An assemblage of future residents, guests and members of the press heard Pritzker's pre-lunch remarks about her concept's development and its subsequent growth. Today, 15 such residence communities operate across the country, with the Glenview site and another in Aventura, Fla. bringing the count to 16 and 17,

Describing the effort taken to inform the community, Pritzker pointed out what looked like a Hollywood set--a full-scale, corner-wall representation supported by scaffolding. That was built, Pritzker said, to show Glenview officials the construction materials used, and more importantly, just how they looked together in-

A Christmas Carol, the most beloved of Dickens' novels, was written in 1843. Since then it has duced play of each Christmas season. It is as much a part of the Christmas season as is the Jimmy Stewart film, It's a Wonderful Life. Many theatres across the country, including Chicago's Goodman Theatre, stage this memorable classic annually. Alastair Sim, George C. Scott and numerous other famous actors have taken their turn portraying Scrooge, the crotchety leading characer of the play.

'The Triumph of Love' opens at **NEIU's Stage Center Theatre**

French dramatist and novelist Mariyaux's "The Triumph of. about falling in love, opens November 30 at Northeastern Illinois University's (NEIU) Stage Center Theatre. The play, translated from the French by Stephen Wadsworth, is the second production in Northeastern Illinois University's (NEIU) Stage Cen-

ter Theatre's main stage 2000-2001 season.

The story follows a princess as she adopts the dress and authority of a man, invades the retreat of a stern rationalist philosopher who hates love, and wins the prince she has set her heart on. Gender confusion is central in the increasingly hilarious and moving situations that develop as emo-

with a mission to bring worldclass choral music to new audiences in conjunction with meaningful community outreach. The choir has performed for children in Chicago's inner city schools, introducing them to music from Romania, Brazil, Estonia, Bali, Jamaica, Spain, Russia, France and China. Performances have also been given at retirement homes, food pantries, and rehabilitation centers. The Chicago Chamber Choir believes that music is the language of the world because it speaks to the human heart. It's an ensemble that strives to educate and enlighten as it entertains its audi-

St. John Brebeuf **Organization Fair**

On September 19 the St. John Brebeuf Parish/School Association held its Organization Fair in conjunction with Parents Night. With several new school families in attendance, the Fair provided parents the opportunity to join a variety of parish and school organizations and meet with fund-raising representatives. The groups in attendance included the Youth Ministry, Scouts, Market Day, Battle of the Books, GALA Committee, Parish/School Association, Athletic Association, Holy Name Society, Knights of Columbus, Catholic Women's Club, Language Club, and Certifi-

cate Program. The Parish/School Association thanks all those who participated in welcoming the new and returning families for the 2000-2001 SJB school year and in making the Organization Fair a suc-

NASHVILLE COUNTRY CHRISTMAS Travel with the Prairie View Travel Club to the festive Opryland Hotel from Nov. 27 through 30 to see a 13-story Christmas tree with 23,000 lights! Inside, the hotel has thousands of decorations, miles of red ribbon and garland, hundreds of poinsettias and the largest Nativity Scenes in the country. On day two of this adventure see a wonderful Christmas music show followed by a three-hour sightseeing tour of Nashville. In the evening enjoy a traditional family style Christmas dinner and a musical presentation of "A Down Home Country Christmas." Day three begins with a trip to the General Jackson Showboat. The boat is adorned with fabulous Christmas decorations and a special holiday meal will be served. After some time shopping, the evening is spent back at the Opryland Hotel to see a new Christmas 2000 show at the Acuff Theater, Opryland's biggest and brightest Christmas production ever. The cost is \$428 for triple occupancy, \$495 for double occupancy, and \$682 for single occupancy. Register at the Prairie View Community Center.

DIABETES SCREENING Non-insulin-dependent diabetes is gradual in onset and usually occurs in adults over age 40. Some of the warning signs are: blurred or any change in vision, tingling or itchy skin; slow healing of cuts and bruises; and drowsiness. Free diabetes screening is offered from 9 to 10 a.m. on Tuesday, Nov. 28 in the Morton Grove Village Hall Senior Center. People coming in for the screening should fast from the evening meal of the night before.

