Chicago will not pay for noise insulation at school

Gemini Junior High School acted too quickly to make sound insulation improvements, thereby losing potential reimbursement for the work.

Gemini was one of 11 schools eligible to get money for sound insulation design work because sound levels generated by O'Hare International Airport warrant it.

But the school started work on its air conditioning and boiler systems before applying for a grant through the Chicago Department of Aviation.

Michael Nowlan, District 63

Director of Operations and Maintenance, said that information then available indicated the school would be allowed to apply for a grant after the work had begun; however, in the eyes of the Chicago Department of Aviation, this lapse disqualifies it.

"In the case of Gemini Junior, all of their contractual items were defined before they were ever identified or given a commitment to enter into a grant agreement," said Chris Arman, assistant commission for the Department.

Morton Grove votes to purchase Dempster St. land

Last year the village purchased two other lots along Dempster for the same purpose. Officials plan to "land bank" the real estate until plans for Dempster Street redevelopment are complete.

The property recently purchased is located along the south side of Dempster, street numbers 6055 through 6061. Officials say they do not plan to force a move in the near future.

Businesses at these addresses are Yasukunai Bonsai Garden and Golden Razor Barber Shop. The village will pay \$360,000 for the land parcel.

The passing vote was split, with trustees Dan DiMaria and Terry Liston voting against. DiMaria said the present weak economy is not a good time to make purchases that won't be used for several years.

High school looking to cut programs to save money

Niles Township high school officials are listing ways to cut spending as they approach an ever-increasing deficit.

Board President Robert Silverman has said that, given the most recent projections, he expects to be out of money in two years rather than three. Cuts will be necessary as early as next school year, said Silverman.

Spending from the education fund increased at 5.3 percent over last year. This fund, used mostly for salaries and benefits, has operated in a deficit for a number of years. In total, the fund has a \$7 million deficit.

Silverman and Superintendent Griff Powell say 219's problems are no different than those of other districts. The cap on property tax, the demands of higher special educa-

tion enrollments with little help from the state, and growing general enrollment are factors, along with property tax appeals that keep dollars from reaching education.

Silverman insists these issues are not "put out there as a threat," that actions must be taken, like limiting students to no more than five classes at a time or not allowing students to re-take failed classes. Other proposals reduce spending on out-of-state travel, on arts, athletics, clubs and field trips, and on supervisors' stipends.

Spending for special education, on a newly-created student assistance program and for substitute teachers are other targets, along with technology cuts, spending less on copiers and printers, supplies and textbooks, and on security.

41 year old Elk Grove Village man arrested following surveillance; Numerous area suburbs link man to burglaries

Sharp police work puts end to restaurant burglar

A burglar, the subject of surveillance by Niles police, was apprehended by a team of Niles investigators January 18 during a break-in of a Chicago fast-food restaurant.

The perpetrator, George Hatziandreou, 41, of Elk Grove Village, was tailed by Niles police investigators for seven hours Jan. 17 and into Jan. 18, as he unwittingly led them to Chicago's West Side, to Cicero, and back to Chicago's North Side, with his last stop at Taco Burrito King Restaurant, 2817 W. Irving Park Road.

According to a police report, Hatziandreou parked a few doors east of his target and walked up a side staircase of the building onto the roof. From there he dropped into the restaurant through a grease exhaust chute.

After removing about \$82 from the cash register, he was preparing to tackle the safe

when the owner arrived. Hatziandreou escaped through the bathroom's false ceiling and down into a laundromat next door, out that back door and back to his car, only to be taken into custody by Niles police.

Niles police were able to identify Hatziandreou using leads and physical evidence left following a restaurant burglary- Dec. 25 on the 8100 block of North Milwaukee Avenue in Niles. Hatziandreou's arrest

has solved two burglaries in Niles and six in Chicago, according to spokespersons of respective police groups. Police in Des Plaines, Park Ridge and Morton Grove are also seeking warrants.

Niles Police Department has closed files on burglaries at the China Star Restaurant, 8105 N. Milwaukee Ave., and the Kimchy Cabana Korean Restaurant, 9020 N. Greenwood Ave.

Niles North graduate shot by terrorists in Israel

A graduate of Niles North High School wounded during a recent attack in downtown Jerusalem will soon be released from the hospital where she has been treated, according to Niles North principal Neil Codell.

Shayna Gould, 19, of Skokie, was hit with six bullets Jan. 22. Gould, who graduated in 2000, is a seminary student in Israel.

Though originally thought

dead, Gould was resuscitated and has been recovering steadily since.

Codell says he has monitored his former student's condition.

Gould's parents traveled to Israel immediately upon hearing of her injuries.

She suffered a lung injury in the attack by a Palestinian gunman in which two persons were killed.

