staff: Seema Bhattia, M.D., Internal Medicine; Mara Promisco, Registered Dietician; Shelley Hamer, R.N.

There is no charge for the program. For more information or registration, call 492-6170.

Oncology Support Group

"What Is an Extended Care Facility?" will be the topic of the meeting of the Oncology Support Group of Swedish Covenant Hospital at its meeting on Friday, Feb. 17, at 1 p.m. in the Anderson Pavilion, 2751 W. Winona St.

Barbara Lopiccolo, RN, Supervisor of the Extended Care Facility at Swedish Covenant Hospital, will be the guest speaker.

All cancer patients and the families are invited to attend. The free meetings are intended to give support to patients through education and sharing. For more information, contact Steve Jackson, pastoral care department 878-8200, Ext. 5098.

Holy Family cholesterol screening

Holy Family Hospital will offer cholesterol screening during February at the hospital, 100 N. River Road, Des Plaines.

The screenings will be available at the hospital Monday through Friday, Feb. 20-24, from 8-9 a.m. and Wednesday, Feb. 15 and 22, from 5:30-6:30 p.m.

Fee is \$10 per person and will include a blood pressure check, cholesterol test and a computerized heart check questionnaire.

Results will be sent directly to the participants. To register for screenings, contact StableLives, 297-9977, between 8 a.m. to 4:30 p.m.

Applications for chips program available

The state-backed health insurance program to provide health insurance to Illinois residents with disabilities and chronic illnesses should begin operating with 90 days, according to State Senator Bob Kustra (R-28).

Applications for the Comprehensive Health Insurance Plan (CHIP) will be available around March 15. Applications will be mailed to all individuals requesting one as soon as they are available. Participation in the program will be limited based on the amount of funds available and eligible applicants will be accepted on a "first come, first served basis," according to Kustra.

The General Assembly recently adopted a \$210 million supplemental funding bill that included \$5.8 million for CHIP, which provides about \$1.7 million in start-up costs and enough funding to cover claims filed under CHIP through the remainder of the fiscal year.

Applications may be obtained by writing to Rick Carlson, the Department of Insurance, 320 W. Washington, 4th floor, Springfield, IL 62767.

Blood pressure and diabetes testings

Nurses from the Regency Health Center will be at Edison Park Lutheran Church on Tuesday, Feb. 21, at 10:30 a.m. for Blood Pressure and Diabetes testings.

Edison Park Lutheran Church is located at 6626 N. Oliphant, at the corner of Avondale Ave., Chicago. For further information, phone the church office at 631-9131.

Formula for nutrition

Good nutrition is as easy as 2-2-4-4. Two servings from the milk group, two from the meat group, four from the fruit and vegetable group, and four from the grain group every day, will give you the nutrients necessary for good nutrition.

Milk group foods supply calcium, riboflavin, and protein. Meat group foods provide protein, iron, thiamin and niacin. Fruits and vegetables supply vitamins A and C, and grain group foods provide carbohydrates, iron and B vitamins.

"The 2-2-4-4 formula is an easy-to-follow guideline for good nutrition," said Susan DuPraw, nutrition education consultant for Dairy Nutrition Council. "Some people on special diets may avoid entire food groups to cut down on fat and cholesterol, but even people on low fat, low cholesterol diets should eat the 2-2-4-4 way."

Physicians may recommend low fat, low cholesterol diets to their patients with heart disease. Most coronary heart disease is caused by atherosclerosis, which occurs when cholesterol, fat and other substances build up in the walls of the arteries that supply blood to the heart. Diet may be one way to reduce the risk of heart disease.

It is possible to eat from all four

food groups and still follow your doctor's recommendations. When selecting and preparing foods for a low fat, low cholesterol diet, follow these guidelines:

1. Choose low fat dairy products. Milk, yogurt, cheese and cottage cheese are all available in low fat varieties. Check the labels.
2. Choose low fat meats. Fish and skinless poultry are lower in fat than most cuts of beef and pork. Avoid high fat cold cuts and high cholesterol organ meats.
3. Decrease egg yolk consumption to two per week. Use egg substitutes or egg whites in recipes instead of whole eggs.
4. Watch for hidden fats. Most store-bought baked goods, snack foods and frozen entrees are high in fat. Check food labels for palm oil and coconut oil, which are saturated fats and often used in these foods.

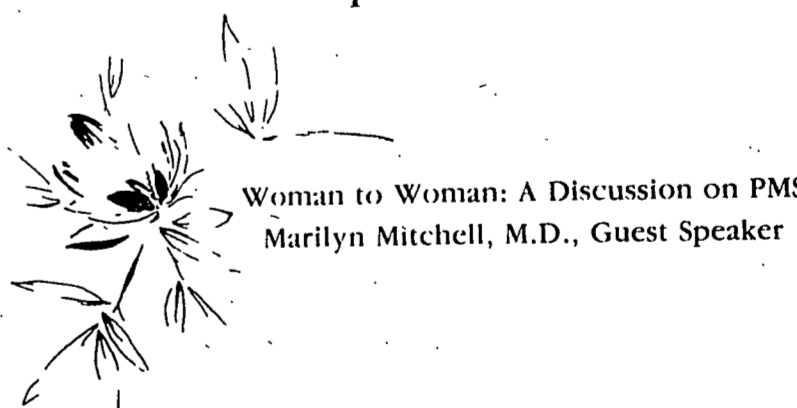

Limit fried foods. Remember hamburgers, fish, and chicken from most fast food restaurants are fried. Potato chips are fried too.

