by Rosemary Tirio

The Interfaith Housing Center of the Northern Suburbs and five residents of the Admiral Oasis Motel have filed separate fair housing complaints against Morton Grove, charging discrimination against minorities and the disabled.

The Winnetka-based group has been monitoring the village's plan to demolish the motel at 9353 Waukegan Road to make it part of a TIF (Tax Increment Financing) district that will replace the motel with a Walgreens Drug-store and a small residential development.

After a long series of court battles, the village was finally successful in winning a condemna-

tion suit against the owners of the motel, which is home to about 100 long-term residents, many of whom are low-income, minority, senior and/or disabled persons, veterans or single parents who would be unable to afford any other housing in the village, according to the group. The residents were notified to move out of the motel by Aug. 31.

The complaint was filed with the U.S. Department of Housing and Urban Development and the Cook County Commission on Human Rights.

Gail Schechter, director of the fair-housing advocacy group, cited the 1990 census report for

## Library negotiates late penalty with contractor

by Rosemary Tirio

Negotiations are continuing between Niles Library District officials and representatives of Broadway Construction Co. over a \$43,000 late penalty the company owes for missing the July 17 completion deadline.

"The penalty is still being negotiated," said Library Administrator Cary Czarnecki. "They're working out [an agreement] with their attorneys and our attorneys."

The library is still not completely finished, Czarnecki said. "We're very close to getting done with the project, but not quite done yet."

According to Ted Przybylo, Library Board president, the talks

between the two parties are concerned more with change orders than with the penalty.

That the company owes the late penalty is not in dispute, Przybylo said. However, Broadway is contending that the Library Board owes them additional money because of change orders made after the blueprints were submitted, according to Przybylo.

The representative of the construction firm missed the scheduled Aug. 18 meeting, Czarnecki said, but his absence was due to an oversight, not an unwillingness to continue the talks, Czarnecki added.

## Foul play suspected in MG restaurateur's disappearance

by Rosemary Tirio

Morton Grove police suspect foul play in the disappearance of Enrico Martin Silva, 52, owner of the LaBamba Restaurant at 6000 Dempster Street near the intersection with Austin Avenue in the suburb.

Silva was last seen leaving the restaurant about 11:30 p.m. Aug. 27. His 1996 Volkswagen GTI two-door hatchback was left in the parking lot behind the restaurant, according to Morton Grove police, who found the vehicle's keys in the immediate area and stains that are being tested for identification.

Silva, who is 5 feet 9 inches tall and weighs 180 pounds, was last seen wearing gray pants and a long sleeve burgundy shirt, ac-

cording to a press release issued by Cmdr. Lou Rossi of the Morton Grove Police.

Silva's girlfriend, Juanita Martinez, 29, became concerned when Silva failed to return to his Skokie home after closing the restaurant around 11:30 p.m. Martinez said that she thought someone must have been waiting for Silva when he left the restaurant.

Silva, who owned and ran the restaurant for about eight years, kept the restaurant's cash receipts in an office safe and rarely left with more than \$150 on his person, Martinez said.

Evidence technicians are examining the restaurant, which has

Demolition of A.B. Dick building to begin during September; new store, office building planned for Touhy & Central

## Niles Wal-Mart to open in October 1999

by Cynthia Chapp

At the August meeting of the Niles Village Board, Mayor Nicholas B. Blase and the Village Board were informed as to plans for construction of a Wal-Mart store at Touhy and Central. Richard H. Tucker, the developer, was among those who spoke. His company deals primarily with retail development, almost exclusively with construction of shopping centers. The property which A.B. Dick Co., currently occupies was purchased by Centerpoint Properties. Demolition will take place sometime between now and October which will signal groundbreaking for the new Wal-Mart. The area to be redeveloped is bounded by Touhy, Jarvis and Central, and will cover approximately 5 acres. Central Avenue will be widened from two to three lanes. Representatives from Tucker Development as well as from Wal-Mart & Associates spoke in front of the board. An aerial photograph was displayed

for the board's information. The men assured Board President Blase that all plans were made with the village's safety and best interests in mind. The trustees asked various questions of the project officials and all were answered to their satisfaction. Mayor Blase asked for comments from the citizens present. A sin-

gle contributor voiced his opposition to the construction site, saying he felt it was a senseless expenditure. He also took the opportunity to speak his mind on other issues regarding subjects not related to the project, but to the village in general. The anticipated completion date of the pro-

## Maine Township Emergency Food Pantry

The Maine Township Emergency Food Pantry is in serious need of certain food types, and is appealing for donations of food or cash. Food pantry volunteers point out that of all the various donations one can make, only a few guarantee that a full 100 percent of what is donated goes to those in need. On the top of that list is the Maine Township Emergency Food Pantry, which provides food for needy families not only during the holidays but throughout the year. "We've run out of several items that are usually included in food boxes," says Marsha Warnick, Director of General Assistance. "It's understandable that people tend to donate less expensive items, but there are other food items that really go a long way and augment other foods distribute." Some of those nonperishable or canned items needed immediately include:

Ravioli, Juices, Crackers, Chili, Packaged Cookies, Tuna/Hamburger Helper, Sugar, Mustard, Salad Dressing, Cereals, Jiffy Mix, Flour, Ketchup, Mayonnaise, Cake Mix/Icings/Dinty Moore Stew.