Voters to be asked to approve \$9 million school construction bond

If voters in School District 69 approve a \$9 million bond issue referendum in March, School District 67 will build two additional classrooms at Skokie's Madison School.

Agreement came after the Niles Township school districts got assurance from Skokie-Morton Grove District 69 that the new rooms will be used for Niles Township Special Education students.

In total, the \$9 million bond issue would fund four classrooms at Madison, improvements at Lincoln Junior High and air conditioning at all three District 69 schools.

The cost estimated to build and equip the two special education rooms is \$500,000. These rooms will be assigned to the Special Education Department, for use by all special education students throughout Niles Township.

Julie Higgins, District 67 Board representative to the Special Education Department, said if the referendum doesn't pass, this plan will not go forward. She said that the referendum will be pitched to emphasize that the special education classrooms will serve the entire 10 districts within the township.

Kenneth Randle, executive director of the Niles Township Department of Special Education, wrote Jan. 7 in a memo to member schools that his department has a real need for more classrooms, and that many districts are faced with growing enrollments and no longer have space to lease for that purpose. While total enrollment in township schools has risen at close to 5 percent from 1996 to 2000, special education enrollments have increased at 17 percent during the same period.

District 69 would be paid a fee for maintenance costs attached to the two rooms used by Special Education. This would be paid only by those districts sending children to the Special Education program.

The lunch/bingo program is held every fourth Tuesday.

Mary Hogan named Volunteer of the Year

Robert McBride, left, of the Rotary Club of Park Ridge, congratulates Mary Hogan of Park Ridge who was named Volunteer of the Year by the club. Park Ridge Mayor Ronald Wietecha, right, nominated Hogan for the honor because of her work on the District 64 Citizens' Referendum Committee, the city's uptown business area task force, and volunteer efforts for countless other school, health, social and community service organizations. The Volunteer of the Year award was presented during the recent Park Ridge Rotary dinner celebrating the 40th anniversary of the club's charter.

Spring classes offered at Oakton Community College

Have you ever thought while reading a great book that you too could write great stories and poems? Learn to unlock your creative writing skills this spring in a non-credit course offered through Oakton's Alliance for Lifelong Learning (ALL).

Living the Artists Way (ART B94-01 Touch-Tone 07290) will provide you with techniques to connect with your inner creative energies. Learn to replace creative blocks with confidence and productivity by following the principles and exercises presented in Julia Cameron's popular book, The Artist's Way.

Students should bring a copy of the book to class. Class meets from 10 a.m. to noon on six Saturdays, beginning April 6, at Oakton's Des Plaines campus, 1600 E. Golf Rd. Course fee is \$79.

Creative Writing and Self Discovery (COM E43-01 Touch-Tone 07407) will help you see the world and yourself through new eyes so you can translate your unique vision into poems, stories and articles that move others. Class meets from 7:30 to 9:35 p.m.

on seven Wednesdays, beginning April 10, at Niles North High School, 9800 Lawler Ave., Skokie. Course fee is \$99.

Advanced Short Story Writing (COM E89-02 Touch-Tone 07414) examines various story forms and styles through writing practices and discussions, and through selected readings of published authors and the work of your fellow classmates. Students should have some experience with writing stories. Class meets from 7 to 9:15 p.m. on seven Wednesdays, beginning April 10, at Niles North High School. Course fee is \$99.

Writing for Children (COM E68-02 Touch-Tone 07410) will help you create original work for children. Learn to do research, generate stories, market your work and deal with agents. Class meets from 7 to 9:30 p.m. on seven Tuesdays, beginning April 2, at Niles West High School, 5701 Oakton St., Skokie. Course fee is \$105.

Those who have registered for ALL classes within the last five years, or for a credit course in the last three years, may register by phone.

Young Polish Women Grand Ball scheduled

Continuing a tradition begun 63 years ago, seven young ladies will be presented by their fathers or uncles to Polish American Society at the Annual White and Red Ball (Bal Amarantowy). This gala will take place in the Grand Ballroom of the Chicago Hilton and Towers on Saturday, Feb. 16.

The young ladies who will make their debut are: Agatha Bochenek of Park Ridge, Marta Choromanska of Glenview, Weronika Horemala of Brookfield, Wisconsin, Margaret Knap of Chicago, Jennifer Przybylo of Lincolnwood, and Daniella Poczatek of Arlington Heights. The Mistress of Ceremonies will be Mrs. Joan Kosinski, a former debutante and President of the Polish Museum of America.

Proceeds from the White and Red Ball will fund the Legion of Young Polish Women, a non-profit organization which was established in 1939 one day after Poland was invaded by the Nazis, by a group of women who wanted to help war torn Poland. One of their first efforts was to raise money to purchase an ambulance to be used by the Polish Army.