GOLF MILL SHOPPING Seniors wishing to join shoppers on a trip to Golf Mill Mall on Tuesday, Nov. 28 should call today to reserve a seat on the Seniortran. Home pick-ups begin at 10 a.m. with arrival at Golf Mill at 11 a.m. Shop and browse for three hours until the Seniortran returns shoppers home at 2 p.m. Mall trips are scheduled on the last Tuesday of every month at no cost. HOLIDAY BUS TRIP

Join the Prairie View Travel Club for a holiday bus trip on Thursday, Dec. 7 sponsored by Cambridge Bank. This free trip includes a luxury bus ride to the Museum of Science and Industry to view the annual Christmas tree display, followed by a light dinner on the bus and then a drive down State Street and Michigan Avenue to view all of the beautiful holiday lights. The bus will be leaving the Prairie View Community Center at 12 noon and return at approximately 6 p.m. This trip is for Morton Grove residents only and individuals will be selected by lottery. Please register at Prairie View. The lottery will be drawn on Nov. 27. Participants chosen will be notified by phone.

WISCONSIN CHRISTMAS

Wisconsin Connection Tours is back again to take the Prairie View Travel Club on a wonderful trip to Racine on Dec. 7 and 8. Day one includes: strolling among 50 beautifully themed and decorated trees and visiting O&H Kringle Shoppe to learn the art of making the Kringle. View Racine's beautiful Christmas light displays by trolley and a spectacular musical celebration of the joys of the season at the Fireside Dinner Theatre. Beautiful costumes, glorious songs and traditional dances grace the stage with all the warmth and passion that makes Christmas such a special time.

Day two is filled with more fun. Harmony Hall, the world headquarters of Barbershop Quartet Singing in America; a tour of the Kemper Center, once an 1800's Episcopal Girls Boarding School; and much more. Don't miss this trip.

The cost is \$175 for triple occupancy, \$195 for double occupancy, and \$235 for single occupancy. Register at the Prairie View Community Center.

55 ALIVE MATURE DRIVING COURSE

The 55 Alive Mature Driving Course is an eight-hour twoday course for older motorists. It focuses on the physical changes that accompany aging and on ways drivers can compensate for these changes in improving their driving skills. Additionally, drivers will find that by completing this course they can receive a discount on a portion of their automobile insurance. The next course offered at the Morton Grove Village Hall Senior Center starts at 8:30 a.m. on both Thursday, Dec. 14 and Saturday, Dec. 16. The cost of the course is \$10. During a Winter Storm. 1. Conserve fuel, if necessary, by keeping your house cooler than normal. Temporarily shut off heat to unused rooms.

2. If using kerosene heaters, maintain ventilation to avoid a buildup of toxic fumes. Keep heaters at least three feet away from anything flammable. Refuel kerosene heaters outdoors.

3. Avoid travel, if possible. If you must travel, do so during daylight hours and don't travel alone. Stay on main roads and keep othto your home and confirm that ers informed of your schedule and route, if possible.

If a Blizzard Traps You in Your Car. 1. Pull off the road, set hazard lights to flashing, and hang a dis-

See better, drive safer in winter

You may winterize your car, glass and reduce glare during but do you winterize your windshield? With two simple steps, you can improve your driving visibility in rain and snow, and drive safer in foul weather. 1. Install a new set of wiper blades. If you live in a climate with a great deal of precipita-

blades designed to prevent snow build-up. 2. Have rain-repellent glass treatment applied to your windshield by your automobile ser-

"A vehicle traveling just 40 mph travels the distance of a football field in five seconds, so even one or two seconds of blurred visibility can pose a real danger," notes Bob Howard, manager of Aquapel Glass Products.

As an added benefit, the treatment eases the removal of snow. sleet and ice from your windshield, helping to clear the way for safer winter driving. It can be applied quickly and inexpensively at your local fast-lube or automotive service center. One application generally lasts through up to six months of normal driving and car washing. A Plan To Quit Smoking Is Your me things to send for

(NAPS)-It's a new year, a new millennium, and a chance for a

new beginning. Many people are resolving to make a change in their life for the better-lose weight, get a new job, or quit smoking. Quitting smoking may be the most important-and the most difficult. It is well known that nicotine is addictive, and people struggling to quit are literally in the fight of

ners showed that 92 percent of strong as smoking? smokers were aware that nicotine is addictive, 75 percent have tried to quit more than once, and 51 percent say they'll try to quit in the coming year. That's a lot of people who want to win the fight against smoking. Nearly 80 percent of smokers who have