"Everybody, even those on special diets, needs nutrients from all four food groups," DuPraw said. "That's why it's important to follow the 2-2-4-4 guidelines."

Automatic Payment Plan in effect at Commonwealth Edison

Beginning in February, all eligible Commonwealth Edison customers will be able to pay their monthly electricity bills without using a postage stamp, visiting a bill payment center, or even writing a check. After introducing the service to the company's North Shore Area in November, Edison is now extending to all of its 3.1 million customers the Automatic Payment Plan, a voluntary program that automatically deducts the monthly billing amount from the customer's bank account and makes payment for the monthly electric service.

In addition to saving money on postage and check charges, the Automatic Payment Plan minimizes the chance of lost or late payments. Participants in the Plan need not be concerned about missing a payment, even if they are out of town. They continue to receive monthly Edison statements to help them keep

track of energy usage and maintain a record of each automatic payment.

Agreement forms, authorizing participation in the Plan, are being mailed with customer bills during February and early March. By completing the form and returning it to the company, customers authorize Edison and the designated financial institution to begin deductions for Automatic Payment Plan payments. Applicants are requested to attach a voided check to the agreement form which indicates the checking account to be debited.

Customer's monthly bank statements will list all Plan transactions, showing the date and amount of payments to Edison. If a participant's account contains insufficient funds on the payment date, the bank will return the pre-authorized debit, and the customer may be assessed a penalty by both the bank and the utility—just as if a check were returned for non-sufficient funds.

Tax service process accelerated

Judy Rubin and the Lawrencewood Tax Service have been serving the Niles area for over 25 years. They have recently added an electronic filing service to speed up the processing of tax refunds. Electronic filing enables the tax return to be sent directly to the Internal Revenue Service and the tax refund can be directly deposited in your bank. This service can take weeks off the time it would normally take for you to receive your refund.

Lawrencewood's professional staff includes attorney, Robin Reizner.

President appointed to advisory council

Adam A. Jahns, chairman of the board and president of Cragin Federal Bank for Savings, has been appointed to the Thrift Institutions Advisory Council of the Federal Reserve Board in Washington, D.C.

Adam A. Jahns

The Council, an advisory group made up of 12 representatives from thrift institutions throughout the U.S., was established by the Federal Reserve Board in 1980. It includes savings and loan, savings bank, and credit union representatives elected to two-year terms. The terms of the current members began on Jan. 1.

The Council will meet regularly with the Board of Governors to discuss developments relating to

thrift institutions, the housing industry, mortgage finance, and certain regulatory issues.

Jahns joined Cragin in 1956 as controller and was appointed to chief executive officer in 1971. In 1985, Jahns was named vice chairman of the Board of Directors for the Federal Home Loan Bank (FHLB) of Chicago and also held the position of president of the Illinois League of Savings Institutions.

Currently, Jahns is vice chairman of the Foundation for Savings Institutions and serves as a director for the U. S. League of Savings Institutions and the Chicago Area Council of Savings Associations.

Under Jahns' direction, Cragin Federal Bank reported a near-record income of \$33.1 million on gross income of \$223 million in 1988, and was recently named the most profitable thrift in Illinois among the state's largest savings associations by National Thrift News.

Cragin Federal Bank has 11 locations in Chicago and suburban offices including Niles, Park Ridge and Mt. Prospect.

Two art fairs at Golf Mill

"We're hosting two art fairs at the same time," said Tom Rinka, Assistant Manager at the Golf Mill Mall. Both shows will start Friday, Feb. 17 through Sunday, Feb. 20, during mall hours.

The North Mall will be filled with fine art such as paintings, sculpture, photography, oils, and portraits. The South Mall features original crafts as floral, wood, miniatures, tole, Victorian and country. Area fine artists include Irene Shanok of Des Plaines and Rick Rubin of Morton Grove.

"Harvey" in theatre production

Arlington Repertory Theater Society and District 214 Community Education present their second major production of the 1988-89 season, "Harvey".

This classic comedy centers around Elwood P. Dowd and his 6-foot invisible rabbit friend, Harvey. The trouble starts when Elwood's sister Veta tries to have Elwood committed to an asylum but winds up there herself. The play is being directed by Judy Mercurio of Park Ridge, assisted by Barb Larson of Mount Prospect.