The Legion of Young Polish Women has gathered and contributed over one million dollars to countless causes, both in the United States and abroad.

The Legion of Young Polish Women, works to insure that Polish Culture, heritage, and traditions remain an integral part of our ethnically diverse country. The Legion of Young Polish Women has helped endow the Chair of Polish Literature at the University of Chicago. It has also supported

various relief efforts in Poland ranging from sending food and clothing to widows and orphans after WWII, to aid after the Chernobyl disaster, and more recently assistance after disastrous flooding in 1999.

The Organization has over 200 members who live throughout Chicago and the metropolitan area. Its headquarters are at the Copernicus Foundation in Jefferson Park. The current president is Shirley Dudzinski of Norwood Park.

Morton Grove man wins \$64,000 Illinois lottery

Raymond Rebou knows what the statement Players Have More Fun truly means. After purchasing an Illinois Lottery Little Lotto ticket, he won \$64,733.50.

Rebou, 77, a machinist for the past 43 years, matched all five numbers on the Little Lotto drawing for January 3, 2002.

Rebou, who says he uses family birth dates when choos-

ing his numbers, was watching television when he saw his numbers had been drawn. He immediately told his son the great news. Both were a little shocked, but happy.

Rebou has been married to his wife Mildred, for the past 46 years, and has two children and grandchildren. He plans to use his winnings to pay off some bills.

Little Lotto is drawn Monday through Friday.

A one percent bonus will be given to Niles Grove Food Store, 7630 West Dempster in Morton Grove, the Illinois Lottery retailer who sold the winning ticket.

The Illinois Lottery was founded in 1974 and has annual sales of \$1.5 billion. All Lottery profits are deposited in the state's Common School Fund to assist K-12 public schools. Players must be at least 18. For winning numbers, jackpots, and other Lottery information, log on to the official Illinois Lottery website at: www.illinoislottery.com.

Movie showing at MG Library

Monday, February 11, the Morton Grove Public Library will be showing Life as a House (rated R, 124 minutes) at 11 a.m., 2:30 p.m., and 7 p.m. Free.

Kevin Kline stars as George Monroe, a bitter, unemployed architect who, after being confronted with a diagnosis of cancer, sets about reconstructing his lifestyle by building his dream house on a cliff in Malibu.

The Morton Grove Public Library is located at 6140 Lincoln Ave.

For more information, or mobility and communication access assistance, please call (847) 965-4220. TDD 965-4236.

St. John Brebeuf News

On a recent visit to the Metropolitan Museum of Art in New York, Penny Guerrieri, an eighth grade teacher at St. John Brebeuf School, returned with a special gift for each of the teachers in the east wing of the school. To the surprise of the teachers and students, the gift turned out to be masks of women from well known books in British Literature. An example is Alice from Alice in Wonderland.

To the delight of the students, the teachers quickly donned their respective mask and took on the persona of the mask they wore. The students were so excited by the change in looks of the teacher, they too wanted to try on the masks. Most of the students had their opportunity to do this. Each time a student tried on the mask, everyone laughed at the change in his or her appearance.

The whole experience turned into a lesson of good sportsmanship and humor, two very important lessons to be learned in getting along with people and enjoying life.

All are waiting for the next teacher to return with gifts from a trip!!!

St. John Brebeuf 4th graders in Mrs. Poland's classroom prepared for "Read for 2002" by bringing in a favorite book. The students joined classrooms around the world as they celebrated literacy and read 2002 seconds (about 33-1/3 minutes).

This project, sponsored by Scholastic Book Clubs, is part of a new program to encourage literacy called, United We Read. It is a state by state component of Read 2002, involving the spouses of United States Governors. The students enjoyed their reading and knowing that they had company all over the world.

Niles tests emergency operations plans

Representatives from each of the Village of Niles departments recently conducted an exercise of the Village's Emergency Operations plan. This plan was originally developed over seventeen years ago. It has been updated and revised as needed through the years. Each year the Emergency Operation plan has received accreditation from the Illinois Emergency Management Agency.

The purpose of the plan is to supplement, reinforce and organize existing government services with resources of the private sector to effectively handle an emergency situation, which exceeds normal, day-to-day resources. In the event an emergency situation occurs which does overwhelm normal resources, it is the intent of the plan to offer guidelines that will minimize the loss and damage to life and property. The plan is designed to be applicable for any type of emergency or disaster situation whether technological or natural, whether intentional or accidental.

