From the Left Hand

The roar from the grandstand over the double play move of the Jozwiak Park baseball diamonds to the Pontarelli complex is little more than a pipsqueak, if we consider the few letters and phone calls we've received.

A Niles official called last week and wondered just how many people were really concerned about the proposed

We suggest if the guys and gals who are crying "foul ball" really want to raise their protests they should fill our "Letters" columns and make other protests which will clearly tell the umpires in Niles what their decisions should be.

Since nobody asked The Left Hand what it thought we decided to stick our nose into

The "double play" is the village taking over the Touhy-Franks ballpark for increased Public Works facilities and moving the park on to the Niles College land where Pontarelli will be

It sounds and reads great. The village gets its increased area and the park district gets a new improved park without adding taxpayer costs.

Gauza files for recount

Ted Gauza filed for a recount of 13th District State Representative votes on Friday, March 29 with the Chicago Board of Elections and The Cook County Board of Elections. Sun-Times March 18 article ti-

tled Lawmaker Loses Head, Not Humor raised questions about an unidentified campaign worker that Peter Callaghan blames for superimposing his photo atop State Senator Walter Dudycz's body. A Northwest Press article states that Callaghan indicated "that he (Callaghan) did not see the mailings until one arrived in his home." Callaghan fails to disclose the name of the campaign worker whom he alleges authorized on Callaghan's behalf the doctoring of the campaign photograph. Unless Callaghan can identify this person and the mysterious staffer can confirm Callaghan's version, then this entire alibi again raises serious questions about his truthfulness.

Congratulations to the winners 17, the winners will get a glimpse ous departments and have lunch with the Village Board. On Tueslisted as follows:

Ask Your Jeweler

Laury Rose Candlelight Jewelers

As a matter of introduction, my name is Laury Rose and I am the owner of Candlelight Jewelers in Oak Mill Mall. I will be writing a monthly column in The Bugle Newspapers. The purpose of this column is to answer questions that are most commonly asked by our customers and any questions that you, as readers, might have. Since this is my first column, I will start with the two questions most people seem to ask. What is Karat and what do the markings on most Gold jewelry mean?

The term Karat is used to measure the fineness of Gold. In the United States anything under 9 Karats cannot be called Gold; 24K is fine Gold and is 100% pure; 18 Karat stamped 750 in European jewelry is 75% pure Gold or 18 parts pure Gold and 6 parts Alloys; 14 Karat stamped 583 in Europe is 58.3% pure Gold or 14 parts pure Gold and 10 parts Alloy; 10 Karat stamped 417 is 41.7% pure Gold or 10 parts pure and 14 parts alloy. The Alloy's mostly used with Yellow Gold are Silver, Copper, Zinc and Nickel is mostly used with White Gold.

I hope this answers your questions and gives you information on jewelry that you wondered about or perhaps never asked. Watch for future columns regarding most commonly asked questions about jewelry. I look forward to your feedback and I look forward to seeing you in our store:

For information, call (847) 965-3013 or stop in at our store located in Oak Mill Mall, 7900 Milwaukee Ave., Niles.

Children's pavilion nears completion at LGH

A worker meticulously applies tiles to the interior of the threestory cylinder-shaped "drum" entrance of the Victor Yacktman Children's Pavilion of Lutheran General Children's Hospital, Park Ridge. The yellow, white, blue, orange and green tiles form bright geometric patterns and a dramatic kaleidoscope effect. The unique shape and playful array of colors are just some of the pavilion's features that are designed to help lessen the anxiety children might experience in more traditional health care set-

Other decorative elements throughout the 80,000-square-foot facility include under-the-sea, astronomy and rainforest

The Victor Yacktman Children's Pavilion will house pediatric outpatient services including more than 20 specialty clinics for children with complex illnesses and chronic conditions, and one of the largest centers in the state for children with developmental disabilities or delays. The pavilion is scheduled to open in April.

the ballpark where it is away from any nearby residential area - and still accept Pontarelli's land donation for a new park. Since the noise and the lights from a baseball park wouldn't appeal to residents living in the new high rises - create a walking and sitting park not dissimilar to the lovely park area which replaced the Oak School on Main Street. It will enhance the Pontarelli area and increase its value.

As Niles moves into the new millenium, it's time the Public Works facilities be moved into the industrial area. Sales-tax-rich Niles has the money for such a facility. And it could then turn over the Public Works area to the park district and plan for a beautiful enlarged park which would include the old Niles South elementary school.

Touhy Avenue is one of

Niles' major streets. It should be upgraded for the next century, giving the town another attractive face-to-the-world An extended beautiful park would be one more upgrade to our town. Adding this additional park to the Pontarelli Park and the Oakton-Waukegan village center would certainly improve the village's image.

Moving the Public Works facility to the industrial area would be more appropriate. The 1930's Public Works building is not in keeping with the Niles for the upcoming 2000's. Such a facility should not be fronting on one of Niles "window-to-theworld" Avenues.

Well now, aren't you glad we're back? We stick our nose into Niles biggest problems and always seem to be able to solve them - how lucky can this town be?

The present Jozwiak Park has two lighted baseball fields, where Little League, Bronco, Double A and Triple A teams compete, and a third unlighted field used by the instructional league.

The proposal has met with stiff opposition from residents who live near the current Jozwiak Park site and others opposed to the park relocation.

Opponents have launched a petition drive to collect 2,000 signatures of registered voters residing in the Niles Park District to place the matter in a referendum question on the Nov. 5 ballot. Only 1,400 valid signatures are required to be filed with the Cook County Board of Elections prior to the Sept. 3 deadline.

Park District attorney Barry Moss said that despite the outcome of such a referendum, the Park Board still has the right under state law to go ahead with a

land trade if it sees fit. Village Manager Abe Selman said that if the Park Board decides not to move Jozwiak Park to the larger site, the village would construct a new public works facility

DAMASEN important lesson on to the future generation. Bonds can teach our children how to save. how interest grows and how a small investment can help make their dreams Buy Bonds at half their face value through your local bank, and share the tradition of U.S. Savings Bonds. They're the gift that gives back more than you've given. Published by Order of the Assessor of Cook County, Illinois A public service of this publication 300 101 A 142 11429

But I discovered ever since he died they pay me

Social Security
It never stops working.