The play will be presented on February 17, 18, 19, 25, and 26 at Forest View Community Center, 2121 South Goebbert in Arlington Heights. Curtain times are 8 p.m. Friday and Saturday, and 2 p.m. Sundays.

For information and tickets, call 437-1780.

Thirty additional fine artists from six midwest states will also exhibit.

Area crafts include Alfred Blumenthal and Kathy Miller of Skokie, Jerry Burbine and Karen Evans from Niles and Dave Johnson of Des Plaines.

More than 50 additional crafters will show and demonstrate their crafts. The show is coordinated by Promotion Management Associates of Lansing, IL, and sponsored by the Golf Mill merchants.

"Tyranny of Beauty" lecture

Skokie-Lincolnwood Chapter of N. O. W. will feature free-lance lecturer, Georgiann Carlson, at its Feb. 23 meeting to be held at Skokie Village Hall, 5127 Oakton St. at 7:30 p.m. Carlson will speak on "The Tyranny of Beauty." How does society's definition of beauty affect our lives? What prejudices are faced by women who meet that definition? What prejudices are faced by women who do not meet it? Why a woman's image of herself is based on dictates by society and fashion.

Carlson has a Master's degree in Women's Studies and has been teaching Political Science at Roosevelt University. In addition, she is the current Task Force Chair on Reproductive Rights for Illinois N.O.W. and former Task Force Chair on Pornography.

Monthly bingo for disabled residents

Physically disabled adults are invited to play "Wingo Zingo Bingo" from 1 to 3 p.m. Tuesday, Feb. 21, at the Maine Township Hall, 1700 Ballard Rd., Park Ridge.

This will be the first of a series of bingo games co-sponsored by the Maine Township government and Maine-Niles Association of Special Recreation (M-NASR) on the third Tuesday afternoon of each month.

Park Ridge PTA sings and dances

Director Kathy Lifton of Park Ridge tries to shape up some local sheikhs during a rehearsal for "Caravan", the 35th annual variety show put on by the PTA of Field School in Park Ridge. Sheikhs include, from left, Andy Wilson, Marty Sara, Tom Cirincione, John Fiore Ron Kurowski, and not pictured, Jim Schneider. This year's show runs March 15-19.

"Caravan", the 35th annual variety show fund-raiser at Field School in Park Ridge, is revving up for its five-day run, March 15-19.

A wild-and-wooly look at life in the lands of the Arabian Nights, "Caravan" will feature the singing, dancing, and acting talents of nearly 100 members of the school Parents' and Teachers' Association.

Producers Dale and Cindy Reynolds have been working since last March with home-grown writers, song writers and choreographers to put together

There will be a preview performance Wednesday evening, March 15; evening shows Thursday, Friday, and Saturday; and the finale Sunday afternoon. Tickets range from \$3-6, depending on the day or performance.

Midwest premiere at Northlight Theatre

New York's hit play "The Road to Mecca" will receive its midwest premiere at Northlight Theatre. One of Athol Fugard's most personal plays, "The Road to Mecca" will be directed by Thomas Bullard. Performances began Feb. 8 and continue through March 12. The opening night performance was Wednesday, Feb. 15.

In "The Road to Mecca", Fugard for the first time bases his play on two female characters: Miss Helen and the woman who is virtually her only friend, Elsa. The winner of the 1987-88 New York Drama Critics Circle Award for Best Foreign Play, the play marks a departure from Fugard's earlier works, such as "Master Harold...And The Boys" and "The Blood Knot" which deal directly with the

harsh consequence of apartheid. Artistic Director, Russell Vandenbroucke, a close friend of Fugard's and author of the internationally renowned book, "Truths the Hands Can Touch: The Theatre of Athol Fugard" states, "This is a brilliant script that I knew I had to bring to Chicago. It deals with themes important to all of us, independence, artistic freedom, and our need for relationships."

Based on a true story, "The Road to Mecca" centers on the events of a single day and night in the life of Miss Helen, a reclusive widow ostracized by her hometown for creating an artistic "mecca" of fantastical concrete sculptures in her garden. Pressured by pastor M. rious to retire to an old age home, Miss Helen turns to her young friend, the schoolteacher Elsa, for help.

Acclaimed by Time magazine as "the greatest active playwright in English-speaking world," Fugard is also one of the most frequently produced playwrights in America.

Performances thru March 12 at 8 p.m., Tuesday-Thursday and 7:30 p.m. Sundays, \$18; Saturdays at 5 p.m. and Sundays at 3 p.m., \$20; Fridays at 8 p.m. and Saturdays at 8:45 p.m., \$22; and a Special Matinee Wednesday, Feb. 22 at 1 p.m., \$15.

Group, student, and senior citizen rates are available. Northlight is located at the corner of Green Bay Road at McCormick Blvd. in Evanston. Free parking is available at the Theatre. Northlight Theatre is wheelchair accessible. For subscription and ticket information call the Northlight Theatre box office at 865-7278 or Ticketmaster 902-1500.