A significant element of the Emergency Operations Plan is the provision within the plan for the activation of an Emergency Operations Center during a major disaster. Key Village personnel would respond to the Emergency Operation Center to assist with and coordinate the emergency response. The Village's Emergency Operations Center has communication capabilities specifically designed to work during an emergency that might compromise normal communication normal methods.

The intent of the conducted exercise was to test the effectiveness of the plan and the readiness of village departments should a disaster strike the community. Residents of the community can rest assured that village departments are well prepared to respond should a disaster impact Niles.

Tips on maintaining a healthy heart

In order to enjoy a heart-healthy 2002, the Cook County Department of Public Health (CCDPH) is encouraging residents to protect themselves from cardiovascular disease, the #1 killer in America.

Here are a few suggestions for a healthy new year:
See your doctor or healthcare provider regularly.
Stop smoking or don't start.
Eat foods lower in fat, cholesterol and calories.
Be physically active every day and maintain a healthy weight.
Get checked for blood pressure and diabetes.
Learn the warning signs of heart attack and cardiac arrest.
Learn CPR.
Learn how to use an automated external defibrillator (AED) and support efforts to increase access to defibrillation devices in your community.
For CCDPH programs and services, call (708) 492-2000. TDD for hearing/speech impaired: (708) 492-2002.

Renowned child psychologist to speak at Maine East

Tickets are available for the popular 1-2-3 Magic: Effective Discipline for Children Ages 2-12 presented by clinical psychologist Dr. Thomas Phelan. He will present his seminar on Thursday, Feb. 28 from 7 to 9 p.m. at Maine East High School, 2601 W. Dempster St., Park Ridge.

The seminar is presented by MaineStays Youth & Family Services in cooperation with School Districts 62, 63, and 64. Advance tickets are \$7 for Maine Township residents or \$10 for non-residents, or at the door. If the cost is not affordable, scholarships are available.

Dr. Phelan is an internationally renowned author and lecturer on child discipline and ADHD. He appears frequently on both television and radio. His seminar uses humor, keen insight and proven experience to address the often-difficult task of child discipline.

This time-tested program provides easy-to-follow steps for managing children and pre-teens without yelling, arguing, or spanking.

To register for 1-2-3 Magic, call Erin Ortlund at MaineStay at (847) 297-2510.

Town Hall lecture series begins Feb. 28

Stem Cell Research: Living on Borrowed Time will explore the scientific facts and ethical dilemmas of stem cell research. Hollace Graff, Ph.D. philosophy and humanities chairperson at Oakton, will lead the discussion on February 28.

Privatization of Social Security: Gold at the End of the Rainbow will examine the pros and cons of investing Social Security monies in the stock market - once thought a good idea, now very much in doubt. Steve Carter of AARP and Linda Delaforgue of Citizen Action will lead the discussion on March 7.

National Energy Policy: What if the Lights Go Out will explore this heavily debated policy released last year by the Bush Administration. Is the policy the answer to our country's energy problems, or is there a smarter plan out there? Join Howard Lerner, J.D., of the Environmental Law and Policy Center, for what promises to be an interesting discussion. This session will meet on March 21.

The cost for the entire Town Hall series is \$20 for persons in district and over the age of 60, and \$25 for persons out of district and under the age of 60. For more information about the Town Hall series, call (847) 635-1414.

IT MAKES GOOD \$ENSE TO BANK LOCALLY

New rules simplify IRA calculations and planning

Owners of Individual Retirement Accounts and other qualified retirement plans have reason to rejoice. According to the Illinois CPA Society, the Treasury Department has issued new rules streamlining the formula used to determine the required minimum annual distribution from a tax-deferred retirement fund upon reaching 70 1/2 years of age.

Previous rules, which required plan owners to choose a beneficiary and offered limited choices for determining life expectancy, were extremely complicated and, for the most part, irrevocable. In fact, the wrong decision could mean outliving your retirement funds.

The new rules provide a simple and uniform method of calculating life expectancy that, in effect, lengthens for tax and

distribution purposes the plan owner's life expectancy. As a result of the change in calculating minimum withdrawals, retirees can take smaller annual distributions. A lower annual withdrawal means a lower tax bill and more money left in the plan to accumulate tax-deferred earnings.

With the new rules officially becoming effective in 2002, *Continued on Page 18*

First American Bank breaks ground for Niles location

First American's beginnings are firmly rooted in the North Shore community, including strong business relationships with retailers and Niles resident. They've been a premier financial performer adding economic growth and dedication to community banking in the area for more than 45 years.

First American is a privately held \$1.5 billion bank with 34 locations throughout Chicago and its suburbs.

They have just broken ground for their new, expanded facility which will be located at the Southwest corner of the Civic Center Plaza in Niles. Currently, they reside at a temporary location at 814 Civic Center Plaza.