"Zyban is a nicotine-free pill that allows you to ease into the quitting process," says Brothers. "With Zyban, smokers don't have to quit all at once. They set a date to stop smoking during the second week of taking Zyban, which most people take for 7 to 12 weeks." As Zyban reduces cravings, smokers feel like smoking less and less. When the time comes to uit, they may be prepared to live without cigarettes because their urge to smoke has been demol-

One study showed that 46 percent of patients taking Zyban remained abstinent one week after finishing nine weeks of treatment with Zyban compared with 20 percent of patients taking placebo. All patients in this trial also participated in a support program. In a long-term maintenance trial of patients who had successfully quit smoking at 7 weeks, 55 percent who continued on Zyban were smoke-free through 6 months versus 44 percent in the placebo group. Qui rates in clinical trials are influenced by the population selected and may be lower in unselected populations. Another benefit of Zyban is

that the initial prescription comes with the Zyban Advantage Plan, a free personalized patient support program that includes a medication booklet, program guide, patient questionnaire and a quit preperation workbook. Zyban and the Zyban Advantage Plan are to be used as part of an overall plan recommended by a healthcare professional to help patients quit smoking. Zyban is not for everyone. The most common side effects

associated with Zyban ae dry mouth and insomnia. These side effects are mild and often disappear in a few weeks. The use of Zyban is also associated with a dosedepedeent risk of scizure. Therefore, higher than recommended doses should not be used and Zyban should not be used in people who are taking other medications containing bupropion (i.e. Wellbutrin, or Wellbutrin SR)> Zyban also should not be used in people who are taking a monoamine oxidase inhibitor (MAOI). For more information on Zy-

ban and to see if Zyban is righ for you, see your healthcare professional, or visit the Zyban website, www.Zyban.com.

Letter from the Executive Director

by Joseph V. LoVerde Jr. **Executive Director**

We are pleased to present the 2001 budget for final review and approval by the Board of Commissioners at our regularly scheduled Board Meeting on Tuesday, December 19, 2000. During the meeting, time will be allocated for any questions and comments on the

2001 Operating Budget \$1,403,418.00 General Fund 1,325,378.00 Recreation Fund 1.514,823.00 Ice Rink Fund 296,582.00 Pool Fund 898,874.00 Golf Course Fund 114,200.00 IMRF Fund 192,800.00 FICA Fund 193,000.00 General Liability Fund 26,800.00 Audit Fund 3,475,145.00 Debt Service Fund 35,600.00 Paving & Lighting Fund 57,592.00 Police/Security Fund 168,000.00 Handicapped Fund

Capital Projects Fund

The 2001 Budget reflects the continued commitment to operate the park district in a business-like manner. As promised, we will investigate every option to reduce cost while committed to reducing long-term debt. I congratulate all the employees for an outstanding job. This year again reflects the commitment of our staff to quality service.

I am proud to report that the 2001 Budget reflects a reduction of \$478,272.00 over fiscal year 2000. Since 1997 we reduced the longterm debt by over \$6,000,000.00 while reducing the tax rate 6.31%. These reductions came without sacrificing customer service and quanty programming.

We will continue to address and prioritize our capital improvement plans. We set a goal to do capital improvements out of operations.

thus eliminating the need to borrow funds. I am pleased to announce that we have accomplished this for fiscal year 2001. Our capital improvement and new equipment fund of \$360,000.00 will come out of district operations. We will continue to upgrade our aging buildings and enhance the exteriors to compliment our neighborhoods and community. The golf course will take on a new and challenging look in 2001. Bunkers will be strategically placed to add a bit more challenge to our beautiful course. A new set of forward tees will be added to give all players a choice to play from their comfort level. The new computerized irrigation system, completed in 2000, will be a great addition. We can now control the quantity and quality of watering our greens, tees and fairways. The bridge to the #5 tee will be regreat addition. We can now control the quantity and quantity of watering our greens, tees and fairways. The bridge to the #3 tee will be reconstructed to allow easier and safer access for carts and players. Chesterfield Park will take on a much needed and long overdue improvement in 2001. Construction has started and will be completed in the spring. We will continue to plan our future with fiscal respon-