Arthur Miller play opens

"After the Fall", Arthur Miller's controversial, semi-autobiographical work, opens at National Jewish Theater (NJT) in Skokie, 7:30 p.m., Monday, Feb. 27. The play traces the Great Depression, the Nazi era, the McCarthy Hearings, and two failed marriages.

While the play is compelling drama about one man's struggle to rediscover faith and purpose in his life, it is also an insightful analysis of relationships.

Sheldon Patinkin will direct John Mahoney a Quentin. This is the third Miller play on which they have collaborated. Featured with John Mahoney are Lisa Dodson, Jessica Grossman, Gary Houston, Bradley Mott, Si Osborne, Roni Reed and Linnea Todd.

Rounding out the cast are Gary Brichetto, Stephanie Galfano, Tom Greene, Laura Gordon, Jenny Halliday, Leo Harmon, Mary Milligan, Christopher Noel, Patrick O'Neill, Tom Reddington, and Paulette Williams.

The Scenic Designer for the

show is Michael Merritt; Lighting Designer, Robert Shook; Costume Designer, Jessica Hahn; and Sound Designer, Robert Neuhaus.

John Mahoney (Quentin) is fast becoming well known as a feature film character actor. In addition to recent film credits in Betrayed, Tin Men, and Moonstruck, John has been seen on Chicago stages for nearly 20 years and is a member of Stephenwolf Theater ensemble.

Following the opening on Monday, Feb. 27, performances are scheduled through March 28. Curtain times are Wednesday, Thursday and Sunday at 7:30 p.m., Saturday at 8:15 p.m. and Sundays at 2 p.m. Tickets are \$14 and \$18. Visa and Mastercard are welcome. For tickets and further information, call the National Jewish Theater box office, Monday through Friday, 10 a.m. to noon at 1 p.m. to 5 p.m. at 675-5070. National Jewish Theater is located at 5060 W. Church St. in Chicago.

Chamber orchestra concert

Chicago area music aficionados have come to expect only the best artists from Rosary College's annual Trustee Benefit Concert and once again on Saturday evening, March 18, they will be disappointed. The Saint Paul Chamber Orchestra (SPCO) will perform in the Fine Arts Auditorium, 7900 W. Division St., River Forest. Maestro Hugh Wolff will conduct the world-class ensemble in a concert that features the acclaimed Taiwanese violinist, Cho-Liang Lin.

The highlight of the March concert at Rosary will be the performance by violinist Cho-Liang Lin. An exceptional, young virtuoso, Mr. Lin has been engaged

and re-engaged by more than eighty orchestras in the United States and abroad and is the only Taiwanese violinist to have been invited to perform in China. He frequently tours Australia and the Far East.

The Trustee Benefit concert will feature the music of Havel, Prokofiev, Balcom, and Haydn. Tickets for the concert are \$25. A ticket price of \$150 includes the concert and a post-concert dinner with the guest artists.

For more information or to reserve a ticket, contact the Chancellor's Office at Rosary College, 366-2490, Ext. 470, between 9:30 a.m. and 3 p.m. weekdays.

Smithsonian exhibit set for Botanic Garden

More than 95 paintings and illustrations of botanical art, many never before exhibited, will be on display at the Chicago Botanic Garden from Feb. 26 to March 26 in the North Gallery of the Garden's Education Center.

"The Art of Botany" was organized by the New York Botanical Garden and the Smithsonian Institution Traveling Exhibition Services (SITES). The works on display are from the library of the New York Botanical Gardens. The Chicago Botanic Garden is one of 15 stops on the national tour for the exhibit which travels through the end of March.

The exhibit is open daily until sunset.

The Chicago Botanic Garden is located on Lake-Cook Road in Glencoe, one-half mile west of Green Bay Road. The Botanic Garden is open every day except Christmas from 7 a.m. until sunset. Admission is free; parking is \$2 per car. The 300-acre facility is owned by the Forest Preserve District of Cook County and managed by the Chicago Horticultural Society.

Rustic Manor on auction block

Historic Rustic Manor in Gurnee, IL, goes on the auction block on Saturday, Feb. 18 at 11 a.m. After 42 years of this family business will not open again. The flood waters of 1986 were enough to shut down most people. But \$286,000 and a lot of hard work reopened the beautiful restaurant and 90 days after reopening the worst happened. A fire destroyed more than half of this restaurant and dreams are shattered. After much consideration, the decision was made to sell what is left and move on, says Lee Trybane.

People ask about all the beautiful antiques that made the Rustic Manor the show place it was. That is the reason we decided to sell at Auction. There will be plenty of beautiful, one of a kind items, like the Tiffany lamps, and the covered wagon, carved Indians, barrel tables, and so many others have been destroyed, and some others have smoke damage, we still feel with some soap and water the hand carved items, as well as the lamps will be good as new.

Genealogists climb family trees

The 1989 series of genealogy workshops sponsored by the National Archives - Great Lakes Region in Chicago begins March 20 with a session on Irish genealogy. Classes through Nov. 16 will emphasize English, German, Polish, and Scandinavian ancestry. Also being offered are classes for beginners and sessions on immigration, the military, land, colonial/post colonial sources, urban research, court records, preservation, and problem solving.