In addition to providing consistent, friendly customer service, First American's newest facility in Niles offers

a complete range of financial services. This includes retail loan and deposit products, a full menu of Corporate loan and Cash-management products, plus a comprehensive array of Trust and investment services. Our accounts are accessible with online banking via www.FirstAmBank.com, through bank-by-phone, and at First American, teller visits are always free.

In an era of mega-bank mergers and poor customer service, First American stands out from the crowd. Their "customer-first" way of doing business is a priority. They've focused on making banking easier, friendlier and more convenient. Find out for yourself. Stop by our Niles facility in the Civic Center Plaza to meet Joan Cwynar.

At the groundbreaking ceremonies of the new Niles facility of First American Bank are, left to right, Niles Police Deputy Chief Dean Strzelecki, Denise McCreery of the Niles Chamber of Commerce, Joanne Cwynar, Branch Manager, Niles Village Manager Abe Selman, First American Vice President Mary Tritis and staff members Kathy Sundberg, Stacey Sutter and Noah Samhan.

Fifth Third Bank provides service plus locations for customer convenience

Holy Cow! Shopping for a prime rate is as easy as shopping for prime beef at any one of our nearly 140 convenient Fifth Third Bank MartSM locations. Whether it's activating an Equity FlexLineSM or opening a checking account, Fifth Third Bank Mart locations offer the convenience and ease of one-stop shopping and banking.

Just like the traditional Banking Centers, Fifth Third Bank Mart locations are offering equity rates that haven't been this low since television only had three channels, telephones had dials, and rock just got rolling!

To help customers take advantage of the lowest rates in 40 years, Fifth Third Bank employees are hitting the grocery store aisles January 24-27 to share information on the Bank's Equity FlexLineSM. As part of its "Holy Cow" event, Bank representatives will keep things "mooving" by handing out "Holy Cow" magnets spotlighting the FlexLine.

Customers can use the FlexLine for a myriad of needs, such as paying off holiday bills, updating the kitchen and paying taxes. The FlexLine is a variable rate line of credit that is secured by the equity in the home and is the perfect loan for those looking for a great low rate and the flexibility of accessing the line whenever, wherever and however they wish. Equity FlexLine comes with a Platinum MasterCard[®] that lets cardholders buy at over 19 million MasterCard locations, plus allows cash advances from the equity line from any ATM.

With 931 locations throughout its seven-state footprint -

139 of which are open seven days a week with evening and weekend hours inside select grocery stores. Fifth Third offers unparalleled convenience. The Bank also provides 1,824 Jeanie[®] ATMs throughout its footprint and 24-hour banking through "<http://www.53.com>". Plus, Fifth Third's financial strength merits Moody's highest senior debt ratings for any U.S. bank holding company of Aa3.

Fortune Magazine ranks Edward Jones one of America's best employers

Jeff Cardella, of the Niles financial-services firm Edward Jones, announced today that Fortune magazine ranked Edward Jones No. 1 in its annual listing of the "Best Companies to Work For" in America. The ranking appears in the magazine's Feb. 4 edition available on newsstands Jan. 28.

This is Edward Jones' fourth consecutive appearance on the list, but its first No. 1 ranking.

"Clearly, I am excited by this No. 1 ranking," said Cardella. "I believe the climate within our firm has a ripple effect on our clients and on the communities we serve. The firm values its associates and treats them with respect. This is a great place to work and having Fortune magazine recognize our efforts is icing on the cake."

The magazine says that despite

difficult economic times, the firm had no layoffs. The magazine also said that 97 percent of Edward Jones employees praise management's honesty.

Edward Jones Managing Partner John Bachmann said that to be on the list of the '100 Best Companies to Work For' is an extraordinary honor. But to be at the top of the list is beyond anything the firm could have imagined. "One of the

keys to being an attractive workplace is the fact that everyone is organized around a single customer and a single mission," Bachmann said. "We know our responsibility is to serve the serious long-term individual investor, and in order to do that effectively, we have to align all of our resources so that we are focusing on a team effort and doing everything we can to support that

relationship between our investment representative and the customer."

More than any other national survey of companies, the Fortune 100 Best ranking is employee-driven, with two-thirds of the scoring based upon how randomly-selected employees respond to an anonymous survey designed to measure the quality of workplace culture. The remainder of the score is based on an in-depth analysis of company culture and human resources practices.

The application probed 279 employers of choice that evaluated trust in management, pride in work and the company, and camaraderie.

Bachmann said he is proud that Edward Jones has remained committed to being an employer of choice during this time of rapid growth for the firm.

"Any ranking is a rear-view mirror look, because it shows us what happened in the past," Bachmann said. "What we concern ourselves with is what's in the windshield and making sure that we maintain an environment that is going to attract the most talented and most able people wherever they are and wherever we find them."