In 2001, the Recreation and Athletic Departments will offer new programs, i.e., Indoor Soccer, Community Track & Field Event. White Sox Professional Baseball Training Camp, CPR classes, Teen Trips, Grandparent Classes, Mom & Child Dance Classes, Creating Scrapbooks, Sewing, and much more! We will make every effort to offer programs at prime time hours to accommodate family participation. Your continued support and compliments of our special events is very rewarding to us. We will work hard to keep these events affordable. It is with the help of our generous business community that we can make this possible. Fiscal year 2001 will see the final installation of computers in our Bright Beginnings Preschool classrooms. Our Oakton Manor facil-

ity took on a new and exciting look in 2000. The entire classroom was renovated to welcome our new students. Educating our young children is a very high priority of the Niles Park District. Our dedicated and caring teachers have made our program a great success. As the popularity of the internet grows, it is important that the Niles Park District grows with it. The creation of our website has proven to provide round the clock information to you. We hope this allows us to better serve your needs. In Fiscal year 2000, we completed the task of computerized cash registers at all of our locations. We are now able to account and track valuable information on users of our facilities that will help us in our future decisions and plans. Now with our network in place, 2001 plans call for continued upgrades to

our software to provide better service to you.

With the addition of key personnel to Iceland Ice Rink, it's rapdily building a reputation of having the highest quality instructors in our software to provide better service to you. Our decisions with the food & beverage operations have proven to be a success. We are now able to concentrate on Recreation, which is our first responsibility, while being able to offer you quality food and banquet parties at a reasonable price through a contractual

Fiscal year 2001 will continue to present challenges in light of the tax cap. The 2001 budget has been put together with the importance of providing quality programs and services and maintenance of our parks and facilities that we all can be proud of. We will accomplish this while maximizing every dollar. With your continued support we will be able to maintain and expand on our high quality of services that you expect and deserve. We will continue to keep our promise to operate the park district in a business-like manner. This means keeping a close eye on expenditures, maximizing every dollar, reducing long-term debt and providing quality service.

I thank the Board of Commissioners for their leadership, confidence and shared vision as we move forward. I thank the staff for their

support and hard work. And I sincerely thank you for making this all possible.

cording to the Ninth Special Report to the U.S. Congress on Alcohol and Health, substance abuse may impair adolescents' ability to make judgments about sex and contraception, placing them at increased risk or unplanned pregnancy, sexual assault, or becoming infected with a sexual transmitted disease, including HIV/AIDS. According to a study released

in December 1999 by the Center on Addiction and Substance Abuse (CASA) at Columbia University, teens 14 and younger who use alcohol are twice as likely to have sex than those who don't, and teens 15 and older who drink are seven times likelier to have sexual intercourse and twice as likely to have it with four or more partners than non-drinking teens. What's more, numerous studies have shown that adolescents are more likely to engage in unpro-

tected sex when they drink alco-

hol than when they do not.

Every year about 3 million teens are infected with a sexual transmitted disease. Among sexually active teens, those who average five or more drinks daily are nearly three times less likey to use condoms, thus placing them at greater risk for contracting sexually transmitted disease. teenagers found that about half drugs before the act of intercourse that resulted in unintended pregnancy. Each year about 1 million teenaged girls in this country become pregnant, and 80 percent of those pregnancies are unintended. Alcohol use during pregnancy may result in fetal alcohol syndrome or effect. Alcohol us is implicated in

more incidents of sexual violence than any single drug, according to the CASA study. Alcohol use -- by the victim, the perpetrator or both -- is implicated in 46 to 75 percent of date rape cases among teens and college students.

The use of alcohol and other drugs is associated with the leading causes of death and injury (such as motor-vehicle crashes, homicides and suicides) among teenagers and young adults. A 16-year-old is still more likely to die from an alcohol-related problem than any other cause.

In addition to the immediate dangers posed by young drinkers, underage alcohol use is a strong predictor of future alcohol abuse. A recent study found that people who begin drinking before age 15 are four times more likely to develop alcoholism than those who begin at 21.

April was designated as Alcohol Awareness Month by the National Council on Alcoholism and Drug Dependence. The theme of that month was preventing underage drinking, and April 7-9 was Alcohol-Free schools and communities to plan programs that encourage young people to avoid alcohol and offer healthy alternatives to drinking.