The workshops will be held at the National Archives facility at 7358 S. Pulaski Rd. in Chicago. Instructors include Archives staff as well as renowned genealogists and lecturers from the Chicago area. A \$5 registration fee covers morning lecture, materials, and refreshments. Participants may pursue afternoon research in the Region's extensive microfilm collection. The series also offers two full-day workshops, each covered by a \$10 fee.

Registration for the 32 workshops is limited to 30 persons per session, and is by telephone only. Additional information, a detailed workshop schedule, or registration information is available by calling (312) 581-7816 and asking for "Genealogy workshops."

UNI chorus holds auditions

The Northeastern Illinois University Chorus is holding auditions for community members interested in singing with the group for two performances of Mozart's "Requiem" to be held Sunday, March 19 at 3 p.m. at Elmhurst College and Thursday, April 6 at 8 p.m. in Northeastern's Auditorium, 5500 N. St. Louis ave. in Chicago.

Rehearsals will be held Tuesdays from 8 to 10 p.m. at Northeastern in room A-31.

To schedule an audition or for more information, call 583-4050, ext. 3355.

Geological Society presents prairie slide show

Jim Kostohrys of Des Plaines will give a slide presentation on the geological and historical aspects of the Illinois Prairie at the February meeting of the Des Plaines Valley Geological Society. Jim will discuss on-going efforts to restore a 25 acre section of prairie on Golf Road in Des Plaines. This is one of the few remnants of the 25 million acres that many years ago covered much of Illinois.

Jim is the president of the Des Plaines Prairie League and the author of more than 12 articles about the prairie. The meeting will be Feb. 16 at 8 p.m. in Diederich Park, Golf. (One block North and East of Golf and Waukegan roads). All ages are welcome.

Brian D. Jones
Pvt. D. Jones, son of Hiedi Jones of 2769 Maple, Des Plaines, IL, has completed the basic field artillery cannoneer course at Fort Sill, Okla.

District 63 kindergarten registration

East Maine School District #63 will hold kindergarten registration on Wednesday, March 22. Children registering for kindergarten must be five (5) years of age on or before September 1, 1989, and those entering first grade for the first time must be six (6) years of age on or before September 1, 1989.

A certified copy of the birth certificate must be presented at the time of registration or the child cannot be enrolled. For children born in Cook County, Illinois, a certified copy of the birth certificate may be obtained from the Cook County Clerk's office, Birth Records—Lower Level, 118 N. Clark St., Chicago, Illinois 60602.

All children entering kindergarten for the 1989-90 school year must have a physical examination and immunizations for measles, German measles, polio, diphtheria, tetanus, pertussis, and mumps. The evidence of such examination and immunizations must be current and verified by school officials before a child will be admitted to school on the first day of school in the fall.

Pasta and Pops at Niles West

Pasta and Pops, Niles West High School's popular dinner concert, will take place on Saturday, Feb. 25. An all-you-can-eat Italian dinner will be served from 6:30-8 p.m. with continuous entertainment from 7-10 p.m.

For this annual event, the school's gymnasium becomes a fine restaurant decorated by the skilled hands of the Music Parents Association. Home cooked spaghetti, salad, bread and beverage, as well as a lavish sweet table, are featured menu items. Musical entertainment is provided by the Choirs, Color Guard, Concert Band, Drum Line, Jazz Band, Orchestra and Symphonic Band.

This entire evening can be enjoyed for only \$6.50 per person. Pasta and Pops is the Music Parents Association's major fundraiser of the year. Those attending will be supporting the school's music program. The proceeds provide student

scholarships and equipment.

Reservations for Pasta and Pops can be made by calling Dinner Chairperson Fern Katz at 674-8602. Tables for 10 or more can be reserved.

Niles West High School is located on Oakton Street at Edens Expressway in Skokie. Ample free parking is available next to the school. Call 674-8602 for further information.

Discussion on children with learning disabilities
The Chicago Association for Children with Learning Disabilities will meet on Wednesday, Feb. 22 at the Edgebrook Community Church, 6736 N. Loleta, Chicago, IL at 7:30 p.m. The speaker will be Elmore Caldwell of the Chicago Board of Education. For further information, call Mary Cotter, Vice President at 674-7878.

Parent-Student orientation meeting

The Class of 1993 is officially recognized by Maine East with the Wednesday, Feb. 22, Parent-Student Open House and Registration Orientation, beginning at 6:45.

Eighth grade students and their parents are invited to view the building and various departmental displays and to talk with teachers and departmental chairmen about curriculum opportunities at Maine East. At 7:45 p.m. parents and eighth graders will attend a group meeting with their high school counselor to receive placement test results, eligibility for freshmen courses, freshman course descriptions, enrollment information, physical examination requirements, and fall school opening information.