IT MAKES GOOD \$ENSE TO BANK LOCALLY

Parkway has grown to 16 locations since first bank opened in 1964

In 1964, Parkway Bank & Trust Co. opened its doors to the northwest Chicagoland community offering full-service financial products and truly personal, customer-oriented service.

By 1970 the communities had grown with well-maintained homes, prospering factories and local businesses, and Parkway's financial strength became more apparent with the birth of its second bank, First State Bank of Chicago.

To serve the growing north-west suburban communities, Parkway Bank of Schaumburg was opened in 1989, followed by Parkway Bank of Illinois (Carpentersville) in 1992. One year later, Parkway Bank of Schaumburg began operation of its Elk Grove facility and the pattern of growth expanded west with a network of banking

facilities throughout the north-west Chicagoland area.

In 1998, Parkway Bank & Trust Co. acquired Jefferson State Bank. This merger brought Parkway's assets to over \$900 million. During the years 1999-2000, Parkway opened its latest facilities in Streamwood, Deerfield, Arlington Heights, and Wood Dale Illinois.

Parkway Bank & Trust Co. has grown to 16 locations with over \$1 billion in assets. To better serve its customers, expansion is continuing with two additional facilities scheduled to open this year in the Chicago suburbs.

Throughout its 38 year history, Parkway has built banks of growth and success by setting high goals and standards and achieving them.

New web site helps find owners of bonds

Continued from Page 15
That means it's still a good idea to carefully check through your belongings if you think you may have unredeemed bonds that are no longer earning interest.

Also included in the *Treasury Hunt* database are Series E undeliverable bonds that have been returned since June 1996 and undeliverable Savings Bond Series HH/II interest payments. For the record, savings bonds and interest payments become "undeliverable" after financial institution issuing agents or the Federal Reserve make several unsuccessful

attempts to deliver the bonds to investors. Returned interest@payments usually result when a customer changes his or her bank account or address and fails to provide the Bureau of the Public Debt with new delivery instructions.

According to the U. S. Treasury Department, there are at least 160,000 forgotten or "undeliverable" bonds waiting for their owners to claim them. While the *Treasury Hunt* database currently contains information on roughly 35,000 records, the site will be updated regularly as new information becomes available.

Parkway has special savings club for children

Sparky's Super Savers Club - This is a special passbook savings account for children under the age of 13. Account holders are automatically given a club membership which includes an activity book, a deposit record (redeemable for selected gifts), and a piggy bank. A designated teller window accommodates even the smallest Super Savers.

There's an annual Super Savers party for all club members which includes a visit from the club mascot, Sparky-The-Clown and features a Magic Show, Face Painting, Balloon Sculpting and much more fun! Other great seasonal events are scheduled for club members.

IT MAKES GOOD \$ENSE TO BANK LOCALLY

If you're looking for a bank with the expertise and range of financial offerings you want, plus the personal attention and service you deserve, then First American is the bank for you. Our size and management philosophy make it possible for us to give you the best of both worlds: big bank financial services, with the personal atten-

tion only a smaller bank can provide. **Big on Financial Expertise** First American is an Illinois-chartered, full-service bank with over 30 Chicago area locations and more than 2 billion in assets. We are also privately held and 80% owned by officers, directors and family members. We have the strength and

stability that come from a consistent, diversified earnings stream, strong internal equity generation, sound asset quality, and a liquid and conservative balance sheet. **So what does all this mean to you?** It means that at First American you can look forward to a solid, long-term relationship

with a bank you can trust. A bank that's on the cutting edge of financial services—from the latest technology to innovative and superior products. Our full range of services includes:

- **Commercial Services:** including corporate loans, cash management, real estate, international banking and small business banking.
- **Wealth Management:** providing a wide range of trust and investment services, estate planning, employee benefits plans, and other assistance in helping you manage and grow your assets.
- **Personal Finance:** offering a wide range of checking and deposit opportunities, loans, retirement planning, and more.

Focused on Service

For over 30 years, First American has operated on the philosophy that the needs of our customers come first - which means we have a commitment to giving you a level of personal attention you just won't find anywhere else. Our people are focused on you—listening to your specific requirements and concerns. They have the knowledge and experience to evaluate your needs, and the decision-making authority to provide solutions quickly and efficiently—without a lot of bureaucratic red tape. At First American you're the center of attention... and your financial wellbeing is our first priority.

