First Name: _____ Last Name: _____

Device Type & Model: _____ Device Serial Number: _____

Please note that while Niles-Maine District Library (NMDL) made the Chromebook (including the computer and related components) available to you through its Learn-to-Own Device Distribution Program (the "Program"), NMDL does not provide any warranty, either express or implied, including without limitation, any warranties of merchantability or fitness for a particular purpose.

Any warranty claims, support requests, or damage issues related to the Chromebook must be directed to the manufacturer.

In addition, under no circumstances shall NMDL be liable for any direct or indirect losses or damages arising out of or in connection with the use of the Chromebook.

By signing below, I agree to forever release and hold harmless NMDL and its officers, directors, trustees, agents, and employees from any and all liability, claims, demands, actions, and causes of action whatsoever, including but not limited to those arising from third party fraud, identity theft, or other issues related to my use or possession of the Chromebook.

If the Chromebook is distributed to me prior to a full ownership transfer, I agree to the following:

1. I am responsible for the care, use maintenance and security of the Chromebook while it remains NMDL property.
 2. I will not sell, loan, or transfer the Chromebook to any other individual or entity before ownership transfers.
 3. I agree to notify NMDL immediately if the Chromebook is lost, stolen, or no longer operational before ownership transfers.
 4. I understand that the Chromebook is provided "as-is" and that NMDL is not responsible for internet access or technical support.
 5. If the Chromebook is lost, stolen, or irreparably damaged due to misuse, negligence, or intentional acts before full ownership transfers to me, I may be held financially responsible for repair or replacement and/or disqualified from further participation in the Program.
 6. I agree not to use the Chromebook for any unlawful activity or in violation of local, state, or federal law.
 7. I understand that any software, data, or personal information I store on the Chromebook is my responsibility. NMDL is not responsible for backing up or recovering any user data.
-

8. If this device is being provided on a conditional basis (e.g., for a probationary period or with scheduled check-ins), I agree to comply with any additional requirements communicated by NMDL.
9. I agree not to jailbreak, disable security features, or modify the Chromebook in any way that restricts NMDL management access or violates library policies before ownership transfers.

Ownership Transfer

I acknowledge that ownership of the Chromebook will transfer to me only after I meet all Program requirements, including but not limited to successful completion of the learning period, assessment, and any additional criteria specified by NMDL.

Once ownership transfers, the Chromebook becomes my personal property, and I am no longer subject to the usage restrictions outlined above.

If I do not meet the Program's requirements or am otherwise deemed ineligible, I agree to return the Chromebook and all related components to NMDL upon request. Failure to return the equipment may result in collection actions or other legal remedies.

My signature below indicates that:

- The Chromebook I am receiving from NMDL is in satisfactory working condition at the time of receipt.
- I have read, understood, and accept all of the terms and conditions stated in this User Agreement.
- I understand my responsibilities under the Learn-to-Own Device Distribution Program and agree to comply with them.