At the Feb. 22 Parent-Student Open House and Registration Orientation at Maine East, parents of eighth graders will also receive a self-addressed envelope in which to return Completed Enrollment Forms to guidance counselors. This information is due back prior to Friday, March 3.

Annual dinner auction at Resurrection H.S.

"Champagne Fantasy" is the name of the Dinner Auction to be held at Resurrection High School on Saturday, February 18, 1989 at 6:30 p.m.

Sponsored by the RES Parents Club, the Auction Dinner will be an enjoyable evening of entertainment and a way to help support the high school.

The auction items, ranging from dinners to custom upholstered chairs, from tax services to electronic equipment, will be available for bidding throughout the evening.

If you or your business would like to make a donation or if you want information on tickets please call the school at 775-6616.

Come, bring your friends and join us for an evening of fun.

St. John Brebeuf School registration

Registration for Pre-School and Kindergarten for the 1989-90 school year will be on Feb. 26, from 10 a.m. to 1 p.m. in the school lobby. Those already in our program may register on Feb. 22, 23, and 24 from 11:45 to 12:15 and on Thursday and Friday from 8:45 to 9:15. The registration fee for preschool is \$20. Children registering for the 3 and 4 year old programs must be 3 or 4 respectively by September 1, 1989. Kindergarten students must be 5-years-old by September 1 and must bring a baptismal certificate with them if they were not baptized at St. John Brebeuf. A copy of their birth certificate must be presented at the time of kindergarten registration. For children born in Cook County, this may be obtained from the Cook County Clerk's Office, Birth Records—Lower Level, 118 N. Clark Street, Chicago, IL 60602.

Students in K-7 currently enrolled will receive forms in school, which need to be returned.

New families with children in grades 1 to 8 wishing to enroll in St. John Brebeuf School may register by appointment from Feb. 27 to March 3 or thereafter. Call 966-3285 to set up an appointment and/or tour of the building. All children entering kindergarten and fifth grade must have a physical examination and the necessary immunizations. This is to be presented on August 19, the Down Payment date.

Five hundred two applicants were returned and 407 applicants showed up Feb. 4 at Maine East High School Auditorium for a preliminary orientation, prior to administration of a written exam.

At the time of the written exam, the 314 candidates who were tested Feb. 11 at the Chateau Ritz submitted themselves for further screening and background checks. Thirty to 40 percent of those taking this exam generally fail it, according to Bruno.

The 60 percent or so still eligible after the written test will be placed on a temporary eligibility list. A score of 70 points is necessary to pass the examination. "This will be the first eligibility list in nearly three years," Bruno told The Bugle. Those who can provide proof of their qualifications for veterans preference allowance of 5 points, submit the documentation at this time.

The next round of tests are either pass or fail. Oral, physical and psychological tests are then administered. The lucky six will be on probation for the next two years and will attend the Chicago Police Academy for three months in addition to other training. Bruno expects the selection process will be completed in March.

resting officer when determining if a car will be seized, Sgt. Frank Pantaleo of the department said, "Either you have Zero Tolerance or you don't. It's not up to the officer to decide whether the car is seized." Pantaleo explained that if a proper arrest and search is made, the vehicle will be confiscated.

Even an automobile owner who transports a passenger who has a controlled substance would be inconvenienced, at least temporarily. "We're not going to burn a guy who doesn't know his passenger has drugs on him," Pantaleo said, but implied that the decision whether, when and if to release a car would be made at a higher level than the arresting officer.

Niles police have already seized vehicles under Zero Tolerance guidelines. Of 12 cars confiscated, only two are still in police custody due to a provision of the civil law which makes the police agency responsible for paying outstanding loans on the car. But, according to Sgt. John Katsoulis, Niles has only recently been enforcing Zero Tolerance and soon many more vehicles belonging to drug offenders will change hands.

Marillac performs "The Wizard of Oz"

Everyone is invited to join the Marillac High School Theater Company in celebrating the 50th Anniversary of the classical musical, "The Wizard of Oz." Both young and old will delight in sharing the story of Dorothy and her adventures in the Land of Oz, and listening to such memorable tunes as "Somewhere Over the Rainbow," "If I Only Had a Brain," and "We're Off To See the Wizard."

Performances of L. Frank Baum's all-time favorite classic will be presented in the Marillac Theater, 315 Waukegan Rd., Northfield, on Friday, March 3 and Saturday, March 4 at 8 p.m.; and on Sunday, March 5 at 2 p.m. Admission to the "Wizard of Oz" is \$5 per ticket; \$2 for children under 8. For reservations, please call Marillac H.S., 446-9106.

Before construction can proceed, land soil tests will have been performed and any existing infestation of termites and rodents eliminated. Water detention areas approximately two feet in depth are included in the plan. The sewer will hook up into the Morton Grove system.

Lunn Limited proposes three and four bedroom detached homes with two-car garages and two plus bedroom condos, four units per townhouse-type entrance. The homes will front Foster Avenue and the condos will back up to the Highland Square Shopping Center. Foster Avenue will remain a dead-end street.