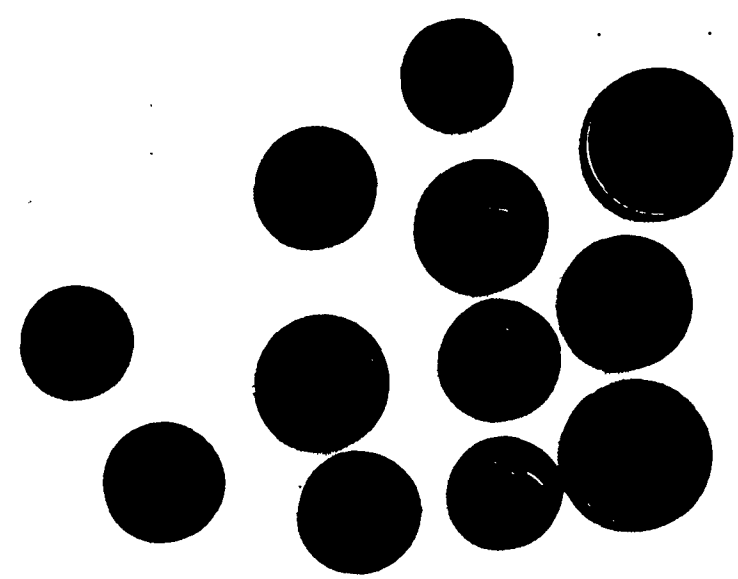

For sophisticated products and personal service, there's no better choice than First American. The bank that does more for your money...and for you.

New IRA rules...

Continued from Page 14 qualified individuals, by using the new calculation method, can take out less money from their IRAs in 2002. Bear in mind that these rules only set the minimum amount you must withdraw annually; you can always take more if your circumstances require you to do so—and you're prepared to pay the tax bill. December 31 of each year remains the mandatory deadline for annual distributions.

Now, with one exception, the amount of your annual minimum withdrawal is based on your IRA account balance at the end of the previous year and the joint life expectancy for you and your beneficiary (even if you haven't named one) as shown in the IRS Uniform Life Expectancy Table.

Prospective retirees no longer have to lock in a beneficiary at an early date. You can name—and change—beneficiaries as often as you like throughout your lifetime. |

St. John the Baptist Philoptochos Society Annual Luncheon planned

St. John the Baptist Philoptochos Society Annual Luncheon and Fashion Show will take place on Saturday, February 9 at the Westin O'Hare Hotel. The Social Hour will begin at 11 a.m., and the Luncheon will be at 12 noon.

The fashion show will be presented by ZAZZ Productions and will feature the newest in spring fashions by popular designers.

The National Ladies Philoptochos Society was established in 1931 as the "philanthropic arm of the church." It has over 35,000 members and is consid-

ered the largest Christian women's organization in the nation. The Philoptochos of St. John has existed since the founding of the parish forty-two years ago.

Its members work very hard to live up to its name, "friend of the poor." Philanthropic and charitable objectives are the main focus of all the programs and projects that are supported by its more than 250 members.

Each year the St. John Philoptochos contributes thousands of dollars to many local, national and international charities. Its members partici-

pate in activities that provide for an improved community and for those who live in it.

The annual Luncheon draws more than seven hundred women from throughout the Chicagoland area as well as other parts of the nation. It is these loyal supporters who make it possible to continue the mission of Philoptochos and to pursue other areas of philanthropy.

Fashion Show Co-chairs Renee Tompany and Vasi Kutrumanes and Philoptochos President, Helen Elliott extend an invitation to everyone.

CTA to Auto Show

Buses on three CTA routes will operate directly to McCormick Place South for the 2002 Chicago Auto Show, Friday, Feb. 8, through Sunday, Feb. 17. Visitors will be able to reach the show directly from North Michigan Avenue, from Metra stations, and from the South and West Sides. Customers can transfer to Auto Show buses from all lines serving downtown.

Auto Show hours are from noon to 10 p.m. Friday, Feb. 8, and from 10 a.m. until 10 p.m. for the remainder of the show. #3 King Drive buses from North Michigan Avenue and the South Side, #21 Cermak buses from the West Side, and #127 North Western/Madison buses from Metra stations west of the Loop will serve McCormick Place at all hours the show is open. Fares are \$1.50 each way for customers 12 and older. Children 7 through 11 pay 75 cents. Exact fare is required.

Set all things in their own peculiar place and know that order is the greatest grace.

New teacher at St. John Brebeuf

Hello! My name is Monica Brunell and I am the new seventh grade teacher at St. John Brebeuf. I teach the sixth, seventh and eighth grade science classes and I am very excited to be here. I grew up in Chicago, Illinois and attended St. Monica School and Resurrection High School.

I have a B.A. in Art History from UIC and I worked for a short time in a historic house museum in Chicago's South Loop. At the museum, I taught adult education classes and it was there that I decided that teaching was the career for me. I completed my Elementary Education degree requirements at Northeastern Illinois University.