Donations of food can be dropped off at the Maine Township Town Hall, 1700 Ballard Road, Park Ridge.

"Cash donations are always welcome too," added Warnick. "We can use the money to buy the types of food we need to fill the food boxes." Checks should be made out to "Maine Township Emergency Food Pantry," which is housed in Maine Township Town Hall, 1700 Ballard Road, Park Ridge, IL 60068. Donations, of course, are tax deductible.

For additional information on Emergency Food Pantry needs, contact Marsha Warnick at 847-297-2510.

## Maine Township offices closed for Labor Day

All Maine Township offices will be closed on Saturday, September 5 and Monday, September 7 in observance of Labor Day. This includes the Maine Township Assessor's office presently offering assistance to Township residents wishing to file corrections or complaints on Triennial notices of reassessed value. All offices will open as usual on Tuesday, September 8. The Assessor's office will be open from 9 a.m. to 4 p.m. and will continue to provide property tax reassessment assistance until the cutoff date for complaint applications on September 28.

For information, call the Township office at (847) 297-2510.

## PR officials link garage blaze to arson fires

by Rosemary Tirio

Park Ridge fire inspectors have labeled a garage fire in the 200 block of Ridge Terrace Aug. 20 as suspicious in origin, leading village officials to link the incident to a series of almost 20 suspicious fires that have broken out in the city and surrounding communities since April.

The blaze, which was reported around 1 a.m., was raging in the two-car wooden garage when firefighters arrived. No cars were in the garage at the time of the fire, but the blaze was so hot it shattered 12 windows in St. Paul of the Cross Junior High School across the alley from the garage. Overhead power lines were also melted by the intensity of the heat, officials said.

No injuries were reported in the incident, which caused \$25,000 damage. It was the first suspicious blaze since last month, police officials said.

Police are seeking a single individual they believe is responsible for numerous blazes that have erupted under similar circumstances in a 10-block area that includes Park Ridge, Niles and Chicago's far Northwest Side. An investigation of the blazes is being conducted by a task force including officials from the affected communities as well as the state fire marshal. The FBI is also working on a profile of the arsonist, officials said.

### Skokie approves new Hampton Inn at Old Orchard

By the year 2000, Skokie will have at least two new hotels near the popular Old Orchard Shopping Center.

Hampton Inn & Suites received unanimous approval from Skokie village trustees Aug. 16 to build a 225-room, eight story hotel on a site at Old Orchard Road and the Edens Expressway. A restaurant, conference rooms, a gym and a swimming pool are among the features planned for the new hotel.

Last month, a similar proposal for a Marriott hotel on the same site was withdrawn by the developer.

An extended-stay hotel of 142 rooms with regular single rooms and kitchenette suites is also planned near the same location. However, as yet no other developer has submitted a formal plan for the second structure.

## Offices to close for Labor Day

All Secretary of State offices and facilities will be closed for Labor Day, Secretary of State George H. Ryan announced today. The only exception is the Ford City facility, which is open seven days a week in the Ford City Mall. The holiday is observed by all state agencies.

Driver Services facilities outside Cook County and the Chicago West, Midlothian and Niles facilities in Cook County, which normally are open Tuesday through Saturday, will be closed Saturday, Sept. 5, and will reopen Tuesday, Sept. 8.

## Morton Grove Chamber plans Expo 1998

Plans are well underway for a Morton Grove Chamber of Commerce sponsored Consumer/Business Expo '98. The long-awaited event is being held in conjunction with the Morton Grove Days Committee Autumnfest. The expo is free of charge and scheduled for Sunday, Sept. 20, from 11 a.m. until 4 p.m. at Harrier Park, Dempster St., Morton Grove. The event will mark the first Chamber-sponsored Expo since 1995.

Expo '98 will provide the community with an opportunity to

meet local business people, enjoy good food, and receive prizes and giveaways. Also that weekend the Morton Grove Days Committee has planned a 4-day carnival, from September 16 through September 20. Food vendors, entertainment and a two day Arts and Crafts show on Saturday and Sunday from 10:30 a.m. until 7 p.m. are all part of a great family weekend. Admission is free. For more details on being a business vendor in the Expo '98, call the Morton Grove Chamber of Commerce and Industry at 965-0330.

## Firefighters save lives with their boots

Park Ridge Firefighters will give new meaning to the word "lifeline" when they stand in the streets from September 4-7 to raise money for the Muscular Dystrophy Association's "Fill-the-Boot" campaign.

The firefighters will station themselves from 9 a.m.-5 p.m. at the intersection of Oakton and Greenwood, and at Cumberland and Devon, using their boots to collect change in traffic.

In doing so, the firefighters will help combat neuromuscular diseases and help more than 2,000 MDA families in the Chic-

agoland area. Last year, they raised more than \$13,000 for the MDA.

MDA is a voluntary health agency working to defeat more than 40 types of neuromuscular diseases through research, patient and community services, and public and professional health education. Individual health contributors fund almost all of the Association's programs.

# IT'S THE GIFT OF A LIFETIME.

Making a bequest to the American Heart Association says something special about you. It's a gift of health for future generations — an unselfish act of caring.

Your gift will fund research and educational programs to fight heart attack, stroke, high blood pressure and other cardiovascular diseases. And

bring others the joy and freedom of good health.

To learn more about how you can leave a legacy for the future, call 1-800-AHA-USA1. Do it today.