Sanitary system actions
Director of Community Development Charles Scheck presented two resolutions relative to improving sewer conditions in the village. According to estimates given to Scheck, it will ultimately cost two million dollars to update the aging village sewer systems. The first resolution deals with the trunk systems on Lincoln Avenue between Ferris Avenue and the Edens Expressway bridge and along Capulina Avenue between Ferris and Menard avenues. A \$7,500 allocation was approved by the Village Board to redo a computer analysis of the alternative Lincoln Avenue drainage system due to new Illinois Department of Transportation data suggesting the possibility of reduced overall costs to the village for the Lincoln Avenue system if the Capulina Avenue system is extended west to Austin Avenue.

Scheck's second resolution addressed the sewer conditions village-wide, especially those to the west, which are in worse condition. Morton Grove is expected to comply with requirements of the Metropolitan Water Reclamation District of Greater Chicago (formerly the Metropolitan Sanitary District) by 1990.

Currently, village storm water is spilling into MWRDGC's sanitary sewers which must end by 1990. Trustees voted unanimously to approve an additional \$300,450 in engineering field investigation service fees for dye testing, cleaning and televising of the sewers preliminary to formulating a preliminary sewer rehabilitation plan.

In addition, the board voted unanimously to authorize spending \$5,000 already budgeted for engineering fees, representing the village's portion of parking lot construction costs at the Milwaukee Road Commuter Station.

Recycling update
A recycling policy was formally adopted. After receipt of revenue from the scavenger, the net cost of recycling is projected to be slightly less than \$1/month/household.

Morton Grove Trustees unanimously approved the village's purchase of heavy-duty recycling carts through the waste hauler, Haulaway, at a cost of no more than \$5.75 per unit including delivery, storage and restocking costs. Village Administrator Larry Artt presented a total of 3 alternatives for crate acquisition. The authorized option represents the most cost effective crate proposal.

Crates will be clearly marked as belonging to Morton Grove and laws pertaining to thefts of crates of recyclable materials will be enforced. Haulaway's contract was extended an additional year.

Responding to a question posed by Trustee Don Schneider, Artt told the board he was working with the hauler to come up with a viable recycling plan for condominium dwellings and hopes condos will be able to recycle in the fall.

Banks to offer automobile stickers

Four area banks will supply passenger car vehicle stickers for village residents at no additional cost above the current \$15 level. Affiliated Bank, St. Paul Federal Savings, Cook County Federal Savings and the First National Bank of Morton Grove will sell the stickers as a convenience to residents through April 30 deadline. Seniors who pay a reduced cost and truck owners whose fees are higher should go to the Village Hall to purchase stickers. Spiro Hantelos, finance director, approached banks with the idea.

Other Village Board action gave formal approval to Original Honey Baked Ham to lease space at Highland Square Shopping Center, subject to conditions. Trustee Robert Leavitt abstained since he was not present at the previous meeting where the residents voiced their opinions and Schneider voted naye. President Richard Hobs cast the tie-breaking vote with the majority.

The trustees announced March 6 as the date for public hearings regarding the 1989-90 village budget. Hearings will begin at 8 p.m.

Trustees re-contracted an alarm service agreement with the Police Communications Center, at a rate which has not been increased since 1980, extending the life of the contract by two years. The alarm service, National Guardian Security Services Corp. will contribute up to \$4,000 to the village for the purchase of cellular telephones for use by appropriate village employees.

Trustee Don Schneider reminded residents participating in the Community Block Grant Census that the returned questionnaires are used to determine the need for federal funding for street lighting, alley paving and drainage. Residents in the area bounded by Ferris Avenue, Dempster Street, Lincoln and Austin avenues are involved.

Trustee Don Scanlon detailed snow removal and other safety related public works expenditures during the weekend of Feb. 4. Services cost a total of \$51,086 in salt, labor and overtime pay, computed at \$6.81 per home. Scanlon reported decreased traffic accidents during the interval, as a result of the precautions.

Niles Library book discussion
The Niles Public Library book discussion group will be reading and discussing "People of the Lie" by M. Scott Peck on March 6 at 2 p.m. and March 7 at 7 p.m.

Mr. Peck, also known as Doctor Peck, is a practicing psychiatrist. His literary pursuits have led him into areas which the scientific community often view as an embarrassment rather than a topic for study.

Dr. Peck wrestles with the topic of evil. It is real. It is something which kills the spirit and limits individual potential. It fashions itself in many forms and must be recognized as such before individuals can succeed and grow. Peck relates stories from his practice which describe the evils/illness of everyday living. He combines therapy, theology and life!

Interested? All readers are welcome to participate in Book Discussion. The Library can assist in obtaining a copy of the work. For additional information, please contact Judy Zelter or Halina Jam at 967-8554.

and business applications. On the student side, it processes registration, grading, attendance, transcripts, and other student records. On the business side, it processes personnel, budget, payroll, and purchasing information.