I enjoy teaching here at St. John Brebeuf. The students in my science classes are great. I look forward to many enjoyable years of working with the students of this school.

Morton Grove residents Margaret & Joseph Lach (center) as the couple were recently awarded the Senior Citizen Law Enforcement Academy Certificates of Completion. The Lachs were among 55 seniors honored recently, after attending Academy classes at the Park Ridge Senior Center, 100 S. Western Avenue in Park Ridge.

Sheriff Sheahan initiated the Academy to give participants a better understanding of the responsibilities of law enforcement officials as well as advice on personal safety and crime prevention. Academy graduates will tour the Cook County Jail in February as the final segment of their law enforcement experience.

The Maine Township Senior Center will host the Academy later this year. For more information on the Senior Citizen Law Enforcement Academy or to register for the upcoming classes in Park Ridge, please call (773) 869-7725

MG buys Dempster St. land
Continued from Page 1
Development Plan accommodates a state plan to eliminate parking along the street and create a center-turn lane along Dempster, which drives the concern for parking alternatives.

Trustee Joe Weiss, who chairs the Dempster Street Project Advisory Committee, voted to purchase, but to sell if the village doesn't create a special service area to help pay for the purchase.

A special service area imposes an additional property tax on property owners for funding capital improvements, maintenance and marketing.

The Dempster Committee, composed of property and business owners along Dempster, has discussed creating a special service area, but so far the group has not reached a recommendation.

Businesses operating at the properties in question would be offered help by Morton Grove Department of Economic Development if they wish to continue operating in the village, said Tim Angell, Director.

High School to cut programs
Continued from Page 1
Sam Borek, District 219 trustee, says the district will have to cut expenses by \$4 to \$6 million per year.

Niles voters passed a \$65 million tax hike to upgrade and expand physical facilities but the district is not allowed to use that money for the education fund, said Silverman.

The first name of the Queen of Sheba was Baldie.

St. Matthews Lutheran Church hosts Family Dance

St. Matthews Ev. Lutheran Church is hosting a Family Dance on Saturday February 16, 2002. The festivities are extended to all members of the community. Musical entertainment will be provided by a DJ from "Windy City Hitman." Light refreshments will be served. The hours of the dance

are 7 p.m.-10 p.m. So come on out and meet your neighbors for a night of music, laughs and good family fun.

St. Matthews Lutheran Church is located at 9081 N. Maryland St., Niles, IL (Just south of Golf Mill Shopping Center.) For additional information call (847) 746-7921.

Essay Contest Winners Announced

The North American Martyrs Council 4338, Knights of Columbus, again hosted a special essay contest for students of the 7th & 8th grades for two area schools. Over 200 students submitted their compositions entitled "What Are the Responsibilities of Youth in a Free Society" to the Essay Contest Committee.

Throughout December 2001 and January 2002, each of the essays were evaluated for content, reader appeal, correct use of English, spelling and overall neatness by 3 qualified judges. The top ten essays were then presented to qualified representatives of the Knights of Columbus for final judging and determination of the top three essays.

Contest Chairman Bob Galassi proudly announces the winners to this year's Essay Contest for 2001. Congratulations to:

1st Place - Katie Staszak, St. John Brebeuf School.
2nd Place (tie) - Betsy Keating, St. Juliana School.
2nd Place (tie) - Kevin Bohm, St. John Brebeuf School.

The winners will be presented their savings bond and a special plaque at the Council's Award Night, Wednesday February 27, 2002 in St. John Brebeuf School's Flanagan Hall, 8301 N. Harlem Ave., Niles.

Essay Contest Chairman Bob Galassi offers the winners his heartiest congratulations & special thanks to all the competitors. All of the judges found this year's essays outstanding and entertaining. Each young adult is a winner to compete!

Valentine's Day Special

AVAILABLE WITH COUPON

Tropical Pedicure \$25
Reg. \$35

OR

Oxygen Detoxifying Facial \$45
Reg. \$60

With this coupon. Not valid with other offers. Expires February 28, 2002!

The CUSTOMER DETOXYING FACIAL is designed to revitalize dull, congested skin, de-clog pores, supple and plump surface skin cells that may be compromised by the sun, smoking, stress, the aging process and a variety of environmental factors. It is rich in active-ingredient, including oxygen cream, beta hydroxy acid, vitamins, antioxidants and botanical extracts.

PEDICURES help to remove calluses, corns, soften and pamper. Dry, cracked skin in the feet is very uncomfortable. Exfoliation, through a pedicure, removes dead skin cells so the skin can retain moisture more efficiently. Pedicure is only means ped-care. You'll need your feet in good shape for many years to come, so don't neglect them.