The second part of the new technology package, a computerized card catalog and circulation system, will give both students and teachers access to materials from libraries in surrounding communities and universities, as well as the other District 207 libraries. "The money we spend on the new computer system would buy only 10,000 volumes for District 207 libraries," said Joel W. Morris, Director of Instruction. "A computerized library system will potentially allow students access to many more books."

The new computer library system will also teach students the skills they need to deal with computerized libraries in the future. Many colleges and universities use computerized card catalogs exclusively. "Since many of our students attend four-year colleges and universities, it is important to give our students skills in this area," Morris said.

Finally, by reducing the time that librarians must spend on administrative and management activities, the library computer system will give them more time to work directly with students. District 207 libraries may handle as many as 1,000 students per day as part of class activities and library orientation programs. "We need to help all students learn library and research skills to equip them for a job market

"The fact the Abraham Lincoln's birthday fell on a Sunday was taken as an excuse not to observe a day to honor this great American, after whom our state uses the slogan 'Land of Lincoln,'" she said.

According to her, a source at the Illinois State Board of Education said Lincoln's birthday will be commemorated by the public schools beginning next year. Lampros said her statement included attached signatures of almost all teachers in the district.

In further business, board members resolved to place on display language arts textbooks to be adopted for district-wide use from kindergarten through eighth grade. A vote on the three sets of books will be taken at the February 28 meeting.

Books are McGraw-Hill English, 1989 edition for kindergarten through sixth grade and McDougal Littell English, 1987-1988 edition for fourth through sixth grade students in the enrichment program. Gemini students will receive the English Composition and Grammar texts, Benchmark edition, 1988 by Harcourt, Brace, Jovanovich Publishing Co.

District 63 serves parts of Niles, Morton Grove and Des Plaines.

Niles West Chemistry Team takes first
The Niles West High School Chemistry Team brought home the first place trophy from the Illinois Benedictine College competition that pitted 17 Chicago-area high schools against each other.

In the individual competition, which involved more than 100 competitors, Jay Rosenbaum took third, Ansa Queshi earned fourth, and James Peroulas placed fifth. Other students on the Niles West team, under the direction of sponsor Ann Levinson, are Jonathan Breitzer, Matt Renzik, Harry Yoon and Suzanne Ahn.

MG trustee...

Richard Hobs when he was appointed Acting Mayor a year ago has two years remaining before expiration. Trustee Don Scanlon, who was appointed to fill Hobs' seat, is running for a four-year term. Szechowicz would have had to finish in the top four of the five candidates' totals in order to retain his seat.

Szechowicz acknowledges he was outlanked by the Active Party, three of whose members are on the Electoral Board which ruled 2 to 1 against his petitions. Village President Richard Hobs, Clerk Wilma Wendt and Trustee Lewis Greenberg cast the votes regarding his petitions. "They're masters of political strategy. They totally put a monkey wrench in my campaign," Szechowicz said.

Szechowicz, formerly a member of the Active Party, could regain an independent position on the ballot if he files an appeal by the end of the week. Upon filing an appeal he would have to wait two weeks for a hearing before a judge, who could feasibly be the same justice who ruled against him over the issue of district representation for Morton Grove. Szechowicz feels this issue is the main reason

behind the Active Party's rejection of his candidacy. If he gets a hearing, no decision will be rendered until mid-March, approximately two weeks before the April 4 election. He is "seriously considering" the possibility of a legal challenge, but claims "the brakes have been put on his campaign."

Whether or not the Trustee successfully challenges this latest effort to keep him off the ballot, he intends to continue to press for municipal representation by districts, a form of representation which Hobs and the Board members have dismissed as not in the village's best interest. "Regardless, I'm going forward with the referendum."

Szechowicz's chief regret is about Active Party leader, Joe Alessi, with whom he has chaired the Police and Fire Commission. The Trustee is experiencing a sense of "betrayal" by Alessi. "I thought he put the village's interests number one. I don't expect this type of thing from him."

Szechowicz wants to continue to serve on village commissions but feel he will be banished from these activities, if he cannot serve on the Village Board.

Kustra endorses proposals to improve education
State Senator Bob Kustra (R-28) said he's enthusiastic about Governor James Thompson's proposals to improve scientific education in schools and he stands ready to sponsor legislation to activate the plans.

"The Governor's State of the State message is perfectly timed, because Illinoisans are showing increasing concern about the quality of education in mathematics and science," Kustra said. "A recent national study shows that the average performance of 17-year-olds in the U.S. is substantially lower than in 1969. We're going backward, and this trend cannot be allowed to continue."

Kustra noted that many students in U.S. high schools take very few science and higher mathematics courses. Kustra is delighted over a proposal of legislation to outlaw smoking in public buildings, except for designated areas and Thompson's proposal to ban tobacco in elementary and high schools.

Kustra also supports proposals for stepping up the war against drugs, including the use of steroids among young athletes.
